Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	December 15, 2021, approximately 4:37 a.m.
Briefly provide a description of the incident/event:	Summary Corrective Action Plan 2023-160 Multiple investigative reports indicate on December 9, 2021, a detective at Norwalk Sheriff's Station sought and obtained a search and arrest warrant for the Plaintiff and his residence located in the city of Whittier. The arrest warrant was for the commission of an assault with a deadly weapon with a firearm. The search warrant was for the confiscation of all handguns located in the residence and associated with the Plaintiff. The warrant was classified as "high-risk" due to the number of automatic firearms and handguns anticipated to be in the residence, coupled with the nature of the crime the Plaintiff was suspected of having committed. The Los Angeles County Sheriff's Department (LASD) Special Enforcement Bureau's (SEB) Special Weapons Team was assigned to serve the arrest warrant and search warrant. On Monday, December 13, 2021, members of the SEB, were briefed by the detective about the Plaintiff's crime. They were provided basic information about the Plaintiff, shown his DMV photograph, and informed approximately 10 firearms, two of which were assault rifles, were registered to him. The SEB deputies were informed that Plaintiff's family members also lived in the residence. Deputies prepared an operations plan and briefing plan for the warrant service. On Wednesday, December 15, 2021, at approximately 3:00 a.m., the day the warrant was to be served, Deputies were briefed on the tactical plan, case information, and last-minute logistical needs and assignments. Three SEB paramedics were also assigned to the operation. Following the briefing, Deputies One and Two drove past the residence. They observed that lights were on inside the

	house and believed that someone was awake. The SEB team proceeded to the residence. At approximately 4:30 a.m., the team began to position themselves and surround the residence. Streetlights were on, which illuminated the front of the house, and a dim light illuminated the porch area. Deputy Four, who was positioned next to the large front window, signaled to the entry team that he saw multiple individuals asleep in the living room. The Sergeant verified that every team member was in position and signaled to Deputy Two to begin the “knock and notice” announcements, which were audio recorded. Several commands were heard demanding entry. Through the glass oval window on the door, Deputies saw a woman in the living room. Deputy Seven removed the front security screen door. The doorknob of the interior wooden door was locked. Deputy Four saw that the two male occupants, whom he had seen asleep on the couch, were up and covered in blankets. He announced in English and Spanish, “Police! It’s the police! Show me your hands!” They looked at him through the window, but they did not raise their hands. Deputy One saw a female inside the living room had seen them, and he watched her talk to someone behind her while seemingly holding the door closed with her hands. She then returned to the door, acted like she was going to open it, and then backed up. Deputy Four saw the two male occupants briefly look around and then take off running within the residence. The Sergeant felt the team had been compromised and needed to make a forced entry. Deputy Five breached the door with the ram. A third male emerged from the hallway and into the living room area, followed by the Plaintiff. Deputy Five saw the Plaintiff standing approximately ten to fifteen feet in front of him, holding a black firearm with both hands above his waistline, pointed in his direction. Deputy Five took a step back to allow Deputies One and Two access to the house, and said, “gun.”
--	---

	Deputy One could see one of the male occupants holding his hands up and the female on the ground, also displaying her hands. Deputy Two could see three to four males moving around in the living room. Deputies One and Two yelled, "Let me see your hands!" twice. Deputy One saw the Plaintiff's face and half of his body, standing in a shooting stance, and saw that he was "coming up with a black handgun." Deputy One saw the Plaintiff point the gun at Deputy Two. Deputy Two had also seen the Plaintiff raise a black handgun from his waistband and point it at his face. Deputy Two believed that he and Deputy One were going to be shot. After the first gunshot, Deputy Two saw the Plaintiff duck down behind the couch, poking his head up and down, while maintaining the gun pointing in his direction. The Plaintiff manipulated the gun as though it was jammed, "fidgeting with it" and appeared to be attempting to fire it. Deputy Two fired two rounds at the Plaintiff; one of the rounds struck the Plaintiff. Deputy Two advised the team that the Plaintiff was "down" and behind the couch. The deputies began to command the occupants to vacate the house. They walked out of the house and were escorted off the premises. The SEB entry team entered the residence with two paramedics; Deputies Eight and Nine. The team found the Plaintiff lying on his back on the kitchen floor, bleeding. A Smith and Wesson 9mm semi-automatic pistol, loaded with an 8-round magazine, was near the Plaintiff's feet. Deputy Ten saw the paramedic deputies, Deputies Eight and Nine, rendering aid and called the Fire Department for assistance. The Fire Department responded and transported the Plaintiff to a local hospital. As a result of his injury, the Plaintiff will require future medical care.

Criminal and Administrative Investigation

This incident was thoroughly investigated by the Sheriff's Department Homicide Bureau. An administrative review was conducted and it was determined that the force and tactics used by the deputies were within department policy.
