"To Enrich Lives Through Effective and Caring Service"

April 8, 2025

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**SEVEN-YEAR LEASE
FIRE DEPARTMENT
5801 SOUTH EASTERN AVENUE, COMMERCE
(FOURTH DISTRICT) (3 VOTES)**

SUBJECT

Approval of a proposed seven-year lease to renew an existing lease to provide the Fire Department's (Fire) continued use of 31,355 square feet of office space and 124 on-site parking spaces for the Financial Management Division (FMD), Material Management Division (MMD), and the Information Management Division (IMD).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed lease is exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this Board letter and in the record of the project.
2. Authorize the Chief Executive Officer, or her designee, to execute the proposed lease with PROLOGIS, LP, a Delaware limited partnership (Landlord), for approximately 31,355 square feet of office space and 124 on-site parking spaces located at 5801 South Eastern Avenue, Commerce (Premises) to be occupied by Fire. The estimated maximum first year base rental cost is approximately \$922,000, but with a four-month rent abatement of about \$308,000, will equal \$614,000. The estimated total proposed lease cost is \$6,769,000 over the seven-year term. Fire, as a Special District, is funded independently from the County's General Fund, and relies primarily on property tax revenue to provide essential fire

protection and life safety services. The proposed lease costs are already included in Fire's existing budget. Fire will not be requesting additional net County cost for this action.

3. Authorize and direct the Chief Executive Officer, or her designee, to execute any other ancillary documentation necessary to effectuate the proposed lease, and to take actions necessary and appropriate to implement the proposed lease, including, without limitation, exercising any early termination rights.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Fire has occupied the Premises since 2002, to house the FMD, MMD, and IMD. The lease expired November 30, 2024, with no additional holdover fees.

FMD and MMD handle the financial aspect of Fire in an administrative capacity. FMD provides accounting and budgeting services to departmental staff and serves 15 members of the public daily that need to come into the office to pay for permit fees, site mitigation fees, or emergency response cost recovery fees. MMD provides procurement and contracting services and IMD manages all of Fire's information technology.

The Premises currently houses 141 staff using 147 workstations at the Premises. However, the Human Resources Division (HRD) that is currently located at 1320 N. Eastern Ave., Los Angeles (HQ), is currently in the hiring process to fill 22 positions. While most of the new hires for HRD can be accommodated at HQ by redesigning existing space and conforming to the County's updated space standards, several non-HRD staff will be relocated to the Premises. Fire anticipates being at full capacity at both the Premises and HQ. Due to varying in-person services provided to the public, there are no immediate plans for extensive teleworking.

The proposed lease will enable Fire to remain and serve the County, avoid relocation costs, and interruption of services. The Premises is centrally located and is near public transportation routes.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan North Star 3 – *“Realize Tomorrow's Government Today”* – ensures we provide an increasingly dynamic and complex environment, challenges collective abilities to respond to public needs and expectations. LA County is an innovative, flexible, effective, and transparent partner focused on advancing the common good & being fiscally responsible.

The proposed lease is also consistent with the Strategic Asset Management Goal – Maximize use of County space and achieve cost savings and Key Objective No. 1 – Maintain Asset Inventory.

The proposed lease supports the above goals and objective by providing Fire with continued use of existing office space for administrative functions and direct service to the public.

The proposed lease conforms with the Asset Management Principles outlined in Enclosure A.

FISCAL IMPACT/FINANCING

The estimated maximum first year base rental cost is approximately \$922,000, but with a four-month rent abatement of \$308,000, will equal \$614,000, which includes parking at no additional cost. The aggregate cost associated with the proposed lease over the entire term, including rent abatement is \$6,769,000 as shown on Enclosure B-1. Fire, as a Special District, is funded independently from the County's General Fund, and relies primarily on property tax revenue to provide essential fire protection and life safety services. The proposed lease costs are included in Fire's existing budget. Fire will not be requesting additional net County cost for this action.

Sufficient funding to cover the proposed rent for the first year of the proposed lease is included in the Fiscal Year 2024-25 Rent Expense budget and will be billed back to Fire. Fire has sufficient funding in its Fiscal Year 2024-25 Operating Budget to cover the proposed rent for the first year. Future funding for the costs associated with the proposed lease will be addressed through the annual budget process for Fire.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In addition to the terms previously stated, the proposed lease also contains the following provisions:

- Upon commencement of the proposed lease, the annual rental rate will decrease from \$31.29 per square foot, per year to \$29.40 per square foot, per year. Base rent is subject to annual increases based on fixed annual increases of 3 percent.
- The Landlord has agreed to four months of rent abatement.
- The Landlord, at the Landlord's sole cost and expense, will paint, and complete other minor improvements to refresh the Premises.

- The Landlord is responsible for all operating and maintenance costs of the building and all utilities and janitorial costs. The County has no responsibility for any operating and maintenance costs.
- There are 124 on-site parking spaces included in the base rent at no additional cost.
- A comparison of the existing lease and the proposed lease terms is shown in Enclosure B-2.
- The proposed lease includes a seven-year term with no options to extend.
- The County has the right to terminate the proposed lease early any time after the 60th month, with 270 days' notice.
- Holdover at the proposed lease expiration is permitted on the same lease terms and conditions except the monthly base rent during the holdover period will be at the base rent at the time of the lease expiration.
- The proposed lease will be effective and commence upon the first day of the first calendar month following approval by the Board and full execution of the proposed lease.

The Chief Executive Office conducted a market search of available office space for lease but was unable to identify any sites that could accommodate this requirement more economically. Based upon a review of available industry data, it has been established that the annual rental range for a comparable lease in the area is between \$28.20 and \$31.20 per square foot, per year. The base annual rental rate of \$29.40 per square foot, per year for the proposed lease represents a rate that is within the market range for the area and is a reduction from the current rental rate. Further, relocation to a new building would require costly new tenant improvements and disrupt services. We recommend the proposed Premises as the most suitable to meet the County's space requirements.

Co-working space is not suitable for this requirement due to the nature of the services provided. Fire provides direct service to the public and stores confidential documents.

Enclosure C shows County-owned or leased facilities within the surveyed area, and there are no suitable County-owned or leased facilities available for this space requirement.

The Department of Public Works has inspected this facility and found it suitable for the County's occupancy. The required notification letter to the City of Commerce has been sent in accordance with Government Code Section 25351.

County Counsel has reviewed the proposed lease and approved it as to form. The proposed lease is authorized by Government Code Section 25351, which allows the County to enter into leases and agreements for the leasing of buildings, as necessary, to carry out the work of the county government.

The proposed lease will continue to provide a suitable location for the Fire's program, which is consistent with the County's Facility Location Policy, adopted by the Board on July 24, 2012, as outlined in Enclosure D.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from CEQA, as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, and section 15301 of the State CEQA Guidelines (Existing Facilities). The proposed lease, which involves the leasing of existing office space with minor tenant improvements within an existing building, with no expansion of the existing building, is within a class of projects that have been determined not to have a significant effect on the environment and meets the criteria set forth in section 15301 of the State CEQA Guidelines (Guidelines), and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, based on the proposed project records, it will comply with all applicable regulations, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled, pursuant to Government Code Section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

Upon the Board's approval of the recommended actions, a Notice of Exemption will be filed with the Registrar-Recorder/County Clerk and with the State Clearinghouse in the Office of Land Use and Climate Innovation in accordance with section 21152 (a) of the California Public Resources Code and will be posted to the County's website, pursuant to section 21092.2.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will adequately provide the necessary office space and parking for this County requirement. Fire concurs with the proposed lease and recommendations.

2. PREMISES

2.1 Lease of Premises

Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1.1 and depicted on Exhibit A attached hereto. The space has been measured by Landlord and verified independently by Tenant.

3. COMMON AREAS

Tenant may use the following areas ("Common Areas") in common with Landlord and any other tenants of the Building: the entrances, lobbies, corridors and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Area established by Landlord. Notwithstanding the foregoing or anything else to the contrary and provided such actions by Landlord do not materially and adversely impair access to or parking for the Premises, Landlord shall have the right, in Landlord's sole discretion, from time to time to (a) make changes to the Common Areas, including, without limitation, changes in the locations, size, shape, and number of driveways, entrances, parking spaces, parking areas, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways, and utility raceways; (b) close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Premises remains available; (c) use the Common Areas while engaged in making additional improvements, repairs, or alterations to the property of which the Building is a part, or any portion thereof; and (d) do and perform such other acts and make such other changes in, to, or with respect to the Common Areas and property as Landlord may, in the exercise of sound business judgment, deem to be appropriate.

4. COMMENCEMENT AND EXPIRATION DATES

4.1 Term

The term of this Lease shall be for a period of seven years, commencing upon the first day of the first calendar month, following approval of this Lease by the Board of Supervisors and full execution of the Lease by both parties, and ending 84 months thereafter.

4.2 Existing Possession

Tenant acknowledges that (a) it is in possession of and is fully familiar with the condition of the Premises and, agrees to take the same in its condition "as-is" as of the first day of the Term, and (b) Landlord shall have no obligation to alter, repair or otherwise prepare the Premises for Tenant's continued occupancy for the Term or to pay for any improvements to the Premises, except as may be expressly provided in this Lease.

4.3 Early Termination

Tenant shall have the right to terminate this Lease at any time after the Early Termination date specified in Section 1.1, by giving Landlord not less than nine (9) months or more than twelve (12) months prior written notice, executed by Tenant's Chief Executive Officer or his/her designee.

5. RENT

5.1 Base Rent

Tenant shall pay Landlord the Base Rent stated in Section 1.1 during the Term hereof within fifteen (15) days after (a) the Commencement Date, and (b) the first day of each calendar month thereafter, provided that at least fifteen (15) business days prior to the Commencement Date, Landlord must provide the Auditor-Controller (A-C) of the County of Los Angeles with the following information: (i) name and address of Landlord or other party to whom Base Rent should be paid, (ii) Landlord's federal tax ID number; (iii) name of contact person and contact information (including phone number) for Landlord; (iv) a completed IRS form W-9, and (v) evidence of insurance in compliance with Section 20.2. If Landlord fails to timely provide the information required pursuant to this Section 5.1, or to provide updates for any changed information, then Tenant shall not be required to pay Base Rent to Landlord until fifteen (15) business days after Landlord provides such information. Base Rent for any partial calendar month during the Term shall be prorated in proportion to the number of days during the Term within such calendar month.

5.2 Method of Payment and Required Information

The Tenant may, at its sole discretion, determine the most appropriate, efficient, secure, and timely form of payment for any amounts due under this Lease. Landlord further agrees that the default form of payment shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the A-C.

Subject to Section 5.1, the Landlord shall provide the A-C with electronic banking and related information for the Landlord and/or any other payee that the Landlord designates to receive payment pursuant to this Lease. Such electronic banking and related information includes, but is not limited to: bank account number and routing number, legal business name, valid taxpayer identification number or TIN, a working e-mail address capable of receiving remittance advices and other payment related correspondence, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments. Upon the Commencement Date or at any time during the duration of the Lease, a Landlord may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

5.3 Base Rent Adjustment

From and after the first Anniversary of the Commencement Date, on the first day of the first full calendar month thereafter (the "Adjustment Date") and on every anniversary of the Adjustment Date thereafter, Base Rent shall be increased by three percent (3%) of the Base Rent payable in the immediately preceding month, Thus, the monthly installment of Base Rent shall be as follows:

Hours of Operation, and on weekends and holidays and for no other business or purpose, however, Landlord shall not unreasonably withhold its consent to a change of use,.

7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the term of this Lease, such occupancy shall be a tenancy which is terminable only upon ninety (90) days written notice from Landlord or thirty (30) days written notice from Tenant's Chief Executive Officer or his/her designee at the last monthly Base Rent payable under this Lease (as such Base Rent is increased by 3% each year, plus any other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including but not limited to the Americans with Disabilities Act ("ADA"), except if such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises.

If any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable, and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days, then Landlord shall promptly, at Landlord's expense, repair such damage, and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made unusable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten (10) days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises leasable again using standard working methods. The failure to do so shall be a material default hereunder. Base Rent shall abate to the extent that the Premises are unusable by Tenant.

9.2 Tenant Termination Right

If any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable, and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days for any reason, then Tenant may terminate this Lease by giving Landlord written notice within ten days after Tenant's receipt of written notice from

Landlord or its agents specifying such time period of repair; and this Lease shall terminate and the Base Rent shall be abated from the date the Premises became unusable. If Tenant does not elect to terminate this Lease, then Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises, provided that insurance proceeds are available to repair the damages.

9.3 Damage In Last Year

Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, then either Landlord or Tenant may terminate this Lease by giving written notice to the other not more than thirty (30) days after such destruction, in which case:

- (b) Landlord may retain all insurance proceeds relating to such destruction, and
- (c) This Lease shall terminate as of the date which is thirty (30) days after such written notice of termination.

9.4 Default By Landlord

If Landlord is required to repair and restore the Premises as provided for in this Section 9, and Landlord thereafter fails to diligently prosecute said repair and restoration work to completion, then Tenant may, at its sole election:

The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten (10) days after written notice, then Tenant shall be entitled to deduct from Base Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 15.

(f) Access

Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building. If required, Landlord shall provide access cards or fobs to all Tenant employees for Building entry, elevators, and/or floor access, at Landlord's sole cost and expense.

(g) Pest Control

Landlord at its sole cost and expense shall provide any and all pest control services to the Premises per the specifications set forth in Exhibit D attached hereto.

11.2 Utilities

Landlord agrees to pay, at its sole cost, when due, all charges for the use of the sewer, effluent treatment (when and if imposed by any governmental authority), all water, sprinkler standby charges, electricity, gas, heating and common area power and lighting, trash removal service, fire/life safety systems, charges associated with the HVAC, and other utility rents and charges accruing or payable in connection with the Premises and the Common Areas during the Term of this Lease or any renewal, extension, or holdover thereof, whether the same are prorated or measured by separate meters. In the event Landlord fails or refuses to pay any or all of such charges when due, Tenant may give Landlord ten (10) calendar days prior written notice and thereafter pay directly such charges and deduct the payments from the next installments of rent due as a charge against the Landlord.

12. TAXES

Landlord, at its sole cost and expense, shall pay, prior to delinquency, all real property taxes, assessments and special assessments which may be levied or assessed against the Premises or the Building during the term of this Lease or any renewal or holdover period thereof.

In the event Landlord fails or refuses to pay any or all taxes or assessments when due, Tenant may, at its sole discretion, give Landlord thirty (30) calendar days prior written notice and thereafter pay such taxes and assessments and deduct the payments from the next installments of rent due as a charge against the Landlord.

13. LANDLORD ACCESS

Tenant shall permit Landlord and its agents to enter the Premises during Tenant's Hours of Operations upon prior written notice only for the purpose of inspecting the Premises for any reasonable purpose or for performing any of Landlord's obligations under this Lease.

If Landlord temporarily closes any portion of the Building or the Premises, Base Rent shall be prorated based upon the percentage of the Premises or the Building rendered unusable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency and notify Tenant immediately thereafter.

14. TENANT DEFAULT

14.1 Default

The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Tenant ("Default"):

- (a) the failure by Tenant to make any payment of Base Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder) as and when due, and the failure continues for a period of ten (10) days after written notice to Tenant;
- (b) the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying in detail the nature of the default; provided, however, if more than thirty (30) days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure, within said thirty (30)-day period and thereafter diligently prosecutes such cure to completion.

14.2 Termination

Tenant agrees that if a Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

14.3 No Effect on Indemnity

Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

15. LANDLORD DEFAULT

15.1 Remedies

In addition to the provisions for Landlord's default provided by Sections 9.4, 10.4, 19, 21.2 and 32.3, Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within five (5) days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10.4); provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such five day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing

cure period, then Tenant shall have the right, at its option, after two days further written notice to Landlord setting forth the cost to repair Landlord's Default, to remedy such default or breach and Landlord shall reimburse Tenant for such costs.

- (a) to remedy such default or breach and deduct the costs thereof (including but not limited to attorney' fees) plus interest at the rate of ten percent (10%) per annum from the installments of Base Rent next falling due;
- (b) to pursue the remedy of specific performance;
- (c) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Base Rent next coming due; and/or
- (d) to terminate this Lease.

15.2 Waiver

Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

15.3 Emergency

Notwithstanding the foregoing cure period, Tenant may cure any default where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition, or materially and adversely affect the operation of Tenant's business in the Premises. In such cases, Tenant may perform the necessary work through its Internal Services Department and deduct the cost of said work from the Base Rent next due and pursue all available remedies therefor pursuant to Section 15.1 above.

16. ASSIGNMENT AND SUBLETTING

16.1 Assignment and Subletting

Tenant may not assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent; provided, however, no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

16.2 Sale

If Landlord sells or conveys the Property, then all liabilities and obligations of Landlord accruing under this Lease after the sale or conveyance shall be binding upon the new owner, and the transferor shall be released from all liability under this Lease accruing subsequent to such sale or conveyance, provided that the transferee assumes Landlord's remaining obligations hereunder in writing. Nothing in this Section 16.2 shall be deemed to release Landlord's successor in

interest from responsibility for any condition (including but not limited to deferred maintenance) existing on the date of transfer.

Upon any sale or transfer of the Property by Landlord, Landlord shall provide thirty (30) days prior written notice of said sale or transfer to Tenant. In addition, Landlord shall provide the following information to Tenant, at Tenant's Address for Notice (set forth in Section 1.1 hereof), as a condition of Tenant's obligation to pay Base Rent to the new owner:

- (a) A letter from the Landlord confirming that the Property was transferred to the new owner, along with written evidence of the transfer of the Property (e.g., a recorded deed).
- (b) A signed letter from the new owner including the following information:
 - i. Name and address of new owner or other party to whom Base Rent should be paid
 - ii. Federal tax ID number for new owner
 - iii. Name of contact person and contact information (including phone number) for new owner
 - iv. Proof of insurance
- (c) A W-9 form for new owner.

Tenant shall not be obligated to pay any rental amounts to any party other than the Landlord named herein until such time as all the requirements of this Section 16.2 are satisfied.

17. ALTERATIONS AND ADDITIONS

17.1 Landlord Consent

Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. If Landlord fails to respond in writing within thirty (30) days after Tenant's request, then Landlord shall be deemed to have approved the requested Alterations. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria:

- (a) complies with all laws;
- (b) is not visible from the exterior of the Premises or Building;
- (c) will not materially affect the systems or structure of the Building; and
- (d) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building.

17.2 End of Term

Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

18. CONDEMNATION

18.1 Controlling Terms

If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

18.2 Total Taking

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

18.3 Partial Taking

If any portion, but not all, of the Premises or the Common Areas is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within thirty (30) days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than thirty (30) days nor later than ninety (90) days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the termination date designated by Tenant. If Tenant does not so notify Landlord within thirty (30) days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Base Rent shall be equitably abated.

18.4 Restoration

Notwithstanding the preceding paragraph, if, within thirty (30) days after the Determination Date, Landlord notifies Tenant that Landlord, at its sole cost, will add to the remaining Premises and/or the Common Areas so that the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not

caused by Landlord, completes it within ninety (90) days after Landlord so notifies Tenant, then this Lease shall continue in effect. In such event, all obligations of Tenant under this Lease shall remain in effect, except that Base Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

18.5 Award

The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises. Tenant shall be entitled to any awards for relocation benefits or goodwill belonging to Tenant and awarded to Tenant separately from any Landlord award.

18.6 Waiver of Statute

Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the Superior Court to terminate this Lease in the event of a partial taking of the Premises.

19. INDEMNIFICATION

19.1 Landlord's Indemnity

Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19.2 Tenant's Indemnity

The Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees.

Neither Landlord nor Tenant shall be liable to the other for any damage caused by fire or any of the risks insured (or which would be insured if such party carried third party coverage instead of self-insuring for the risk) under any insurance policy required by this Lease.

20.2 General Insurance Provisions – Landlord and Tenant Requirements

Without limiting the Landlord's indemnification of Tenant, or Tenant's indemnification of Landlord, and during the term of this Lease, and until all of its obligations pursuant to this Lease have been met, each party shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Lease or, if such party is self-insuring for such risks, shall indemnify and hold harmless the other for losses which would have been covered by the Required Insurance for either the insured party or the additional insured party. These minimum insurance coverage terms, types and limits, without limitation the required documentation of self-insurance to the extent a party is self-insuring coverage in compliance with this lease (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon either party pursuant to this Lease. Neither party in any way warrants that the Required Insurance is sufficient to protect the other party for liabilities which may arise from or relate to this Lease.

(a) Evidence of Coverage and Notice

Insured party named on the Certificate shall match the name of the party identified in this Lease. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions, and list any endorsement forms required by this Lease.

- iv. Neither a party's failure to obtain, nor the party's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the other party, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- v. Certificates and copies of any required endorsements, and/or notices of cancellation, as may be applicable for any Required Insurance not self-insured by a party, shall be delivered to Landlord at Landlord's notice address and shall be delivered to Tenant at the following address:

County of Los Angeles
Chief Executive Office - Real Estate Division
320 West Temple Street, 7th Floor
Los Angeles, CA 90012
Attention: Director of Real Estate

(b) Self-Insurance

Either party may satisfy the Required Insurance provisions of this Lease through a self-insurance or captive insurance program or, in the case of Tenant, through self-insurance expressly authorized and funded by State or County law. The Tenant agrees to indemnify and hold harmless the Landlord, except to the extent prohibited by law, and agrees to repair or pay for any damage proximately caused by reason of the Tenant's use of the Premises during the term of this Lease, (including, without limitation, with respect to Hazardous Materials) except to the extent that any such damages suffered by Landlord are the result of Landlord's negligent or wrongful acts or the acts of any persons acting under or on behalf of the Landlord and/or where the Tenant is found to have no liability by reason of any immunity arising by statute or common law in connection with the fulfillment of the Tenant's constitutional and statutory public responsibilities.

(c) Additional Insured Status and Scope of Coverage

The Tenant, which is the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively, "Tenant and its Agents"), shall be provided additional insured status under Landlord's General Liability policy with respect to liability arising from or connected with the Landlord's acts, errors, and omissions arising from and/or relating to the Landlord's operations on and/or its ownership of the

premises. Tenant's additional insured status shall apply with respect to liability and defense of suits arising out of the Landlord's acts or omissions, whether such liability is attributable to the Landlord or to the Tenant. The full policy limits and scope of protection also shall apply to the Tenant as an additional insured, even if they exceed the Tenant's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

The Landlord, Prologis, L.P., Landlord's property manager and employees (collectively, the "Landlord and its Agents"), shall be provided additional insured status with respect to liability arising from or connected with the Tenant's acts, errors, and omissions arising from and/or relating to the Tenant's operations on the premises. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

(d) Cancellation of or Changes in Insurance

Except to the extent Landlord is utilizing self-insurance or captive insurance, Landlord shall provide the Tenant with, or Landlord's insurance policies shall contain a provision that the Tenant shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the Tenant at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. If applicable, failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Lease, in the sole discretion of the Tenant, upon which the Tenant may suspend or terminate this Lease.

Except to the extent Tenant is utilizing self-insurance authorized by this Lease, Tenant shall provide the Landlord with, or Tenant's insurance policies shall contain a provision that the Landlord shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the Landlord at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. If applicable, failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Lease, in the sole discretion of the Landlord, upon which the Landlord may suspend or terminate this Lease.

(e) Insurer Financial Ratings

Insurance is to be provided by an insurance company authorized to do business in California, with an A.M. Best rating of not less than A:VII, unless otherwise approved by the other party.

(f) Tenant's Insurance Shall Be Primary

(g) Waiver of Subrogation

To the fullest extent permitted by law, the Landlord and Tenant each hereby waive their rights, and the rights of their insurer(s), of recovery against one another under all required insurance policies for any covered loss arising from or related to this Lease. The Landlord and Tenant shall each require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

(h) Deductibles and Self-Insured Retentions ("SIRs")

Landlord's policies shall not obligate the Tenant to pay any portion of any Landlord deductible or SIR.

Landlord and Tenant each understand and agree it shall maintain such coverage for a period of not less than three (3) years following Lease expiration, termination or cancellation.

- i. Commercial General Liability Insurance, providing scope of coverage equivalent to ISO policy form CG 00 01, naming Landlord and its Agents as an additional insured, with limits of not less than:

General Aggregate:	\$ 2 million
Products/Completed Operations Aggregate:	\$ 1 million
Personal and Advertising Injury:	\$ 1 million
Each Occurrence:	\$ 1 million

Tenant, at its sole option, may satisfy all or any part of this insurance requirement through use of a program of self-insurance (self-funding of its liabilities) provided that the same complies with laws and the terms of this Lease. Tenant shall have the right to the number of exclusive reserved parking spaces and unreserved parking spaces set forth in Section 1.1, without charge, for the Term of this Lease. No tandem parking shall be required or allowed, and Tenant shall be entitled to full in/out privileges at all times. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all unreserved parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building. Landlord, at its sole expense, shall provide Tenant with at least one (1) parking access card or key fob for each reserved or unreserved parking space set forth in Section 1.1, if applicable.

21.2 Remedies

Landlord acknowledges that it is a material term of this Lease that Tenant receives all of the parking spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, a material number of the parking spaces required above are not available to Tenant (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation), then Tenant may:

- (a) terminate this Lease by giving written notice of such termination to Landlord, which notice shall be effective thirty (30) days thereafter, or
- (b) deduct from the Base Rent thereafter accruing hereunder an amount each month equal to the Base Rent times the percentage of parking spaces not so provided times the number 1.5, but such deduction from Base Rent shall be not less than ten percent (10%) nor more than one hundred percent (100%) of the Base Rent.

As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas.

22.2 Landlord Indemnity

Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fines, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of, or in connection with, the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than those caused by Tenant or Tenant's employees, contractors, agents, licensees or invitees. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease.

23. ESTOPPEL CERTIFICATES

Tenant shall, within 30 business days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Exhibit F attached hereto (properly completed) but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest in the Premises or a holder of any mortgage upon Landlord's interest in the Premises.

Particulars of the current prevailing wage scale, as approved by the Board**

of Supervisors, which are applicable to the work, are filed with the Clerk of the Board of Supervisors and must be posted at the site. Any work, including construction, that Landlord must undertake to obtain the necessary jurisdictional approvals for occupancy shall be at Landlord's sole cost and expense. Any work undertaken to meet applicable code requirements necessitated by Tenant's special requirements shall be at Landlord's sole cost and expense.

24.3 Completion

All work related to the Tenant Improvements shall be performed during non-business hours of Tenant. To the extent that such work cannot be completed during non-business hours, Landlord shall use reasonable efforts to perform the work in a manner so as to minimize any disruption of Tenant's use of the Premises.

Each change request must be signed and dated by the Chief Executive Officer or his/her designee in order to be considered approved. Tenant shall reimburse Landlord for mutually executed change requests and associated code requirement compliance costs within thirty (30) days of Landlord's invoice therefore.

24.6 Construction

Landlord, at Landlord's sole cost and expense, shall promptly cause such defects to be repaired following receipt of notice thereof, and Tenant shall have the same rights with respect thereto as set forth herein for all other punch-list items. Notwithstanding the foregoing, in no event shall damage caused by Tenant or its employees, agents, contractors, invitees or licensees be considered a defect (patent, latent or otherwise), and in no event shall Landlord be obligated to repair any such damage or enforce any warranties for the same.
- c. Clean-Up and Substandard Work. Landlord will be responsible for all clean-up with respect to the Tenant Improvements, whether in the Premises or in other areas utilized by Landlord or its contractors, and Landlord agrees to reimburse Tenant for any and all expenses incurred by Tenant by reason of substandard work performed by Landlord's contractor or contractors (as reasonably determined by Tenant according to the usual standards of work in the Building) or as a result of inadequate clean-up.

26.2 Existing Deeds of Trust

Landlord represents that there is no existing deed of trust affecting the Building as of the date of signing.

27. SURRENDER OF POSSESSION

Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition. Code § 1633.1, et seq.), that a signature by fax, email or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

30.14 Force Majeure

Whenever a period of time is herein prescribed for the taking of any action by Landlord or Tenant, as the case may be, Landlord or Tenant, as applicable, shall not be liable or responsible for, and there shall be excluded from the computation of such period of time, any delays due to strikes, riots, acts of God, pandemic or epidemic, shortages of labor or materials, war, or any other cause whatsoever completely beyond the control of Landlord or Tenant, as applicable. The foregoing provisions of this Paragraph are inapplicable to any payments of money due under this Lease.

31. AUTHORITY

Only the County's Board of Supervisors ("Board of Supervisors") has the authority, by formally approving and/or executing this Lease, to bind Tenant to the terms included herein. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease, and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by Tenant. Tenant shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Office of the County (the "Chief Executive Office") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Base Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an early termination notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

32. ACKNOWLEDGEMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

32.1 Consideration of GAIN Program Participants

Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

32.2 Solicitation of Consideration

It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent who has had any involvement in the procurement, negotiation, consummation, administration or management of a lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Landlord hereby represents and warrants that it has not provided, and will not provide, any financial benefits to any County official, employee or agent who has had any involvement in the procurement, negotiation, consummation, administration or management of this Lease. Landlord hereby agrees that if it violates any of the terms of this Section 32.2, then the County may declare this Lease null and void, and the County reserves the right to exercise any and all other remedies available under applicable law.

32.3 Landlord Assignment

- (a) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Base Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.
- (b) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease, or any portion thereof, as security for the Landlord's obligation to repay any monetary obligation, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.
- (c) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the Tenant. Notwithstanding the foregoing, the Tenant hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with CMBS (commercial mortgage backed

securities) financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.

- (d) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the Tenant may impose damages in an amount equal to the greater of \$500,000 or 10% of the aggregate principal portion of all rental payments payable by the Tenant during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the Tenant may exercise or pursue any other right or remedy it may have under this Lease or applicable law.
- (e) Landlord shall give Tenant written notice and a copy of each and every Security Agreement and any instrument relating thereto (including, but not limited to, instruments providing for the payment of Base Rent directly to an assignee or transferee) at least thirty (30) days prior to the effective date thereof.
- (f) Landlord shall not furnish any information concerning Tenant or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the Tenant) to any person or entity, except with Tenant's prior written consent. Landlord shall indemnify, defend and hold Tenant and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section 32.3.
- (g) The provisions of this Section 32.3 shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns, whether so expressed or not.

32.4 Smoking in County Facilities.

The Surgeon General of the United States has concluded that passive smoke exposure is the third leading cause of preventable death in the United States. The United States Environmental Protection Agency has found second-hand smoke to be a known carcinogen. It is recognized that the County has a responsibility to establish, maintain and promote a healthful and safe working environment and to reduce health and safety risks of its employees and the public at large. Tobacco smoke is a hazard to the health of County employees and the general public and represents an annoyance which should be regulated and banned in all county facilities to the end that air quality in all such facilities be improved for the

preservation and improvement of the health of all County employees and the public. Therefore, to the greatest extent possible, the rights and comfort of all employees shall be respected. Reasonable effort shall be made to provide smokers a place to smoke in areas open to the sky or otherwise located outside County facilities and, except as provided under Los Angeles County, California - Code of Ordinances Chapter 2.126 ("LAMC 2.126"), all portions of County-owned facilities and all portions of facilities leased by or from the County, which areas are not open to the sky, shall be designated as "no smoking" areas. Smoking, including the use of electronic smoking devices, shall be prohibited in the following areas of County facilities: (1) Within 50 feet of any operable entry or exit door or operable window of any County building and within 25 feet of any access ramp or handicap path; (2) Within any County parking lot, parking structure, or parking garage, whether enclosed or open to the sky; or (3) Within any driving range and eating area, including outdoor eating areas, of any County golf course. International no-smoking signs and other appropriate signs which designate no-smoking areas shall be clearly, sufficiently and conspicuously posted in every room, building or other place so covered by LAMC 2.126. The manner of such posting, including the wording, size, color and place of posting, whether on the walls, doors, tables, counters, stands or elsewhere, shall be at the discretion of the building proprietor so long as clarity, sufficiency and conspicuousness are apparent in communicating the intent. (Los Angeles County, California - Code of Ordinances Chapter 2.126.)

AND ATTORNMENT AGREEMENT**

**NOTICE: THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT
AGREEMENT RESULTS IN YOUR LEASEHOLD ESTATE BECOMING SUBJECT TO AND OF
LOWER PRIORITY THAN THE LIEN OF SOME OTHER OR LATER SECURITY INSTRUMENT.**

This Subordination, Non-disturbance and Attornment Agreement ("Agreement") is entered into as of the ____ day of _____, 20__ by and among COUNTY OF LOS ANGELES, a body corporate and politic ("Tenant"), [Insert name of Landlord], ("Borrower") and [Insert name of Lender], ("Lender").

Factual Background

A. Borrower owns certain real property more particularly described in the attached Exhibit A. The term "Property" herein means that real property together with all improvements (the "Improvements") located on it.

B. Lender has made or agreed to make a loan to Borrower. The Loan is or will be secured by a deed of trust or mortgage encumbering the Property (the "Deed of Trust").

C. Tenant and Borrower (as "Landlord") entered into a lease dated _____ (the "Lease") under which Borrower leased to Tenant a portion of the Improvements located within the Property and more particularly described in the Lease (the "Premises").

D. Tenant is willing to agree to subordinate certain of Tenant's rights under the Lease to the lien of the Deed of Trust and to attorn to Lender on the terms and conditions of this Agreement. Tenant is willing to agree to such subordination and attornment and other conditions, provided that Lender agrees to a non-disturbance provision, all as set forth more fully below.

Agreement

Therefore, the parties agree as follows:

1. Subordination. The lien of the Deed of Trust and all amendments, modifications and extensions thereto shall be and remain at all times a lien on the Property prior and superior to the Lease, except that if Tenant is granted any option to extend the Term of the Lease, right of first offer to lease additional premises or option to purchase the Property or right of first offer to purchase the Property in the Lease, such provisions shall not be affected or diminished by any such subordination.

2. Definitions of "Transfer of the Property" and "Purchaser". As used herein, the term "Transfer of the Property" means any transfer of Borrower's interest in the Property by foreclosure, trustee's sale or other action or proceeding for the enforcement of the Deed of Trust or by deed in lieu thereof. The term "Purchaser", as used herein, means any transferee, including Lender, of the interest of Borrower as a result of any such Transfer of the Property and also includes any and all successors and assigns, including Lender, of such transferee.

3. Non-disturbance. The enforcement of the Deed of Trust shall not terminate the Lease or disturb Tenant in the possession and use of the leasehold estate created thereby.

4. Attornment. Subject to Section 3 above, if any Transfer of the Property should occur, Tenant shall and hereby does attorn to Purchaser, including Lender if it should be the Purchaser, as the landlord under the Lease, and Tenant shall be bound to Purchaser under all of the terms, covenants and conditions of the Lease for the balance of the Lease term and any extensions or renewals of it which may then or later be in effect under any validly exercised extension or renewal option contained in the Lease, all with the same force and effect as if Purchaser had been the original landlord under the Lease. This attornment shall be effective and self-operative without the execution of any further instruments upon Purchaser's succeeding to the interest of the landlord under the Lease.

5. Lender Not Obligated. Lender, if it becomes the Purchaser or if it takes possession under the Deed of Trust, and any other Purchaser shall not:

(a) be liable for any damages or other relief attributable to any act or omission of any prior Landlord under the Lease, including Borrower, except to the extent such act or omission continues after the date that Lender or Purchaser succeeds to the interest of such prior landlord; or

(b) be subject to any offset or defense not specifically provided for in the Lease which Tenant may have against any prior landlord under the Lease, unless resulting from a default or breach by such prior landlord which continues after Lender or Purchaser succeeds to the interest of such prior landlord; and provided that any offsets deducted by Tenant prior to the date that Lender or Purchaser succeeds to the interest of such prior landlord shall not be subject to challenge; or

(c) be bound by any prepayment by Tenant of more than one (1) month's installment of rent, unless the Lease expressly requires such prepayment; or

(d) be obligated for any security deposit not actually delivered to Purchaser; or

(e) be bound by any modification or amendment of or to the Lease which materially increases Landlord's obligations under the Lease or materially decreases Tenant's obligation under the Lease, unless Lender has approved such modification or amendment in writing, which approval shall not be unreasonably withheld, conditioned or delayed.

6. Notices. All notices given under this Agreement shall be in writing and shall be given by personal delivery, overnight receipted courier or by registered or certified United States mail, postage prepaid, sent to the party at its address appearing below. Notices shall be effective upon receipt (or on the date when proper delivery is refused). Addresses for notices may be changed by any party by notice to all other parties in accordance with this Section.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**THREE-YEAR LEASE AMENDMENT
DEPARTMENT OF PUBLIC HEALTH
9800 LA CIENEGA BOULEVARD, INGLEWOOD
(SECOND DISTRICT) (3 VOTES)**

SUBJECT

Approval of a proposed three-year lease amendment to renew an existing lease to provide the Department of Public Health (DPH) continued use of 4,854 square feet of office space and 27 on-site parking spaces for the Environmental Health Program (EHP).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed lease amendment is exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this Board letter and in the record of the project.
2. Authorize the Chief Executive Officer, or her designee, to execute the proposed lease amendment with 9800 La Cienega, LLC, a California limited liability company (Landlord), for approximately 4,854 square feet of office space and 27 on-site parking spaces located at 9800 La Cienega Boulevard, Suite 850, Inglewood (Premises) to be occupied by DPH. The estimated maximum first year base rental cost is \$146,000, but with a one-month rent abatement of about \$13,000, will equal \$133,000. The estimated total proposed lease amendment cost, including parking, is \$566,000 over the three-year term. The rental costs will be funded 100 percent by revenue generated from license and permit fees that is already included in

DPH's existing budget. DPH will not be requesting additional net County cost for this action.

3. Authorize and direct the Chief Executive Officer, or her designee, to execute any other ancillary documentation necessary to effectuate the proposed lease amendment, and to take actions necessary and appropriate to implement the proposed lease amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

DPH has been located at the Premises since June 2012 and has been in holdover since its lease expiration on March 9, 2025, with a 25 percent holdover fee. DPH uses the Premises for its EHP, which provides direct services to Inglewood and surrounding cities. District surveillance and enforcement staff inspect retail food facilities, multiple family dwellings with five or more units, temporary events, and hold compliance reviews. The Premises will serve as a home base where staff can process their paperwork, hold meetings, conduct compliance reviews, and provide the public with essential services in a timely manner. EHP also processes requests for the Medical Marijuana Identification Card Program.

The Premises houses 29 staff with 29 workstations. Currently, only two staff assigned to the Premises are teleworking because 95 percent of the program requires direct, in-person interaction, who service approximately ten visitors per day. DPH is currently considering consolidating multiple leases and plans to relocate EHP to another more centralized site. The proposed lease amendment allows EHP to remain in the Premises while DPH finalizes its plans, to find a suitable replacement site to secure and build out. Upon completion of the build-out of the replacement site and expiration of the proposed lease amendment, DPH will vacate the Premises.

The current Premises continues to meet DPH's space needs, provides adequate parking for both staff and visitors, and is in proximity to local public transportation routes. DPH would like to remain in the current Premises in anticipation of the proposed consolidation and relocation.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan North Star 3 – *“Realize Tomorrow’s Government Today”* ensures we provide an increasingly dynamic and complex environment, challenges collective abilities to respond to public needs and expectations. LA County is an innovative, flexible, effective, and transparent partner focused on advancing the common good & being fiscally responsible.

The proposed lease amendment is also consistent with the Strategic Asset Management Goal – Create countywide understanding of asset needs and priorities and Key Objective No. 3 – Guide Strategic Decision-Making.

The proposed lease amendment supports the above goals and objective by enabling DPH to productively respond to citizen complaints, enhance the timeliness and convenience of services without having the public travel too far to obtain services. The Premises will enhance the quality and productivity of the County workforce by providing local offices for staff, which will allow quicker response to the growing number of food facility and housing complaints in the area. Localizing public health service will assure a more efficient and effective use of staff and client's time.

The proposed lease amendment conforms with the Asset Management Principles outlined in Enclosure A.

FISCAL IMPACT/FINANCING

The estimated maximum first year base rental cost is \$146,000, but with a one-month rent abatement of about \$13,000, will equal \$133,000. The aggregate cost associated with the proposed lease amendment over the entire term, including parking is \$566,000 as shown in Enclosure B-1. The proposed lease amendment costs will be funded 100 percent by revenue generated from license and permit fees that is already included in DPH's existing budget. DPH will not be requesting additional net County cost for this action.

Sufficient funding to cover the proposed rent for the first year of the proposed lease amendment term is included in the Fiscal Year 2024-25 Rent Expense budget and will be billed back to DPH. DPH has sufficient funding in its Fiscal Year 2024-25 Operating Budget to cover the proposed rent for the first year. Future funding for the costs associated with the proposed lease amendment will be addressed through the annual budget process for DPH.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In addition to the terms previously stated, the proposed lease amendment also contains the following provisions:

- Upon commencement of the proposed lease amendment, the annual rental rate will decrease from \$33.69 per square foot, per year to \$30 per square foot, per year. Base rent is subject to fixed annual increases of three percent.
- The Landlord has agreed to one month of rent abatement.
- The Landlord will provide rent credit of approximately \$3,400 per month for every month the County has been in holdover from March 10, 2025, which will reimburse the County for the holdover fees paid through the revised commencement date.

- The Landlord, at its sole cost and expense, will repaint the entire Premises, replace carpet throughout the Premises, and install a water filling station.
- The Landlord is responsible for all operating and maintenance costs of the building, and all utilities and janitorial costs. The County has no responsibility for any operating and maintenance costs.
- The current parking rate will remain the same at ten parking spaces at \$110 per parking space per month; nine parking spaces at \$132 per parking space per month; and eight parking spaces at \$143 per parking space per month, for a total of 27 parking spaces.
- A comparison of the existing lease and proposed lease amendment terms is shown in Enclosure B-2. The proposed lease amendment is for a three-year term with no options to renew.
- The County does not have the right to terminate the proposed lease amendment early.
- Holdover at the proposed lease amendment expiration is permitted on the same amendment terms and conditions except the monthly base rent during the holdover period will increase by 25 percent of the base rent at the time of the proposed lease amendment for the first 12 months and thereafter will increase by 50 percent of the base rent.
- The proposed lease amendment will be effective upon approval by the Board and full execution of the proposed lease amendment.

The Chief Executive Office conducted a market search of available office space for lease but was unable to identify any sites that could accommodate this requirement more economically. Based upon a review of available industry data, it has been established that the annual rental range for a comparable lease in the area is between \$28.80 and \$47.40 per square foot, per year. The base annual rental rate of \$30 per square foot, per year for the proposed lease amendment represents a rate that is within the market range for the area and is a reduction from the current rental rate. Further, due to plans for a proposed consolidation and relocation, it makes sense to remain in this space for the short term until it is time to relocate. We recommend the Premises as the most suitable location to meet the County's space requirements.

Co-working office space is not suitable for this requirement due to the public facing services provided by DPH at this location.

Enclosure C shows County-owned or leased facilities within the surveyed area, and there are no suitable County-owned or leased facilities available for this space requirement.

The Department of Public Works has inspected this facility and found it suitable for the County's occupancy. The required notification letter to the City of Inglewood has been sent in accordance with Government Code Section 25351.

County Counsel has reviewed the proposed lease amendment and approved it as to form. The proposed lease amendment is authorized by Government Code Section 25351, which allows the County to enter into leases and agreements for the leasing of buildings, as necessary, to carry out the work of the county government.

The proposed lease amendment will continue to provide a suitable location for the DPH's program, which is consistent with the County's Facility Location Policy, adopted by the Board on July 24, 2012, as outlined in Enclosure D.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from CEQA, as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, and section 15301 of the State CEQA Guidelines (Existing Facilities). The proposed lease amendment, which involves the leasing of existing office space with minor tenant improvements within an existing building, with no expansion of the existing building, is within a class of projects that have been determined not to have a significant effect on the environment and meets the criteria set forth in section 15301 of the State CEQA Guidelines (Guidelines), and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, based on the proposed project records, it will comply with all applicable regulations, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled, pursuant to Government Code Section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

Upon the Board's approval of the recommended actions, a Notice of Exemption will be filed with the Registrar-Recorder/County Clerk and with the State Clearinghouse in the Office of Land Use and Climate Innovation in accordance with section 21152 (a) of the California Public Resources Code and will be posted to the County's website, pursuant to section 21092.2.

FACILITY LOCATION POLICY ANALYSIS

Proposed Lease: Lease Amendment for the Department of Public Health – 9800 La Cienega Boulevard, Suite 850, Inglewood – Second District.

A. Establish Service Function Category – Direct service program, inspections, and administrative functions.

B. Determination of the Service Area – The proposed lease amendment will allow DPH to continue their functions housed in the building and continue operations without interruption of services.

C. Apply Location Selection Criteria to Service Area Data

- Need for proximity to service area and population: DPH programs are most effective when located within proximity to the geographic regions they service. This location meets the service area criteria and remains in the desired area.
- Need for proximity to existing County facilities: DPH continues to collaborate with County Department partners and Board offices as necessary.
- Need for proximity to Los Angeles Civic Center: N/A
- Economic Development Potential: N/A
- Proximity to public transportation: The location is adequately served by local transit services, i.e., Metro bus 117, Metro Rail C and K Lines.
- Availability of affordable housing for County employees: The surrounding area provides for affordable housing and rental opportunities.
- Use of historic buildings: N/A
- Availability and compatibility of existing buildings: This is an existing County leased facility available to meet the Department's service needs.
- Compatibility with local land use plans: The City of Inglewood has been notified of the proposed County use which is consistent with its use and zoning for office space at this location.
- Estimated acquisition/construction and ongoing operational costs: The aggregate cost associated with the proposed lease amendment over the entire term is \$566,000.

D. Analyze results and identify location alternatives

Based upon a review of available industry data, it has been established that the annual rental range for a comparable lease in the area is between \$28.80 and \$47.40 per square foot, per year. The base annual rental rate of \$30 per square foot, per year for the proposed lease amendment represents a rate that is within the market range for the area and is a reduction from the current rental rate. Further, due to plans to for a proposed consolidation and relocation, it makes sense to remain in this space for the short term until it is time to relocate. We recommend the proposed Premises as the most suitable to meet the County's space requirements.

E. Determine benefits and drawbacks of each alternative based upon functional needs, service area, cost, and other Location Selection Criteria

The proposed lease amendment will provide adequate and efficient office space for 29 employees consistent with the County's Facility Location Policy, adopted by the Board on July 24, 2012.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVE SOLE SOURCE AMENDMENT TO CONTRACT WITH
MLQ & LO CONSULTING, LLC FOR CONTINUED AS NEEDED
MAINTENANCE AND SUPPORT SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is seeking Board approval of Sole Source Amendment Number One (Amendment One) to Contract Number 79065 (Contract) with MLQ & LO Consulting LLC (MLQ & LO) to extend the term of the Contract for an additional one-year period, from April 7, 2025, through April 6, 2026, for continued as-needed maintenance and support services (Services) for the Department's Modified Automated Process and Accounting System (MAPAS), a 30-year-old custom-built system used to support the Department's civil-enforcement functions.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chair of the Board to sign the attached Amendment One to extend the Contract with MLQ & LO for an additional one-year period, from April 7, 2025, through April 6, 2026.

2. Delegate authority to the Sheriff, or his authorized designee, to terminate the Contract for convenience, either in whole or in part, if necessary, with ten calendar days advance written notice following the Department's successful implementation of the replacement system.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Contract will expire on April 6, 2025. On February 5, 2025, pursuant to Board Policy 5.100, the Department provided the Board with advance notification of its intent to enter into negotiations with MLQ & LO for an Amendment to extend the Contract. Approval of the recommended actions will allow the Department to complete the implementation of the replacement system known as the Automated Civil Enforcement System (ACES). The Department intends to terminate the Contract for convenience, either in whole or in part, upon the successful implementation of ACES.

Background

In the late 1980s, MAPAS was developed by Sierra Systems, Inc. (Sierra) to meet the automated civil-enforcement needs of the former County Marshall. In 2011, the Department issued a Request for Proposals to replace MAPAS (the "Legacy System"). Sierra was the highest scoring proposer and was awarded Agreement Number 77924. In late 2018, Sierra notified the County that it would no longer maintain MAPAS after March 2019.

In March 2019, the Department issued a competitively bid work order under the County's Information Technology Support Services Master Agreement (ITSSMA). Pyramid Technologies was the winning bidder and provided maintenance services via an ITSSMA work order through April 15, 2020.

On February 6, 2020, the Department issued an Invitation for Bids (IFB) for MAPAS Services. MLQ & LO was the only bidder to respond to the IFB and was subsequently selected.

On April 7, 2020, the Board approved the Contract with MLQ & LO for a term of two years, with three one-year option periods, to provide MAPAS Services.

On March 5, 2023, the County's Internal Services Department (ISD) issued a Request for Bids for the procurement and implementation of ACES. On June 27, 2023, ISD, on behalf of the Department, awarded purchase order MA-IS-2340315-1 to Teleosoft, Inc. The Department is currently working with Teleosoft, Inc. to implement ACES.

Implementation of Strategic Plan Goals

The Services provided under the proposed Amendment supports the County's Strategic Plan, North Star 3, Focus Area G: Internal Controls and Processes, Strategy I: Maximize Revenue: Implement processes to systematically leverage resources to help fund County initiatives. The Amendment will allow the Department to continue to provide and operate the Legacy System until the new ACES's efficient and effective system is fully implemented to service the County's civil-enforcement functions.

FISCAL IMPACT/FINANCING

The proposed extension will be zero-net-cost to the County. The MAPAS Maintenance and Support Services will be 100 percent funded by revenue generated from civil-enforcement service fees mandated and earmarked by State law (specifically California Government Code §26731) and will be reflected in the Department's Automation Fund.

The proposed as-needed maintenance services will be paid on a time-and-materials basis. The Contract cost is estimated to not exceed \$300,000 for the one-year term.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board approved Contract 79065 with MLQ & LO on April 7, 2020. The Contract currently expires on April 6, 2025. The proposed Amendment One will extend the term of the Contract from April 7, 2025, through April 6, 2026.

MLQ & LO is in compliance with all Board and Chief Executive Office requirements, and all provisions required by the Board are included in the Contract.

In compliance with Board Policy 6.020, Chief Information Office Board Letter Approval, the Office of the Chief Information Officer (OCIO) reviewed the information technology (IT) components (management, design, development, acquisition, expansion, or purchase of IT systems and/or related services) of this request and recommends approval. The OCIO determined the recommended actions do not include any new IT items that would necessitate a formal written CIO Analysis.

The Amendment has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this action will ensure continued delivery of mission-critical MAPAS services to the Department.

8.2.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, sub-contract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of this Contract, which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

For this purpose, consideration will mean that Contractor will interview qualified candidates. County will refer GAIN/START participants by job category to Contractor. No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.

**QUESTIONNAIRE FOR SOLE SOURCE AMENDMENT FOR MAINTENANCE AND SUPPORT
SERVICES FOR THE DEPARTMENT’S MODIFIED AUTOMATED PROCESS AND
ACCOUNTING SYSTEM (MAPAS) WITH MLQ & LO CONSULTING LLC**

It is the policy of the County, to solicit the maximum number of bids/proposals for a commodity or service from the largest relevant market and to select vendors on a competitive basis.

There are certain acquisitions which when in the best interest of the County, can only be obtained from a sole source. Sole source acquisitions must be justified in sufficient detail to explain the basis for suspending the usual competitive procurement process.

NOTE: Please refer to Procedure P-3700 of the ISD Purchasing Policies on Procedures Manual.

**DOCUMENTATION FOR SOLE SOURCE JUSTIFICATION MUST INCLUDE RESPONSES TO THE
FOLLOWING QUESTIONS:**

- 1. What is being requested?**
Extension of Contract Number 79065 (Contract) with MLQ & LO Consulting LLC for maintenance and support services for the Department’s Modified Automated Process and Accounting System (MAPAS) until its replacement system, called ACES (Automated Civil Enforcement System), has been implemented. (ACES has been procured from a separate vendor through a purchase order issued by the Internal Services Department).
- 2. Why is the product needed – how will it be used?**
The continued use of the Services are required until the Department's full data migration and implementation from MAPAS to ACES.
- 3. Is this “brand” of product the only one that meets the user’s requirements? If yes, what is unique about the product?**
Yes. MLQ & LO Consulting LLC is the only vendor capable of maintaining MAPAS; MLQ & LO’s principal staff members have been engaged under various vendor contracts continuously since 1989 to maintain MAPAS.
- 4. Have other products/vendors been considered? If yes, which products/vendors have been considered and how did they fail to meet the user’s requirements?**

The MAPAS was developed by Sierra Systems Inc. (Sierra) in 1989, and they provided maintenance for the system through 2019. MAPAS runs on a Hewlett-Packard minicomputer with a Unix operating system, and is programmed using Software AG’s “Natural” programming language and “Adabas” database-management system. The Department released an Invitation for Bids (IFB) in February 2020, but due to the unique programming experience required to maintain the system, MLQ & LO was the only qualified bidder who responded to the IFB.
- 5. Will purchase of this product avoid other costs, e.g. data conversion, etc? Or will it incur additional cost, e.g. training, conversion, etc?**
N/A

- 6. Is the product proprietary or is it available from various dealers? Have you verified this?**
No. This Amendment is for maintenance and service to be conducted by individuals at MLQ & LO who are experts in maintaining the MAPAS System.
- 7. Reasonableness of Price. Does the County obtain a percentage discount or special discount not available to the private sector?**
No.
- 8. What is the dollar value of existing equipment and the Purchase Order No. for the existing equipment?**
Not applicable. See response to question #6 for additional information.
