Dear Supervisors:

**APPROVAL TO EXERCISE THE FINAL ONE-YEAR OPTION OF EXISTING
SOLE SOURCE AGREEMENT NO. HA-707648 WITH GARTNER, INC. FOR
SPECIALIZED INFORMATION TECHNOLOGY CONSULTING SERVICES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

CIO RECOMMENDATION: APPROVE (X)

SUBJECT

Approval of delegated authority to the Director of the Department of Health Services (DHS), or designee, to amend sole source Agreement No. HA-707648 with Gartner, Inc. for specialized information technology consulting services.

DHS RECOMMENDS:

Delegate authority to the Director or designee, to amend sole source Agreement No. HA-707648 ("Agreement") with Gartner, Inc. ("Gartner") for specialized information technology (IT) consulting services, to exercise the third of three one-year extensions for the period of June 1, 2022 through May 31, 2023 with no increase to the current Maximum Agreement Sum of \$7,103,137 (which includes previously approved roll-over funds in the amount of \$1,147,137), subject to prior review and approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the recommendation will provide DHS with the authority to amend the Agreement to exercise the third one-year extension to the Agreement to provide DHS with the ability to utilize certain specialized IT consulting services as needed.

On May 8, 2018, the Board of Supervisors (Board) approved the Agreement for a term of June 1, 2018 through May 31, 2020, with three one-year optional extensions. The Board requested that DHS return for authority to exercise each extension. DHS returned to the Board in May 2020 and May 2021 for the authority to exercise each one-year extension.

Over the term of this Agreement, Gartner has provided DHS with subject matter expertise in several critical areas, such as the electronic health record system implementation, data and analytics, cybersecurity, enterprise program and project management oversight, risk assessment, quality assurance, and technology solution sourcing and procurement. During this extension, DHS intends to use Gartner to provide highly specialized support for the potential redesign of the DHS patient encounter capture process, which is the means for tracking a health care contact between the patient and the provider in the electronic health record system. In addition, DHS will evaluate its need for additional projects similar to those undertaken during the electronic health record system implementation, including baseline and ongoing project risk assessment and reporting, ongoing quality control and quality assurance services to monitor compliance with projects and corresponding agreements, project monitoring and tracking, program management support, and strategic assessments. During the current term of the Agreement, DHS engaged Gartner to provide advice related to data analytics and data management in order to determine the most efficient and productive use of its extensive data repositories. There are currently no resources in the County that have the knowledge, skills, and abilities to perform these specialty IT consulting services on simultaneous critical projects. Finally, DHS anticipates that this will be the final extension of the Agreement. Any future need for specialty IT consulting services will be procured via a suitable solicitation and contracting process (e.g., Professional and Technical Services Master Agreement).

IMPLEMENTAION OF STRATEGIC PLAN GOALS

The recommended actions support Strategy II.2 “Support the Wellness of Our Communities” and III.3 “Pursue Operational Effectiveness, Fiscal Responsibility and Accountability” of the County’s Strategic Plan.

FISCAL IMPACT/FINANCING

Funding is included in the DHS Fiscal Year 2021-22 Final Budget and will be requested in future years’ budget, as necessary. There is no net cost to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Maximum Agreement Sum for the Agreement as approved in 2018 was \$5,956,000, with the option to increase the Maximum Agreement Sum by (i)

The Honorable Board of Supervisors

unexpended funds from the previous agreement with Gartner in the sum of \$550,000 and (ii) ten percent (10%)

of the initial Maximum Agreement Sum, in the amount of \$595,600, for a total of \$7,103,137. DHS inadvertently did not include the previously approved and exercised optional sums in its May 2021 letter to the Board. To validate DHS' administration of the Agreement and the Maximum Agreement Sum, Attachment A (Expenditures) details DHS' expenditures during both the initial term of the Agreement and each extension term. The amendment is subject to prior review and approval as to form by County Counsel. The Chief Information Officer (CIO) has reviewed the Board Letter and recommends approval. The CIO further determined that a CIO Analysis is not required for the recommended action because there are no additional changes in technology. The Sole Source Checklist (Attachment B) has been approved by the Chief Executive Office.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendation will enable Gartner to continue providing IT consulting services under the Agreement.

SUBJECT

Request for delegated authority to the Director of the Department of Health Services, or her designee, to negotiate and execute a new public-private partnership agreement with Shriners Hospitals for Children and its affiliate foundation. Under that agreement, Shriners employed physicians would refer certain patients to Harbor-UCLA Medical Center for pediatric surgical procedures to be performed by Shriner's physicians, as appropriate, using space, support personnel, and equipment provided by the County at County's Harbor-UCLA Medical Center facility. Harbor-UCLA may also provide radiology, other diagnostic imaging services, and certain outpatient services to some of those patients.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of Health Services (Director), or her designee, to negotiate, prepare, and execute a new agreement with Shriner's Hospitals for Children (Shriner's) and its affiliate(s) that is based on Exhibit 1, "Shriner's Hospital Service Agreement, Initial Proposal", effective upon execution by the parties and for a term not to exceed three years (Agreement). This authority includes, without limitation, the ability to specify methods and rates of payment that are appropriate for the services rendered thereunder, and the payors responsible for reimbursement. The Agreement shall be subject to review and approval by County Counsel, with subsequent notice to the Board of Supervisors (Board) and the Chief Executive Office (CEO).

2. Delegate authority to the Director, or her designee, to make amendments to the Agreement that do one or more of the following: (a) extend the Agreement term for a total length (including the initial term) of no more than 5 years; (b) add or remove the types of services provided by either party; (c) add or remove Department of Health Services (DHS) hospitals and staff (with no marginal net county cost); or (d) add or remove lines of business. Any amendment(s) made under this recommendation shall be subject to review and approval by County Counsel, with subsequent notice to the Board and CEO; except that, in the case of the addition of a hospital, (e.g., under Recommendation 2(c)), *prior* notice will be given to the Board.
3. Delegate authority to the Director, or designee, to terminate the Agreement or any amendments in accordance with their applicable terms.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Los Angeles County Department Health Services (DHS) and Shriners wish to forge a partnership that serves the community – allowing them to provide highly specialized pediatric surgeries to low-income individuals in the South Bay, South Los Angeles and Southeast Los Angeles regions. Shriners seeks to refer certain pediatric patients to DHS' Harbor-UCLA Medical Center (Harbor) for such surgical services, Shriners-employed physicians will perform the surgeries. Harbor has unused pediatric service capacity for such services: it will provide space, supplies, and equipment; Harbor staff may provide anesthesiologic services, diagnostic imaging services, pre-procedure consultations, and post-surgical recovery services (among others). The parties anticipate that the low income patients served predominantly will be Medi-Cal eligible, but also commercially insured, or uninsured.

Recommendation No. 1 would allow DHS to negotiate a final agreement that would initially last for two to three years. Exhibit 1 evidences Shriner's initial standard form agreement. Through negotiations, it will be modified conform to the county's needs, applicable contract requirements, and agreed upon payment provisions. During the initial agreement term, DHS will assess the relationship and determine whether and how to proceed.

Recommendation No. 2 and 3 would allow DHS to extend and modify the Agreement to adapt the agreement to better suit its needs, or terminate the Agreement if deemed to be in the best interest of the department and the County. Any changes would be at no marginal cost to the county.

Finally, DHS would like for the partnership to serve as a model for similar partnerships with other organizations in the future and will return to the board at the appropriate time.

Implementation of Strategic Plan Goals

The recommended actions support “Goal III, Realize Tomorrow’s Government Today and III.3 Pursue operational effectiveness, fiscal responsibility and accountability” of the County’s Strategic Plan.

FISCAL IMPACT/FINANCING

There will be no net county cost. The program will be funded primarily by billing Medi-Cal, commercial health plans, or applying Shriner’s charity care policies, as appropriate. With respect to Medi-Cal fee-for-service patients, the non-federal portion of the program will be offset by the recovery of the lost revenue opportunity due to underutilized capacity. In the first year, anticipated to begin July 1, 2022, the program is expected to break even.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Harbor-UCLA Medical Center is an acute-care facility, owned and operated by the County of Los Angeles. Shriners Hospitals for Children (“Shriners”), which has an office in Pasadena, is a 501(c)(3) entity that provides outpatient and surgical center care to children with disabilities. Shriners has an affiliated non-profit, Shriners Foundation (“Foundation”), which provides funding for health services to needy children. Shriner’s physicians perform highly specialized pediatric surgeries. Harbor has unused pediatric service capacity for such services. Both Shriner’s and Harbor’s physicians are paid on a salary basis as permitted by the California Business & Professions Code § 2401.

Under the Agreement, Shriners will refer certain patients for inpatient treatment to Harbor and be responsible for obtaining pre-authorization for referred procedures. Harbor will have the discretion to refuse referrals of patients who do not have Medi-Cal. Harbor will be responsible for obtaining concurrent authorization for services during extended inpatient stays. The estimated case volume will be thirty (30) per year with opportunity to increase to approximately one hundred (100) cases over time. The expected patient mix will be primarily Medi-Cal and/or California Children’s Services covered, with commercial insurance covered, and uninsured individuals too.

DHS will have the discretion to terminate the Agreement or any amendments in accordance with their applicable terms or may allow the Agreement or any amendment to expire.

CONTRACTING PROCESS

Because the County is not soliciting services from a third party, rather, a third party will be acquiring *County’s* services and using County space, supplies, and equipment, the solicitation process is not required.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services.

Patients eligible for financial assistance under HARBOR-UCLA's charity care or like program, if any, shall be treated by HARBOR-UCLA and/or, as applicable, under the terms of such program. If an SHC patient without insurance coverage does not qualify for financial assistance under HARBOR-UCLA's charity care policy, HARBOR-UCLA, as applicable, shall provide confirmation of such denial to SHC. Notwithstanding the above, SHC will be billed for Unavailable Services provided on behalf of Shrine Assist patients who are not

United States citizens and who are visiting the United States for the purpose of receiving medical care at SHC and such patients will not access HARBOR-UCLA's charity care or like program.

- iii. **SHC Inpatients.** In those instances where an SHC inpatient needs Unavailable Services at HARBOR-UCLA's facility and HARBOR-UCLA is unable to bill an insurer for such Unavailable Services due to the patient's status as an SHC inpatient, such patients shall be considered Eligible SHC Patients for purposes of this Agreement with respect to the party/parties unable to bill. - ii. Payment shall be made within thirty (30) days following SHC's receipt of an invoice detailing the Unavailable Services rendered to such Eligible SHC Patients. - iii. HARBOR-UCLA shall not bill any Eligible SHC Patient or other third party for any Unavailable Services for which compensation is provided to HARBOR-UCLA by SHC hereunder.

3. TERM: This Agreement shall become effective on the Effective Date. The Agreement shall have an Initial Term of one (1) year, and shall automatically renew for subsequent Renewal Terms of one (1) year each, unless sooner terminated in accordance with the terms of this Agreement.

4. TERMINATION OF AGREEMENT:

a. Notwithstanding any language to the contrary, any Party may terminate this Agreement without cause by delivering written notice to the other Parties not less than ninety (90) days prior to the date on which termination is to be effective. Notwithstanding the foregoing, in the event either HARBOR-UCLA terminates the Agreement under this Section 4.a, any such termination shall be deemed as termination of, and withdrawal from, the Agreement only with respect to the terminating Party. The Agreement shall continue between the remaining Parties unless otherwise terminated in accordance with the terms herein.

b. This Agreement may also be immediately terminated by either Party upon breach by another Party of any material provision of this Agreement, provided such breach is not cured within thirty (30) days of receipt of notice from the non-breaching Party of such an event. Notwithstanding the foregoing, in the event either HARBOR-UCLA terminates the Agreement, any such termination shall be deemed as termination of, and withdrawal from, the Agreement only with respect to the terminating Party. The Agreement shall continue between the remaining Parties unless otherwise terminated in accordance with the terms herein.

c. Notwithstanding anything to the contrary contained herein, SHC may immediately terminate this Agreement upon any of the following events:

5. REPRESENTATIONS AND WARRANTIES: Each Party represents and warrants to the other, on execution and while this Agreement is in effect, as follows:

8. INDEMNIFICATION: Each Party (individually, the "Indemnifying Party") each shall fully indemnify, hold harmless and defend the other Parties hereto and their respective directors, officers, employees, agents, and affiliates (collectively, "Indemnified Parties") from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including but not limited to reasonable attorney's fees and costs) (individually and collectively, a "Claim"), whether or not involving a third party claim, which arise out of or relate to (1) any breach of any representation or warranty of the Indemnifying Party contained in this Agreement, (2) any breach or violation of any covenant or other obligation or duty of the Indemnifying Party under this Agreement or under applicable law, or (3) any act or omission by HARBOR-UCLA, or their respective Personnel (including employed Physicians) providing Unavailable Services under this Agreement, whether or not the relevant Claim has merit.

Approve and authorize the Director of Mental Health (Director), or designee, to prepare, sign, and execute an amendment (Attachment I) to extend the term of the existing Contract with FOTC-Los Angeles to continue to provide professional mentoring services. The extension will be effective July 1, 2022 through June 30, 2023, with an option to extend the term for one additional fiscal year, as necessary. The Total Contract Amount (TCA) for Fiscal Year (FY) 2022-23 is \$735,437, fully funded by State Mental Health Services Act (MHSA) revenue.
2. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the Contract to revise the boilerplate language; revise and/or replace Exhibit B (Fee Schedule); add, delete, modify or replace the Statement of Work (SOW); extend the Contract term for one additional year, if necessary; and add or

reflect federal, State, and County regulatory and/or policy changes, provided that amendments are subject to the prior review and approval as to form by County Counsel, with written notice to the Board and Chief Executive Officer (CEO).

3. Delegate authority to the Director, or designee, to terminate the Contract in accordance with the Contract's termination provisions, including Termination for Convenience. The Director, or designee, will provide written notification to your Board and CEO of such termination action.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The existing Contract with FOTC-Los Angeles is set to expire June 30, 2022. Board approval to extend the term of the Contract is necessary to continue to provide these much needed services and resources to youth who are at risk of, or already experiencing foster care.

Board approval of Recommendation 1 will enable the Department of Mental Health (DMH) to extend the term of the Contract with FOTC-Los Angeles to continue to provide professional mentoring services to eligible children, youth, and their families residing in the Antelope Valley region.

Board approval of Recommendation 2 will allow DMH to amend the Contract to revise the language and financial provisions, add, delete, modify, or replace the SOW and incorporate federal, State, and County regulatory and/or policy changes, including extending the contract, as necessary.

Board approval of Recommendation 3 will enable DMH to terminate the Contract in accordance with the Contract's termination provisions, including Termination for Convenience, in a timely manner, as necessary.

Implementation of Strategic Plan Goals

These recommendations support the County's Strategic Plan Goal I, Make Investments That Transform Lives via Strategy 1.1 Increase Our Focus on Prevention Initiatives and Strategy I.2 Enhance Our Delivery of Comprehensive Interventions.

FISCAL IMPACT/FINANCING

The TCA for the FY 2022-23 extension period is \$735,437, fully funded by State MHSA revenue and is included in DMH's FY 2022-23 Recommended Budget. Funding for future fiscal years, if needed, will be requested through DMH's annual budget request process.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On May 28, 2019, your Board approved Motion 34-B which instructed the DMH Director to enter into an agreement with FOTC-Los Angeles, previously known as Friends of the Children-Los Angeles, to implement a pilot project to serve at-risk children residing in the Antelope Valley region. The goal of this program is to improve the experience and outcomes for youth in the foster care system. This pilot project has provided a professional mentoring model that enhance support for children who are most at risk for abuse and/or neglect. Eligible youth and their families are matched with a full time professional mentor known as a Friend, from kindergarten through high school graduation. DMH, in collaboration with the Department of Children and Family Services, developed a referral and selection process for the children to receive the aforementioned services.

Thus far, FOTC-Los Angeles has made nearly 500 referrals and partnered with over 20 local organization and service providers, provided one-on-one mentoring to 56 children (93% of these children had no further contact with the child welfare system), and has impacted over 300 individual children and families since program implementation. The projected goals for FY 2022-23 include serving a total of 64 children, continue facilitating monthly roundtables with school district leaders, and address school over reporting to Child Protective Services.

The Amendment format (Attachment I) has been reviewed and approved as to form by County Counsel.

In accordance with Board Policy No. 5.100 (Sole Source Contracts and Amendments), DMH notified your Board on January 31, 2022 (Attachment II) of its intent to extend the term of the contract with FOTC-Los Angeles for professional mentoring services. The required Sole Source Checklist (Attachment III) identifying and justifying the need for a sole source has been approved by the CEO.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors' compliance with all contract terms and conditions and performance standards.

IMPACT ON CURRENT SERVICES OR PROJECTS

Board approval of the extension will allow DMH to continue to provide services to the youth in the County of Los Angeles as they work to overcome barriers to their success.

Respectfully submitted,

Jonathan E. Sherin, M.D., Ph.D.

SUBJECT: NOTICE OF INTENT TO EXTEND THE EXISTING CONTRACT WITH FOTC-LOS ANGELES FOR THE CONTINUED PROVISION OF PROFESSIONAL MENTORING SERVICES FOR FISCAL YEAR 2022-23 ON A SOLE SOURCE BASIS

In accordance with the Los Angeles County Board of Supervisors' (Board) Policy No. 5.100 (Sole Source Contracts and Amendments), the Department of Mental Health (DMH) is notifying your Board of our Department's intent to extend the term of the contract with FOTC-Los Angeles, previously known as Friends of the Children-Los Angeles, for the continued provision of professional mentoring services for vulnerable children, youth, and their families.

DMH will request that your Board approve an amendment to extend the term of the contract with FOTC-Los Angeles on a sole source basis for one fiscal year, effective July 1, 2022 through June 30, 2023, with an option to extend the term for one additional fiscal year, as necessary. The Total Contract Amount is \$735,437 funded by Mental Health Services Act revenue.

JUSTIFICATION

On May 28, 2019, your Board approved Motion 34-B which instructed the DMH Director to enter into an agreement with FOTC-Los Angeles to implement a pilot project to serve at-risk children residing in the Antelope Valley region. FOTC-Los Angeles' program aims to prevent foster care entry and improve the family stability and wellbeing in the Antelope

Valley region by matching a professional mentor ("Friend") to a child who is at high risk of entering, or is already experiencing foster care placements. To date, FOTC-Los Angeles has made nearly 500 referrals and partnered with over 20 local organization and service providers; provided one-on-one mentoring to 56 children (93% of these children had no further contact with the child welfare system); and has impacted over 300 individual children and families since program implementation. The projected goals for Fiscal Year 2022-23 include serving a total of 64 children, continue facilitating monthly roundtables with school district leaders, and address the school's over reporting to Child Protective Services.

As Board Motion 34-B did not include delegated authority to extend the term, and the existing contract is due to expire on June 30, 2022, DMH will request approval to extend the term of the contract as these services and resources are necessary to improve the experience and outcomes for youth in the foster care system.

NOTIFICATION TIMELINE

Pursuant to Board Policy No. 5.100 (Sole Source Contracts and Amendments), DMH is required to notify your Board at least six months prior to the expiration of an existing contract to amend the contracts when departments do not have delegated authority to execute such amendments. DMH is slightly delayed in notifying your Board of its intent to extend the term of this contract. The Board letter requesting approval to extend the contract is projected to be presented to your Board in May 2022. If requested by a Board office or the Chief Executive Office, DMH will place this item on the Health and Mental Health Services Cluster Agenda.

Unless otherwise instructed by your Board office within four weeks of this notice, DMH will present your Board a letter for approval to execute a sole source contract extension amendment with FOTC-Los Angeles for the continued provision of professional mentoring services.

24-HOUR RESIDENTIAL TREATMENT PROGRAM CONTRACTS AND
ACUTE PSYCHIATRIC INPATIENT HOSPITAL CONTRACTS FOR
THE PROVISION OF SPECIALTY MENTAL HEALTH SERVICES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval for the Department of Mental Health to execute contracts with qualified 24-Hour sub-acute Residential Treatment programs and Acute Psychiatric Inpatient hospitals through a Request for Application process to place clients in need of sub-acute and acute psychiatric care.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health (Director), or designee, to sign and execute 24-Hour Residential Treatment contracts for various sub-acute programs, substantially similar to Attachment I, with three new and 24 existing contractors included in Attachment II, effective July 1, 2022 through June 30, 2026, with an option to extend thereafter for five additional one-year terms through June 30, 2031. The estimated aggregated amount for these 27 contracts is \$205 million each fiscal year, fully funded by 1991 Realignment, Mental Health Services Act (MHSA), 2011 Realignment – Early Periodic Screening, Diagnostic

and Treatment (EPSDT), and Federal Financial Participation (FFP) Medi-Cal revenues.

2. Approve and authorize the Director, or designee, to sign and execute new Acute Psychiatric Inpatient contracts, substantially similar to Attachment III, with the 29 existing hospitals listed in Attachment IV, effective July 1, 2022 through June 30, 2026, with an option to extend thereafter for five additional one-year terms through June 30, 2031. These contracts do not have a maximum contract amount as reimbursement for acute psychiatric inpatient services are on a fee-for-service basis. The estimated aggregated amount for Fiscal Year (FY) 2022-23 is \$62 million, fully funded by 1991 Realignment and 2011 Realignment-Managed Care revenues.
3. Delegate authority to the Director, or designee, to prepare, sign, and execute additional contracts, substantially similar to Attachments I and III, during the ensuing 10-year period with additional qualified entities that submit an application, provided that the entity meets all the requirements outlined in the Request for Applications (RFA). The additional contracts will become effective upon execution by the Director, or designee, and shall expire no later than June 30, 2031. DMH will notify the Board and the Chief Executive Office (CEO), in writing, upon such contract execution.
4. Delegate authority to the Director, or designee, to modify the RFA, including adding, deleting, and/or modifying services, and rates, if applicable, within each contract type and based on the needs and requirements identified by the Department of Mental Health (DMH).
5. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the contracts in Recommendations 1, 2, and 3 to revise the language; revise the Maximum Contract Amount (MCA), if applicable; add, delete, modify, or replace the Statements of Work (SOWs) and/or Service Exhibits (SEs); and/or reflect federal, State, and County regulatory and/or policy changes, provided that: 1) the County's total payment for each fiscal year under the contracts will not exceed an increase of more than 25 percent of the MCA, where applicable; 2) sufficient funds are available; and 3) the amendments are subject to the prior review and approval as to form by County Counsel, with written notification to your Board and the CEO.
6. Delegate authority to the Director, or designee, to terminate the contracts described in Recommendations 1, 2, and 3 in accordance with the contracts' termination provisions, including Termination for Convenience. The Director, or designee, will notify your Board and CEO, in writing, of such termination action.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of Recommendation 1 will allow DMH to execute new contracts with the 27 24-Hour Residential Treatment programs providers (Attachment II) that met the requirements of DMH's RFA and to ensure the continuous delivery of sub-acute psychiatric residential services for Medi-Cal beneficiaries and/or uninsured clients. The 24 current contracts are set to expire June 30, 2022.

Board approval of Recommendation 2 will allow DMH to execute new contracts with 29 existing Acute Psychiatric Inpatient hospitals (Attachment IV) to ensure the continuous delivery of acute psychiatric inpatient services for Medi-Cal beneficiaries and/or uninsured clients. The current Acute Psychiatric Inpatient hospital contracts are set to expire on June 30, 2022.

Board approval of Recommendation 3 will allow DMH to execute additional contracts with entities that meet the requirements of the RFA.

Approval of Recommendation 4 will allow DMH to modify the RFA by adding and/or deleting SOWs, SEs, and rates, if applicable, based on the needs of DMH.

Board approval of Recommendations 5 and 6 will allow DMH to: 1) amend the contracts expeditiously, as needed, without interruption to services; and 2) terminate the contracts in accordance with the contracts' termination provision, including Termination for Convenience, in a timely manner, as necessary.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal I (Make Investments that Transform Lives), via Strategy I.2 – Enhance Our Delivery of Comprehensive Interventions and County's Strategic Plan Goal III (Realize Tomorrow's Government Today), via Strategy III.3 – Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability.

FISCAL IMPACT/FINANCING

For FY 2022-23, the estimated aggregated cost for the 24-Hour Residential Treatment programs contracts is \$205 million fully funded with 1991 Realignment, MHSA, 2011 Realignment – EPSDT, and FFP Medi-Cal revenues. Funding will be included in DMH's annual budget request process.

For FY 2022-23 the estimated aggregated cost for the Acute Psychiatric Inpatient hospital contracts is \$62 million, fully funded by 1991 Realignment and 2011 Realignment-

Managed Care revenues. Funding will be included in DMH's annual budget request process.

There is no net County cost associated with the recommended actions.

Acute Psychiatric Inpatient contracts do not have a MCA as reimbursement for acute psychiatric inpatient hospital services are on a fee-for-service basis. The 24-Hour Residential Treatment contracts have a variety of billing methodologies based on the program (i.e., Psychiatric Health Facilities [PHF] and Enriched Residential Services [ERS] contracts require a maximum program amount whereas Mental Health Rehabilitation Centers [MHRC] contracts submit claims based on services provided).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Welfare and Institutions Code (WIC) Section 14712 directs the State to implement and administer the Managed Mental Health Care for Medi-Cal eligible residents for the State. WIC Section 14712 requires a contractual agreement between the State and Los Angeles County (County) to operate as the Mental Health Plan (MHP) responsible for the delivery of specialty mental health services to the County's eligible Medi-Cal beneficiaries. Through the MHP Agreement, DMH agrees to operate the MHP for the County. The MHP Agreement sets comprehensive requirements for DMH to provide or arrange for the provision all covered, medically necessary specialty mental health services (SMHS) to Medi-Cal beneficiaries in the County.

On March 30, 2016, the Centers of Medicare and Medicaid Services issued the Parity Rule in the Federal Registrar to strengthen access to mental health and substance use disorder services for Medi-Cal beneficiaries. The Parity Rule mandates that MHPs ensure access to care through an adequate provider network without unreasonable limitations to the scope or duration of mental health benefits. In order to comply with these requirements, DMH must ensure an adequate network of providers and that services are available throughout the County.

As the local MHP responsible for the provision of SMHS, it is our goal to streamline the contracting process for acute and sub-acute beds throughout the County. With Board approval, DMH will be able to expeditiously execute new acute and sub-acute contracts with entities that have demonstrated the experience and capacity to provide psychiatric beds as identified in DMH's RFA. In addition to streamlining the process to expand the DMH provider network through the RFA, the existing acute and sub-acute contractors who are: (1) in good standing, and (2) currently providing services to the County will receive the new contract without having to apply for the RFA. This was done to avoid undue burden on our existing provider network by asking them to resubmit documentation that they have already submitted.

These new contracts allow DMH to continue to serve and expand services to particularly vulnerable populations, including individuals released from State hospitals, County Psychiatric Emergency Services, State prisons, and County jails, with the most appropriate level of care. The 24-Hour Residential Treatment sub-acute programs (Attachment II) include the following types of beds: (1) MHRC; (2) PHF; (3) ERS; (4) Skilled Nursing Facility-Special Treatment Programs; (5) Mental Health Congregate Care Services; (6) Medical Intensive Skilled Nursing Facility and psychiatric services ; and (7) Crisis Residential Treatment Programs. These 24-Hour Residential Treatment Programs are sub-acute facilities, an alternative to acute hospital care, which provide psychiatric and medical services in a comprehensive inpatient or residential setting. Sub-acute programs are designed for clients with a chronic mental illness who may also have medical illness and/or injury who cannot be safely cared for in a lower level of care. Clients receive therapeutic services such as vocational, interpersonal, and independent living skills in order to become more self-sufficient and capable of increasing levels of independent functioning.

The Acute Psychiatric Inpatient hospitals contracts include: psychiatric services, psychiatric diversion, Institutions for Mental Diseases exclusion population, and behavioral health and physical health services. Each of the 29 hospitals (Attachment IV) are qualified Laternan-Petris-Short (LPS) designated hospitals and are able to detain, evaluate, and provide treatment to clients pursuant to WIC Section 5150. These Acute Psychiatric Inpatient hospital contractors (Attachment IV) will be able to provide continuous 24-hour per day, seven days per week (24/7) intensive psychiatric services in a licensed Acute Psychiatric Hospital or a distinct acute psychiatric part of a licensed General Acute Care Hospital, with the specific intent to ameliorate the symptoms of danger to self or others, or the inability to provide for food, clothing, and shelter due to a mental disability as determined by a qualified mental health professional staff of the facility.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure each contractor's compliance with all contract terms and performance standards.

Attachment I is the 24-Hour Residential Treatment Contract, which has been approved as to form by County Counsel.

Attachment II lists the 27 sub-acute entities who will receive the new 24-Hour Residential Treatment Contract. This list includes the three new Medical Skilled Nursing Facility (SNF) applicants from the RFA who meet the Minimum Mandatory Qualifications to receive the new contract.

Attachment III is the Acute Psychiatric Inpatient Contract, which has been approved as to form by County Counsel.

Attachment IV lists the 29 existing acute providers who will receive the new Acute Psychiatric Inpatient Contract. One of the existing providers, The Regents of the University of California, Los Angeles (UCLA) is a public educational institution requiring different contractual terms, which have been approved as to form by County Counsel. UCLA's Contract has a mutual indemnification provision instead of the County's standard indemnification language. A public educational institution is a constitutionally created State institution; therefore, the proposed indemnification provision is within reason and does not significantly impact the County.

CONTRACTING PROCESS

On September 15, 2021, DMH announced the contracting opportunity and posted the RFA to the County's "Doing Business with Us" and DMH's Contracting Opportunities website. The DMH091521B1 RFA includes both the 24-Hour Residential Treatment program and Acute Psychiatric Inpatient hospital contracts.

On November 17, 2021, the initial application submission deadline, DMH received three 24-Hour Residential Treatment applications from sub-acute entities that have not previously contracted with DMH for these services. DMH is recommending your Board approve the execution of these three new Medical SNF contracts, as well as the existing sub-acute and acute contracts, listed in Attachments I and III, as these entities have met the requirements of DMH's RFA.

In accordance with the solicitation process, DMH will continuously accept new applications throughout the duration of the RFA term. Qualified entities that meet the minimum mandatory qualifications of the RFA will be evaluated based on the scope of services in the two specialized areas: 24-Hour Residential Treatment programs or Acute Psychiatric Inpatient hospitals. Subsequently, application responses will be used to qualify entities to enter into either a 24-Hour Residential Treatment program contract or an Acute Psychiatric Inpatient hospital contract. These sub-acute and acute contracts will be effective upon execution and will expire June 30, 2026.

For the existing 24-Hour Residential Treatment programs (Attachment II) and Acute Psychiatric Inpatient hospitals (Attachment IV), DMH is exempting these contractors from applying for the RFA since they are already providing services, meet the requirements of the RFA, are appropriately licensed by the State Department of Health Care Services to provide medically necessary services to Medi-Cal beneficiaries and/or to the uninsured clients in the County. These existing sub-acute and acute contractors will receive the

new contract (Attachments I and III) to include the County's most current Terms and Conditions.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will strengthen the existing provider network of qualified sub-acute and acute entities and streamline the solicitation and contracting process to enable DMH to meet the County's shortage of psychiatric beds and improve the efficiency of placing high-need clients in these intensive programs and services.

Respectfully submitted,

such repairs, as determined by County, shall be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Contract. The facsimile, email or electronic signature of the Parties shall be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

- 8.19.1 To the extent permitted by applicable law, the Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and any applicable State law, and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act and any applicable State law, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, and other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California and with all laws, regulations, and contractual obligations of County under its Contract with the State. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. 8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.

8.24.2.4 Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Mental Health

Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and 30 days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to

provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration, and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

9.10 Air or Water Pollution Requirements: Unless specifically exempted under federal law, any federally funded contract and/or any subcontract in excess of \$100,000 must comply with the following provisions:

9.10.1 Contractor agrees to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 USC Section 1857(h)], section 508 of the Clean Water Act (33 USC Section 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Chapter 1).

9.10.2 Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 USC Section 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 USC Section 1251 et seq.), as amended.

9.11 Contractor's Exclusion From Participation In A Federally Funded Program

9.11.1 Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director, or designee within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

- 9.11.2 There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.
- 9.11.3 The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.
- 9.11.4 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded. Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.
- 9.11.5 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Exhibit K (Attestation Regarding Federally Funded Program) as part of its obligation under this Paragraph 9.11.

9.11.6 Contractor shall also comply with DMH Policy 106.04 (Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts) which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals, and 2) Contractor's responsibility to provide employee identification information within three business days should DMH or its representatives request it related to sanction list screening compliance.

9.11.7 Failure by Contractor to meet the requirements of this Paragraph 9.11 shall constitute a material breach of Contract upon which County may immediately terminate or suspend this Contract.

9.12 Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

9.12.1 In addition to Paragraph 8.12 (Contractor Responsibility and Debarment), the Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded Contracts. By executing this Contract, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded Contracts. Further, by executing this Contract, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded Contracts. Contractor shall immediately notify County in writing, during the term of this Contract, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded Contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

9.13 Restrictions On Lobbying

9.13.1 If any federal funds are to be used to pay for any of Contractor's services under this Contract, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101 121 (31 USC Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Contract also fully complies with all such certification and disclosure requirements.

EXHIBIT A
FINANCIAL EXHIBIT
(FINANCIAL PROVISIONS)

A. GENERAL

- (1) The County shall pay Contractor in arrears for eligible services provided under the Department of Mental Health (DMH) 24-Hour Residential Treatment Contract (Contract) and in accordance with the terms of this Financial Exhibit A (FINANCIAL PROVISIONS) up to the amounts identified for each Funded Program as shown in Exhibit B, the Financial Summary, and as otherwise may be limited under the DMH Contract and the exhibits thereto, including but not limited to this Financial Exhibit A (FINANCIAL PROVISIONS) and Exhibit B, the Financial Summary.
 - (a) For purposes of the Contract, a "Funded Program" is a set of services and/or activities (including invoiced services and activities) paid through a particular funding source for the benefit of a specific beneficiary group or program (e.g., Medi-Cal or Non-Medi-Cal) as identified on a row of the Financial Summary.
 - (b) For purposes of the Contract, the "Funded Program Amount" is the amount identified in the last column of Exhibit B, the Financial Summary, for each Funded Program.
 - (c) For purposes of the Contract, "Non-Medi-Cal" includes funding for services not eligible for reimbursement under the State Medi-Cal and Senate Bill (SB) 75 programs.
 - (d) The Contractor understands and agrees that the Medi-Cal Funded Program Amount(s) in Exhibit B, the Financial Summary is/are provided based on Contractor's ability to provide specific services and/or serve specific populations, which may include but are not limited to, Medi-Cal beneficiaries eligible under Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program; Title XXI Medicaid Children's Health Insurance Program (MCHIP); existing Title XIX Short-Doyle/Medi-Cal (SD/MC) Program for low-income individuals who are age 65 or older, blind, disabled, or members of families with dependent children or qualified pregnant women or children; and Medicaid (Medi-Cal in California) Coverage Expansion under the Affordable Care Act, as set forth in the Service Delivery Plan. Therefore, Contractor shall ensure access and provision of a full array of Specialty Mental Health Services (SMHS) to all eligible

beneficiaries based on client needs, as set forth in the applicable Service Delivery Plan, Statement(s) of Work, and/or Service Exhibit(s) under the Contract.

- (2) The Contractor shall comply with all requirements necessary for reimbursement as established by federal, State and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives.
- (3) In order to reduce County costs, the Contractor shall comply with all applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of Regulations (CCR) related to reimbursement by non-County and non-State sources, including, but not limited to, collecting reimbursement for services from clients (which shall be the same as patient fees established pursuant to WIC Section 5710) and from private or public third-party payers. In addition, Contractor shall ensure that, to the extent a recipient of services under this Contract is eligible for coverage under Medi-Cal or Medicare or any other federal or State funded program (an eligible beneficiary), services provided to such eligible beneficiary are billed appropriately.
 - (a) To the extent that the County determines Contractor has improperly billed for services to a particular Funded Program, County, in its discretion, may disallow payment of said services and/or may make corrective accounting entries to post the payment of the said services to the appropriate Funded Program and/or require Contractor to void said claimed services and/or replace/resubmit said services for payment from the correct Funded Program, if applicable.
- (4) The Countywide Maximum Allowances (CMA) are in effect during the Initial Period, the First Automatic Renewal Period, and any subsequent Automatic or Optional Renewal Period or any part thereof, and shall be applicable to the Contract as of the date executed by DMH.
- (5) Contractor shall have, for each SMHS it provides, a published charge, which it will set at its own discretion, and with the understanding that such published charge may act as a limitation on its allowable payment under the Contract.

B. LIMITATIONS ON MAXIMUM REIMBURSEMENT

- (1) The total maximum reimbursement that will be paid by County to Contractor under the Contract, including Cash Flow Advances (CFA), if applicable, for the Initial Period, First Automatic Renewal Period, any any subsequent Automatic or Optional Renewal Period shall be, in no event more than, the Maximum Contract Amount (MCA) specified in Contract, for the Initial Period, First Automatic Renewal Period, any any subsequent Automatic or Optional Renewal Period.

- (a) In addition to the general limitation of Paragraph B (1), above, in no event shall the maximum reimbursement that will be paid by County to Contractor under the Contract for any Funded Program be more than the amount identified as the Funded Program Amount for each Funded Program, as stated on Exhibit B, the Financial Summary, for the Initial Period, First Automatic Renewal Period, and any subsequent Automatic or Optional Renewal Period, as applicable.
- (2) Contractor shall immediately provide written notice to the County when, based on the Contractor's own internal records, it has billed for services/activities under the Contract in an amount equal to 60 percent of the total MCA or 60 percent of the Funded Program Amount(s) during the Initial Period, First Automatic Renewal Period, and any subsequent Automatic or Optional Renewal Period of the Contract.
 - (a) Contractor shall send such notice to those persons and addresses which are set forth in the DMH Contract, Subparagraph 8.34 (NOTICES).
 - (b) Failure of Contractor to comply with this Subparagraph (B) (2) will be considered a breach of the Contract.
- (3) Except as otherwise provided in the Contract, the total MCA and/or the Funded Program Amount(s) for any of the periods specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs C (REIMBURSEMENT FOR INITIAL PERIOD) and D (REIMBURSEMENT IF CONTRACT IS AUTOMATICALLY RENEWED) may not be increased or decreased without a properly executed amendment to the Contract. The Parties acknowledge that the actual number of individuals seeking care from Contractor who are eligible under a particular Funded Program may differ from the estimated number upon which the Funded Program Amounts were based, and that it may be appropriate to increase Contractor's responsibility to provide services to certain eligible individuals while decreasing its responsibilities to provide services to other eligible individuals. Any such modification in Contractor's responsibilities, along with commensurate changes in the appropriate Funded Program Amounts, may be accomplished through a formal amendment or administrative amendment for shifting of funds, completed in advance of the provision of services and as outlined in the DMH Policy, *Shifting Guidelines for the Legal Entity Agreement*. In case of an administrative amendment, such administrative amendment may be executed by Director under delegated authority from the Board of Supervisors without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendment effective.

- (a) County and Contractor may by written amendment reduce programs or services and revise the applicable MCA and/or Funded Program Amount. The Director shall provide 15 business days' prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County. Any such change in any applicable MCA and/or Funded Program Amount shall be effected by a written amendment or administrative amendment to the Contract, prepared by Director or designee, and executed by both parties.

E. REIMBURSEMENT BASIS

- (1) Reimbursement Rates for Mental Health Services: For mental health services claimed and billed through the County's claims processing information system, and except as further limited elsewhere in the Contract, Contractor will utilize provisional rates based on a Cost Reimbursement methodology under the Contract, except as may be provided under Subparagraph (E) (3) of this Exhibit A (FINANCIAL PROVISIONS).
- (a) Contractor shall calculate its requested provisional rates in accordance with the terms and limitations set forth in DMH Policy, *Provisional Rate Setting*.
 - (b) Requested provisional rates for services provided under the Contract shall be uniform, unless otherwise agreed to by County and Contractor, and will apply to all similar services regardless of Funded Program.
 - (c) Notwithstanding any other provision of the Contract, the County will not approve a provisional rate that exceeds the CMA, unless extenuating circumstances apply, as determined by County, in its sole discretion.
 - (d) Contractor shall not request a provisional rate that exceeds Contractor's published charge(s) to the general public except if the Contractor is a Nominal Charge Provider.
 - (e) All provisional rates are subject to prior review and approval of the County consistent with the DMH Policy, *Provisional Rate Setting*.
 - (f) County's approval of Contractor's provisional rates does not guarantee payment or Settlement at the provisional rate.

- (g) Contractor shall be reimbursed at the provisional rate on an interim basis, subject to and in accordance with the terms of the Contract.
 - (h) County may adjust Contractor's provisional rate(s) based on the most current cost report data as outlined in the DMH Policy, *Provisional Rate Setting*.
- (2) Reimbursement Rates for Institutions for Mental Diseases: Pursuant to Section 5902(e) of the Welfare and Institutions Code (WIC), Institutions for Mental Diseases (IMD), which are licensed as level B nursing facilities (SNF) by the State Department of Health Care Services (DHCS), are reimbursed for basic services at the rate(s) established by DHCS for Medi-Cal services provided by level B nursing facilities, in addition to the Medi-Cal rate established by DHCS for a Special Treatment Plan (STP). Accordingly, the IMD reimbursement rate will consist of a basic SNF rate and a STP rate, and for some IMD programs, a rate for specialized programming and/or provision of more intensive mental health services provided to clients at County's request, if applicable, or a Mental Health Rehabilitation Center (MHRC) rate established by the County for basic services and, if applicable, a rate for specialized programming and/or provision of more intensive mental health services provided to clients at County's request and/or meeting the criteria for acceptance of patients referred consistent with specific criteria stipulated by the County and within timeframe stipulated by the County.
- (3) Reimbursement of Other Costs and Direct Charges: Certain Funded Programs may provide for and allow Contractor to submit requests for reimbursement to the County for specific expenses that cannot be claimed through the County's claims processing information system. These expenses shall be referred to as a "Direct Charge." Such reimbursement shall be based on actual costs plus an indirect cost rate, if applicable, expressed as a percentage of actual costs, which shall be reviewed and approved in advance by the County. To the extent an indirect cost rate is charged, a copy of Contractor's indirect cost allocation plan is required to be submitted to DMH for review and approval.
- (4) Unique Funded Program: To the extent that Contractor's Contract includes a Funded Program which has billing and payment requirements that are not consistent with the provisions of this Paragraph E (REIMBURSEMENT BASIS), the special billing and payment requirements shall be set forth in an amendment or other written form of addenda to this Financial Exhibit A (FINANCIAL PROVISIONS) memorializing the specific billing and payment requirement which shall be signed by Contractor and Director.

F. BILLING PROCEDURES

- (1) If Title XIX SD/MC services, and/or Title XXI MCHIP services are provided under the Contract, Contractor hereby agrees and understands that County DMH is the Mental Health Plan and as such shall act on the Contractor's behalf with DHCS in regard to State claiming and reimbursement purposes.
- (2) Claims Certification and Program Integrity:
 - (a) Contractor hereby certifies that all units of service entered by Contractor into the County's claims processing information system and/or claims for actual costs submitted as Direct Charges to County for any Funded Program covered by the Contract are true and accurate to the best of Contractor's knowledge.
 - (b) Contractor shall annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX SD/MC and Title XXI Medicaid Children's Health Insurance Program Reimbursements" (Exhibit A-1 to this Exhibit A) related to the Contractor's compliance with specific State and federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX SD/MC and/or Title XXI MCHIP claims.
- (3) Mental Health Services: Claims for all mental health services, including services funded by Title XIX SD/MC and Title XXI MCHIP, shall be entered into the County's claims processing information system within 30 calendar days of the end of the month in which services are delivered, except as otherwise provided in this Paragraph F (BILLING PROCEDURES).
 - (a) With the exception of CalWORKs MHS Non-MC and GROW Non-MC, Contractor must submit claims within 30 calendar days as specified above unless there is a reasonable justification, in which case Contractor must submit (i) an initial or original (non-replacement) claim, including claims for services under Title XIX SD/MC or under Title XXI MCHIP, within six (6) months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source; (ii) replacement claims for services under Title XIX SD/MC or under Title XXI MCHIP within nine (9) months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source; and (iii) any Non-Medi-Cal claims within 14 months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source.
 - (b) For CalWORKs MHS Non-MC and GROW Non-MC funded programs, Contractor must submit all eligible claims, including replacement

claims, routinely and frequently, and no later than one (1) week after the end of the month in which the eligible services are rendered. For example, claims for eligible July services must be submitted by the first week of August. Any late billings falling outside of the date approved and specified by DMH may preclude payment from the Department of Public Social Services, which may result in non-payment.

- (c) Notwithstanding Subparagraphs (3) (a) and (b) of this Paragraph (F) (BILLING PROCEDURES), for Title XIX SD/MC and Title XXI MCHIP claims, good cause justification for late claim submission is governed by applicable federal and State laws and regulations and is subject to approval by the State and/or County.
- (d) In addition to all other limitations provided in this Paragraph F (BILLING PROCEDURES), claims for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in Exhibit B, Financial Summary, shall be entered into the County's claims processing information system no later than July 15th of the subsequent fiscal year.
- (e) In the event the State or federal government or any funding source agency denies any or all claims submitted by County on behalf of Contractor, County will not be responsible for any payment obligation and, accordingly, Contractor shall not seek or retain payment from County and shall indemnify and hold harmless County from any and all liabilities for payment of any or all denied claims, including those denied claims that were submitted outside the period of time specified in Subparagraph (3) of this Paragraph F (BILLING PROCEDURES), except any claims which are denied due to the fault of the County. Any controversy or dispute arising from the denial of claims from the State, federal government, or other agencies shall be handled by Contractor in accordance with the applicable State, federal, or other agency's administrative appeal process.
- (f) Contractor shall, as soon as practicable, notify County of any delay in meeting the timeframe for submitting claims specified in Subparagraph (3) of this Paragraph F (BILLING PROCEDURES). In the event Contractor is not able to make timely data entry into the County's claims processing information system due to no fault on the part of Contractor, such Contractor notification should be immediate upon Contractor's recognition of the delay and must include a specific description of the problem that the Contractor is having with the County's claims processing information system. Notification shall be pursuant to the DMH Contract, Subparagraph 8.34 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief Information Office Bureau's (CIOB) Help Desk.

- i. Contractor shall be responsible for ensuring all response files (e.g., Health Care Claim Status Response/277 Claim Acknowledgment File, TA1, 999, and 835 files) are received, reviewed, and dispositioned within the time frame(s) established by DMH CIOB.
- (g) The County will notify Contractor in writing as soon as practicable of any County issue(s) which will prevent the entry by Contractor of claiming information into the County's claims processing information system, and County, if appropriate, will waive the requirement of Subparagraph (3) of this Paragraph F (BILLING PROCEDURES) in the event of any such County issue(s). Once County has notified Contractor that its issues are resolved, Contractor shall enter billing information into the County's claims processing information system within 30 calendar days of County's notice unless otherwise agreed to by County and Contractor.

To the extent that issues identified pursuant to Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) require that Contractor modify its procedures for entering claims into the County's claims processing information system, Contractor shall consult with County regarding a reasonable time required to implement such modifications and, upon approval by County, the 30 calendar days required by Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) shall be extended by the amount of time required to implement such modifications.

- (h) County may modify the County's claims processing information system at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification. To the extent that such modifications create a delay in Contractor submitting claims into the County's claims processing information system for a period of time, the timelines under this Paragraph F (BILLING PROCEDURES) shall be extended by the number of calendar days reasonably based on the time the system is inactive.
- (4) Institutions for Mental Diseases (IMD): If Contractor is an IMD, Contractor shall, no later than the 15th of each month following the service month, submit an invoice to the County for patient days approved in writing by the County. Said invoice shall be in a form as specified by the County, and will include an itemized accounting of all charges for each patient day. Invoices shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS). Contractor acknowledges

County is transitioning to an electronic claiming system and may need to submit claims electronically for timely payment.

- (5) Direct Charges: Contractor shall submit invoices for Direct Charges within 45 calendar days of the end of the month in which the eligible expense was incurred, unless otherwise required to comply with grant and/or funding source requirement, in which case, DMH will provide written notification to Contractor. Contractor shall assign a unique invoice number to each invoice. Such invoice shall be in the form and include the content specified by County for each Funded Program. Invoices shall be submitted pursuant to Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS). Failure to comply with the terms specified in Subparagraph (5) of this Paragraph F (BILLING PROCEDURES) may result in non-payment of said invoice.
 - (a) In addition to all other limitations provided in this Paragraph F (BILLING PROCEDURES), Direct Charges for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in Exhibit B, Financial Summary, shall be submitted to the persons and at the addresses identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS) no later than July 15th of the subsequent fiscal year.

G. COUNTY PAYMENT FOR SERVICES RENDERED

- (1) General: County agrees to reimburse Contractor for services rendered under Funded Programs during the term of the Contract based on the provisional rates approved in writing by the County for the Initial Period, First Automatic Renewal Period, any subsequent Automatic or Optional Renewal Period, as applicable, subject to all of the rules, regulations and policies established by the County, State and/or federal governments regarding payment and reimbursement of services, and in accordance with the terms of the Contract.
- (2) County Payments: After Director's review and approval of the billing (i.e., claim or invoice), County shall provisionally pay Contractor in accordance with the following:
 - (a) County shall make good faith efforts to make payments for services billed through the County's claims processing information system as soon as possible after submission and approval, subject to the limitations and conditions specified in the Contract, but within 60 calendar days after submission and approval. County shall make available a schedule of anticipated payment dates for claims submitted by Contractor into the County's claims processing information system on or prior to July 1 of each year.

- (b) Payments for services or Direct Charges billed through invoices shall be paid within 60 calendar days after receipt of a complete and accurate invoice, subject to the limitations and conditions specified in the Contract.

H. BILLING AND PAYMENT LIMITATIONS

- (1) Provisional Payments: County payments to Contractor for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future County, State and/or federal adjustments. County adjustments to provisional payments to Contractor will be based upon the local match funding amount specified in Exhibit B, Financial Summary, County's claims processing information system data, State adjudication of Medi-Cal claims files, limitations of the Contract, annual Cost Report, application of various County, State and/or federal reimbursement limitations, application of any County, State and/or federal policies, procedures and regulations, and/or County, State or federal audits, all of which take precedence over monthly claim reimbursements provided by County. County and Contractor acknowledge that the references in this Paragraph H (BILLING AND PAYMENT LIMITATIONS) represent examples only and are not intended, nor shall be construed, to represent all of the circumstances or conditions that may result in adjustments to provisional payments.
- (2) Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Paragraph H (BILLING AND PAYMENT LIMITATIONS), reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. Contractor shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
 - (a) Reimbursement of certain Direct Charges, such as but not limited to capital improvement, are contingent upon the delivery of appropriate and associated services. If the County reasonably determines from a review of Contractor's service and billing records that the Contractor failed to deliver required services associated with such Direct Charge(s), County shall have the right to adjust and/or recover provisional payment(s) associated with such Direct Charge(s). The recovery from Contractor shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) in accordance with the terms of Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY) and Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

- (3) Adjustment of Claims Based on Other Data and Information: The County shall have the right to adjust claims based upon data and information that may include, but is not limited to, County's claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, 835 data, and Contractor's annual Cost Report, all of which shall supersede and take precedence over the claimed amount submitted by Contractor.
- (4) Adjustment of Claims for Contract Compliance: Director, in his sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor shall not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of the Contract. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than that amount that would be calculated using Contractor's provisional rates, denying claims for payment; holding claims for Medi-Cal services from being forwarded for adjudication by the State; withholding payment of certain claims; and/or demanding repayment from Contractor.
- (a) Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action(s). Thereafter, Contractor may, within ten (10) calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations for making a determination that such action was necessary, including any amount(s) held, denied or reduced.
- (b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
- (c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.
- Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.
- (5) No Payment for Services Rendered Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided

by Contractor after the expiration or other termination of the Contract or any part thereof. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of the Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

- (6) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to the Contract.

I. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- (1) The Contract is subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of the Contract, including, but not limited to, those contained in State's Budget Act.
- (2) The Contract is also subject to any additional restrictions, limitations, or conditions imposed by the federal government which may in any way affect the provisions or funding of the Contract.
- (3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under the Contract corresponding with that fiscal year and any subsequent fiscal year during the term of the Contract (including any extensions), and the services to be provided by the Contractor under the Contract shall also be reduced accordingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in Subparagraph (3) of this Paragraph I (LIMITATIONS OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) and Subparagraph (5) of Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS), the Contractor shall continue to provide all of the services set forth in the Contract.
- (4) Notwithstanding any other provision of the Contract, County shall not be obligated for Contractor's performance hereunder or by any provision of the Contract during this or any of County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for the Contract in County's Budget for each such fiscal year. In the event funds are not appropriated for the Contract, then the Contract shall terminate as of June 30th of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.

- (5) Notwithstanding any other provision of the Contract, for the purposes of any special grants such as Substance Abuse and Mental Health Services Administration (SAMHSA) and discretionary funds received from the Board of Supervisors, any unspent amounts of such grants and/or discretionary funds, if so authorized by the grantor or the Board of Supervisors, may be rolled over from one fiscal year to the next by decreasing the Funded Program Amount and MCA for the fiscal year in which the funds were unspent and increasing the Funded Program Amount and MCA by the same amount in the following fiscal year. Such roll over of funds shall not, in any event, allow Contractor to receive reimbursement for services/activities paid by these grants and/or discretionary funds in excess of the total allotment of such grants and discretionary funds over the period covered by such grants and discretionary funds. Any such change in the MCA due to such roll over of funds shall be effected by a duly executed amendment to the Contract.

J. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS

- (1) Funds under the Contract are provided for the delivery of mental health services to eligible beneficiaries under each of the Funded Programs identified in Exhibit B, Financial Summary. Each Funded Program has been established in accordance with the requirements and restrictions imposed by each respective County, State and/or federal payer source contributing to the Funded Program.
- (2) Contractor may not redirect funds from one Funded Program to another Funded Program, except through a duly executed amendment to the Contract as outlined in DMH Policy, *Shifting Guidelines for the Legal Entity Contract*.
- (3) Contractor may not charge services delivered to an eligible beneficiary under one Funded Program to another Funded Program unless the recipient is also an eligible beneficiary under the second Funded Program. When a recipient of services is an eligible beneficiary under more than one Funded Program, Contractor shall charge the services to the Funded Program under which the County shall receive maximum reimbursement from non-County sources, provided that Contractor has available funds under the appropriate Funded Program.
- (4) Contractor also shall not charge services delivered to an eligible beneficiary for Medi-Cal to the Non-Medi-Cal Funded Program Amount except in such cases when a client's eligibility for benefits is being established or determined, or when the client is eligible for Medi-Cal minor consent, or when DMH has given advance approval to use the Non-Medi-Cal Funded Program Amount. Upon confirming that said client is approved for Medi-Cal benefits, or in such case that the County may determine that a service paid originally through the Non-Medi-Cal Funded Program Amount was to a client approved for Medi-Cal, Contractor shall void the original claims for services provided on or after the

effective date that Medi-Cal services became eligible for reimbursement, and replace/resubmit such claims for Medi-Cal under the correct Funded Program.

- (5) Contractor shall deliver services to clients to the extent that funding is provided by the County. Where Contractor determines that services to clients can no longer be delivered, Contractor shall provide 30 calendar days prior written notice to County. Contractor shall thereafter refer clients to County or to another appropriate Contractor.
 - (a) Contractor shall not be required to provide the notice required under Subparagraph (5) of this Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS) if the County reduces funding to the Contractor under Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) whether such reductions occur at the beginning of, or during, a fiscal year. In addition, if County reduces or eliminates funding for a specific Funded Program, or portion thereof, Contractor shall not be responsible for continuing services for those clients served by the Funded Program, or portion thereof.

K. CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN

- (1) Contractor shall deliver and monitor services so that Contractor can provide continued and uninterrupted provision of quality eligible services to eligible beneficiaries as specified in the Contract, to the extent funding is provided by County. If the County reasonably determines the Contractor will not meet expectations listed in Subparagraph (2) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN), County may notify Contractor to discuss and determine whether a corrective action plan (CAP) will be required.
 - (a) If a CAP is issued and Contractor fails to comply with such CAP, County may implement remedies specified in Subparagraph (2) of Paragraph Z (COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE).
- (2) Without limiting Contractor's obligations under this Contract, Contractor shall meet performance and/or outcome expectations that are specified in the Contract, Statement(s) of Work, Service Exhibit(s), approved Service Delivery Plan, and/or Department guidelines, directives, and practice parameters.

L. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM

- (1) If, under the Contract, Contractor has Funded Programs that include Title XIX SD/MC services, and/or Title XXI MCHIP services, Contractor shall certify annually, no later than July 10th of each year, in writing, that all necessary documentation will exist at the time any claims for Title XIX SD/MC services and/or Title XXI MCHIP are submitted by Contractor to County.

Contractor shall be solely liable and responsible for all service data and information submitted by Contractor.

- (2) Contractor acknowledges and agrees that the County, in undertaking the processing of claims and payment for services rendered under the Contract for these Funded Programs, does so as the Local Mental Health Plan for the State and federal governments.
- (3) Contractor shall submit to County all Title XIX SD/MC and/or Title XXI MCHIP claims or other State required claims data within the timeframe(s) prescribed by the Contract to allow the County to meet the timeframes prescribed by the State and federal governments. County shall have no liability for Contractor's failure to comply with the timeframes established under the Contract and State and federal timeframes, except to the extent that such failure was due to the fault of the County.
- (4) County, as the Mental Health Plan, shall submit to the State in a timely manner, claims for Title XIX SD/MC services and/or MAA, and/or Title XXI MCHIP services only for those services/activities identified and entered into the County's claims processing information system, which are compliant with State and federal requirements. County shall make available to Contractor any subsequent State approvals or denials of such claims within 30 days of receipt thereof.
- (5) Contractor acknowledges and agrees that County's final payment for services and activities claimed by Contractor for Title XIX SD/MC services and/or Title XXI MCHIP services is contingent upon reimbursement from the State and federal governments and that County will re-coup any provisional payments for said services that are not ultimately reimbursable.
- (6) Contractor's ability to retain payment for such services and/or activities is entirely dependent upon Contractor's compliance with all laws and regulations related to same.
- (7) Notwithstanding any other provision of the Contract, Contractor shall hold County harmless from and against any loss to Contractor resulting from the

denial or disallowance of claims for or any audit disallowances related to said services by the County, State or federal governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the County.

- (8) Contractor shall repay to County the amount paid by County to Contractor for Title XIX SD/MC and/or Title XXI MCHIP services/activities which are subsequently denied or disallowed by the County, State, and/or federal governments. In no event shall County be liable or responsible to Contractor for any State approved Title XIX SD/MC and/or Title XXI MCHIP services/activities that are subsequently denied or disallowed by County, State, and/or federal governments unless the denial or disallowance was due to the fault of the County.
- (9) The total County payment for Title XIX SD/MC services and/or Title XXI MCHIP services under federal requirements consists of federal financial participation, County, State and/or other grant funds. Contractor acknowledges that if such services are subsequently denied, voided, and/or disallowed, County shall make a full recovery of such payments, as applicable.
- (10) Notwithstanding any other provision of the Contract, Contractor agrees that the County may offset future payments to the Contractor and/or demand repayment from Contractor when amounts are owed to the County pursuant to above Subparagraphs (7) and (8) of this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM). Such demand for repayment and Contractor's repayment shall be in accordance with Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY), except for denials reflected on the State's 835 files, which will be offset immediately from the County's next payment to Contractor.
- (11) Contractor shall comply with all written instructions provided to Contractor by Director, State or other applicable payer source regarding claiming and documentation.
- (12) Nothing in this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM) shall be construed to limit Contractor's rights to appeal State and federal settlement and/or audit findings in accordance with the applicable State and federal regulations.

M. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

- (1) Contractor shall comply with all County, State, and federal requirements and procedures relating to:
 - (a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with State guidelines and WIC Sections 5709 and 5710.

- (3) Contractor may retain unanticipated revenue, which is not shown in Contractor's Service Delivery Plan for the Contract, for a maximum period of one fiscal year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in the Contract. Contractor shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County.

N. CASH FLOW ADVANCE (CFA) IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

- (1) The CFA, if approved by County, is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under this Contract during the applicable period.
- (2) For each month of each period of this Contract, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes. However, for each month of the first two months, of the Initial Term, the First Automatic Renewal Period, any subsequent Automatic or Optional Renewal Period, Contractor may request in writing from County a monthly County General Fund CFA as herein described.
- (3) CFA disbursement(s), if any, shall be part of the total maximum reimbursement, which is limited to the MCA as specified in Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT).
- (4) A CFA is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in the DMH Contract Subparagraph 3.3 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly CFA only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.
- (5) Notwithstanding any other provision to the contrary, funding for Wraparound Case Rate (i.e., Specialized Foster Care Wraparound Invoice Funded Program) and Full Service Partnership Incentives shall not be included when computing monthly CFA amount(s).

- (6) Cash Flow Advance Request Letter: For each month for which Contractor is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting a CFA and the amount of CFA Contractor is requesting.
- (a) In order to be eligible to receive a CFA, the letter requesting a CFA must be received by County on or before the 15th of that month (e.g., for the month of July 2021, the request must be received by July 15, 2021).
 - i. If the letter requesting CFA is received by the County from the Contractor after the 15th of the month, Contractor will not be eligible to receive a CFA for that month.
 - (b) The signed letter requesting a CFA must be sent via mail, fax or email (PDF file) to the Department of Mental Health Financial Services Bureau – Accounting Division, Provider Reimbursement Section (PRS).
 - i. PRS staff will determine whether Contractor is eligible to have its request considered based on the date the request letter is received by PRS and not the date on the request letter.
 - (c) Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.
 - i. If a CFA is not approved, Director will notify Contractor within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the decision.
- (7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The CFA amount available to Contractor for any particular month will be reduced by County payments for claims received from Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim.
- (8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:
- (a) For each of the first two (2) months of each period that the Contract is in effect, Contractor may request in writing from County a monthly County General Fund CFA for any funds which may be part of the MCA for such period as identified in the Financial Summary. Contractor shall specify in its request the amount of the monthly CFA it is requesting, not to exceed \$_____ for the first month and \$_____ for

the second month, if applicable. In no event shall the monthly CFA requested by Contractor exceed 1/12th of MCA as identified on Exhibit B, Financial Summary, as of the specified month the CFA is requested.

- (b) In case the Contract is amended to increase or reduce the MCA during the first two months during which the Contractor may request and receive CFA, the CFA amount shall be recalculated for the remaining month(s) based on the executed date of the amendment. For the month in which the amendment is executed, the revised CFA amount shall be based on the executed date of the amendment, and if such executed date falls between the 1st and the 15th of the month, the revised CFA amount will be adjusted based on the total amount of the change in the MCA. If the executed date falls between the 16th and the end of the month, the revised CFA amount will be calculated based on one half (1/2) of the total change in the MCA.
- (c) The Contractor may request in writing from County, consistent with above Subparagraph (8) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), for additional monthly CFA to accommodate extraordinary circumstances that are beyond Contractor's control, including but not limited to, Contractor's inability to submit claims to the County as described in Subparagraph (3) of Paragraph F (BILLING PROCEDURES) or due to procedural matters associated with transitioning Contractor to County's new claims processing information system, County's inability to process claims due to extended disruption in the County's claims processing information system, or any other circumstance determined by the Director, in his sole discretion, to constitute an extraordinary circumstance beyond Contractor's control. The County, in its sole discretion, shall review Contractor's request, including but not limited to, the amount of CFA requested and the amount of CFA requested in relation to the number of months remaining in the fiscal year, and shall respond accordingly within 15 business days from the receipt of such request.
 - i. Additional monthly CFA is subject to approval by the Director, County Auditor-Controller, County Counsel and County Chief Executive Office.

- (9) Recovery of Cash Flow Advances: If Contractor has received any CFA pursuant to this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), then recovery from Contractor's monthly claims shall be made through cash payment made by Contractor to County and/or through County offsets to County payment(s) of Contractor's approved claim(s) as follows:

- (a) Generally, when Contractor renders services at a level that would indicate it will utilize all or a substantial portion of its MCA, County initiates recovery of the CFA balance, if any, for a particular fiscal year in July following the close of such fiscal year or at such time as payments to Contractor, including the CFA, reach the MCA. Such recovery is initiated through the Contractor's rendering and submitting of appropriate services and activities into the County's claims processing information system and/or the submission of invoices for direct charges.
 - (b) If at any time during the fiscal year, County determines that Contractor is not rendering services at a level that would utilize all of its MCA, County may initiate recovery of the CFA as specified above in Subparagraph (9) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED) prior to July 1. If County intends to initiate recovery of the CFA prior to July 1, County will give Contractor 30 calendar days' prior written notice, including the reason(s) for the intended actions, to ensure Contractor renders and submits sufficient services/activities to have repaid all, or a substantial portion of the CFA, by August 31st following the fiscal year close. Contractor may, within 15 calendar days of the receipt of County's written notice, request reconsideration of the County's decision.
- (10) When Contractor's CFA balance is zero (0) in any fiscal year of the term of the Contract, any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of the Contract.
 - (11) Should Contractor request and receive a CFA, Contractor shall exercise cash management of such CFA in a prudent manner.

Q. INTERIM SETTLEMENT

Subsequent to the County's filing of the annual Cost Report on behalf of the Contractor, County shall settle with Contractor on an interim basis only if sufficient funds are available. The Interim Settlement is the County's settlement process based on the Contractor's submitted annual Cost Report. It will equal the difference between the Contractor's eligible costs for reimbursement under the Contract and the total year-to-date payments Contractor has already received, including any CFA. This Interim Settlement amount is provisional and may be subject to change based on the DHCS Cost Report Settlement, and SD/MC Cost Report Audit Report and revised Cost Report Audit Report outcomes.

- (1) AMOUNT DUE: The Interim Settlement process may result in either County owing Contractor or Contractor owing County payments. If an amount is owed from Contractor to County, the recovery from Contractor shall be made in accordance with the terms of Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY) and Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

- (1) Notwithstanding any other provision of this Contract, the Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Contract under the following conditions.
 - (a) County's total payments to Contractor under this Contract, for each fiscal year of the term of this Contract, does not exceed an increase of more than the Board of Supervisor-approved percentage of the current applicable MCA; and
 - (b) Any such MCA amendment increase or amendment change shall only be for the provision of additional services; for the provision of new services as reflected on Exhibit C (STATEMENT(S) OF WORK/SERVICE EXHIBIT(S) LIST); to ensure continuity of care; or to reflect program and/or policy changes that affect the Contract; or to allow final shift of funds pursuant to Paragraph X (SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (Exhibit B)); and
 - (c) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to the Contract; and
 - (d) Approval of County Counsel, or the designee, is obtained prior to any such amendment to the Contract.
 - (e) Director shall notify County's Board of Supervisors and the Chief Executive Officer of all Contract changes in writing within 30 calendar days following execution of any such amendment(s).

X. SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (EXHIBIT B)

- (1) Due to the length of the DHCS SD/MC UOS reconciliation and audit processes, County and Contractor acknowledge that the final determination of the amounts owed by the Parties to each other will occur during First, any subsequent Automatic or Optional Renewal Period as described in the DMH Contract, Paragraph 4 (TERM OF CONTRACT) and/or after the expiration or termination of the Contract. Therefore, the parties agree that all provisions of the Contract related to effectuating payment, including, but not limited to, provisions related to cost reporting, settlement, and audit, including such provisions in this Exhibit A, Financial Provisions, survive the First, any subsequent Automatic or Optional Renewal Period as described in the DMH

Contract, Paragraph 4 (TERM OF CONTRACT) and/or expiration or termination of the Contract. This Paragraph X shall not be interpreted to imply that other provisions of Contract do not survive its expiration, if the Parties' intent, as demonstrated by language, circumstances, law, or practice, is that the provision(s) should survive.

- (2) To maximize the use of federal and State funding for Medi-Cal services and to align Financial Summary funded program amounts to actual, allowable cost, Contractor, within 15 calendar days after the Annual Cost Report due date for the applicable fiscal year, may submit in writing, a request to shift and/or increase funds on the Financial Summary (Exhibit B). Such shifting and/or increase of funds request shall reflect maximization of federal and other funding based on Contractor's complete and accurate Annual Cost Report submitted in accordance with Paragraph O (ANNUAL COST REPORTS) and in accordance with terms and limitations set forth in DMH Policy, *Shifting Guidelines for the Legal Entity Contract*. To the extent that County approves the shift of funds request, such approval shall be in the form of an executed amendment to the Contract. In addition, the Director, at his sole discretion, may propose and, with the agreement of Contractor, execute a written amendment to (a) modify the distribution of funds identified for each Funded Program as shown on the Financial Summary (Exhibit B); (b) change, including increase, the amount of federal or State funds on the Financial Summary (Exhibit B); or (c) increase the MCA to include additional federal or State funds for Medi-Cal services, but only to the extent that such amendment is necessary for Contractor to be reimbursed for otherwise uncompensated care. Such amendment may be executed during First, any subsequent Automatic or Optional Renewal Period as described in the DMH Contract, Paragraph 4 (TERM OF CONTRACT) and/or after the Contract has expired or terminated and shall be effective irrespective of whether the Contract is in the Automatic Renewal Period or has expired or terminated.

Z. COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE

(1) General Remedies:

- (a) County may immediately, without prior written notice, suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default of any Contract provisions due to alleged fraud or similar intentional wrongdoing.
 - i. Thereafter, Contractor may request reconsideration of Director's decision to suspend payment.
- (b) County may suspend all, or a portion, of its payment if the Director determines that Contractor is in default of any Contract provisions due to noncompliance with - or failure to respond to - requests, policies, procedures, guidance, or other similar instructions from the County as required and until such time the Contractor complies and such response has been reviewed and approved by Director.
 - i. Notwithstanding any other provision of the Contract, examples of noncompliance include, but are not limited to:
 - a. Insufficient documentation of clinical work that does not meet federal, State, and County written standards;
 - b. Failure to timely provide the annual Cost Report;
 - c. Failure to timely provide outcomes data; and/or
 - d. Failure to comply with a Corrective Action Plan (CAP).
- (c) County may also withhold all, or a portion, of its payment if there is a reasonable determination that Contractor is or may become insolvent.
- (d) To the extent that the County intends to suspend all, or a portion of, its payment for reasons other than fraud or intentional wrongdoing:

- i. Director shall provide Contractor with at least 30 calendar days' prior written notice of such suspension that includes the reason(s) for such suspension.
- ii. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.
- iii. Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present information or documentation to the County relevant to the circumstances that led the County to take such actions and may propose alternative action(s).
- iv. Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision. The decision of the Director will be final.
- v. Upon determination that Contractor is no longer in noncompliance with the Contract provision(s) that resulted in the suspension of payment, County shall release withheld payments within 30 calendar days of such determination, unless otherwise prohibited by federal, State, and/or local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines, and directives.

(2) Additional Remedies imposed for Failure to Comply with CAP:

- (a) If a CAP is issued and Contractor fails to comply with such CAP, County may impose the following remedies in addition to the general remedies identified in Subparagraph (1) of this Paragraph Z (COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE)
 - i. Restrict Contractor from expending any more funds allocated for the program(s) at issue by de-obligating previously allocated funds.
 - ii. Decrease the amount of funds allocated in subsequent fiscal years for the program(s) at issue.
 - iii. Terminate specific program(s) within the Contractor's Contract and/or terminate the Contractor's Contract in its entirety for failure to meet performance and/or outcome expectations as specified in the Contract, Statement(s) of Work, Service Exhibit(s),

approved Service Delivery Plan, and/or Departmental guidelines, directives, and practice parameters.

- (b) To the extent that the County intends to impose such additional remedies:
 - i. Director shall provide Contractor with at least 30 calendar days' prior written notice of its intent to take such action, which will include an explanation of how the Contractor is not meeting the expectations identified in Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN); copies of relevant data, if applicable; the nature and the amount of the proposed funding allocation change; and any associated changes to the amount of services to be provided by Contractor.
 - ii. Thereafter, Contractor may, within 15 calendar days, request written reconsideration of the County's decision. Contractor's request must clearly indicate the reason why County's action is unjustified.
 - iii. Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative action(s).
 - a. If Contractor fails to meet with County in this period of time, and County has provided an opportunity to meet within the time period, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended actions.
 - iv. Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final and any remedies will be effective upon receipt of notification by Contractor.
- (c) Any change in Contractor's Contract, including termination of specific program(s) and/or termination of the entire Contract shall be effected by an administrative amendment to the Contract or notice of termination issued by Director.

- (d) Changes that are based on one-time circumstances will be applicable to the current contract fiscal year only and shall not result in reductions (or increases) of MCA and/or Funded Program Amount in subsequent fiscal years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of MCA and/or Funded Program Amount in subsequent years.
 - (e) Contractor understands and agrees that its MCA and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the MCA and/or Funded Program Amount for the Contract. By executing the Contract, Contractor specifically consents to the prospective adjustments set forth in this provision up to and including termination of program(s) and/or the Contract.
- (3) Additional Remedies imposed for Failure to Timely Submit Annual Cost Report:
- (a) Contractor agrees that failure by the Contractor to timely submit an Annual Cost Report(s) by the due date specified in Subparagraph (4) of Paragraph O (ANNUAL COST REPORTS) will result in damages being sustained by the County. County and Contractor agree that it will be impractical or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost Report(s) to the County under Paragraph O (ANNUAL COST REPORTS). The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per day for each day that the Contractor fails to submit the Annual Cost Report to the County by the due date.
 - i. Liquidated damages shall be assessed separately on each outstanding Annual Cost Report.
 - ii. Liquidated damages shall be assessed commencing on September 16th, or as otherwise specified by County, or on the seventy-sixth (76th) day following the expiration or earlier termination of the Contract, and shall continue until the outstanding Annual Cost Report(s) is/are received.
 - iii. Upon written request from the County, Contractor shall, within 30 calendar days, submit to the County payment for said damages. Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS). If Contractor fails to make

payment of said damages to County by the end of the 30 calendar days as requested, County shall deduct from future payments of Contractor's approved claims or take other steps to collect on the debt, as needed.

- iv. Contractor may not include costs incurred for liquidated damages on its Cost Report.
 - (b) Liquidated damages will not be assessed during the time period for which Contractor has been granted an extension to submit the Annual Cost Report by the Director or designee.
 - (c) If Contractor fails to submit an annual Cost Report within 30 calendar days after the due date specified in Subparagraph (4) of Paragraph O (ANNUAL COST REPORTS), County may demand repayment of all amounts covered by the outstanding annual Cost Report and paid to Contractor by the County for the applicable fiscal year in lieu of collecting the \$100 per day liquidated damages fee. Contractor shall pay County according to the method described in Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY). Such payments shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).
- (4) Additional Remedies imposed for Failure to attend Cost Report Training:
- (a) Contractor agrees that its failure to attend the Cost Report Training will result in additional work on the County. County and Contractor agree that a reasonable estimate for such additional work is \$100 per occurrence. Therefore, County may, in its sole discretion, assess liquidated damages in the amount of \$100 for each occurrence of Contractor's non-attendance at the Cost Report Training.
 - (b) Upon written request from the County, Contractor shall, within 30 calendar days, submit to the County payment for said damages. Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS). If Contractor fails to make payment of said damages to County by the end of the 30 calendar days as requested, County shall deduct from future payments of Contractor's approved claims.
 - (c) Contractor may not include costs incurred for liquidated damages on its Cost Report.

Additional Remedies imposed for Failure to correct inaccuracies in Annual Cost Report:

- (a) If Contractor fails to correct inaccuracies in the Annual Cost Report within 15 calendar days after receipt of written notification from the Director, or designee, and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must repay the County for the amount of lost reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.
- (b) Contractor shall be solely responsible for any loss incurred by County due to Contractor's failure to comply with County and State Cost Report requirements.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Any legal defense pursuant to Contractor's indemnification obligations under Paragraph 8.6 (Compliance with Applicable Law) shall be conducted by Contractor and performed by counsel selected by Contractor unless objected to by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and shall be entitled to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

- 8.7.1 The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no

person shall, on the grounds of race, creed, color, sex, religion, ancestry, language, age, physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D - Contractor's EEO Certification.

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any 12-month period under one or more County Contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser

number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent

of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or On a County or Re-Employment List

- 8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-GROW Participants

- 8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job

category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Contract, except to the extent applicable State and/or federal laws are inconsistent with the terms of the Ordinance.

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the Contractor's performance on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar the Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the

County; 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least

five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where: 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County Contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

8.13.1 The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Intentionally Omitted

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Contract. The facsimile, email or electronic signature of the Parties shall be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

8.19.1 To the extent permitted by applicable law, the Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and any applicable State law, and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act and any applicable State law, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, and other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control

of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

- 8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California and with all laws, regulations, and contractual obligations of County under its Contract with the State. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

- 8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

- 8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes

of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

- 8.22.4 Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.24 General Provisions for all Insurance Coverage

- 8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- 8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) have been given Insured status under the Contractor's General Liability policy, shall be delivered to

County at the address shown below and provided prior to commencing services under this Contract.

8.24.2.2 Renewal Certificates shall be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.

8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Mental Health
Contracts Development and Administration Division
550 S. Vermont, 5th Floor, Room 500

8.24.2.6 Contractor also shall promptly report to County any injury or property damage, accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and 30 days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the

Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance

coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration, and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three years following Contract expiration, termination or cancellation.

As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in

default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

- 8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. ACUTE PSYCHIATRIC INPATIENT HOSPITAL SERVICES

STATEMENT OF WORK EXHIBIT - SERVICE EXHIBIT I

PSYCHIATRIC DIVERSION PROGRAMS:

UNINSURED and INSTITUTION OF MENTAL DISEASE EXCLUSION POPULATION SERVICES

Notwithstanding language in section 9.0 of the Statement of Work (SOW), the following applies for services provided to uninsured clients and Institution of Mental Disease (IMD) Exclusion clients at an Acute Psychiatric Hospital (APH) and/or a General Acute Care Hospital (GACH). It is the Contractor's responsibility to review the SOW and Service Exhibit (SE) to ensure the appropriate billing is submitted.

Los Angeles County (LAC) DMH is currently required to reimburse acute inpatient psychiatric hospital services provided in an IMD to Medi-Cal beneficiaries between the ages of 21 and 65 in accordance with Bronzan-McCorquodale Act of 1991 pursuant to DHCS Information Notice 18-008, dated February 7, 2018.

LACDMH has a finite budget to cover its responsibility for acute psychiatric inpatient hospital services provided in an IMD to Medi-Cal beneficiaries who meet medical necessity and are between the age of 21 and 65. For the purpose of this SE, this population shall be referred to as the IMD Exclusion population. For IMD exclusion clients, the Administrative Day Rate is not reimbursable for clients at an APH.

In order to maximize treatment for the population served by this Service Exhibit, Contractor agrees to participate in the following psychiatric diversion activities:

1. Assessments by independent psychiatric emergency teams of whether an IMD Exclusion client meets criteria for medical necessity and for an involuntary hold will be reimbursed at \$100 per assessment if client gets admitted to GACH.
2. If a client meets criteria for involuntary hold and there is a bed available at a GACH acute inpatient psychiatric unit, client must be referred to the GACH.
3. Acute inpatient psychiatric hospitalizations will be completed at a GACH if there is a bed available. This also means that clients shall be transferred to the nearest GACH as soon as a bed is available and the client is stable for transfer.

LACDMH will reimburse acute inpatient psychiatric hospital services provided to uninsured clients of all ages. Contractor shall submit reimbursement claim for uninsured clients through LACDMH.

Contractor shall be responsible for delivering services to new clients to the extent that LACDMH has funding available. Where Contractor determines that services to new clients can no longer be delivered, Contractor shall provide 30-calendar days' prior notice to County. Contractor shall also thereafter make referrals of new clients to County or other appropriate agencies.

Invoice and Payment

LACDMH will pay Contractor in arrears for eligible services provided and in accordance with this SE for the uninsured population and IMD Exclusion population.

Contractor shall, no later than the 14th calendar day after discharge submit documentation for services provided with the Treatment Authorization Request (TAR) form to the County for approved services provided to eligible clients as described in SOW Section 2.0 Program Elements for Acute Psychiatric Inpatient Hospital Services. (<https://dmh.lacounty.gov/pc/cp/ffs1/>).

Contractor shall submit all required supporting documentation to the following:

Los Angeles County Department of Mental Health
Intensive Care Division — Treatment Authorization Unit
510 S. Vermont Avenue, 20th Floor
Los Angeles, CA 90020

The following is the Contractor's reimbursement process:

- a) DMH reviews the documentation provided for approval. Within 45 calendar days of receipt of the claims documentation, DMH will submit a log containing the claims and the authorization results to the contractor, with an Invoice Summary Request Form.
- b) Once the Invoice Summary Request Form has been completed by the contractor and is agreed upon by both parties, it should be returned to:

By Email: TarUnit@dmh.lacounty.gov

Or

By Fax: [\(213\) 402-2009](tel:(213)402-2009)

- c) ICD will forward the approved Invoice Summary Request Form to the Finance Services Bureau for reimbursement to the contractor. Said invoice shall be in a

form as specified by the County and will include an itemized accounting of all charges for each patient day.

- d) DMH reviews the Invoice Summary Review Form for approval to reimburse Contractor within calendar 30 days after receipt of a complete and accurate invoice via the appropriate reimbursement method to be agreed upon by both parties.
- e) In the event of correction of a prior period invoice or reimbursement such as "retro-delete" (overpayment) or "retro-add" (underpayment), the adjustment will be shown and included in Contractor's current invoice.

Invoices shall be reimbursed at the base rate determined by LACDMH plus the rate for specialized programming and/or provision of more intensive mental health services provided to clients at County's request, if applicable, and as approved by LACDMH.

LACDMH will inform Contractor annually of the reimbursement rate and, as needed, rate changes.

The Contractor shall comply with all requirements necessary for reimbursement as established by federal, State, and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines, contractor bulletins/alerts and directives.

The Contractor shall be subject to any restrictions, limitation, or conditions imposed by County, State, and/or federal government entities, which may in any way affect the provisions or funding of the Contract, including, but not limited to, those contained in County Budget as adopted by County's Board and/or State's Budget Act.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safety Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
