GEORGE GASCÓN
LOS ANGELES COUNTY DISTRICT ATTORNEY

HALL OF JUSTICE
211 WEST TEMPLE STREET LOS ANGELES, CA 90012 (213) 974-3500

August XX, 2022

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE DISTRICT ATTORNEY TO ACCEPT GRANT FUNDS
FROM THE BOARD OF STATE AND COMMUNITY CORRECTIONS FOR THE
COUNTY RESENTENCING PILOT PROGRAM FOR FY 2022-23
(ALL DISTRICTS) (3-VOTES)**

SUBJECT

The State of California, Board of State and Community Corrections (BSCC) has apportioned \$2,200,000 in grant funds to the Los Angeles County District Attorney's Office (LADA) under the County Resentencing Pilot Program to support Prosecutor-Initiated Resentencing, and \$250,000 in additional funds to contract with a community-based organization pursuant to pending legislation for the duration of the program. The amount appropriated, established when Governor Newsom signed into law the 2021-22 budget bill, is being made available for encumbrance or expenditure until January 20, 2025. The LADA requests to accept the grant funding from the BSCC in the total amount of \$2,450,000 with no required County match.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the District Attorney, on behalf of the County of Los Angeles, to accept grant funds from the BSCC in the total amount of \$2,450,000.
2. Delegate authority to the LADA, upon award of grant funding by the BSCC, to accept and execute the Grant Award Agreements on behalf of the County.

3. Delegate authority to the LADA to serve as Project Director for the County Resentencing Pilot Program (Pilot). This also includes authorization to sign and approve any subsequent amendments, modifications, or extensions to the BSCC grant agreements that have no net County cost impact to the County.
4. Delegate authority to the LADA to execute, amend, terminate, and exercise options to extend contracts utilizing grant funds in support of the Pilot, including those with Community-Based Organizations (CBOs).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Assembly Bill 128 (AB 128), also known as the California Budget Act of 2021, appropriated \$18 million in General Funds under the Corrections Planning and Grants Program to nine California counties to engage in Prosecutor-Initiated Resentencing (PIR). Eligible counties include Contra Costa, Humboldt, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Clara, and Yolo. The funds are to be used exclusively for the three-year Pilot that began on September 1, 2021, and ends on September 1, 2024.

Pilot participants in each County include the LADA, the Public Defender's Office (PD), and may include a CBO. For Los Angeles County, some of the grant funds appropriated to the PD will be apportioned to the Alternate Public Defender (APD).

The purpose of the recommended actions is to continue the commitment of the LADA to reduce excessive criminal sentences if it is in the interest of justice. The goal of the Pilot is to ensure that the LADA has the resources needed to exercise its discretion under Penal Code (PC) Section 1170.03 and to evaluate a collaborative approach to conducting PIR.

Of the grant amounts appropriated, the BSCC apportioned \$2,200,000 to the LADA and \$700,000 to the PD to be used for the Pilot to support PIR. Additional funds in the amount of \$250,000 have been appropriated to the DA to contract with a CBO.

AB 128 also provides \$1,350,000 in funding to the RAND Corporation to be used to conduct an evaluation and provide a report on the Pilot to the California State Legislature. The legislation mandated in PC Section 1170.01(f) requires LADA to provide Rand Corporation data on a quarterly basis.

Board approval of the recommended actions will enable the LADA to carry out the Pilot.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of the recommended action is consistent with the County Strategic Plan Goal of Fostering Vibrant and Resilient Communities. Strategy II.2 for this goal is to Support the Wellness of our Communities, of which the purpose is to “Identify, support, and promote practices for higher quality of life through violence reduction, enhanced social cohesion, increased awareness of supports and services, and better physical fitness, mental health, and well-being.”

It is also consistent with the Strategic Plan Goal of Realizing Tomorrow’s Government Today. Strategy III.3 for this goal is to Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability: Continually assess our efficiency and effectiveness, maximize and leverage resources, and hold ourselves accountable; this aligns with the Board’s Alternatives to Incarceration Road Map that prioritizes implementation of a Care First, Jails Last vision.

FISCAL IMPACT/FINANCING

The LADA will use \$2,200,000 in appropriated grant funds to staff the project with existing LADA personnel and hire qualified and eligible LACERA retiree attorneys and support staff to be assigned to the Pilot through September 1, 2024. An additional \$250,000 in appropriated grant funds will be used to contract with a CBO that will be assisting as a Pilot participant. Funding is included in the DA’s FY 22-23 Final Adopted Budget.

There is no required County match for the program and no net County cost impact associated with the proposed grant award.

If funding for this program were curtailed or terminated, an evaluation would be conducted to determine whether the program would either be continued, with costs absorbed by the DA, or discontinued.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

According to the California Department of Corrections and Rehabilitation, as of June 2019, approximately 24 percent of the prison population is over 50 years old and over 35,000 individuals are serving life sentences, many for non-serious and non-violent crimes. Many are also serving sentences that are inconsistent with current laws while also at low risk of recidivating. PC Section 1170(d), superseded by PC Section 1170.03 on January 1, 2022, allows prosecutors to seek resentencing of individuals due to postconviction factors such as a record of rehabilitation and evidence that reflects age, time served and diminished physical condition if any have reduced the person's risk for future violence such that incarceration is no longer in the interests of justice.

Work to be performed by the LADA in support of the Pilot includes the following:

- Reviewing cases of incarcerated individuals identified by the DA as potentially meriting resentencing consideration;
- Drafting motions for resentencing when appropriate and filing the motions with the Superior Court; and
- Appearing in court on cases for which resentencing motions have been filed.

Work to be performed by CBOs in support of the Pilot include the following:

- Providing guidance in integrating restorative practices and decision making throughout the DA to fulfill the reentry goals of the Pilot;
- Expanding access to restorative justice practices to responsible persons, harmed persons, impacted family, and members of the community;
- Assisting in repairing systemic harm that the criminal justice system has caused to disproportionately impacted communities; and
- Collaborating with stakeholders on implementation and evaluation of the Pilot.

As required by AB 128, the RAND Corporation will conduct an evaluation of the Pilot and will provide a report to the California State Legislature. Each participating District Attorney's Office is required to identify and track specific measures consistent with the goals of the Pilot, which include the following:

- A summary of expenditures by each entity receiving funds.
- The total number of people incarcerated in state prison on the first day of each reporting year for convictions obtained in the reporting County.
- The total number of cases considered by a Pilot participant for PIR.

- The total number of PIR recommendations by the Pilot participant to the court for recall of sentence.
- The total number of PIR recommendations by the Pilot participant in which the court responded and how many cases the court considered.
- The total number of PIR recommendations denied by the court.
- The total number of people who were resentenced.
- The total number of people released from state prison due to PIR by the pilot participant.

The LADA will also collaborate with the PD and APD to establish procedures for providing services to people that the DA has identified as eligible candidates for recall and resentencing under PC Sections 1170(d)(1) and/or 1170.03.

The pilot period runs from September 2021 through September 2024. The LADA received the funds in October 2021. The State hired the RAND Corporation to conduct data collection and analysis and began collecting quarterly reports in March 2022. Due to the demand to deliver within the State mandated performance period and meet the quarterly reporting requirement, a timely submission to avoid a retroactive status was not possible.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These programs do not propose staff augmentation. Therefore, the LADA is not subject to the Board Motion of December 15, 1998, requiring clearance with the Alternate Public Defender, Probation, Public Defender, and Sheriff's Departments. Approval of the recommended actions will advance the Board's Care First, Jails Last and Alternatives to Incarceration initiatives and programs.

CONCLUSION

Following Board approval, the Executive Officer-Clerk of the Board is requested to return two (2) copies of the adopted Board Letter to:

COUNTY OF LOS ANGELES PROBATION DEPARTMENT

9150 EAST IMPERIAL HIGHWAY-DOWNEY, CALIFORNIA 90242
(562) 940-2501

ADOLFO GONZALES
Chief Probation Officer

September 27, 2022

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A SOLE SOURCE CONTRACT WITH
COOPERATIVE PERSONNEL SERVICES DBA CPS HR CONSULTING
TO PROVIDE VALIDATED TESTING MATERIALS FOR ENTRY LEVEL
PROBATION OFFICER CLASSIFICATIONS**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Request approval of a sole source Contract with Cooperative Personnel Services dba CPS HR Consulting (CPS) for the purpose of providing validated testing materials for entry level probation officer classifications for the Probation Department (Probation).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair to sign the attached sole source Contract with CPS for an estimated contract amount of \$60,000, to commence upon Board approval, and continue until June 30, 2023.
2. Delegate authority to the Chief Probation Officer or his designee to increase contract rates as required by the California Board of State of Community Corrections (BSCC).

PURPOSE/ JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended actions is to obtain approval of a sole source Contract with CPS to provide validated testing materials for entry level probation officer classifications, and delegate authority to the Chief Probation Officer or his designee to increase contract rates as required by BSCC. The original Board letter that was approved by your Board on October 15, 2019, provided delegated authority to the Chief

Probation Officer to prepare and execute contracts with CPS on a fiscal year (FY) basis beginning FY 2020-21 through FY 2026-27, and increase contract rates up to a maximum of ten percent (10%). The recommendations will allow Probation to increase FY 2022-23 and future contract rates beyond ten percent (10%) as required by BSCC.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended actions are consistent with the County of Los Angeles Strategic Plan, Goal III: Realize Tomorrow's Government Today: Specifically, it will address Strategy III.1: Continually Pursue Development of Our Workforce.

FINANCIAL IMPACT/FINANCING:

Funding is included in Probation's FY 2022-23 Board Adopted Budget and will be requested in future fiscal years' budget as needed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The term of this contract shall commence upon Board approval and continue until June 30, 2023.

There is no impact on departmental employee relations since this is not a Proposition A contract. Probation has also determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract.

The Contract includes changes to certain County standard terms and provisions. Specifically, the County's automobile liability insurance was not required, and a mutual indemnification clause was included. The remainder of the Contract includes Board-mandated provisions including consideration of qualified county employees targeted for layoffs and GAIN/GROW participants for employment openings and compliance with Jury Service Ordinance, Safely Surrendered Baby law and the Child Support Program.

The Contract has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS:

On October 15, 2019, your Board approved a sole source Contract between Probation and CPS to provide validated testing materials for entry level probation officer classifications. CPS continues to be the sole provider of test materials and scoring of tests developed by the Standards and Training for Corrections (STC) Division of BSCC.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of this contract will allow Probation to continue its efforts to hire entry level probation officers and utilize validated test materials developed by BSCC for probation officer classifications.

Respectfully submitted,

ADOLFO GONZALES
Chief Probation Officer

If the contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.
- 8.2.2 The contractor shall not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which the contractor may have against the County.
- 8.2.3 Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Contract.
- 8.2.4 Any assumption, assignment, delegation, or takeover of any of the contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against contractor as it could pursue in the event of default by contractor.

8.3 Authorization Warranty

- 8.3.1 The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

- 8.4.1 In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to the County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

8.5 Complaints

- 8.5.1 The Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

8.5.2 Complaint Procedures

- 8.5.2.1 Within fifteen (15) business days after the Contract effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.5.2.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.5.2.3 If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within five (5) business days for County approval.

- 8.5.2.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.
- 8.5.2.5 The Contractor shall preliminarily investigate all complaints and notify the County's Program Manager of the status of the investigation within five (5) business days of receiving the complaint.
- 8.5.2.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.5.2.7 Copies of all written responses shall be sent to the County's Program Manager within three (3) business days of mailing to the complainant.

8.6 Compliance with Applicable Law

- 8.6.1 In the performance of this Contract, the Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

8.7 Compliance with Civil Rights Laws

- 8.7.1 The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D (Contractor's EEO Certification).

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury

Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H (Jury Duty Ordinance) and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

8.8.2.2 For purposes of this paragraph, “Contractor” means a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County Contracts or subcontracts. “Employee” means any California resident who is a full-time employee of the Contractor. “Full-time” means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- 8.8.2.3 If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.
- 8.8.2.4 The Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest,

it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

- 8.10.1 Should the contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-GROW Participants

- 8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job category to the Contractor. The Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN-GROW job candidates.
- 8.11.2 In the event that both laid-off County employees and GAIN-GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the

County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the

Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination

of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of the County Contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

8.13.1 The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

- 8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. The Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Intentionally Omitted

8.17 Employment Eligibility Verification

- 8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

- 8.17.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

- 8.18.1 This Contract may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Contract. The facsimile, email or electronic signature of the Parties shall be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

- 8.19.1 The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to

those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of the Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, the Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event the Contractor's failure to perform arises out of a force majeure event, the Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

8.21.1 This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages,

unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

- 8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.
- 8.22.4 The Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

- 8.23.2 The County shall indemnify, defend and hold harmless Contractor, its trustees, officers, agents, and employees from and against any and all liability, loss, expense (including reasonable attorney's fees), or claims for injury or damages arising out of the performance of this Agreement, but only in proportion to and to the extent such liability, loss, expense, attorney's fees, or claims for injury or damages are caused by or result from the negligent or Intentional acts or omissions of the County, its trustees, officers, agents or employees.

8.24 General Provisions for all Insurance Coverage

- 8.24.1 Without limiting the Contractor's indemnification of the County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, the Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 (General Provisions for All Insurance Coverage) and 8.25 (Insurance Coverage) of this Contract. These minimum

insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon the Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- 8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to the County, and a copy of an Additional Insured endorsement confirming the County and its Agents (defined below) has been given Insured status under the Contractor’s General Liability policy, shall be delivered to the County at the address shown below and provided prior to commencing services under this Contract.

The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.
- 8.24.2.4 Neither the County’s failure to obtain, nor the County’s receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

- 8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

Nelson D'Angelo, Contract Analyst
Los Angeles County Probation Department
Contracts & Grants Management Division
9150 East Imperial Highway, Room D-29

- 8.24.2.6 The Contractor also shall promptly report to the County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to the Contractor. The Contractor also shall promptly notify the County of any third party claim or suit filed against the Contractor or any of its subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against the Contractor and/or the County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. The County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

The Contractor shall provide the County with, or the Contractor's insurance policies shall contain a provision that the County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage

or policy period. The written notice shall be provided to the County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

The Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which the County immediately may withhold payments due to the Contractor, and/or suspend or terminate this Contract. The County, at its sole discretion, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to the Contractor, deduct the premium cost from sums due to the Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by the County.

8.24.7 Contractor's Insurance Shall Be Primary

The Contractor's insurance policies, with respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage available to the Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against the County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

The Contractor shall include all subcontractors as insureds under the Contractor's own policies, or shall provide the County with each subcontractor's separate evidence of insurance coverage. The Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and the Contractor as additional insureds on the subcontractor's General Liability policy. The Contractor shall obtain the County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require the Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing the Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. The Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

The Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 **Alternative Risk Financing Programs**

8.24.15 **County Review and Approval of Insurance Requirements**

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon the County's determination of changes in risk exposures.

8.25 **Insurance Coverage**

8.25.1 **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming the County and its Agents as an additional insured, with limits of not less than:

General Aggregate: \$2 million

Products/Completed Operations Aggregate: \$1 million

Personal and Advertising Injury: \$1 million

Each Occurrence: \$1 million

8.25.2 **Workers Compensation and Employers' Liability** insurance or qualified self- insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.26 Liquidated Damages

- 8.26.1 If, in the judgment of the Chief Probation Officer, or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Chief Probation Officer, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Chief Probation Officer, or his/her designee, in a written notice describing the reasons for said action.

8.26.2 If the Chief Probation Officer, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Chief Probation Officer, or his/her designee, deems are correctable by the Contractor over a certain time span, the Chief Probation Officer, or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Chief Probation Officer, or his/her designee, may:

- (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or
- (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars (\$100) per day per infraction, or as specified in the Exhibit U (Performance Requirements Summary (PRS) Chart) hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or
- (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Subparagraph 8.26.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Subparagraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

8.27.1 If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services

under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

- 8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

- 8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.

- 8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s) 8.38.3. Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. - 8.41.1 Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to the County's Child Support Compliance Program) shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

- 8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than sixty (60) days after the notice is sent.

Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State

governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

- 8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

- 8.47.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Check (✓)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS Identify applicable justification and provide documentation for each checked item.
	➤ Only one bona fide source (monopoly) for the service exists; performance and price competition are not available. A monopoly is an “ <i>Exclusive control of the supply of any service in a given market. If more than one source in a given market exists, a monopoly does not exist.</i> ”
	➤ Compliance with applicable statutory and/or regulatory provisions.
	➤ Compliance with State and/or federal programmatic requirements.
✓	➤ Services provided by other public or County-related entities. The Los Angeles County Office of Education will provide education transition services to Probation youth and justice-involved youth.
	➤ Services are needed to address an emergent or related time-sensitive need.
	➤ The service provider(s) is required under the provisions of a grant or regulatory requirement.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Services are needed during the time period required to complete a solicitation for replacement services; provided services are needed for no more than 12 months from the expiration of an existing contract which has no available option periods.
	➤ Maintenance and support services are needed for an existing solution/system during the time to complete a solicitation for a new replacement solution/ system; provided the services are needed for no more than 24 months from the expiration of an existing maintenance and support contract which has no available option periods.
	➤ Maintenance service agreements exist on equipment which must be serviced by the original equipment manufacturer or an authorized service representative.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best economic interest of the County (e.g., significant costs to replace an existing system or infrastructure, administrative cost savings and excessive learning curve for a new service provider, etc.) In such cases, departments must demonstrate due diligence in qualifying the cost-savings or cost-avoidance associated with the best economic interest of the County.

SUBJECT: **NOTIFICATION OF INTENT TO NEGOTIATE SOLE SOURCE CONTRACT
WITH THE LOS ANGELES COUNTY OFFICE OF EDUCATION**

In accordance with your Board's motion on March 2, 1999 (revised August 4, 2015), I am informing you of our intent to negotiate a sole source contract for services for approximately \$5,000,000 for five (5) years. The proposed contract will be with the Los Angeles County Office of Education (LACOE) to provide comprehensive education advocacy, support and liaison to ensure the educational needs and rights of youth under the care of the County of Los Angeles Probation Department and that they have access to the appropriate academic resources and specialized educational services.

The recommended action would allow the Education Transition Services Program facilitated by LACOE to provide certified educational experts – Field Transition Counselors to assist Deputy Probation Officers (DPOs), parents, caregivers, youth, and Education Rights Holders, with navigating the educational system in Los Angeles County. The Transition Counselors are professional educators brought in to address the more challenging aspects of the needs of probation youth, such as disciplinary actions without due diligence (expulsions and suspensions), special education challenges, advocacy in Individual Education Program meetings, enrollment disputes and denials, right to remain in their school of origin, credit recovery etc. The Field Transition Counselors will serve all 15 area offices where juvenile probationers are assigned. In accordance with Welfare and Institutions Code Section 889 and Education Code (EC) Section 48645.2, LACOE is responsible for the administration and operation of public schools and educational services in any juvenile hall and camp regional youth educational facility. These services will also aid in the successful transitioning of youth from juvenile hall, camp, and/or a short-term residential treatment program back to the community.

Should we successfully negotiate a sole source contract with LACOE, we will bring it to your Board for consideration and approval. Following Board approval, LACOE will provide services under a proposed five (5) year Contract term with an option to extend for up to one (1) additional

year. To this end, Probation will proceed with negotiating the sole source contract with LACOE in four (4) weeks, unless otherwise instructed by your Board.

Please call Ms. Karen Fletcher (562) 940-2513 or Ms. Felicia Cotton at (562) 940-2526 if you have any questions regarding this proposed contract.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ADOPT A RESOLUTION TO SUPPORT THE EXECUTION OF AN AGREEMENT
BETWEEN THE COUNTY AND THE CALIFORNIA DEPARTMENT OF CORRECTIONS
AND REHABILITATION (CDCR) FOR THE PROVISION OF PINE GROVE YOUTH
CONSERVATION CAMP SERVICES**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT:

The County of Los Angeles Probation Department (Probation) requests that your Board adopt a Resolution to support the execution of an Agreement between the County and the California Department of Corrections and Rehabilitation (CDCR) for the provision of Pine Grove Youth Conservation Camp Services.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt a Resolution (Attachment I) to support the execution of an Agreement between the County and CDCR for the provision of Pine Grove Youth Conservation Camp Services.

PURPOSE/JUSTIFICATION OF RECOMMENDATION

The purpose of the recommended action is to adopt a Resolution to authorize the Chief Probation Officer to enter into an Agreement with CDCR for the provision of Pine Grove Youth Conservation Camp Services. The proposed agreement is to offer an alternative court ordered placement option that will provide housing, supervision, and firefighting skills training to male youthful offenders.

Rebuild Lives and Provide for Healthier and Safer Communities

Probation will utilize services at Pine Grove Youth Conservation Camp (Pine Grove) as a less restrictive opportunity for qualifying youthful offenders, including some who are subject to a Secure Youth Track Facility (SYTF) disposition with a CDCR override. Youthful offenders who have met initial program goals as determined by the youthful offender's multi-disciplinary team (MDT), and who request to be placed at Pine Grove, will be screened for eligibility as determined by CDCR. Thereafter Probation will prepare the Pine Grove Youth Conservation Services application and clearance documentation that will be submitted to CDCR for approval before petitioning the court for a Pine Grove placement order. CDCR acceptance will be based on compliance with all State statutes or such other applicable laws, regulations and CDCR criteria.

Probation youthful offenders ordered to Pine Grove will participate in a Fire Camp Program, led by the California Department of Forestry in collaboration with CDCR and community-based organizations. The Fire Camp Program includes but is not limited to firefighter training, camp work assignments, and self-help programs, (e.g., Alcohol Anonymous/Narcotics Anonymous, religious services, hobbies and crafts, etc.), as available. Youthful offenders placed at Pine Grove shall be required to comply with the rules and regulations of the CDCR consistent with Division 6, Title 9 or the California Code of Regulations and with Welfare & Institutions Code 1760.4. Youthful offenders who fail to comply, abscond, or refuse to participate will be taken to a local detention facility to be held until Probation can return the youth back to the County.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended action is consistent with the County of Los Angeles Strategic Plan Goal I: Make Investments That Transform Lives. Specifically, it will address Strategy I.2 to Enhance Our Delivery of Comprehensive Interventions, and Goal III: Realize Tomorrow's Government Today.

FISCAL IMPACT/FINANCING

Probation intends to enter into an Agreement with CDCR for Pine Grove Camp Youth Conservation services during fiscal-year (FY) FY 2022-23 through FY 2024-25. The estimated total agreement amounts for FY 2022-23 through FY 2024-25 are listed in the table below:

Fiscal Year	Number of Youth Offender(s)	x	Daily Rate per Youth Offender	X	Estimated Number of Days	Total per Fiscal Year
FY 22/23	5	x	\$253.00	X	365	\$461,725.00
FY 23/24	8	x	\$253.00	X	365	\$738,760.00
FY 24/25	10	x	\$253.00	X	365	\$923,450.00
Total Amount of Agreement						\$2,123,935.00

This range of estimates are contingent on variables such as youth readiness for the program, conditions established by the CDCR, changes over time to the daily charge, and court orders. The estimated total amount of the agreement as indicated in the table above is fully funded under the Juvenile Justice Realignment Block Grant (JJRBG).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 3, 2022, CDCR, Division of Juvenile Justice (DJJ) notified all Chief Probation Officers in California of contract services available from DJJ. CDCR will house, supervise and provide firefighting skills training to juvenile offenders as a service to all counties in California. This program will operate at Pine Grove and is authorized by Section 1760.45 of the California Welfare and Institutions Code.

IMPACT ON CURRENT SERVICES

Adoption of the Resolution will allow Probation to refer youthful offenders to Pine Grove, jointly operated by CDCR and Cal Fire, for the provision of services relating to suitable housing, care and firefighting skills training.

Respectfully submitted,

Adolfo Gonzales
Chief Probation Officer

Data Collection to Support Pretrial Reform

Public Safety Cluster Meeting
Sep 14, 2022

Irene Vidyanti, PhD (ividyanti@ceo.lacounty.gov)

Objectives of the pretrial data initiative

1. to understand **how reforms** that have been enacted and/or accelerated by the pandemic (increased misdemeanor bail amount, \$0 bail, Bail Project, PREP pilot) **impacted our pretrial system**
2. to study **who was released from jail, why they were released, and what made them successful**
3. **to inform pretrial efforts**, particularly to identify the largest number of pretrial defendants possible for release while considering public safety

Objective for this update: to understand how the pretrial landscape has changed

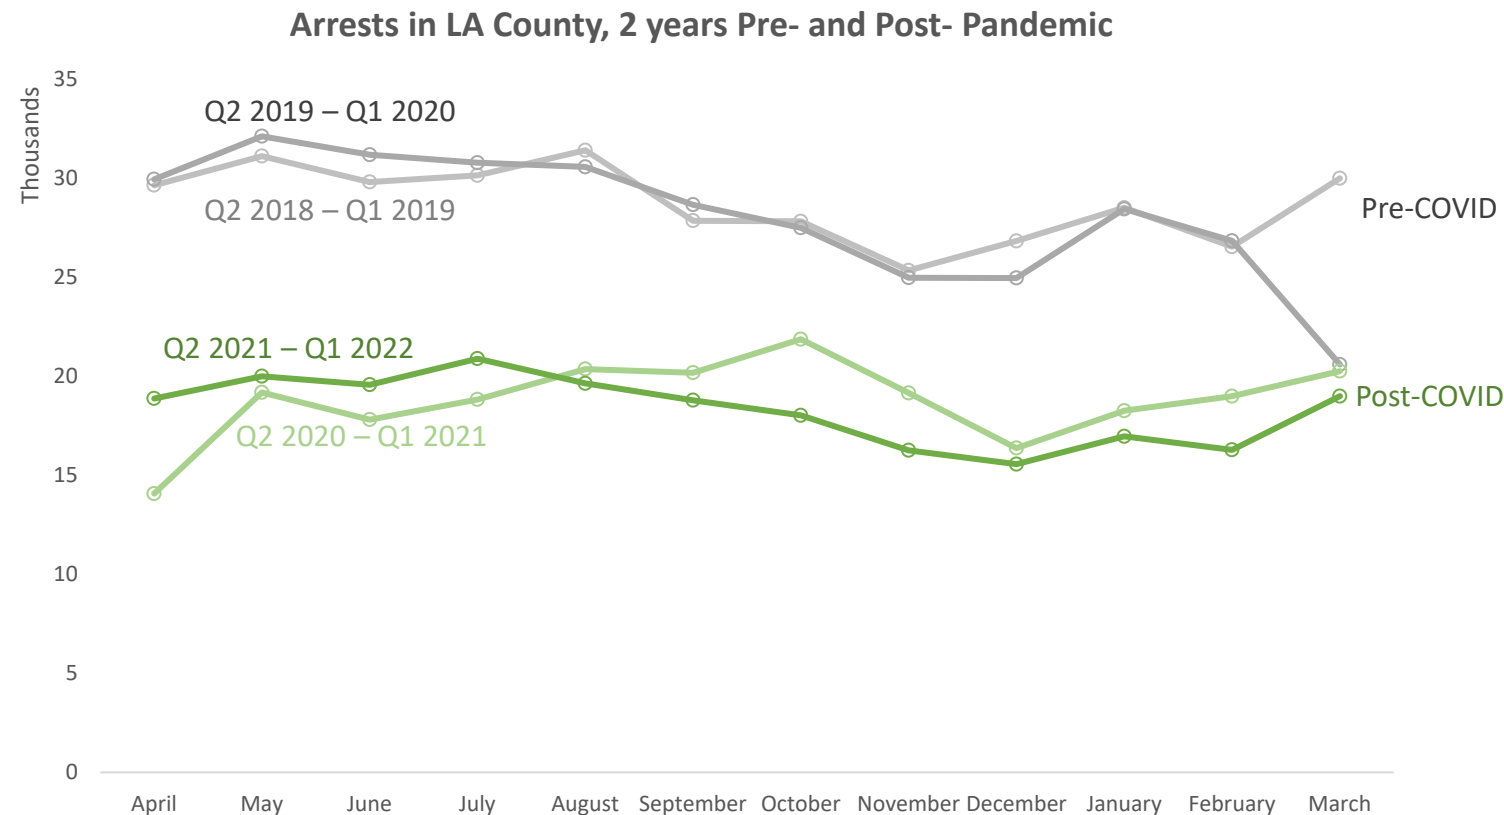

1. to understand **how reforms and the pandemic have changed the pretrial landscape**
2. **to inform pretrial efforts**, as policies and programs need to be responsive to current landscape

We will examine 3 time periods:

Pretrial landscape has changed in LA County in the post-pandemic era

Upstream in the pretrial process, the arrest landscape has changed significantly in LA County

Note: Arrests include bookings from all law enforcement agencies in LA County and LASD cites and releases in the field

Policy and practice changes post-COVID:

- **Statewide and local emergency bail schedules** (implemented after March 2020), which set bail at \$0 for most misdemeanor and low-level felony offenses
- **Changes in arrest and release practices** in Law Enforcement Agencies due to the pandemic, such as reduction in arrests due to \$0 bail and reduction in jail population to minimize COVID risk

Monthly new criminal cases in LA County

The reduction in new criminal cases has persisted two years into the pandemic

Changes seen upstream in terms of significantly lower arrest rates have downstream effects in terms of new pretrial cases.

As changes in arrest patterns are mostly affecting misdemeanor cases (with misdemeanor arrests numbering half what they were previously), the change in the number of new pretrial cases is also very marked for misdemeanor cases.

Preliminary results. Numbers may change as we refine our analysis.

Monthly release rates by type of release in LA County

The stabilization after marked changes early in the pandemic has remained.

For misdemeanors, post-pandemic release rate levels are about the same as pre-pandemic, except for OR releases, which is trending up

For felonies, release rates for cites and own recognizance have remained at markedly higher levels compared to pre-pandemic levels

Monthly FTA rates by type of release in LA County

The stabilization after marked changes early in the pandemic has remained.

For misdemeanors, after FTA rates stabilized, levels are below pre-pandemic levels

For felonies, after FTA rates stabilized, levels are similar to pre-pandemic levels for OR and bail/bond releases, but higher than pre-pandemic levels for citation releases

Monthly re-arrest for new offense rates by type of release in LA County

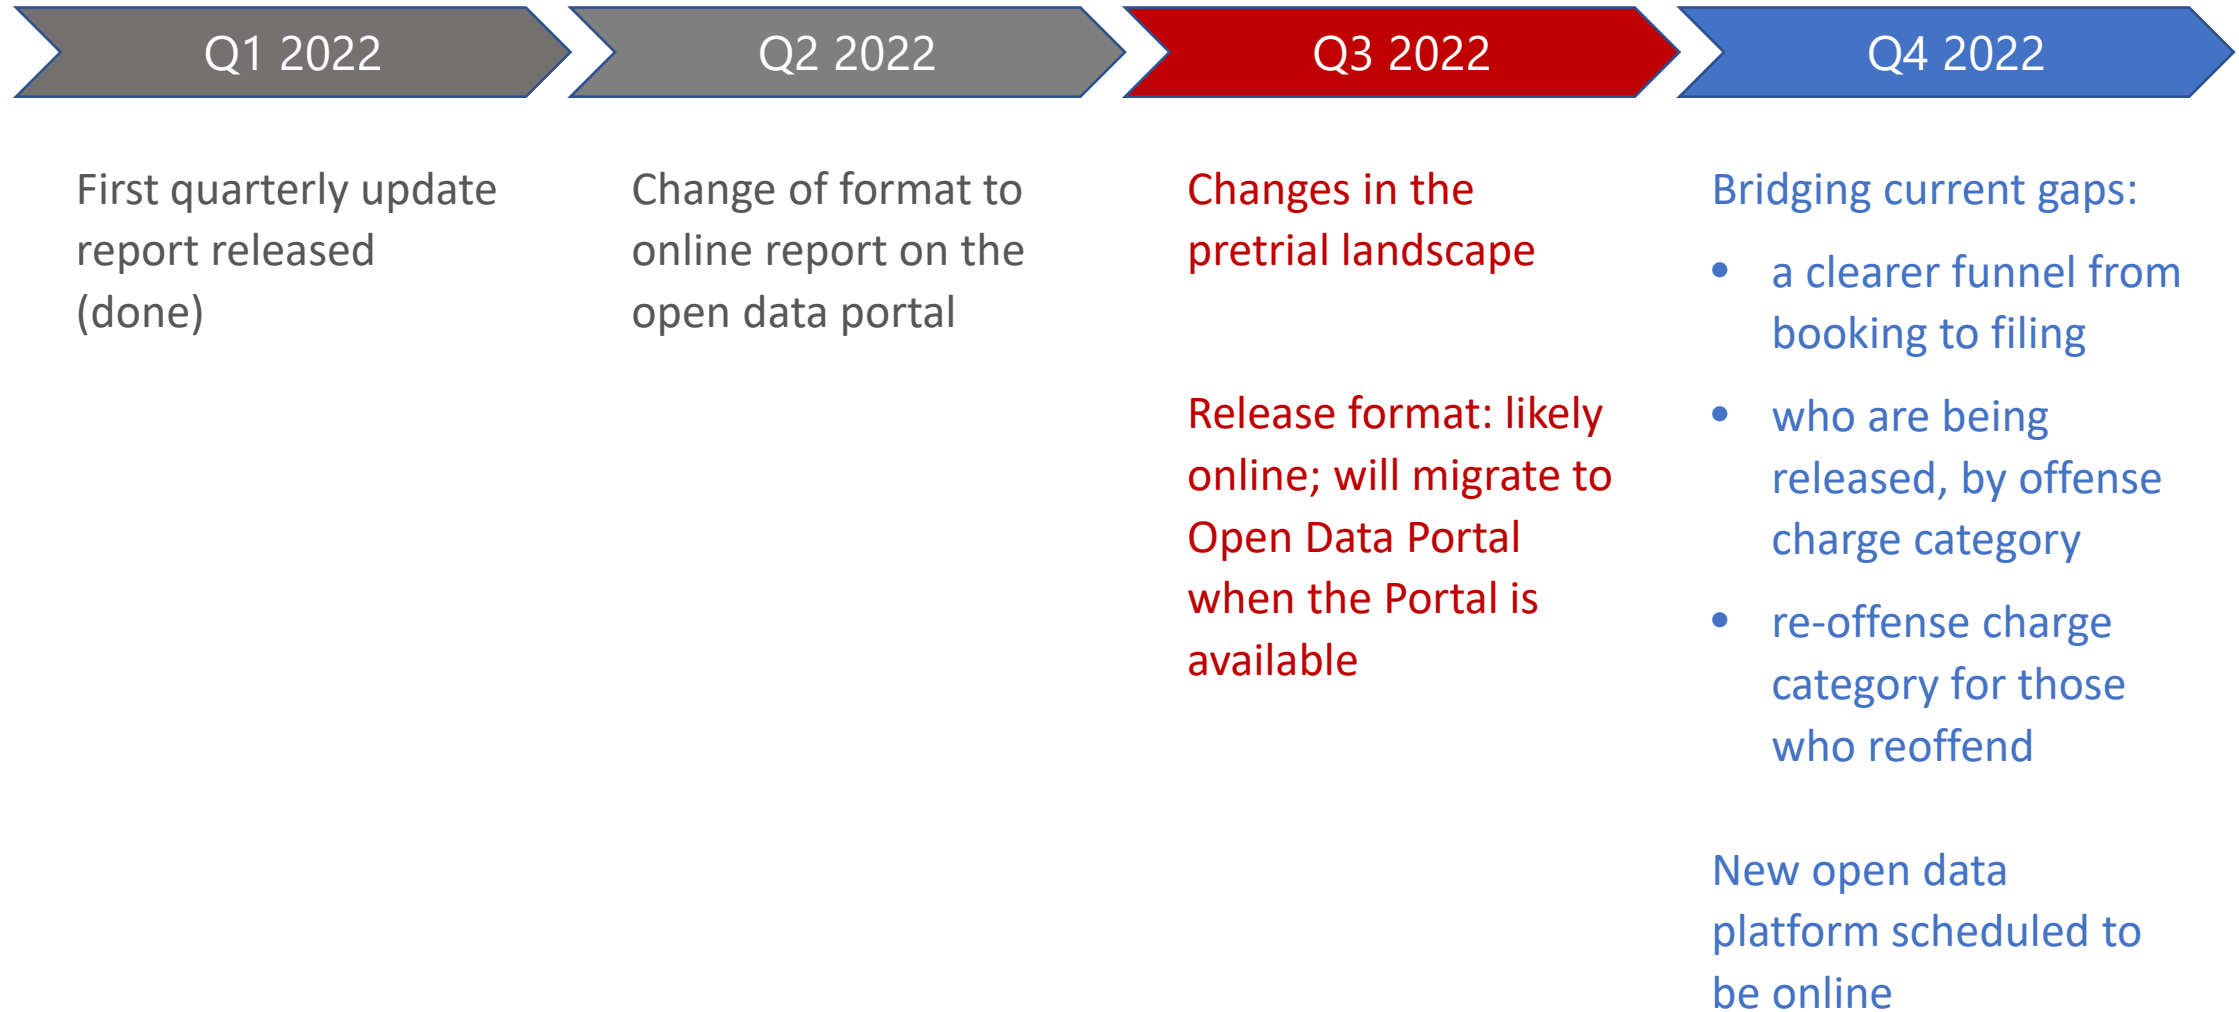

The stabilization after marked changes early in the pandemic has remained.

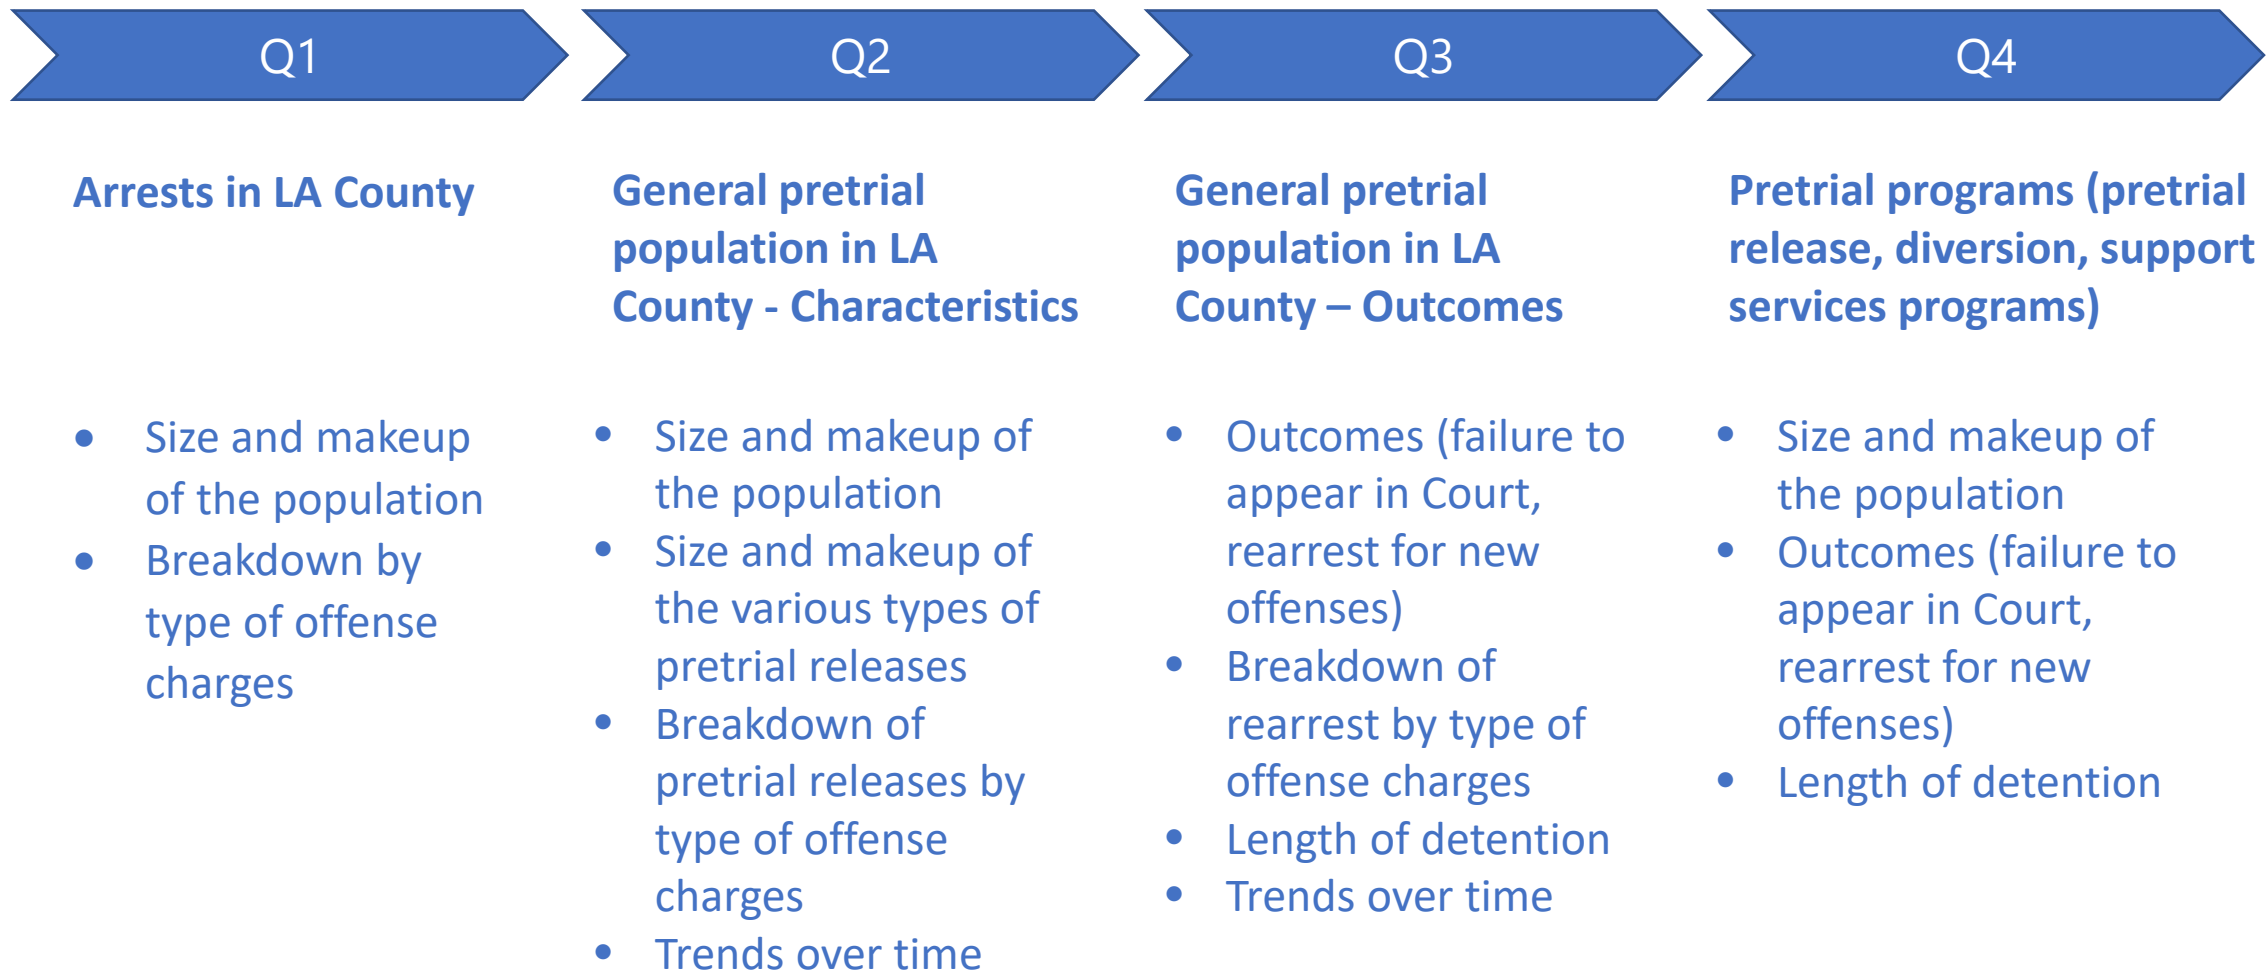

For misdemeanors, post-pandemic rearrest rate levels are continuing the declining trends that started pre-pandemic and have stabilized at lower levels compared to pre-pandemic levels

For felonies, after rearrest rates stabilized, levels are similar to pre-pandemic levels
