Dear Supervisors:

**REQUEST FOR DELEGATED AUTHORITY TO CONTRACT FOR CONSULTANT
SERVICES TO ASSIST WITH IMPLEMENTATION OF THE
COUNTYWIDE CHILD PROTECTION STRATEGIC PLAN
(ALL SUPERVISORIAL DISTRICT(S) AFFECTED)
(3 VOTES)**

SUBJECT

The delegated contracting authority will permit the Executive Officer of the Board of Supervisors (Executive Officer), or their designee, to negotiate, execute, and amend contracts with up to six consultants per year to assist the Office of Child Protection (OCP) with implementing its Countywide Child Protection Strategic Plan and other key initiatives over the next three fiscal years. The total combined contract amounts will not exceed \$500,000 per year.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Delegate authority to the Executive Officer, or their designee, to negotiate and execute contracts with up to six consultants per year for services to assist the OCP with implementation of its Countywide Child Protection Strategic Plan and other key initiatives. This authority will be for fiscal years 2024-25 through 2026-2027 and the combined annual contract amounts will not exceed \$500,000 per year.
2. Delegate authority to the Executive Officer, or their designee, to negotiate amendments to these contracts as needed, when such amendments are necessary for the success of each project, changes to the statement of work, exercise extension options, update the terms and conditions, with approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The funding for these consultant services, up to \$500,000 per year, was included in the OCP's ongoing services and supplies budget. These recommended actions will provide the authority needed to utilize those funds to hire up to six consultants per year to support OCP's implementation of the Countywide Child Protection Strategic Plan, as well as to assist OCP with other key initiatives.

Implementation of Strategic Plan Goals

The recommended action supports the Countywide Strategic Plan, North Star I, *Make Investments that Transform Lives* and the North Star I Goal, D, ii to Support Vulnerable Populations, specifically around child safety and family well-being. In addition, this action supports the Countywide Child Protection Strategic Plan, Goal 1, *Provide children and families with the upfront supports and services they need to prevent them from entering the child welfare system and/or limit their involvement with the system once they are known to it*; Goal 2, *Minimize, if not eliminate, the risk that a child known to one or more entities in our system will be harmed*; Goal 3, *No child leaves the system without a permanent family or a responsible caring adult in his or her life*; Goal 4, *Ensure that system-involved youth achieve the physical, emotional, and social health needed to be successful*; and Goal 5, *Rethink the structures, programs, and processes that affect multiple entities to continually take advantage of new thinking and learning that meaningfully improve our child protection system*. The consultant services will aid the OCP with pushing these goals forward.

FISCAL IMPACT/FINANCING

The OCP's ongoing services and supplies budget includes an allocation of \$500,000 for consultant services. No additional net County cost is required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Services will be procured in conjunction with our partner agencies, as applicable, with the County having the final hiring authority. County Counsel's approval as to form will be obtained prior to entering into any agreement.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Our partners from Departments and other key entities will be involved in the implementation of the Countywide Child Protection Strategic Plan. Changes to current services may result as implementation of the Countywide Child Protection Strategic Plan moves forward.

Dear Supervisors:

**RECOMMENDATION TO APPROVE A SOLE SOURCE AMENDMENT TWO TO THE
BEHAVIORAL AIDE SERVICES FOR HIGH RISK YOUTH CONTRACT WITH
DELTA-T GROUP LOS ANGELES, INC.**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

The Department of Children and Family Services (DCFS) seeks delegated authority to execute Amendment Two to the Behavioral Aide Services for High Risk Youth Contract Number 23-0053 with Delta-T Group Los Angeles, Inc. (Delta-T) to increase the total maximum contract amount to accommodate an increase in the utilization of services.

IT IS RECOMMENDED THAT THE BOARD:

Delegate authority to the Director of DCFS, or designee, to execute an amendment substantially similar to the attached amendment to Behavioral Aide Services for High Risk Youth Contract Number 23-0053 with Delta-T to increase the total maximum contract amount by \$14,565,449 from \$14,100,000 to \$28,665,449. This contract will be financed using 94 percent 2011 State Realignment funds and six percent Complex Care Child Specific State funds for Fiscal Year (FY) 2023-2024. Sufficient funding is included in the Department's Fiscal Year (FY) 2023-2024 Adopted Budget and will be included in the future Budget Requests.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

"To Enrich Lives Through Effective and Caring Service"

A subset of children under DCFS' care have needs that exceed the ability of available foster parents, licensed residential facilities, their parents and mental health providers. These children may be unstable in placement, chronically assaultive to caregivers or other children, self-harming, have sexually inappropriate behaviors, destructive to property, prone to leave from placement, or some combination of these. Due to these behaviors, it is extremely difficult to secure and maintain placement for these children and they typically spend extended periods of time at the Temporary Shelter Care Facilities. The children also engage in these behaviors while in Short Term Residential Therapeutic Programs and Community Treatment Facilities, which creates an unsafe environment for other children and staff. To prevent placement disruption, secure new placements for these children and to avoid hospitalizations, these contracted services continue to be necessary in order to stabilize high-risk youth in the lowest level of care possible and assist resource parents in supervising children with severe behavioral and mental health challenges. This service has been provided on a case by case basis based on the children's need. Since initially utilizing this service, the need has continued to increase over the years and DCFS is requesting to continue contracting for this services.

IMPLEMENTATION OF LOS ANGELES COUNTY'S STRATEGIC PLAN GOALS

The recommended actions are consistent with the Countywide Strategic Plan Goal No. 1, Make Investments That Transform Lives: Strategy 2, Deliver comprehensive and seamless services to those seeking assistance from the County.

FISCAL IMPACT/FINANCING

The total maximum contract amount will increase by \$14,565,449 from \$14,100,000 to \$28,665,449. The Maximum Annual Contract Amount will be increased as follows:

1. Contract term effective January 1, 2024 to June 30, 2024 will be increased by \$134,024, from \$2,100,000 to \$2,234,024;
2. Contract term effective July 1, 2024 to June 30, 2025 will be increased by \$1,923,887, from \$3,000,000 to \$4,923,887;
3. Contract term effective July 1, 2025 to June 30, 2026 will be increased by \$2,908,664, from \$3,000,000 to \$5,908,664;
4. First optional contract term effective July 1, 2026 to June 30, 2027 will be increased by \$4,090,397, from \$3,000,000 to \$7,090,397; and
5. Second and final option contract term effective July 1, 2027 to June 30, 2028 will be increased by \$5,508,477, from \$3,000,000 to \$8,508,477.

This contract will be financed using 94 percent 2011 State Realignment funds and six percent Complex Care Child Specific State funds for Fiscal Year (FY) 2023-2024.

Sufficient funding is included in the Department's Fiscal Year (FY) 2023-2024 Adopted Budget and will be included the future Budget Requests.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On April 11, 2024, in accordance with Board Policy. 5.100, Sole Source Contract and Amendments and 5.120, Authority to Approve Increases to Board Approved Contract Amounts, the Department notified the Board of its intent to request delegated authority to amend the current contract to increase the total maximum contract amount exceeding 10 percent.

The Chief Executive Office and County Counsel have reviewed the Board letter and the amendment has been approved as to form by County Counsel.

CONTRACTING PROCESS

A Contracting Process is not required for this action.

CONTRACTOR PERFORMANCE

Delta-T performed sufficiently and has worked responsibly and timely with DCFS on the current contract deliverables. The contractor will be monitored by the DCFS Bureau of Clinical Resources and Services High Risk Services Division.

IMPACT ON CURRENT SERVICES

The recommended actions will continue to provide a valuable tool for children who are unstable in placement, chronically assaultive to caregivers or other children, self-harming, and destructive to property. This contract provides services where the children are located, for a specified number of hours, depending on the children's needs. Therefore, these services help prevent some placement disruptions, improve placement stability, facilitate placements for many children, and help keep children safely with their caregivers.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Officer/Clerk of the Board send an adopted stamped copy of the Board letter and attachments to the Department of Children and Family Services.

Sole Source Justification

Behavioral Aide Services for High Risk Youth
Current Contract Term: January 1, 2024 through June 30, 2026

1. What is being requested?

DCFS is requesting delegated authority to amend the current contract to increase the maximum contract amount by over 10% to accommodate an increase in services. DCFS is requesting an increase to the total maximum contract amount by \$14,565,449 from \$14,100,000 to \$28,665,449. The Maximum Annual Contract Amount will be increased as follows:

1. Contract term effective January 1, 2024 to June 30, 2024 will be increased by \$134,024, from \$2,100,000 to \$2,234,024;
2. Contract term effective July 1, 2024 to June 30, 2025 will be increased by \$1,923,887, from \$3,000,000 to \$4,923,887;
3. Contract term effective July 1, 2025 to June 30, 2026 will be increased by \$2,908,664, from \$3,000,000 to \$5,908,664;
4. First optional contract term effective July 1, 2026 to June 30, 2027 will be increased by \$4,090,397, from \$3,000,000 to \$7,090,397; and
5. Second and final option contract term effective July 1, 2027 to June 30, 2028 will be increased by \$5,508,477, from \$3,000,000 to \$8,508,477.

2. Why is the product needed – how will it be used?

High Risk Youth are continuing to manifest their trauma, and there is an increase of referrals for youth entering and leaving hospitalizations and requiring one-to-one services for 24/7 coverage. In addition, STRTPs are closing and there are limited placement options, and there are youth with Probation histories not being accepted by the Juvenile Detention Centers that are requiring this service. Some placements are requiring one-to-one Behavioral Aide Services as a condition of accepting the youth for placement.

3. Is this brand of product the only one that meets the user's requirements?

N/A

4. Have other products or vendor been considered?

Yes. This service was procured through an invitation for bids.

5. Will purchase of this product avoid other costs?

This service may avoid other costs by keeping children/youth in lowest level of care.

6. Is this product proprietary or available from other dealers?

NOTICE OF INTENT TO AMEND THE BEHAVIORAL AIDE SERVICES FOR HIGH RISK YOUTH CONTRACT TO INCREASE THE MAXIMUM CONTRACT AMOUNT EXCEEDING 10 PERCENT

In compliance with Board Policy 5.100, Sole Source Contract and Amendments and Board Policy 5.120, Authority To Approve Increases To Board Approved Contract Amounts, this is to notify the Board that the Department of Children and Family Services (DCFS) intends to submit a Board letter to request delegated authority to execute Amendment Two to Behavioral Aide Services for High Risk Youth Contract Number 23-0053 with Delta-T Group Los Angeles, Inc. (Delta-T) to increase the maximum contract amount exceeding 10 percent.

In accordance with the Board Policy 5.100, Sole Source Contract and Amendments, County departments must provide advance written notice and justification to the Board prior to executing amendments to existing contracts when the departments do not have delegated authority to increase the maximum amount of the current contract.

In accordance with Board Policy 5.120, prior written notice to the Board is required for any department requesting delegated authority to increase a Board approved contract amount exceeding 10 percent.

BACKGROUND

Delta-T currently provides Behavioral Aide Services for one-on-one supervision for DCFS children when approved by a DCFS Deputy Director. These services are obtained for children who are difficult to place as an assurance to caregivers that they will not be

without help or support from DCFS. Offering the Behavioral Aide Services for High Risk Youth has prevented placement disruptions, improved placement stability and has facilitated placements for many children.

JUSTIFICATION

A subset of children under DCFS' care have needs that exceed the ability of available foster parents, licensed residential facilities, their parents and mental health providers. These children may be unstable in placement, chronically assaultive to caregivers or other children, self-harming, have sexually inappropriate behaviors, destructive to property, prone to leave from placement, or some combination of these. Due to these behaviors, it is extremely difficult to secure and maintain placement for these children and they typically spend extended periods of time at the Temporary Shelter Care Facilities. The children also engage in these behaviors while in Short-Term Residential Therapeutic Programs (STRTPs) and Community Treatment Facilities, which creates an unsafe environment for other children and staff. To prevent placement disruption, secure new placements for these children and to avoid hospitalizations, these contracted services continue to be necessary in order to stabilize high-risk youth in the lowest level of care possible and assist resource parents in supervising children with severe behavioral and mental health challenges. This service has been provided on a case by case basis based on the children needs. Since initially utilizing this service, the need has continued to increase over the years and DCFS is requesting to continue contracting for these services.

DCFS is requesting an increase to the total maximum contract amount by \$14,565,449 from \$14,100,000 to \$28,665,449. The Maximum Annual Contract Amount will be increased as follows:

1. Contract term effective January 1, 2024 to June 30, 2024 will be increased by \$134,024, from \$2,100,000 to \$2,234,024;
2. Contract term effective July 1, 2024 to June 30, 2025 will be increased by \$1,923,887, from \$3,000,000 to \$4,923,887;
3. Contract term effective July 1, 2025 to June 30, 2026 will be increased by \$2,908,664, from \$3,000,000 to \$5,908,664;
4. First optional contract term effective July 1, 2026 to June 30, 2027 will be increased by \$4,090,397, from \$3,000,000 to \$7,090,397; and
5. Second and final option contract term effective July 1, 2027 to June 30, 2028 will be increased by \$5,508,477, from \$3,000,000 to \$8,508,477.

This contract will be financed using 94 percent 2011 State Realignment funds and six percent Complex Care Child Specific State funds for Fiscal Year (FY) 2023-2024.

The Honorable Board of Supervisors
April 11, 2024
Page 3

Sufficient funding is included in the Department's FY 2023-2024 Adopted Budget and will be included in the future Budget Requests.

At-risk high-needs youth are continuing to manifest their trauma, and there is an increase of referrals for youth entering and leaving hospitalizations and requiring one-to-one or two-to-one services for 24/7 coverage. Some STRTPs have closed and there are limited placement options, and there are youth with Probation histories not being accepted by the Juvenile Detention Centers that are requiring this service. In addition, some placements are requiring one-to-one Behavioral Aide Services as a condition of accepting the youth for placement.

DEPARTMENT (S)	Department of Children and Family Services (DCFS)	
SUBJECT	Request To Approve A Sole Source Contract With Happy Trails For Kids For Campership Program	
PROGRAM	Campership Program	
AUTHORIZES DELEGATED AUTHORITY TO DEPT	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
SOLE SOURCE CONTRACT	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If Yes, please explain why: A Sole Source contract is needed for a current Campership vendor, Happy Trails for Kids (HTK). The planned HTK 2024 summer sessions could serve up to 360 children, with a potential reimbursement of \$270,000. However, the County Procurement fiscal regulations restricts reimbursements to a single vendor to \$200,000, within the prior twelve months. The HTK 2023 reimbursement total was \$187,020, leaving only \$12,980 for summer 2024. A Sole Source contract will allow full reimbursement to HTK for the potential total number of children to attend camp sessions in summer 2024. A Sole Source is justified due to the unique aspects of the HTK camp program. A Request for Statement of Qualifications for the Campership Program is anticipated to result in future tentative contract awards around summer 2025.	
DEADLINES/TIME CONSTRAINTS	The Sole Source will commence as of July 1, 2024 and will continue through August 2024, with requested delegated authority to extend the contract by six months.	
COST & FUNDING	Total Cost: \$270,000	Funding Source: net County cost and Flexible Family Support.
	TERMS (if applicable): July 1, 2024 through August 31, 2024.	
	Explanation: Both funding sources will be utilized to reimburse for DCFS children/youth to attend HTK camp sessions.	
PURPOSE OF REQUEST	Requesting approval of DCFS Campership Summer 2024 Sole Source with American Camp Association accredited and current DCFS Campership Program approved camp vendor, HTK.	
BACKGROUND (include internal/external issues that may exist including any related motions)	A Sole Source is justified due to the unique aspects of the HTK camp program. HTK is an established Campership Program approved camp vendor with an outstanding camp program designed specifically to serve DCFS supervised children, including children in home of parents and in foster care. The	

	<p>HTK program has been providing specialized camp services for over 15 years, which meet the unique needs of DCFS supervised children. HTK is the only current DCFS approved camp vendor able to serve over 300 children in one summer. The HTK program model is built upon the tenets of youth leadership and the importance of lived experience. The Department of Children and Family Services (DCFS) requests the Board's approval to execute a sole source contract with Happy Trails for Kids (HTK) for the Campership Program.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS, or designee, to execute a contract, substantially similar to Attachment A, with HTK for Campership Program effective July 1, 2024 through August 31, 2024, with the option to extend for an additional 6 months. The total Maximum Contract Sum is \$270,000, financed by 74 percent Foster Parent Recruitment, Retention and Support/Flexible Family Supports and 26 percent net County cost.
2. "To Enrich Lives Through Effective and Caring Service"

3. Delegate authority to the Director of DCFS, or designee, to terminate the contract for convenience or default by written notice of amendment, provided that: a) County Counsel approval is obtained; and b) the Director of DCFS notifies the Board and CEO, in writing, within ten business days of execution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The DCFS Campership Program provides a fun and educational summer camp experience to eligible children, ages 6 through 17, under DCFS supervision. Campership participation will assist children with experiencing personal growth, developing resiliency and confidence, building friendships and social connections, staying physically active, and learning the values of leadership. Camp sessions may also be offered at different times of the year.

The sole source contract will ensure the participation of up to 360 DCFS supervised children during the 2024 summer camp. The sole source contract will allow reimbursement to HTK to serve children during the summer. The two month contract period includes an option to extend for an additional six months, as a Request for Statement of Qualifications for the Campership Program is under development to identify qualified camp vendors.

The HTK has continuously demonstrated and expanded their camp program built around the understanding of and sensitivity to the comprehensive needs of children who have experienced child welfare involvement. The HTK camp program is specifically designed to encourage and support DCFS supervised children and to provide a safe, exciting and beneficial camp experience.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended services support the County's Strategic Plan Goal No. 1, Make Investments That Transform Lives: Strategy 2, Deliver comprehensive and seamless services to those seeking assistance from the County.

FISCAL IMPACT/FINANCING

The term of the contract will be effective July 1, 2024 through August 31, 2024. The Maximum Contract Amount is \$270,000, financed by 74 percent Foster Parent Recruitment, Retention, and Support/Flexible Family Supports and 26 percent net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The DCFS Campership Program provides a fun and educational summer camp experience to eligible children, ages 6 through 17, under DCFS supervision.

The HTK program has been providing specialized camp services that meet the unique needs of DCFS supervised children for over 15 years. HTK is an established campership program designed specifically to serve DCFS supervised children, including both children in foster care and at home with parents. HTK is the only current camp vendor able to serve up to 360 children in one summer.

The HTK program model is built upon the tenets of youth leadership and the importance of lived experience. The majority of the HTK camp counselors are young adults with unique lived experience in the foster care system, and HTK prioritizes hiring youth as junior counselors who previously attended the HTK camp sessions. The junior counselor experience assists DCFS youth to further develop and promote leadership and social competence skills.

The Department evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply. County employees cannot effectively perform these services because they require the development and utilization of resources that are not available in the County system.

The Contract (Attachment A) has been approved as to form by County Counsel, and the Sole Source Checklist, (Attachment B), has been approved by CEO.

CONTRACTING PROCESS

On February 22, 2024, DCFS sent a Notice of Intent (Attachment C), in compliance with County of Los Angeles Code 5.100 (Sole Source Contracting Policy) to your Board that it intended to negotiate this Sole Source contract with HTK. This vendor is uniquely qualified to comprehensively provide services to DCFS supervised children and youth.

IMPACT ON CURRENT SERVICES

If the recommended actions are not approved, the County will not be able to provide campership services for children under the supervision of DCFS.

Contractor must request County's approval in writing for Line Item Budget reallocations above the 5 percent (5%) maximum, which may only be increased to a maximum of ten percent (10%), if such request is approved. In any event, such revisions must not result in any increase in the Maximum Contract Sum. Such requests to County must be addressed to the CPM.

5.6 Intentionally Omitted

5.7.2 The Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.7.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

5.7.4 At any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

8.2.2 The Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the contractor may have against the County.

8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and

that all requirements of the contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

In the event that the County's Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract will also be reduced correspondingly. The County's notice to the contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Contract.

- If, at any time, the contractor wishes to change the contractor's procedures, the Contractor must submit proposed changes to the County for approval before implementation.
- The Contractor must preliminarily investigate all complaints and notify the CPM of the status of the investigation within five business days of receiving the complaint.
- When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Additionally, contractor certifies to the County:

8.7.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.

8.7.2 That Contractor periodically conducts a self-analysis or utilization analysis of its work force.

8.7.3 That Contractor has a system for determining if its employment practices are discriminatory against protected groups.

8.7.4 Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the Contract.

- If the contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the contractor must immediately notify the County if the contractor at any time either comes within the Jury Service Program’s definition of “contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.
- Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN/START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management;

3) material evidence discovered after debarment was imposed; or
4) any other reason that is in the best interests of the County.

- The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms will also apply to subcontractors of County contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and

regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.17.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Contract.
- Renewal Certificates must be provided to County not less than ten (10) days prior to contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.
- Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate must match the name of the contractor identified as the contracting party in this Contract. Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the

amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Campership Program Contract Administrator
Department of Children and Family Services
Contracts Administration Division, Section Four

Contractorinsurance@dcpfslacounty.gov

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to contractor. Contractor also must promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under contractor's General Liability policy with respect to liability arising out of contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status must apply with respect to liability and defense of suits arising out of the contractor's acts or omissions, whether such liability is attributable to the contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor must provide County with, or contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 Contractor's Insurance Must Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, must be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor must include all subcontractors as insureds under Contractor's own policies or must provide County with each

subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein and must require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor must obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date will precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.12 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 Separation of Insureds

All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents must be designated as an Additional Covered Party under any approved program.

8.24.15 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.25 Insurance Coverage

Each Occurrence:	\$1 million

8.25.2 Automobile Liability insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than \$5 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance must cover liability arising out of Contractor's use of autos pursuant to this Contract, including owned, leased, hired, and/or non-owned autos, as each may be applicable. Contractor must meet or exceed all requirements of Public Utilities Code (PUC) Section 5391 and PUC General Order 101-E.

8.25.3 Workers Compensation and Employers' Liability insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also must include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. If applicable to Contractor's operations, coverage also must be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.25.4 Unique Insurance Coverage

- **Sexual Misconduct Liability**

- **Professional Liability-Errors and Omissions**

Insurance covering Contractor's liability arising from or related to this Contract, with limits of not less than \$1 million per claim and \$3 million aggregate. The Contractor must add the County as an additional insured to its cyber liability insurance policy and provide to the County certificates of insurance evidencing the foregoing upon the County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, will not be construed as a limitation upon the Contractor's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 Liquidated Damages

8.26.1 If, in the judgment of the Director, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the contractor from the County, will be forwarded to the contractor by the Director, or their designee, in a written notice describing the reasons for said action.

- 8.26.2** If the Director, or their designee, determines that there are deficiencies in the performance of this Contract that the Director, or their designee, deems are correctable by the contractor over a certain time span, the Director, or their designee, will provide a written notice to the contractor to correct the deficiency within specified time frames. Should the contractor fail to correct deficiencies within said time frame, the Director, or their designee, may: (a) Deduct from the contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is five hundred dollars (\$500) per day per infraction, or as specified in Technical Exhibit 4 (Performance Requirements Summary (PRS)) Chart of Exhibit A (Statement of Work and Technical Exhibits) hereunder, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the contractor from the County, as determined by the County.
- 8.26.3** The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the contractor to recover the County cost due to the failure of the contractor to complete or comply with the provisions of this Contract.
- 8.26.4** This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

- 8.28.1** The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry,

national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

- 8.28.2** Contractor certifies to the County each of the following:
- That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
 - That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
 - That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
 - Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.
- 8.28.3** The Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- 8.28.4** The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 8.28.5** The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6** The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.28.7** If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such

violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the contractor. This Contract will not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor must bring to the attention of the CPM or designee any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the CPM or designee is not able to resolve the dispute, the Director, or designee will resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor must notify and provide to its employees, and will require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit

G (Safely Surrendered Baby Law) of this Contract. Additional information is available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.34 Notices

All notices or demands required or permitted to be given or made under this Contract must be in writing and will be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits D (County's Administration) and E (Contractor's Administration). Addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The Director or designee will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

8.36.1 Any documents submitted by the contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

8.37.1 The Contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the contractor from publishing its role under this Contract within the following conditions:

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the CPM.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 8.37 (Publicity) will apply.

8.38 Record Retention and Inspection-Audit Settlement

8.38.1 The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The contractor must also maintain accurate and complete employment and other records relating to its performance of this Contract. The contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside of Los Angeles County, then, at the County's option, the contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor

or accountant employed by the contractor or otherwise, then the Contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.3 Failure on the part of the Contractor to comply with any of the provisions of this subparagraph will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.4 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.38.5 Contractor will be responsible for conducting annual financial audits of its agency and its subcontractor(s) if required by County, CDSS, and/or the California Secretary of State to be conducted by an independent audit firm and in accordance with generally accepted auditing standards. Within thirty (30) calendar days after issuance of such audit reports, Contractor will forward copies of such reports to DCFS.

8.38.6 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.39 Recycled Bond Paper

Consistent with the Board policy to reduce the amount of solid waste deposited at the County landfills, the contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Subcontracting

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

- 8.40.2** If the Contractor desires to subcontract, the Contractor must provide the following information promptly at the County's request:
- A description of the work to be performed by the subcontractor.
 - A draft copy of the proposed subcontract;
 - Documentation that all subcontractor staff who will have contact with children have been cleared through a live-scan, and
 - Other pertinent information and/or certifications requested by the County.
- 8.40.3** The Contractor must indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.
- 8.40.4** The Contractor will remain fully responsible for all performances required of it under this Contract, including those that the contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.40.5** The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 8.40.6** The CPM is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, contractor must forward a fully executed subcontract to the County for their files.
- 8.40.7** The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.40.8** The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Before any subcontractor employee may perform any work hereunder, contractor must ensure delivery of all such documents to:

County of Los Angeles
Department of Children and Family Services
Contract Section
510 S. Vermont Avenue, 10th Floor
Los Angeles, CA 90020
Attention: Lorna Schill, County Program Manager

8.40.9 Contractor will obtain the following from each subcontractor before any subcontractor employee may perform any work under any subcontract to this Contract. Contractor will maintain and make available upon request of CPM all the following documents:

8.40.9.1 An executed Exhibit F3 - Contractor Non-Employee

Acknowledgment and Confidentiality Agreement, executed by each subcontractor and each of subcontractor's employees approved to perform work hereunder.

8.40.9.2 Certificates of Insurance which establish that the subcontractor maintains all the programs of insurance required by Paragraph 8.25, Insurance Coverage requirements, of this Contract.

8.40.9.3 The Tax Identification Number of the subcontracting agency to be placed on the signature page of the subcontract. This tax Identification Number will not be identical to the Contractor's Tax Identification Number.

8.40.9.4 Contractor will provide CPM with copies of all executed subcontracts after CPMs approval.

8.40.9.5 No subcontract will alter in any way any legal responsibility of Contractor to County. Contractor will remain responsible for any and all performance required of it under this Contract, including, but not limited to, the obligation to properly supervise, coordinate and perform all work required hereunder.

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the contractor, pursuant to [County Code Chapter 2.202](#).

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination

becomes effective will be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the contractor must:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as would not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the contractor under this Contract must be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of CPM:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the contractor will not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity,

acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against the contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Paragraph 8.45 (Termination for Insolvency) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by the contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Chapter 2.160](#). Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" will constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within ten (10) days of notice will be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.53 Time Off for Voting

The Contractor must notify its employees and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than ten (10) days before every statewide election, every contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

8.54 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.55 Intentionally Omitted

8.56 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#). Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

8.57 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.

8.59 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

**COUNTY OF LOS ANGELES
DEPARTMENT OF CHILDREN AND FAMILY SERVICES
CAMPERSHIP PROGRAM**

PART A: INTRODUCTION

1.0 PREAMBLE

The County of Los Angeles (County) seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan, Mission, Values, Goals, and Performance Outcomes.

The County's vision is to improve the quality of life in the County by providing responsive, efficient, and high-quality public services that promote the self-sufficiency, well-being, and financial security of individuals, families, businesses, and communities. The philosophy of teamwork and collaboration is anchored in the County's shared values of: 1) Accountability 2) A-Can-Do Attitude; 3) Compassion; and 4) Customer Orientation; 5) Integrity; 6) Leadership; 7) Professionalism; 8) Respect for Diversity; and 9) Responsiveness.

These shared values are encompassed in the County's Strategic Plan's three goals: 1) Make Investments That Transform Lives; 2) Foster Vibrant and Resilient Communities; and 3) Realize Tomorrow's Government Today. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting agencies.

In addition to the County's Strategic Plan to improve its communities, the Los Angeles County Department of Children and Family Services (DCFS) also has a new strategic foundation to promote safety, permanency, and well-being for children. The Invest LA initiative focuses on three priority investment areas: 1) Strengthening Children, Youth and Families; 2) Workforce Excellence; and 3) Community and Cross-Sector Partnership. The work on these areas will be guided by five foundational pillars: 1) Prevention and Aftercare; 2) Shared Practice Model; 3) Brain Science; 4) Establishing a Safety Culture; and 5) Culture of Equity.

2.0 BACKGROUND/OVERVIEW

2.1 The DCFS Campership Program provides a fun, safe, affirming and educational camp experience to eligible children, ages 6 through 17, inclusive of all sexual orientations and gender identities (SOGI), race/ethnicities, religious and cultural backgrounds, under DCFS supervision. It also provides constructive use of their leisure time during their periods off from school and offers respite time for their caregivers. Campership participation will assist these children with experiencing personal growth, developing resiliency and confidence, building friendships and social connections, staying physically active, and learning leadership values, and providing opportunities for children from diverse backgrounds to access resources and experiences they might not otherwise have access to.

- 2.2 The overall goal of the Campership Program is to ensure that every eligible child learn and gain valuable experience by safely participating in the Campership Program through its many camp service options and site locations throughout the year.
- 2.3 The primary types of camps are the overnight and specialty camps. These camps offer beneficial outdoor and indoor activities services ranging from using a proactive educational and psycho-social support approach to the unique opportunities provided through the specialty camps. Special camps have an individualized focus. For example, a camp can provide leadership, education, and mentoring opportunities for at-risk children or may focus on sports, intensive science, or the arts.
- 2.4 These various camp opportunities encourage and support significant developmental growth and learning and create a safe place for children to build friendships, master new skills, gain independence, explore new experiences or activities in natural settings or specialized learning opportunities, learn about differences in others and gain confidence in the person they are becoming. These experiences will provide life-learning skills that help them become well-informed, emotionally healthy, socially well-adapted, and resilient adults. Moreover, children who engage in camp activities have the opportunity to gain insights into underrepresented groups, encompassing diverse cultural backgrounds, religions, and communities, including the lesbian, gay, bisexual, transgender, queer/questioning, intersex, asexual/aromantic, two-spirit, (LGBTQIA2S+ or LGBTQ+) community. This fosters an understanding of diverse perspectives, promotes inclusion and acceptance, raises awareness of historical and cultural contexts, and empowers children to advocate for social justice and support marginalized communities.

3.0 SCOPE/OBJECTIVES

The overall goal is to ensure that eligible children under DCFS supervision have an opportunity to learn and gain valuable experience by safely participating in the Campership Program. The Campership Program will partner with Happy Trails for Kids to provide summer 2024 camp opportunities. There are three planned summer camp sessions: July 2, 2024, through July 19, 2024; July 21, 2024, through July 26, 2024; and July 28, 2024, through August 2, 2024. The terms child and youth are interchangeable for this Statement of Work (SOW).

4.0 COMMITMENT TO EQUITY, INCLUSION AND DIVERSITY

DCFS Equity Goal

DCFS is dedicated to addressing the needs of underserved and marginalized populations by ensuring equitable access, inclusion, diversity, and opportunities for all children, youth, and families. The plan of equitable access provides resources to high-risk and vulnerable children, including children/youth who within the Los Angeles County Child Welfare system, specifically and including Black,

Indigenous, and People of Color (BIPOC) and LGBTQIA2S+, and other gender and sexual minority communities. The plus symbol acknowledges other identities and expressions children.

The Campership contractors must commit to these goals.

Eligibility to attend a Happy Trails for Kids summer 2024 camp session requires that the child's case must be open with Los Angeles County DCFS at the time of registration in a camp. 12.0 DEFINITIONS

The following words defined under this SOW are for reference only and are not intended to solely define the scope of any provision herein. The following words and phrases must be construed to have the meanings described in this section, unless otherwise apparent from the context in which they are used.

- 12.1** Affirming Behaviors: Approaches that validate LGBTQIA2S+ identities and create an inclusive space for all. Affirming behaviors/practices have been shown to lead to more favorable outcomes for LGBTQIA2S+ children and youth and are critical during the coming out process.
- 12.2** Asexual: Not sexually attracted to anyone and/or no desire to act on attraction to anyone. Does not necessarily mean sexless. Asexual people

sometimes do experience affectional (romantic) attraction.

- 12.3** Binders: a compression garment for temporarily flattening a person's breast tissue, often used by gender-diverse people as part of their gender expression
- 12.4** Bisexual: Attracted to people of one's own gender and people of other gender(s). Two common misconceptions are that bisexual people are attracted to everyone and anyone, or that they just have not "decided." Often referred to as "bi."
- 12.5** Cisgender: Denoting or relating to a person whose sense of personal identity and gender corresponds with their birth sex.
- 12.6** Gay: Generally refers to a man who is attracted to men. Sometimes refers to all people who are attracted to people of the same gender identity; sometimes "homosexual" is also used, although this term is seen by many today as a medicalized term that should be retired from common use.
- 12.7** Gender Identity: An individual's internal sense of being male, female, some of both, or neither
- 12.8** Intersex: A general term used for a variety of genetic, hormonal, or anatomical conditions in which a person is born with a reproductive or sexual anatomy that doesn't seem to fit the typical definitions of female or male. Some intersex individuals identify as transgender or gender variant; others do not. (Note: hermaphrodite is an obsolete term that is not currently considered appropriate).
- 12.9** Lesbian: A woman who is attracted to women. Sometimes also or alternately "same-gender-loving woman" or "woman loving woman." See also Gay.
- 12.10** LGBTQIA2S+: is an acronym used to represent the diverse identities of lesbian, gay, bisexual, transgender, queer/questioning, intersex, asexual/aromantic, two-spirit, and other gender and sexual minority communities. The "+" symbol acknowledges other identities and expressions not included in the acronym and the ongoing evolution of language and understanding around gender and sexual diversity.
- 12.11** Non-Binary/Genderqueer/Gender Non-Conforming: Non-binary, genderqueer or gender non-confirming is an umbrella term for gender identities that are neither male nor female; identities that are outside the gender binary.
- 12.12** Packer: a penile prosthesis or other object of phallic shape placed in the crotch of one's clothing to create a bulge, often used by gender-diverse people as part of their gender expression
- 12.13** Pronouns: A pronoun is a word that takes place of a noun or name (common pronouns include she/her/hers, he/him/his, they/them/theirs).
- 12.14** Queer: Traditionally a derogatory term, yet reclaimed and appropriated by some LGBTQ individuals as a term of self-identification. It is an umbrella term which embraces a matrix of sexual preferences, gender expressions, and habits that are not of the heterosexual, heteronormative, or gender-binary majority. It is not a universally accepted term by all members of the

LGBTQ community, and it is often considered offensive when used by heterosexuals.

- 12.15** Questioning: One who may be unsure of, reconsidering, or choosing to hold off identifying their sexual identity or gender identity or gender expression.
- 12.16** Sex/Sex Assigned at Birth: The sex (male or female) assigned to a child at birth, most often based on the child's external anatomy. Also referred to as birth sex, natal sex, biological sex, or sex.
- 12.17** Sexual Orientation: Describes to whom a person is sexually attracted. Some people are attracted to people of a particular gender; others are attracted to people of more than one gender. Some are not attracted to anyone.
- 12.18** Transgender: A person whose gender identity differs from their sex assigned at birth. A male to female transgender person would be defined as a transgender woman. A female to male transgender person would be defined as a transgender man. Transgender might include a person who identifies as non-binary, or a third gender, outside of traditional male or female identities.
- 12.19** Two-Spirit/2S: A person who identifies with the Native American tradition of characterizing certain members of the community as having the spirit of both the male and female genders.

PART E: PERFORMANCE REQUIREMENTS SUMMARY

A Performance Requirements Summary (PRS) Chart, Exhibit 4 of this Exhibit A, listing required services and deliverables that will be monitored by the County during the term of this Contract is an important monitoring tool for the County.

All listings of services and deliverables referenced in the PRS Chart are intended to be completely consistent with the Contract and the SOW, and are not meant in any case to create, extend, revise, or expand any obligation of Contractor beyond that defined in the Contract and the SOW. In any case of apparent inconsistency between services or deliverables as stated in the Contract and the SOW and this PRS, the meaning apparent in the Contract and the SOW will prevail. If any service or deliverable seems to be created in this PRS which is not clearly and forthrightly set forth in the Contract and the SOW, that apparent service will be null and void and place no requirement on Contractor.

SOLE SOURCE JUSTIFICATION

It is the policy of the County to solicit the maximum number of bids/proposals for a commodity or service from the largest relevant market and to select vendors on a competitive basis.

There are certain acquisitions which, when in the best interest of the County, can only be obtained from a sole source. Sole source acquisitions must be justified in sufficient detail to explain the basis for suspending the usual competitive procurement process.

NOTE: Please refer to Section 2.5 of the Los Angeles County Services, Supplies & Equipment Contract/Purchasing Policy Manual (Attachment III).

DOCUMENTATION FOR SOLE SOURCE JUSTIFICATION MUST INCLUDE RESPONSES TO THE FOLLOWING QUESTIONS WHEN APPLICABLE:

1. What is being requested?

The proposed sole source contract will be with Happy Trails for Kids (HTK), effective July 1 through August 31, 2024.

2. Why is the product needed – how will it be used?

The HTK 2024 summer session can serve up to 360 children, with a contract sum of \$270,000. The proposed sole source contract is only needed for summer 2024 as a Request for Statement of Qualifications for the Campership Program is anticipated to result in contract awards in 2025.

3. Is this “brand” of product the only one that meets the user’s requirements?

Yes, HTK is an established camp vendor with an outstanding camp program designed specifically to serve DCFS supervised children, including children in home of parents and in foster care. The HTK program has been providing specialized camp services which meets the unique needs of DCFS supervised children for over ten years. HTK is the only current DCFS approved camp vendor able to serve over 300 children in one summer.

4. Have other product/vendors been considered?

Yes, however there are no other approved Campership camp vendors who can offer the specialized camp program provided by HTK or serve over 300 DCFS children during summer 2024.

5. Will purchase of this product avoid other cost?

Not applicable.

6. Is this product proprietary or is it available from various dealers?

The HTK camp program has been specifically designed to serve DCFS supervised children. There are currently no other approved camp vendors which offer the HTK specialized camp program.

7. Reasonableness of Price. Does the County obtain a percentage discount or special discount not available to the private sector

Yes, there is a County discount as the rate offered by HTK is much less than the actual cost to provide the camp services.

8. What is the dollar value of existing equipment and the Purchase Order No. for the existing equipment?

Not applicable.
