The meeting participants were briefed on the status of LACRIS systems and ongoing projects. An update on the status of the Los Angeles Police Department's (LAPD) Piper Tech LACRIS training room was given. The training room was

approved in 2019, but the construction was held up due to building permits. Now the hold-up is because the Piper Tech building may be moving.

5. General Updates

JDIC Outage

From July 13, 2023, through July 17, 2023, the Sheriff's Department's Justice Data Interface Controller (JDIC) system experienced a system outage. The JDIC outage was due to hardware failure at the Sheriff's Communication Center.

Pre-Arrest Release Protocols

On October 1, 2023, LACRIS emailed a response letter to Chief Fairfield regarding the Pre-Arrest Release Protocols (PARP) letter he authored on behalf of the Los Angeles County Police Chief's Association (LACPCA). In summary, LACRIS advised the law enforcement community to seek clarification regarding compliance with PARP and State law.

IV. ACTION ITEMS

A. Authorization to Approve the LACRIS Incidental Expense Policy

LACRIS requested RAN Board approval of a LACRIS-specific Incidental Expense Policy (IEP). The LACRIS IEP mirrors the Los Angeles County Sheriff's Department IEP, Fiscal Notice #181, which was approved by the County Board of Supervisors on January 7, 2022.

ACTION:

THE ITEM WAS MOVED BY BRIAN WILLIAMS, SECONDED BY BRIANE GREY, AND UNANIMOUSLY APPROVED TO AUTHORIZE THE USE OF THE LACRIS INCIDENTAL EXPENSE POLICY.

B. Authorization To Hire Gartner Consulting to Update LACRIS Strategic Plan

LACRIS requested authorization to hire Gartner Consulting to develop a 10-year Strategic Plan for LACRIS. The selection was carried out under the County of Los Angeles' Enterprise Services Master Agreement (ESMA). Gartner's role will involve assessing the current-state capabilities of LACRIS, defining a new target state, and conducting a gap analysis. This process will help to reevaluate the Organizational Strategic Plan and Roadmap for LACRIS resources.

Discussion: Board members asked if copies of the previously approved 10-Year Strategic plan could be emailed to them after this meeting.

ACTION:
THE ITEM WAS MOVED BY BRIAN COSGROVE, SECONDED BY NATASHA BUTLER, AND UNANIMOUSLY APPROVED TO AUTHORIZE 100% FUNDING TO HIRE GARTNER TO DEVELOP A 10-YEAR STRATEGIC PLAN FOR THE APPROXIMATE COST OF \$295,000.

Discussion: At the end of the meeting, Brian Williams asked why the FR access was turned off for 18 agencies. The Board requested an update at the next meeting.
