Dear Supervisors:

AUTHORIZE PARTICIPATION IN THE COMMEMORATIVE 175TH ANNIVERSARY BADGE PROGRAM FOR THE PERIOD OF APRIL 1, 2025, THROUGH MAY 1, 2026 (ALL DEPARTMENTS) (3 VOTES)

DRAFT

SUBJECT

The Sheriff's Department of Los Angeles County (Department) is seeking Board of Supervisors (Board) approval to participate in the Departments commemorative 175th anniversary badge program (Program). With the approval of the Board, through the Executive Office of the Board, the Department will identify sworn uniformed personnel designated by the Sheriff to participate in this optional and voluntary Program, at their own expense, and allow participating personnel to wear the Department's commemorative 175th anniversary badge for the period of April 1, 2025, through May 1, 2026.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Internal Services Department (ISD), through the Executive Office of the Board, to amend the agreement and issue a temporary license to Entenmann-Rovin, the County's authorized badge vendor, to be the retail distributor of the commemorative 175th anniversary badge using the Department's name and insignias (Attachment A).

2. Authorize the Sheriff, or his designee, to allow authorized sworn designated uniformed personnel to participate in the optional and voluntary Program and wear the specially designed commemorative 175th anniversary badge for the period of April 1, 2025, through May 1, 2026.

3. Authorize the retention of the commemorative badges at the end of authorized period as keepsakes so long as they are encased in a block of Lucite, or similar materials, to render the badges unusable for active service.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

To commemorate the 175th anniversary celebration of the Department with the community on this most historical occasion and pay tribute to the many generations of Department team members who have proudly served with honor and bravery, ISD, through the Executive Office of the Board, will amend the agreement and issue a temporary license to Entenmann-Rovin for commemorative 175th anniversary badges.

Participation in the Program is optional and purely voluntary for authorized Department personnel. Authorized personnel shall be deemed as active Department sworn uniformed personnel designated by the Sheriff. The commemorative 175th anniversary badges shall be purchased by authorized and participating personnel as described herein. Authorized Department personnel who wish to participate will be able to purchase the commemorative badge through the Department, at their own expense, to wear only for the period of April 1, 2025, through May 1, 2026. At the time of the commemorative 175th anniversary badge purchase, participating Department personnel shall also purchase the Lucite encasement in coordination with the Department, to encase the commemorative 175th anniversary badge at the end authorized period. The purchase of the commemorative 175th anniversary badge and Lucite encasement will be requisitioned through the County's Purchasing Agent in accordance with the County's purchasing policies and procedures.

The process would mirror that which is currently in place for existing Department issued badges and honorably retired personnel. Authorized Department personnel will surrender their current badge to the Department's Employee Service Center (ESC) and will wear the commemorative badge for the period of April 1, 2025, through May 1, 2026. At the conclusion of the authorized period, Department personnel shall surrender the commemorative 175th anniversary badge to the ESC to proceed with the commemorative badge's encasement in a block of Lucite to render the badge unusable for active service. At that time, the prior badge shall be reissued.

DRAFT

Implementation of Strategic Plan Goals

The recommended action supports the County's Strategic Plan's North Star 3: Realize tomorrow's government today; Focus Area Goal G: Internal Controls and Processes: Strengthen our internal controls and process while being cognizant of efficiency to continue good stewardship of the public trust and fiscal responsibility.

FISCAL IMPACT/FINANCING

Department personnel who choose to voluntarily participate in the Program would be required to purchase the commemorative 175th anniversary badge and Lucite encasement at their own expense. There is no impact to net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to the County of Los Angeles Code of Ordinance, Sections 5.64.130, 5.64.280 and 5.64.310, the Board may allow the issuance of badges by order of the Executive Officer of the Board, allow a vendor to manufacture an official badge, and allow authorized personnel to wear County badges, including sworn and other designated uniformed personnel from the Department. Additionally, under the County of Los Angeles Code of Ordinance, Section 5.64.095, the Executive Office of the Board may authorize the retention of old badges as keepsakes so long as it is encased in a block of Lucite, or similar material, to render the badges unusable for active service.

Further, a precedent exists for similar commemorative badges, specifically County of Los Angeles Code of Ordinance, Sections 5.64.135, for the Sheriff's Department 150th year commemorative badge in 2000 and the more recent Super Bowl LVI commemorative badge in 2021.

CONTRACTING PROCESS

This is a commodity purchase under the statutory authority of the County's Purchasing Agent. The purchase will be requisitioned through the County's Purchasing Agent in accordance with the County's purchasing policies and procedures.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Department's Program has no impact on current services. The Department badge is recognized worldwide as a symbol of respect and honor. A recommendation for its replacement, however brief, is not proposed without recognizing this fact. The prestige

of the Department's badge is born of the professional growth, history, and legacy of its accomplishments, lessons learned, and improvements made by its membership. A campaign of this nature will enable the Department and its personnel to celebrate this historical centennial celebration of dedicated service to the residents and communities in our care.

BACKGROUND (include internal/external issues that may exist including any related motions)	The department is currently facing staffing shortages resulting from higher-than-average attorney attrition and recruitment and hiring challenges. To address these issues, the department has implemented various measures, such as expediting hiring utilizing emergency appointments under Civil Service Rule 13.04, expanding recruitment and hiring to include more experienced attorneys, and optimizing its law clerk hiring pipeline program. Despite these measures, operational gaps persist, particularly in high-demand areas like Department 101 at the Van Nuys Branch Office, which handles the highest number of felony caseloads.

AUTHORIZE THE LOS ANGELES COUNTY PUBLIC DEFENDER TO EMPLOY ONE RETIRED COUNTY EMPLOYEE ON A TEMPORARY BASIS AND GRANT AN EXCEPTION TO THE 180-DAY WAITING PERIOD REQUIRED UNDER PEPRA

(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)

SUBJECT

The Los Angeles County Public Defender requests the Board's approval to grant an exception to the 180-day waiting period required under the Public Employees' Pension Reform Act of 2013 before reinstating retired County employees as 120-day rehired retirees. The Department affirms that the retiree is highly skilled and that the work she will be performing is critical.

IT IS RECOMMENDED THAT THE BOARD:

1. Waive the 180-day break in service requirement and reinstate retired County employee Jody Rubel to a 120-day temporary assignment as a Deputy Public Defender II at the Department's Van Nuys Branch Office in the North Region.

DRAFT

2. Approve the request for Jody Rubel to receive compensation at the rate of $75.37 per hour and work no more than 960 work hours within a fiscal year, upon the Board's approval of her temporary reinstatement as a Deputy Public Defender II.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Public Defender's request to waive the 180-day break in service requirement is intended to provide the Department with additional staffing support to help address operational gaps due to higher-than-average attorney attrition and vacancies, while the Department continues to work toward hiring and training more permanent attorney staff.

The Department has implemented various mitigation measures to address attorney recruitment, attrition, and workload challenges. For example, the Department has streamlined recruitment and hiring to backfill vacant attorney positions. Whereas historically, the Department only recruited and hired attorneys at the entry-level, it has now expanded its recruitment and hiring to include more experienced attorneys at the Deputy Public Defender II level. The Department has utilized Civil Service Rule 13.04 on Emergency Appointments, which has boosted rapid hiring efforts and expanded its attorney law clerk program, which has served as an effective hiring pipeline into entry-level attorney positions.

Further, the Department has collaborated with the Los Angeles County Employees Retirement Association to recruit and enlist retired deputy public defenders from Public Defender and the Alternate Public Defender to bolster staffing levels.

The Department intends to assign Ms. Rubel, a former felony attorney with the Alternate Public Defender, to Department 101 at the Van Nuys Branch Office, which is a high-volume arraignment court. Previously, five full-time attorneys were assigned to these courts. However, due to staffing shortages, Department 101 currently consists of one full-time employee and three 120-day rehired retirees.

The Van Nuys Branch felony attorneys currently carry the highest number of felony caseloads in the office. Ms. Rubel's experience is invaluable since she can assist the Branch with felony preliminary hearings and felony and misdemeanor arraignments. The temporary integration of Ms. Rubel as a rehired retiree will alleviate the strain on Branch operations and allow the Branch's felony and misdemeanor trial attorneys to focus on their primary duties.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of the recommended actions is consistent with the County's Strategic Plan North Star 1, Make Investments that Transform Lives and North Star 2, and Foster

Vibrant and Resilient Communities; and aligned with the Board's *Care First, Jails Last,* and Homeless Initiative priorities.

FISCAL IMPACT / FINANCING

The Department will utilize a budgeted vacant Deputy Public Defender II to fund the requested rehired retiree.

FACTS AND PROVISION/LEGAL REQUIREMENTS

The recommended action is consistent with the Public Employee's Pension Reform Act of 2013, which allows a person who retires from the County to serve without reinstatement from retirement or loss or interruption of benefits provided by the retirement system before a period of 180 days following the date of retirement if the Board certifies the position is critically needed and the retired person has the skills required to perform work of limited duration.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended actions will provide the Department with additional staffing support to help address operational gaps due to higher-than-average attorney attrition and vacancies.

Respectfully submitted,

"To Enrich Lives Through Effective and Caring Service"

March 18, 2025

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

REQUEST FOR DELEGATED AUTHORITY TO THE CHIEF EXECUTIVE OFFICER TO EXECUTE AND GRANT A REAL ESTATE LICENSE TO THE STATE OF CALIFORNIA AT THE COUNTY-OWNED TELECOMMUNICATION SITE: PUENTE HILLS-NIKE (FIRST DISTRICT) (3 VOTES)

SUBJECT

Request for delegated authority to the Chief Executive Officer, or her designee, to approve and execute a proposed real estate license (License) at the County-owned communication site at Puente Hills-Nike in La Habra Heights, to allow the State of California (State) to continue to operate an existing communication facility currently located at the site. This telecommunication facility will continue to be a vital part of the State's emergency and routine communication network.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that entering into the proposed License set forth in the Enclosure for the continued use and occupancy by the California Highway Patrol (CHP) at the Puente Hills-Nike telecommunication facility is categorically exempt from the provisions of the California Environmental Quality Act (CEQA), pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board on November 17, 1987, and per section 15301 of the State CEQA Guidelines (Existing Facilities).

2. Find that the proposed License to the State is in the public's interest and the use will not substantially conflict or interfere with the use of the property by the County.

3. Delegate authority to the Chief Executive Officer, or her designee, to approve and execute the proposed License, to continue to allow the State's use at the Puente Hills-Nike telecommunication facility.

4. Delegate authority to the Chief Executive Officer, or her designee, to negotiate, approve, execute and/or grant any other consents, ancillary documentation, sublicenses, or future amendments, approved as to form by County Counsel, which are necessary to effectuate the proposed License, and the activities permitted under the License.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The CHP has identified the Puente Hills-Nike radio communications facility as the only location that would remedy poor radio coverage in Orange County. The low band base stations have become CHP's solution in communication for the Orange County Traffic Management Center and a key link to the Orange County Communication Center Dispatch (OCCC). Any failure of communication within the OCCC would pose a critical threat to CHP's officers and the communities throughout Southern California, extending to the border.

The original Puente Hills-Nike radio communications license commenced in 1999 and has been in holdover since 2022.

The purpose of this action is to enter into a proposed ten-year License with the State, at the direction, and with the consent of the CHP. The proposed License will include two consecutive five-year options to extend and will include the option for either party to terminate the License at any time upon giving the other party 180 days advance written notice.

The proposed annual compensation to be received by the County for Puente Hills-Nike facility is $17,930 with a fixed annual escalation of 3 percent. This amounts to an estimated total ten-year County compensation income of around $215,000. The proposed License contains a provision to continue the 3 percent annual escalation in the event of any holdover period. The fee rate includes a public agency discount based on the statewide Telecommunication Lease Rate Guideline published annually by the State.

Implementation of Strategic Plan Goals

The proposed License supports the Countywide Strategic Plan North Star 3 of Realizing Tomorrow's Government Today, specifically by ensuring we implement flexible and efficient administrative, technological, and physical infrastructures to meet the needs of our constituents.

The proposed License is also consistent with the Strategic Asset Management Goals of Strengthening connections between service priorities and asset decisions, and Prioritizing needs to optimize highest and best use of assets, and Key Objective 3 – Optimize Real Estate Portfolio.

The proposed License supports the above goals and objective by maximizing the use of County-owned space to facilitate critical communication infrastructure and increasing lease revenue.

FISCAL IMPACT/FINANCING

The total revenue received by the County, for the proposed License, over the entire term is around $215,000 and will be deposited in the County General Fund's Non-Departmental Revenue account for Real Properties, Rents, and Concessions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed License to the State is authorized by California Government Code Section 25526.6, which authorizes licensing County real property to the State, provided the conveyance is in the public interest and the conveyance will not interfere with the use of the property. The proposed License is necessary to license the Puente Hills telecommunication tower for the continued emergency services communication use by the State. The State's operations do not interfere with the use by any County departments.

ENVIRONMENTAL DOCUMENTATION

The recommended action to continue licensing space at the Puente Hills-Nike telecommunication facility is categorically exempt from the provisions of CEQA, pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board on November 17, 1987, and per section 15301 of the State of California CEQA Guidelines (Existing Facilities). In addition, the proposed License will comply with all applicable regulations, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled, pursuant to Government Code Section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

Upon the Board's approval of the recommended action, a Notice of Exemption will be filed with the Registrar-Recorder/County Clerk in accordance with section 21152 of the California Public Resources Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended action will not affect any current services and will not compromise public safety missions or disrupt vital, existing, communication services to the County.

Respectfully submitted,

NOW, THEREFORE, in consideration of the mutual promises, covenants, and conditions set forth herein, the parties hereto and each of them agree as follows:

1. **LICENSED AREA**

1.01 County hereby licenses to State, and State hereby hires and accepts from County on the terms and conditions hereinafter set forth, the use of radio rack/antenna space(s) and related communication facilities located at the County's telecommunication site commonly referred to as Puente Hills Communications Site (the "Licensed Area"), shown on **Exhibit B** attached hereto and incorporated herein by this reference.

1.02 State acknowledges its personal inspection of the Licensed Area and the surrounding area and evaluation of the extent to which the physical condition thereof will affect its operations. State accepts the Licensed Area in its as-is condition, and County

makes no warranty, express or implied, as to the suitability of the Licensed Area for any purpose.

1.03 State may make or construct or cause to be made or constructed additions, alterations, repairs, replacements or other improvements to the Licensed Area at State's expense, provided written approval thereof is first obtained from the County's Chief Executive Office ("CEO"), which approval shall not be unreasonably withheld, conditioned, or delayed, and with permission complies with all terms and conditions of said Agreement. Notwithstanding the foregoing, State shall not be required to obtain approval for routine maintenance and replacement of equipment with substantially similar equipment of the same number and size.

1.04 State hereby acknowledges the title of the County or its successors in the Real Property and the Licensed Area, and covenants and agrees never to assail, contest, or resist said title. State further agrees that State's use and occupancy of the Licensed Area shall be in accordance with the terms and conditions of this License.

2. PURPOSE AND USE

2.01 The sole purpose of this Agreement is to allow State the right to continue to use the Licensed Area to use, maintain, repair and operate its CHP communications system, including two (2) radio transmitting and receiving antennas on the County communication tower at the 41' and 70' levels, and two (2) equipment racks and related cavities and cables inside the County's communication shelter and utility lines, and other associated equipment (such as communications system and associated equipment, collectively, "the Antenna Facility") as shown in **Exhibit C**, consisting of three (3) pages, attached hereto and incorporated herein by this reference.

2.02 The Licensed Area shall be used only for the purposes authorized by Section 2.01, and such other purposes as are directly related thereto, provided express written approval therefor is approved by the County (collectively the "**Licensed Activities**"), and for no other purposes whatsoever.

2.03 Ownership of all improvements constructed by State upon the Licensed Area and all alterations, additions or betterments thereto shall remain with State until termination of this Agreement. During the term of the License, State, upon notification to County, may remove or replace its Licensee Facility and County hereby waives any and all lien rights it may have in relation thereto, statutory, or otherwise. Before termination of this Agreement, State is responsible for removal of all State-owned improvements and personal property pursuant to Sections 9(g) and 18.

2.04 The Licensed Area will be locked for security purposes. State will be provided with a set of keys. Access by State to the Licensed Area, except in emergencies, shall be coordinated in advance with Internal Services Department ("ISD"), at (323) 267-2781, Monday to Friday 7:30 am to 4:30 pm, and with ISD Customer Assistance Center at (562) 401-9349 after hours, as posted at the entry door of the Licensed area.

2.05 State acknowledges that the Real Property is remotely monitored by ISD. At a requirement for accessing the Licensed Area, State will contact ISD's alarm-receiving office prior to entering and upon leaving the Premises so that ISD can ensure that the Real Property and Licensed Area are properly secured. Upon each entry to the Licensed Area, State or

State's approved representative shall sign and date County's entry log for the site. Said log shall be kept at the Licensed Area.

2.06 The right and permission of State is subordinate to the prior and paramount right of County to the Real Property for the public purposes to which it is now and may in the future, at the option of State, be devoted, including but not limited to telecommunications. State undertakes and agrees to use the Licensed Area in such manner as will not injure or unreasonably interfere with the full use and enjoyment of the Real Property by the County outside of the boundaries of the Licensed Area.

3. TERM

3.01 The term shall commence April 1, 2025 (the "Commencement Date"), as described on the first page of License, and shall consist of a 10-year "Initial Term", plus two (2) Extension Options of five (5) years each option, with such rights of termination as may be hereinafter expressly set forth. Unless Licensee gives prior written notice within sixty (60) days of the end of a term or Extension Option that it will not exercise its option, the License will automatically extend for an additional five (5) years, with the last five (5) year term ending March 31, 2045.

Rent will continue to increase at three percent (3%) annually during the holdover period.

4. INITIAL CONSIDERATION

4.01 State hereby agrees to pay from legally available funds as consideration for said license during the term hereof an initial commencement monthly fee ("Fee") in arrears of One Thousand Five Hundred Sixty-Four and 0/100 dollars ($1,564.00) with three percent (3%) annual increases.

4.02 The first monthly Fee payment shall be prorated for the number of days used during the month of the Commencement Date, due and payable at the end of the month following the Commencement Date, and thereafter the monthly Fee will be payable in arrears on the first (1st) day but no later than the fifteenth (15th) day of the month following each and every applicable month of the term hereof.

4.03 In the event of an unresolved State budget, said consideration shall be suspended as past due with interest charge or late payment penalty waived until State budget is approved. State remains responsible for the full amount of the past due consideration and such amount must be paid in full once the State budget is approved.

Payments shall be made by check or draft issued and payable to the County of Los Angeles, and mailed or otherwise delivered to:

County of Los Angeles

Los Angeles, California 90012
Attn: Franchise/Concessions Section

State shall include, in the Payment Identification Data Section of its check stub, the License number and the site or building name and address.

4.04 The delivery of this License and any indemnity provided in this License shall not directly, indirectly or contingently, obligate State to levy any form of taxation or to make any appropriation. Any obligation of State created by or arising out of this License shall not impose a debt or pecuniary liability upon State, or a charge upon the general credit or taxing powers thereof but shall be payable solely out of legally available funds duly authorized and appropriated by the State of California.

5. PAYMENT ADJUSTMENT

State shall install interference protection devices such as isolators, cavities, circulators, or combiners as required or recommended by accepted industry practices.

The Licensed Area shall be kept neat and clean by the State and ready for normal use by County and other users. Should State fail to accomplish this following notice from County, County may perform the work and State shall pay the cost thereof upon written demand by County.

10. ACCESS

10.01 County hereby grants to State and State-approved contractors a nonexclusive right to use, at its sole risk, during the term and option period of this License, the means of access which serves the Licensed Area (the "**Access**"). State and its approved contractors acknowledge and accept the present condition of the Access and accept that County shall not

County acknowledges that State's public safety communication equipment has some interoperability with County and shall use its best efforts to facilitate cooperation between State and other Licensees to eliminate electronics conflicts.

12.02 In the event that County at its sole discretion requires State to terminate its entire operation on the Licensed Area due to said interference, State may resume operation, under the same terms and conditions of this License once the interference has been eliminated as determined by County in its sole discretion.

14.03 Pursuant to Government Code Sections 895.4 and 895.6, if any party is held liable upon any judgment for damages caused by a negligent or wrongful act or omission occurring during the performance of this License and pays in excess of its pro rata share in satisfaction of such judgment, such party shall be entitled to contribution from the other party to this License. The pro rata share of each party shall be determined according to the comparative fault of the respective parties, as between them.

14.04 In the event the parties to this License are named as codefendants in any litigation by third parties arising out of the rights and obligations of this License or indirectly related to this License the parties agree to cooperate in such litigation and, to the extent feasible, and where determined to be appropriate, use common legal counsel or authorize or direct tenders of defense under applicable insurance policies.

The State Attorney General administers the general liability program through an annual appropriation from the General Fund. The Office of Risk and Insurance Management administers the motor vehicle liability program.

15.02 Under this form of insurance, the State and its employees (as defined in Section 810.2 Government Code) are insured for any tort liability that may develop through carrying out official activities, including official operations on non-State owned property. 20. **EMPLOYEES**

All references to the "State" in this License are deemed to include the employees, agents, contractors and anyone else involved in any manner in exercise of the rights herein given to the undersigned License.

21. **AMENDMENT AND ASSIGNMENT**

This License is designated only to State in accordance with the requirements outlined in Section 2. In the event State shall attempt to assign the same in whole, or transfer in part without the express written consent of County, all rights hereunder shall immediately terminate.

22. **DEFAULT**

State shall make all payments to County without deduction (except for offsets explicitly allowed hereunder), default or delay. In the event of the failure of State to do so, or in the event of a breach of any of the other terms, covenants or conditions herein contained on the part of State or County to be kept and performed, and if such default continues for a period of thirty (30) days after receipt of written notice from the non-defaulting party to the defaulting party of such default, this License may, at the non-defaulting party's sole discretion, be terminated. Notwithstanding the foregoing, if a non-monetary default may not be reasonably cured within such thirty (30) day period and the defaulting party commences to cure such default within the thirty (30) day period, the time to cure may be extended through a writing signed by both parties, to a time frame and deadline mutually agreeable to the parties. So long as the defaulting party diligently prosecutes the cure to completion under the mutually agreed upon extended deadline, then this License may not be terminated under this Clause. However, if the defaulting party operates with unreasonable delay in curing the default or otherwise does not cure within the mutually agreed upon time frame, the non-defaulting party may terminate immediately.

23. **WAIVER**

23.01 Any waiver by either party of the breach of any one or more of the covenants, conditions, terms and agreements herein contained shall not be construed to be a waiver of any other breach of the same or of any other covenant, condition, term or agreement herein contained, nor shall failure on the part of either party to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements herein contained be construed as in any manner changing the terms of this License or stopping either party from enforcing the full provisions thereof.

Any such notice of termination shall cause this License to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this License, and the parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this License. Notwithstanding the foregoing, the License Fee shall abate during the period of repair following such fire or other casualty in proportion to the degree to which State's use of the Licensed Area is impaired.

27. SOLICITATION OF CONSIDERATION

27.01 It is improper for any County officer, employee or agent to solicit consideration, in any form, from a licensee with the implication, suggestion or statement that the licensee's provision of consideration may secure more favorable treatment for the licensee in the award of the license or that the licensee's failure to provide such consideration may negatively affect the County's consideration of the licensee's submission. A licensee shall not offer to or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the issuance of a license.

27.02 State shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller Employee Fraud Hotline. Failure to report such solicitation may result in the License being terminated.

28. CONFLICT OF INTEREST

No County employee whose position in County service enables him/her to influence obtaining or awarding any lease, license or permit, and no spouse or economic dependent of such employee, shall be employed in any capacity by the State herein, or have any other direct or indirect financial interest resulting from this License.

32.04 If the County finds that any of the above provisions of this section 32 have been violated, such violation shall constitute a material breach of this License upon which the County may terminate or suspend this License.

32.05 While the County reserves the right to determine independently that the anti-discrimination provisions of this License have been violated, in addition, a determination by the California Fair Employment Practices Commission, the Federal Equal Employment Opportunity Commission that the State has violated Federal or State antidiscrimination laws or regulations

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

REQUEST TO AUTHORIZE THE ACQUISITION AND INSTALLATION OF ONE CINCINNATI HS SERIES HYDRAULIC SHEAR AND CINCINNATI 135XFe HYDRAULIC PRESS BRAKE FOR THE LOS ANGELES COUNTY SHERIFF'S DEPARTMENT AND APPROVE AN APPROPRIATION ADJUSTMENT (ALL DISTRICTS) (FY 2024-25, 4-VOTES)

DRAFT

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is requesting the Board to approve an appropriation adjustment and to authorize the acquisition of two pieces of sheet metal fabrication equipment: one Cincinnati HS Series Hydraulic Shear for the estimated cost of $342,000 and one Cincinnati 135XFe Hydraulic Press Brake for the estimated cost of $343,000. These purchases exceed the capital asset threshold established by the Board and require your approval to move forward with the acquisition process.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Internal Services Department (ISD), as the County's Purchasing Agent (CPA), to proceed with the solicitation and acquisition of one Cincinnati HS Series Hydraulic Shear and one Cincinnati 135XFe Hydraulic Press Brake for the estimated total amount of $685,000, which includes equipment, shipping, labor for installation, bonds, and taxes.

2. Approve an appropriation adjustment to increase the Department's appropriation by $685,000 for Capital Assets – Equipment for Fiscal Year 2024-25. Funding will be offset by Revenue from AB 109.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department is the primary law enforcement organization for millions of County residents and manages the largest county jail population in the United States. With the continuous evaluation of incarcerated individuals that require higher security housing in the Department custody environment, the Department has had to increase the level of security to protect the sworn staff, professional staff, and those in custody. In addition to increased security precautions, there are also constant procedural and regulatory changes that are implemented per Title 15 for the safety and well-being of the incarcerated population.

The Department's Facilities Services Bureau (FSB) has been one of the primary resources in increasing the security infrastructure within the custody environment, from the jails to Sheriff's stations. The FSB is tasked with continuous repairs and modification of the custody facilities to safely and properly operate the custody facilities. These facilities are primarily built out of concrete and steel. With the purchase of these two specialized pieces of fabrication equipment, the Department's in-house production will save the Department time and money and will allow for specifically customized repairs utilizing the fabrication of various heavy gauge sheet metal products utilized to maintain and increase security within these facilities.

The Department currently has several older, outdated machines that require constant maintenance and repairs to keep them operational. The new equipment would allow for a significantly larger and more efficient work product to better serve the Department's patrol stations and custody facilities, all of which require very specific, fabricated items for the safety and security of staff as well as the incarcerated population.

- Power Press Break is a machine used to bend, shape, and form various thickness and sizes of sheet metal flat sheets, metal bars, and other metal products for the fabrication of various sheet metal items utilized in all Department facilities.
- Hydraulic Power Shear is a machine used to cut various thickness of sheet metal and bar stock material to sizes required to fabricate various sheet metal-related products utilized at all Department facilities.

DRAFT

Implementation of Strategic Plan Goals

The requested actions support the County Strategic Plan's North Star II: Foster Vibrant and Resilient Communities; Focus Area C: Enhance the safety of the public and our communities by addressing the risks, danger, harm, and conditions that cause, drive, or can help mitigate unlawful activity and crime and supports law enforcement accountability and transparency; Strategy I Prevention, Protection & Security: Support and invest in innovative practices, crime prevention resources, and infrastructure to provide protection and security.

FISCAL IMPACT/FINANCING

The total estimated cost for these two pieces of equipment is $685,000, which includes equipment, shipping, installation, training, and commissioning. Funding has been identified and will be processed via a budget appropriation request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Law enforcement is tasked with the primary mission of protecting lives and property. Additionally, the Department has legal obligations through Title 15 to provide a safe environment for the incarcerated population. Adherence to these obligations has required ongoing renovations and reconfigurations within custody facilities, most of which are handled through FSB. The acquisition of these specialized machinery tools would provide a tremendous benefit to the FSB operations, thus allowing the crafts personnel to make emergency repairs and customized fabrication of items needed within the Department's patrol stations and custody facilities.

On October 6, 2001, the Board approved the classification categories for fixed assets and new requirements for major fixed assets (now referred to as capital assets) acquisitions requiring County departments to obtain Board approval to purchase or finance equipment with a unit cost of $250,000 or greater, prior to submitting their requestion to ISD.

The acquisition of the equipment falls within the statutory authority of the CPA. Therefore, Board approval is required for the CPA to proceed with the aspect of the acquisition of one Cincinnati Hydraulic Shear and one Cincinnati Hydraulic Brake.

DRAFT

CONTRACTING PROCESS

The purchase is a brand-specific commodity purchase under the statuary authority of the CPA. The purchase will be requisitioned through and accomplished by the CPA in accordance with the County's purchasing policies and procedures.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no negative impact on current County services or projects. The contractor will provide a timeline for delivery, installation, training, and commissioning and will not exceed the purchase order amount.

CONCLUSION

Upon Board approval, please return two copies of the adopted Board letter to the Department's Facilities Services Bureau and Administrative Services Division.

Sincerely,

ROBERT G. LUNA
SHERIFF

The Sheet Metal fabrication shop at Sybil Brand Institute (SBI) will handle production and project level needs. This machine will be housed at SBI and be able to keep up with the production level fabrication pace with minimal down-time for maintenance, it is the best product to keep up with the operational tempo of the Sheriff's Department

CINCINNATI follows the policy of continuous advancement in product development. For this reason, specifications, images and dimensions are for reference only and can change without notice. Foundation plans are furnished with each new machine installation.

Introduction

CINCINNATI hydraulic shears combine proven shearing technology and a rugged backgage for enhanced reliability, accuracy and performance. Cincinnati shears are manufactured in Harrison, Ohio and supported by factory field-based service representatives.

Key Benefits

Fast Setup

To minimize burr and blank distortion, different materials and thicknesses require different shear settings. With the Touchscreen Shear Control, the operator enters the number of steps and cuts, gage position, material thickness and type. The control positions the gage displays the knife clearance, commands the proper rake angle, and automatically advances to the next step. Repeat jobs can be saved in the internal memory or offline with the standard Ethernet port.

Accuracy

The shear incorporates a knife straightening system with push-pull bolts on 12” centers. This allows the knives to be set with extremely tight clearances for precision results along the entire length of the shear. A wide range of materials and thicknesses can be processed with variable rake angle and knife clearance. Low rake angle minimizes bow, twist and camber and knife clearance reduces burr in the part.

Cincinnati shears include a precision backgage with dual lead screws mounted in heavy duty frames. The cross shaft is located underneath the ram brace, away from lift trucks and crane hooks. Shock absorbing springs protect lead screws and alignment during material impact against the backgage. Backgage parallelism is maintained with micrometer adjusting nuts at the end of the backgage guides.

Durability

Cincinnati shears are the benchmark of the industry. A rugged frame and superior backgage provide years of dependable service. Steel frame members with interlocked construction eliminate stresses inherent with welded joints. A solid shear table and deep ram brace resist deflection during shearing. Clevis mounted cylinders reduce binding and twisting between the piston and cylinder to reduce oil leaks.

The control is designed as standard to operate in an ambient air temperature range of 32°F to 104°F. The hydraulic pump unit is designed to perform in an ambient temperature range of 50°F to 100°F. For ambient air temperatures outside of these ranges, please consult with Cincinnati Incorporated.

Safety

This shear is designed to meet the construction requirements of ANSI B11.4 and OSHA as evidenced by a compliance tag affixed to every new machine. Safeguarding covers all moving parts and areas of potential hazard. Glare resistant knife and holddown guards offer good vision of the work area while providing adequate safeguarding. Keylocked selector switches prevent unauthorized use and protect workers. Manuals on machine setup, operation or maintenance provide operators with details to properly operate and maintain the equipment safely.

Cincinnati Inc. (CI) Preferential Service

CI Preferential Service provides information and assistance on installation, safe operation, maintenance and repair of CI products. These services are available through CI Service Representatives located in major cities throughout the United States and Canada and include the following:

Pre-Installation Information and Foundation Plans

Foundation plan and installation information regarding lifting, leveling, service connections and equipment preparation will be provided prior to machine shipment. A single continuous slab of reinforced concrete is required, and will prolong machine life, reduce maintenance and contribute to quality production. The foundation plan will show the minimum requirements for good containment and operation. Actual foundation requirements will depend upon the physical properties of supporting soil and compactability. A civil engineer should be consulted if soil conditions are questionable. The machine must be properly anchored on a stable foundation.

Power Requirements

Machine controls have been designed to operate satisfactorily within normal incoming power variations. Electronics require power supplies free of extraneous signals and radical power fluctuations. The installation information contains the details of input power requirements.

Machine Start-Up and Demonstration

Machines must be located on the foundation, leveled, cleaned and connected to necessary services for operation, prior to start-up. The CI Service Representative will inspect, check level and test the machine in all modes of operation. Prior to the arrival of CI Service, the customer must have all machine members at the machine site and utilities installed. On machines shipped disassembled, CI Service will supervise and assist in the final assembly, inspection, level check and testing of the machine in all modes of operation. After start-up, CI Service will demonstrate the machine and provide instructions on operation, maintenance and safety. Materials and a qualified employee are to be furnished at no charge by the customer to assist in the testing and inspection of the machine. Machine start-up must be performed during normal working hours.

Warranty, Parts and Service

As specified in our general terms and conditions, defective parts will be replaced free of charge with surface transportation allowed. Replacement parts will be invoiced and credit issued upon the return of the defective part to CI. During the warranty period, a CI Service Representative, with customer assistance, will replace complex assemblies that have failed under warranty; labor to assist and/or necessary services are expected to be furnished by the customer at no cost to CI. On simple warranty repairs, CI will provide instructions to allow correction by customer personnel.

Training

Training programs are available to develop the skills of operators and maintenance personnel. Training may be provided at the customer's plant and/or at our facilities in Whitewater, Ohio. Quotations for CI Training Programs are available through our Training Department.

Normal Service Hours

Our Service Representative's normal working hours are from 8:00 AM to 4:30 PM, Monday through Friday. Any requested work performed outside our normal work period will be invoiced at appropriate overtime rates.

CINCINNATI follows the policy of continuous advancement in product development. For this reason, specifications, images and dimensions are for reference only and can change without notice. Foundation plans are furnished with each new machine installation.

Introduction

CINCINNATI press brakes are designed for everyday use by advanced, metal fabricators. Cincinnati press brakes are manufactured in Harrison, Ohio and supported by factory, field-based service representatives.

Key Benefits

Energy Efficient

CINCINNATI's XFe with dual servo-motor pump drive system runs quiet and reduces energy consumption. The servo-motors and pumps run only when forming parts, not during idle, saving energy while the ram is stationary. The low capacity hydraulic system uses environmentally friendly, non-flammable CI Firesafe ECO Fluid for simplified maintenance.

Fast Programming

CINCINNATI's PC-based operator control, Windows® software, touchscreen interface and large color display eliminate two-thirds of the programming steps compared to conventional CNC controls. New programs are quickly entered manually while repeat programs are recalled from a solid state hard drive or network.

Consistent Forming

Dual .00002" resolution linear encoders maintain ram repeatability to ±.0004" along the length of the press brake. CINCINNATI controls simplify setup through the use of saved programs with detailed setup information. The Job Setup screen displays tool locations and 3D part views guide the operator through each step of the bend sequence. Programmable forming speeds, stroke stops and gage pause time improve part handling. Ram tilt is programmable per step.

Versatility

The standard long stroke length improves forming versatility by maximizing space for adapters and deep flanges. The open frame design minimizes forming restrictions.

Reliability

Cincinnati press brakes are designed for simple service and long life. The interlocked frame provides maximum strength without load bearing welds. Clevis mounted cylinders, hardened piston rods and a large capacity hydraulic tank reduce oil leaks, oil temperature and wear of hydraulic components. Hardened linear guides and self-lubricated slide liners assure accurate ram guiding with minimal maintenance. Controls and hydraulics are designed to operate in an ambient temperature range of 45° F to 100° F (For ambient air temperatures outside of these ranges, please consult with CI).

Cincinnati Inc. (CI) Preferential Service

CI Preferential Service provides information and assistance on installation, safe operation, maintenance and repair of CI products. These services are available through CI Service Representatives located in major cities throughout the United States and Canada and include the following:

Pre-Installation Information and Foundation Plans

Foundation plan and installation information regarding lifting, leveling, service connections and equipment preparation will be provided prior to machine shipment. A single continuous slab of reinforced concrete is required, and will prolong machine life, reduce maintenance and contribute to quality production. The foundation plan will show the minimum requirements for good containment and operation. Actual foundation requirements will depend upon the physical properties of supporting soil and compactability. A civil engineer should be consulted if soil conditions are questionable. The machine must be properly anchored on a stable foundation. Expandable anchor bolts are acceptable where noted on the foundation plan.

Power Requirements

Machine controls have been designed to operate satisfactorily within normal incoming power variations. Electronics require power supplies free of extraneous signals and radical power fluctuations. The installation information contains the details of input power requirements.

Machine Start-Up and Demonstration

Machines must be located on the foundation, leveled, cleaned and connected to necessary services for operation, prior to start-up. The CI Service Representative will inspect, check level and test the machine in all modes of operation. On machines shipped disassembled, CI Service will supervise and assist in the final assembly. Prior to the arrival of CI Service, the customer must have all machine members at the machine site and utilities installed. Qualified riggers, a qualified employee, and materials must be furnished by the customer to assist in assembly at no charge to CI. After start-up, CI Service will demonstrate the machine and provide instructions on operation, maintenance and safety. It is the customer's responsibility to provide the proper tooling, material and safeguarding for the machine demonstration.

Warranty, Parts and Service

As specified in our general terms and conditions, defective parts will be replaced free of charge with surface transportation allowed. Replacement parts will be invoiced and credit issued upon the return of the defective part to CI. During the warranty period, a CI Service Representative, with customer assistance, will replace complex assemblies that have failed under warranty; labor to assist and/or necessary services are expected to be furnished by the customer at no cost to CI. On simple warranty repairs, CI will provide instructions to allow correction by customer personnel.

Normal Service Hours

Our Service Representative's normal working hours are from 8:00 AM to 4:30 PM, Monday through Friday. Any requested work performed outside our normal work period will be invoiced at appropriate overtime rates.

Option: CNC 6xLT Backgage

Low profile backgage provides independent control of two front-to-back (X1,X2) axes, two left-to-right (Z1,Z2) axes and two up-down (R1,R2) axes. Designed to process up to ¼" thick material that can be handled by one or two operators. Thicker materials weighing up to 150 lbs, but not requiring a crane assist, can be processed when reasonable care is exercised. The servo control will hold position against external forces applied during normal gaging operation, but gradually applied load of greater than 50 pounds per drive will overcome the servo and force the gage out of position without damage.

Options: Safety

Standard controls require either the palmbutton(s) or footswitch(es) to be active for the entire program. Palmbutton(s) and footswitch(es) combinations can be programmable per each step in the program with the following option. Additional palmbutton and/or footswitch can be purchased with this option.

Programmable palmbutton/footswitch: Software feature allows palmbutton and/or footswitch combinations to be selected per program step.

If you anticipate having two persons working together on your press brake, we recommend an operator control for each person.

- Additional Palmbutton Operator Station
- Pedestal mounted, limit one additional
- Hold-to-Run Footswitch in place of standard
- Additional Standard or Hold-to-Run Footswitch

Presence Sensing Device Interface

A user installed Presence Sensing Device or Laser Type Device requires an interface.

Optional interface iIncludes a Presence Sensing Device On/Off indication light mounted on the ram. Muting, making the Presence Sensing Device inoperative during a specific portion of the press brake cycle, is programmable at any point in the down stroke and is independent of the speed change point. The selection of a user supplied Presence Sensing Device should consider the following:

For operator convenience, the device provided should have the ability to electrically simulate a device interrupt. In the Single Stroke Mode of Operation, the machine control must receive a Presence Sensing Device interrupt signal after ram reversal before a new cycle will be allowed. This can be done either by the machine control electrically simulating a Presence Sensing Device interrupt or by a physical interrupt of the sensing field by the operator or piece part. This is required to provide the operator with a point-of-operation guarding system that is completely checked for proper operation on each stroke of the machine.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of a Contract (Attachment) with Northwest Professional Consortium, Inc. to provide program evaluation services under JJCPA. The services will include consultation for developing program evaluation design and metrics, conducting program and outcome analysis, conducting literature reviews of effective JJCPA programs and outcome analysis, and conducting literature reviews of effective programs in compliance with JJCPA program outcomes, Office of Youth and Community Restoration (OYCR) rules/requirements, and Probation requirements.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended action is consistent with the County of Los Angeles Strategic Plan Goal III: Realize Tomorrow's Government Today. Specifically, it will address Strategy III.3 to Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability.

FINANCIAL IMPACT/FINANCING

The estimated annual contract amount is $450,000 and is fully funded under JJCPA.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of the Contract shall be effective upon execution by the Chief Probation Officer or his designee for a (1) year period, with the option to extend for six (6) additional one (1) year periods for a maximum total Contract term of seven (7) years. There is no impact to departmental employee relations since this is not a Proposition A contract. Probation has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to this Contract.

The Contract (Attachment) contains the Board's required contract provisions, including consideration of qualified county employees targeted for layoffs, and GAIN-START participants for employment openings, compliance with Jury Service Ordinance, Safely Surrendered Baby law, and the Child Support Program.

The contract (Attachment) has been reviewed and approved as to form by County Counsel. The County will not request the Contractor to perform services that exceed the Board-approved contracted amount, scope of work or contract term.

DRAFT

CONTRACTING PROCESS

A comprehensive Request for Proposal (RFP) process was conducted. Probation released an RFP for program evaluation services on February 1, 2024. As part of the competitive solicitation process, thirty (30) solicitation letters were sent to service providers and advertisements were placed in the Los Angeles Times, Nuestra Comunidad and the Lynwood Journal. The solicitation information along with the RFP was also made available through the Internet on the County of Los Angeles Internal Services Department and Probation websites. As a result of the solicitation process, eight (8) potential providers registered for the Virtual Proposer's Conference (Conference) and seven (7) potential providers attended the Virtual Proposer's Conference.

Three (3) proposals were received and evaluated using the initial "pass/fail" process, which was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. An evaluation committee was formed to evaluate the three (3) proposals that passed the initial screening process: 1) American Institute for Research, 2) Northwest Professional Consortium, Inc. and 3) RAND Corporation. Financial subject-matter experts assessed the agencies' respective financial viability to perform the work. The Evaluation Committee objectively evaluated the proposals. The proposer Northwest Professional Consortium, Inc., was rated for being the most responsive to the RFP and is being recommended for contract award. There are no protests pending.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these recommended actions will enable Probation to provide program evaluation services under JJCPA.

Respectfully submitted,

GUILLERMO VIERA ROSA

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H (Jury Duty Ordinance) and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars ($50,000) or more in any twelve (12) month period under one or more County Contracts or subcontracts. lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

8.8.2.3 If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

8.8.2.4 The Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee,

shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor shall comply with all conflict-of-interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN-START participants by job category to the Contractor. The Contractors shall report all job openings with job requirements to: GAINSTART@DPSS.LACOUNTY.GOV and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN-START job candidates.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the

proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at

least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of the Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, the Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

The written notice shall be provided to the County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

The Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which the County immediately may withhold payments due to the Contractor, and/or suspend or terminate this Contract. The County, at its sole discretion, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to the Contractor, deduct the premium cost from sums due to the Contractor or pursue Contractor reimbursement.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. The Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.26.1 If, in the judgment of the Chief Probation Officer, or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Chief Probation Officer, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Chief Probation Officer, or his/her designee, in a written notice describing the reasons for said action.

8.26.2 If the Chief Probation Officer, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Chief Probation Officer, or his/her designee, deems are correctable by the Contractor over a certain time span, the Chief Probation Officer, or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Chief Probation Officer, or his/her designee, may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or

(b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars

($100) per day per infraction, or as specified in the Exhibit U (Performance Requirements Summary (PRS) Chart) hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or

(c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.4 This paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Subparagraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 The Contractor shall certify to, and comply with, the provisions of Exhibit D (Contractor's EEO Certification).

Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.

8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of five hundred dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor shall bring to the attention of the County's Program Manager and/or the County's Contract Manager any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Program Manager and/or the County's Contract Manager is not able to resolve the dispute, the Chief Probation Officer, or designee shall resolve it.

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 7921 et seq. (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," the Contractor agrees

to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

8.37.1.1 The Contractor shall develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the Contractor shall not and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Program Manager. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of the County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 8.37 (Publicity) shall apply.

8.38 Record Retention and Inspection-Audit Settlement

8.38.1 The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given

to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.3 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.4 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.38.5 Intentionally Omitted

8.39 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Subcontracting

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

8.40.2.1 A description of the work to be performed by the subcontractor;

8.40.2.2 A draft copy of the proposed subcontract; and

8.40.2.3 Other pertinent information and/or certifications requested by the County.

8.40.3 The Contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.

8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.

8.40.6 The County's Contract Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, the Contractor shall forward a fully executed subcontract to the County for their files.

8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. 8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be affected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

8.42.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

8.42.2.2 Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of the County's Contract Manager:

8.43.1.1 The Contractor has materially breached this Contract; or

8.43.1.2 The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

8.43.1.3 The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the

Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the Los Angeles County Fraud Hotline at (800) 544-6861 or https://fraud.lacounty.gov/.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

8.45.1.2 The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

8.45.1.3 The appointment of a Receiver or Trustee for the Contractor; or

8.45.1.4 The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.1.5 The rights and remedies of the County provided in this Paragraph 8.45 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or the County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or the County Lobbying firm retained by the Contractor to fully comply with the

County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

11.2 The Contractor shall notify County's Program Manager of the Contractor's new green initiatives prior to the Contract commencement.

12.0 PERFORMANCE REQUIREMENTS SUMMARY

12.1 All listings of services used in the Performance Requirements Summary (PRS) are intended to be completely consistent with the Contract and the Statement of Work (SOW), and are not meant in any case to create, extend, revise, or expand any obligation of the Contractor beyond that defined in the Contract and the SOW. In any case of apparent inconsistency between services as stated in the Contract, SOW and the PRS, the meaning apparent in the Contract and the SOW will prevail. If any service seems to be created in the PRS which is not clearly set forth in the Contract and the SOW, that service will be null and void and place no obligation on the Contractor.

12.2 A standard level of performance will be required of the Contractor for the required services. Exhibit U (Performance Requirements Summary Chart) summarizes the required services, performance standards, maximum allowable deviation from the standards, methods of surveillance to be used by the County, and liquidated damages to be imposed for unacceptable performance. The County will evaluate the Contractor's

performance under this Contract using the quality assurance procedures specified in Exhibit U (Performance Requirements Summary Chart) or other such procedures as may be necessary to ascertain Contractor compliance with this Contract. Failure of the Contractor to achieve this standard can result in an assessment of liquidated damages against the Contractor's monthly payment as determined by the County.

12.3 When the Contractor's performance does not conform to the terms of this Contract, the County will have the option to apply the following remedies:

12.3.1 Require the Contractor to implement a formal corrective action plan, subject to approval by the County. In the plan, the Contractor must include reasons for the substandard performance, specify steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

12.3.2 Reduce payment to the Contractor by a computed amount based on the assessment fee(s) in the PRS.

12.3.3 Reduce, suspend or cancel this Contract for systematic, deliberate misrepresentations or substandard levels of performance.

12.3.4 Failure of the Contractor to comply with the County's request(s) to improve performance or to perform work specified within ten (10) business days shall constitute a breach of Contract, and authorize the County to have the service(s) performed by another. The entire cost of the replacement work due to the Contractor's breach, as solely determined by the County, shall be credited to the County on the Contractor's future invoice.

This subparagraph does not limit the County's exclusive right to terminate the Contract upon ten (10) business days' written notice, with or without cause, as provided for in Paragraph 8.42 (Termination for Convenience) of the Contract.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

Safely Surrendered Baby Law

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723
www.babysafela.org

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at **1-800-540-4000.**

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

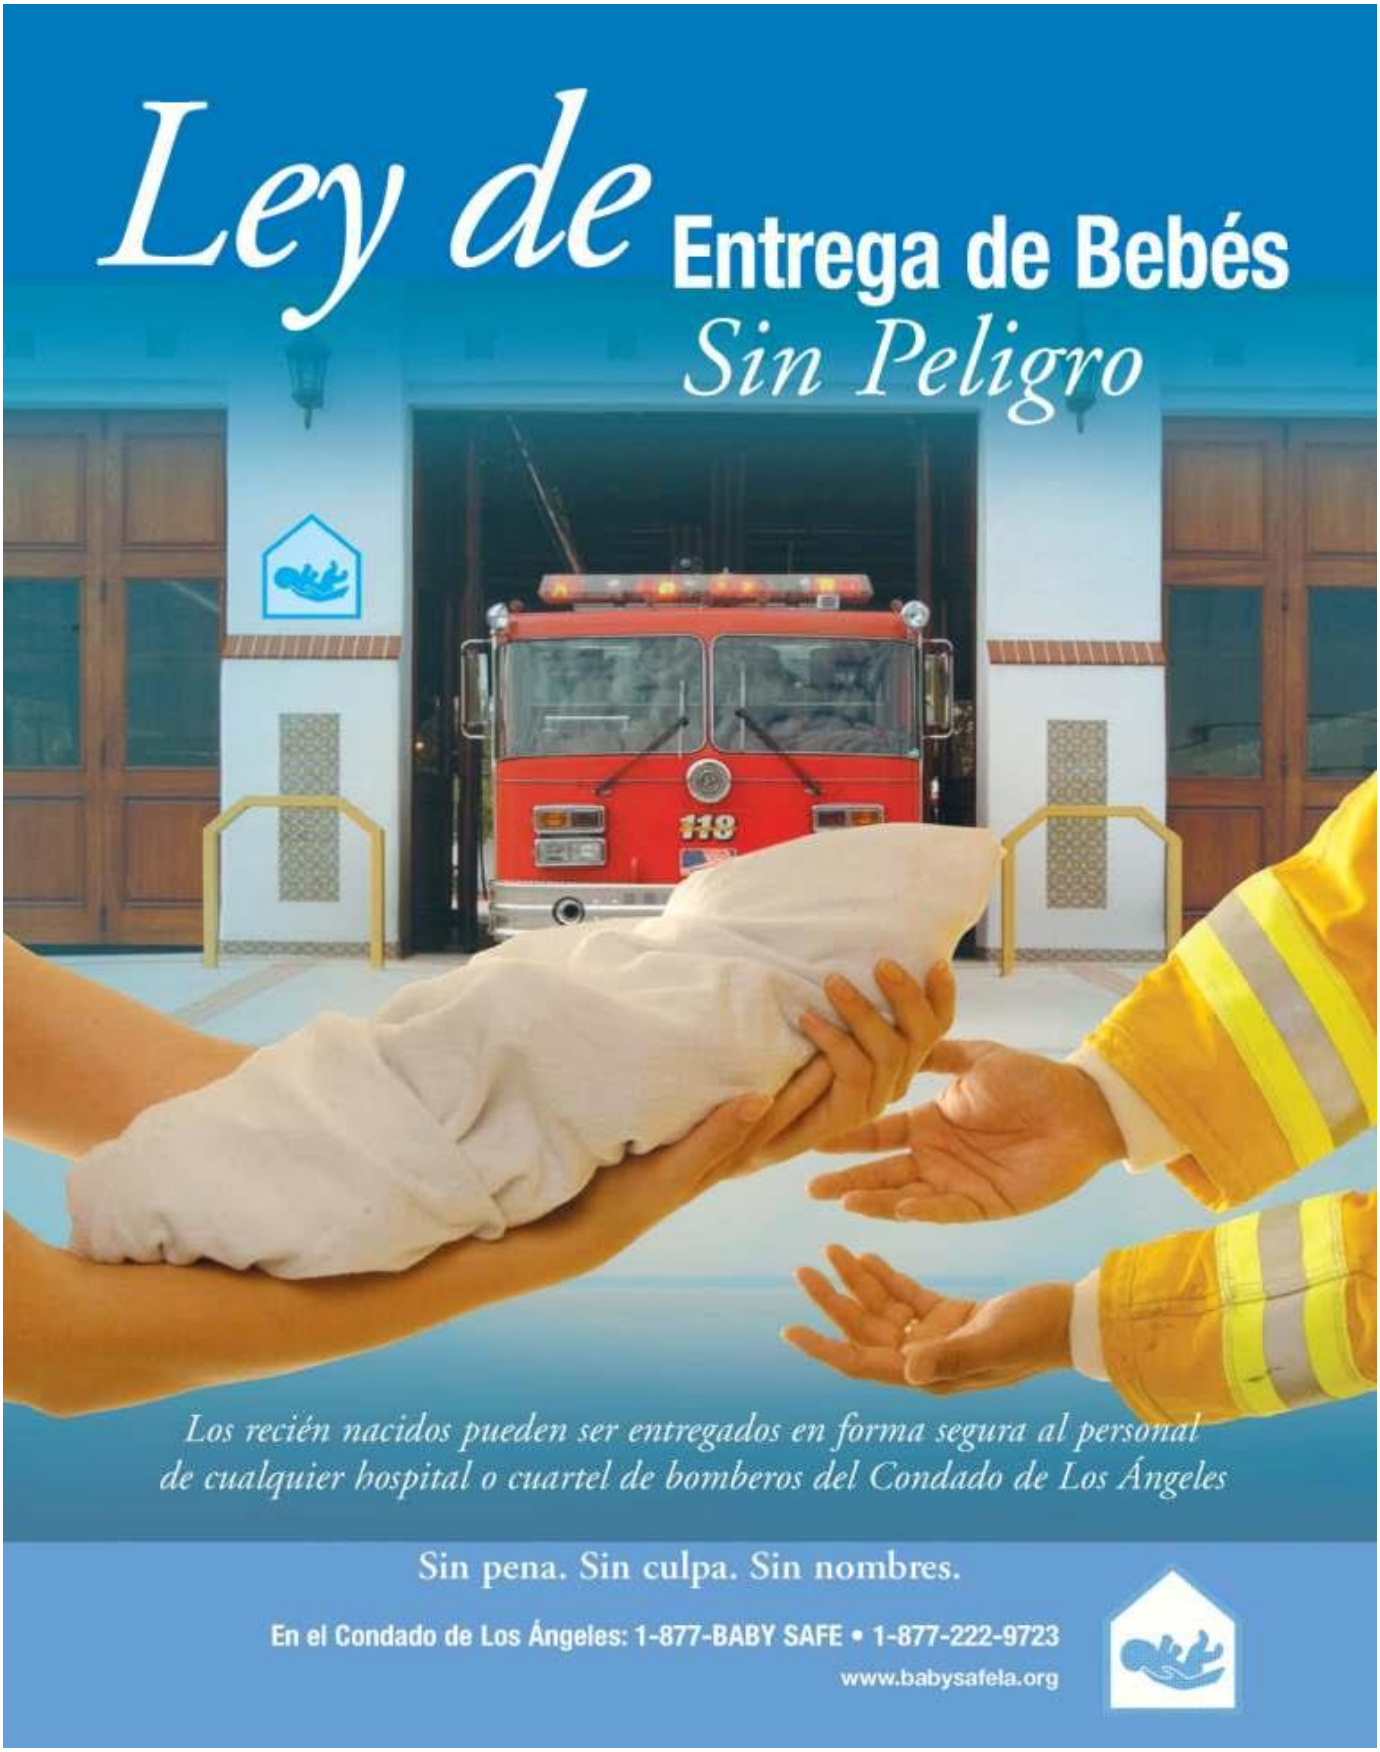

Why is California doing this?

The purpose of the **Safely Surrendered Baby Law** is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The **Safely Surrendered Baby Law** prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan *si tienen custodia legal.*

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la **Ley de Entrega de Bebés sin Peligro** es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La **Ley de Entrega de Bebés sin Peligro** impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

DRAFT

March 11, 2025

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

ORDINANCE CHANGE AUTHORIZING INCREASE TO CIVIL AND CRIMINAL GRAND JURY DAILY STIPEND (ALL DISTRICTS AFFECTED) (3 VOTES)

SUBJECT

This letter and accompanying ordinance will increase the stipend for all Grand Jurors' daily reimbursement allowance.

IT IS RECOMMENDED THAT THE BOARD:

Adopt the accompanying ordinance amending Title 4 - Revenue and Finance, Section 4.76.020 Payment of Fees to Grand Jurors, of the Los Angeles County code, to increase the daily stipend for all Grand Jurors from sixty dollars ($60) to eighty dollars ($80).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In the Fiscal Year (FY) 2024-25 Final Changes budget phase, your Board approved an increase to the Civil and Criminal Grand Jury daily stipend from sixty dollars ($60) per day to eighty dollars ($80) per day. The approved increase requires an ordinance change which has been prepared by County Counsel. The attached ordinance amends Title 4 - Revenue and Finance, Section 4.76.020 Payment of Fees to Grand Jurors, of the Los Angeles County code.

The County of Los Angeles ("County") is served by two separate Grand Juries: the Criminal Grand Jury and the Civil Grand Jury, with 25 and 23 members respectively. Civil

Grand Jurors must apply and serve for approximately five days per week, for 52 weeks per year. Criminal Grand Jurors are summoned, or compelled, by the Court and serve for up to 30 days, sometimes longer, as convened by the District Attorney.

Currently, all Grand Jury members are provided a stipend of sixty dollars ($60) per day for 6 hours of service, equivalent to a rate of ten dollars ($10) per hour, if compensated at an hourly rate. Grand Jury compensation in urban counties varies widely, from a daily allowance of twenty-five dollars ($25) in San Diego County to sixty dollars ($60) in Riverside and San Bernardino counties. The Board of Supervisors approved the existing Grand Jury daily stipend of sixty dollars ($60) in January 2007, more than 18 years ago.

Jury service is a vital civic duty that allows citizens to directly participate in the justice system, ensuring that legal decisions are made by a representative cross-section of the community, and providing a crucial check on government power. The primary benefit of increasing the daily allowance will be to broaden and potentially, diversify, the applicant pool and to reimburse jurors for increasing costs associated with their service. The approved increase to eighty dollars ($80) per day, an equivalent of $13.33 per hour, will also bring the Grand Jury hourly rate closer to the current Los Angeles City minimum wage of $17.28 per hour. The increase is warranted given the need of the Grand Jury to attract a wider demographic of qualified and available applicants, the extended length of time since the last approved increase, and to ensure the preservation of a cornerstone of a democratic society, where individuals can actively contribute to their communities.

Implementation of Strategic Plan Goals

The increase to the Grand Jury daily stipend supports the Countywide Strategic Plan North Star 3 – "Realize Tomorrow's Government Today." The increasingly dynamic and complex environment challenges our collective abilities to respond to public needs and expectations. LA County is an innovative, flexible, effective, and transparent partner focused on advancing the common good and being fiscally responsible.

FISCAL IMPACT/FINANCING

The change to the Grand Jury daily stipend from sixty dollars ($60) per day to eighty dollars per day ($80) results in a $189,000 increase to the Grand Jury's appropriation, funded by Net County Cost, and is included in the FY 2024-25 Final Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Government Code Section 68091 authorizes the Board of Supervisors to specify by ordinance the per-diem compensation for members of the Grand Jury. Unless otherwise provided by statute or County ordinance the Grand Juror per-diem fee, as established by California Penal Code 890, is fifteen dollars ($15) per day. In 2007, the Board of Supervisors approved the existing per-diem fee of sixty dollars ($60) through County ordinance. Per Penal Code Section 890.1, Grand Juror per-diem compensation must be paid out of the County's general fund.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

DRAFT

An increase in Grand Jury daily stipend from sixty dollars ($60) to eighty dollars ($80) will enhance the attractiveness of the service and broaden the potential applicant pool. Furthermore, the proposed increase would compensate Grand Jury members at a level that is commensurate to the invaluable services these individuals provide to the community.

Respectfully submitted,

Fesia A. Davenport

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

ISAB is a multi-agency, multi-jurisdiction committee established by the Countywide Criminal Justice Coordination Committee (CCJCC). ISAB is charged with the responsibility of improving information systems design, ensuring coordinated development, and developing the capability of data sharing amongst the ISAB's criminal justice agencies.

In this capacity, ISAB acquired from Infor Corporation (Infor) licenses to Infor's Cloverleaf integration software platform (Cloverleaf) for ISAB's member agencies to create interfaces and to operate, maintain, and support interfaces both between and within various ISAB criminal justice agencies. The County implementation of Cloverleaf is called Proactive Information Exchange (PIX Cloverleaf).

The purpose of the recommended Contract is to provide resources to (1) maintain and support existing interfaces and environments, (2) develop new interfaces and other professional services on the Cloverleaf platform.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended action supports the 2024-2030 County Strategic Plan, North Star 3 (Realize Tomorrow's Government Today), Focus Area Goal F (Flexible and Efficient Infrastructure), Strategy ii (Modernize Infrastructure) to modernize legacy/obsolete infrastructure and to leverage technological advancements that increase visibility, accessibility, and ease of use.

FISCAL IMPACT/FINANCING

The maximum County obligation under the proposed Contract is $10,529,000 over the entire Contract term, including the Initial Term of six (6) years and the Extended Term of up to four (4) years, which breaks down as follows: (a) $18,148 for Site Assessment and Evaluation; (b) $3,597,029 for Maintain and Support Deployed Interfaces and Environments for the Initial Term; (c) $2,913,822 for Maintain and Support Deployed Interfaces and Environments for the Extended Term; (d) $2,400,000 for optional New Interface Development and Other Professional Services for the Initial Term at the firm fixed hourly rate of $290; and (e) $1,600,000 for optional New Interface Development and Other Professional Services for the Extended Term at the firm fixed hourly rate of $310. Funding for this Contract will be provided by the ISAB Funding Departments from current budget allocations with ongoing year costs budgeted each fiscal year.

No new net County funds are being requested for this Contract. There are no fiscal impacts.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

After a formal solicitation, ISAB met with Infor to confirm acceptance of County's standard terms and conditions. ISAB worked closely with County Counsel, CEO Risk Management, and the Chief Information Office (CIO) to finalize the Contract. Except as detailed in attached exceptions (Attachment II), the Contract contains all Board required and legally required provisions. County Counsel has approved this Contract as to form.

ISAB has evaluated and determined that the Living Wage Program (County Code 2.201) does not apply to the recommended Contract and the recommended Contract is exempt from Proposition A (County Code Chapter 2.121).

In compliance with Board Policy 6.020 "Chief Information Office Board Letter Approval", the Office of the Chief Information Officer (OCIO) reviewed the information technology (IT) components of this request and recommends approval. The OCIO determined the recommended actions do not include any new IT items that would necessitate a formal written CIO Analysis.

CONTRACTING PROCESS

On April 17, 2024, the County released a Request for Proposals (RFP) for PIX Cloverleaf Application Management Services. A Mandatory Virtual Proposers Conference was held on May 15, 2024, with two (2) companies in attendance. One (1) Proposal was received before the closing date of July 10, 2024. The Proposal met all RFP minimum requirements. Proposal evaluations were completed on August 30, 2024. The Evaluation Committee recommended Infor as the winning vendor based upon price, technical capability, and proposed staff.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact to the current PIX Cloverleaf Application Management Services.

CONCLUSION

The Contract will enable ISAB to provide essential Services to criminal justice agencies. If you have any questions or need additional information, your staff may contact Fernando Angell, Assistant Director, at (562) 403-6505 or email at FAngell@isab.lacounty.gov.

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor must have and adhere to a written policy that provides that its Employees will receive

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this paragraph, "contractor" means a person, partnership, corporation, or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars ($50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

8.8.2.3 If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County's satisfaction that the contractor either continues to remain outside of the Jury Service Program's definition of "contractor" and/or that the Contractor continues to qualify for an exception to the Program.

8.8.2.4 Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor must comply with all conflict-of-interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must use commercially reasonable efforts to give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the term of this Contract who are referred to Contractor by County.

8.11 Consideration of Hiring GAIN/START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor must use commercially reasonable efforts to give consideration for any such employment openings to participants in the County Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position who are referred to Contractor by County. For this purpose, consideration will mean that the Contractor will interview qualified

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

candidates. The County will refer GAIN/START participants by job category to the Contractor and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, Contractor must use commercially reasonable efforts to give laid-off County employees first consideration.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor will also use commercially reasonable efforts to encourage its subcontractors performing any material portion of the services, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at https://lacounty.gov/residents/family-services/child-safety/safe-surrender/,

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Contractor Deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 Contractor certifies to the County each of the following:

8.28.2.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.

8.28.2.2 That Contractor periodically conducts a self-analysis or utilization analysis of its work force.

8.28.2.3 That Contractor has a system for determining if its employment practices are discriminatory against protected groups.

8.28.6 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will be grounds upon which the County may terminate or suspend this Contract. Without limiting the County's right to otherwise enforce the terms of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) or Contractor's right to challenge such determination in accordance with applicable law and/or regulations, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations with respect to performance of Services under this Contract will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.7 The parties agree that in the event the Contractor violates any of the anti- discrimination provisions of this Contract, with respect to performance of Services under this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non-Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the Contractor. This Contract will not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of Services and other work under this Contract, that party must use commercially reasonable efforts to give notice thereof, including all relevant information with respect thereto, to the other party.

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract may be regarded as public records. Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

"confidential", or "proprietary". The County will give reasonable advance notice to Contractor (to the extent permitted by law) and reasonably consult with Contractor in the event it receives a request for disclosure under the California Public Records Act of any of Contractor's documents and information; provided, however, that County is in no way required to violate its obligations to provide reasonable advance notice to and to reasonably consult with Contractor.

8.36.2 If Contractor reasonably and in good faith considers any of its documents and information, including, but not limited to, its Confidential Information, to be exempt from disclosure under the California Public Records Act, Contractor must use commercially reasonable efforts to plainly and prominently mark it as "trade secret", "confidential", or "proprietary", prior to its submission to County, although Contractor may identify and plainly and prominently mark additional documents and information as "trade secret", "confidential", or "proprietary", during the consultation described in Paragraph 8.36.1.

8.36.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County Indemnitees from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act. Any legal defense (including negotiations for settlement) pursuant to the Contractor indemnification obligations under this Paragraph 8.36 (Public Records Act) shall be conducted by the Contractor and performed by counsel selected by the Contractor and approved by the County. Notwithstanding the preceding sentence, the County will have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor must not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of the County without the County's prior written approval.

8.37 Publicity

8.37.1 The Contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

8.37.1.1 The Contractor must develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County Project Director or designee. The County will not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 8.37 (Publicity) will apply.

8.38 Record Retention and Inspection-Audit Settlement

8.38.1 The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of Services and other work under this Contract. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material will be kept and maintained by the Contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time.

8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, then the Contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s) 8.38.3. Failure on the part of the contractor to comply with any of the provisions of this subparagraph 8.38 will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the contractor, then the difference must be either: a) repaid by the

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the contractor, then the difference will be paid to the contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent commercially possible on this Contract.

8.40 Subcontracting

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor must provide the following information promptly at the County's request:

8.40.2.1 A description of the work to be performed by the Subcontractor.

8.40.2.2 Other pertinent information and/or certifications requested by the County.

8.40.3 The Contractor must indemnify, defend, and hold the County Indemnitees harmless with respect to the activities of each and every Subcontractor, in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.40.4 The Contractor will remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract. The Contractor must additionally be responsible for ensuring all Subcontractors comply with all provisions of this Contract.

8.40.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

8.40.6 The County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

8.40.7 The Contractor will be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through Services or other work performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Before any subcontractor employee may perform any work hereunder, Contractor must ensure delivery of all such documents to the County Contract Project Monitor at the address herein in Exhibit D (County's Administration).

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than thirty (30) days after the notice is sent. Notwithstanding the foregoing, County may only terminate Services under Task 2 of Exhibit A (Statement of Work) pursuant to this Paragraph 8.42 by giving written notice of termination no less than thirty (30) days prior to the start of the next annual period, such termination to be effective at 11:59 p.m. Pacific Time on the last day of the then-current annual period.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor must:

8.42.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

8.42.2.2 Complete performance of such part of the work as would not have been terminated by such notice.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

8.42.3 In the event of a termination by County pursuant to this Paragraph 8.42, County will remain obligated to pay Contractor according to the terms of this Contract, for all Services rendered in accordance with this Contract and costs and expenses incurred in accordance with Paragraph 5 of this Contract through the effective date of termination.

8.42.4 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract must be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County Project Director:

8.43.1.1 Contractor materially fails to perform or comply with the requirements of the Statement of Work or any Work Order or otherwise materially breaches this Contract, and unless a shorter cure period is expressly provided in this Contract, does not cure such failure or fails to correct such material breach within thirty (30) days (or such longer period as County may authorize in writing) of receipt of written notice from County specifying such failure or breach, except that Contractor must not be entitled to any cure period, and County may terminate immediately, in the event that Contractor's failure to perform or comply is not reasonably capable of being cured. .

8.43.2 Contractor may, by written notice to County, terminate the whole or any part of this Contract and/or any Work Order, if, in the judgement of Contractor, County materially breaches this Contract (other than with respect to a failure by County to pay invoices for which the procedure set forth in Subparagraph 8.43.6 (Suspension of Work; Termination by Contractor for Failure to Pay Invoices) and, unless a shorter cure period is expressly provided in this Contract, does not cure such failure or fails to correct such material breach within sixty (60) days (or such longer period as Contractor may authorize in writing) of receipt of written notice from Contractor specifying such failure or breach, except that County may not be entitled to any cure period, and Contractor may terminate immediately, in the event that County's failure to perform or comply is not reasonably capable of being cured.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor will not be liable for any other costs if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of Paragraph 8.43 (Termination for Default), the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the Parties provided in this Paragraph 8.43 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43.6 Suspension of Work; Termination by Contractor for Failure to Pay Invoices

8.43.6.1 In the event County fails to pay one or more invoices within the timeframe required by Paragraph 5.5 (Invoices and Payments), and County has not cured such failure within forty-five (45) days (or such longer period of time as Contractor may authorize in writing) of receipt of written notice from Contractor specifying such failure, then Contractor may suspend performance of Services related to the invoice(s) for which County has failed to pay.

8.43.6.2 If County has not cured such failure within thirty (30) days of the start of Contractor's suspension of performances under Subparagraph 8.43.6.1, then Contractor may terminate this Contract and/or the applicable Work Order effective immediately upon written notice given to County.

8.43.6.3 If County cures such failure within thirty (30) days of start of Contractor's suspension of performance under Subparagraph 8.43.6.1, Contractor must immediately recommence performance of the suspended Services and must continue

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

such performance in accordance with the terms of this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor must immediately report any attempt by a County officer or employee to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the Los Angeles County Fraud Hotline at (800) 544-6861 or https://fraud.lacounty.gov/.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code.

8.45.1.2 The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code.

8.45.1.3 The appointment of a receiver or trustee for the Contractor.

8.45.1.4 The execution by the Contractor of a general assignment for the benefit of creditors.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" will constitute grounds upon which County may terminate this Contract and/or pursue debarment of contractor, pursuant to Los Angeles County Code Chapter 2.206.

8.53 Time Off for Voting

The Contractor must use commercially reasonable efforts to notify its California-based employees and must use commercially reasonable efforts to require each Subcontractor performing any material portion of the Services, if any, to notify and provide to its employees, information regarding the time off for voting law (California Elections Code Section 14000), which efforts may include not less than ten (10) days before every statewide election, posting conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice meeting the applicable requirements of California Election Codes Section 14000.

County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

8.55.3 Contractor understands and agrees that County has obligations that it cannot satisfy without use of the Interfaces provided to County hereunder and the PIX Cloverleaf Software maintained and supported by Contractor hereunder, and that a failure to satisfy such obligations could result in irreparable damage to County and the entities it serves.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

Therefore, Contractor agrees that in the event of any expiration or termination of this Contract, Contractor must fully cooperate with County in the transition of County to a vendor, toward the end that there be no interruption of County's day to day operations due to the unavailability of the Interfaces or PIX Cloverleaf Software during such transition as provided herein. For ninety (90) calendar days prior to the expiration date of this Contract, or upon notice of termination of this Contract (in this paragraph, "Transition Period"), County may request Contractor to provide services in the form of Work Order work to assist County to transition PIX Cloverleaf Software maintenance and support operations from Contractor to County or County's designated third party (in this paragraph, "Transition Services"). Upon County's request for Transition Services, County and Contractor agree to negotiate in good faith the scope of work and the price for such Transition Services, using any applicable rates set forth on Exhibit B (Pricing Schedule) for Work Order work. Upon execution of a mutually agreed Work Order for such Transition Services, Contractor must provide the County with all of the Transition Services as provided in such Work Order. The duty of Contractor to provide such Transition Services shall be conditioned on County continuing to comply with its obligations under the Contract, including payment of all applicable fees. This Subparagraph 8.55.3 will control over any conflicting provisions of Paragraphs 3.4 (Unauthorized Work) or 5.4 (No Payment for Services Provided Following Expiration-Termination of Contract). Compliance with this Paragraph 8.55.3 by either Party will not constitute a waiver or estoppel with regard to any rights or remedies available to the Parties.

8.56 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its Subcontractors, must comply with fair chance employment hiring practices set forth in California Government Code Section 12952. Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

8.57 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (https://ceop.lacounty.gov/). The Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation, and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees, or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected

characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

8.58 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Contract.

9 UNIQUE TERMS AND CONDITIONS

9.1 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

9.1.1 Contractor expressly acknowledges and agrees that the provision of Services under this Contract does not require or permit access by Contractor or any of its officers, employees, or agents, to any patient medical records/patient information. Accordingly, Contractor will instruct its officers, employees, and agents that they are not to pursue, or gain access to, patient medical records/patient information for any reason whatsoever.

9.1.2 Notwithstanding the forgoing, the parties acknowledge that in the course of the provision of Services hereunder, Contractor or its officers, employees, and agents, may have inadvertent access to patient medical records/patient information. Contractor understands and agrees that neither it nor its officers, employees, or agents, are to take advantage of such access for any purpose whatsoever.

9.1.3 Additionally, in the event of such inadvertent access, Contractor and its officers, employees, and agents, must maintain the confidentiality of any information obtained and must notify the Director that such access has been gained immediately, or upon the first reasonable opportunity to do so. In the event of any access, whether inadvertent or intentional, Contractor must indemnify, defend, and hold harmless County Indemnitees from and against any and all liability, including but not limited to, actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from or connected with Contractor's or its officers', employees', or agents', access to patient medical records/patient information. Contractor agrees to

provide appropriate training to its employees regarding their obligations as described hereinabove. Any legal defense (including negotiations for settlement) pursuant to the Contractor indemnification obligations under this Paragraph 9.1 (Health Insurance Portability and Accountability Act of 1996 (HIPAA)) shall be conducted by the Contractor and performed by counsel selected by the Contractor. Notwithstanding the preceding sentence, (i) the County will promptly notify Contractor of any such claim for indemnification hereunder, (ii) the County will reasonably cooperate with Contractor to facilitate the settlement of defense of the claim, and (iii) the County will have the right to participate in any such defense at its sole cost and expense,.

9.2 Proprietary Rights

9.2.1 Contractor owns and will own all right, title, and interest, including copyright and other intellectual property rights, to all materials, software, New Interfaces, tools, technical information, and other work product, including without limitation configuration files, documentation, training or instructional materials, reference materials, and/or instruction manuals generated from the Services (“Work Product”). Contractor must use commercially reasonable efforts to mark plainly and prominently any and all Work Product as “trade secret”, “confidential”, or “proprietary”, provided the Contractor’s failure to so mark such Work Product must not prejudice Contractor’s ownership rights in such Work Product.

9.2.2 Contractor additionally owns and will own all right, title and interest, including copyright and other intellectual property rights, to any and all materials, software, tools, and technical information, including without limitation configuration files, documentation, training or instructional materials, reference materials, and/or instruction manuals, (i) which are acquired or developed, or were originally acquired or developed, by Contractor outside the scope of this Contract and (ii) which Contractor desires to use in connection with the Services ("Contractor Materials"). Contractor must use commercially reasonable efforts to mark any Contractor Materials plainly and prominently as "trade secret," "confidential," or "proprietary," provided that Contractor's failure to so mark such Contractor Materials must not prejudice Contractor's ownership rights in such Contractor Materials. Any and all Contractor Materials that Contractor uses hereunder shall constitute Work Product.

9.2.3 Subject to the terms and conditions of this Contract, Contractor grants County a perpetual, non-exclusive, non-transferable license to access, install, integrate, execute, operate, copy, modify, create derivative works from, archive, and otherwise use the Work Product for County's internal business purposes for installation, development, test, production, support, archival, emergency restart, and disaster recovery purposes. This license includes, but is not limited to, the ability (i) to operate the Work Product on the PIX Cloverleaf Software or any other platform, and

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

(ii) to allow third parties to access, install, integrate, execute, operate, copy, modify, create derivative works from, archive, and otherwise use the Work Product as is necessary to provide application management services for the PIX Cloverleaf Software (or any other applicable platform on which the Work Product is operated) of the type described in the Scope of Work, provided that, with respect to clause (ii), County obligates such third parties in writing to maintain the confidentiality of the Work Product pursuant to a written agreement containing confidentiality terms which are at least as onerous as, and not inconsistent with, the terms of Paragraph 7.7 (Confidential Information).

9.2.4 Contractor and Contractor's staff agree that County will be the sole owner of all right, title and interest, including Intellectual Property Rights, in and to all County Data. As between County and Contractor, ownership of Existing Interfaces (and any configuration files and documentation related thereto) must be provided in one or more agreements as may exist between the Parties (or their respective predecessor's in interest), notwithstanding any modifications that Contractor may make to such Existing Interfaces in connection with the Services under this Contract, provided further that such modifications (but not the Existing Interfaces) must be deemed to be Work Product under this Contract.

9.2.5 During the term of this Contract and for five (5) years thereafter, the Contractor must maintain and provide security for all of the Contractor's working papers prepared under this Contract. County will have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.

9.2.6 The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute, or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.

9.2.7 All the rights and obligations of this Paragraph 9.2 must survive the expiration or termination of this Contract.

9.3 Intellectual Property Indemnification

9.3.1 The Contractor must indemnify, hold harmless and defend County Indemnitees from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of a third party claim against the County that any of the Work Product infringes any third party's Intellectual Property Rights, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of the Contractor's Interfaces or other work under this Contract. County will inform the Contractor as soon as practicable of any claim or action alleging such

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

infringement or unauthorized disclosure and will provide reasonable support the Contractor's defense and settlement thereof.

9.3.2 In the event any Work Product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, must either:

9.3.2.1 Procure for County all rights to continued use of the infringing Work Product.

9.3.2.2 Replace the infringing Work Product.

9.3.2.3 Modify the infringing Work Product so that it is free of claims.

9.3.2.4 In the event the first three bulleted options are not possible, discontinue County's use of such infringing Work Product and refund to County an appropriate portion of the fees paid for the infringing Work Product based on the County's prior use of such Work Product.

9.3.3 The Contractor must have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the infringing Work Product, either alone or in combination with other items not supplied by the Contractor, in a manner for which the infringing Work Product was not designed nor intended, other than as recommended in writing in advance by Contractor.

9.3.4 Contractor's obligations under this indemnification are expressly conditioned on the following: (i) County will promptly notify Contractor of any such claim; (ii) County will, in writing, grant Contractor sole control of the defense of any such claim and of all negotiations for its settlement or compromise so long as such settlement or compromise does not result in payment of money by County or an admission of guilt by County (if County chooses to represent its own interests in any such action, County may do so at its own expense, but such representation must not prejudice Contractors' right to control the defense of the claim and negotiate its settlement or compromise); (iii) County will reasonably cooperate with Contractor to facilitate the settlement or defense of the claim.

9.3.5 Contractor must not have any liability hereunder to the extent the claim arises from (i) any modification of such Work Product by, on behalf of, or at the request of County (unless approved in writing in advance by Contractor); or (ii) the use or combination of such Work Product with any computer, computer platform, operating system and/or data base management system other than provided by Contractor (unless approved in writing in advance by Contractor).

10.1 Warranties Regarding Task 3 Services

Contractor warrants to County that, for the period beginning on the specific date of the applicable Work Order and continuing for 90 days after the completion of Services and other work pursuant to that Work Order, Contractor will render all Services (and related Work Product) which are part of Task 3 of Exhibit A (Statement of Work) without material Deficiencies. If County notifies Contractor within the warranty period of a breach of the foregoing warranty, Contractor will re-perform such Services and re-provide such Work Product in compliance with the foregoing warranty. If despite its reasonable efforts, Contractor is unable to provide County with such Services and/or Work Product in compliance with the foregoing warranty, then Contractor must, subject to the limitations set forth in Paragraph 11 (Limitation of Liability), provide County with a credit in an appropriate amount equal to the portion of the fees paid with respect to the Deficient portion of the applicable Services and/or Work Product, which credit may be applied by County toward any other fees then-payable or to be payable during the Term of this Contract or any expenses then-reimbursable or to be reimbursable during the Term of this Contract; provided, however, that at the expiration or termination of this Contract, Contractor must promptly pay to County in cash the remaining balance of credits. The foregoing remedies are exclusive and are in lieu of all other remedies, and Contractor's sole obligations, for breach of the warranty contained in this Paragraph 10.1. After the applicable warranty period, Contractor's obligations to correct Deficiencies with the Services and Work Product are as set forth in Task 2 of Exhibit A (Scope of Work).

10.2 General Warranties

10.2.1 Contractor warrants that the Services will be performed using reasonable care and skill and according to the technical specifications, configurations, standards, functions and/or requirements as may be specified in the applicable Statement of Work, and/or any applicable Work Order and in a professional and workmanlike manner and consistent with generally accepted industry standards.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

10.2.2 All documentation delivered under this Contract must be in accordance with applicable County standards as may be specified in any applicable Work Order.

10.2.3 In performance of its Services under the Contract, Contractor must not intentionally cause any unplanned interruption of the operations of, or accessibility to, any of County's systems through any device, method or means including, without limitation, the use of any “virus”, “lockup”, “time bomb”, or “key lock”, “worm”, device or program, or disabling code, which has the potential or capability of compromising the security of County's confidential or proprietary information or of causing any unplanned interruption of the operations of, or accessibility of, County's systems by County or users or which could alter, destroy, or inhibit the use of County's systems, or the data contained therein (collectively referred to as a “Disabling Device”) which could block access to or prevent the use of County's systems by County or users. Contractor agrees that it has not intentionally placed, nor is it aware of, any Disabling Device intentionally placed by Contractor on County's systems in performance of its Services under this Contract, nor will Contractor knowingly permit any subsequent Services under this Contract to cause placement of any Disabling Device on County's systems.

10.3 Warranty Pass-Through

Contractor must pass through to County to the fullest extent authorized, any applicable warranty or indemnity offered by any manufacturer of any third-party software product that forms a part of the Services and which are provided by Contractor under this Contract.

10.4 Disclaimer of Other Warranties

Other than as expressly set forth in the Paragraph 10, elsewhere in this Contract, and/or in any Work Order, Contractor makes no other warranties whatsoever, express, or implied, with regard to any Services or other work provided under this Contract and/or Work Order, in whole or in part. Contractor explicitly disclaims all warranties on non-infringement, merchantability and of fitness for a particular purpose.

11 LIMITATION OF LIABILITY

a. The total liability of each Party and its respective affiliates and contractors or Contractor’s Third-Party licensors in connection with this Contract (whatever the basis for the cause of action) must not exceed two (2) times the Services fees paid to Infor during the twelve-month period immediately preceding the date on which such liability first arose for the Services giving rise to the liability.

b. In no event must either Party or its respective affiliates or contractors or licensors be liable for any special, incidental, punitive, indirect, or consequential damages or damages for lost profits, whether based on breach of Contract, tort (including negligence), product liability, or otherwise, and regardless of whether Contractor

has been advised of the possibility of such damages. For the sake of clarity, but without limiting what would otherwise be characterized as direct damages, the following costs, to the extent actually incurred by a Party as a result of the other Party's unauthorized disclosures of personal information shall be deemed to be direct damages: (i) the costs of providing notice to affected persons as required by applicable law; (ii) the cost of establishing and operating a call center to field inquiries related to such breach for at least 90 days (or longer as required by applicable law); and (iii) the cost of providing credit monitoring services to affected persons as required by applicable law.

c. Subparagraph (a) of this Paragraph 11 (Limitation of Liability) shall not apply to (i) Indemnification obligations arising under Paragraphs 8.23 (Indemnification); (ii) Damages, losses, or liabilities (collectively in this Subparagraph (c) of Paragraph 11(Limitation of Liability), "Damages") arising from a Party's unauthorized disclosure of personal information due to a breach of obligations under Paragraph 7.7 (Confidentiality and Security) resulting from such Party's failure to adhere to Paragraph 7.7 (Confidentiality and Security) and/or its documented security policies and procedures (in which case such Party's liability for damages must be further limited to a maximum of five (5) times the fees paid to Contractor during the twelve-month period immediately preceding the date on which such liability first arose under the applicable Work Order; (iii) Damages resulting from a Party's breach of the other Party's intellectual rights; (iv) Damages resulting from a Party's intentional misconduct; and (v) a Party's liability for damages to the extent that such limitation or exclusion is not permitted by applicable law.

d. The Parties have agreed that the limitations specified in Paragraph 10.1 (Warranties Regarding Task 3 Services) and this Paragraph 11 (Limitation of Liability) will survive and apply even if any remedy specified in this Contract is found to have failed its essential purpose.

STATEMENT OF WORK (SOW)

1 SCOPE OF WORK

1.1 Introduction

This Exhibit A ("Statement of Work" or "SOW") sets forth the scope of work for Los Angeles County's ("County") on behalf of the Information Systems Advisory Board ("ISAB"), for Proactive Information Exchange ("PIX") Cloverleaf Application Management Services ("Services") described herein (as further defined in Appendix A (Contract), "Services") for all Infor Corporation's ("Infor") PIX Cloverleaf integration software platform ("Cloverleaf") based applications operated by ISAB's criminal justice agencies. The County implementation of Cloverleaf is called Proactive Information eXchange (as further defined in Appendix A (Contract), "PIX Cloverleaf Software"). Capitalized terms used herein without definition have the meanings given to such terms in Appendix A (Contract).

1.2 Overview

PIX Cloverleaf Software supports operational processes for the full justice lifecycle by transmitting and monitoring near real-time data on case transactions among 100-plus systems across over 60 agencies and departments for the County and other governmental agencies. Approximately 300,000 datagrams are currently exchanged through PIX Cloverleaf Software each day. The County has additional PIX Cloverleaf Software Interfaces in discussion for future development.

Like any enterprise software platform, PIX Cloverleaf Software requires platform expertise to manage and maintain, including tasks such as setting up, configuring, and refactoring PIX Cloverleaf Software components, addressing change requests, applying updates, and generally assuring the health and reliability of systems. With multiple applications in or nearing production, economies of scale can be realized by having a single resource group maintain those applications.

The Services described in this SOW are designed to maintain the PIX Cloverleaf Software production systems from end-user administration through application enhancement and system upgrades. Contractor must work with County to ensure that the systems are managed and maintained as designed and are kept up to date with the latest releases and features of Infor's Cloverleaf base product. Contractor must have knowledge of best practices for keeping a production system up to date and must be able to develop and maintain high availability and business continuity strategies.

The Statement of Work under the Contract must include, but not limited to, the following Services:

- Conduct an initial assessment and site evaluation of the current ISAB PIX Cloverleaf Software environments to identify areas where re-architecture and/or re-engineering is needed.
- Assist ISAB criminal justice agencies with the day-to-day maintenance and support of PIX Cloverleaf Software Interfaces.

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

- Provide PIX Cloverleaf Software Interface management and monitoring services.
- Provide on-going support and management assistance of current system operation environments.
- Re-architect and migrate Existing Interfaces to use/leverage appropriate PIX Cloverleaf Software tools and components.
- Provide system analysis, development, testing, and support for new PIX Cloverleaf Software Interfaces.

1.3 Minimum Qualifications

The Contractor must provide Resources to perform Services for this Contract who meet each of the requirements set forth in the Attachment 2 (Minimum Skills Requirements) of this Exhibit A.

1.4 Contractor Responsibilities

Under the direction of the County Project Manager, the Contractor must perform the tasks as set forth in this Exhibit A.

The Contractor must work closely with ISAB in the technical maintenance and support of Interfaces using PIX Cloverleaf Software and provide some Interface development services for the existing PIX Cloverleaf Software deployed by ISAB. The Contractor must perform the Interface development and technical support tasks as directed by the County Project Manager, provided that engagement of Contractor to perform work under Task 3 must be in accordance with Paragraph 3.2 (Work Order Work) of Appendix A (Contract).

Contractor's responsibilities and qualifications must include, but not be limited to:

- Contractor must be available to address production support issues 24 hours per day, seven (7) days per week, 365 days per year (non-leap years), 366 days per year (leap years).
- Each Resource used by Contractor must have proven experience and execution skills, excellent written, interpersonal, and client relationship skills, and ability to work creatively and analytically in a problem-solving environment.

1.5 Scope of Services

The Contractor must be required to provide the Services specified in this Paragraph 1.5.

1.5.1 Task 1 Category: Site Assessment and Evaluation

- PIX Cloverleaf Architecture and Design Best Practices
- Security
- Integration Standards

Docusign Envelope ID: 34FE05D5-6DE8-4CC6-B8DA-E60565A947D8

- Documentation regarding the County's Cloverleaf environments.
- Results and recommendations across all identified areas of evaluations.
- An Executive Summary, graphically grading different categories.

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

1. Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
2. You must leave your newborn with a fire station or hospital employee.
3. You don't have to provide your name.
4. You will only be asked to voluntarily provide a medical history.
5. You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?
Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?
No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?
The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?
After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?
Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:
You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

2025 DEFENSIBLE SPACE CLEARANCE/WEED ABATEMENT REFEREES' HEARING REPORT (ALL DISTRICTS) (3-VOTES)

SUBJECT

Annual abatement of hazardous vegetation is a critical component of the overall fire prevention infrastructure throughout most of Los Angeles County. The actions which are requested herein of your Board are part of the legal process that is required to carry out this critical public safety function. The importance of these abatement activities is all the more relevant in light of recent devastation brought by the Eaton and Palisades Fires, and highlights the protections the abatement provides to the lives and properties of residents throughout the County in preventing fuel accumulation and securing defensible space. The abatement of hazardous vegetation is completed by a joint effort between the Department of Agricultural Commissioner/Weights and Measures (ACWM) and the Consolidated Fire Protection District of Los Angeles County (District).

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY AND AS THE BOARD OF SUPERVISORS:

1. Accept the Referee Hearing Report.

2. Order ACWM and the District to enforce the removal of hazardous brush, dry grass, weeds, rubbish, illegal dumping, combustible growth or flammable vegetation, to include native and ornamental vegetation, from improved and unimproved properties in Los Angeles County as listed on the Resolution of the Board of Supervisors approved on February 18, 2025.

DRAFT

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Various properties, which are both improved and unimproved (vacant), were declared by prior Board resolution to contain or have the potential to contain public nuisances due to hazardous vegetation or rubbish. By accepting the Referee Hearing Report and holding this hearing, ACWM and the District will be able to take the necessary actions that cause the public nuisances to be abated if not done so by the owners of the properties upon which unsafe conditions exist. ACWM will continue to focus primarily on the unimproved (vacant) properties and the District will continue to work towards achieving fire safety on the improved properties.

Implementation of Strategic Plan Goals

This action supports the County Strategic Plan goals through the following strategies:

- North Star 2: Foster Vibrant and Resilient Communities. Focus Area Goal C.: Public Safety – Strategy i.: Prevention, Protection and Security - Removal of overgrown weeds, neglected vegetation and illegal dumping contributes to the health and safety of residents within many of the County's diverse communities.

- North Star 3: Realize Tomorrow's Government Today. Focus Area Goal G.: Internal Controls and Processes – Strategy i.: Maximize Revenue - Conducting nuisance abatement pursuant to the statutory authority of the California Health and Safety Code allows ACWM and the District to respond to hazards posed by weeds, brush, and rubbish more quickly and effectively than when using other nuisance abatement procedures. It also allows complete cost recovery for ACWM's and the District's role in this critical public safety function.

FISCAL IMPACT/FINANCING

There is no net County cost.

ACWM will recover its expenses for abatement costs, including clerical functions such as mailings, boundary determination, data entry, etc., through direct assessments on the property taxes of individual properties.

The District will assess fines directly to private property owners of declared improved properties if they fail to comply with two official notices to abate hazards that constitute a public nuisance. Reimbursement of initial inspections and abatement costs for enforcement services beyond annual inspection will be recovered through direct assessments to the tax roll of individual properties. The Board of Supervisors has approved an initial inspection fee of $151.00 for all declared improved parcels. The County of Los Angeles Auditor-Controller has approved administrative abatement enforcement costs of $1,199.00 for improved parcels that require enforcement actions

beyond a second inspection. Failure to comply 30 days after the Official Inspection Report will also result in the assessment of a $500 administrative fine that will be directly billed to the property owner.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Weed, brush and rubbish abatement is conducted pursuant to California Health and Safety Code (Code) Sections 13879 and 14875-14922. The initial step of the process was the adoption of a resolution by the Board on February 18, 2025, during which time weeds, brush and rubbish on designated properties were declared to be a public nuisance. Following the resolution, a legal notice was mailed to each affected property owner in the form prescribed by Section 14892 of the Code. The legal notice included the date and time of this hearing, and no further notice or newspaper publication is required.

After the notices were mailed, public hearings were held before the Weed Abatement and Defensible Space Clearance Referees on the following dates:

- Friday, March 7, 2025, from 5:00 p.m. until 8:00 p.m. in the Hacienda Heights Community Center, 1234 Valencia Ave., Hacienda Heights (SD1);
- Saturday, March 8, 2025, from 9:30 a.m. until 12:00 p.m. in the District's Fire Station 58 – Apparatus Bay, 5757 S. Fairfax Ave., Los Angeles (SD 2);
- Saturday, March 8, 2025, from 3:00 p.m. until 6:00 p.m. in the Palos Verdes Art Center, 5504 Crestridge Road, Rancho Palos Verdes (SD 4);
- Wednesday, March 12, 2025, from 9:30 a.m. until 12:00 p.m. in the ACWM's Conference Room, 12300 Lower Azusa Road, Arcadia (SD 5);
- Thursday, March 13, 2025, from 9:30 a.m. until 12:00 p.m. in the Antelope Valley, 335 East Avenue K-10, Lancaster (SD 5);
- Friday, March 14, 2025, from 5:00 p.m. until 8:00 p.m. in the Agoura Hills City Hall – Council Chambers, 30001 Ladyface Ct., Agoura Hills (SD 3); and
- Saturday, March 15, 2025, from 9:30 a.m. until 12:00 p.m. in Santa Clarita City Hall – Council Chambers, 23920 Valencia Blvd., Santa Clarita (SD 5).

DRAFT

Property owners were able to attend the public hearings, where they were provided individual consultation regarding program-related issues, such as:

- Why their properties have been included in the program
- When their properties need to be cleared
- What needs to be done on the property to remove the hazard or public nuisance
- The inspection fee
- Additional costs

Property owners who have objections to having their properties included in the program may appear before the Board during this hearing, as required by Section 14898 of the Code, after which the Board may allow or overrule any or all objections and order ACWM and the District to continue with abatement proceedings.

ACWM and the District will keep an account of the abatement cost, including enforcement, administrative fines, and inspection fees, and will render a report containing all itemized costs of abatement charges (Report) to the Board showing the abatement cost on each separate parcel of land. Pursuant to Section 14910 of the Code, the Board shall receive and consider the Report at a hearing on July 22, 2025, during which time the Board will hear any objections from property owners liable to be assessed for the cost of the abatement that was required.

INSPECTION FEE

California Health & Safety Code, Section 14902, allows recovery of inspections program costs. Los Angeles County Agricultural Commissioner/Weights and Measures has been authorized by the Board of Supervisors to recover their inspection program costs since 1989. The Board of Supervisors authorized cost recovery and approved implementation of defensible space inspection fee in December 2021. The 2025 inspection fee is $151.00 to be billed on the 2026 property tax bill. This fee will be assessed on all declared hazardous properties whether they are cleared by the property owner or not. The fee is intended to offset the Department's costs to keep the Defensible Space Inspection Program cost neutral.

INSPECTION TIMELINE

Defensible space inspections are scheduled to begin April 1 in desert communities, May 1 in the Inland communities, and June 1 in Coastal communities. If hazardous fire conditions exist on your property at the time of inspection, you will be issued an Official Inspection Report, indicating existing violations and providing specific instructions and a compliance deadline.

NOTE: Failure to comply 30 DAYS after the Official Inspection Report will result in the assessment of a $500 administrative fine that will be directly billed to you. An additional $1,199 direct assessment will also be added to your annual tax bill as item CO FIRE ABMT ENF to recover the County of Los Angeles Fire Department costs related to enforcement of the Fire Code. Additionally, if your parcel is inspected or cleared by the Agricultural Commissioner, an inspection fee of $51.59 and the clearing costs will be placed on your annual tax bill as item LA CO HAZABATE.

HOW TO CONTACT US

For additional information regarding specific clearing requirements, prior to receiving an inspection, please contact the Defensible Space Unit at (626) 969-2375 or email to fire-defensiblespace@fire.lacounty.gov. More information is available via our website: fire.lacounty.gov/fire-hazard-reduction-programs/. Once you receive the inspection, please contact the inspector using the telephone number on the top of the inspection notice.

DEFENSIBLE SPACE REQUIREMENTS

Thousands of homes are in danger of destruction by fire because of their proximity to brush-covered areas. Homes with wood shake roofs, wood siding, decks, patio covers, or exposed eaves are particularly vulnerable to the spread of fire. Despite efforts by firefighters, wildland fires fanned by strong winds can destroy homes. It is your legal responsibility to take the necessary action by clearing vegetation around all structures at risk. A fire-safe landscape creates a defensible space to help protect and defend your home against approaching wildfires.
HELP US DEFEND YOUR HOME BY PROVIDING DEFENSIBLE SPACE.

DRAFT

YOUR RESPONSIBILITIES

1. Do not remove any trees or ornamental shrubs until you have received guidance from your inspection. In most circumstances, removal is not necessary if corrective trimming/pruning is done.

2. It is required that all trees and shrubs shall be maintained free of deadwood and litter. Native and ornamental vegetation known to be flammable, including, but not limited to: Acacia, Cedar, Cypress, Eucalyptus, Juniper, Pine, and Pampas Grass shall be removed within 30 feet of any structure or 50 feet in extra hazard areas or kept free of dead material and trimmed away from the structure.

3. Thin remaining vegetation for the next 70 feet, for a total of 100 feet, around any structure by clearing, trimming, thinning, limbing up, and removing flammable vegetation and dead wood. For extra hazard areas, this distance can be increased to a maximum of 200 feet.

4. Cured annual grasses should be maintained no higher than three inches.

5. Specimen native trees and shrubs are permissible, provided they do not form a means of transmitting fire to any structure. It is recommended that specimens shall be spaced a minimum of 15 feet or three times diameter from other specimens, structures, or surrounding native brush.

6. Fire access roads shall be maintained with a minimum of 10 feet of brush clearance on each side. Fire access roads shall have an unobstructed vertical clearance to the sky. Trees overhanging fire access roads shall be maintained to provide adequate vertical clearance.

7. Provide a minimum of three feet of brush clearance around all fire hydrants.

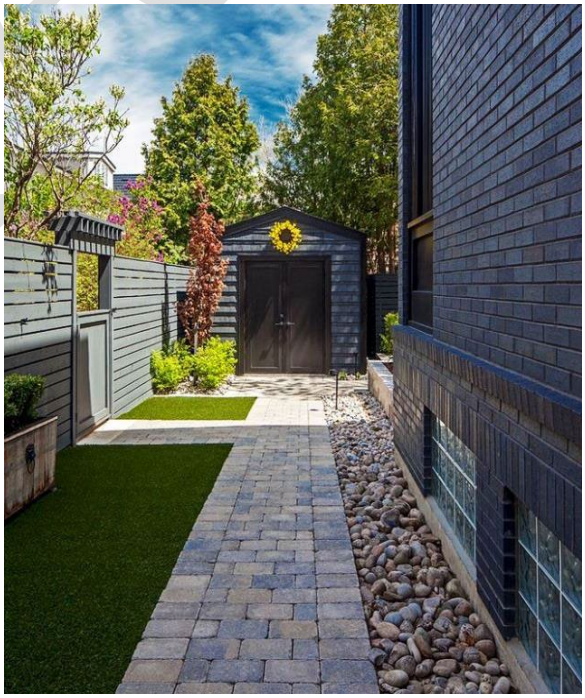

8. Trees are best trimmed during dormancy or during the winter months. Care should be taken when trimming trees during spring as this is the nesting season for many species of birds.

ASSEMBLY BILL 3074 UPDATE

Assembly Bill 3074 (AB-3074) was originally passed by the State legislature on September 29, 2020, and is known as "Zone Zero" or the Ember Resistant Zone. The State Board of Forestry has been tasked with developing implementation requirements. As of now, implementation requirements have not been defined and it is unclear when the Board of Forestry will make a final determination. This legislation is expected to severely restrict combustible material within five feet of all residential structures within the High and Very High Fire Hazard Severity Zones. Once the implementation requirements of AB-3074 are provided, they will be shared with you.

If/when the Board of Forestry gains approval, requirements will be immediately effective for all new construction and will be in effect for existing structures one year later. For questions or comments regarding status and requirements of AB-3074, please contact Edith Hannigan from the Board of Forestry at publiccomments@bof.ca.gov.
