The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AUTHORIZE THE SOLE SOURCE ACQUISITION OF VARIOUS MEDICAL
EQUIPMENT FOR HARBOR-UCLA MEDICAL CENTER
(SUPERVISORIAL DISTRICT 2)
FISCAL YEAR 2023-24
(3 VOTES)**

SUBJECT

Authorize the Director of the Internal Services Department (ISD), as the Los Angeles County (LA County) Purchasing Agent, to proceed with the sole source acquisition of various medical equipment with a purchase cost in excess of \$250,000 for the Department of Health Services' (DHS) Harbor-UCLA Medical Center (H-UCLA MC).

IT IS RECOMMENDED THAT THE BOARD:

Authorize the Director of ISD, as the LA County's Purchasing Agent, to proceed with the sole source acquisition of various medical equipment detailed in Attachment A for the DHS H-UCLA MC, with a total estimated cost of \$1,664,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended action will authorize ISD, as the LA County's Purchasing Agent, to proceed with the sole source acquisition of various medical equipment for H-UCLA MC. The acquisition of the various medical equipment will allow H-UCLA MC to continue providing highly specialized surgical procedures for patients experiencing traumatic injuries. Additionally, replacement of medical equipment that has reached or exceeded end-of-life eliminates a safety risk to patients receiving care.

A summary of the use and need of the various medical equipment is below:

Super C-Arm: DHS plans to purchase the Super C-Arm (C-Arm) imaging equipment from GE Healthcare which will be used for patients in extremis who require emergent complex trauma/vascular procedures outside of hybrid operating room. The current imaging quality for aortic and lower extremity imaging for trauma patients is inadequate

and does not facilitate optimal clinical decision making. H-UCLA MC is requesting that the C-Arm be acquired from a sole source vendor, GE Healthcare, because this manufacturer and equipment is known to be designed for mobile vascular imaging, outside of hybrid operating room. Additionally, GE Healthcare is one of the DHS standardized vendors for imaging equipment.

Stealthstation S8 System: DHS plans to purchase the Stealthstation S8 System from Medtronic USA, Inc. (Medtronic) which will be used to replace the end of service Fusion navigation system, which is no longer supported by the manufacturer. This equipment will be utilized by Neurosurgery, Orthopedics, and Otolaryngology services. H-UCLA MC is requesting that the Stealthstation S8 System be acquired from a sole source vendor, Medtronic, because this purchase will complete standardization of all specialty services at the hospital to the Stealthstation Navigation System and will integrate with the existing intraoperative surgical equipment. With this purchase all the operating rooms at H-UCLA MC will run on the same navigation system.

Ophthalmic Microscope: DHS plans to purchase the Ophthalmic Microscope from Carl Zeiss Meditec, Inc. (Carl Zeiss). This equipment will be utilized in cataract, cornea, and glaucoma procedures. The current operating room (OR) microscopes do not have digital visualization or Optical Coherence Tomography (OCT) capability. Intraoperative OCT imaging renders an in vivo cross-sectional view of the retina and optical nerve and can be switched between anterior and posterior segments. This will enable intraoperative decision making that will allow the provider to adjust the procedure as needed, rather than perform multiple separate OR procedure and clinic diagnostic study visits. H-UCLA MC is requesting that the Ophthalmic Microscope be acquired from a sole source vendor, Carl Zeiss, because this vendor is the standardized manufacturer used for microscopes in the H-UCLA MC operating rooms.

Ultrasound System: DHS plans to purchase the Ultrasound System from BK Medical Holding Company, Inc. (BK Medical) which will be utilized to provide real-time neurodiagnostic level intraoperative imaging. The Ultrasound System has applications in all neurosurgical procedures including the trauma, tumor resection, and spinal decompression, which are among the most common neurosurgical procedures performed at H-UCLA MC. The current ultrasound has too low a resolution to be beneficial during intraoperative craniotomy or spinal indications. The Ultrasound System will provide improved, reliable, diagnostic-level intraoperative imaging and will reduce the use of imaging scans in the post-operative setting. H-UCLA MC is requesting that the Ultrasound System be acquired from a sole source vendor, BK Medical, because of the highly specialized nature of this equipment and its use in neurosurgical procedures.

Implementation of Strategic Plan Goals

This recommendation supports Goal II.2 “Support the Wellness of Our Communities” and III.3, “Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability” of the LA County Strategic Plan.

FISCAL IMPACT/FINANCING

The total estimated acquisition cost is approximately \$1,664,000. The cost includes the equipment identified in Attachment A, 12-month service warranty, freight, and tax. Funding is included in the Fiscal Year 2023-24 Final Budget. There is no net County cost impact associated with the recommendation.

Operating Budget Impact

DHS will request and fund the associated ongoing annual maintenance, as needed, with existing resources in future budget phases.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On October 16, 2001, the Board of Supervisors (Board) approved the classification categories for fixed assets and new requirements for major fixed asset (now referred to as capital asset) acquisitions requiring LA County departments to obtain Board approval to acquire or finance equipment with a unit cost of \$250,000 or greater prior to submitting their requisition to ISD.

CONTRACTING PROCESS

The acquisition of equipment falls under the statutory authority of the LA County Purchasing Agent and will be accomplished in accordance with the LA County’s purchasing policies and procedures for sole source purchases.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendation will ensure the continued provision of critical surgical care to patients. Much of the existing equipment is at or beyond expected life and continued use could pose a risk to patient safety.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**ACCEPTANCE OF A MONETARY DONATION TO THE DEPARTMENT OF PUBLIC
HEALTH FROM THE ROBERT WOOD JOHNSON FOUNDATION TO SUPPORT THE
AFRICAN AMERICAN INFANT AND MATERNAL MORTALITY PREVENTION
INITIATIVE
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to accept a monetary donation from the Robert Wood Johnson Foundation in the amount of \$250,000 to the Department of Public Health to support African American Infant and Maternal Mortality Prevention Initiative activities.

IT IS RECOMMENDED THAT THE BOARD:

Authorize the Director of the Department of Public Health (Public Health), or designee, to accept a donation in the amount of \$250,000 from the Robert Wood Johnson Foundation (RWJF) to support African American Infant and Maternal Mortality Prevention (AAIMM) Initiative activities.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In accordance with County policy, donations in excess of \$10,000 require acceptance by the Board of Supervisors.

Approval of the above recommendation will allow Public Health to accept a monetary donation from RWJF in the amount of \$250,000, which is expected to support an AAIMM Compassion Response plan and fund. The Compassion Response plan will enable the AAIMM network to inform all necessary parties expediently upon news of a Black maternal, fetal, or infant death and to respond to the affected family with appropriate support and resources. This will meet a need that has long been expressed by the AAIMM network to be the village of support for Black families.

In 2018 the AAIMM Initiative launched as a coalition of County departments, community organizations, health care providers, and community members to address the racial disparities in infant and maternal health outcomes in Los Angeles County (LAC). The Initiative theorizes that lifetime exposure to racism and its resultant stress are at the heart of unequal birth and perinatal health outcomes. The AAIMM Initiative is purposefully positive and strengths-based in messaging and in providing direct service programs. These efforts help prepare families for encountering systems that are not set up for them and assures families that they are deserving of and entitled to respectful, optimal services and care.

On November 1, 2023, the AAIMM Initiative was announced as one of the winners of the RWJF 2023 Culture of Health Prize for its innovative programs and commitment to racial equity and was awarded \$250,000 in prize money. The RWJF Culture of Health Prize honors the work of communities that foster health and wellbeing by addressing systemic inequities and aims to highlight community initiatives that address barriers to health and wellbeing caused by structural racism and other types of discrimination. The call for applications was released on February 16, 2023. The Culture of Health Prize recognized nine communities across the country that are at the forefront of advancing health, opportunity, and equity for all. The AAIMM Initiative was recognized specifically for: 1) its robust collaborative structure, which includes a countywide steering committee and four regional Community Action Teams; and 2) its AAIMM Doula Program, public awareness and storytelling, and committed academic, non-profit, and philanthropic partnerships.

RWJF is a private philanthropic organization with a mission to improve the health and wellbeing of individuals across the country. RWJF works in collaboration with policymakers, business leaders, community groups and many others who share a common interest in addressing the many harmful obstacles to wellbeing, including poverty, powerlessness, discrimination, and advancing health equity for all. The organization focuses on identifying, illuminating, and addressing barriers to health, particularly those caused by structural racism and its intersection with other forms of discrimination, including sexism, ableism, and prejudice based on sexual orientation. RWJF has leaned on evidence to advance health equity across multiple sectors promoting policies, practices, and systems change to dismantle the structural barriers to wellbeing created by racism. Amplifying voices to shift national conversations and attitudes about health and health equity, they have specifically created grants and grant

programs that inspire bold ideas, encourage creative solutions, and demonstrate transformative potential.

Implementation of Strategic Plan Goals

The recommended actions support Strategy I.1, Increase Our Focus on Prevention Initiatives and Strategy II.2, Support the Wellness of Our Communities, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The donation from RWJF in the amount of \$250,000 is expected to support an AAIMM Compassion Response plan and fund.

This donation incurs no direct or net County cost or any additional expense.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Government Code Section 25335 permits the County to accept grants, donations, or other gifts for a specific County purpose. Section 2.4.2 of the County Fiscal Manual authorizes County departments to accept donations in excess of \$10,000 with Board approval.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Acceptance of the donation will allow Public Health to support the continued provision of AAIMM Initiative activities.

Respectfully submitted,

funding up to 10% above or below the annual base maximum obligation effective upon execution; update the scope of work, as necessary; and/or correct errors in the contract's terms and conditions, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Delegate authority to the Director of Public Health, or designee, to execute change notices to the contract that authorize modifications to the budget with corresponding modifications to the statement of work and/or scope of work, that are within the same scope of services, as necessary; and/or changes to hours of operation and/or service locations.
4. Delegate authority to the Director of Public Health, or designee, to immediately suspend or terminate the contract upon issuing a written notice to Diabetes Care Partners if it fails to fully comply with contractual requirements, and to terminate the contract for convenience by providing a 30-calendar day advance written notice to the contractor.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Division of Chronic Disease and Injury Prevention (CDIP) was awarded a five-year cooperative agreement from the CDC to strengthen and expand the availability of Diabetes Self-Management Education and Support (DSMES) for priority populations in most need of quality diabetes support. DSMES helps people with diabetes to manage their condition in ways that fit their lifestyle. As part of this work, CDIP sponsors and facilitates training and technical support using a Community of Practice (CoP) model for DSMES program providers and those interested in establishing a new DSMES program. The CoP fosters a space for collaboration and problem solving, serving as a network of support to assist DSMES providers in learning and establishing best practices to improve program implementation.

Approval of Recommendation 1 will enable Public Health to execute a contract with Diabetes Care Partners to provide technical assistance and subject matter expertise for DSMES program providers.

Approval of Recommendation 2 will allow Public Health to execute amendments to the contract to extend; rollover unspent funds; and increase or decrease funding up to 10% above or below the annual base maximum obligation; update the scope of work; and/or correct errors in the contract's terms and conditions, as necessary.

Approval of Recommendation 3 will allow Public Health to execute change notices to the contract that authorize modifications to the budget with corresponding modifications to the scope of work, that are within the same scope of services, as necessary and changes to hours of operation and/or service locations.

Approval of Recommendation 4 will allow Public Health to immediately suspend or terminate the contract if Diabetes Care Partners fails to perform and/or fully comply with

contractual requirements, and to terminate the contract for convenience by providing 30-calendar days' advance written notice to the contractor.

Implementation of Strategic Plan Goals

The recommended actions support Strategy II.2, Support the Wellness of Our Communities, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The total maximum obligation for the contract is \$292,500, consisting of \$58,500 for each period effective date of execution through June 29, 2028, 100 percent offset by CDC funds.

There is no net County cost associated with this action.

Funding for the contract is included in Public Health's Final Adopted Budget for fiscal year (FY) 2023-24 and will be included in future FYs, as necessary.

CONTRACTING PROCESS

On February 28, 2024, Public Health released Invitation for Bids (IFB) Number 2024-002 to solicit proposals from qualified agencies to provide technical assistance and subject matter expertise on DSMES services in Los Angeles County (LAC). Responses to the IFB were due to Public Health on March 29, 2024.

The contracting opportunity announcement (Attachment A) was posted on the County of Los Angeles website and Public Health's Contracts and Grants website, and a Notice of Intent to release the IFB was also sent by electronic mail to 47 agencies listed on Public Health's internal list of agencies that provide DSMES services.

Public Health received one bid by the submission deadline. The bid was reviewed by an evaluation committee made up of subject matter experts from Public Health in accordance with the Evaluation Methodology for Proposals – Policy 5.054, and the IFB solicitation process. As a result of this process, Public Health is recommending a contract for Diabetes Care Partners.

On April 15, 2024, notification of the IFB results was sent to Diabetes Care Partners and Public Health has obtained its Letter of Intent.

If this Contract is terminated prior to the close of the Contract term, the cost report must be for that Contract period which ends on the termination date. The report must be submitted within 30 Days after such termination date.

The primary objective of the annual cost report will be to provide the County with actual expenditure data for the Contract period that will serve as the basis for determining final amounts due to/from Contractor.

F. Upon expiration or prior termination of this Contract, Contractor must submit, within 30 Days, any outstanding and/or final invoice(s) for processing and payment. This withholding may be invoked for the current month and any succeeding month(s) for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, Director may withhold any claim for payment by Contractor if Contractor has been given at least 30 Days' notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). This withholding may be invoked for any month(s) for deficiency(ies) not corrected.

(5) In addition to sub-paragraphs (1) through (4) immediately above, Director may withhold payments due to Contractor for amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior year's Contract(s) between the County and Contractor. The withheld payments will be used to pay all amounts due to the County. Any remaining withheld payment will be paid to Contractor accordingly.

Upon Director's specific written approval, as authorized by the Board, County may: 1) increase or decrease funding up to 10 percent (10%) above or below each term's annual base maximum obligation; and 2) make modifications to or within budget categories within each budget, as reflected in Exhibit C, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and invoices to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable budget period, to the extent allowed by the funding source and as authorized by the Board. Adjustments of funds in excess of the aforementioned amount require separate approval by Board. Any change to the County maximum obligation in this Contract must be effectuated by an amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, must be effectuated by a change notice that will be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

At least 15 Days prior to each such review, Contractor must provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

8. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract and any Exhibit(s) or Attachments attached hereto, fully expresses all understandings of the parties concerning all matters covered and will constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees, or agents, will be valid or effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The Board, the Chief Executive Officer or designee, or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the Board, Chief Executive Officer, or State or federal entity, law, or regulation. To implement such changes, an amendment to the Contract will be prepared by Director and executed by Contractor and Director, as authorized by the Board.

C. Notwithstanding Paragraph 8.A., in instances where the Board has delegated authority to the Director to amend this Contract to permit extensions or adjustments of the Contract term, the rollover of unspent Contract funds and/or an increase or decrease in funding up to 10% above or below each annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable budget period, and make changes to the Statement of Work or

Any legal defense pursuant to Contractor's indemnification obligations under this CONFIDENTIALITY Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

12. GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES:

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense, insurance coverage satisfying the requirements specified in this Paragraph and in the INSURANCE COVERAGE REQUIREMENTS Paragraph of this Contract. These minimum insurance coverage terms, types, and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. Certificates and copies of any required endorsements must be sent to:

Contractor must obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

Such bond must be executed by a corporate surety licensed to transact business in the State of California.

F. If directed to do so by County, Contractor will place the County name, its department names and/or its marks and logos on all items developed under this Contract. If also directed to do so by County, Contractor must affix the

following notice to all items developed under this Contract: “© Copyright 20XX (or such other appropriate date of first publication), County of Los Angeles. All Rights Reserved.” Contractor agrees that it will not use the County name, its department names, its program names, and/or its marks and logos on any materials, documents, advertising, or promotional pieces, whether associated with work performed under this Contract or for unrelated purposes, without first obtaining the express written consent of County.

For the purposes of this Contract, all such items include, but are not limited to, written materials (e.g., curricula, text for vignettes, press releases, advertisements, text for public service announcements for any and all media types, pamphlets, brochures, fliers), software, audiovisual materials (e.g., films, videotapes, websites), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

15. PUBLICITY:

Contractor agrees that all materials, public announcements, literature, audiovisuals, and printed materials utilized in association with this Contract, must have prior written approval from the Director or designee prior to its publication, printing, duplication, and implementation with this Contract. All such materials, public announcements, literature, audiovisuals, and printed material must include an acknowledgement that funding for such public announcements, literature, audiovisuals, and printed materials was made possible by the County of Los Angeles, Department of Public Health and other applicable funding sources.

For the purposes of this Contract, all such items include, but are not limited to, written materials (e.g., curricula, text for vignettes, text for public service announcements for any and all media types, pamphlets, brochures, fliers), audiovisual materials (e.g., films, videotapes), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

16. RECORD RETENTION AND AUDITS:

A. Service Records: Contractor must maintain all service records related to this Contract for a minimum period of seven years following the expiration or prior termination of this Contract. Contractor must provide upon request by County, accurate and complete records of its activities and operations as they relate to the provision of services, hereunder. Records will be accessible as detailed in the subsequent sub-paragraph.

B. Financial Records: Contractor must prepare and maintain on a current basis, complete financial records in accordance with generally accepted accounting principles; written guidelines, standards, and procedures which may from time to time be promulgated by Director; and requirements set forth in the Los Angeles County Auditor-Controller's Contract Accounting and Administration Handbook. The handbook is available on the internet at:

[AC Contract Accounting and Administration Handbook – June 2021
\(lacounty.gov\)](https://www.lacounty.gov/contract-accounting-and-administration-handbook)

Federally funded Contractors must adhere to strict fiscal and accounting standards and must comply with Title 2 of the Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit

Requirements for Federal Awards and related Office of Management and Budget Guidance.

Such records must clearly reflect the actual cost of the type of service for which payment is claimed and will include, but not be limited to:

(1) Books of original entry which identifies all designated donations, grants, and other revenues, including County, federal, and State revenues and all costs by type of service.

(2) A General Ledger.

(3) A written cost allocation plan which must include reports, studies, statistical surveys, and all other information Contractor used to identify and allocate indirect costs among Contractor's various services.

Indirect Costs will mean those costs incurred for a common or joint objective which cannot be identified specifically with a particular project or program.

(4) Personnel records which show the percentage of time worked providing service claimed under this Contract. Such records must be corroborated by payroll timekeeping records, signed by the employee and approved by the employee's supervisor, which show time distribution by programs and the accounting for total work time on a daily basis. This requirement applies to all program personnel, including the person functioning as the executive director of the program, if such executive director provides services claimed under this Contract.

(5) Personnel records which account for the total work time of personnel identified as indirect costs in the approved contract budget. Such records must be corroborated by payroll timekeeping records signed by the employee and approved by the employee's supervisor. This requirement applies to all such personnel, including the executive director of the program, if such executive director provides services claimed under this Contract.

The entries in all of the aforementioned accounting and statistical records must be readily traceable to applicable source documentation (e.g., employee timecards, remittance advice, vendor invoices, appointment logs, client/patient ledgers). All financial records must be retained by Contractor at a location within Los Angeles County during the term of this Contract and for a minimum period of seven years following expiration or earlier termination of this Contract, or until federal, State and/or County audit findings are resolved, whichever is later. During such retention period, all such records must be made available during normal business hours within 10 Days, to authorized representatives of federal, State, or County governments for purposes of inspection and audit. In the event records are located outside Los Angeles County and Contractor is unable to move such records to Los Angeles County, Contractor must permit such inspection or audit to take place at an agreed to outside location, and Contractor must pay County for all travel, per diem, and other costs incurred by County for any inspection and audit at such other

location. Contractor further agrees to provide such records, when possible, immediately to County by facsimile (fax), or through the Internet (i.e. electronic mail ["e-mail"]), upon Director's request. Director's request will include appropriate County fax number(s) and/or e-mail address(es) for Contractor to provide such records to County. In any event, Contractor agrees to make available the original documents of such fax and e-mail records when requested by Director for review as described hereinabove.

C. Preservation of Records: If, following termination of this Contract, Contractor's facility is closed or if ownership of Contractor changes, within 48 hours thereafter, the Director is to be notified thereof by Contractor in writing and arrangements are to be made by Contractor for preservation of the client/patient and financial records referred to hereinabove.

D. Audit Reports: In the event that an audit of any or all aspects of this Contract is conducted by any federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, Contractor must file a copy of each such audit report(s) with the Chief of the Public Health Contract Monitoring Division, and with County's A-C (A-C Audit Branch) within 30 Days of Contractor's receipt thereof, unless otherwise provided for under this Contract, or under applicable federal or State regulations. To the extent permitted by law, the County will maintain the confidentiality of such audit report(s).

E. Independent Audit: Contractor's financial records must be audited by an independent auditor in compliance with 2 CFR 200.501. The audit must be made by an independent auditor in accordance with Governmental Financial

Auditing Standards developed by the Comptroller General of the United States, and any other applicable federal, State, or County statutes, policies, or guidelines. Contractor must complete and file such audit report(s) with the County's Public Health Contract Monitoring Division no later than the earlier of 30 days after receipt of the auditor's report(s) or nine months after the end of the audit period.

If the audit report(s) is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report(s) is/are delivered to County.

The independent auditor's work papers must be retained for a minimum of three years from the date of the report, unless the auditor is notified in writing by County to extend the retention period. Audit work papers must be made available for review by federal, State, or County representative upon request.

F. Federal Access to Records: If, and to the extent that, Section 1861 (v) (1) (I) of the Social Security Act [42 United States Code ("U.S.C.") Section 1395x(v) (1) (I)] is applicable, Contractor agrees that for a period of seven years following the furnishing of services under this Contract, Contractor must maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States, or to any of their duly authorized representatives, the contracts, books, documents, and records of Contractor which are necessary to verify the nature and extent of the cost of services provided hereunder. Furthermore, if

Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of ten thousand dollars (\$10,000) or more over a 12-month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontract must provide for such access to the subcontract, books, documents, and records of the subcontractor.

G. Program and Audit/Compliance Review: In the event County representatives conduct a program review and/or an audit/compliance review of Contractor, Contractor must fully cooperate with County's representatives. Contractor must allow County representatives access to all records of services rendered and all financial records and reports pertaining to this Contract and must allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County will reimburse Contractor its customary charge for record copying services, if requested. Director will provide Contractor with at least 10 working days' prior written notice of any audit/compliance review, unless otherwise waived by Contractor.

County may conduct a statistical sample audit/compliance review of all claims paid by County during a specified period. The sample will be determined in accordance with generally accepted auditing standards. An exit conference will be held following the performance of such audit/compliance review at which time the result will be discussed with Contractor. Contractor will be provided with a copy of any written evaluation reports.

Contractor will have the opportunity to review County's findings on Contractor, and Contractor will have 30 Days after receipt of County's

audit/compliance review results to provide documentation to County representatives to resolve the audit exceptions. If, at the end of the 30-Day period, there remains audit exceptions which have not been resolved to the satisfaction of County's representatives, then the exception rate found in the audit or sample must be applied to the total County payment made to Contractor for all claims paid during the audit/compliance review period to determine Contractor's liability to County. County may withhold any claim for payment by Contractor for any month(s) for any deficiency(ies) not corrected.

H. Audit Settlements:

(1) If an audit conducted by federal, State, and/or County representatives finds that units of service, actual reimbursable net costs for any services, and/or combinations thereof furnished hereunder are lower than units of service and/or reimbursement for stated actual net costs for any services for which payments were made to Contractor by County, then payment for the unsubstantiated units of service and/or unsubstantiated reimbursement of stated actual net costs for any services must be repaid by Contractor to County. For the purpose of this paragraph an "unsubstantiated unit of service" means a unit of service for which Contractor is unable to adduce proof of performance of that unit of service and "unsubstantiated reimbursement of stated actual net costs" means stated actual net costs for which Contractor is unable to adduce proof of performance and/or receipt of the actual net cost for any service.

(2) If an audit conducted by federal, State, and/or County representatives finds that actual allowable and documented costs for a unit of service provided hereunder are less than the County's payment for those units of service, Contractor must repay County the difference immediately upon request, or County has the right to withhold and/or offset that repayment obligation against future payments.

(3) If within 30 Days of termination of this Contract, such audit finds that the units of service, allowable costs of services and/or any combination thereof furnished hereunder are higher than the units of service, allowable costs of services and/or payments made by County, then the difference may be paid to Contractor, not to exceed the County maximum contract obligation.

(4) In no event will County be required to pay Contractor for units of services that are not supported by actual allowable and documented costs.

(5) In the event that Contractor's actual allowable and documented cost for a unit of service is less than fee-for-service rate(s) set out in the budget(s), Contractor will only be reimbursed for its actual allowable and documented costs.

I. Failure to Comply: Failure of Contractor to comply with the terms of this Paragraph will constitute a material breach of contract upon which Director may suspend or County may immediately terminate this Contract.

17. TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST
ORDINANCE OR RESTRICTIONS ON LOBBYING:

A. Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, must fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Contract, upon which the County may, in its sole discretion, immediately terminate or suspend this Contract.

B. Federal Certification and Disclosure Requirement: Because federal monies are to be used to pay for Contractor's services under this Contract, Contractor must comply with all certification and disclosure requirements prescribed by Section 319, Public Law 101-121 (Title 31, U.S.C., Section 1352) and any implementing regulations, and must ensure that each of its subcontractors receiving funds provided under this Contract also fully comply with all such certification and disclosure requirements.

18. A. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" increased Charitable Purposes Act requirements. By requiring Contractor to complete the Charitable Contributions Certification, Exhibit H, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. If Contractor

receives or raises charitable contributions without complying with its obligations under California law, it commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

18. B. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A
FEDERALLY FUNDED PROGRAM:

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 Days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the federal government against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor must indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal exclusion of Contractor or its staff members from such participation in a federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph will constitute a material breach of contract upon which County may immediately terminate or suspend this Contract.

18. C. CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
INELIGIBILITY AND VOLUNTARY EXCLUSION- LOWER TIER COVERED
TRANSACTIONS (45 C.F.R. PART 76):

Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible or excluded from securing federally funded contracts. By executing this Contract, Contractor certifies that neither it, nor any of its owners, officers, partners, directors, or principals are currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Contract, Contractor certifies that to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor must immediately notify County in writing, during the term of this Contract, should it or any of its subcontractors or any principals either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision will constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

18. D. WHISTLEBLOWER PROTECTIONS:

A. Per federal statute 41 United States Code (U.S.C.) 4712, all employees working for contractors, grantees, subcontractors, and subgrantees on federal grants and contracts are subject to whistleblower rights, remedies, and protections and may not be discharged, demoted, or otherwise discriminated against as a reprisal for whistleblowing. In addition, whistleblowing protections cannot be waived by any agreement, policy, form, or condition of employment.

B. Whistleblowing is defined as making a disclosure “that the employee reasonably believes” is evidence of any of the following: gross

mismanagement of a federal contract or grant; a gross waste of federal funds; an abuse of authority relating to a federal contract or grant; a substantial and specific danger to public health or safety; or a violation of law, rule, or regulation related to a federal contract or grant (including the competition for, or negotiation of, a contract or grant). To qualify under the statute, the employee's disclosure must be made to: a member of Congress, or a representative of a Congressional committee; an Inspector General; the Government Accountability Office; a federal employee responsible for contract or grant oversight or management at the relevant agency; an official from the Department of Justice, or other law enforcement agency; a court or grand jury; or a management official or other employee of the contractor, subcontractor, grantee, or subgrantee who has the responsibility to investigate, discover, or address misconduct.

C. The National Defense Authorization Act for fiscal year 2013, enacted January 2, 2013, mandates a Pilot Program for Enhancement of Contractor Employee Whistleblower Protections that requires that all grantees, their subgrantees, and subcontractors inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the pilot program; inform their employees in writing of the employee whistleblower protections under statute 41 U.S.C. 4712 in the predominant native language of the workforce; and include such requirements in any agreement made with a Subcontractor or subgrantee.

18. E. LOCAL SMALL BUSINESS ENTERPRISE (LSBE) PREFERENCE PROGRAM:

A. This Contract is subject to the provisions of the County's ordinance entitled LSBE Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

B. Contractor will not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a LSBE.

C. Contractor will not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a LSBE.

D. If Contractor has obtained certification as a LSBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, will:

(1) Pay to the County any difference between the Contract amount and what the County's costs would have been if the Contract had been properly awarded;

(2) In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10% of the amount of the Contract; and

(3) Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties will also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs (DCBA) of this information prior to responding to a solicitation or accepting a contract award.

18. F. SOCIAL ENTERPRISE (SE) PREFERENCE PROGRAM:

A. This Contract is subject to the provisions of the County's ordinance entitled SE Preference Program, as codified in [Chapter 2.205 of the Los Angeles County Code](#).

B. Contractor must not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a SE.

C. Contractor must not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a SE.

D. If Contractor has obtained County certification as a SE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished

was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, Contractor will:

(1) Pay to the County any difference between the Contract amount and what the County's costs would have been if the Contract had been properly awarded;

(2) In addition to the amount described in subdivision (1) above, the Contractor will be assessed a penalty in an amount of not more than 10% of the amount of the Contract; and

(3) Be subject to the provisions of [Chapter 2.202 of the Los Angeles County Code](#) (Determinations of Contractor Non-responsibility and Contractor Debarment).

Should Contractor fail to correct deficiencies within said time frame, the Director, or designee, may: (a) deduct from Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from Contractor's failure to

correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances, a reasonable estimate of such damages is one hundred dollars (\$100) per Day per infraction, and that Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to Contractor; and/or (c) upon giving five Days' notice to Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from the County, as determined by the County.

C. The action noted in sub-paragraph B above will not be construed as a penalty, but as adjustment of payment to Contractor to recover the County cost due to Contractor's failure to complete or comply with the provisions of this Contract.

D. This sub-paragraph may not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in sub-paragraph B above, and may not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

Such background investigation must be obtained through

fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but will not be limited to, criminal conviction information. The fees associated with the background investigation will be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not perform services under this Contract, or be placed and/or assigned within the Department of Public Health. During the term of this Contract, the Department may receive subsequent criminal information. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor, nor to Contractor's staff, any information obtained through the criminal history review.

Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which Contractor may have against the County.

C. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

24. AUTHORIZATION WARRANTY:

Contractor represents and warrants that the person executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

25. BUDGET REDUCTION:

In the event that the Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees, and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by Contractor under this Contract will also be reduced correspondingly. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including without limitation, County Counsel, and to reimbursement

from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

29. COMPLIANCE WITH CIVIL RIGHTS LAW:

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

Additionally, Contractor certifies to the County:

1. That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
2. That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
3. That Contractor has a system for determining if its employment practices are discriminatory against protected groups.

30. COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM:

A. Jury Service Program: This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor must have and adhere to a written policy that provides that its Employees will receive from Contractor, on an annual basis, no less than five business days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deducts from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation, or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time

employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or, 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under this Contract, the subcontractor will also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph must be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to that contract.

(3) If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify the County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate, to the County's satisfaction that Contractor either continues to remain outside of

the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this sub-paragraph of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, at its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

31. COMPLIANCE WITH COUNTY'S ZERO TOLERANCE POLICY ON HUMAN TRAFFICKING:

A. Contractor acknowledges that the County has established a Zero Tolerance Human Trafficking Policy prohibiting contractors from engaging in human trafficking.

B. If Contractor or a member of Contractor's staff is convicted of a human trafficking offense, the County will require that Contractor or member of Contractor's staff be removed immediately from performing services under this Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

C. Disqualification of any member of Contractor's staff pursuant to this Paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

32. COMPLIANCE WITH FAIR CHANCE EMPLOYMENT PRACTICES:

Contractor, and any subcontractors, must comply with fair chance employment hiring practices set forth in California Government Code Section 12952. Contractor's

violation of this Paragraph of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

33. COMPLIANCE WITH THE COUNTY'S POLICY OF EQUITY:

Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation, and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. Contractor, its employees, and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of Contractor, its employees, or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject Contractor to termination of contractual agreements as well as civil liability.

34. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, may be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's

approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

B. Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure includes, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph will be a material breach of this Contract.

35. CONSIDERATION OF HIRING GAIN/START PARTICIPANTS:

A. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program Skills and Training to Achieve Readiness for Tomorrow (START)) Program who meet Contractor's minimum qualifications for the open position(s). For this purpose, consideration means that Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to Contractor. Contractor must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

B. In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

36. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. Responsible Contractor: A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. Chapter 2.202 of the County Code: Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, the County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with the County.

C. Non-Responsible Contractor: The County may debar a contractor if the Board finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively

reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. Contractor Hearing Board: If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative/proposed decision, which will contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department will be provided an opportunity to object to the tentative/proposed decision prior to its presentation to the Board.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. If a contractor has been debarred for a period longer than five years, that contractor may after the debarment has been in effect for at least five

years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will consider evidence on the proposed reduction of debarment period or termination of debarment. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at: <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>

B. As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this

Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

39. COUNTY'S QUALITY ASSURANCE PLAN:

County or its agent(s) will monitor Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which County determines are significant, or continuing, and that may place performance of this Contract in jeopardy if not corrected, will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

40. RULES AND REGULATIONS:

During the time that Contractor's personnel are at County Facilities, such persons will be subject to the rules and regulations of such County Facility. It is the responsibility of Contractor to acquaint persons who are to provide services hereunder with such rules and regulations. Contractor must immediately and permanently

withdraw any of its personnel from the provision of services hereunder upon receipt of oral or written notice from Director, that: (1) such person has violated said rules or regulations, or (2) such person's actions, while on County premises, indicate that such person may do harm to County patients, staff, or other individuals.

41. DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS:

A. Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or Contractor's employees or agents. Such repairs must be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence.

B. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by Contractor by cash payment upon demand.

42. EMPLOYMENT ELIGIBILITY VERIFICATION:

A. Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), as they currently

43. DEFAULT METHOD OF PAYMENT: DIRECT DEPOSIT OR ELECTRONIC FUNDS TRANSFER:

The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County is Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

At any time during this Contract, Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business, or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with Public Health, will decide whether to approve exemption requests.

44. COUNTERPARTS AND ELECTRONIC SIGNATURES AND REPRESENTATIONS:

This Contract may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same Contract. The facsimile or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals. The County and Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on amendments prepared pursuant to ALTERATIONS OF TERMS/AMENDMENTS Paragraph and received via communications facilities (e.g., facsimile or email), as legally sufficient evidence that such legally binding signatures have been affixed to amendments to this Contract.

45. FAIR LABOR STANDARDS:

Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor

Standards Act, for work performed by Contractor's employees for which the County may be found jointly or solely liable.

46. FISCAL DISCLOSURE:

Contractor must prepare and submit to Director, within 10 Days following execution of this Contract, a statement executed by Contractor's duly constituted officers, containing the following information: a detailed statement listing all sources of funding to Contractor including private contributions, nature of the funding, services to be provided, total dollar amount, and period of time of such funding.

If during the term of this Contract, the source(s) of Contractor's funding changes, Contractor must promptly notify Director in writing, detailing such changes.

47. FORCE MAJEURE:

A. Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph "as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not

be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

C. In the event Contractor’s failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

48. GOVERNING LAW, JURISDICTION, AND VENUE:

This Contract will be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

49. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA):

The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations. The County and Contractor therefore agree to the terms of Exhibit F, “HIPAA – Inadvertent Access”.

50. INDEPENDENT CONTRACTOR STATUS:

A. This Contract is by and between the County and Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor is solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of Contractor and not employees of the County. Contractor is solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of Contractor pursuant to this Contract.

D. Contractor must adhere to the provisions stated in the CONFIDENTIALITY Paragraph of this Contract.

51. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES:

Contractor will obtain and maintain during the term of this Contract, all appropriate licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law for the operation of its business and for the provision of services hereunder. Contractor will ensure that all of its officers, employees, and agents who perform services hereunder obtain and maintain in effect during the term of this Contract, all licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law which are applicable to their performance hereunder. Contractor will provide a copy of each license, permit, registration, accreditation, and/or certificate upon request of Public Health at any time during the term of this Contract.

52. NONDISCRIMINATION AND AFFIRMATIVE ACTION:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations.

B. Contractor certifies to the County each of the following:

1. Contractor has a written policy statement prohibiting discrimination in all phases of employment.
2. That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
3. That Contractor has a system for determining if its employment practices are discriminatory against protected groups.

4. Where problem areas are identified in employment practices, Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

C. Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

D. Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

E. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

F. Contractor will allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this Nondiscrimination and Affirmative Action Paragraph when so requested by the County.

G. If the County finds that any provisions of this Nondiscrimination and Affirmative Action Paragraph have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated federal or State anti-discrimination laws or regulations will constitute a finding by the County that Contractor has violated the anti-discrimination provisions of this Contract.

H. The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

53. NON-EXCLUSIVITY:

Nothing herein is intended nor will be construed as creating any exclusive arrangement with Contractor. This Contract will not restrict the County from acquiring similar, equal, or like goods and/or services from other entities or sources.

54. NOTICE OF DELAYS:

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

55. NOTICE OF DISPUTES:

Contractor must bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and Contractor regarding the performance of services as stated in this Contract. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director will resolve it.

56. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT:

Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

57. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:

Contractor must notify and provide to its employees, and will require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit G (Safely Surrendered

Baby Law) of this Contract. Additional information is available at

<https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

58. PROHIBITION AGAINST INDUCEMENT OR PERSUASION:

Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

59. PROHIBITION AGAINST PERFORMANCE OF SERVICES WHILE UNDER THE INFLUENCE:

Contractor will ensure that no employee or physician performs services while under the influence of any alcoholic beverage, medication, narcotic, or other substance that might impair his/her physical or mental performance.

60. PUBLIC RECORDS ACT:

A. Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to the RECORD RETENTION AND AUDITS Paragraph of this Contract; as well as those documents which were submitted in response to the solicitation process for this Contract become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 7921.000 et seq. (Public Records Act), and which are marked "trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records

including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret,” “confidential,” or “proprietary,” Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

61. PURCHASES:

A. Purchase Practices: Contractor must fully comply with all federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items must be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, County will retain all proprietary interest, except for use during the term of this Contract, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any Contract funds designated for such purpose. Upon the expiration or earlier termination of this Contract, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Contract, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of

Contractor to satisfy any judgment against it within 30 Days of filing, County will have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the Contractor's part. Contractor, in conjunction with County, must attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls, and Reports: Contractor must maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose. Annually, Contractor must provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose.

D. Protection of Property in Contractor's Custody: Contractor must maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any Contract funds designated for such purpose, against any damage or loss by fire, burglary, theft, disappearance, vandalism, or misuse. Contractor must contact Director for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Contract, or upon the expiration or early termination of this Contract, or at any other time that County

may request, Contractor must: (1) provide access to and render all necessary assistance for physical removal by Director or authorized representatives, of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose, in the same condition as such property was received by Contractor, reasonable wear and tear expected; or (2) at Director's option, deliver any or all items of such property to a location designated by Director. (4) A listing by full names of all Contractor's officers, directors, members of its advisory boards, members of its staff and consultants, who have any family relationships by marriage or blood with a lessor or sublessor referred to in sub-paragraph (3) immediately above, or who have any financial interest in such lessor's or sublessor's business, or both. If such lessor or sublessor is a corporation or partnership, such listing must also include the full names of all Contractor's officers, members of its advisory boards, members of its staff and consultants, who have any family relationship, by marriage or blood, to an officer, director, or stockholder of the corporation, or to any partner of the partnership. In

preparing the latter listing, Contractor must also indicate the names(s) of the officer(s), director(s), stockholder(s), or partner(s), as appropriate, and the family relationship which exists between such person(s) and Contractor's representatives listed.

(5) If a facility of Contractor is rented or leased from a parent organization or individual who is a common owner (as defined by Federal Health Insurance Manual 15, Chapter 10, Paragraph 1002.2), Contractor will only charge the program for costs of ownership. Costs of ownership must include depreciation, interest, and applicable taxes.

True and correct copies of all written rental agreements, leases, and subleases with respect to any such real property must be appended to such affidavit and made a part thereof.

B. Business Ownership Disclosure: Contractor must prepare and submit to Director, upon request, a detailed statement, executed by Contractor's duly constituted officers, indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Contract. If, during the term of this Contract, Contractor's ownership of other businesses dealing with Contractor under this Contract changes, Contractor must notify Director in writing of such changes within 30 Days prior to the effective date thereof.

63. REPORTS:

Contractor must make reports as required by County concerning Contractor's activities and operations as they relate to this Contract and the provision of services hereunder. However, in no event may County require such reports unless Director has provided Contractor with at least 30 Days prior written notification thereof. Director's notification will provide Contractor with a written explanation of the procedures for reporting the information required.

64. RECYCLED CONTENT BOND PAPER:

Consistent with the Board's policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Contract.

65. PROHIBITION FROM PARTICIPATION IN FUTURE SOLICITATION(S):

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision survives the expiration, or other termination of this Contract.

66. STAFFING AND TRAINING/STAFF DEVELOPMENT:

Contractor must operate continuously throughout the term of this Contract with at least the minimum number of staff required by County. Such personnel must be qualified in accordance with standards established by County. In addition, Contractor must comply with any additional staffing requirements which may be included in the Exhibits attached hereto.

During the term of this Contract, Contractor must have available and must provide upon request to authorized representatives of County, a list of persons by name, title, professional degree, salary, and experience who are providing services hereunder. Contractor also will indicate on such list which persons are appropriately qualified to perform services hereunder. If an executive director, program director, or supervisory position becomes vacant during the term of this Contract, Contractor must, prior to filling said vacancy, notify County's Director. Contractor must provide the above set forth required information to County's Director regarding any candidate prior to any appointment. Contractor must institute and maintain appropriate supervision of all persons providing services pursuant to this Contract.

Contractor must institute and maintain a training/staff development program pertaining to those services described in the Exhibit(s) attached hereto. Appropriate training/staff development must be provided for treatment, administrative, and support personnel. Participation of treatment and support personnel in training/staff development should include in-service activities. Such activities must be planned and scheduled in advance and conducted on a continuing basis. Contractor must develop and institute a plan for an annual evaluation of such training/staff development program.

67. SUBCONTRACTING:

A. For purposes of this Contract, subcontracts must be approved in advance in writing by Director or authorized designee(s). Contractor's request to Director for approval of a subcontract must include:

(1) Identification of the proposed subcontractor (who will be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(2) A detailed description of the services to be provided by the subcontract.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract must take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director will review Contractor's request to subcontract and determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts must be made in the name of Contractor and may not bind nor purport to bind County. The making of subcontracts hereunder does not relieve Contractor of any requirement under this Contract, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract must also not be construed to limit in any way, any of County's rights or remedies contained in this Contract.

D. In the event that Director consents to any subcontracting, Contractor is solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent is provisional, and will not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County is not liable or responsible in any way to Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. The County's consent to subcontract does not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. Contractor must notify its subcontractors of this County right.

G. Subcontracts must contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and is subject to all of the provisions of such prime contract." Further, Contractor

must also reflect as subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS Paragraphs.

Contractor must deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Contract, on or immediately after the effective date of the subcontract, but in no event, later than the date any services are to be performed under the subcontract.

H. Contractor will obtain certificates of insurance which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor.

I. Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

J. Contractor will indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

K. Contractor will remain fully responsible for all performances required of it under this Contract, including those that Contractor has determined to subcontract, notwithstanding the County's approval of Contractor's proposed subcontract.

68. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN
COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM:

Contractor's failure to maintain compliance with the requirements set forth in the Paragraph entitled CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM, herein, will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, Contractor's failure to cure such default within 90 Days of written notice will be grounds upon which the County may terminate this Contract pursuant to the Paragraph entitled TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

69. TERMINATION FOR CONVENIENCE:

This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of services hereunder will be effected by a Notice of Termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than 30 Days after the notice is sent.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor must:

- A. Stop work under this Contract on the date and to the extent specified in such Notice of Termination; and
- B. Complete performance of such part of the work as would not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor will submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice must be submitted promptly, but not later than 60 Days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination will be final. After such determination is made, County will pay Contractor the amount so determined.

Contractor, for a period of seven years after final settlement under this Contract, in accordance with the Paragraph entitled RECORD RETENTION AND AUDITS, herein, must retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence must be retained by Contractor at a location in Los Angeles County and must be made available within 10 calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

70. TERMINATION FOR DEFAULT:

The County may, by written notice to Contractor, terminate the whole or any part of this Contract, if, in the judgement of County's Project Director:

- A. Contractor has materially breached this Contract; or

B. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

C. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

In the event that the County terminates this Contract in whole or in part as provided hereinabove, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Contractor will be liable to the County, for such similar goods and services. Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

Except with respect to defaults of any subcontractor, Contractor will not be liable for any such excess costs of the type identified in the Paragraph hereinabove if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the

fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and any subcontractor, and without the fault or negligence of either of them, Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that Contractor was not in default under the provisions of this paragraph or that the default was excusable under the provisions hereinabove, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to the Paragraph entitled TERMINATION FOR CONVENIENCE, herein.

The rights and remedies of County provided in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

71. TERMINATION FOR IMPROPER CONSIDERATION:

County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this

Contract, or making of any determinations with respect to Contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

Contractor must immediately report any attempt by a County officer or employee to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.

72. TERMINATION FOR INSOLVENCY:

The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- A. Insolvency of Contractor. Contractor will be deemed to be insolvent if it has ceased to pay its debts at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- B. The filing of a voluntary or involuntary petition regarding Contractor under the federal Bankruptcy Code;
- C. The appointment of a Receiver or Trustee for Contractor;
- D. The execution by Contractor of a general assignment for the benefit of creditors.

The rights and remedies of the County provided in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

73. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County will not be obligated for Contractor's performance hereunder, or by any provision of this Contract during any of the County's future fiscal years, unless and until the Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30th of the last fiscal year for which funds were appropriated. The County will notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

74. NO INTENT TO CREATE A THIRD-PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person will acquire any rights as a third-party beneficiary under this Contract.

75. TIME OFF FOR VOTING:

Contractor must notify and provide to its employees and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every Statewide election, Contractor and any subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees

come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

76. VALIDITY:

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

77. WAIVER:

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

78. WARRANTY AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

79. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED
PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.

Dear Supervisors:

**APPROVAL TO EXTEND EXISTING LEGAL ENTITY CONTRACTS FOR THE
CONTINUED PROVISION OF SPECIALTY MENTAL HEALTH SERVICES
EFFECTIVE JULY 1, 2024
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to extend existing Legal Entity Contracts for the continued provision of Specialty Mental Health Services as the current Legal Entities are set to expire on June 30, 2024.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health (Director), or designee, to prepare, sign, and execute an amendment (Attachment I) to the existing Department of Mental Health (DMH) Legal Entity (LE) Contracts as identified in Attachment II, to extend the term of the contracts for two Fiscal Years (FYs) ending June 30, 2026, with one optional extension year. The Maximum Contract Amounts (MCA) for each of the LE Contracts for each FY are listed in Attachment II. The total aggregate amount for FYs 2024-25 and FY 2025-26 is \$ 1,542,507,585 per fiscal year, funded by various federal, State, and local revenues.
2. Delegate authority to the Director, or designee, to prepare, sign, and execute new LE Contracts with qualified LE providers not listed in the recommendation above,

for Specialty Mental Health Services (SMHS), provided that: 1) sufficient funds are available; 2) County Counsel approves the LE Contract as to form; and 3) Director or his designee, provide a written notification to the Board and Chief Executive Office (CEO). The term of these contracts will be effective upon execution and will have the same term as the LE Contracts in Recommendation 1.

3. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the LE Contracts in Recommendations 1 and 2 with an option to extend thereafter for one additional FY through June 30, 2027 to: 1) revise the language; 2) add, delete, modify or replace the Service Exhibits and/or Statements of Work; 3) reflect federal, State, and County regulatory and/or policy changes; and 4) revise the annual MCAs, provided that: a) the County's total payment to each LE Contractor will not exceed an increase of more than 25 percent of the applicable MCA, b) sufficient funds are available; and c) the Director, or designee, obtains prior review and approval as to form by County Counsel and provides written notice to the Board and CEO.
4. Delegate authority to the Director, or his designee, to make non-material modifications to the LE Contracts in Recommendations 1 and 2 through administrative amendments or change notices for the following and other similar reasons, as appropriate: change the LE Contractor's business name and/or headquarter address; change, revise, add, or delete the LE Contractor's provider site address(es), site number(s), and/or site name(s); make technical corrections; revise County and Contractor Administration Exhibits; and/or shift funds between currently contracted funded programs, so long as such shift(s) will not cause an increase in the MCA.
5. Delegate authority to the Director, or designee, to terminate the Contracts described in Recommendations 1 and 2 in accordance with the termination provisions, including Termination for Convenience. The Director, or designee, will provide written notification to your Board and CEO of such termination action.
6. Exempt the DMH LE Contracts from the six-month advance notification requirement under Board Policy No. 5.100 when DMH does not have delegated authority to extend the term of the Contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval of Recommendation 1 will allow DMH to extend the existing LE Contracts for the continued provision of Specialty Mental Health Services (SMHS) for two FYs through June 30, 2026, with an approximate aggregate amount of \$ 3 Billion.

Board approval of Recommendation 2 will allow DMH to execute new DMH LE Contracts

with qualified LE Contractors for the provision of SMHS.

Board approval of Recommendation 3 and 4 will allow DMH to amend and update the LE Contracts in a timely manner, as necessary, for the continuous provision and expansion of mental health services without interruption to clients who are in need of these services.

Board approval of Recommendation 5 will allow DMH to terminate the LE Contracts in accordance with the LE contract's termination provisions, including Termination for Convenience, in a timely manner, as necessary.

Board approval of Recommendation 6 will allow DMH to timely amend the existing LE Contracts to allow for continued and expanded provision of services to DMH clients. As the DMH LE Contracts provide a federal entitlement to beneficiaries, the need to amend as expeditiously as possible is essential. Although DMH must obtain Board approval when it exceeds its delegated authority, seeking an additional six-month advance notification to the Board will delay federally entitled services and may expose the department to liability.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's North Star 1, Make Investments that Transform Lives, specifically Focus Area Goal A., Healthy Individual and Families, strategy iii. Behavioral Mental Health and Substance Use Disorder.

FISCAL IMPACT/FINANCING

The FY 2024-25 annual MCA for each LE Contract is listed in Attachment II with a total amount of \$ 1,542,507,585, fully funded as follows: Categorical Funds \$69,335,705, Realignment \$490,194,642, Federal Financial Participation \$691,436,725, State General Funds \$14,918,579, and Mental Health Services Act funds (MHSA) \$276,621,934 and is included in DMH's proposed budget.

Funding for future fiscal years will be requested through DMH's annual budget request process.

There is no net County cost impact associated with the recommended action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On June 8, 2021, your Board authorized the Director to enter into 131 LE Contracts and delegated authority to sign new ones, all of which are included in the Contracts listed on Attachment II. All Contractors listed in Attachment II have existing LE Contracts with DMH which are set to expire on June 30, 2024.

DMH is seeking your Board's approval to amend these existing LE Contracts to extend the term for two FYs through June 30, 2026, due to the implementation of California Advancing and Innovating Medical (CalAIM) Behavioral Health Payment reform and the uncertainties surrounding the recent Behavioral Health Services Program and Bond Measure (State Proposition 1). Since FY 2023-24 was the first year of CalAIM Implementation, a data set has yet to be made available for analysis of the overall impact of CalAIM. Consequently, DMH is still working with contractors to determine the financial impact of CalAIM. Additionally, with the passing of Proposition 1, DMH will need to make various adjustments to the Contract, including its financial provisions and certain programs/services that are funded by current MHSF funds.

Welfare and Institutions (W&I) Code Section 14712 directs the State of California (State) to implement and administer the Managed Mental Health Care for Medi-Cal eligible residents of the State. This W&I Code section requires a contractual agreement between the State and the County to operate as the Mental Health Plan (MHP) responsible for the delivery of SMHS to the County's eligible Medi-Cal beneficiaries. Through the MHP Agreement, DMH agrees to operate as the MHP for the County. The MHP Agreement sets comprehensive requirements for DMH to provide or arrange for the provision of all covered, medically necessary SMHS to Medi-Cal beneficiaries in the County. As such, DMH provides such SMHS through its directly-operated clinics as well as through its numerous LE and 24-Hour Contractors.

On March 30, 2016, the Centers of Medicare and Medicaid Services issued the Parity Rule in the Federal Register to strengthen access to mental health and substance use disorder services for Medi-Cal beneficiaries. The Parity Rule mandates that MHPs ensure access to care through an adequate provider network without unreasonable limitations to the scope or duration of mental health benefits. In order to comply with these requirements, DMH must ensure that an adequate network of providers and services are available throughout the County.

On December 7, 2021, your Board authorized the Directors of DMH, Department of Public Health, and Department of Health Services to negotiate, prepare, execute, and operationalize new and existing agreements with health plans, provider groups, and pharmacy benefit networks necessary to establish or maintain CalAIM initiatives. The CalAIM Behavioral Health Payment Reform initiative was established to move counties away from cost-based reimbursement to enable value-based reimbursement structures that reward better care and quality of life for Medi-Cal Beneficiaries. Payment Reform transitions counties from cost-based reimbursement funding via Certified Public Expenditures (CPEs) to fee for services reimbursement funded via Intergovernmental Transfers (IGTs) eliminating the need for reconciliation to actual costs.

In addition to the impacts of payment reform, the State Proposition 1, Behavioral Health Services Program and Bond Measure has passed and will affect the MHSA by diverting roughly one third of all county MHSA funding currently used to provide mental health services to housing and personalized support services, i.e., employment assistance and education. Therefore, the upcoming MHSA Plan will be for two years through June 30, 2026. Extending the existing Contracts will allow DMH time to adjust for the impacts of CalAIM and to manage current service levels with the passage of Proposition 1.

Attachment I is the amendment to the existing LE Contracts and has been approved as to form by County Counsel.

Attachment II lists the LE Contractors, Supervisorial District(s), and the annual MCAs.

On April 19th, 2024, DMH requested exemption to Board Policy No. 5.120 (Authority to Approve Increase to Board-Approved Contract Amounts) (Attachment III) from your Board for Medi-Cal funding in DMH's LE Contracts, and in accordance with the Policy, DMH considers this request approved, as we did not hear otherwise.

Since Medi-Cal is a federal entitlement, the need to amend as expeditiously as possible is essential in order to meet the federal requirement under the Parity Rule, provided that the County has sufficient funds to match these federal funds. Therefore, the delegated authority to increase the MCA up to 25% will allow DMH to amend the LE Contracts in a timely manner for the continuous provision and expansion of mental health services without interruption to clients who are in need of these services/programs.

Under Board Policy No. 5.100 (Sole Source Contracts and Amendments), DMH is required to notify your Board six months in advance of amendments to existing contracts when DMH does not have delegated authority to increase the maximum amount of the current contract. As DMH LE Contracts provide a federal entitlement to beneficiaries, the need to amend as expeditiously as possible is essential. Therefore, DMH is requesting that your Board make an exemption to the six- month advance notification requirement for DMH LE Contracts only.

This exemption will allow DMH to meet the federal requirement under the Parity Rule and allow DMH to amend the LE Contracts in a timely manner for the continuous provision and expansion of mental health services without interruption to clients who are in need of the services/programs.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES OR PROJECTS

Board approval of the recommended actions will allow DMH to continue to provide SMHS and allow DMH to efficiently incorporate changes to LE Contracts in a timely manner.

Respectfully submitted,

LISA H. WONG., Psy.D.

 - (a) For purposes of the Contract, a “Funded Program” is a set of services and/or activities (including invoiced services and activities) paid through a particular funding source for the benefit of a specific member group or program (e.g., Medi-Cal or Non-Medi-Cal) as identified on a row of the Financial Summary.
 - (b) For purposes of the Contract, the “Funded Program Amount” is the amount identified in the last column of Exhibit B, the Financial Summary, for each Funded Program.
 - (c) For purposes of the Contract, “Non-Medi-Cal” includes funding for services not eligible for reimbursement under the State Medi-Cal programs.
 - (d) The Contractor understands and agrees that the Medi-Cal Funded Program Amount(s) in Exhibit B, the Financial Summary, is/are provided based on Contractor’s ability to provide specific services and/or serve specific populations, which may include, but are not limited to, Medi-Cal beneficiaries eligible under Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program; Title XXI Medicaid Children’s Health Insurance Program (MCHIP); Title XIX Short-Doyle/Medi-Cal (SD/MC) Program for low-income individuals who are age 65 or older, blind, disabled, or members of families with dependent children or qualified pregnant women or children; Senate Bill (SB) 75; and Medicaid (Medi-Cal in California) Coverage Expansion under the Affordable Care Act, as set forth in the Service Delivery Plan. Therefore, Contractor must ensure access and provision of a full array of Specialty Mental Health Services (SMHS) to all eligible beneficiaries based on client needs, as set forth in the

applicable Service Delivery Plan, Statement(s) of Work (SOW), and/or Service Exhibit(s) (SE) under the Contract.

- (e) Total reimbursement provided for a Funded Program will be for the support of services and/or activities that benefit a specific member group or program served under the Contract.
- (2) The Contractor must comply with all requirements necessary for reimbursement as established by federal, State, and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives.
- (3) In order to reduce County costs, the Contractor must comply with all applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of Regulations (CCR) related to reimbursement by non-County and non-State sources, including, but not limited to, collecting reimbursement for services from clients (which must be the same as patient fees established pursuant to WIC Section 5710) and from private or public third-party payers. In addition, Contractor will ensure that, to the extent a recipient of services under the Contract is eligible for coverage under Medi-Cal, Medicare or any other federal or State funded program (an eligible member), services provided to such eligible member are billed appropriately.
- (a) To the extent that the County determines Contractor has improperly billed for services to a particular Funded Program, County, in its discretion, may disallow payment of said services and/or may make corrective accounting entries to post the payment of said services to the appropriate Funded Program and/or require Contractor to void said claimed services and/or replace/resubmit said services for payment from the correct Funded Program, if applicable.

D. REIMBURSEMENT BASIS

- (1) Reimbursement Rates for Mental Health Services: For mental health services claimed and billed through the County's claims processing information system, and except as further limited elsewhere in the Contract, Contractor will utilize fixed rates specified in the rate schedule published annually, except as may be provided under Subparagraph D (2) of this Exhibit A (FINANCIAL PROVISIONS) and Paragraph L (PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, AND THIRD-PARTY REVENUES). The rate schedule will be published within 30 calendar days of receipt of new rates or official information

on new rates from State Department of Health Care Services (DHCS). Whenever possible, DMH will publish the rate schedule on or prior to April 1 of each year.

- (2) Reimbursement of Other Costs and Direct Charges: Certain Funded Programs may provide for and allow Contractor to submit requests for reimbursement to the County for specific expenses that cannot be claimed through the County's claims processing information system. These expenses will be referred to as a "Direct Charge." Such reimbursement will be based on actual costs plus an indirect cost rate, if applicable, expressed as a percentage of actual costs. To the extent an indirect cost rate is charged, a copy of Contractor's indirect cost allocation plan may be required to be submitted to County for program review and/or audit.
 - (a) Startup Costs: During the initial year that the contract is in effect, the MCA, as identified in Paragraph B (REIMBURSEMENT FOR INITIAL PERIOD), may include startup costs for a period not to exceed [## of months]. Startup costs are those necessary to plan, prepare for, and assume operation of the eligible [Program Name], specified in the Contract. The startup costs must be reasonable and allowable, and will only be provided to Contractor on a one-time basis, subject to Director's review and approval. Once Contractor begins providing eligible direct services, startup cost is no longer available, and reimbursement is based on claims for eligible mental health services.
- (3) Unique Funded Program: To the extent that the Contract includes a Funded Program which has billing and payment requirements that are not consistent with the provisions of this Paragraph D (REIMBURSEMENT BASIS), the special billing and payment requirements must be set forth in an amendment or other written form of addenda to this Financial Exhibit A (FINANCIAL PROVISIONS), Statement(s) of Work, and/or Service Exhibit(s) memorializing the specific billing and payment requirement which will be signed by Contractor and Director.

E. BILLING PROCEDURES

- (1) If Title XIX SD/MC services, and/or Title XXI MCHIP services are provided under the Contract, Contractor hereby agrees and understands that County DMH is the Mental Health Plan and as such must act on the Contractor's behalf with DHCS in regard to State claiming and reimbursement purposes.
- (2) Claims Certification and Program Integrity:
 - (a) Contractor hereby certifies that all units of service entered by Contractor into the County's claims processing information system and/or claims for actual costs submitted as Direct Charges to County

for any Funded Program covered by the Contract are true and accurate to the best of Contractor's knowledge.

- (b) Contractor must annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX SD/MC and Title XXI Medicaid Children's Health Insurance Program Reimbursements" (Exhibit A-1 to this Exhibit A) related to the Contractor's compliance with specific State and federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX SD/MC and/or Title XXI MCHIP claims.
- (3) Mental Health Services: Claims for all mental health services, including services funded by Title XIX SD/MC and Title XXI MCHIP, must be entered into the County's claims processing information system within 30 calendar days of the end of the month in which services are delivered, except as otherwise provided in this Paragraph E (BILLING PROCEDURES).
 - (a) With the exception of CalWORKs MHS Non-MC and GROW Non-MC Funded Programs, Contractor must submit claims within 30 calendar days as specified above unless there is a reasonable justification, in which case Contractor must submit (i) an initial or original (non-replacement) claim, including claims for services under Title XIX SD/MC or under Title XXI MCHIP, within six months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source; (ii) replacement claims for services under Title XIX SD/MC or under Title XXI MCHIP within nine months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source; and (iii) any Non-Medi-Cal claims within eight months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source.
 - (b) For CalWORKs MHS Non-MC and GROW Non-MC funded programs, Contractor must submit all eligible claims, including replacement claims, routinely and frequently, and no later than one week after the end of the month in which the eligible services are rendered. For example, claims for eligible July services must be submitted by the first week of August. Any late billings falling outside of the date approved and specified by DMH may preclude payment from the Department of Public Social Services, which may result in non-payment.
 - (c) Notwithstanding Subparagraphs (3) (a) and (b) of this Paragraph E (BILLING PROCEDURES), for Title XIX SD/MC and Title XXI MCHIP claims, good cause justification for late claim submission is governed

by applicable federal and State laws and regulations and is subject to approval by the State and/or County.

- (d) In addition to all other limitations provided in this Paragraph E (BILLING PROCEDURES), claims for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in Exhibit B, Financial Summary, must be entered into the County's claims processing information system no later than July 15th of the subsequent fiscal year, or as agreed to by the Director.
- (e) In the event the State or federal government or any funding source agency denies any or all claims submitted by County on behalf of Contractor, County will not be responsible for any payment obligation and, accordingly, Contractor will not seek or retain payment from County and must indemnify and hold harmless County from any and all liabilities for payment of any or all denied claims, including those denied claims that were submitted outside the period of time specified in Subparagraph (3) of this Paragraph E (BILLING PROCEDURES), except any claims which are denied due to the fault of the County. Any controversy or dispute arising from the denial of claims from the State, federal government, or other agencies must be handled by Contractor in accordance with the applicable State, federal, or other agency's administrative appeal process.
- (f) Contractor must, as soon as practicable, notify County of any delay in meeting the timeframe for submitting claims specified in Subparagraph (3) of this Paragraph E (BILLING PROCEDURES). In the event Contractor is not able to make timely submission into the County's claims processing information system due to no fault on the part of Contractor, such Contractor notification should be immediate upon Contractor's recognition of the delay and must include a specific description of the problem that the Contractor is having with the County's claims processing information system. Notification will be pursuant to the DMH Legal Entity Contract, Subparagraph 8.34 (NOTICES), and such notification will also be made by Contractor to the DMH Chief Information Office Bureau's (CIOB) Help Desk.
 - i. Contractor must be responsible for ensuring all response files (e.g., Health Care Claim Status Response/277 Claim Acknowledgment File, TA1, 999, and 835 files) are received, reviewed, and dispositioned within the time frame(s) established by DMH CIOB.
- (g) The County will notify Contractor in writing as soon as practicable of any County issue(s) which will prevent the submission by Contractor of claiming information into the County's claims processing information

system, and County, if appropriate, will waive the requirement of Subparagraph (3) of this Paragraph E (BILLING PROCEDURES) in the event of any such County issue(s). Once County has notified Contractor that its issues are resolved, Contractor will enter billing information into the County's claims processing information system within 30 calendar days of County's notice unless otherwise agreed to by County and Contractor.

To the extent that issues identified pursuant to Subparagraph (3) (f) of this Paragraph E (BILLING PROCEDURES) require that Contractor modify its procedures for entering claims into the County's claims processing information system, Contractor will consult with County regarding a reasonable time required to implement such modifications and, upon approval by County, the 30 calendar days required by Subparagraph (3) (f) of this Paragraph E (BILLING PROCEDURES) must be extended by the amount of time required to implement such modifications.

- (h) County may modify the County's claims processing information system at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County will notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification. To the extent that such modifications create a delay in Contractor submitting claims into the County's claims processing information system for a period of time, the timelines under this Paragraph E (BILLING PROCEDURES) will be extended by the number of calendar days reasonably based on the time the system is inactive.
- (4) Direct Charges: Contractor must submit invoices for Direct Charges by the dates as indicated in the table below, unless otherwise required to comply with grant and/or funding source requirement, in which case DMH will provide written notification to Contractor. If the 'Last Day to Submit' as indicated in the table below falls on a weekend or holiday, invoice(s) must be submitted by the following business day. Contractor must assign a unique invoice number to each invoice. Such invoice will be in the form and include the content specified by County for each Funded Program. Invoices must be submitted pursuant to Paragraph U (PAYMENT AND INVOICE NOTIFICATIONS). Failure to comply with the terms specified in Subparagraph (4) of this Paragraph E (BILLING PROCEDURES) may result in non-payment of said invoice.

May	July 15 th
June	August 15 th (July 15 th for Categorical Funded Programs per Paragraph E(4)(a))

- (a) In addition to all other limitations provided in this Paragraph E (BILLING PROCEDURES), Direct Charges for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in Exhibit B, Financial Summary, will be submitted to the persons and at the addresses identified in Paragraph U (PAYMENT AND INVOICE NOTIFICATIONS) no later than July 15th of the subsequent fiscal year, or as agreed to by the Director.

F. COUNTY PAYMENT FOR SERVICES RENDERED

- (1) County Payments: After Director's review and approval of the billing (i.e., claim or invoice), County will pay Contractor in accordance with the following:
- (a) County will make good faith efforts to make payments for services billed through the County's claims processing information system as soon as possible after submission and approval, subject to the limitations and conditions specified in the Contract, but within 60 calendar days after submission and approval. County will make available a schedule of anticipated payment dates for claims submitted by Contractor into the County's claims processing information system on or prior to July 1 of each year.
- (b) Payments for services or Direct Charges billed through invoices will be paid within 60 calendar days after receipt of a complete and accurate

invoice, subject to the limitations and conditions specified in the Contract.

G. BILLING AND PAYMENT LIMITATIONS

- (1) County payments to Contractor for performance of eligible services hereunder are subject to limitations of the Contract; application of various County, State and/or federal reimbursement limitations; application of any County, State and/or federal policies, procedures and regulations; and/or County, State or federal audits.
- (2) The total maximum reimbursement that will be paid by County to Contractor under the Contract, including Cash Flow Advances (CFA), if applicable, for the Initial Period, First Automatic Renewal Period, Second Automatic Renewal Period and any Extension Periods must not be more than the Maximum Contract Amount (MCA) specified in Contract for the Initial Period, First Automatic Renewal Period, Second Automatic Renewal Period, and any Extension Periods respectively.
 - (a) In addition to the general limitation of Paragraph G (2), above, in no event must the maximum reimbursement that will be paid by County to Contractor under the Contract for any Funded Program be more than the amount identified as the Funded Program Amount for each Funded Program, as stated on Exhibit B, the Financial Summary, for the Initial Period, First Automatic Renewal Period, Second Automatic Renewal Period and any Extension Period, as applicable.
 - (b) Contractor will immediately provide written notice to the County when, based on the Contractor's own internal records, it has billed for services/activities under the Contract in an amount equal to 60 percent of the total MCA or 60 percent of the Funded Program Amount(s) during the Initial Period, First Automatic Renewal Period, Second Automatic Renewal or any Extension Period of the Contract.
 - (i) Contractor will send such notice to those persons and addresses which are set forth in the DMH Legal Entity Contract, Subparagraph 8.34 (NOTICES).
 - (ii) Failure of Contractor to comply with this Subparagraph G (2) (b) will be considered a breach of the Contract.
- (3) Except as otherwise provided in the Contract, the total MCA and/or the Funded Program Amount(s) for any of the periods specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs B (REIMBURSEMENT FOR INITIAL PERIOD) and C (REIMBURSEMENT IF CONTRACT IS AUTOMATICALLY RENEWED) will not be increased or decreased without a properly executed amendment to the Contract. The Parties acknowledge that

the actual number of individuals seeking care from Contractor who are eligible under a particular Funded Program may differ from the estimated number upon which the Funded Program Amounts were based, and that it may be appropriate to increase Contractor's responsibility to provide services to certain eligible individuals while decreasing its responsibilities to provide services to other eligible individuals. Any such modification in Contractor's responsibilities, along with commensurate changes in the appropriate Funded Program Amounts, may be accomplished through a formal amendment or administrative amendment for shifting of funds, completed in advance of the provision of services and as outlined in the DMH Policy *Shifting Guidelines for the Legal Entity Agreement*. In case of an administrative amendment, such administrative amendment may be executed by Director under delegated authority from the Board of Supervisors without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendment effective.

- (a) County and Contractor may, by written amendment, reduce programs or services and revise the applicable MCA and/or Funded Program Amount. The Director must provide 15 business days' prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County. Any such change in any applicable MCA and/or Funded Program Amount will be effected by a written amendment to the Contract, prepared by Director or designee, and executed by both parties.
- (4) Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Paragraph G (BILLING AND PAYMENT LIMITATIONS), reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations, and procedures applicable only to that Funded Program. Contractor must be familiar with said rules, regulations, and procedures and submit all claims in accordance therewith.
 - (a) Reimbursement of certain Direct Charges such as, but not limited to, capital improvement, are contingent upon the completion of appropriate deliverable(s). If the County reasonably determines from a review of Contractor's service, billing, and other records that the Contractor failed to deliver required deliverable(s) associated with such Direct Charge(s), County will have the right to adjust and/or recover payment(s) associated with such Direct Charge(s). The recovery from Contractor must be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) in accordance with the terms of Paragraph P (PAYMENTS BY CONTRACTOR TO COUNTY) and Paragraph U (PAYMENT AND INVOICE NOTIFICATIONS).

- (5) Adjustment of Claims Based on Other Data and Information: The County will have the right to adjust claims based upon data and information that may include, but is not limited to, County's claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and 835 data, all of which will supersede and take precedence over the claimed amount submitted by Contractor.
- (4) Adjustment of Claims for Contract Compliance: The Director, in their sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor will not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of the Contract. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than that amount that would be calculated using Contractor's rates, denying claims for payment; holding claims for Medi-Cal services from being forwarded for adjudication by the State; withholding payment of certain claims; and/or demanding repayment from Contractor.
- (a) Concurrent with any such action, Director must provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action(s). Thereafter, Contractor may, within 10 calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and will receive if requested, County's computations for making a determination that such action was necessary, including any amount(s) held, denied or reduced.
- (b) Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
- (c) Within 15 calendar days of said meeting, County will, in writing, notify Contractor of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.
- Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.
- (5) No Payment for Services Rendered Following Expiration/Termination of Contract: Contractor must have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided

by Contractor after the expiration or other termination of the Contract or any part thereof. Should Contractor receive any such payment, it must immediately notify County and must immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of the Contract will not constitute a waiver of County's right to recover such payment from Contractor. This provision will survive the expiration or other termination of the Contract.

- (6) Contractor agrees to hold harmless both the State and member in the event County cannot or will not pay for services performed by Contractor pursuant to the Contract.

H. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- (1) The Contract is subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of the Contract, including, but not limited to, those contained in State's Budget Act.
- (2) The Contract is also subject to any additional restrictions, limitations, or conditions imposed by the federal government which may in any way affect the provisions or funding of the Contract.
- (3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under the Contract corresponding with that fiscal year and any subsequent fiscal year during the term of the Contract (including any extensions), and the services to be provided by the Contractor under the Contract will also be reduced accordingly. The County's notice to the Contractor regarding said reduction in payment obligation must be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in Subparagraph (3) of this Paragraph H (LIMITATIONS OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) and Subparagraph (5) of Paragraph I (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS), the Contractor must continue to provide all of the services set forth in the Contract.
- (4) Notwithstanding any other provision of the Contract, County will not be obligated for Contractor's performance hereunder or by any provision of the Contract during this or any of County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for the Contract in County's Budget for each such fiscal year. In the event funds are not appropriated for the Contract, then the Contract will terminate as of June 30th of the last fiscal year for which funds were appropriated. County will notify Contractor of any such non-appropriation of funds at the earliest possible date.

- (5) Notwithstanding any other provision of the Contract, for the purposes of any special grants such as Substance Abuse and Mental Health Services Administration (SAMHSA) and discretionary funds received from the Board of Supervisors, any unspent amounts of such grants and/or discretionary funds, if so authorized by the grantor or the Board of Supervisors, may be rolled over from one fiscal year to the next by decreasing the Funded Program Amount and MCA for the fiscal year in which the funds were unspent and increasing the Funded Program Amount and MCA by the same amount in the following fiscal year. Such roll over of funds will not, in any event, allow Contractor to receive reimbursement for services/activities paid by these grants and/or discretionary funds in excess of the total allotment of such grants and discretionary funds over the period covered by such grants and discretionary funds. Any such change in the MCA due to such roll over of funds must be effected by a duly executed amendment to the Contract.

I. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS

- (1) Funds under the Contract are provided for the delivery of mental health services to eligible beneficiaries under each of the Funded Programs identified in Exhibit B, Financial Summary. Each Funded Program has been established in accordance with the requirements and restrictions imposed by each respective County, State and/or federal payer source contributing to the Funded Program.
- (2) Contractor may not redirect funds from one Funded Program to another Funded Program, except through a duly executed amendment to the Contract as outlined in DMH Policy *Shifting Guidelines for the Legal Entity Contract*.
- (3) Contractor may not charge services delivered to an eligible member under one Funded Program to another Funded Program unless the recipient is also an eligible member under the second Funded Program. When a recipient of services is an eligible member under more than one Funded Program, Contractor must charge the services to the Funded Program under which the County will receive maximum reimbursement from non-County sources, provided that Contractor has available funds under the appropriate Funded Program.
- (4) Contractor also must not charge services delivered to an eligible member for Medi-Cal to the Non-Medi-Cal Funded Program Amount except in such cases when a client's eligibility for benefits is being established or determined, or when the client is eligible for Medi-Cal minor consent, or when DMH has given advance approval to use the Non-Medi-Cal Funded Program Amount. Upon confirming that said client is approved for Medi-Cal benefits, or in such case that the County may determine that a service paid originally through the Non-Medi-Cal Funded Program Amount was to a client approved for Medi-Cal, Contractor must void the original claims for services provided on or after the

effective date that Medi-Cal services became eligible for reimbursement, and resubmit such claims for Medi-Cal under the correct Funded Program, to the extent the claim submission complies with the timeline specified in Subparagraph E (3).

- (5) Contractor will deliver services to clients to the extent that funding is provided by the County. Where Contractor determines that services to clients can no longer be delivered, Contractor must provide 30 calendar days prior written notice to County. Contractor will thereafter refer clients to County or to another appropriate Contractor.
 - (a) Contractor will not be required to provide the notice required under Subparagraph (5) of this Paragraph I (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS) if the County reduces funding to the Contractor under Paragraph H (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) whether such reductions occur at the beginning of, or during, a fiscal year. In addition, if County reduces or eliminates funding for a specific Funded Program, or portion thereof, Contractor will not be responsible for continuing services for those clients served by the Funded Program, or portion thereof.

J. CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN

- (1) Contractor must deliver and monitor services so that Contractor can provide continued and uninterrupted provision of quality eligible services to eligible beneficiaries as specified in the Contract, to the extent funding is provided by County. If the County reasonably determines the Contractor will not meet expectations listed in Subparagraph (2) of this Paragraph J (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN), County may notify Contractor to discuss and determine whether a corrective action plan (CAP) will be required.
 - (a) If a CAP is issued and Contractor fails to comply with such CAP, County may implement remedies specified in Subparagraph (2) of Paragraph V (COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE).
- (2) Without limiting Contractor's obligations under the Contract, Contractor must meet performance and/or outcome expectations that are specified in the Contract, Statement(s) of Work, Service Exhibit(s), approved Service Delivery Plan (SDP), and/or Department guidelines, directives, and practice parameters.

- (a) County will contact Contractor to discuss and determine remedies for late submission of an SDP.

K. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM

- (1) If, under the Contract, Contractor has Funded Programs that include Title XIX SD/MC services, and/or Title XXI MCHIP services, Contractor must certify annually, no later than July 10th of each year, in writing, that all necessary documentation will exist at the time any claims for Title XIX SD/MC services and/or Title XXI MCHIP are submitted by Contractor to County.

Contractor will be solely liable and responsible for all service data and information submitted by Contractor.
- (2) Contractor acknowledges and agrees that the County, in undertaking the processing of claims and payment for services rendered under the Contract for these Funded Programs, does so as the Local Mental Health Plan for the State and federal governments.
- (3) Contractor must submit to County all Title XIX SD/MC and/or Title XXI MCHIP claims or other State required claims data within the timeframe(s) prescribed by the Contract to allow the County to meet the timeframes prescribed by the State and federal governments. County will have no liability for Contractor's failure to comply with the timeframes established under the Contract and State and federal timeframes, except to the extent that such failure was due to the fault of the County.
- (4) County, as the Mental Health Plan, must submit to the State in a timely manner, claims for Title XIX SD/MC services and/or MAA, and/or Title XXI MCHIP services only for those services/activities identified and entered into the County's claims processing information system, which are compliant with State and federal requirements. County must make available to Contractor any subsequent State approvals or denials of such claims within 30 days of receipt thereof.
- (5) Contractor acknowledges and agrees that County's final payment for services and activities claimed by Contractor for Title XIX SD/MC services and/or Title XXI MCHIP services is contingent upon reimbursement from the State and federal governments and that County will re-coup any payments for said services that are not ultimately reimbursable.

- (6) Contractor's ability to retain payment for such services and/or activities is entirely dependent upon Contractor's compliance with all laws and regulations related to same.
- (7) Notwithstanding any other provision of the Contract, Contractor will hold County harmless from and against any loss to Contractor resulting from the denial or disallowance of claims for or any audit disallowances related to said services by the County, State or federal governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the County.
- (8) Contractor must repay to County the amount paid by County to Contractor for Title XIX SD/MC and/or Title XXI MCHIP services/activities which are subsequently denied or disallowed by the County, State, and/or federal governments. In no event will County be liable or responsible to Contractor for any State approved Title XIX SD/MC and/or Title XXI MCHIP services/activities that are subsequently denied or disallowed by County, State, and/or federal governments unless the denial or disallowance was due to the fault of the County.
- (9) The total County payment for Title XIX SD/MC services and/or Title XXI MCHIP services under federal requirements consists of federal financial participation, County, State and/or other grant funds. Contractor acknowledges that if such services are subsequently denied, voided, and/or disallowed, County will make a full recovery of such payments, as applicable.
- (10) Notwithstanding any other provision of the Contract, Contractor agrees that the County may offset future payments to the Contractor and/or demand repayment from Contractor when amounts are owed to the County pursuant to above Subparagraphs (7) and (8) of this Paragraph K (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM). Such demand for repayment and Contractor's repayment must be in accordance with Paragraph P (PAYMENTS BY CONTRACTOR TO COUNTY), except for denials reflected on the State's 835 files, which will be offset immediately from the County's next payment to Contractor.
- (11) Contractor must comply with all written instructions provided to Contractor by Director, State, or other applicable payer source regarding claiming and documentation.
- (12) Nothing in this Paragraph K (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM) will be construed to limit

Contractor's rights to appeal State and federal audit findings in accordance with the applicable State and federal regulations.

L. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, AND THIRD-PARTY REVENUES

- (1) Contractor must comply with all County, State, and federal requirements and procedures relating to:
 - (a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with State guidelines and WIC Sections 5709 and 5710.
 - (b) The eligibility of patients/clients for SD/MC, Medicare, private insurance, or other third-party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor will pursue and report collection of all patient/client and other revenue.
 - (c) Contractor must not charge the client's financial responsibility for a service to the Non-Medi-Cal Funded Program Amount.
- (2) All fees paid by patients/clients receiving services under the Contract and all fees paid on behalf of patients/clients receiving services hereunder must be utilized by Contractor only for the delivery of mental health services/activities specified in the Contract.
 - (a) To the extent patient/client fees and third party revenues, are collected and are not adjusted in the applicable claim(s), Contractor will report and repay such patient/client fees and third party revenues by September 30th following the end of fiscal year, in accordance with Paragraph P (PAYMENT BY CONTRACTOR TO COUNTY).

M. CASH FLOW ADVANCE (CFA) IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

- (1) The CFA, if approved by County, is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under the Contract during the applicable period.
- (2) For each month of each period of the Contract, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits and future audit processes. However, for each month of the first two months of the Initial Term, the First Automatic Renewal Period, the Second Automatic Renewal Period or any Extension

Period, Contractor may request in writing from County a monthly County General Fund CFA as herein described.

- (3) CFA disbursement(s), if any, will be part of the total maximum reimbursement, which is limited to the MCA as specified in Paragraph G (BILLING AND PAYMENT LIMITATIONS).
- (4) A CFA is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in the DMH Legal Entity Contract Subparagraph 3.3 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly CFA only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.
- (5) Notwithstanding any other provision to the contrary, funding for Wraparound Case Rate (i.e., Specialized Foster Care Wraparound Invoice Funded Program), Full Service Partnership Incentives, and Startup Costs must not be included when computing monthly CFA amount(s).
- (6) Cash Flow Advance Request Letter: For each month for which Contractor is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting a CFA and the amount of CFA Contractor is requesting.
 - (a) In order to be eligible to receive a CFA, the letter requesting a CFA must be received by the Director on or before the 15th day of that month (e.g., for the month of July, the request must be received by July 15).
 - i. If the letter requesting CFA is received by the County from the Contractor after the 15th day of the month, Contractor will not be eligible to receive a CFA for that month.
 - (b) The signed letter requesting a CFA must be sent via email (PDF file) to the Department of Mental Health Financial Services Bureau – FSB Administration at: FSB@dmh.lacounty.gov.
 - i. FSB staff will determine whether Contractor is eligible to have its request considered based on the date the request letter is received by DMH and not the date on the request letter.
 - (c) Upon receipt of a request, Director, in their sole discretion, will determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.
 - i. If a CFA is not approved, Director will notify Contractor within 10 business days of the decision, including the reason(s) for

non-approval. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the decision.

- (7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The CFA amount available to Contractor for any particular month will be reduced by County payments for claims received from Contractor. The County's claims payment process is initiated immediately upon County's receipt of reimbursement claim from Contractor.
- (8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:
- (a) For each of the first two months of each period that the Contract is in effect, Contractor may request in writing from County a monthly County General Fund CFA for any funds which may be part of the MCA for such period as identified in the Financial Summary. Contractor must specify in its request the amount of the monthly CFA it is requesting, not to exceed \$_____ for the first month and \$_____ for the second month, if applicable. In no event will the monthly CFA requested by Contractor exceed 1/12th of the annualized MCA as identified on Exhibit B, Financial Summary, as of the specified month the CFA is requested.
 - (b) In case the Contract is amended to increase or reduce the MCA during the first two months during which the Contractor may request and receive CFA, the CFA amount will be recalculated for the remaining month(s) based on the executed date of the amendment. For the month in which the amendment is executed, the revised CFA amount will be based on the executed date of the amendment, and if such executed date falls between the 1st and the 15th of the month, the revised CFA amount will be adjusted based on the total amount of the change in the MCA. If the executed date falls between the 16th and the end of the month, the revised CFA amount will be calculated based on one half (1/2) of the total change in the MCA.
 - (c) The Contractor may request in writing from County, consistent with above Subparagraph (8) (a) of this Paragraph M (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), for additional monthly CFA to accommodate extraordinary circumstances that are beyond Contractor's control, including but not limited to, Contractor's inability to submit claims to the County as described in Subparagraph (3) of Paragraph E (BILLING PROCEDURES) or due to procedural matters associated with transitioning Contractor to County's new claims processing information system, County's inability to process claims due to extended disruption in the County's claims processing information system, or any other

circumstance determined by the Director, in their sole discretion, to constitute an extraordinary circumstance beyond Contractor's control. The County, in its sole discretion, will review Contractor's request including but not limited to, the amount of CFA requested and the amount of CFA requested in relation to the number of months remaining in the fiscal year, and must respond accordingly within 15 business days from the receipt of such request.

- i. Additional monthly CFA is subject to approval by the Director, County Auditor-Controller, County Counsel and County Chief Executive Office.

(9) Recovery of Cash Flow Advances: If Contractor has received any CFA pursuant to this Paragraph M (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), then recovery from Contractor's monthly claims will be made through cash payment made by Contractor to County and/or through County offsets to County payment(s) of Contractor's approved claim(s) as follows:

- (a) Generally, when Contractor renders services at a level that would indicate it will utilize all or a substantial portion of its MCA, County initiates recovery of the CFA balance, if any, for a particular fiscal year in July following the close of such fiscal year or at such time as payments to Contractor, including the CFA, reach the MCA. Such recovery is initiated through the Contractor rendering and submitting appropriate services and activities into the County's claims processing information system and/or the submission of invoices for direct charges.
- (b) If at any time during the fiscal year, County determines that Contractor is not rendering services at a level that would utilize all of its MCA, County may initiate recovery of the CFA as specified above in Subparagraph (9) (a) of this Paragraph M (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED) prior to November 30th of the following fiscal year. If County intends to initiate recovery of the CFA prior to that November 30th date, County will give Contractor 30 calendar days' prior written notice, including the reason(s) for the intended actions, to ensure Contractor renders and submits sufficient services/activities to have repaid all, or a substantial portion of the CFA, by November 30th. Contractor may, within 15 calendar days of the receipt of County's written notice, request reconsideration of the County's decision.
- (c) Notwithstanding any other provisions of the Contract, if CFA balance remains by November 30th of the following fiscal year, County will initiate recovery of the outstanding CFA balance within 30 calendar

days. Repayment by Contractor will be in accordance with Paragraph P (PAYMENT BY CONTRACTOR TO COUNTY).

- (10) When Contractor's CFA balance is zero in any fiscal year of the term of the Contract, any County and/or State and/or federal government-approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of the Contract.
- (11) Should Contractor request and receive a CFA, Contractor will exercise cash management of such CFA in a prudent manner.

N. OTHER REQUIREMENTS FOR CONTRACTORS

- (1) Contractor must maintain records documenting all Title XIX SD/MC services and/or Title XXI MCHIP services for a period of 10 years from the end of the fiscal year in which such services were provided or until three years after final resolution of any audits or appeals, whichever occurs later.
- (2) County may require, and Contractor must submit, financial data/reports related to this Contract in the format and timeline specified by County, for the purposes of evaluating MCA, Funded Program Amount, shifting of funds, and/or program review and audit. County may collect from Contractor financial data/reports related to this Contract in the format and timeline specified by County for the purpose of evaluating contract rate(s), if mutually agreed to by the County and Contractor.
- (3) To comply with the Federal Medicaid Managed Care Final Rule and Federal Mental Health and Substance Use Disorder Services Parity Final Rule requirements related to the recovery and reporting of overpayment(s) due to fraud, waste, or abuse (CMS-2390-P), Contractor must void any claims associated with such overpayment(s) within 30 calendar days of discovery of such overpayment(s).
 - (a) To comply with the reporting requirement in Title 42 of Code of Federal Regulations, Part 438, and Centers for Medicare and Medicaid Services' (CMS) Final Rule, CMS-2390-P, Contractor must submit a report quarterly detailing the reasons for all voids requested as specified in DMH Policy 813.05 and in DMH Central Business Office (CBO) Bulletins NGA 20-009R, NGA 20-013, NGA 20-017, and any subsequent CBO Bulletin(s) related to Reporting of Overpayments (published in <https://dmh.lacounty.gov/for-providers/cbo-bulletins/>). Submission deadlines will be published in CBO Bulletins. Contractor bears the responsibility of all penalties or

consequences resulting from submitting reports after the published due date unless otherwise notified.

O. AUDIT AND AUDIT APPEAL

- (1) At any time during the term of the Contract or after the expiration or termination of the Contract, in accordance with State and federal law including, but not limited, to Welfare and Institutions Code (WIC) Section 14170 et seq., authorized representatives from the County, State or federal governments may conduct an audit of Contractor regarding the services/activities provided under the Contract.
- (2) Settlement of audit findings and appeals will be conducted according to the auditing party's procedures in place at the time of the audit.
 - (a) County must follow all applicable federal, State, and County laws, regulations, manuals, guidelines and directives in recovering any over-payments from Contractor.
 - (b) If the audit findings result in an amount due to County by the Contractor, Contractor will make payment to the County in accordance with the terms of Paragraph P (PAYMENTS BY CONTRACTOR TO COUNTY). Payment will be submitted to the persons and at the address identified in Paragraph U (PAYMENT AND INVOICE NOTIFICATIONS).
 - (c) If the audit findings result in an amount due to Contractor by the County, County will initiate the payment process to Contractor within 30 days of receiving the audit report.
- (3) County Audits:
 - (a) Should the auditing party be the County, Contractor will have 30 calendar days from the date of the audit report within which to file an appeal with County. The letter providing the Contractor with notice of the audit findings must indicate the persons and address to which the appeal should be directed. County must consider all information presented by Contractor with its appeal, and will issue its decision on the appeal after such consideration. Such decision is final. County will issue a written notification of the amount due within 30 calendar days of the appeal decision. Contractor must make payment to the County as instructed in the written notification of the amount due.
 - (b) If applicable, Director, in their sole discretion, will determine the need to revise certain reports/forms as needed to reflect the audit disallowance related to costs and expenditures as agreed by Contractor. To the extent such revisions are made, County will inform

Contractor of such action and provide Contractor with a copy of the revised reports/forms.

- (4) At times, it may be necessary for County to negotiate a settlement with the Contractor outside of the appeals and hearing process with the State or another auditing party. In those cases, County will execute a separate written agreement with Contractor to formalize mutually agreed upon terms.

P. PAYMENTS BY CONTRACTOR TO COUNTY

Payment Amount: If it is determined that the Contractor owes County under this Contract, including repayment to County as a result of non-compliance, and/or County, State, and federal audit, Contractor agrees to pay County the total amount due upon receipt of written notification by County. County will first apply any amounts owed by Contractor to offset any amounts owed by County to Contractor. If there is a remaining amount owed to County after applying the offset, County will initiate recovery of the outstanding balance within 30 calendar days, and repayment by Contractor will be due within 30 calendar days from the date of the written notification from County.

Q. FINANCIAL SOLVENCY

- (1) Contractor must maintain adequate provisions to meet the solvency/working capital criteria specified in DMH Policy *Financial Responsibility Requirements for Existing DMH Contractors*.

R. COUNTY AND CONTRACTOR REQUESTED CHANGES

- (1) If Contractor desires any change in the terms and conditions of the Contract, Contractor will request such change in writing prior to March 1st of the fiscal year for which the change would be applicable, except as otherwise provided in Paragraph T (SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (EXHIBIT B)) or unless otherwise agreed to by County.
 - (a) All changes requested by Contractor and approved by County will be made by an amendment pursuant to the DMH Legal Entity Contract Subparagraph 8.1 (AMENDMENTS).
 - (b) All changes requested by the Contractor will be followed by a Mid-Year Change to the last approved Service Delivery Plan to be submitted by the Contractor, which must be approved by the Director as specified in DMH Policy *Service Delivery Plan Submission Procedures*.
- (2) If Contractor requests an increase or decrease in the MCA or in the Funded Program Amount, Contractor will provide all reports, data, and other information requested by the County within 15 calendar days of County's request.

- (a) Contactor's request for consideration of an increase in the MCA or in a Funded Program Amount must be made and approved prior to Contractor rendering services that exceed the MCA or the Funded Program Amount. To the extent that County agrees to increase MCA or a Funded Program Amount, such approval will be in the form of an executed amendment to the Contract. Director will make best efforts to expedite the amendments provided under this Subparagraph (2) (a) of this Paragraph R (COUNTY AND CONTRACTOR REQUESTED CHANGES).
- (b) Requests received after the Contractor has rendered services in excess of the MCA or the Funded Program Amount will only be considered on a prospective basis for payment of services rendered after the effective date of any executed amendment. The County will not be responsible for payment of, nor otherwise be liable for, services/activities that Contractor provided in excess of the MCA or the Funded Program Amount during any part of the Initial Period, First Automatic Renewal Period, Second Automatic Renewal Period, or any Extension Period, respectively.
- (3) If County requires changes per Paragraph V (COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE) and/or Paragraph H (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS), Contractor must submit a Mid-Year Change to the last approved Service Delivery Plan as specified in DMH Policy *Service Delivery Plan Submission Procedures*.
- (4) If County and Contractor agree to make a funding and/or service plan change relevant to the Contract, Contractor must submit a Mid-Year Change to the last approved Service Delivery Plan as specified in DMH Policy *Service Delivery Plan Submission Procedures*.

S. DELEGATED AUTHORITY

- (1) Notwithstanding any other provision of the Contract, the Director may, without further action by County's Board of Supervisors, prepare and sign amendments to the Contract under the following conditions:
 - (a) County's total payments to Contractor under the Contract, for each fiscal year of the term of the Contract, does not exceed an increase of more than the 25 percent of the Board of Supervisor-approved MCA; and
 - (b) Amendments may add, delete, modify, or replace the Service Exhibits and/or Statements of Work; reflect federal, State, and County regulatory and/or policy changes; and/or roll over certain

federal and/or State grant funds from one FY to the next FY, as appropriate; or allow shifting of funds pursuant to Paragraph T (SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (Exhibit B)); and

- (c) Sufficient funds are available for all changes described in each such amendment to the Contract; and
- (d) Approval of County Counsel, or designee, is obtained prior to any such amendment to the Contract.
 - i. Director, or designee will notify County's Board of Supervisors and the Chief Executive Officer of all Contract changes in writing.

T. SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (EXHIBIT B)

- (1) Due to the length of the DHCS SD/MC UOS claiming processes, County and Contractor acknowledge that the final determination of the amounts owed by the Parties to each other will occur during First and/or Second Automatic Renewal/Extension Period(s) as described in the DMH Legal Entity Contract, Paragraph 4 (TERM OF CONTRACT) and/or after the expiration or termination of the Contract. Therefore, the parties agree that all provisions of the Contract related to effectuating payment, including such provisions in this Exhibit A, Financial Provisions, survive the First and/or Second Automatic Renewal/Extension Period(s) as described in the DMH Legal Entity Contract, Paragraph 4 (TERM OF CONTRACT) and/or expiration or termination of the Contract. This Paragraph T must not be interpreted to imply that other provisions of Contract do not survive its expiration if the Parties' intent, as demonstrated by language, circumstances, law, or practice, is that the provision(s) should survive.
- (2) To maximize the use of federal/State funding and other revenues, and to align Financial Summary funded program amounts with actual, eligible services, Contractor, by September 30th following the fiscal year close, may submit in writing, a request to shift and/or increase funds on the Financial Summary (Exhibit B). Such shifting and/or increase of funds request must reflect maximization of federal and other funding based on Contractor's actual, eligible services provided and submitted in accordance with the terms and conditions of the Contract and in accordance with terms and limitations set forth in DMH Policy *Shifting Guidelines for the Legal Entity Contract*. To the extent that County approves the shift of funds request, such approval will be in the form of an executed amendment to the Contract. In addition, the Director, at their sole discretion, may propose and, with the agreement of Contractor, execute a written amendment to (a) modify the distribution of

funds identified for each Funded Program as shown on the Financial Summary (Exhibit B); (b) change, including increase, the amount of federal or State funds on the Financial Summary (Exhibit B); or (c) increase the MCA to include additional federal or State funds for Medi-Cal services, but only to the extent that such amendment is necessary for Contractor to be reimbursed for otherwise uncompensated care. Such amendment may be executed during First and/or Second Automatic Renewal/Extension Period(s) as described in the DMH Legal Entity Contract, Paragraph 4 (TERM OF CONTRACT) and/or after the Contract has expired or terminated.

U. PAYMENT AND INVOICE NOTIFICATIONS

- (1) Contractor must submit all Invoices, including any supporting documentation, to their assigned Provider Reimbursement Section (PRS) liaison and to Contract Management and Monitoring Division (CMMD), except as otherwise provided under Subparagraph (1) (a) of this Paragraph U (PAYMENT AND INVOICE NOTIFICATIONS).
 - (a) In the event the Invoice Funded Program is set up to be billed electronically, invoices will be submitted in the specified electronic tracking system.

V. COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE

- (1) General Remedies:
 - (a) County may immediately, without prior written notice, suspend payments to Contractor for good cause, if the Director determines that Contractor is in default of any Contract provisions due to alleged fraud or similar intentional wrongdoing.
 - i. Thereafter, Contractor may request reconsideration of Director's decision to suspend payment.
 - (b) County may suspend all, or a portion, of its payment if the Director determines that Contractor is in default of any Contract provisions due to noncompliance with, or failure to respond to, requests, policies, procedures, guidance, or other similar instructions from the County as

required and until such time as the Contractor complies and such response has been reviewed and approved by Director.

- i. Notwithstanding any other provision of the Contract, examples of noncompliance include, but are not limited to:
 - a. Insufficient documentation of clinical work that does not meet federal, State, and County written standards;
 - b. Failure to timely provide outcomes data; and/or
 - c. Failure to comply with a Corrective Action Plan (CAP).
- (c) County may also withhold all, or a portion, of its payment if there is a reasonable determination that Contractor is or may become insolvent.
- (d) To the extent that the County intends to suspend all, or a portion, of its payment for reasons other than fraud or intentional wrongdoing:
 - i. Director will provide Contractor with at least 30 calendar days' prior written notice of such suspension that includes the reason(s) for such suspension.
 - ii. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.
 - iii. Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present information or documentation to the County relevant to the circumstances that led the County to take such actions and may propose alternative action(s).
 - iv. Within 15 calendar days of said meeting, County will, in writing, notify Contractor, of its final decision. The decision of the Director will be final.
 - v. Upon determination that Contractor is no longer in noncompliance with the Contract provision(s) that resulted in the suspension of payment, County will release withheld payments within 30 calendar days of such determination, unless otherwise prohibited by federal, State, and/or local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines, and/or directives.

(2) Additional Remedies imposed for Failure to Comply with CAP:

- (a) If a CAP is issued and Contractor fails to comply with such CAP, County may impose the following remedies in addition to the general remedies identified in Subparagraph (1) of this Paragraph V (COUNTY REMEDIES FOR CONTRACTOR DEFAULT OR NON-COMPLIANCE):
 - i. Restrict Contractor from expending any more funds allocated for the program(s) at issue by de-obligating previously allocated funds.
 - ii. Decrease the amount of funds allocated in subsequent fiscal years for the program(s) at issue.
 - iii. Terminate specific program(s) within the Contractor's LE Contract and/or terminate the Contractor's LE Contract in its entirety for failure to meet performance and/or outcome expectations as specified in the Contract, Statement(s) of Work, Service Exhibit(s), approved Service Delivery Plan, and/or Departmental guidelines, directives, and practice parameters.
- (b) To the extent that the County intends to impose such additional remedies:
 - i. Director will provide Contractor with at least 30 calendar days' prior written notice of its intent to take such action, which will include an explanation of how the Contractor is not meeting the expectations identified in Paragraph J (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN); copies of relevant data, if applicable; the nature and the amount of the proposed funding allocation change; and any associated changes to the amount of services to be provided by Contractor.
 - ii. Thereafter, Contractor may, within 15 calendar days, request written reconsideration of the County's decision. Contractor's request must clearly indicate the reason why County's action is unjustified.
 - iii. Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that

led the County to take such actions and may propose alternative action(s).

- a. If Contractor fails to meet with County in this period of time, and County has provided an opportunity to meet within the time period, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended actions.
- iv. Within 15 calendar days of said meeting, County will, in writing, notify Contractor of its final decision. The decision of the Director will be final and any remedies will be effective upon receipt of notification by Contractor.
- (c) Any change in the Contract, including termination of specific program(s) and/or termination of the entire LE Contract, will be effected by an administrative amendment to the Contract or notice of termination issued by Director.
- (d) Changes that are based on one-time circumstances will be applicable to the current contract fiscal year only and will not result in reductions (or increases) of MCA and/or Funded Program Amount in subsequent fiscal years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of MCA and/or Funded Program Amount in subsequent years.
- (e) Contractor understands and agrees that its MCA and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the MCA and/or Funded Program Amount for the Contract. By executing the Contract, Contractor specifically consents to the prospective adjustments set forth in this provision, up to and including termination of program(s) and/or the Contract.

SUBJECT: **REQUEST AN EXEMPTION TO BOARD POLICY NO. 5.120 FOR
DEPARTMENTAL LEGAL ENTITY CONTRACTS THAT PROVIDE
MENTAL HEALTH SERVICES TO MEDI-CAL ELIGIBLE CLIENTS**

In accordance with the Los Angeles County Board of Supervisors' (Board) Policy No. 5.120, the Department of Mental Health (DMH) is required to provide a written notice to your Board, with a copy to the Chief Executive Office, at least two weeks prior to the Board Meetings at which the request to exceed 10 percent of the Maximum Contract Amount (MCA) will be presented.

On May 7, 2024, DMH will be presenting your Board a letter for approval to extend the existing contracts with its network of Legal Entity (LE) providers that deliver Specialty Mental Health Services (SMHS) to both Med-Cal and non-Medi-Cal clients funded by various federal, State, and County revenues to ensure that services and programs continue to be available to the residents of Los Angeles County. This memo is to request an exemption to the delegated authority limitations under Board Policy No. 5.120 for all DMH LE contracts for SMHS and programs. DMH requests delegated authority for a 25 percent increase of the applicable MCAs for the two fiscal years and the optional extension year if exercised, of the LE contracts.

JUSTIFICATION

Welfare and Institutions Code (WIC) Section 14712 directs the State to implement and administer the Managed Mental Health Care for Medi-Cal eligible residents for the State. This WIC section requires a contractual agreement between the State and the County to

operate as the Mental Health Plan (MHP) responsible for the delivery of SMHS to the County's eligible Medi-Cal beneficiaries. Through the MHP Agreement, DMH agrees to operate the MHP for the County. The MHP Agreement sets comprehensive requirements for DMH to provide or arrange for the provision of all covered, medically necessary SMHS to Medi-Cal beneficiaries in the County. Additionally, pursuant to WIC Section 5650, DMH is required to enter into a Performance Contract with the State for Short-Doyle Services, as well as those provided under the Mental Health Services Act, other federal grants, and/or County mental health programs. As such, DMH provides such SMHS through its directly-operated clinics as well as contractors through its 131 LE contracts.

On March 30, 2016, the Centers of Medicare and Medicaid Services issued the Parity Rule in the Federal Register to strengthen access to mental health and substance use disorder services for Medi-Cal beneficiaries. The Parity Rule mandates that MPHs ensure access to care through an adequate provider network without unreasonable limitations to the scope or duration of mental health benefits. In order to comply with these requirements, DMH must ensure an adequate network of providers and that services are available throughout the County.

Since Medi-Cal is a federal entitlement the need to amend expeditiously as possible is in order to meet the requirement under the Parity Rule, provided that the County has sufficient funds to match the federal funds. Exemption of this policy will allow DMH to amend LE contracts in a timely manner for the continued provision of mental health services without interruption to clients who are in need of these services and programs.

NOTIFICATION TIMELINE

Board Policy No. 5.120 requires departments to provide written notice to your Board, with a copy to the Chief Executive Office, at least two weeks prior to the Board Meeting at which the request to exceed ten percent of the MCA will be presented. In compliance with this policy, DMH is notifying your Board of our intent to request delegated authority up to 25 percent increase of the MCAs for the term of the contracts, as applicable, through a Board letter to be presented in May 2024.

If you have any questions, or require additional information, please contact me by email at LWong@dmh.lacounty.gov or (213) 947-6670, or your staff may contact Stella Krikorian, Division Manager, Contracts Development and Administration Division, at SKrikorian@dmh.lacounty.gov or (213) 943-9146.

	TERMS (if applicable): May 2, 2019 through June 30, 2025	
	Explanation: The funds will support the training and capacity building of health educators at the well-being centers, provide parents with education and community engagement, and manage a designated call center to support well-being center services.	
PURPOSE OF REQUEST	This sole-source contract extension will support the operation of the 39 established SWBCs and continue outreach and extension efforts to fund a minimum of 50 centers in schools across LAC. These centers provide school-aged youth and families with emotional well-being support and education, substance use prevention and education, sexual health education, STI testing, reproductive health services, and referrals to other needed services.	
BACKGROUND (include internal/external issues that may exist including any related motions)	Many school-aged youth in LAC do not have access to accurate health care information and preventative care at a time in their lives when informed decision-making can prevent dangerous risk-taking. With a well-being center on campus, interested students can get the health care information and services they need without having to leave campus or miss valuable class time. This includes substance use prevention and education and aligns with the July 26, 2022, Board Motion on Overdose Prevention to address the growing crisis of overdose deaths related to	

	methamphetamine, fentanyl, opioids, and other substances. The well-being centers support Project #7 of the motion and implement evidence-based, age-appropriate substance use curricula for students K-12 and their parents/guardians.
EQUITY INDEX OR LENS WAS UTILIZED	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If Yes, please explain how: The Los Angeles Department of Public Health has identified areas where school-aged youth had the lowest access to healthcare resources and substantial social barriers to academic success to determine the locations of the well-being centers. This aligns with the Countywide Guiding Equity principles to: 1) Develop and implement strategies that identify and prioritize and effectively support the most disadvantaged geographies and populations, 2) Seek to improve long-term outcomes both intergenerationally and multi-generationally, and 3) Intervene early and emphasize long-term prevention.

DRAFT

May 7, 2024

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO AMEND A SOLE SOURCE CONTRACT WITH PLANNED PARENTHOOD LOS ANGELES TO
SUPPORT SERVICES PROVIDED AT STUDENT WELL BEING CENTER SERVICES
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

Request approval to execute an amendment to sole source Contract Number PH-003891 with Planned Parenthood Los Angeles to extend the term through June 30, 2025.

IT IS RECOMMENDED THAT YOUR BOARD

1. Approve and instruct the Director of the Department of Public Health (Public Health), or designee, to execute an amendment to sole source Contract Number PH-003891, substantially similar to Exhibit I, with Planned Parenthood Los Angeles (PPLA) to continue the provision of support services in Student Wellbeing Centers (SWBCs) at schools in Los Angeles County, effective July 1, 2024 through June 30, 2025, for a total maximum obligation of \$1,400,000, 100 percent offset by Substance Use Prevention, Treatment and Recovery Services Block Grant (SUBG) Funds, Assistance Listing Number (ALN) 93.959.
2. Delegate authority to the Director of Public Health, or designee, to execute amendments to the contract that extend the term of the contract for up to four (4) years through June 30, 2029, at amounts determined by the Director of Public Health based on funding availability; allow for a no-cost adjustment to the term through December 31, 2029; allow the rollover of unspent contract funds, if allowable by the grantor; provide an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation effective upon amendment execution or at the beginning of the applicable contract term; update the Scope of Work and/or Statement of Work, as necessary; and correct errors in the contract's terms and

conditions, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Delegate authority to the Director of Public Health, or designee, to execute change notices to the contracts that authorize modifications to the budget with corresponding modifications to the statement of work and/or scope of work, that are within the same scope of services, as necessary; and/or changes to hours of operation and/or service locations.
4. Delegate authority to the Director of Public Health, or designee, to immediately suspend the contract upon issuing a written notice to contractors who fail to fully comply with program requirements and to terminate the contract for convenience by providing a 30-calendar day advance written notice to the contractor.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

PPLA provides education and outreach programs to Los Angeles County (LAC) communities, schools, parents, and health professionals. PPLA's programs include training, professional development, sexuality education, and information about preventing pregnancy and sexually transmitted infections (STIs). In addition, in collaboration with Public Health, PPLA has established SWBCs that focus on substance use prevention. As of February 2022, there are 39 SWBCs: 27 are located in Los Angeles Unified School District middle and high schools and 12 are located in high schools throughout unincorporated LAC. The SWBCs are primarily staffed with Public Health youth educators, and some include PPLA behavioral health staff. Together, these staff provide a wide range of health-related services to students at the SWBCs.

Approval of Recommendation 1 will allow Public Health to execute an amendment to the sole source contract with PPLA to extend the term through June 30, 2025, for the continuation of emergent and time sensitive support services at SWBCs at up to 50 centers in schools across the LAC. Services provided by PPLA include: 1) provide training and technical assistance to the Public Health youth educators within the SWBCs to ensure youth educators have the skills and knowledge to capably support adolescents; 2) support the existing Promotora program at each center to engage and educate parents in Spanish and English; and, 3) continue to support a dedicated call center to provide additional support and referrals to Public Health Substance Abuse Prevention and Control (SAPC) treatment programs. Services provided to all students at the SWBCs include: emotional wellbeing support and education, substance use prevention and education, sexual health education, STI testing, reproductive health services, and referrals to other needed services.

Approval of Recommendation 2 will allow Public Health to execute amendments to the sole source contract to extend and/or adjust the term; rollover unspent funds; increase or decrease funding up to 10 percent above or below the annual base maximum obligation; update the statement of work and/or scope of work; and/or correct errors in the contract's terms and conditions, as necessary.

Approval of Recommendation 3 will allow Public Health to execute change notices to the contract that authorize that authorize modifications to the budget with corresponding modifications to the statement of work and/or scope of work, that are within the same scope of services, as necessary and changes to hours of operation and/or service locations.

Approval of Recommendation 4 will allow Public Health to immediately suspend or terminate the contract with contractor who fail to perform and/or to fully comply with program requirements, and terminate the contract for convenience by providing a 30-calendar day advance written termination notice to contractor.

Implementation of Strategic Plan Goals

The recommended actions support Strategy I.2, Enhance Our Delivery of Comprehensive Interventions, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The total cost for the recommended actions for the period of July 1, 2024, through June 30, 2025 is \$1,400,000 fully funded by SUBG Funds, ALN number 93.959.

Funding for these services has been included in Public Health's FY 2024-25 Recommended Budget and will be included in future FYs, as necessary.

There is no net County cost associated with this action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

As required under Board Policy 5.100, Public Health notified your Board on February 21, 2024 of its intent to request your Board's approval to extend the term of the existing sole source contract with PPLA through June 30, 2025, for the continuation of the provision of support services at SWBCs.

County Counsel has reviewed and approved Exhibit I as to use. Attachment A is the sole-source checklist signed by the CEO.

CONTRACTING PROCESS

On March 5, 2019, your Board delegated authority to the Director of Public Health to execute the sole source contract with PPLA to establish a new wellbeing center model to be implemented at local schools across the County and provide and accept referrals for other substance use related services.

Amendments to further extend the sole source contract with PPLA were executed under the October 13, 2020 CEO delegated authority and delegation of authority from your Board on June 6, 2023.

A sole source contract amendment to extend the term of the contract with PPLA is needed to establish new SWBCs and support existing SWBCs within LAC high schools. PPLA is a leading provider of high-quality, affordable health care, and the nation's largest provider of sexual health education. It leads the country with the most up-to-date medical standards and guidelines for reproductive health care. PPLA's comprehensive sexuality education curriculum provided to SWBC staff focuses on critical thinking, human rights, gender equality, and access to health care, and is aligned with the sexual health education requirements of the California Healthy Youth Act. PPLA provides the infrastructure at LAC schools with SWBCs to meet the County's aim to provide services that increase wellbeing among school-aged youth. Additionally, PPLA's clinics are located in schools throughout LAC and/or near existing SWBCs, giving it a one-of-a-kind advantage in offering timely access to critical clinical health services for LAC's adolescents.

The Honorable Board of Supervisors

May 7, 2024

Page 4

This is a specialized bundle of services, and seeking a replacement provider through a competitive solicitation process would take a minimum of six months and an extensive amount of staff and administrative time, which would equate to a substantial cost for the County. The current contract with PPLA expires June 30, 2024. If this contract is not extended, this vulnerable population will be left without access to these important services for a number of months while a competitive solicitation is run to identify other potential providers. It is more cost-effective and in the best economic interest of the County to exercise this contract extension option with PPLA and take advantage of their extensive experience providing these services and utilize the existing infrastructure in place.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will allow Public Health to ensure that students at the SWBCs receive emotional wellbeing support and education, substance use prevention and education, sexual health education, STI testing, reproductive health services, and referrals to other needed services to support well-being of LAC adolescents.

Respectfully submitted,

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Welfare and Institutions Code Section 14712 directs the State to implement and administer Managed Mental Health Care for eligible Medi-Cal residents of the State of California. Section 14712 requires a contractual agreement between the State and the County for the County to operate as the MHP responsible for the delivery of outpatient specialty mental health services to the County's eligible Medi-Cal member population. Through the MHP Agreement, DMH agrees to operate as the MHP for Los Angeles County.

On October 18, 2022, your Board authorized DMH to enter into an agreement with the DHCS, for the period of July 1, 2022 through June 30, 2027, whereby DMH will act as the MHP to provide outpatient specialty mental health services to all Medi-Cal members in Los Angeles County within the scope of services defined in said agreement.

State regulations require that the County maintain a network of providers that is sufficient in number, includes a mix of mental health clinical discipline types, and geographic distribution to meet the outpatient specialty mental health needs of the eligible members that will be served by the MHP. Therefore, DMH must contract with psychiatrists, psychologists, Licensed Clinical Social Workers, and Licensed Marriage Family Therapists who provide outpatient specialty mental health services to eligible Medi-Cal members. Additionally, contracts are required between DMH and Registered Nurses who either have a master's degree in psychiatric/mental health nursing and are board-certified as a clinical nurse specialist or have a master's degree in nursing, master's degree in a related field or a graduate degree in nursing and are certified as a nurse practitioner that

provides outpatient specialty mental health services to eligible Medi-Cal members. The individual and group providers provide services to members within the community, including their offices, residential treatment facilities, skilled nurse facilities, and group home settings. All providers must be credentialed and will be offered contracts, and upon signing the contracts, they will be enrolled in the MHP Provider Network.

The individual and group providers are reimbursed by the MHP under the rules and guidelines established by the California Advancing and Innovating Medi-Cal payment reform effective July 1, 2023. The rates, along with appropriate monitoring, will ensure quality of service rendered by these individual and group providers delivering outpatient specialty mental health services. The rates are based on the service duration unit, and the discipline of the provider rendering the service in Los Angeles County.

Execution of these individual and group providers contracts will ensure compliance with the MHP agreement with California DHCS and will also allow DMH to continue its provision of outpatient specialty mental health services through its network of qualified individual and group providers.

Attachment I is the Individual and Group Provider Outpatient Specialty Mental Health Services contract that has been approved as to form by County Counsel.

Attachment II lists all the credentialed individual and group providers with which DMH intends to enter into a contract.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will allow DMH to continue to provide outpatient specialty mental health services to eligible Medi-Cal members throughout Los Angeles County.

Respectfully submitted,

LISA H. WONG., Psy.D.
Director

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

8.8.2 Written Employee Jury Service Policy

Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the

County Code), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to

remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval or ongoing evaluation of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor must comply with all conflict-of-interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN /START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/START job candidates.

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an

opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At

the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. 8.15.5 Contractor will maintain accurate and up-to-date information on its Organization and Practitioners within Network Adequacy: Provider and Practitioner Administration application (<https://lacadmhnact.dynamics365portals.us/>), designed to support compliance with the network adequacy, access-to-care, and provider directory reporting requirements associated with the Medicaid Managed Care Final Rule. Contractor will develop and implement policies and procedures for ensuring the required information is properly reported into the Application in accord with instructions provided by the Department's Quality Assurance Unit - Quality, Outcomes and Training Division. Failure by Contractor to submit the requested information, documents, or materials within the indicated deadline, and after County issues a final notice of compliance, may result in the withholding of payments or other contract actions including, but not limited to, contract suspension or termination.

8.15.6 The Contractor will not discriminate in the selection, retention, reimbursement, or indemnification of any provider proposing to act within the scope of work of his/her license or certification, under applicable State law, on the basis of that license or certification. For disciplines allowed to provide specific SMHS, Contractor should refer to the Guide to Procedure Codes available at <https://dmh.lacounty.gov/qa/qama/> for inclusions and limitations.

8.15.7 Hours of Operation: Contractor must have hours of

operation during which services are provided to Medi-Cal members that are no less than the hours of operation during which the Contractor offers services to non-Medi-Cal members. If Contractor only serves Medi-Cal members, the Contractor must require that hours of operation are comparable to the hours the Contractor makes available for Medi-Cal services that are not covered by the Contractor, or another Mental Health Plan in accordance with 42 C.F.R Section 438.206(c)(1).

8.16 Damage to County Facilities, Buildings or Grounds

- 8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

- 8.17.1 The Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor must indemnify, defend, and hold harmless the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email, or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

To the extent permitted by applicable law, the Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires,

floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

- 8.20.2 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.22 Independent Contractor Status

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents, and volunteers (County Indemnitees) from and against any and all liability including, but not limited to, demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees) arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract, and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types, and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor from liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional

Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown in paragraph 8.24.2 below and provided prior to commencing services under this Contract.

- Renewal Certificates must be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.
- Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate must match the name of the contractor identified as the contracting party in this Contract. Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to, a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must either be sent electronically to the County Contract Administrator listed on Exhibit D or sent via United States Postal Service

County of Los Angeles

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies, or securities entrusted to Contractor. Contractor also must promptly notify County of any third-party claim or suit filed against Contractor which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 **Additional Insured Status and Scope of Coverage**

The County, its Special Districts, Elected Officials, Officers, Agents, employees, and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents' additional insured status will apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 **Cancellation of or Changes in Insurance**

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, and term of

coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance and, without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 Contractor's Insurance Must Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, must be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage must be in excess of, and not contribute to, any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of

subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration, and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date must precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three years following the Contract expiration, termination, or cancellation.

8.24.11 Application of Excess Liability Coverage

Contractors may use a combination of primary and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.12 Separation of Insureds

All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.13 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements, and captive insurance to satisfy the Required Insurance provisions. The County and its

Agents must be designated as an Additional Covered Party under any approved program.

8.24.14 **County Review and Approval of Insurance Requirements**

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.25 **Insurance Coverage**

8.25.1 **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	\$2 million
Products/Completed Operations Aggregate:	\$1 million
Personal and Advertising Injury:	\$1 million
Each Occurrence:	\$1 million

8.25.2 **Automobile Liability** insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than \$1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance must cover liability arising out of Contractor's use of autos pursuant to this Contract, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.25.3 **Workers Compensation and Employers' Liability** insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor will provide leased employees or is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also must include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer. The written notice must be provided to County at least ten (10) days in advance

of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. If applicable to Contractor's operations, coverage also must be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.25.4 Unique Insurance Coverage

8.25.4.1 Sexual Misconduct Liability

Insurance covering actual or alleged claims for sexual misconduct and/or molestation with limits of not less than \$2 million per claim and \$2 million aggregate, and claims for negligent employment, investigation, supervision, training, or retention of, or failure to report to proper authorities, a person(s) who committed any act of abuse, molestation, harassment, mistreatment or maltreatment of a sexual nature.

8.25.4.2 Professional Liability-Errors and Omissions

Insurance covering Contractor's liability arising from or related to this Contract, with limits of not less than \$1 million per claim and \$3 million aggregate. Further, Contractor understands and agrees it must maintain such coverage for a period of not less than three years following this Contract's expiration, termination, or cancellation.

8.25.4.3 Cyber Liability Insurance

The Contractor must secure and maintain cyber liability insurance coverage with limits of \$2 million per occurrence and in the aggregate during the term of the Contract, including coverage for: network security liability; privacy liability; privacy regulatory proceeding, defense, response, expenses and fines;

technology professional liability (errors and omissions); privacy breach expense reimbursement (liability arising from the loss or disclosure of County Information no matter how it occurs); system breach; denial or loss of service; introduction, implantation, or spread of malicious software code; unauthorized access to or use of computer systems; Data/Information loss and business interruption; and any other liability or risk that arises out of the Contract. The Contractor must add the County as an additional insured to its cyber liability insurance policy and provide to the County certificates of insurance evidencing the foregoing upon the County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, will not be construed as a limitation upon the Contractor's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 Liquidated Damages

- 8.26.1 If, in the judgment of the Director, or designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County will be forwarded to the Contractor by the Director, or designee, in a written notice describing the reasons for said action.
- 8.26.2 If the Director, or designee, determines that there are deficiencies in the performance of this Contract

that the Director, or their designee, deems are correctable by the Contractor over a certain time span, the Director, or designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director, or designee, may: (a) deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per day per infraction, or as specified in Attachment 2 (Performance Requirements Summary (PRS)) Chart of Exhibit A (Statement of Work and Attachments) hereunder, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

- 8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.
- 8.26.4 This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age (over 40), physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 Contractor certifies to the County each of the following:

- That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.28.3 The Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age (over 40), physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such

action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.28.4 The Contractor certifies and agrees that it will deal with its bidders and vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age (over 40), physical or mental disability, marital status, or political affiliation.
- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age (over 40), physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County

that the Contractor has violated the anti-discrimination provisions of this Contract.

- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non-Exclusivity

Nothing herein is intended to, nor will be construed as, creating any exclusive arrangement with the Contractor. This Contract will not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business days, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor must bring to the attention of the County's Project Manager any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Project Manager is not able to resolve the dispute, the Director or designee will resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor must notify its employees that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

- 8.33.1 The Contractor must notify and provide to its employees information regarding the Safely Surrendered Baby Law, its implementation in Los

8.34 Notices

- 8.34.1 All notices or demands required or permitted to be given or made under this Contract must be in writing and will be hand delivered, sent first class mail, or via electronic mail, addressed to the parties as identified in Exhibits D (County's Administration) and E (Contractor's Administration). Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Director or designee will have the authority to issue all notices or demands required or permitted by the County under this Contract, including but not limited to Administrative Amendments.
- 8.34.2 Such administrative amendment may be executed by the Director under delegated authority from the Board without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendments effective.

8.35 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County Agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

- 8.36.1 Contractor acknowledges that the County is a public "local entity" subject to the California Public Records Act, Government Code section 6250 et seq. Any documents submitted by the Contractor and all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records

pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this contract become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 7921 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". Upon receipt of a Public Records Act request, County will use reasonable efforts to notify Contractor prior to disclosing any sensitive Contractor information provided to County in connection with this Contract. Notwithstanding anything to the contrary contained in this Contract, nothing in this Contract is intended to supersede, modify, or diminish in any respect whosoever any of the County's rights, obligations, and defenses under the Public Records Act. The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

- 8.37.1 The Contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Contract within the following conditions:
- 8.37.2 The Contractor must develop all publicity material in a professional manner.

- 8.37.3 During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Manager. The County will not unreasonably withhold written consent.
- 8.37.4 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County, provided that the requirements of this Paragraph 8.37 (Publicity) will apply.

8.38 Record Retention and Inspection-Audit Settlement

- 8.38.1 The Contractor must maintain accurate and complete financial records, employment records and other records relating to its performance of this Contract. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.
- 8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, the Contractor must file a copy of such audit report with the DMH Contracts Development and Administration Division within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s). Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.38 will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 Direct Services and Indirect Services Records: Contractor must maintain a record of all direct services and indirect services rendered by all professional, para-professional, intern, student, volunteer, and other personnel under this Contract in sufficient detail to permit an evaluation and audit of such services. All such records must be retained, maintained, and made available within three (3) business days for inspection, review, and/or audit by authorized representatives and designees of County, State, and/or federal governments during the term of this Contract and during the applicable period of records retention. Nothing in this section will limit Contractor's obligation to retain records for the period described by law. In addition to the general requirements in this Paragraph 8.38, Contractor must comply with any additional patient/client record requirements described in the SOW/SEs and will adequately document the delivery of all services described in the SOW/SEs.

8.38.3.1 Patient/Client Records (Direct Services): Contractor must maintain treatment and other records for each individual patient/client of all direct services (e.g., 24-hour services, day services, targeted case management, mental health services, medication support, and crisis intervention) in accordance with all applicable County, State, and federal requirements. Such treatment and other records will include, but not be limited to, patient/client identification number, demographic information, and all data elements required by the County's claims processing information system, consent for treatment form, assessment, treatment plan, progress notes, and any other applicable information. The required data elements must be in accordance with the Organizational Provider's Manual. All patient/client records must be maintained by Contractor in accordance with the procedures of DMH Policy 401.01.

8.38.3.2 Case Management Support Services, Outreach Services, and Client Supportive Services Records (Indirect Services): Contractor must maintain accurate and complete program records of all indirect services (i.e., all services other than direct services) in accordance with all applicable County, State, and federal requirements. All program records must be maintained by Contractor for a minimum period that is at least equivalent to the later of any of the following:

8.38.3.2.1 Ten (10) years following the expiration or earlier termination of this Contract; or

8.38.3.2.2 Ten (10) years after completion of all County, State and/or federal audits; or

8.38.3.2.3 Ten (10) years after the conclusion of any audit appeal and/or when audit findings are fully resolved.

8.38.4 Financial Records: The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles, with the procedures set out in the State's Cost and Financial Reporting System (CFRS) Instruction Manual, and with all applicable federal, State, and County requirements, guidelines, standards, and procedures. 8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. 9.10.2 Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 USC Section 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 USC Section 1251 et seq.), as amended.

9.11 Contractor's Exclusion From Participation in a Federally Funded Program

9.11.1 Contractor hereby warrants that neither it, nor any of its staff members, is/are restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director or designee within thirty (30) calendar days, in writing, of: (1) any event that would require Contractor's or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. Mandatory exclusions under State law from Medi-Cal are similar, but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal member.

9.11.5 Contractor will indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. - (3) In order to reduce County costs, the Contractor will comply with all applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of Regulations (CCR) related to reimbursement by non-County and non-State sources, including, but not limited to, collecting reimbursement for services from clients (which will be the same as patient fees established pursuant to WIC Section 5710) and from private or public third-party payers. In addition, Contractor will ensure that, to the extent a recipient of services under this Contract is eligible for coverage under Medicaid or Medicare or any other federal or State funded program (an eligible member), services provided to such eligible member is properly identified and claimed to the funded program responsible for such services to said eligible member.

 - (a) In the event the State or federal government or any funding source denies any or all claims submitted by County on behalf of Contractor, to the exception of denial described in (i), County will not be responsible for any payment obligation and, accordingly, Contractor will not seek or retain payment from County and will indemnify and hold harmless County from any and all liabilities for payment of any or all denied claims, except any claims which are denied due to the fault of the County. Any controversy or dispute arising from such State or federal denied claims will be handled by Contractor in accordance with the applicable State and/or federal administrative appeal process.
 - (i) In the event the State or federal government denies any or all claims submitted by the County on behalf of Contractor for Medi-Cal clients for Unsatisfactory Immigration Status, Contractor will follow the Procedures in Provider Manual and/or Provider Bulletins to work with the clients who have received these denials, correct their eligibility, and update their eligibility record. County will notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification. To the extent that such modifications create a delay in Contractor submitting claims into the County's claims processing information system for a period of time, the timelines under this Section C (BILLING PROCEDURES) will be extended by the number of calendar days reasonably based on the time the system is inactive.

D. COUNTY PAYMENT FOR SERVICES RENDERED

 - (d) Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.
- (4) County Withhold of Payment for Contractor Lapse in Providing Service Data: If Contractor fails to submit service data as required by County, then the County may, in its discretion, withhold all or a portion of its payment until County is in receipt of complete and correct service data and such service data has been reviewed and approved by the Director.
- (a) Prior to withholding payment, the Director will provide Contractor with at least 30 calendar days' written notice of the County's decision to withhold payment, including the reason(s) for the intended action and the identification of the incomplete or incorrect service data. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.
 - (b) Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose a date for submitting the complete and correct data.
 - (c) Within 15 calendar days of said meeting, County will, in writing, notify Contractor, of its final decision. The decision of the Director will be final.
 - (d) Upon receipt from the Contractor of revised service data, the Director will review such revised service data within 60 calendar days of receipt. Upon determination that such submitted service data is complete and correct, County will release withheld payments within 30 days of such determination.
- (5) County Denial of Payments for Lack of Documentation: The Director may deny payment for services when documentation of clinical work does not meet minimum federal, State, and County written standards.

- (a) Prior to denying payment, the Director will provide Contractor with at least 30 calendar days' written notice of the County's decision to deny payment, including the reason(s) for the intended actions.  - (b) Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
 - (c) Within 15 calendar days of said meeting, County will, in writing, notify Contractor of its final decision. The decision of the Director will be final.
- (6) County Suspension of Payment for Default: The Director may suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default under any of the provisions of this Contract.
 - (a) Except in cases of alleged fraud or similar intentional wrongdoing or a reasonable good faith determination of impending insolvency, Director will provide Contractor with at least 30 calendar days' notice of such suspension, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision to suspend payment. Suspension of payment to Contractor will not take effect pending the results of such reconsideration process.
 - (b) Upon receiving a request for reconsideration from Contractor, County will, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
 - (c) Within 15 calendar days of said meeting, County will, in writing, notify Contractor of its final decision. The decision of the Director will be final.
- (7) No Payment for Services Rendered Following Expiration/Termination of Contract: Contractor will have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract or any part thereof. Should Contractor receive any such payment, it will immediately notify County and will immediately repay all such funds to

County. Payment by County for services rendered after expiration/termination of this Contract will not constitute a waiver of County's right to recover such payment from Contractor. This provision will survive the expiration or other termination of this Contract.

- (8) Contractor agrees to hold harmless both the State and member in the event County cannot or will not pay for services performed by Contractor pursuant to this Contract.

F. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES

SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

18.2 Covered Entity and Business Associate will mutually agree in advance upon the scope, timing, and location of any such inspection.

18.4 That Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 18.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.

- 18.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, will not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.
- 18.6 Section 18.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

SUBJECT

Public Works is seeking Board approval of the Harbor-UCLA Medical Center Inpatient Pharmacy Expansion Project and authorization to deliver the project using a Board-approved Job Order Contract.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the Harbor-UCLA Medical Center Inpatient Pharmacy Expansion Project is within the scope of the previous exemption finding by the Board from the California Environmental Quality Act for the reasons stated in this Board letter and in the record of the project.
2. Approve the Harbor-UCLA Medical Center Inpatient Pharmacy Expansion Project, Capital Project No. 87558, with a total project budget of \$2,580,000.
3. Authorize the Director of Public Works or his designee to deliver the Harbor-UCLA Medical Center Pharmacy Inpatient Expansion Project using a Board-approved Job Order Contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to find that the Harbor-UCLA Medical Center (H-UCLA MC) Inpatient Pharmacy Expansion Project is within the scope of the previous exemption finding by the Board under the California Environmental Quality Act (CEQA), approve the project and budget, and authorize Public Works to deliver the project using a Board-approved Job Order Contract (JOC).

Project Description and Background

On June 18, 2019, the Board established the H-UCLA MC Inpatient Pharmacy Expansion Project, Capital Project No. 87558.

The Pharmacy Department, located in the basement of the Main Hospital building, needs additional workspace and square footage to store intravenous medications and other supplies to maintain operations and meet licensing requirements. The existing central sterile area, approximately 3,300 square feet and adjacent to the existing inpatient pharmacy, is not utilized.

The proposed project is to remodel the existing central sterile space to provide additional work and storage space for the Inpatient Pharmacy. The scope includes reconfiguring existing partition walls, refurbishing ceilings and flooring, painting, remodeling of the mechanical systems, and adding electrical and data outlets. In addition, the project includes providing two-hour fire rated walls along the perimeter of the space.

The design was completed using a Board-approved, on-call architectural/engineering firm and is now seeking approval to complete the remodeling work using a Board-approved JOC. Upon Board approval of the recommended actions, it is anticipated that construction will take approximately 12 months. The Inpatient Pharmacy will remain operational during construction and will be completed in phases to minimize disruption to day-to-day operations.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: Strategy II.1, Drive Economic and Workforce Development in the County; Strategy II.2, Support the Wellness of our Communities; and Strategy III.3, Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability, Objective III.3.2, Manage and Maximize County Assets, by supporting the wellness of our communities, enhancing the delivery of comprehensive and seamless healthcare services, and investing in public infrastructure that will improve the operational effectiveness of an existing County asset.

FISCAL IMPACT/FINANCING

The total project budget for the H-UCLA MC Inpatient Pharmacy Expansion Project is \$2,580,000, including construction, change order contingency, plans and specifications, permit fees, consultant services, inspection services, and County services. The project budget summary and schedule are included in the Enclosure.

There is sufficient funding appropriated in the H-UCLA MC Inpatient Pharmacy Expansion Project, Capital Project No. 87558, to fund the projected Fiscal Year 2023-24 expenditures. The Department of Health Services will provide funding in future budget phases, as needed, to fully fund the remaining project budget. There is no net County cost impacts associated with the recommended actions.

Operating Budget Impact

There is no one-time or ongoing operational costs anticipated following completion of the project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In accordance with the Board's Civic Art Policy amended on August 4, 2020, the project budget includes 1 percent of eligible design and construction costs allocated to the Civic Arts fund, which is estimated at \$21,000.

The project is subject to Board Policy 5.270, Countywide Local and Targeted Worker Hiring.

The project will support the Board's Green Building/Sustainable Design Program policy by minimizing the amount of demolition materials disposed of in landfills and by incorporating energy efficient products in the remodeling scope.

ENVIRONMENTAL DOCUMENTATION

On June 18, 2019, the Board found the H-UCLA MC Inpatient Pharmacy Expansion Project is categorically exempt from CEQA. A Notice of Exemption was filed on June 25, 2019. The project remains within certain classes of projects that have been determined not to have a significant effect on the environment in that it continues to meet criteria set forth in Sections 15301 (a) and (f); 15302 (c); and 15303 of the State CEQA Guidelines and Classes 1 (d) and (i); and 2 (e) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. The project continues to provide for reconfiguration of existing partition walls including upgrading exterior walls to two-hour rating, refurbishment of finishes, and alterations of electrical and mechanical systems.

The recommended actions are within the scope of the previous finding of exemption, and there are no changes that require additional findings under CEQA.

Upon the Board's approval of the project, Public Works will file a Notice of Exemption with the Registrar-Recorder/County Clerk and with the State Clearinghouse in the Governor's Office of Planning and Research in accordance with Section 21152 of the Public Resources Code and will post the Notice of Exemption to its website pursuant to Section 21092.2.

CONTRACTING PROCESS

Public Works completed the design for the H-UCLA MC Inpatient Pharmacy Expansion Project using a Board-approved, on-call architectural/engineering firm and is seeking Board approval to complete the construction for the project using a Board-approved JOC.

The project scope includes substantial remodeling and alteration work, and Public Works has made the determination that the use of a JOC is the most appropriate contracting method to deliver the project.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will have no impact on current services at H-UCLA MC. The existing facility will remain operational during the remodeling work. Services impacted at the Inpatient Pharmacy will be minimized by phasing the remodeling work and relocating patients on site.

CONCLUSION

Please return one adopted copy of this Board letter to Public Works, Project Management Division I.

Respectfully submitted,

MARK PESTRELLA, PE

SUBJECT

The Internal Services Department is seeking Board approval of the proposed Rancho Los Amigos National Rehabilitation Center Boiler and Chillers Replacement Project, approval of the project budget and related appropriation adjustment and that your Board find the proposed project to be exempt from the California Environmental Quality Act.

IT IS RECOMMENDED THAT THE BOARD:

1. Find the proposed Rancho Los Amigos National Rehabilitation Center Boiler and Chillers Replacement Project exempt from the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Establish and approve the proposed Rancho Los Amigos National Rehabilitation Center Boiler and Chillers Replacement Project, Capital Project No. 8A042 with a total budget of \$17,610,000.

3. Approve the Fiscal Year 2023-24 appropriation adjustment to allocate \$435,000 from the Department of Health Services' Enterprise Fund-Committed for Department of Health Services to fund the projected Fiscal Year 2023-24 expenditures for the proposed Rancho Los Amigos National Rehabilitation Center Boiler and Chillers Replacement Project, Capital Project No. 8A042.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommendations will find the proposed Rancho Los Amigos National Rehabilitation Center (RLANRC) Boiler and Chillers Replacement Project exempt from the California Environmental Quality Act (CEQA), establish and approve Capital Project No. 8A042, and approve the project budget and appropriation adjustment.

Background

The proposed RLANRC Boiler and Chillers Replacement Project would replace the existing three (3) chillers and one (1) boiler that are currently servicing the Department of Health Services' (DHS) RLANRC by providing cooled and heated air to the entire facility. The existing chillers and boiler have surpassed their lifespan and are 34 years old and 27 years old, respectively. According to the American Society of Heating, Refrigerating, and Air-conditioning Engineers (ASHRAE), the typical life cycle for this equipment is 20 years. The Internal Services Department (ISD) will deliver the proposed project by a competitively solicited Board approved Energy Efficiency Project Services Master Agreement (EEPMA).

The proposed scope of work includes the replacement of the three (3) existing chillers, one (1) boiler, the associated chilled water supply lines, return lines, plumbing, structural supports, anchoring, electrical conduits, power supplies, and all associated controls, sensors, and equipment.

The estimated project duration is approximately 34 months, which includes the completion of jurisdictional approvals, construction, and the completion of the physical project.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: Goal III. - Realize Tomorrow's Government Today, Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability, and Objective III.3.2 - Manage and Maximize Los Angeles (LA) County Assets by investing in public infrastructure that will improve the operational effectiveness of an existing LA County asset.

Green Building/Sustainable Design Program

The proposed RLANRC Boiler and Chillers Replacement Project will support the Board's Green Building/Sustainable Design Program by incorporating design features that will optimize energy efficiency.

The project will be designed and constructed to comply with Title 24 of the California Code of Regulations. Title 24 contains building standards for conserving electricity and natural gas in new and existing buildings within the State. When possible, ISD will document all Title 24 related improvements that qualify for Leadership in Energy and Environmental Design (LEED) building points to apply toward future LEED certification for the County building.

FISCAL IMPACT/FINANCING

The total project budget for the proposed RLANRC Boiler and Chillers Replacement Project is \$17,610,000, which includes design, construction, change order allowance, inspection/testing, and ISD county services (Enclosure A). The project budget and schedule are included in Enclosure A. DHS has previously paid \$355,000 for assessment fees through the DHS operating budget.

Approval of the enclosed Fiscal Year 2023-24 appropriation adjustment (Enclosure B) will allocate \$435,000 from the DHS Enterprise Fund-Committed for DHS to fund the projected Fiscal Year 2023-24 expenditures for the proposed Rancho Los Amigos National Rehabilitation Center Boiler and Chillers Replacement Project, Capital Project No. 8A042. DHS will provide funding in the future budget phases, as needed, to fully fund the remaining project budget. There is no net County cost impact associated with the recommendations.

Operating Budget Impact

The scope of work consists of repairs and remodeling made to an existing space. Therefore, following the completion of the proposed project, ISD and DHS do not anticipate any one-time start-up or additional ongoing costs as a result of the proposed project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In accordance with the Board's Local and Targeted Worker Hire Policy, updated on May 17, 2023, the proposed RLANRC Boiler and Chillers Replacement Project will have a mandatory hiring requirement of at least thirty percent (30%) Local Workers and 10 percent (10%) Targeted Workers.

In accordance with the Board's Civic Art Policy, adopted on December 7, 2004, and last amended on August 4, 2020, the proposed project is exempt from the Civic Art Allocation as it involves replacement of building systems of the refurbishment project.

ENVIRONMENTAL DOCUMENTATION

The proposed RLANRC Boiler and Chillers Replacement project is categorically exempt from CEQA. The scope of work consists of the replacement of an existing boiler and three chillers. Therefore, the work is within certain classifications of projects that have been determined under California law to not have a significant effect on the environment, such that the project will meet the criteria set forth in Sections 15301(d), 15302, and 15303 of the State CEQA Guidelines, and Classes 1(c), 2, and 3 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G because the project includes repairs and minor alterations to existing public facilities with negligible or no expansion

of use, replacement of features with the same purpose and capacity, placement of small equipment and accessory structures, and installation of equipment at existing facilities.

In addition, the proposed project will comply with all applicable regulations, as the facility is not located in a sensitive environment and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled pursuant to Government Code section 65962.5, or any indications that the project may cause a substantial adverse change in the significance of a historic resource, which would otherwise make the exemptions inapplicable.

Upon the Board's approval of the proposed project, ISD will file a Notice of Exemption with the Registrar-Recorder/County Clerk and with the State Clearinghouse in the Office of Planning and Research in accordance with section 21152 of the California Public Resources Code. ISD will subsequently post the Notice to its website in accordance with section 21092.2.

CONTRACTING PROCESS

The proposed RLANRC Boiler and Chillers Replacement Project will be competitively solicited for and delivered via EEPMA. The standard Board-directed clauses, including those that provide for contract termination and hiring qualified displaced county employees are included in the EEPMA agreement.

The EEPMA contractor who will perform the work is required to fully comply with all applicable legal requirements, which include, among other obligations, Chapters 2.200 (Child Support Compliance Program) and 2.203 (Contractor Employee Jury Service Program) of the Los Angeles County Code, and Section 1774 of the California Labor Code pertaining to payment of prevailing wages.

For this project, ISD has made the determination that EEPMA is the most appropriate contracting vehicle to complete this project because the replacement equipment is intended to optimize the energy efficiency of the facility, and to address deficiencies such as potential non code-compliant issues. Additionally, to the extent the project entails repair, remodeling, refurbishment, or alteration, and the cost of such project exceeds \$50,000, such project would have to be performed via a competitively-procured construction contracting vehicle, such as EEPMA, rather than by county employees, due to the "Force Account" limitations set forth in the Public Contract Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendations will have minimal impact on current county services. There are other existing chillers and boilers that are continuing to provide heated and cooled air to the facility.

CONCLUSION

Please return one adopted copy of the board letter to the following: ISD Operations Service, the Chief Executive Office – Capital Programs Division, and DHS.

Respectfully submitted,

The Honorable Board of Supervisors

Ryan White CARE Act

Ryan White was a 13-year old boy who contracted HIV through a blood transfusion in 1984. He courageously fought HIV and AIDS-related discrimination and helped educate the Nation about HIV until his death in 1990.

In 1990, Congress enacted the Ryan White CARE Act, creating the Ryan White HIV/AIDS Program.

Purpose: improve the quality and availability of HIV care and treatment for low-income people living with HIV.

Ryan White Program Overview

Administered by the federal Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA), HIV/AIDS Bureau (HAB).

Ryan White Components

Part A – Supports eligible metropolitan areas (EMAs) and transitional grant areas (TGAs);

Part B – Supports States and territories;

Part C - Supports clinical providers in high-prevalence areas;

Part D - Supports programs targeting women, infants, children and youth through CBOs.

Part F – Supports a) clinical training and technical assistance (AETCs), special projects and innovation (SPNS) and b) Dental Programs

Minority AIDS Initiative – Additional support for recipients to serve communities of color
