The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVE MODEL MASTER AGREEMENT FOR
ARCHITECTURAL, ENGINEERING, AND RELATED SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is seeking Board approval of a Model Master Agreement (Model Agreement) for Architectural, Engineering, and Related Services (Services) that will be used to award a maximum of six Master Agreements (Agreements) to qualified independent vendors to provide Services on an as-needed basis.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the attached Model Agreement for Services for a term of five years, with an option to extend for two additional one-year periods for a total term not to exceed seven years.
2. Delegate authority to the Sheriff, or his designee, to execute Agreements substantially similar to the attached Model Agreement with qualified vendors

commencing upon execution by the Sheriff.

3. Delegate authority to the Sheriff, or his designee, to execute Amendments and Change Notices to the Agreements as set forth throughout the Model Agreement to: (1) effectuate modifications which do not materially affect any term of the Agreements; (2) modify the Agreements to include new or revised standard County contract provisions adopted by the Board as required from time to time, including all applicable documents; (3) execute the extension options if it is in the best interest of the County; (4) effectuate the assignment and delegation/mergers or acquisitions provision; (5) add new or revised job titles to Exhibit H (A/E Fee Schedule) to the Agreements; and (6) terminate the Agreements, either in whole or in part, by the provision of a ten-day written notice.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will provide the Department with a pool of readily available qualified contractors to provide, including, but not be limited to, Services that assist the Department's Facilities Planning Bureau's (FPB) ability to support delivery of life cycle systems replacement, maintenance projects and minor renovations and repairs to various Department facilities. Additionally, the Services will allow for the delivery of various preliminary feasibility studies, which include the evaluation of proposed improvements and associated costs for potential projects, ongoing fee study updates for the law enforcement facilities mitigation ordinance, and independent cost estimates by a certified cost estimator as required by the County's Chief Executive Office (CEO) for the annual Capital Project Budget submissions.

The Department currently operates out of more than 300 facilities to provide law enforcement and custody services to the County. Many of these facilities are more than 50 years old and have reached the end of life. In order to keep these buildings operational, on a 24/7 basis for some, it requires ongoing maintenance, repairs, and modifications to meet the ever-changing needs of the Department as well as current building codes and ordinances. Although the smaller projects do not fit into the definition of a capital project, and are managed by in-house resources, they require Services to obtain the necessary jurisdictional approvals. It is not cost effective to rely on other County Departments to manage these small projects, as it results in higher project costs for the Department to fund and results in an uncommitted timeframe for delivery of the projects.

From 2015 to 2020, the Department utilized as-needed consultant services provided by Vanir Construction Management, Inc. through a Board-approved contract. The

availability of this contract allowed the Department to address critical repairs in a timely manner, that would not normally fall under a capital project/refurbishment but would be the responsibility of the Department. The contract was unable to be extended due to the contract expiration and terms.

The Department's lack of an as-needed contract for Services, requires the Department to rely on other County Departments, such as the Internal Services Department (ISD) or the Department of Public Works (DPW), to utilize their Countywide Master Agreements for similar Services. Utilizing these Countywide Master Agreements increases the project cost due to the required project management and associated fees, and often results in project timeline delays due to ISD and DPW servicing multiple County Departments.

The absence of an as-needed consultant services agreement since, 2020, has hindered the Department from completing small repairs and maintenance projects typically performed by personnel assigned to FPB, in a timely and cost-effective manner.

Implementation of Strategic Plan Goals

The requested actions support the County Strategic Plan's North Star 3: Realize tomorrow's government today; Focus Area F: Flexible and Efficient Infrastructure by enabling the Department to obtain as-needed Services that support and enhance FPB's operation while providing quality, safe, and secure facilities for our employees, justice-involved population, and the public.

FISCAL IMPACT/FINANCING

The estimated annual cost for the services under the new master agreement is \$1,000,000 based on existing annual utilization of similar master agreements held by other County departments. These costs would be fully offset by corresponding reductions as work is transitioned to the new master agreement, resulting in zero net cost impact. Furthermore, the Department believes that contracting under the new master agreement for critical facilities projects would be timelier and more cost-effective due to increased responsiveness and reduced overhead costs.

Actual expenditures will be incurred solely on an as-needed basis. The Department has identified sufficient funding in the Fiscal Year 2025-26 operating budget. Over the term of the Agreements, allocations will be established in the Department's operating budget to meet the anticipated need each fiscal year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Model Agreement was determined to be a Non-Proposition A agreement due to Services being used on an as-needed basis. The Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended Model Agreement.

The Services will be performed on a work order basis. The County's procedures for issuing work orders to qualified Contractors are outlined in the Model Agreement. The County will issue work orders on a rotational basis, but factors affecting the selection process for any work order bid may include past project performance, scheduling, and workload distribution.

The Model Agreement includes all County-required provisions, including Jury Service, Safely Surrendered Baby Law, Defaulted Property Tax Reduction Program, Zero Tolerance Policy on Human Trafficking, Fair Chance Employment, Policy of Equity, Prohibition from Participation in Future Solicitations, and Campaign Contribution Prohibition Following Final Decision in Master Agreement Proceeding.

The Model Agreement has been approved as to form by County Counsel.

CONTRACTING PROCESS

On April 19, 2024, the Department released a Request for Statement of Qualifications (RFSQ) to solicit Statements of Qualifications (SOQs) from vendors to provide Services. The RFSQ was posted on the County and Department websites. The Department received four SOQs by the initial due date of June 7, 2024. Of the SOQs received, two were determined to meet or exceed the minimum mandatory qualifications.

The RFSQ will remain open until the needs of the Department are met. Upon the Board's approval of the recommended actions, the Sheriff will execute Agreements with a maximum of six qualified contractors.

IMPACT ON CURRENT SERVICES

Approval of the recommended actions will enable the Department to maintain a pool of qualified contractors to provide as-needed Services to better manage fluctuations in workload, provide more responsive Services, and ensure safer and more secure Department facilities.

CONCLUSION

Upon Board approval, please return a copy of the adopted Board letter to the Department's Contracts Unit.

Sincerely,

In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Master Agreement and at its sole discretion, that

Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for Work performed by Contractor's employees for which the County may be found jointly or solely liable.

8.19 Force Majeure

- 8.19.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

- 8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement will be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.21 Independent Contractor Status

- 8.21.1 This Master Agreement is by and between the County and Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.21.2 Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Master Agreement all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, state, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 8.21.3 Contractor understands and agrees that all persons performing Work pursuant to this Master Agreement are, for purposes of Workers' Compensation liability, solely employees of Contractor and not employees of the County. Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor

pursuant to this Master Agreement.

8.21.4 Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality) of this Master Agreement.

8.22 Indemnification

Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers ("County Indemnitees") from and against any and all liability, including, but not limited to, demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of County Indemnitees.

8.23 General Provisions for all Insurance Coverage

Without limiting Contractor's indemnification of the County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraph 8.24 (Insurance Coverage) below of this Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. The County in no way warrants that the Required Insurance is sufficient to protect Contractor for liabilities which may arise from or relate to this Master Agreement.

8.23.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to the County, and a copy of an Additional Insured endorsement confirming the County and its Agents (defined below) has been given Insured status under Contractor's General Liability policy, must be delivered to the County at the address shown below and provided prior to commencing Services under this Master Agreement.
- Renewal Certificates must be provided to the County not less than ten Days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.
- Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Master Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate must match the name of Contractor identified as the contracting party in this Master Agreement. Certificates

must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding \$50,000.00 dollars, and list any County-required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to the County Contract Compliance Manager listed in Exhibit A (County's Administration) to this Master Agreement.
- Contractor also must promptly report to the County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify the County of any third-party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Master Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or the County.

8.23.2 Additional Insured Status and Scope of Coverage

The County, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. The County and its Agents additional insured status must apply with respect to liability and defense of suits arising out of Contractor's acts or omissions, whether such liability is attributable to Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.23.3 Cancellation of or Changes in Insurance

Contractor must provide the County with, or Contractor's insurance policies must contain a provision that the County will receive,

written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to the County at least ten Days in advance of cancellation for non-payment of premium and 30 Days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of this Master Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Master Agreement.

8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of this Master Agreement, upon which the County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. The County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.5 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by the County.

8.23.6 Contractor's Insurance Must Be Primary

Contractor's insurance policies, with respect to any claims related to this Master Agreement, must be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.23.7 Waivers of Subrogation

To the fullest extent permitted by law, Contractor hereby waives its rights and its insurer(s)' rights of recovery against the County under all the Required Insurance for any loss arising from or relating to this Master Agreement. Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.23.8 Subcontractor Insurance Coverage Requirements

Contractor must include all subcontractors as insureds under Contractor's own policies, or must provide the County with each subcontractor's separate evidence of insurance coverage.

Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and must require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's general liability policy. Contractor must obtain the County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.23.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date will precede the effective date of this Master Agreement. Contractor understands and agrees it will maintain such coverage for a period of not less than three years following Master Agreement expiration, termination or cancellation.

8.23.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.23.12 Separation of Insureds

All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.23.13 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents must be designated as an Additional Covered Party under any approved program.

8.23.14 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon the County's determination of changes in risk exposures.

8.24 Insurance Coverage

8.24.1 Commercial General Liability insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming the County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	\$2 million
Products/Completed Operations Aggregate:	\$1 million
Personal and Advertising Injury:	\$1 million
Each Occurrence:	\$1 million

8.24.2 Automobile Liability insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than \$1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance must cover liability arising out of Contractor's use of autos pursuant to this Master Agreement, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.24.3 Workers Compensation and Employers' Liability insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also must include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer. The written notice must be provided to the County at least ten Days in advance of cancellation for non-payment of premium and 30 Days in advance for any other cancellation or policy change. If applicable to Contractor's operations, coverage also must be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.24.4 Professional Liability/Errors and Omissions insurance covering Contractor's liability arising from or related to this Master Agreement, with limits of not less than \$1 million per claim and \$3 million aggregate. Further, Contractor understands and agrees it must maintain such coverage for a period of not less than three years following this Master Agreement's expiration, termination, or

cancellation. Actual coverage requirement to be determined based on individual project.

8.25 Liquidated Damages

- 8.25.1 If, in the judgment of County Project Director, Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, County Project Director, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from Contractor's invoice for Work not performed. A description of the Work not performed and the amount to be withheld or deducted from payments to Contractor from the County, will be forwarded to Contractor by County Project Director, in a written notice describing the reasons for said action.
- 8.25.2 If County Project Director determines that there are deficiencies in the performance of this Master Agreement that County Project Director deems are correctable by Contractor over a certain time span, County Project Director will provide a written notice to Contractor to correct the deficiency within specified time frames. Should Contractor fail to correct deficiencies within said time frame, County Project Director may:
- a) Deduct from Contractor's payment those applicable portions of the invoice, and/or
 - b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per Day per infraction and that Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to Contractor, and/or
 - c) Upon giving five Days notice to Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from the County, as determined by the County.
- 8.25.3 The actions noted in Paragraph 8.25.2 above will not be construed as a penalty, but as adjustment of payment to Contractor to recover the County cost due to the failure of Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This Paragraph will not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or Paragraph 8.25.2 above, and will not, in any manner, restrict or limit the County's right to terminate this Master Agreement as agreed to herein.

8.26 Most Favored Public Entity

If Contractor's prices decline, or should Contractor at any time during the Term of this Master Agreement provide the same goods or Services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Master Agreement, then such lower prices will be immediately extended to the County.

8.27 Non-discrimination and Affirmative Action

8.27.1 Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and state anti-discrimination laws and regulations.

8.27.2 Contractor certifies to the County each of the following:

- c) That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- d) Where problem areas are identified in employment practices, Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.27.3 Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and state anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.27.4 Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of

race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

- 8.27.5 Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable federal and state laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement.
- 8.27.6 Contractor must allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.27 (Non-discrimination and Affirmative Action) when so requested by the County.
- 8.27.7 If the County finds that any provisions of this Paragraph 8.27 (Non-discrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated federal or state anti-discrimination laws or regulations will constitute a finding by the County that Contractor has violated the anti-discrimination provisions of this Master Agreement.
- 8.27.8 The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County will, at its sole option, be entitled to the sum of \$500 for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

8.28 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with Contractor. This Master Agreement will not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.29 Notice of Delays

Except as otherwise provided under this Master Agreement, when either party has knowledge that any actual or potential situation is delaying or

threatens to delay the timely performance of this Master Agreement, that party must, within one Business Day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.30 Notice of Disputes

Contractor must bring to the attention of County Project Manager any dispute between the County and Contractor regarding the performance of Services as stated in this Master Agreement. If County Project Manager is not able to resolve the dispute, the Sheriff or his designee will resolve it.

8.31 Notice to Employees Regarding the Federal Earned Income Credit

Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.32 Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor must notify and provide to its employees, and will require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in the County, and where and how to safely surrender a baby. The information is set forth in Exhibit C (Safely Surrendered Baby Law) to this Master Agreement. Additional information is available at:

<https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.33 Notices

All notices or demands required or permitted to be given or made under this Master Agreement must be in writing and will be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits A (County's Administration) and B (Contractor's Administration) to this Master Agreement. Addresses may be changed by either party giving ten Days' prior written notice thereof to the other party. County Project Director will have the authority to issue all notices or demands required or permitted by the County under this Master Agreement.

8.34 Prohibition Against Inducement or Persuasion

Notwithstanding the above, Contractor and the County agree that, during the Term of this Master Agreement and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 Public Records Act

8.35.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's

documents, books, and accounting records pursuant to Paragraph 8.37 (Record Retention and Inspection-Audit Settlement) below; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 Publicity

- 8.36.1 Contractor must not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit Contractor from publishing its role under this Master Agreement within the following conditions:
- Contractor must develop all publicity material in a professional manner, and
 - During the Term of this Master Agreement, Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of County Project Director. The County will not unreasonably withhold written consent.
- 8.36.2 Contractor may, without the prior written consent of the County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County, provided that the requirements of this Paragraph 8.36 (Publicity) will apply.

8.37 Record Retention and Inspection-Audit Settlement

Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by Contractor and will be made available to the County during the Term of this Master Agreement and for a period of five years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by Contractor at a location in the County, provided that if any such material is located outside the County, then, at the County's option, Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.37.1 In the event that an audit of Contractor is conducted specifically regarding this Master Agreement by any federal or state auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor must file a copy of such audit report with the County's Auditor-Controller within 30 Days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under this Master Agreement. The County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2 Failure on the part of Contractor to comply with any of the provisions of this Paragraph will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.
- 8.37.3 If, at any time during the Term of this Master Agreement or within five years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of Contractor regarding the Work performed under this Master Agreement, and if such audit finds that County's dollar liability for any such Work is less than payments made by the County to Contractor, then the difference will be either: (a) repaid by Contractor to the County by cash payment upon demand, or (b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such Work is more than the payments made by the County to Contractor, then the difference will be paid to Contractor

by the County by cash payment, provided that in no event will County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 Subcontracting

8.39.1 The requirements of this Master Agreement may not be subcontracted by Contractor **without the advance approval of the County as further specified in Paragraph 2.3 (Work Order Response Requirements) of Attachment 1 (Statement of Work) to this Master Agreement.** Any attempt by Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.39.3 Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that Contractor has determined to subcontract, notwithstanding the County's approval of Contractor's proposed subcontract.

8.39.4 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing Services under this Master Agreement. Contractor is responsible to notify its subcontractors of this County right.

8.39.5 Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through Services performed hereunder, notwithstanding the County's consent to subcontract.

8.39.6 Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) above will constitute a default under this

Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 Days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) below and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

8.41 Termination for Convenience

8.41.1 The County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of Work hereunder will be effected by notice of termination to Contractor specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten Days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, Contractor must immediately:

- Stop Work under the Work Order or under this Master Agreement, as identified in such notice,
- Transfer title and deliver to the County all completed Work and Work in process, and
- Complete performance of such part of the Work as would not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Master Agreement or Work Order must be maintained by Contractor in accordance with Paragraph 8.37 (Record Retention and Inspection-Audit Settlement) above.

8.42 Termination for Default

8.42.1 The County may, by written notice to Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County Project Director:

- Contractor has materially breached this Master Agreement,
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, Service, or other Work required either under this Master Agreement or any Work Order issued hereunder, or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate

convincing progress toward a cure within five Business Days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1 above, the County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. Contractor must continue the performance of this Master Agreement to the extent not terminated under the provisions of this Paragraph.
- 8.42.3 Except with respect to defaults of any subcontractor, Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 above if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or state governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42 (Termination for Default), it is determined by the County that Contractor was not in default under the provisions of this Paragraph 8.42 (Termination for Default), or that the default was excusable under the provisions of Paragraph 8.42.3 above, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience) above.
- 8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 (Termination for Default) are not exclusive and are in addition

to any other rights and remedies provided by law and/or under this Master Agreement.

8.43 Termination for Improper Consideration

In case of emergencies during non-business hours, including weekends, Contractor must receive calls from the County and answer all calls received within one hour of receipt.

6.0 PROJECT REVIEW

The project review is a critical element of County's Quality Control plan. All deviations from the original and subsequent versions of the approved Work Order and project timeline will be documented by both Contractor and County Project Director in a form and format agreed-to by the parties.

- 6.1 Upon such time the cumulative effect of project delays equals ten Days, an updated project timeline must be processed not later than two Days following the last observed delay. In like manner, Contractor must provide to the County an updated recovery project timeline for each subsequent aggregation of project delays which equals ten Days. Each update to the timeline must identify the following:
 - a. The delayed task(s),
 - b. Date of delay,
 - c. The reason(s) for each delay, and

- d. The description of the Work impacted and how the delay will be recovered.
- 6.2 Notwithstanding County Project Director's authority to approve updates to the project timeline for project delays and to grant Contractor extensions of time for Work performed, upon such time the cumulative effect of project delays equals 30 Days or more, the County, in County's sole discretion, will initiate a formal project review. The project review will be conducted by, though not be limited to, the Department's Facilities Planning Bureau and the Department's executive sponsor(s) in consultation with County Counsel. In like manner, the County will initiate a formal project review for each subsequent 30-Day extension thereafter.
- 6.3 Each project review may result in any of the following:
 - a. An assessment of Contractor's progress-to-date and the likelihood of completing the project on schedule,
 - b. An assessment of Contractor's responsibility for and response to the timeline slippage, quality lapses, and/or other project issues,
 - c. An assessment of Contractor's performance expectations and the County's recommendations for improvement,
 - d. The County's request for a project recovery timeline, or
 - e. Termination of the Work Order, in whole or in part, at the County's sole discretion.
- 6.4 At minimum, Contractor's Project Director and Contractor's Project Manager must attend all project review meetings in-person, and as-needed, unless otherwise specified by County's Project Director, pursuant to Paragraph 5.1 (e) above.

7.0 QUALITY ASSURANCE PLAN

The Department will evaluate Contractor's performance under the Master Agreement using the quality assurance procedures set forth in Paragraph 8.14 (County's Quality Assurance Plan) of the Master Agreement.

Contractor must prepare a written

plan for correction of all deficiencies identified in the CDR, which must be submitted to County Project Manager within three Business Days of receipt of the CDR. Contractor must continue Work pursuant to the scope and schedule while preparing the plan for correction.

SAFELY SURRENDERED BABY LAW

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

SAFELY SURRENDERED BABY LAW

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week, and an interpreter will be with a counselor about your options or have your questions answered.
