Dear Supervisors:

**DEPARTMENT OF MENTAL HEALTH  
EAST SAN GABRIEL VALLEY OFFICE INTERIOR REMODELING PROJECT  
CATEGORICAL EXEMPTION  
ESTABLISH AND APPROVE CAPITAL PROJECT NO. 87919  
APPROVE PROJECT BUDGET AND APPROPRIATION ADJUSTMENT  
AUTHORIZE USE OF JOB ORDER CONTRACT  
(SUPERVISORIAL DISTRICT 1)  
(FY 2022-23, 4 VOTES)**

**SUBJECT**

Approval of the recommended actions will find the Department of Mental Health East San Gabriel Valley Office Interior Remodeling Project exempt from the California Environmental Quality Act, establish and approve Capital Project No. 87919, approve the project budget and appropriation adjustment, and authorize the Director of the Internal Services Department, or designee, to deliver the proposed project using a Board-approved Job Order Contract.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find the proposed Department of Mental Health East San Gabriel Valley Office Interior Remodeling Project exempt from the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Establish and approve the Department of Mental Health East San Gabriel Valley Office Interior Remodeling Project, Capital Project No. 87919 with a total budget of \$600,000.

3. Approve an appropriation adjustment to transfer \$600,000 from the Mental Health Services Act Fund to the Department of Mental Health East San Gabriel Valley Office Interior Remodeling Project, Capital Project No. 87919.
4. Authorize the Director of the Internal Services Department, or designee, to deliver the Department of Mental Health East San Gabriel Valley Office Interior Remodeling Project using a Board-approved Job Order Contract.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommendations will find the proposed Department of Mental Health (DMH) East San Gabriel Valley Office Interior Remodeling Project (project) exempt from the California Environmental Quality Act (CEQA), establish and approve Capital Project No. 87919, approve the project budget and appropriation adjustment, and authorize the Internal Services Department (ISD) to deliver the proposed project using a Board-approved Job Order Contract (JOC).

The proposed project will remodel an existing lobby, restrooms, and kitchen located at the DMH East San Gabriel Valley Office at 1517 West Garvey Avenue in the City of West Covina. The remodeling work aims to provide better service as well as accessible restroom and shower facilities for County visitors.

With respect to the All-Gender Restroom Policy Guidelines approved on November 1, 2022, this project will not be specifically aimed at designating an all-gender restroom because this project does not exceed 50% of the construction cost of building an equivalent new space.

The proposed remodeling scope of work includes removal of walls, doors, windows, frames, flooring, tiles, shower stalls, and electrical/data lines; and installation of walls, reception windows, frames, doors, flooring, paint, lighting fixtures, tiles, mirrors, faucets, toilet partitions, toilets, urinals, piping, and accessible restroom fixtures and shower stalls.

The estimated project duration is approximately seven (7) months, which includes the completion of design and construction documents, jurisdictional approvals, construction, and project completion. The estimated time for the construction component is five (5) months.

### **Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: Goal III. Realize Tomorrow's Government Today, Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability, Objective III.3.2 Manage and Maximize County Assets by investing in public infrastructure that will improve the operational effectiveness of an existing County asset.

### **Green Building/Sustainable Design Program**

The proposed project will support the Board's Green Building/Sustainable Design Program by incorporating design features such as efficient lighting fixtures that will optimize energy efficiency.

The project will be designed and constructed to comply with Title 24 of the California Code of Regulations. Title 24 contains building standards to conserve electricity and natural gas in new and existing buildings within the State. When possible, ISD will document all Title 24 related improvements that qualify for Leadership in Energy and Environmental Design (LEED) building points to apply toward future LEED certification for the County building.

### **FISCAL IMPACT/FINANCING**

The total cost for the proposed project is currently estimated at \$600,000, which includes design, construction, change order allowance, inspection/testing, and ISD county services (Enclosure A).

Approval of the enclosed appropriation adjustment (Enclosure B) will transfer \$600,000 from the Mental Health Services Act Fund to the DMH East San Gabriel Valley Office Interior Remodeling Project, Capital Project No. 87919, to fully fund the project.

### **Operating Budget Impact**

The scope of work consists of remodeling made to an existing space. Therefore, following the completion of the proposed project, DMH does not anticipate any one-time start-up or additional ongoing costs as a result of the proposed project.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

In accordance with the Board's Local and Targeted Worker Hire Policy, updated on June 11, 2019, the proposed Project will include a best efforts Local Worker hiring goal of at least thirty percent (30%). The "Targeted Worker" component will not be included as part of the proposed Project.

In accordance with the Board's Civic Art Policy, adopted on December 7, 2004, and last amended on August 4, 2020, the proposed Project budget includes one percent (1%) of eligible design and construction costs, in the amount of \$4,000, to be allocated to the Civic Art Fund.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed project is categorically exempt from CEQA. The scope of work consists of interior remodeling work to an existing lobby, rooms, kitchen and restrooms. Therefore, the work is within certain classes of projects that have been determined not to have a significant effect on the environment in that it will meet the criteria set forth in Sections 15301(a) and (d), 15302(c), and 15303 of the State CEQA Guidelines and Classes 1(d) and (c), 2(e), and 3 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G because it includes repairs and minor alterations to existing public facilities with negligible or no expansion of use, the replacement of features with the same purpose and capacity, and the installation of small new equipment.

In addition, based on the records of the proposed project, it will comply with all applicable regulations, it is not in a sensitive environment and there are no cumulative impacts, unusual circumstances,

damage to scenic highways, listing on hazardous waste site lists compiled pursuant to Government Code section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historic resource that would make the exemptions inapplicable.

Upon the Board's approval of the proposed project, ISD will file a Notice of Exemption with the Registrar-Recorder/County Clerk in accordance with section 21152 of the California Public Resources Code and will post it to the County's website in accordance with section 21092.2

### **CONTRACTING PROCESS**

The proposed project will be delivered using an ISD Board-approved JOC for the construction. The standard Board-directed clauses, including those that provide for contract termination and hiring qualified displaced county employees, are included in all JOCs.

The JOC contractor who will perform the work is required to fully comply with applicable legal requirements, which among other things, include Chapters 2.200 (Child Support Compliance Program) and 2.203 (Contractor Employee Jury Service Program) of the Los Angeles County Code, and Section 1774 of the California Labor Code pertaining to payment of prevailing wages.

For this Project, ISD has made the determination that the use of a JOC is the most appropriate contracting method to perform the tasks involved. Specifically, to the extent the project entails repair, remodeling, refurbishment, or alteration, and the cost of such project exceeds \$50,000, such project would have to be performed via a competitively-procured construction contract, such as a JOC, not by county employees, due to the "Force Account" limitations set forth in the Public Contract Code.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommendations will have no impact on current county services as the building is currently vacant.

### **CONCLUSION**

Please return one adopted copy of the board letter to the following: ISD Operations Service, the Chief Executive Office – Capital Programs Division, and the Department of Mental Health.

Respectfully submitted,

Selwyn Hollins

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**RECOMMENDATION TO TERMINATE THE DECLARATION OF LOCAL HEALTH  
EMERGENCY FOR THE WOOLSEY FIRE  
(ALL AFFECTED) (3 VOTES)**

**SUBJECT**

The Department of Public Health (Public Health) is recommending that the Board terminate the local health emergency for the Woolsey Fire, affecting Ventura County and Los Angeles County, which was proclaimed on November 12, 2018.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Adopt and approve the attached Resolution to Terminate a Local Health Emergency, which was proclaimed as a result of the Woolsey Fire on November 12, 2018, in the County of Los Angeles.
2. Direct the Chief Executive Officer Office of Emergency Management (CEO-OEM) to forward a copy of the Resolution to Terminate A Local Healthy Emergency to the Director of the California Governor's Office of Emergency Services.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

After a local health emergency has been proclaimed by the local health officer, State law requires that the Board: (1) review the need for the proclaimed local health emergency to remain in effect at least once every 30 days, until it is terminated; and (2) proclaim the

local health emergency terminated at the earliest possible date that conditions warrant. Public Health, in conjunction with the involved County Departments, has reviewed the need for the proclaimed local health emergency referenced below to remain in effect, and/or whether it is now warranted for the local health emergency to be terminated. This review included considerations of the extent to which the specified conditions for the proclaimed local health emergency (i.e., whether a hazardous waste release or escape is an immediate threat to the public health or whether there is an imminent and proximate threat of the introduction of any chemical agent, noncommunicable biologic agent, toxin, or radioactive agent) are still existing; the ongoing need for emergency response and recovery operations; the ongoing need for federal and/or State financial assistance; and the extent to which departments continue to engage in essential emergency-related activities that are dependent on the local health emergency remaining in effect.

Based on a review of the above listed factors, Public Health is recommending that the Board now find that it is warranted to terminate the Woolsey Fire local health emergency, as proclaimed by the Public Health Officer on November 12, 2018 and ratified by the Board on November 13, 2018.

#### **FISCAL IMPACT/FINANCING**

There is no fiscal impact based on this recommendation.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

California Health and Safety Code Section 101080 and Chapter 2.68 of the Los Angeles County Code requires the Board to review the need for a proclaimed local health emergency to remain in effect at least once every 30 days, until it is terminated. California Health and Safety Code Section 101080 requires the Board to terminate a proclaimed local health emergency at the earliest possible date that conditions warrant.

#### **ENVIRONMENTAL DOCUMENTATION**

This action is not subject to the California Environmental Quality Act (CEQA) because it is excluded from the definition of project under section 15378(b)(5) of the State CEQA Guidelines.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There is no impact on current services.

#### **CONCLUSION**

Upon approval by the Board, an adopted, stamped copy should be returned to CEO-OEM. A copy of the Resolution to Terminate A Local Health Emergency will be forwarded to the Governor's Office of Emergency Services for their records.

**RESOLUTION BY THE COUNTY OF LOS ANGELES BOARD OF SUPERVISORS TO TERMINATE THE LOCAL HEALTH EMERGENCY FOR WOOLSEY FIRE**

**WHEREAS**, on November 12, 2018, the County Public Health Officer, Dr. Muntu Davis, found the Woolsey Fire that started on November 8, 2018, and other concurrent fire events created a substantial present or potential hazard to human health and the environment in the form of contaminated fire debris from household hazardous waste and materials and structural debris; and

**WHEREAS**, due to the contaminated fire debris in Los Angeles County, a local health emergency for Woolsey Fire was declared on November 12, 2018, pursuant to Health and Safety Code Sections 101040, 101080, and 120175, which was ratified by the Board of Supervisors on November 13, 2018; and

**WHEREAS**, Health and Safety Code Section 101080 provides that after the Board of Supervisors ratifies a declared local health emergency the Board of Supervisors shall review, at least every 30 days, the need for continuing the local health emergency and shall proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination; and

**WHEREAS**, with respect to the above local health emergency initially proclaimed on November 12, 2018, and ratified by the Board of Supervisors on November 13, 2018 and thereafter continued, the conditions relating thereto are such that it is warranted that this local health emergency be terminated; and

**NOW, THEREFORE, BE IT RESOLVED AND ORDERED** by the Board of Supervisors of the County of Los Angeles that the above local health emergency is terminated.

**IT IS FURTHER ORDERED** effective \_\_\_\_\_, any and all emergency orders issued by the Health Officer and ratified by the Board of Supervisors, pursuant to Health and Safety Code Sections 101040, 101080, and 120175 relating to the declared local health emergency for Woolsey Fire are terminated and no longer in effect.

**IT IS FURTHER ORDERED** that a copy of this Resolution be forwarded to the Director of California Governor's Office of Emergency Services.

The foregoing resolution was on the *(Day)* day of *(Month)* 2023, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.
