Under the Contract, CDCR provides supervision, housing, sustenance, training, and routine medical care in exchange for per-diem rates of \$10 per prisoner, \$81 for any female-in-training, and special custodial cost rate of \$77. DRAFT

June 10, 2025

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF CONTRACT WITH THE CALIFORNIA DEPARTMENT
OF CORRECTIONS AND REHABILITATION FOR
FIRE SUPPRESSION CAMP SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is seeking Board approval for a Contract with the California Department of Corrections and Rehabilitation (CDCR) for Fire Suppression Camp Services (Services). Under the Contract, CDCR will assume custody of County inmates who are convicted as non-violent, non-serious, non-sexual (N3) offenders and assign them to the five Los Angeles County Fire Suppression Camps (Fire Camps). Services also include supervision, sustenance, security, housing, inmate programs, and routine medical care for the N3 inmate participants. The Contract will be funded through the California Public Safety Realignment Act of 2011 (Assembly Bill 109) allocation received by the Department. The current Contract expires on June 30, 2025.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chair of the Board to sign the attached Contract with CDCR. The term of the Contract will commence July 1, 2025, through June 30, 2028, unless sooner terminated or extended, in whole or in part.

2. Delegate authority to the Sheriff, or his designee, to execute amendments to the Contract for; (1) any immaterial change, defined as administrative or clerical modifications, to the Contract; (2) any mutually agreed extension of the Contract pursuant to Paragraph 4.2 of the Contract; (3) any change to the day-to-day operational requirements described in the Contract which does not increase the offender per-diem rate, offender per-diem rate – female-in-training, special custodial costs rate, maximum annual contract sum, maximum contract sum, term of the Contract, or County's liability under the Contract; (4) any decrease in the offender per-diem rate, offender per-diem rate – female-in-training, or special custodial costs rate for which the same Services are provided to the County, provided a written notice of such decrease is provided to the Board; and (5) addition of any fire camps located outside of the County which are operated and maintained by the California Department of Forestry and Fire Protection.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department to continue receiving Services from CDCR, which supplements the number of inmates housed within the Fire Camps who are available for fire suppression, and reduces the County's long-term N3 inmate population housed within local jails.

Background

Jail Population Management

Assembly Bill 109 (AB109) was passed into legislation on October 1, 2011. The AB109 transferred responsibility from CDCR to the Counties for the custody, parole supervision, treatment/support, and revocation of individuals whose last conviction was for a non-serious, non-violent, and non-sexual offense. The offenders who fall into these categories are referred to as N3 inmates.

The Department's custody system has an operating capacity of approximately 18,000 jail beds. The inmate population within the jails historically consisted of pre-trial, post-conviction pre-sentence, and a limited number of inmates sentenced to terms of less than 12 months. The jails were not designed for the long-term housing of inmates. The implementation of AB109 and the increase in the number of N3 inmates diverted to County jails from State prisons impacted the average daily population within the jails operated by the Department. Within the existing jail capacity, inmates continue to be segregated and housed based on the Department's risk assessment screening.

However, N3 inmates are comingled within the general population, which affects inmate

culture and dynamics. The additional N3 inmate population has placed and continues to place additional stress on the Department's already demanding jail population management operations.

On October 1, 2012, the Los Angeles County Chief Executive Office released an Alternative to Incarceration report that included a review and evaluation of inmate population management programs. The use of Fire Camps represented a highly viable housing option for N3 inmates with the longest sentences.

On September 17, 2013, the Board approved the initial agreement with CDCR to allow County inmates to participate in the Services offered by CDCR. The CDCR took custody of County inmates classified as N3 inmates and assigned them to the five Fire Camps within the County. The CDCR provided supervision, housing, sustenance, inmate programs, and routine medical care in exchange for a per-diem rate.

On April 2, 2019, a second agreement was approved by the Board to continue the initial agreement with CDCR and has since expired as of June 30, 2022.

On May 17, 2022, the Board approved the current agreement with CDCR to continue County inmate participation in the Services offered by CDCR, which began on July 1, 2022.

Fire Camps

Since the early 1980s, the five local Fire Camps have been jointly managed by CDCR and the Consolidated Fire Protection District of Los Angeles County (Fire Department). The CDCR supplies the State inmate workforce and onsite security, while the Fire Department trains the inmates to work on fire crews. In a similarly managed operation, CDCR supplies State inmate fire crews to the 39 California Department of Forestry and Fire Protection (CALFire) fire camps located throughout the State.

With the implementation of AB109, the CALFire system's inmate population continues to gradually decline due to both attrition (inmates released, paroled, or recommitted to CDCR institutions) and to the fact that many inmates previously sentenced to State prison, who were eligible for assignment to the fire camps, are instead presently serving their sentences in County jails.

The CDCR has responded to the decreasing number of eligible State inmates by modifying fire crew size and the Fire Camp deployment strategy throughout the State. The proposed Contract will transfer custody of eligible N3 inmates, who will then supplement the State inmate crews housed in the five Fire Camps located throughout

the Los Angeles County. This will benefit the County by:

- Creating additional housing capacity specifically for N3 inmates with long-term sentences;
- Freeing up beds for the remaining jail population;
- Providing additional housing relief in local jails, resulting from inmates serving in a Fire Camp program receiving two days of credit on their sentence for each day served in a Fire Camp;
- Transferring inmate custodial responsibilities from the Sheriff to CDCR, including inmate security, welfare, and liability. The CDCR-Fire Department relationship within the Fire Camps will remain unchanged, with CDCR providing security, and the Fire Department providing training to the inmate fire crews; and
- Supplementing the County's fire-fighting capacity with the N3 inmates and reducing the County's reliance on CDCR to provide State inmate fire crews.

Additionally, pursuant to California Penal Code Section 4019.2, any inmate who is assigned to a county or state correctional institution as an inmate firefighter and who is eligible to earn one day of credit for every one day of incarceration pursuant to California Penal Code Section 4019.2 shall instead earn two days of credit for every one day served in that assignment.

Implementation of Strategic Plan Goals

The recommended action supports the principles of the County Strategic Plan's North Star 1: Make Investments that Transform Lives; Focus Area Goal D. Support Vulnerable Populations; Strategy V. Diversion: Provide misdemeanor and felony diversion programs and opportunities for justice-involved youth and adults in alignment with the sequential intercept model, and the child welfare continuum of care; and North Star 2: Foster Vibrant and Resilient Communities; Focus Area Goal B. Care First, Jails Last; Strategy III.c., Integrated, Equitable, and Culturally-Responsive Services: Jail Depopulation: Divert justice-involved individuals away from jails, in an effort to lessen the LA County jail footprint.

Specifically, the training in fire suppression activities provided by the Fire Department results in eligible N3 inmates certified as "fire-ready," thereby potentially increasing employability opportunities upon completion of their sentence, and in reducing time served. Furthermore, the County will lessen its jail footprint by creating alternative custody beds to house the N3 inmate population outside of the County's traditional jail

system.

FISCAL IMPACT/FINANCING

The Contract with the CDCR is for a term of three years, with a cumulative maximum obligation of \$1.5 million (\$500,000 per year) over the full Contract term.

The Department will use a portion of its annual AB109 revenue to fully offset the maximum obligation due to CDCR. Budget appropriations for this Contract will be included within the Department's fiscal year 2025-26 Final Adopted Budget, and will be included within future fiscal year budgets as necessary. The rates did not increase and have remained the same since 2015.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Upon execution by both parties, the term of the Contract will commence on July 1, 2025. The CDCR will provide supervision, housing, sustenance, inmate programs, and routine medical care in exchange for an offender per-diem rate of \$10.

An offender per-diem rate of \$81 shall be paid to CDCR for any female-in-training for fire suppression activities, prior to placement in a Fire Camp. The Fire Department provides the training for male offenders in fire suppression activities prior to placement in a Fire Camp.

In addition, the Contract includes special custodial costs at a daily rate of \$77. The special custodial costs encompass the in-custody transportation and supervision for an inmate who has been removed from an out-of-county fire line and must be temporarily housed at a State prison, a State-contracted medical facility, or an emergency medical facility. Such removal from a fire crew may be due to disciplinary or medical reasons.

The Contract may be terminated by either party with 60 calendar days advance written notice. Both parties acknowledge that they are self-insured to meet their indemnification obligations under the Contract.

The CDCR will provide all Services under the Contract in accordance with all federal, state, and local laws, rules, regulations, policies, procedures, and correctional standards, including but not limited to Title 15 and all CDCR policies, procedures, rules, and regulations. The County will have the right to audit, inspect, review, and examine the CDCR's Fire Camp facilities and its operations and programs, including all documents related thereto.

The Honorable Board of Supervisors

The Contract has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Services have relieved strain on the County's jail system caused by the population of long-term sentenced N3 inmates introduced by AB109. This Contract will not have an adverse impact on current County services.

CONCLUSION

Upon Board approval, please return two copies of the adopted Board letter and three original executed copies of the Contract to the Department's Contracts Unit.

Sincerely,

ROBERT G. LUNA

8.11.1 This Contract is by and between the County and the State and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the State. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.11.2 The State will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the State.

8.11.3 The State understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the State and not employees of the County. The State will be solely liable and responsible for furnishing any and all Workers' Compensation

benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the State pursuant to this Contract.

8.11.4 The State must adhere to the provisions stated in Paragraph 7.5 (Confidentiality) of this Contract.

8.12 Indemnification per Government Code Section 895.4 (Supersedes provision number 5, Indemnification, of Exhibit C)

8.12.1 The State must indemnify, defend and hold harmless the County, its trustees, officers, agents, and employees, from and against any and all liability, loss, expense (including reasonable attorney's fees), or claims for injury or damages arising out of the performance of this Agreement, but only **in proportion** to and to the extent such liability, loss, expense, attorney's fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the State, its trustees, officers, agents or employees.

8.12.2 The County must indemnify, defend and hold harmless the State, its trustees, officers, agents, and employees from and against any and all liability, loss, expense (including reasonable attorney's fees), or claims for injury arising out of the performance of this Agreement, but only **in proportion** to and to the extent such liability, loss, expense, attorney's fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the County, its trustees, officers, agents or employees.

8.12.3 The County and the State acknowledge that each party is self-insured to meet its indemnification obligations required hereunder.

8.13 Nondiscrimination and Affirmative Action

8.13.1 The State certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.13.2 The State certifies to the County each of the following:

8.13.2.1 That the State has a written policy statement prohibiting discrimination in all phases of employment.

8.13.2.2 That the State periodically conducts a self-analysis or utilization analysis of its work force.

8.13.2.3 That the State has a system for determining if its employment practices are discriminatory against protected groups.

8.13.2.4 Where problem areas are identified in employment practices, the State has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.13.3 The State must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.13.4 The State certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry,

national origin, sex, age, physical or mental disability, marital status, or political affiliation.

- 8.13.5 The State certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.13.6 The State will allow County representatives access to the State's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.13 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.13.7 If the County finds that any provisions of this Paragraph 8.13 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the State has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the State has violated the anti-discrimination provisions of this Contract.

8.14 Notice of Disputes

The State must bring to the attention of the County Project Manager and/or County Project Director any dispute between the County and the State regarding the performance of services as stated in this Contract. The parties must continue with their respective responsibilities under this Contract during any dispute. If the County Project Director and State Project Director are not able to resolve the dispute, the Sheriff and the Secretary of the California Department of Corrections and Rehabilitation (or their respective designees) will resolve it.

8.15 Notices

All notices or demands required or permitted to be given or made under this Contract must be in writing and will be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties as identified in Paragraph 6.0 (Administration of Contract – County) and Paragraph 7.0 (Administration of Contract – State) of this Contract. Addresses may be changed by either party giving 10 Days prior written notice thereof to the other party. The County Project Director will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.16 Public Records Act

- 8.16.1 Any documents submitted by the State; all information obtained in connection with the County's right to audit and inspect the State's documents, books, and accounting records pursuant to Paragraph 8.17 (Record Retention and Inspection-Audit Settlement) of this Contract become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.16.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," the State agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.17 Record Retention and Inspection-Audit Settlement

- 8.17.1 The State must maintain accurate and complete financial records of its activities and operations relating to this Contract pursuant to generally accepted accounting principles. The State must also maintain accurate and complete employment and other records relating to its performance of this Contract. The State agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the State and will be made available to the County during the term of this Contract and for a period of three years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the State at a location in Los Angeles County, provided that if any such material is located outside of Los Angeles County, then, at the County's option, the State will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.
- 8.17.2 In the event that an audit of the State is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the State or otherwise, then the State must file a copy of such audit report with the County's Auditor Controller within 30 Days of the State's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.17.3 Failure on the part of the State to comply with any of the provisions of this Paragraph will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.17.4 If, at any time during the term of this Contract or within three years after the expiration or termination of this Contract, representatives of the County conduct an audit of the State regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the State, then the difference must be determined by agreement between the parties and either: a) repaid by the State to the County by cash payment upon demand or b) deducted from any amounts due to the State from the County. If the parties are unable to reach an agreement, then the issue will be resolved as provided in Paragraph 8.14 (Notice of Disputes) of this Contract. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the State, then the difference will be paid to the State by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.18 Subcontracting

- 8.18.1 Except as provided for in the Fire District-CDCR Agreement, the requirements of this Contract may not be subcontracted by the State without the advance approval of the County. Any attempt by the State to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.18.2 Except as provided for in the Fire District-CDCR Agreement, if the State desires to subcontract, the State must provide the following information promptly at the County's request:
 - 8.18.2.1 A description of the work to be performed by the subcontractor;
 - 8.18.2.2 A draft copy of the proposed subcontract; and
 - 8.18.2.3 Other pertinent information and/or certifications requested by the County.
- 8.18.3 The State must indemnify, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the State employees.
- 8.18.4 The State will remain fully responsible for all performances required of it under this Contract, including those that the State has determined to subcontract, notwithstanding the County's approval of the State's proposed subcontract.
- 8.18.5 Except as to the Fire District-CDCR Agreement, the County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The State is responsible to notify its subcontractor of this County right.
- 8.18.6 Except as to the Fire District-CDCR Agreement, the County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, State must forward a fully executed subcontract to the County for their files.
- 8.18.7 The State will be solely liable and responsible for all payments or other compensation to all subcontractor and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.18.8 Except as to the Fire District-CDCR Agreement, the State must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The State must ensure delivery of all such documents to the County Project Director before any subcontractor employee may perform any work hereunder.

8.19 Termination for Convenience

- 8.19.1 This Contract may be terminated, in whole or in part, by either the County or the State, from time to time, when such termination is deemed to be in the best interest of the terminating party. Termination of this Contract will be effected by notice of termination to the other party specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than 60 Days after the notice of termination is sent.
- 8.19.2 After receipt of a notice of termination and except as otherwise directed by the County, the State must:
 - 8.19.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

8.19.2.2 Complete performance of such part of the work as would not have been terminated by such notice.

8.19.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the State under this Contract must be maintained by the Contractor pursuant to Paragraph 8.17 (Record Retention and Inspection-Audit Settlement) of this Contract.

8.20 Termination for Default

8.20.1 The County may, by written notice to the State, terminate the whole or any part of this Contract, if, in the judgment of County Project Director:

8.20.1.1 The State has materially breached this Contract; or

8.20.1.2 The State fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

8.20.1.3 The State fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five Business Days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.20.2 If, after the County has given notice of termination under the provisions of this Paragraph 8.20 (Termination for Default) it is determined by the County that the State was not in default under the provisions of this Paragraph 8.20 (Termination for Default) or that the default was excusable, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.19 (Termination for Convenience) of this Contract.

8.20.3 The State may by written notice to the County, immediately terminate this Contract for cause. The term "for cause" will mean that the County fails to meet the terms, conditions, and/or responsibilities of the Contract. In this instance, the Contract termination will be effective as of the date indicated on the State's notification to the County.

8.20.4 The rights and remedies of the County provided in this Paragraph 8.20 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.21 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.22 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies listed in this Paragraph 8.22 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.23 Compliance with the County Policy of Equity

The State acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as listed in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The State further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which

may violate the CPOE. The State, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the State, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the State to termination of contractual agreements as well as civil liability.

8.24 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

8.25 Campaign Contribution Prohibition Following Final Decision in Contract Proceeding

Pursuant to [Government Code Section 84308](#), Contractor and its Subcontractors, are prohibited from making a contribution of more than \$500 to a County officer for twelve months after the date of the final decision in the proceeding involving this Contract. Failure to comply with the provisions of [Government Code Section 84308](#) and of this paragraph, may be a material breach of this Contract as determined in the sole discretion of the County.

STATEMENT OF WORK

Attachment A

Unless otherwise defined herein, all capitalized words and terms used in this Statement of Work (SOW) will have the meaning set forth in Paragraph 2.0 (Definitions) to the Contract, unless otherwise apparent from the context in which they are used.

A. GENERAL SCOPE OF SERVICES

1. The State will be responsible for providing housing, sustenance, supervision, education, inmate programs, and other services and accommodations for Offenders provided by County at the Fire Camps listed on Attachment C (List of Fire Camps) to the Contract. It is understood by the parties that the Fire District-CDCR Agreement sets forth the responsibilities of the State and the Fire District for the operations of the Fire Camps.
2. The parties will make reasonable efforts to maintain Offender populations in the Fire Camps in the amounts set forth on Attachment C (List of Fire Camps) to this Contract.
3. The State will provide and maintain adequate staffing to provide all required services to Offenders when such Offenders are under the custody and control of the State.
4. Once the County transfers custody of an Offender to the State, such Offender will be the sole responsibility of the State and will be under the custody and control of the State, including but not limited to when such Offenders are working on fire crews with the Fire District.
5. The State must ensure the secure custody, care, and safekeeping of all Offenders. The State will be solely responsible for developing and implementing State policies, procedures, rules, and regulations related to the secure custody, care, and safekeeping of Offenders in Fire Camps.
6. The State must provide all services under the Contract in accordance with all federal, State, and local law, rules, regulations, policies, procedures, and correctional standards, including but not limited to Title 15, and all State policies, procedures, rules, and regulations. The County will have no liability for the State's failure to comply with such federal, State, and local rules, regulations, policies, procedures, and correctional standards. The County will have no liability resulting from any State policies, procedures, rules, and regulations which are or may be later deemed to be non-compliant or in violation of any federal, State, and local rules, regulations, policies, procedures, and correctional standards. The State must provide to the County all State policies, procedures, rules, and regulations within reasonable notification upon request by County. 7. The State must, at all times, remain in full compliance with the most recent standards for the prevention, detection, response and monitoring of sexual abuse in adult prisons and jails (Prison Rape Elimination Act or PREA), as required by the United States Department of Justice.
8. The State must provide housing, sustenance, supervision, education, inmate programs, and other services and accommodations at the Fire Camps solely to Offenders from the County during the term of the Contract. The State must not house offenders or inmates from any other law enforcement agency or public or private entity in the Fire Camps, nor utilize the Fire Camps in any way for offenders or inmates from any other law enforcement agency or public or private entity. Upon the mutual agreement of the parties, offenders from other counties or State inmates may be housed in Fire Camps listed on Attachment C (List of Fire Camps) to the Contract, either with or without County Offenders, to meet the operational needs of the parties.
9. The County will have the right to audit, inspect, review, and examine the Fire Camp facilities and its operations and programs, including all documents related thereto.

Such rights include but are not limited to site inspections, review of investigative materials related to Offender incidents, and examination of documents related to the care and treatment of Offenders. At the County's sole discretion, such audits, inspections, reviews, and examinations may be conducted by the County and/or its agents at anytime with or without advance notice to the State.

B. SECURITY AND CLASSIFICATION OF OFFENDERS

1. The security and classification level of Offenders eligible for Fire Camps participation are limited to the adult Offenders sentenced to the County jail selected by the County and approved by the State.
2. The State criteria for participation are attached to the Contract as follows:
 - Attachment D (Fire Camp Offender Criteria – Criminal History)
 - Attachment E (Fire Camp Offender Criteria – Medical/Mental Health/Dental)
 - Attachment F (County Fire Camp Offender Screening and Processing Form)
3. Prior to the County's submission of an Offender to the State for Fire Camp placement consideration, the County will conduct a thorough criminal history screening consistent with Attachment D (Fire Camp Offender Criteria – Criminal History) to the Contract to determine eligibility for Fire Camp participation.
4. Prior to the County's submission of an Offender to the State for Fire Camp placement consideration, the County will conduct a thorough health care screening, which includes medical, mental health, and dental examinations consistent with Attachment E (Fire Camp Offender Criteria – Medical/Mental Health/Dental) to the Contract to determine eligibility for Fire Camp participation.
5. At the time of submission by the County of an Offender for Fire Camp placement consideration, the County will provide the Fire Camp State Administrative Office with a completed Attachment F (County Fire Camp Offender Screening and Processing Form) to the Contract, along with all required documentation which includes copies of all Offender classification data, including commitment and other judicial orders, and medical, mental health, and dental clearance records.
6. All Offenders submitted for Fire Camp placement consideration will be subject to an initial intake review by the State to confirm that Fire Camp placement is appropriate. All Offenders will also be subject to an annual review conducted by the assigned Fire Camp State Administrative Office to confirm that continued Fire Camp placement is appropriate.

C. OFFENDER FIRE SUPPRESSION TRAINING

1. The County will provide training in fire suppression activities for male Offenders prior to placement in a Fire Camp. The fire suppression training for male Offenders will be provided by the Fire District pursuant to the separate Memorandum of Understanding between the County and the Fire District. All male Offenders must be trained, certified as "fire-ready" (unless medically, physically, or administratively precluded), and approved by the Fire District prior to placement in a Fire Camp.
2. The State must provide training in fire suppression activities for female Offenders. The fire suppression training for female Offenders will be provided by the State at the California Institution for Women in Chino, California. All female Offenders will be trained, certified as "fire-ready" (unless medically, physically, or administratively precluded), and approved by the Fire District prior to placement in a Fire Camp.
3. Offenders may be placed into a Fire Camp as a Non-Grade Eligible Offender if
 - 1) the Offender fails the physical fitness or the fire suppression training program, and

2) the County has identified a special work skill that the Offender possesses that will allow the State to place the Offender in a Fire Camp, and

3) placement of the Non-Grade Eligible Offender is mutually agreed upon by the County and the Fire Camp State Administrative Office prior to placement in a Fire Camp.

D. DELIVERY OF OFFENDERS TO FIRE CAMPS

1. The County will be responsible for the transportation and delivery of male Offenders to the Holton Fire Camp and the costs thereof. The State will be responsible for the transportation and delivery of male Offenders to all Offenders' assigned Fire Camps. Female Offenders, however, will be transported directly by the County to the California Institution for Women (CIW). The State will be responsible for the transportation and delivery of female Offenders from CIW to Malibu Fire Camp following their training in fire suppression activities.
2. The County and the State will work cooperatively to coordinate the delivery and acceptance of Offenders.
3. Funds of an individual Offender held in trust by the County will be provided via check to the State within seven Business Days of the Offender's delivery to a Fire Camp. Offender funds will be held and managed pursuant to the State policies, procedures and practices related to Offender trust accounts.

E. RETURN OF OFFENDERS TO COUNTY

1. The County will be responsible for the transportation, and the costs thereof, for the pick-up and return of an Offender from the Holton or Malibu Fire Camp, or other agreed upon location to the County.
2. Upon the demand by the State or the County, Offenders will be delivered to the custody of the County at a mutually agreed upon time.
3. In the event that it becomes necessary to remove an Offender from a Fire Camp or fire training facility due to an increase in healthcare needs beyond those provided by the State as part of Routine Medical Care, any ongoing or Serious Disciplinary reason, an inability to provide a level of custody consistent with the safety and security of the Offender, staff, and/or the Fire Camp, or an Offender's refusal to participate in the Fire Camp program, the State must remove the Offender from the Fire Camp or fire training facility immediately. Following removal, the State must notify the County and coordinate the Offenders return to the County. Except as provided in Section Z(5) of this SOW, each night an Offender is not in a Fire Camp or fire training facility bed but temporarily housed out-of-County in a State prison or State-contracted medical facility, or an emergency medical facility, the County will be charged at the Special Custodial Costs Rate listed on Attachment B (Price Schedule) to the Contract. In the event the Offender requires housing outside of a State facility due to disciplinary action, all associated costs will be passed to the County.
4. The County and the State will coordinate the processing of an Offender prior to the Offender's completion of his or her sentence.
5. All Pre-Release Processing will be the responsibility of the County. The County will be responsible for any earned time/good time credit adjustments for which an Offender may be eligible while the Offender is in State custody.
6. When an Offender returns to the County, the State must provide the Offender's funds from the Offender's trust account, in the form of a check payable to the County, within seven Business Days of the Offender's return to the County. Once the release paperwork is complete, it will be forwarded to Trust Accounting in Sacramento. The check will be processed and then forwarded to the County.
7. When an Offender is identified for return to the County, the State must ensure that the Offender's Camp File (OCF) is current with documentation to include, but not be limited to, program activities (work, education, etc.), classification endorsement and

action, and disciplinary history. Offender records maintained at the Fire Camp site must be transported with the Offender upon return to the County. Files maintained at the Fire Camp State Administrative Office must be mailed to the County within 14 Days of the County Offender's departure from the Fire Camp.

8. In the event that an Offender is summoned for appearance in court, the County will provide any such documentation received by the County to the Fire Camp State Administrative Office for processing. The County will assume temporary custody of the Offender and transport the Offender both to and from the assigned Fire Camp for local, state, and federal court appearances.

F. OFFENDER WORK ASSIGNMENTS

1. All Offenders must participate in Fire Camp work programs while assigned to a Fire Camp, including fire suppression work crew assignments, firefighting training, in-camp work assignments, and other work assignments, unless otherwise medically or administratively precluded.
2. All Offender work assignments must be assigned and performed in accordance with Title 15 requirements or as otherwise required by law.
3. For all injuries incurred by an Offender while an Offender is housed at a Fire Camp, the County will not be responsible for the payment of any medical care or benefits related to an Offender's workers' compensation injuries or claims as required by California law including, but not limited to, California Labor Code section 3370. The State will be solely responsible for all workers' compensation claims and benefits, including the administration of the claims, in the same manner as if the Offender was an inmate of the State. The State, at the State's option, may provide stated medical coverage in lieu of workers' compensation benefits, consistent with California law; however, the State remains responsible for any and all workers' compensation benefits, including past, present, and future medical benefits, temporary disability payments, permanent disability payments, home health care costs, and any other benefits or costs arising out of the workers' compensation claim. Should a workers' compensation claim be filed against the County arising out of the performance of the Contract, the State agrees to defend and indemnify the County for any and all costs, findings, or expenses incurred by the County or that become an obligation of the County. Also, the State must reimburse the County for the costs of any and all medical care provided directly by the County related to an Offender's workers' compensation injury. If emergency medical care related to a workers' compensation injury is provided by an emergency medical provider, then the State must pay the emergency medical provider directly for any and all emergency medical care costs, including cost of emergency transportation by an ambulance.
4. Wages or compensation payable to Offenders for the performance of work assignments, if any, will be the sole responsibility of the State.

During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

8. Extension of Term

When it is determined to be in the best interest of the State, this Agreement may be amended to extend the term at the rates agreed upon by CDCR and the Contractor.

9. Contractor Employee Misconduct

During the performance of this Agreement, it shall be the responsibility of the Contractor whenever there is an incident of use of force or allegation(s) of employee misconduct associated with and directly impacting incarcerated individual and/or parolee rights, to immediately notify the CDCR of the incident(s), to cause an investigation to be conducted, and to provide CDCR with all relevant information pertaining to the incident(s). All relevant information includes, but is not limited to: a) investigative reports; b) access to incarcerated individuals/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that incarcerated individuals and/or parolees are not or have not

been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the Contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with incarcerated individuals and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR incarcerated individuals and/or parolees at the facility and access to incarcerated individual and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

10. Subcontracting

Services provided are to be performed primarily with the staff of the public entity or, in the case of educational institutions, auxiliaries or foundations, by the faculty, staff or students associated with the particular institution. Agreements are not to be used by state agencies to circumvent the competitive bidding requirements of Public Contract Code Section 10340.

If more than twenty-five (25) percent of the total contract amount or \$50,000.00, whichever is less, is subcontracted, non-competitive bid approval must be obtained from the Secretary of CDCR and the Department of General Services prior to the commencement of services, unless the subcontract was competitively bid or the subcontractor(s) also qualifies as a state agency, governmental agency, or joint power.

11. Subcontractor/Consultant Information

Contractor is required to identify all subcontractors and consultants who will perform labor or render services in the performance of this Agreement. Additionally, the Contractor shall notify the Department of Corrections and Rehabilitation, Office of Business Services, in writing, within ten (10) working days, of any changes to the subcontractor and/or consultant information.

12. Liability for Nonconforming Work

The Contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the Contractor's deadline, the Contractor will be given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, CDCR, in its sole discretion, may use any reasonable means to cure the nonconformity. The Contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

13. Temporary Nonperformance

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, the State, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

14. Contract Violations

The Contractor acknowledges that any violation of Chapter 2, or any other chaptered provision of the Public Contract Code (PCC), is subject to the remedies and penalties contained in PCC Sections 10420 through

10425.

15. Employment of Ex-Offenders

Contractor cannot and will not either directly, or on a subcontract basis, employ in connection with this Agreement:

An ex-offender whose assigned duties involve administrative or policy decision-making, accounting, procurement, cashiering, auditing, or any other business-related administrative function shall be fully bonded to cover any potential loss to the State or contractor. Evidence of such bond shall be supplied to CDCR prior to employment of the ex-offender.

16. Conflict of Interest

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by the CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

- (1) The Agreement service has been identified by the CDCR as one where there is a greater likelihood that a conflict of interest may occur;

b. Current State Employees

- (1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- (2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

- (4) Officers and employees of the Department must not solicit, accept or receive, directly or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

c. Former State Employees

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to incarcerated individuals or parolees. The Contractor shall not itself employ or offer to employ incarcerated individuals or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with incarcerated individuals or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor's business structure and/or status. This includes any changes in

business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

17. Compliance with Legal Requirements

The Contractor shall be aware of and comply with all Federal and State statutes, rules, regulations, and CDCR policies and directives ("CDCR Policies") applicable to the Contract. 18. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

19. Travel

Contractor's rates shall include all travel expenses required to perform services in accordance with this contract.

20. Notification of Personnel Changes

Contractor must notify the State, in writing, of any changes of those personnel allowed access to State premises for the purpose of providing services under this Agreement. In addition, Contractor must recover and return any State-issued identification card provided to Contractor's employee(s) upon their departure or termination.

21. Security Clearance/Fingerprinting

The State reserves the right to conduct fingerprinting and/or security clearance—through the Department of Justice, Bureau of Criminal Identification and Information (BCII)—prior to award and at any time during the term of the Agreement, in order to permit Contractor (and/or Contractor employee) access to State premises.

The State further reserves the right to terminate the Agreement should a threat to security be determined.

22. Computer Software

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

23. Expendable Equipment

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

24. Electronic Waste Recycling

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

25. Liability for Loss and Damages

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

26. Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by incarcerated individuals or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known made by any incarcerated individual or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

27. Additional Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for any injuries caused by exposure to any blood borne pathogens, aerosol transmissible diseases, or communicable diseases. Contractor agrees that it shall comply fully with all applicable Cal/OSHA regulations concerning protection of the Contractor's employees from diseases; including Title 8, California Code of Regulations section 5193 (Blood Borne Pathogens), and Title 8, section 5199 (Aerosol Transmissible Diseases). Contractor agrees to indemnify, defend, and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any of the Contractor's employees arising out of exposure to any

blood borne pathogen, aerosol transmissible disease, or communicable disease during the Contractor's performance of the Agreement.

28. Workers' Compensation

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

29. Insurance Requirements

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance.

30. Tuberculosis (TB) Testing

In the event that the services required under this Agreement will be performed within a CDCR institution/parole office/community-based program, Contractors and their employees who are assigned to work with, near, or around incarcerated individuals/parolees shall be required to be examined and tested or medically evaluated by a licensed healthcare provider for TB in an infectious or contagious stage prior to the performance of contracted duties, and at least once a year thereafter (within 12 months of their initial or previous TB test under this contract), or more often as directed by CDCR.

Contractors and their employees who have any contact (physical or nonphysical) with incarcerated individuals/parolees, shall be required to furnish to the CDCR Program/Institution Contract Manager, at no cost to CDCR, a documented Tuberculosis (TB) evaluation/test for TB infection (Tuberculin Skin Test (TST) or a blood test Interferon Gamma Release Assay (IGRA) completed within (30) thirty days of the start date of the services and be certified to be free of TB in an infectious or contagious stage by a licensed healthcare provider prior to assuming their contracted duties and annually thereafter.

The following provisions apply to services provided on departmental and/or institution grounds:

CDCR is committed to providing a safe, humane, secure environment, free from sexual misconduct. This will be accomplished by maintaining a program to ensure education/prevention, detection, response, investigation and tracking of sexual misconduct and to address successful community re-entry of the victim. All Contractors and their employees are expected to ensure compliance with this policy as described in Department Operations Manual, Chapter 5, Article 44.

If you are providing services for the confinement of our incarcerated individuals, you and your staff are required to adopt and comply with the PREA standards, 28 Code of Federal Regulations (CFR) Part 115 and with CDCR's Department Operations Manual, Chapter 5, Article 44, including updates to this policy. This will include CDCR staff and outside audit personnel (who also conduct PREA audits of state prisons) conducting audits to ensure compliance with the standards.

As a Contractor with CDCR, you shall not assign an employee to a CDCR facility or assign an employee to duties if that employee will have contact with CDCR incarcerated individuals, if that employee has 1) engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997); 2) been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or 3) has been civilly or administratively adjudicated to have engaged in the activity described in this section.

The Contractor shall conduct a criminal background records check for each contract employee who will have contact with CDCR incarcerated individuals and retain the results for audit purposes. By signing this contract the Contractor agrees to ensure that all of the mandates of this Prison Rape Elimination Policy are complied with. Material omissions, by the contract employee, regarding such misconduct or the provision of materially false information, shall be grounds for removal from institutional grounds.

Contract employees, who have contact with incarcerated individuals, shall be provided training via the Exhibit titled; "PRISON RAPE ELIMINATION POLICY, Volunteer/Contractor Informational Sheet" to learn their responsibilities under the agency's sexual abuse and sexual harassment prevention, detection, and response policies and procedures. Any contract employee who appears to have engaged in sexual misconduct of an incarcerated individual

shall be prohibited from contact with incarcerated individuals and shall be subject to administrative and/or criminal investigation. Referral shall be made to the District Attorney unless the activity was clearly not criminal. Reportable information shall be sent to relevant licensing bodies.

The Request for Gate Clearance must include the person's name, social security number, valid state driver's license number or state identification card number and date of birth. Information shall be submitted to the Contract Liaison or his/her designee. CDCR uses the Request for Gate Clearance to run a California Law Enforcement Telecommunications System (CLETS) check. The check will include Department of Motor Vehicles check, Wants and Warrants check, and Criminal History check.

Gate clearance may be denied for the following reasons: Individual's presence in the institution presents a serious threat to security, individual has been charged with a serious crime committed on institution property, inadequate information is available to establish positive identity of prospective individual, and/or individual has deliberately falsified his/her identity.

The Prison Rape Elimination Policy for the California Department of Corrections and Rehabilitation (CDCR) is explained on this informational sheet. As a volunteer or private contractor who has contact with CDCR offenders, it is your responsibility to do what you can, within the parameters of your current assignment, to reduce incidents of sexual violence, staff sexual misconduct, and sexual harassment and to report information appropriately when they are reported to you or when you observe such an incident. For purposes of this Policy, the word “staff” includes volunteers and private contractors.

Historical Information

Both the Congress and State Legislature passed laws, the Federal Prison Rape Elimination Act (PREA) of 2003, the Sexual Abuse in Detention Elimination Act, Chapter 303, Statutes of 2005, and most recently the United States, Department of Justice Final Rule; National Standards of 2012 to help prevent, detect, and respond to sexual violence, staff sexual misconduct, and sexual harassment behind bars. It is important that we, as professionals, understand all aspects of these laws and our responsibilities to help prevent, detect, and respond to instances by offenders and staff.

CDCR Policy

The CDCR policy is found in Department Operations Manual (DOM), Chapter 5, Article 44. PREA addresses five types of sexual offenses. Sexual violence committed by offenders against offenders encompasses: abusive sexual contact, non-consensual sex acts, and sexual harassment by an offender. Other sections covered by PREA include staff sexual misconduct towards an offender and staff sexual harassment towards an offender.

CDCR’s policy provides for the following:

- CDCR is committed to continuing to provide a safe, humane, secure environment, free from offender on offender sexual violence, staff sexual misconduct, and sexual harassment.
- CDCR maintains zero tolerance for sexual violence, staff sexual misconduct, and sexual harassment in its institutions, community correctional facilities, conservation camps, and for all offenders under its jurisdiction.
- All sexual violence, staff sexual misconduct, and sexual harassment is strictly prohibited.
- This policy applies to all offenders and persons employed by the CDCR, including volunteers and independent contractors assigned to an institution, community correctional facility, conservation camp, or parole.

Retaliatory measures against employees or offenders who report incidents of sexual violence, staff sexual misconduct, or sexual harassment as well as retaliatory measures taken against those who cooperate with investigations shall not be tolerated and shall result in disciplinary action and/or criminal prosecution. Retaliatory measures include, but are not limited to:

- Coercion.
- Threats of punishments.
- Any other activities intended to discourage or prevent staff or offenders from reporting incident(s).

Professional Behavior

Staff, including volunteers and private contractors are expected to act in a professional manner while on the grounds of a CDCR institution and while interacting with other staff and offenders. Key elements of professional behavior include:

- Treating everyone, staff and offenders alike, with respect.
- Speaking without judging, blaming, or being demeaning.
- Listening to others with an objective ear and trying to understand their point of view.
- Avoiding gossip, name calling, and what may be perceived as offensive or "off-color" humor.
- Taking responsibility for your own behavior.

Preventative Measures

You can help reduce sexual violence, staff sexual misconduct, and sexual harassment by taking various actions during the performance of your duties as a volunteer or private contractor.

The following are ways in which you can help:

- Know and enforce the rules regarding the sexual conduct of offenders.
- Be professional at all times.
- Make it clear that sexual activity is not acceptable.
- Treat any suggestion or allegation of sexual violence, staff sexual misconduct, and sexual harassment as serious.
- Follow appropriate reporting procedures and assure that the alleged victim is separated from the alleged predator.
- Never advise an offender to use force to repel sexual advances.

Detection

All staff, including volunteers and private contractors, is responsible for reporting immediately and confidentially, to the appropriate supervisor any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.

After immediately reporting to the appropriate supervisor, you are required to document the information you reported. You will be instructed by the supervisor regarding the appropriate form to be used for documentation.

You will take necessary action (i.e., give direction or press your alarm) to prevent further harm to the victim. Staff, including volunteers and private contractors, will request the victim does not: 1) Shower; 2) Remove clothing without custody supervision; 3) Use the restroom facilities; and 4) Consume any liquids.

I have read the information above and understand my responsibility to immediately report any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.

Health and Safety for All: Preservation of the Prison Rape Elimination Act Standards

Keeping incarcerated people safe from sexual assault and rape may not be a priority for the current federal administration, however, it is for the County of Los Angeles (County). In recent news, the federal administration cut all funding to the National Prison Rape Elimination Act (PREA) Resource Center (PRC)¹. The PRC provides technical assistance as well as resources to ensure all carceral institutions are compliant with the Prison Rape Elimination Act of 2003 and the National Standards to Prevent, Detect, and Respond to Prison Rape (PREA Standards), with the sole aim of protecting people in its care.

In the County, this funding decision has the potential to place the over 14,000 incarcerated adults and over 500 incarcerated youth² in a precarious situation, especially as it relates to their personal safety and vulnerability.

To ensure that the County doesn't regress on any of its work related to PREA compliance, there needs to be a committed effort to work with the Department of Public Health's Office of Violence Prevention and community-based organizations like Just

Detention International (JDI)³. JDI has provided the Los Angeles County Sheriff's Department (LASD) with technical assistance and helped lay a foundation of safety and compliance upon the adoption of the PREA Standards in 2012.

Though PREA has not been overturned, the drastic cuts to funding signals that people who are incarcerated will possibly face dangerous situations with very little recourse and they'll be open to retaliation, harm, and further victimization should they seek assistance if local action isn't taken.

There is particular concern for transgender individuals who are incarcerated as this federal administration is specifically targeting them through Section 4 of the Presidential Executive Order, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" which includes amending standard 115.41 of PREA.⁴ There are multiple studies and anecdotal accounts that "transgender people behind bars are at high risk for sexual abuse."⁵

There must be instances in which the County continues to hold facilities it oversees in compliance with laws and standards that aim to protect the most vulnerable against sexual assaults and abuse, like PREA, even if funding gets cut or the enactment is amended, overturned, or revoked, such as this.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Request the Los Angeles Sheriff's Department (LASD) and direct the Probation Department, regardless of the future of the Prison Rape Elimination Act (PREA), to:
 - a. Continue to uphold its standards of compliance to keep incarcerated adults and

youth safe from sexual assaults and abuse.

- b. Report back, in writing, similar to the LASD's June 12, 2024 report back⁶, in 30 days and with subsequent semiannual updates after the initial report back, to the Board, on:
 - i. The status and progress of the implementation of PREA related policies and procedures until completion; and
 - ii. For Probation, updates on addressing the concerns listed in the Probation Oversight Commission's August 12, 2024 report back⁷ as it relates to internal investigators' appropriately responding to allegations of PREA violations; effectiveness of current PREA policies and trainings; and youth who are being interviewed and participating in investigations without notice to their counsel or legal guardians.
 - iii. For LASD, updates on staffing the Office of PREA Compliance (OPC); live scanning of the remaining 3,659 LASD employees per PREA standard 115.17; funding a hotline for incarcerated people to connect to a trained sexual trauma counselor; among other proposed steps⁸.

I, **FURTHER, MOVE**, that the Board of Supervisors:

1. Request the Los Angeles Sheriff's Department (LASD) and direct the Probation Department to work with the Department of Public Health's Office of Violence Prevention, Sheriff Civilian Oversight Commission and the Probation Oversight Commission to:
 - a. Host a joint town hall with community-based organizations such as Just

- Detention International, Peace Over Violence, Young Women's Freedom Center, Anti-Recidivism Coalition, and others, with specific focus on people who have lived experience with the carceral system and are survivors of sexual assault, to solicit feedback on how to best support creating safer reporting spaces and practices and accountability in LASD and Probation facilities within 90 days; and
- b. Provide the Board with a report back, in writing, 60 days after the conclusion of the town hall, and include:
 - i. A summary and recommendations, and
 - ii. With the LASD and Probation Department, develop and implement a plan to incorporate the recommendations to be shared with the Board in the subsequent semiannual report back as noted in Directive 1, subsection b.
 - c. Work with the Chief Executive Office (CEO) to report to the Board on an analysis of any impact to LASD and the Probation Department and their PREA compliance efforts due to funding cuts, in writing and included in the report back noted in Directive 2, subsection b.
2. Direct the Office of Inspector General, Sheriff Civilian Oversight Commission, and the Probation Oversight Commission to continue to monitor and report back in its respective reports to the Board as a standing item, any issues or instances related to obstacles to reporting, delays in investigations, and lack of accountability and transparency in any processes, protocols, or policies, as it relates to protections and safety against sexual assaults and abuse, in any form.

Dear Supervisors:

**APPROVAL OF AN ORDINANCE TO AMEND TITLE 3 - ADVISORY COMMISSIONS
AND COMMITTEES TO CLARIFY THE CIVILIAN OVERSIGHT COMMISSION FOR THE
LOS ANGELES COUNTY SHERIFF'S DEPARTMENT'S PURPOSE AND AUTHORITY
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Approval of the recommended actions will amend the Sheriff Civilian Oversight Commission's (Commission) ordinance to clarify the Commission's purpose and authority for the Los Angeles County Sheriff's Department (LASD).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed Ordinance is not subject to the California Environmental Quality Act (CEQA) for the reasons stated in this Board of Supervisor's (Board or Supervisors) letter and the record.
2. Approve for introduction the attached Ordinance amending Title 3 – Advisory Commissions and Committees of the Los Angeles County Code (County Code), relating to the Commission, to adopt several amendments to the ordinance proposed by the Commission that would:
 - a. Clarify the Commission's role to provide independent oversight of the Sheriff's Department.
 - b. Require the Sheriff to respond to the Commission's recommendations in writing within 60 days
 - c. Authorize the Commission to review and comment on levels of discipline and the Sheriff's Department's disciplinary decisions and practices, as permitted by law.
 - d. Consistent with the Commission's practice, clarify that the Commission may

- establish Ad Hoc Committees of less than a majority of its members to receive, access, and review confidential records to focus on systemic issues, e.g. excessive use of force, deputy gangs, PREA, etc.
- e. Resolve ambiguities to the Commission's access to records by permitting the Commission to access and review confidential records through its Ad Hoc Committees, provided that the Ad Hoc Committees maintain confidentiality in respect to such records.
 - f. Allow the Commission to participate in the selection of future at-large or "community" commissioners.
 - g. Clarify County Counsel's authority to appoint outside counsel for the Commission.
 - h. Clarify that the Commission may meet in closed session as a Brown Act body.
 - i. Authorize the Commission to conduct closed sessions to the extent permitted by state law.
 - j. Clarify that books and papers, as stated in Measure R, includes electronic documents and records of the LASD.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Oversight of the Los Angeles County Sheriff's Department has evolved, starting in 1959 with the creation of several various oversight entities that include the Sybil Brand Commission, Independent Monitor/Office of the Ombudsman, Office of Independent Review (OIR), Office of the Inspector General (OIG), and the Sheriff Civilian Oversight Commission. These entities were all created due to the public outcry over the deplorable conditions in the Los Angeles County jails, existence of deputy gangs, routine use of excessive force by LASD personnel, deputy-involved shootings, in-custody deaths, and other systemic issues. These oversight entities were also responsible for making recommendations regarding LASD's policies, procedures, and practices. In 2015 and 2016, the Board fundamentally reshaped oversight landscape by establishing the Office of the Inspector General (OIG) and the Sheriff Civilian Oversight Commission (COC or Commission), replacing prior entities (except SBC) and reinforcing the county's commitment to accountability and transparency.

Since the Commission's formation nine years ago, national, local, and statewide developments – including the passage of Measure R (LA County) and AB 1185 (California), have expanded the authority and expectations of civilian oversight bodies, emphasizing subpoena power, access to information, and the ability to independently investigate systemic issues within law enforcement agencies.

Despite this progress, Los Angeles County's ordinance (Chapter 3.79) has not been significantly updated since 2016. As the Commission approaches its 10th anniversary in January 2026, it urges the Board to adopt these proposed revisions to the ordinance to reflect the National Association for Civilian Oversight of Law Enforcement (NACOLE) 13 principles of effective civilian oversight of law enforcement. Adoption of these proposed revisions will clarify and strengthen the Commission's oversight authority and align the county with current best practices in law enforcement oversight. This will benefit the public, LASD, and the county.

FISCAL IMPACT

The Commission will work with the Chief Executive Officer (CEO) to reassess and determine the appropriate staffing levels and services and supplies funding, if necessary, for the Commission to be able to meet its mandates under the County Ordinance. These mandates include responsibilities required of the Commission with the passage of Measure R by the voters in 2020.

FACTS AND PROVISION/LEGAL REQUIREMENTS

Section 3.79.030 of Ordinance Chapter 3.79 of the County Code gives the Commission the authority to make recommendations and advise the Board to create additional operational policies and procedures that affect the community. The proposed ordinance amending County Code Sections 3.79.010, 3.79.020, 3.79.030, 3.79.031, 3.79.032, 3.79.035, 3.79.040, 3.79.050, 3.79.080, 3.79.090, 3.79.100, 3.79.110, and 3.79.140 is necessary to provide clarity and strengthen the existing authority of the Commission.

ENVIRONMENTAL DOCUMENTATION

The recommended action is not subject to the California Environmental Quality Act because it is an activity that is excluded from the definition of a project by section 21065 of the Public Resources Code and Section 15378(b) of the State CEQA Guidelines. The proposed Ordinance amending Title 3 of the County Code is an organizational or administrative activity of government which will not result in direct or indirect physical changes to the environment.

IMPACT ON CURRENT SERVICES

Approval of these recommendations affords the Commission the authority to efficiently and effectively oversee LASD by addressing problematic issues such as the ability to: act independently in exercising its duties, access confidential information, and go into Closed Session to discuss confidential matters when permitted under the Brown Act. If approved, these changes will promote increased professionalization of the LASD, greater adherence to constitutional policing, reduce liability of the County, and improve trust between the community and the Department.

Respectfully submitted,

Edward Yen

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION(S)

Measure E, a citizen's initiative, was placed on the November 2024 ballot for the voters' consideration as a solution to address the District's financial challenges. The measure imposes a special tax of six cents (\$0.06) per square foot of structural improvements, excluding the square footage of improvements used for parking, on all taxable improved parcels. The tax applies to the parcels located within the cities and unincorporated area of Los Angeles County served by the District and is expected to generate approximately \$152 million in revenue for FY 2025-26. The measure was approved by the voters by 55.05%.

Revenues generated by the special tax will be expended by the District pursuant to an expenditure plan approved by the Board prior to June 30th of each year. The annual expenditure plan will include, but not be limited to the following priorities:

- (1) Hiring, training, and certifying additional firefighters and paramedics
- (2) Communications and Information Technology Systems
- (3) Facilities
- (4) Vehicles and aircraft
- (5) Life-saving rescue tools
- (6) Wildfire protection
- (7) Emergency response tools and infrastructure

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Plan North Star Sustainability and North Star 3 Communication and Public Access, Flexible and Efficient Infrastructure and Internal Controls and Processes.

FISCAL IMPACT/FINANCING

Revenues generated by the special tax will reside in an interest-bearing Special Revenue Fund administered by the District. The special tax is expected to generate approximately \$152 million in revenue for FY 2025-26. For each tax year after FY 2025-26, the rate shall be adjusted by two percent (2%) annually or the California Consumer Price Index as published by the California State Board of Equalization for the local assessment roll, whichever is less. District costs will be limited to available special tax revenue and there will be no net County costs associated with this action.

The proposed expenditure plan (Enclosure) has been reviewed by County Counsel and aligns with all requirements for use.

Funding will be included in the District's FY 2025-26 Adopted Budget and will be included in future fiscal years' budgets, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Revenues generated by the special tax may be used for information technology systems; 911 communications, cell phone dispatch, and other communications technologies; adding and maintaining fire facilities, fire engines, helicopters, aircraft, life-saving tools and equipment, wildfire protection, emergency response tools and infrastructure; and hiring and training paramedics and firefighters. Revenues generated by the special tax shall not be used for unfunded workers' compensation or pension liabilities.

The District's Independent Citizens' Oversight Committee, established in 1997, shall provide an annual review of the special tax to ensure that the revenues generated by the special tax is expended only for the purposes specified and annually report the findings of its review to the Board and to the public.

Additionally, the Auditor-Controller will require a report to be prepared by an independent auditor and filed with the Board no later than December 31st of each year, stating the amount of special tax proceeds collected and expended and the status of all projects or description of any services or programs funded from proceeds of the special tax.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Ongoing financial challenges have prevented the District from investing in its infrastructure and equipment. The revenue generated by Measure E will allow the District to replace and repair fire stations and offices that are seismically unsafe, to replace vehicles, helicopters, and equipment that are past its service life, to purchase air operations capital assets, and to hire and train additional paramedics and firefighters. This will ensure that our residents and business owners continue to receive the highest quality of service while entrusted in our care.

CONCLUSION

Upon approval by your Honorable Board, please instruct the Executive Officer of the Board to return the adopted stamped Board Letter to the following:

Proposed Measure E Expenditure Plan for FY 2025-26

Background: Measure E, a citizen's initiative, was placed on the November 2024 ballot for the voters' consideration as a solution to address the District's financial challenges. The measure imposes a special tax of six cents (\$0.06) per square foot of structural improvements, excluding the square footage of improvements used for parking, on all taxable improved parcels. The tax applies to the parcels located within the cities and unincorporated area of Los Angeles County served by the District and is expected to generate approximately **\$152 million** in revenue for Fiscal Year (FY) 2025-26. The measure was approved by the voters by 55.05%.

Revenues generated by the special tax will be expended by the District pursuant to an expenditure plan approved by the Board prior to June 30th of each year. The annual expenditure plan will include, but not be limited to the following priorities:

- (1) Hiring, training, and certifying additional firefighters and paramedics
- (2) Communications and Information Technology Systems
- (3) Facilities
- (4) Vehicles and aircraft
- (5) Life-saving rescue tools
- (6) Wildfire protection
- (7) Emergency response tools and infrastructure

Proposal: For FY 2025-26, the District will focus on the following items that align with the priorities listed above.

1. **Facilities:** The District's 261 facilities have an average age of over 50-years and have limited capacity to meet increasing demand for Fire, Paramedic, and Lifeguard service-delivery. As a result, the District plans on utilizing Measure E funds to replace Fire Stations 2, 8, 12, 17, and 22 over the next 5-years and to perform seismic retrofitting at Fire Stations 37, 38, 63, 70, and 78. All of the fire stations listed previously were deemed seismically unsafe based on assessments performed by AECOM (2018) and Johnson Fain (2019). The District also plans on utilizing Measure E funds to construct new fire stations to replace Fire Station 81 and to assist with the call volume of Fire Station 33 in Lancaster, our busiest station; to perform deferred facility maintenance; and to expand the current dispatch center to accommodate increasing call volume.

Estimated FY 2025-26 Budget: \$62.389 million

Supervisory Districts Impacted: **ALL**

2. **Vehicles and Apparatus:** The District has approximately 1,602 vehicles including 992 emergency vehicles and 610 non-emergency vehicles. The majority of the District's vehicles are approaching or over 20-years of age and are in need of replacement as the National Fire Protection Agency (NFPA) recommends a 15-to-20-year lifecycle for emergency vehicles. The District plans on utilizing \$17.206 million of Measure E funds to purchase vehicles and apparatus. This will supplement the District's annual allocation of \$13.888 million to the District's Vehicle Accumulated Capital Outlay (ACO) Fund, which will result in a total of \$31.094 million for vehicle replacement. The priorities are to replace antiquated emergency vehicles and to transition non-emergency vehicles to hybrid vehicles.

Estimated FY 2025-26 Budget: \$17.206 million

Supervisory Districts Impacted: **ALL**

3. **4-Person Staffing:** Although the NFPA standard is for fire agencies to have 4-person Engine Company staffing, the District currently uses both 3-person and 4-person Engines. As a result, the District plans on utilizing Measure E funds to convert 5 Engine Companies from 3-person to 4-person staffing with the eventual goal of converting all 163 engines to 4-person staffing. The identification of the first 5 Engine Companies to convert will be based on those with the highest call volume and emergency activity.

Estimated FY 2025-26 Budget: \$3.508 Million

Supervisory Districts Impacted: **ALL**

4. **Helicopter Replacement:** The District currently maintains a fleet of 8 water-dropping helicopters to combat fast-moving wildfires and to provide air medical transport. The District plans on utilizing Measure E funds to replace one of two Sikorsky Firehawks that are nearing 25 years of service.

Estimated FY 2025-26 Budget: \$41.500 Million

Supervisory Districts Impacted: **ALL**

5. **Air Operations:** The District's Air Operations currently operate from 2 locations: Barton Heliport and Van Nuys Airport. According to an assessment by Johnson Fain (2019), these facilities are undersized by approximately 60% with specific deficiencies in aircraft apron (tarmac) area, maintenance hangers, and hanger space to store aircraft. As a result, the District plans on utilizing Measure E to update and expand existing sites or to relocate to a new site to accommodate modern aircraft and provide a coordinated and rapid response with improved situational awareness over its operations during firefighting events.

Estimated FY 2025-26 Budget: \$10.000 Million

Supervisory District Impacted: **ALL**

6. **Communication & IT Equipment:** Due to ongoing financial challenges, the District has been unable to upgrade communication and information technology equipment for over a decade. As a result, the District plans on utilizing Measure E funds to supplement the ITIB funding received in 2023 for the Computer Aided Dispatch (CAD) replacement project; to replace Dispatch Console hardware that is over 7-years old; to upgrade, enhance, and strengthen emergency communication equipment; to purchase mobile routers for new District vehicles; and to begin repayment of Information Technology Infrastructure Fund loan to purchase and install 8,500 mobile radios.

Estimated FY 2025-26 Budget: \$6.339 million

Supervisory Districts Impacted: **ALL**

7. **Firefighting Equipment:** District operations often require the use of specialized fire fighting and emergency medical equipment that require replacement when it becomes obsolete and past its useful life. To ensure appropriation funding for equipment replacement, The District plans on setting aside Measure E funding annually for future replacement of the District's Self-Contained Breathing Apparatus (SCBA) and Cardiac Monitors/Defibrillators. The District's SCBAs were last replaced in 2022 and have a 10-year life span and the District's Cardiac Monitors/Defibrillators were last replaced in 2024 and have an 8-year life span. In addition, the District plans on utilizing Measure E funds to replace the District's Automatic External Defibrillators that allow fire fighters to immediately treat cardiac arrest patients.

Estimated FY 2025-26 Budget: \$11.058 million

Supervisory Districts Impacted: **ALL**

Future Items: Expenditure plans will be submitted for Board approval prior to June 30th of each year. Future expenditure plans will include continued replacement or repair of fire stations, air operations facilities, lifeguard facilities, training facilities, and logistics/support facilities (including Fire headquarters); additional IT infrastructure projects, including a new scheduling/timekeeping system for firefighters; expansion of the training division to support the training of new firefighters; and future replacement of additional helicopters, radios/communication equipment, and firefighting tools and equipment.
