**AUTHORIZATION TO AWARD AND EXECUTE
FISCAL YEAR 2025-26 SUBAWARD FOR
TRADITIONAL LEGAL ASSISTANCE PROGRAM SERVICES**

(ALL SUPERVISORIAL DISTRICTS)

(3-VOTES)

SUBJECT

The Los Angeles County Aging & Disabilities Department (AD) seeks approval and delegated authority to award and execute a Traditional Legal Assistance Program (TLAP or Program) Subaward for the term effective January 1, 2026 through June 30, 2026, with AD having the sole option to extend the Subaward term for three (3) annual renewal options and one, six (6) month option for a maximum Subaward term four (4) years with Bet Tzedek for an anticipated six (6) month amount of \$207,750 or a maximum total of \$1,607,600 including all option years; and, execute amendments with this Subrecipient, as needed, during the Subaward term.

IT IS RECOMMENDED THAT YOUR BOARD

1. Approve and authorize AD's Interim Director, Director, or designee, to accept and execute the TLAP Subaward for the term effective January 1, 2026 through June 30, 2026, and subsequently execute up to three (3) annual renewal options and one, six (6) month option for a maximum Subaward term four (4) years with Bet Tzedek for an anticipated six (6) month amount of \$207,750 or a maximum total of \$1,607,600. Allocation to the Subrecipient is subject to availability of funding and is contingent upon Subrecipient's performance in meeting the goals of TLAP, as well as Subrecipient's

adherence to its Subaward terms. AD will obtain County Counsel approval as to the form of the Subaward prior to executing this Subaward and shall provide written confirmation to the Chief Executive Officer (CEO) within thirty (30) working days of completing this action.

2. Approve and authorize AD's Interim Director, Director, or designee, to execute amendments with this Subrecipient, which serve the best interests of the County during the Subaward term as follows: 1) add new, relevant, or updated federal, State, County Subaward, and/or other terms and conditions; and 2) increase or decrease the Subaward amounts (including but not limited to baseline funds, one-time-only funds, and/or supplemental monies), which may exceed ten percent (10%) of the Maximum Subaward Sum, in response to the availability of funding and/or based on Subrecipient's performance provided that: (a) the total allocation does not exceed available funding; (b) AD obtains County Counsel approval as to the form of the amendment prior to any such amendment; and, (c) AD provides written confirmation to the CEO within thirty (30) working days of completing this action.
3. Delegate authority to AD's Interim Director, Director, or designee, to terminate the Subaward with the Subrecipient upon their request, and those that have closed or are in default of their Subaward requirement, for Subrecipient default or for the convenience of the County, provided: a) County Counsel's approval is obtained prior to termination of the Subaward, and b) AD's Interim Director, Director, or designee, notifies the Board and the CEO in writing within ten (10) business days after such termination.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION(S)

The California Department of Aging (CDA or State) has designated AD to operate as an Area Agency on Aging for all areas of the County, except for the City of Los Angeles, which is served by another public agency. AD receives funding from CDA to administer various program services, which are implemented through contracts with service providers. In this capacity, AD oversees the administration of a variety of social service programs, including TLAP.

TLAP is designed to promote justice, dignity, health, security, maximum autonomy, and independence for Older Adults, particularly those in greatest social or economic need, by protecting and enforcing their legal rights and advancing systemic change through broad-based elder rights advocacy. The program's goal is to deliver high-quality, high-impact, and cost-effective legal services that address the unmet legal needs of eligible clients.

Through TLAP, Older Adults, unpaid Family Caregivers, and individuals of any age with a Disability, Alzheimer's disease, or a related neurological or organic brain disorder may receive legal advice and representation from qualified attorneys. Services may also include counseling or other forms of legal assistance provided by a licensed attorney, paralegal, or law student working under the direct supervision of a licensed attorney.

AD conducted a competitive Request for Proposals (RFP) solicitation, which resulted in Bet Tzedek being selected as the successful Proposer. Accordingly, AD intends to award and execute the resulting Subaward with Bet Tzedek upon your Board's approval.

IMPLEMENTATION OF STRATEGIC PLAN

The recommended actions support the following Countywide Strategic Plan Goals:

- North Star 1, Focus Area Goal D, Strategy 7 (Older Adults & People with Disabilities) by supporting purposeful aging, enhancing service delivery and care, promoting accessibility, and championing an environment where the needs, health, well-being, and rights of older adults, people with disabilities, and those who are dependent are prioritized.
- North Star 2, Focus Area Goal A, Strategy 1 (Population Based Health) by focusing on our County health systems to improve health outcomes of individuals and communities with an emphasis on providing quality, accessible, and culturally responsive services.
- North Star 2, Focus Area Goal E, Strategy 4 (Disadvantaged Communities) Invest in and strengthen the economic capacity and infrastructure in historically disadvantaged and under-resourced communities.

FISCAL IMPACT/FINANCING

The TLAP is financed with federal Older Americans Act (OAA) Title III-B and Title III-E funds. The anticipated funding for the recommended Subaward is \$207,750. The requested Board authority will allow AD to allocate funds for the TLAP Subaward annually for an anticipated four (4) year total of \$1,607,600 for the Subaward term of January 1, 2026 through December 31, 2029 (which includes three (3) annual options plus one, six (6) month extension). The TLAP funding is included in AD's Fiscal Year 2025-26 Final Adopted budget. There is no net County cost associated with this program.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Subrecipient is in compliance with all Board and County requirements. The Subaward includes standard County terms and conditions in addition to federal and State terms and conditions that are required for AD to administer/operate the program. Furthermore, the Subaward is not subject to the requirements for Proposition A, in which living wage laws would be applicable. AD will obtain County Counsel approval as to the form of the Subaward prior to its execution and/or amendment.

The original term of this Subaward will commence on January 1, 2026 through June 30, 2026, with AD having the sole option to extend the Subaward term for three (3) annual and one, six (6) month renewal options for a maximum total Subaward term of four (4) years.

CONTRACTING PROCESS

On September 4, 2025, AD released a competitive RFP solicitation (in accordance with federal, State, and County procurement standards) under proposal number AAA-TLAP-2526 RFP. AD sought qualified Proposers to provide TLAP services Countywide, excluding the City of Los Angeles, which is served by another public agency. Notification of this release occurred as follows:

- Newspaper Publication: AD advertised the RFP in the following newspapers general circulation in Los Angeles County and bordering counties: Los Angeles Times; Daily News; San Gabriel Valley Tribune; Long Beach Press Telegram; Torrance Daily Breeze; Orange County Register; and La Opinion.
- Posting on Internal Services Department (ISD)/Office of Small Business (OSB) Website: In accordance with County requirements, AD posted notification of the RFP using multiple commodity/service codes associated with TLAP services. Based on WebVen registered vendors associated with those commodity/service codes, this notification was sent to approximately 1,058 potential Proposers.
- GovDelivery Notifications: AD utilizes GovDelivery, a web-based email subscription management system, which includes approximately 3,988 recipients that have signed up to receive news and information pertaining to contracting opportunities with AD. These recipients were notified regarding the release of this RFP.

A mandatory Proposers' conference was held to address questions received from potential Proposers, and no protests were received in response to the solicitation requirements.

AD received one (1) proposal in response to the RFP. In accordance with County requirements, the proposal was reviewed and determined to be responsive and responsible. Evaluation was conducted by a team comprised of individuals from AD, who were subject matter experts in various areas including program operations, contract development, and finance/accounting. There were no protests in response to the evaluation and the recommendation of the award.

In accordance with Board Policy 5.130 (Contracting with Community Business Enterprise Firms) requiring disclosure of information pertaining to Community Business Enterprise (CBE) firms, AD has reflected this information in Attachment I. On final analysis and consideration of the award, the successful Proposer was selected without regard to race, creed, or color.

MONITORING REQUIREMENTS

Administrative, programmatic, and fiscal monitoring of the Subrecipient will be conducted on an annual basis to ensure compliance. Administrative and programmatic monitoring are completed by AD's Compliance Division. Fiscal monitoring is conducted by an approved vendor procured through the Los Angeles County Master Agreement for As-Needed Contract Audits/Studies.

IMPACT ON CURRENT SERVICES

Approval of the recommended actions will allow for the continued provision of TLAP services Countywide. These services provide vital support and resources to the residents of Los Angeles County. As such, it is in the County's best interest to execute this Subaward.

CONCLUSION

Approval of the recommended actions will allow for the continued provision of TLAP services to clients in the areas served by the Subrecipient.

Should you have any questions, please contact me directly, or your staff may contact Victoria Jump, Assistant Director, at VJump@ad.lacounty.gov.

Expansion of CarePortal Services to Address the Needs of Families in Crisis

Faith communities have long been known as pillars of society, equipped with the ability to provide vulnerable children and families with safe spaces, compassion, care, and supportive services along with critical tangible resources. In fulfilling their mission to care for those in need, faith-based institutions have provided volunteers, donations, shelter, support programs, and other services. In recognition of the intrinsic value faith-based engagement brings to child welfare, on September 25, 2018, the Los Angeles County Board of Supervisors (Board) adopted a motion directing the Department of Children and Family Services (DCFS) and the Center for Strategic Partnerships (the Center) to develop a faith-based strategy and program to work with Faith-Based Organizations (FBOs) and Houses of Worship (HOW) in a shared goal of serving children and families throughout the County.

As the largest child protection services agency in the nation, DCFS serves thousands of youths and families, with many expressing their desire and comfort with receiving services from FBOs and HOWs. Because they are often working closely with families and communities in crisis, FBOs and HOWs can refer children, transition age youth, caregivers or families to a wide range of community-based services that can help stabilize the family system before more invasive interventions are necessary. Families that are connected and feel supported have greater chances of becoming healthy families that ultimately strengthen their communities, especially in times of crisis.

MOTION

HORVATH _____

HAHN _____

BARGER _____

SOLIS _____

In 2020, during the COVID pandemic, children, youth and families who were already vulnerable were at higher risk of system involvement due to increased isolation and difficulty getting their basic needs met. The Global Orphan Project offered to provide DCFS with access to their CarePortal technology platform at no cost, allowing DCFS, schools, nonprofits, and other child-serving agencies to collaborate with faith-based and community partners to meet the needs of children and families in crisis in real-time. On September 1, 2020, DCFS signed a Non-Financial Partnership Agreement with the Global Orphan Project and used a phased implementation strategy to launch CarePortal services in 19 DCFS regional offices delivering tangible items and goods to children, youth, and families interfacing with the child welfare system.

Since September 2020, CarePortal services have been provided in eight (8) Service Planning Areas (SPAs) and 19 DCFS regional offices by delivering tangible items and goods to children and families in need. CarePortal has also rendered services to assist kinship placements with the goal of preserving such placements through the Kinship Care Support Initiative. During the Los Angeles County fire disasters in January 2025, CarePortal responded to the crisis by delivering critical support to systems-involved youth and families impacted or displaced by the fires. CarePortal has provided training and resources to FBOs, HOWs and child-serving agencies with the goals of keeping children safe, helping children achieve timely and sustained permanency, improving the well-being of children and families, and reducing or avoiding costs to child-serving agencies.

Since the establishment of the non-financial partnership agreement between DCFS and CarePortal in 2020, dozens of DCFS faith-based liaisons in eight (8) SPAs and 19 DCFS regional offices have utilized CarePortal's care sharing technology as a critical tool in their work to serve thousands of children and families in crisis across the County, with a primary emphasis on prevention and early intervention to help keep children with their families out of foster care when possible and safely. DCFS uses CarePortal to help deliver positive outcomes for the safety, security, and well-being of children and families under its supervision, such as helping to prevent children from entering foster care, strengthening biological families, helping establish or preserving foster care, kinship or adoptive placements, helping children reunify with their biological

families, supporting youth as they age out of foster care, supporting children's educational needs, and supporting expectant mothers.

As of September 30, 2025, CarePortal's network has served over 4,300 children and generated approximately \$2,600,000 in economic impact in response to requests submitted by the Faith Based Liaisons for the needs of identified children and families. According to data from more than 2,000 reviews by agency workers regarding their experience with CarePortal in Los Angeles County:

- The average satisfaction rating is 4.9 stars out of 5;
- 99% agreed that partnering with the faith-based community made them feel more supported in their work; and,
- 99% agreed that meeting the request helped improve the well-being of the family and child(ren) involved.

While DCFS would benefit from the expansion of CarePortal services to the Department's full scope of programs serving children and families in crisis countywide, CarePortal does not have the capacity to expand their services without funding support. DCFS has identified one-time State Block Grant (SBG) dollars that can be used to support this expansion for the next two years.

The expansion of CarePortal in Los Angeles County using SCG funds would support prevention and early intervention efforts. CarePortal has established infrastructure to expand services and immediately utilize these specific funds to assist and serve additional children and families by:

- Providing additional personnel to expand the CarePortal Platform accessibility;
- Expanding access to additional DCFS programs, including the Youth Development Services Division, Extended Foster Care Services, and the Authentic Youth Engagement section (to specifically serve adolescent young adults to age 21), Parents in Partnership (to serve parents), Resource Family Support Services (to assist foster and kinship care providers), Special Immigrant Services Section (to assist youth), Medical Case Management Services Section (to assist children and youth with medical needs), Child Protection Hotline and the Emergency Response Command Post (to serve

families initially referred to DCFS as well as other child and family-serving agencies in Los Angeles County);

- Providing services and support for up to 7,000 children and their families;
- Providing training for community stakeholders to centralize and access resource requests and acquisitions;
- Providing ongoing support for CarePortal to DCFS and other child and family-serving community agency partners; and
- Building the ecosystem of community agencies, churches, businesses, local non-profits, and civic organizations to expand services to children and families in crisis in collaboration with DCFS and other agency partners.

CarePortal services would also be available as a current and much needed resource to assist with food insecurity from the longest government shutdown in U.S. history. Additional DCFS staff would have ongoing access and support from CarePortal and its partners, providing resources that enhance family engagement, support child safety, permanency and well-being with tangible resources, and increased access to community-based support that build protective factors for children and families.

The Global Orphan Project has emphasized their commitment to serving children and families in Los Angeles County. They will continue to pursue public-private funding opportunities to support its operation of CarePortal in Los Angeles County following the two-year term DCFS can fund using SBG dollars. CarePortal is a critical resource for our children and families, promoting prevention efforts while supporting our children in case and our DCFS employees.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Director of the Department of Children and Family Services (DCFS) to:

1. Execute a funding agreement (Agreement) with Southern California Grant Makers (SCG) and provide \$1,715,500, for a two-year Agreement with The Global Orphan Project, Inc., to expand the CarePortal program into all eight SPAs to address the needs of youth and families in crisis;

2. Delegate authority to the Director of DCFS, or his Designee, to execute extensions to the Agreement, contingent upon:
 - a. availability of funding;
 - b. approval by County Counsel; and
 - c. the Director of DCFS, or his Designee, notifies the Board and the Chief Executive Officer (CEO) in writing within ten (10) days of execution.
3. Delegate authority to the Director of DCFS, or his Designee, to execute amendments to increase or decrease the maximum funding agreement amount by no more than ten (10) percent during the term of the funding agreement to accommodate the increases or decreases in services, provided;
 - a. sufficient funding is available for increases;
 - b. approval by County Counsel is obtained; and
 - c. the Director of DCFS, or his Designee, or notifies the Board and the CEO in writing within ten (10) days of execution of amendment.
4. Provide quarterly written progress report-backs to the Board, including information on number of total requests met by CarePortal, number of children, youth and families (including kin, resource, and biological) served, number of food requests, requests by DCFS office and Supervisorial District, and estimated dollar amount of goods and services donated, along with any other outcomes.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current CTF contracts will expire on December 31, 2025 and new contracts are required in order to continue the provision of CTF services. The recommended actions will enable the County to continue providing CTF services to seriously emotionally disturbed children who are placed in the care and custody of DCFS and Probation Child Welfare (PCW).

Vista Del Mar and Star View are the only facilities licensed by the California Department of Social Services (CDSS) to provide CTF services in Los Angeles County. CTF services are needed for the placement of children and youth who require higher levels of service than those provided by Group Home Rate Classification Level (RCL 14) or Short-Term Residential Therapeutic Program (STRTP) and are the only secure residential group setting available for children, outside of a psychiatric hospital. CTF residential facilities provide intensive mental health treatment services to children and youth in a setting with the capacity to provide secure containment. The CTF provides the safest, most-structured setting with the highest staff ratios for children and youth with the most severe psychiatric and behavioral problems who are often deemed dangerous to themselves and others. Only children and youth who volunteer or are under conservatorship may be placed in a CTF. Each child/youth in a CTF has a designated treatment team that collaborates with the child and family team to address the trauma and underlying needs of each child/youth. The treatment team discusses and formulates the behavior management and intervention plans to which each child/youth best responds.

Children/youth placed in CTFs have previously experienced psychiatric hospitalizations as the result of behaviors that have been deemed dangerous to themselves and others. Due to CTFs being the highest level of care, the State has indicated that the CTF rate is the same as the STRTP rate.

Implementation of Strategic Plan Goals

The recommended actions support North Star 1, Focus Area Goal A, Healthy Individuals & Families, Strategy iii, Behavioral, Mental Health and Substance Use Disorder.

FISCAL IMPACT/FINANCING

The Maximum Contract Sum for Vista Del Mar, including the two one-year options, is \$5,189,400, financed using 21 percent DMH State funds, nine percent 2011 State Realignment funds, 60 percent NCC and 10 percent Probation Intra-Funds Transfer funds. The Maximum Contract Sum for Star View, including the two one-year options, is \$6,750,000, financed using 21 percent DMH State funds, nine percent 2011 State Realignment funds and 70 percent NCC.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Vista Del Mar and Star View will continue to provide CTF placement services for DCFS, DMH, and PCW children and youth with severe psychiatric and behavioral problems. CTF services are geared towards the care and treatment of seriously emotionally disturbed children and youth, primarily through the dependency and juvenile court system.

Star View and Vista Del Mar are the only two facilities licensed by CDSS to provide these specialized services in the State of California.

CONTRACTING PROCESS

The DCFS requested approval from CDSS on February 27, 2025, for procurement by negotiation with Vista del Mar and Star View and approval for a five-year contract term. CDSS approved the request on March 27, 2025.

Board policy 5.100, Sole Source Contracts and Amendments, requires a department to notify the Board be if it intends to negotiate a new sole source contract. On June 16, 2025, DCFS notified the Board of its intent to negotiate sole source contracts with Vista del Mar and Star View for CTF services.

IMPACT ON CURRENT SERVICES

Vista Del Mar and Star View are the only facilities licensed by the CDSS to provide CTF services in Los Angeles County. Approval of these contracts will allow the contractors to continue providing intensive mental health treatment services to children and youth in a setting with the capacity to provide secure containment. The CTF provides the safest, most-structured setting with the highest staff ratios for children and youth with the most severe psychiatric and behavioral problems who are often deemed dangerous to themselves and others.

CONCLUSION

Upon approval the Board of Supervisors, it is requested that the Executive Officer/Clerk of the Board send and adopted stamped copy of the adopted Board letter to the Department of Children and Family Services.

All of Contractor's staff assigned to County facilities are required to have a County Identification (ID) badge, visible at all times. Contractor bears all expense of the badging.

7.4.1 Contractor is responsible to ensure that staff have obtained a County ID badge before they are assigned to work in a County facility. Contractor personnel may be asked by a County representative to leave a County facility if they do not have the proper County ID badge on their person and Contractor personnel must immediately comply with such request.

7.4.2 Contractor must notify the County within one business day when staff is terminated from working under this Contract. Contractor must retrieve and return staff's County ID badge to the County on the next business day after the staff has terminated employment with the Contractor.

7.4.3 If County requests the removal of Contractor's staff, Contractor must retrieve and return staff's County ID badge to the County on the next business day after the staff has been removed from working on the County's Contract.

7.5 Background and Security Investigations

7.5.1 Each of Contractor's staff performing services under this Contract, who is in a designated sensitive position, as determined by County in County's sole discretion, must undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but will not be limited to, criminal conviction information. The fees associated with the background investigation will be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation.

If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be removed immediately from performing services under the Contract. Contractor must comply with County's request at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

7.5.2 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such

investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

7.5.3 These terms will also apply to subcontractors of County contractors.

7.5.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

7.6 Confidentiality

7.6.1 Contractor must maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

7.6.2 Contractor must indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

7.6.3 Contractor must inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Contract.

7.6.4 Contractor must sign and adhere to the provisions of Exhibit F1 (Contractor Acknowledgement and Confidentiality Agreement).

8.0 STANDARD TERMS AND CONDITIONS

8.1 Amendments

- 8.1.1** For any change which affects the scope of work, contract term, contract sum, payments, or any term or condition included under this Contract, an amendment to the Contract must be prepared and executed by the Contractor and by the Directors of DCFS and DMH, or their designees.
- 8.1.2** The County's Board or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the County's Board or Chief Executive Officer. To implement such changes, an Amendment to the Contract must be prepared and executed by the Contractor and by County.
- 8.1.3** The Directors of DCFS and DMH, or their designees, may at their sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Contract). The Contractor agrees that such extensions of time will not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an Amendment to the Contract must be prepared and executed by the Contractor and by Directors of DCFS and DMH, or their designees.

8.2 Assignment and Delegation/Mergers or Acquisitions

- 8.2.1** The Contractor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.
- 8.2.2** The Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.3** Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach

of the Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

In the event that the County's Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract will also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Contract.

8.5 Complaints

The Contractor must develop and maintain operating procedures for receiving, investigating and responding to complaints.

8.5.1 Complaint Procedures

- Within five (5) business days after the Contract effective date, the Contractor must provide the County with the Contractor's procedures for receiving, investigating and responding to user complaints.
- The Contractor will use the User Complaint Report (Exhibit J) as part of their policy.
- The County will review the Contractor's procedures and provide the Contractor with approval of said procedures or with requested changes.
- If the County requests changes in the Contractor's procedures, the Contractor must make such changes and resubmit the procedures within five (5) business days for County approval.
- If, at any time, the Contractor wishes to change the Contractor's procedures, the Contractor must submit proposed changes to the County for approval before implementation.

- The Contractor must preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within five (5) business days of receiving the complaint.
- When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- Copies of all written responses must be sent to the County's Project Manager within three (3) business days of mailing to the complainant.

8.6 Compliance with Applicable Laws

8.6.1 In the performance of this Contract, Contractor must comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

8.6.2 Contractor must indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise

subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Additionally, Contractor certifies to the County:

- 8.7.1** That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 8.7.2** That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- 8.7.3** That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- 8.7.4** Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term,

temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the Contract.

- If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.
- Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create

a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN/START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on

County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that

the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

- The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms will also apply to subcontractors of County contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

- 8.14.1** The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County

through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

- 8.14.2** As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

- 8.16.1** The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.16.2** If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

- 8.17.1** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State

statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.17.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault

or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with

any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Contract.
- Renewal Certificates must be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.
- Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate must match the name of the contractor identified as the contracting party in this Contract. Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance

Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Department of Children and Family Services, Contract Division
510 S. Vermont Ave, Los Angeles, CA 90020
Attention: Sose Badoyan, Contract Analyst

BadoyS@dcfs.lacounty.gov

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third-party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status will apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 Liquidated Damages

8.26.1 If, in the judgment of the Director, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or their designee, in a written notice describing the reasons for said action.

The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages

resulting from the failure of the Contractor to correct a deficiency within the specified time frame. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

- 8.28.7** If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8** The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each

- 8.38.4** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar

If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

limited to, the obligation to properly supervise, coordinate, and perform work required hereunder.

- 8.40.11** Notwithstanding any other provision of this Contract, the parties do not intend that any person or entity will acquire any rights as a third party beneficiary of this Contract.

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to [County Code Chapter 2.202](#).

8.42 Termination for Convenience

- 8.42.1** This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

- 8.43.5** The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.44.2** The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" will constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within ten (10) days of notice will be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.53 Time Off for Voting

The Contractor must notify its employees and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than ten (10) days before every statewide election, every contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

8.54 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.55 Intentionally Omitted

8.56 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#). In the event of such material breach, County may, in its sole discretion, terminate the Contract.

8.57 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

8.58 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.

8.59 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

8.60 Campaign Contribution Prohibition Following Final Decision in Contract Proceeding

Pursuant to [Government Code Section 84308](#), Contractor and its Subcontractors, are prohibited from making a contribution of more than \$250 to a County officer for twelve (12) months after the date of the final decision in the proceeding involving

this Contract. Failure to comply with the provisions of [Government Code Section 84308](#) and of this paragraph, may be a material breach of this Contract as determined in the sole discretion of the County.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

9.1.1 The parties acknowledge the existence of the [Health Insurance Portability and Accountability Act of 1996 \(HIPAA\)](#) and its implementing regulations. Contractor understands and agrees that, as a provider of medical treatment services, it is a “covered entity” under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients’ medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

9.1.2 The parties acknowledge their separate and independent obligations with respect to HIPAA and that such obligations relate to transactions and code sets, privacy, and security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor’s behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor’s obligations under HIPAA but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

9.1.4 Each party further agrees that, should it fail to comply with its obligations under HIPAA, it will indemnify and hold harmless the other party (including the other party’s officers, employees, and agents), for damages to the other party that are attributable to such failure.

9.2 Ownership of Materials, Software and Copyright

9.2.1 County will be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter “materials”) which are originated or created through the Contractor’s work pursuant to this Contract. The Contractor, for valuable

9.2.4 The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.

9.2.5 Notwithstanding any other provision of this Contract, the County will not be obligated to the Contractor in any way under subparagraph 9.2.4 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by subparagraph 9.2.3 or for any disclosure which the County is required to make under any state or federal law or order of court.

The "Nonprofit Integrity Act of 2004" ([SB 1262, Chapter 919](#)) increased Charitable Purposes Act requirements. By requiring Contractors to complete Exhibit J (Charitable Contributions Certification), the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. ([County Code Chapter 2.202](#))

By August 1 of each year, Contractor shall submit to COUNTY a cost allocation plan, which provides for the reasonable allocation of Contractor Expenditures for the then current fiscal year. Contractor's cost allocation plan shall be developed in accordance with the principles included in OMB 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Exhibit C) or any publication that supersedes these OMB circulars and the Department of Auditor-Controller Contract Accounting and Administration Handbooks, Exhibit C-1

9.12.3 Contractor shall expend foster care funds on reasonable and allowable Expenditures in providing the necessary placement, care, and Services, as specified in this Contract, for children placed by County. The determination of reasonable and allowable Expenditures shall be in accordance with OMB - 2 CFR Chapter I, Chapter II, Part 200, et al

(Exhibit C) or any publication that supersedes these OMB circulars; MPP Sections 11-400, 11-402, 11-403, 11-404, and 11-420; 45 CFR 74.27; and the Department of Auditor-Controller Contract Accounting Administration Handbooks, Exhibit C-1. Any AFDC-FC funds not Expended in accordance with the above will be disallowed on monitoring/audit, and will require repayment by CONTRACTOR. Any dispute regarding repayment of funds will be governed by the provisions outlined in Part 1, Section 20.0 Dispute Resolution Procedures. If the dispute is solely pertaining to an Overpayment, the procedures and remedies set forth in MPP Sections 45-304 through 45-306 and 11-404 inclusive, shall be controlling and must be exhausted, per Part I, Sub-section 20.8, prior to any other remedy or resolution being implemented under Part 1, Section 20.0 or other applicable law, statute, or regulation.

In the event this Contract is subject to audit exceptions, Contractor shall pay to County the full amount of Contractor liability for such audit exceptions, as determined by DCFS, upon demand by County. Upon notice by Contractor, County will, upon verification by County, reduce the audit disallowance claimed by County by the amount subject to repayment to the State for duplicated disallowed Expenditures during the time period covered by County's audit.
- 9.12.5 Notwithstanding any other provision of this Contract, in addition to all other rights to monitor, including but not limited to audit, Contractor and County agree that it is the intent of the parties that County shall have the right to audit any and all use of AFDC-FC funds, paid to and Expended by Contractor, in order to ensure that all Expended and unspent funds are accounted for and that unspent funds are held for the future benefit of Placed Children, and to determine the appropriate disposition of unallowable Expenditures.
- 9.12.6 Total accumulated un-Expended funds shall include Contractor current un-Expended funds; if facts suggest the possibility of fraud or significant abuse, County reserves the right to review uses of un-Expended funds accumulated in periods prior to the Contractor's current fiscal year. Contractor's TAUF shall be reflected on its Semi-Annual Expenditure Report (Exhibit C-4), and discussed in the Contractor's Annual Cost Allocation Plan. At the end of any given Contractor fiscal year, any TAUF that is equal to or less than the total expenditures for the County's Program for the two most current months in the Contractor's completed fiscal year, will hereafter be

referred to as the TAUF Ceiling, must be used for the benefit of Placed Children for reasonable and allowable costs. In the event that Contractor's TAUF, at the end of any given CONTRACTOR fiscal year, exceeds the TAUF Ceiling, Contractor shall develop a plan regarding how to utilize the TAUF for the benefit of Placed Children for reasonable and allowable costs, and shall submit the plan to DCFS for review and approval within 180 Days of the fiscal year end. The Contractor shall submit its requested plan to the County DCFS, that includes a copy of the pre-approval issued by the CDSS Foster Care Audits and Rates Bureau to DCFS and allow 60 days to receive a response. Contractor's failure to develop an appropriate plan for the utilization of TAUF, or the expenditure of TAUF without a County approved plan shall constitute a material breach of the Contract. In such instance, County may take appropriate action, pursuant to this Contract, including, but not limited to, that under Part I, Section 16.0, Hold Status, Do Not Refer Status, Do Not Use Status, Corrective Action Plan, with the understanding that County may appeal the final decision pursuant to the Dispute Resolution Procedures in Part I, Section 20.0.

Check (✓)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS AND AMENDMENTS Identify applicable justification and provide documentation for each checked item.
	➤ Only one bona fide source (monopoly) for the service exists; performance and price competition are not available. A monopoly is an <i>“Exclusive control of the supply of any service in a given market. If more than one source in a given market exists, a monopoly does not exist.”</i>
	➤ Compliance with applicable statutory and/or regulatory provisions.
	➤ Compliance with State and/or federal programmatic requirements.
	➤ Services provided by other public or County-related entities.
	➤ Services are needed to address an emergent or related time-sensitive need.
	➤ The service provider(s) is required under the provisions of a grant or regulatory requirement.
	➤ Services are needed during the time period required to complete a solicitation for replacement services; provided services are needed for no more than 12 months from the expiration of an existing contract which has no available option periods.
	➤ Maintenance and support services are needed for an existing solution/system during the time to complete a solicitation for a new replacement solution/system; provided the services are needed for no more than 24 months from the expiration of an existing maintenance and support contract which has no available option periods.
	➤ Maintenance service agreements exist on equipment which must be serviced by the original equipment manufacturer or an authorized service representative.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best economic interest of the County (e.g., significant costs and time to replace an existing system or infrastructure, administrative cost and time savings and excessive learning curve for a new service provider, etc.). In such cases, departments must demonstrate due diligence in qualifying the cost-savings or cost-avoidance associated with the best economic interest of the County.

Chief Executive Office

Date

Sole Source Justification

1. What is being requested?

We are requesting approval to execute a replacement Community Treatment Facility (CTF) contract with Star View Children and Family Services (Star View). New contracts for CTF Star View Children and Family Services, and Vista Del Mar Child and Family Services (Vista Del Mar) are needed to continue providing CTF services. The proposed contract terms are from January 1, 2026, to December 31, 2028, with two one-year options to extend through December 31, 2030.

2. Why is the product (service) needed – how will it be used?

Both facilities have very safe and structured settings with the highest staff-to-child ratio for youth with the most severe psychiatric and behavioral problems. Only youth who volunteer or are under conservatorship could be placed in a CTF. These youth have often experienced psychiatric hospitalizations as the result of behaviors that have been deemed dangerous to themselves and others. These acute behaviors have typically increased in frequency and intensity. Star View is a facility that has the capacity to provide secure and locked containment for youth with very high needs.

3. Is this brand of product the only one that meets the user's requirements?

Yes. These two CTFs are the only two certified by the California Department of Health Care Services (DHCS) and licensed by the California Department of Social Services (CDSS) Community Care Licensing Department (CCLD) in the County of Los Angeles. Star View is one of the two residential group settings available outside of a psychiatric hospital for seriously emotionally disturbed children/youth.

4. Have other products or vendors been considered?

No. Currently in Los Angeles County, there are no other programs that deliver such a robust set of services in a locked facility for high-risk youth.

5. Will purchase of this product avoid other costs?

Yes, participants or recipients receive treatment and supportive services that can reduce the number of hospitalizations, constant placement disruptions, and the cost to the County. This approach is also consistent with the Department's outcome goals of well-being and safety, and enhancing the opportunity for self-sufficiency.

6. Is this service available from other providers?

Only these two facilities are licensed by CDSS to provide CTF services in Los Angeles County. CTF services are needed for the placement of children and youth who require a higher level of services than those provided by the Group Home Rate Classification Level (RCL 14) or the Short-Term Residential Therapeutic Program (STRTP) and are the only secure residential group setting available for children, outside of a psychiatric hospital.

7. Reasonableness of price – Does County obtain a percentage discount or special discount not available to the private sector?

The County does not obtain a percentage discount or a discount not available to the private sector.

8. What is the dollar value of the existing equipment?

NOTICE OF INTENT TO NEGOTIATE SOLE SOURCE CONTRACTS WITH STAR VIEW CHILDREN AND FAMILY SERVICES, INC. AND VISTA DEL MAR CHILD AND FAMILY SERVICES FOR COMMUNITY TREATMENT FACILITY SERVICES

In compliance with Board Policy 5.100, Sole Source Contracts, this is to notify the Board that the Department of Children and Family Services (DCFS) intends to commence negotiations with Vista Del Mar Child and Family Services (Vista Del Mar) and Star View Children and Family Services (Star View) to provide Community Treatment Facility (CTF) services.

The anticipated contract term for the new contracts with Vista Del Mar and Star View will be for three years, starting on January 1, 2026 through December 31, 2028, with an option to extend the term of the contracts for two additional one-year terms. The Maximum Contract Amount for Vista Del Mar will be \$5,189,400, financed using 21 percent Department of Mental Health (DMH) State funds, nine percent 2011 State Realignment funds, 60 percent net County cost (NCC) and 10 percent Probation Intra-Funds Transfer funds. The Maximum Contract Amount for Star View will be \$6,750,000, financed using 21 percent DMH State funds, nine percent 2011 State Realignment funds and 70 percent NCC.

A CTF is certified by the California Department of Health Care Services and licensed by the California Department of Social Services Community Care Licensing Department. A CTF is the only residential group setting available outside of a psychiatric hospital for seriously emotionally disturbed children/youth. As a facility that has the capacity to provide secure and locked containment, CTF provides one of the safest, most structured

BACKGROUND (include internal/external issues that may exist including any related motions)	On April 23, 2024, DCFS released the CAPIT RFP #23-0009 to solicit ten new contracts. The RFP was posted on the Internal Services Department LA County Solicitations website and the DCFS Contracts website. In addition, the contracting opportunity was advertised in eight local newspapers, covering all areas of Los Angeles County. There were no Solicitation Requirements Reviews received. On May 23, 2024, DCFS held a Proposers' Conference. A total of 56 individuals representing 19 agencies attended the Proposers' Conference held via Webex. Five out of the eight agencies currently providing CAPIT services attended the conference. DCFS received a total of 36 electronic proposals from 20 different agencies by the deadline of July 17, 2024. Seven of the current CAPIT contractors submitted proposals. Responsiveness Reviews were performed on all 36 proposals submitted. Two of the four agencies that submitted proposals for the American Indian/Native Alaskan and Asian Pacific Islander populations were disqualified. Failure of the Proposers to comply with the Minimum Mandatory Requirements eliminated their proposals from any further consideration. The Disqualification Notice and Transmittal to Request for a	

	Disqualification Review was sent to both disqualified proposers on September 6, 2024. DCFS did not receive a Request for a Disqualification Review from either of the disqualified agencies. On October 3, 2024, a CAPIT RFP Evaluator Orientation was held via Microsoft Teams. Subsequently, evaluators were assigned to a SPA to review and rate a range of three to six proposals based on the number of proposals submitted for their assigned SPA. All CAPIT proposals were evaluated in the following areas: Background and Experience, Approach, Quality Assurance, and Cost. Informed Averaging Meetings were held for each team to discuss the basis for scores given to each proposal. Eight agencies were recommended for ten contract awards. On July 3, 2025, tentative selection and non-selection letters were sent to contractors. A total of 11 agencies, that submitted 18 non-selected proposals, requested a debriefing by the deadline. CAD completed all the Debriefing Meetings between the dates of July 24, 2025, and September 12, 2025. The non-selected proposers did not submit a Proposed Contractor Selection Review request.

Delegate authority to the Director of DCFS, or designee, to extend the contracts by amendment or written notice to exercise optional contract terms provided that: a) sufficient funding is available, b) County Counsel approval is obtained, and c) DCFS notifies the Board and Chief Executive Office (CEO), in writing, within 10 business days of executing such amendments.

"To Enrich Lives Through Effective and Caring Service"

3. Delegate authority to the Director of DCFS, or designee, to extend the contracts by amendments or written notice for an additional six months beyond January 31, 2031, if such time is necessary to allow time to complete a solicitation, provided that: a) sufficient funding is available, b) County Counsel approval is obtained, and c) DCFS notifies the Board and CEO, in writing, within 10 business days of executing such amendments.
4. Delegate authority to the Director of DCFS, or designee, to increase or decrease the Maximum Annual Contract amount by up to ten percent when such a change is necessitated by additional and necessary services, provided that: a) sufficient funding is available, b) County Counsel approval is obtained, and c) DCFS notifies the Board and CEO, in writing, within 10 business days of executing such amendments.
5. Delegate authority to the Director of DCFS, or designee, to terminate CAPIT contracts for convenience or contractor default, provided that: a) County Counsel approval is obtained and b) DCFS notifies the Board and CEO, in writing, within 10 business days of such termination contract.
6. Delegate authority to the Director of DCFS, or designee, to negotiate and execute amendments to the CAPIT contracts for any mergers, acquisitions or changes in ownership; for any revisions required by changes in local, state, and federal regulations; or for necessary changes to meet the needs of the CAPIT program, provided that: a) County Counsel approval is obtained and b) DCFS notifies the Board and CEO, in writing, within 10 business days of executing of such amendments.
7. Such increase is to be reallocated among the remaining contracts providing services in the same Service Planning Area (SPA) or a contiguous SPA for current and future extension periods, provided: a) funding is available, b) County Counsel approval is obtained prior to executing the amendments, and (c) DCFS notifies the Board and the CEO, in writing, within 10 business days of executing the amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The CAPIT program is an integrated, comprehensive approach to strengthening families who are at risk of or already experiencing problems in family functioning, with the goal of assuring that children are maintained in a safe and nurturing environment. Services include, but are not limited to, counseling, parenting support, parenting education, referral assistance and case management services.

The purpose of the recommended action is to prevent and treat child abuse and neglect. The CAPIT program will provide a range of child abuse and neglect prevention,

intervention and treatment services to at risk families. This array of services is designed to strengthen family resilience and nurture the development of healthy behaviors, while assisting families in the development of their own Protective Factors: Parental resilience, Social Connections, Knowledge of parenting and child development, Concrete support in times of need, and Social and Emotional Competence of Children.

In addition, the recommended action will prevent a lapse in these services, as the current contracts will be terminated on January 31, 2026.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended actions are consistent with the principles of the Countywide Strategic Plan North Stars: 1) Make Investments That Transform Lives; 2) Foster Vibrant and Resilient Communities; and 3) Realize Tomorrow's Government Today. Improving the well-being of children and families requires coordination, collaboration and integration of services across functional and jurisdictional boundaries by and between County departments, agencies and community and contracting partners.

FISCAL IMPACT/FINANCING

The Maximum Annual Contract amount is \$3,102,000, financed by 100 percent State funds. In addition, the contractors provide an in-kind match in an amount equal to, or more than, ten percent of the Maximum Annual Contract amount as required by Welfare and Institutions Code Section 18961(5).

Funding for the CAPIT contracts is included in the DCFS FY 2025-26 Recommended Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The current CAPIT contracts were awarded effective July 1, 2020 through June 30, 2023, with two optional one-year extension periods through June 30, 2025, as adopted by the Board of Supervisors on June 16, 2020. On June 10, 2025, the Board of Supervisors approved the CAPIT contracts to be extended beyond the original contract term on an automatic month-to-month basis, effective July 1, 2025 through June 30, 2026, to complete the RFP solicitation process. This Board letter requests your approval of the recommended contracts resulting from the completed RFP solicitation.

On July 21, 2023, the California Department of Social Services granted DCFS authority to procure CAPIT services for a five-year contract term. One CAPIT contractor will provide services in each of the eight SPAs and two CAPIT contractors will provide services countywide for the Native Hawaiian/Asian Pacific Islander (NH/API) and American Indian/Alaskan Native (AI/AN) populations, as listed in Attachment B.

County Counsel and the CEO have reviewed this Board letter. County Counsel has approved the Contract (Attachment A) as to form.

CONTRACTING PROCESS

On April 23, 2024, DCFS released the CAPIT RFP #23-0009 to solicit ten new contracts. The RFP was posted on the Internal Services Department Los Angeles County Solicitations website and the DCFS Contracts website. In addition, the contracting opportunity was advertised in eight local newspapers, covering all areas of Los Angeles County. There were no Solicitation Requirements Reviews received.

On May 23, 2024, DCFS held a Proposers' Conference. A total of 56 individuals representing 19 agencies attended the Proposers' Conference held via Webex. Five out of the eight agencies currently providing CAPIT services attended the conference. DCFS received a total of 36 electronic proposals from 20 different agencies by the deadline of July 17, 2024. Seven of the current CAPIT contractors submitted proposals.

Responsiveness Reviews were performed on all 36 proposals submitted. Two of the four agencies that submitted proposals for the American Indian/Native Alaskan and Asian Pacific Islander populations were disqualified. Failure of the Proposers to comply with the Minimum Mandatory Requirements eliminated their proposals from any further consideration. The Disqualification Notice and Transmittal to Request for a Disqualification Review was sent to both disqualified proposers on September 6, 2024. DCFS did not receive a Request for a Disqualification Review from either of the disqualified agencies.

On October 3, 2024, a CAPIT RFP Evaluator Orientation was held via Microsoft Teams. Subsequently, evaluators were assigned to a SPA to review and rate a range of three to six proposals based on the number of proposals submitted for their assigned SPA. All CAPIT proposals were evaluated in the following areas: Background and Experience, Approach, Quality Assurance, and Cost. Informed Averaging Meetings were held for each team to discuss the basis for scores given to each proposal.

Eight agencies were recommended for ten contract awards. On July 3, 2025, tentative selection and non-selection letters were sent to contractors. A total of 11 agencies, that submitted 18 non-selected proposals, requested a debriefing by the deadline. CAD completed all the Debriefing Meetings between the dates of July 24, 2025, and September 12, 2025. The non-selected proposers did not submit a Proposed Contractor Selection Review request.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the new contracts for CAPIT will allow the County to continue to help facilitate services to the target population of children and families residing in the County of

Los Angeles and will help maintain the array of services designed to strengthen family resilience, nurture the development of healthy behaviors, and improve child safety in the homes.

These contracts will not infringe on the role of the County in relationship to its residents and there is no change in risk exposure to the County.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Officer/Clerk of the Board send an adopted stamped copy of the Board letter and attachments to the Department of Children and Family Services.

Notwithstanding any other provision of this Contract, Contractor must return to County any and all payments which exceeds the Maximum Annual Contract Sum for the corresponding Contract year. Furthermore, Contractor must return said payments within thirty (30) days of receiving notification of overpayment from the County or immediately upon discovering such overpayment, whichever date is earlier.

- 5.5.17** Contractor, without prior approval of County, may reallocate up to a maximum of 10 percent (10%) of the Maximum Annual Contract Sum between categories (i.e. personnel, employee benefits, supplies and expenses, equipment, travel, and indirect costs) of Contractor's approved budget. - 5.7.3 Any provision of law, grant, or funding contract requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.7.4 At any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. 8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after

debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. 8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>,

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

8.15.1 The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Counterparts and Electronic Signatures and Representations

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure

arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

- 8.22.3** The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.
- 8.22.4** The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.24 General Provisions for all Insurance Coverage

- 8.24.1** Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- 8.24.2.1** Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Contract.

- 8.24.2.2** Renewal Certificates must be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.
- 8.24.2.3** Certificates must identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). - 8.24.2.4** Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- 8.24.2.5** Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Department of Children and Family Services
Contracts Administration Division, Section 2
Attention: Tajia Joseph, Contract Analyst
ContractorInsurance@dcfs.lacounty.gov

- 8.24.2.6** Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract and could

result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status must apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 Contractor's Insurance Must Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, must be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor must include all subcontractors as insureds under Contractor's own policies or must provide County with each subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein and must require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor must obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date will precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.12 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 Separation of Insureds

All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

The Contractor must add the County as an additional insured to its cyber liability insurance policy and provide to the County certificates of insurance evidencing the foregoing upon the County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, will

not be construed as a limitation upon the Contractor's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

Coverage limits may be decreased only with the written approval of the DCFS Program Manager based upon the maximum number of sensitive records (e.g. Social Security Number, Date of Birth, Name, Credit Card Information, etc.) collected, maintained or transmitted, per client, by each Contract during each Contract year.

8.25.4.7 Intentionally Omitted

8.26 Liquidated Damages

8.26.1 If, in the judgment of the Director, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or their designee, in a written notice describing the reasons for said action.

8.26.2 If the DCFS Director, or their designee, determines that there are deficiencies in the performance of this Contract that the DCFS Director, or their designee, deems are correctable by the Contractor over a certain time span, the DCFS Director, or their designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the DCFS Director, or their designee, may deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages will be agreed upon at such time and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be

deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 Contractor certifies to the County each of the following:

8.28.2.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.

8.28.3 The Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to:

8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.28.6 The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.

8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the Contractor. This Contract will not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor must bring to the attention of the County's Program Manager and/or County's Program Director any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Program Manager or County's Program Director is not able to resolve the dispute, the DCFS Director, or their designee will resolve it.

Addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The DCFS Director, or their designee will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary”. The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.36.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.37 Publicity

- 8.37.1** The Contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. 8.37.1.1 The Contractor must develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County’s Program Director. - 8.38.1** The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating

to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside of Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. CHILD ABUSE PREVENTION, INTERVENTION AND TREATMENT - CAPIT**SECTION A - PREAMBLE**

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals and Performance Outcomes.

The County of Los Angeles' Vision is to enrich lives through effective and caring service, and empower people through knowledge and information. This philosophy of teamwork and collaboration is anchored in the County's shared values of 1) Integrity; 2) Inclusivity; 3) Compassion; and 4) Customer Orientation.

These shared values are encompassed in the County's Strategic Plan's Goals of: I) Prevention and II) Child Safety and Family Well-Being. Improving the well-being of children and families requires coordination, collaboration and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting partners.

SECTION B – PROJECT FOUNDATION**1.0 PURPOSE**

Child Abuse Prevention, Intervention and Treatment (CAPIT) Program Services are mandated by California State Assembly Bill 1733 aimed at preventing and treating child abuse and neglect. The CAPIT program will provide a range of child abuse and neglect prevention, intervention and treatment services to at risk families. Services must consist of:

- 1) Intake and Assessment;
- 2) Individual, Family and Group Counseling;
- 3) Case Management (including linkage or referral for aftercare services); and
- 4) Parenting Education Services.

This array of services is designed to strengthen family resilience and nurture the development of healthy behaviors, while assisting families in the development of their own Protective Factors:

The Protective Factors are the foundation of the Strengthening Families approach. Extensive research supports the common-sense notion that when these Protective Factors are present and robust in a family, the likelihood of child abuse and neglect diminishes. Please see Strengthening Families Protective Factors Framework (Technical Exhibit 1) at the Center for the Study of Social Policy's Strengthening Families™ Approach (<https://www.cssp.org/>).

- 5) Parental resilience: Parents who are emotionally healthy are able to maintain a positive attitude, creatively solve problems and effectively rise to the challenges that emerge in every family's life.
- 6) Social connections: Everyone benefits from a strong network of extended family, friends, neighbors and others who provide healthy relationships, support and problem solving.
- 7) Knowledge of parenting and child development: Parents who understand the usual course of child development are more likely to be able to nurture their children's healthy development and less likely to be abusive or harmful to their children.
- 8) Concrete support in times of need: Families need to have basic needs (shelter, food, clothing, health care) met to ensure a child's healthy development.
- 9) Social and Emotional Competence of Children: A child's emerging ability to interact positively with others, self-regulate their behavior and effectively communicate their feelings has a positive impact on their relationships with their family, other adults and peers.

In DCFS Los Angeles County, an additional Protective Factor includes:

Nurturing and Attachment: How the caregiver bonds with, shows love to, and supports their child.

- 1) The Protective Factors should support and increase safety. Safety can be defined as acts of protection demonstrated over time that mitigate danger/harm. The safety should be able to be demonstrated by observable behavioral changes. The changes should be noted in the progress notes and case plans.
- 2) The protective capacities must be able to be deliberately and immediately mobilized. They must be identified "Acts of Protection" that are specific, concrete actions that can be monitored/supported to insure safety threats and worries are mitigated.
- 3) Protective capacities must be ACTIONS taken, which are immediate, specific and verifiable in order to mitigate specific safety threats and worries.

SECTION C – SERVICE DESCRIPTION

2.0 SCOPE OF WORK

The goal of CAPIT services is to prevent child maltreatment before it occurs, mitigate risk factors associated with child abuse and neglect, provide intervention and treatment services to address the negative consequences and trauma of maltreatment, prevent re-maltreatment and re-entry into the public child welfare system and increase child safety in the home. CAPIT funding is intended to assist community-based agencies in augmenting service deliverables in the Strengthening Families' approach in the areas of Parental Resilience, Children's Social and Emotional Development and Knowledge of Parenting and Child Development. The success of CAPIT services can be determined by initial and subsequent family involvement with DCFS during and after service provision; as well as the level of said involvement with DCFS. These successes can be confirmed

by data comparison via the Child Welfare Services Case Management System (CWS/CMS).

One (1) CAPIT funded Contractor will be identified for each of the eight (8) Service Planning Areas (SPAs). Two (2) countywide funded agencies will provide services for the Native Hawaiian/Asian Pacific Islander (NH/API) and American Indian/Alaskan Native (AI/AN) populations. Contractor must ensure that all clients residing within their contracted area have adequate access to CAPIT services. CAPIT services must be geographically accessible to clients. There may be areas within a SPA with a high demand for services. Contractor AND County may work collaboratively to identify and assess factors that may contribute to a high need for services in a particular area. County reserves the right to determine high demand areas requiring increased CAPIT services.

2.1.1 The Contractor must demonstrate the existence of a ten (10) percent in-kind match that will support the goals of child abuse and neglect prevention, and intervention.

1.0 TARGET POPULATION

In general, the target population for CAPIT Services is the children and families who are in need of services to prevent future child maltreatment and/or DCFS involvement including underserved cultural communities (i.e. women, LGBTQIA2S+ (Lesbian, Gay, Bisexual, Transgender, Queer/Questioning, Intersex, Asexual, Two-Spirit,+), People of Color: African American, LatinX, Asian Pacific Islander, Native American, etc.).

CAPIT services target children and families residing in the County of Los Angeles in the following priority:

- 1) Families with open Department of Children and Family Services (DCFS) cases;
- 2) Families who are unable to receive Department of Mental Health services;
- 3) Families referred by community stakeholders such as schools, hospitals and law enforcement agencies, who are in need of services to prevent future child maltreatment; and
- 4) General population residing in Los Angeles County (including self-referred).

All contracted services need to culturally and linguistically match the target population receiving services including children and families that require services for the deaf and hard of hearing as indicated in Technical Exhibit 2, Deaf and Hard of Hearing Request for Services Form and Technical Exhibit 3, Expense Claim for Services Rendered to Serve the Deaf and Hard of Hearing. Additionally, there is a designated countywide CAPIT contract to meet the language and cultural needs of the Native Hawaiian/Asian Pacific Islander (NH/API) clients and a designated CAPIT contract to meet the cultural needs of the American Indian/Alaska Native (AI/AN) families.

1.0 SERVICES

Protective Factors Framework

Protective factors are characteristics or strengths of individuals, families, communities or societies that act to mitigate risks and promote positive well-being and healthy development. Most often, they are seen as attributes that help families successfully navigate difficult situations. A protective factors framework is an organized set of strengths-based ideas used to guide programs, services, supports and interventions aimed at preventing child maltreatment and promoting healthy outcomes. The Strengthening Families Protective Factors Framework from the Center for the Study of Social Policy (www.strengtheningfamilies.net) distills extensive research in child and family development into a core set of protective factors that everyone can understand and recognize in their own lives. Los Angeles County has adopted a definition of Safety and the use of Six Protective Factors as a framework for practice. For more information pertaining to the Six Protective Factors Framework visit https://www.childwelfare.gov/pubPDFs/guide_2021.pdf

Safety = Acts of Protection Demonstrated Over Time that Mitigate Danger/ Harm

SIX PROTECTIVE FACTORS

Nurturing and Attachment

Assess how the parent/partner shows affection, attunement, love and support for the child. Can you see instances of shared happiness? How do caregivers understand and empathize with child's experience? Closely observe interactions between all adults and the children in the home.

Social Connections

Identify family/friends and community/spiritual supports. Who knows about the safety worries? How can they help? Assess parent's readiness to accept help from others. Utilize a Child and Family Team as a Safety Network.

Parental Resilience

Assess the family's strength's and stressors with focus on how parent copes with challenges. Assess how unresolved trauma, mental health concerns, partner violence and/or substance use impacts the parent's ability to safely care for their child.

Knowledge of Child Development

Assess what a parent knows about what their child's need to learn and grow. Are expectations appropriate for their age/capacity? What is the parent's understanding of how their behaviors may be impacting their child?

Concrete Supports in Times of Need

Assess a parent's ability to tap into their community resources and access services/supports to meet the family's basic needs (finances, food, job, etc.). Any worries about family separations impacting housing stability?

Social and Emotional Competence of Children

Assess the strengths and vulnerabilities of children regarding communication, eating, sleeping, making friends, and school functioning. Pay special attention to those under age 5/special needs/drug exposed/SOGIE. Obtain other perspectives (relatives, teachers, collaterals, etc.).

INTEGRATED CORE PRACTICE MODEL

CASEWORK COMPONENTS – WHAT WE DO

The model has six key practice components. The practice components are the basic activities of collaborative work with children, youth, and families involved with child welfare. They are:

- **PREVENTION** – Child welfare prevention efforts focus on reducing risk factors and strengthening or increasing protective factors in families through a variety of programs and initiatives including differential response and home visiting.
- **ENGAGEMENT** – Family engagement is a family-centered and strengths-based approach to partnering with families in making decisions, setting goals, and achieving desired outcomes. It is founded on the principle of respect—communicating openly and honestly with families in a way that supports disclosure of preferences, family dynamics and culture, and individual experiences, so that the individual needs of every family and child can be met.
- **ASSESSMENT** – Assessment is a continuous process of discovery with families that leads to better understanding of the events and behaviors that brought the children and families into services, helps families identify the underlying needs that affect the safety, permanency, and well-being of the family, children, and youth.
- **PLANNING AND SERVICE DELIVERY** – Service planning involves working with the family and their team to create and tailor plans to build on the strengths and protective capacities of the youth and family members, in order to meet the individual needs for each child and family.
- **MONITORING AND ADAPTING** – Monitoring and adapting are part of the practice of continually monitoring and evaluating the effectiveness of the plan while assessing current circumstances and resources. It is the part of the planning cycle where the plan is reworked as needed.
- **TRANSITION** – Transition is the process of moving from formal supports and services to informal supports, when intervention by the formal systems is no longer needed.

The programs and practices that have informed the development of the Casework Components and Practice Elements have had extensive community and tribal participation in their development and/or implementation at local and statewide levels.

- The elements that are included in the Practice Model are reflective of the elements that have been developed and supported by both state and local partners.
- Key programs include: Katie A., California Partners for Permanency, Safety Organized Practice, Family to Family, among others.
- County, community, and tribal members have participated in the development or implementation of these practices, or both.

Dear Supervisors:

SOUL SOURCE REQUEST TO EXTEND THE CURRENT PREVENTION AND AFTERCARE CONTRACTS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

The Department of Children and Family Services (DCFS) requests the Board's approval to extend 10 current Prevention and Aftercare (P&A) service contracts beyond the original term effective January 1, 2026, through June 30, 2027. The additional 18-month period will allow DCFS the time necessary to release and complete a Request for Proposals (RFP).

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS, or designee, to execute amendments substantially similar to Attachment A, to extend the term of the current contracts for an additional 18-month period effective January 1, 2026, through June 30, 2027, with an optional automatic month-to-month six-month term through December 31, 2027, and to replace Measure H funds with Measure A funds in order to continue providing services for those at risk of homelessness. The funding amount for the 18-month extension is \$18,198,027.00, financed using 16 percent Federal funds, 41 percent State funds, and 43 percent net County cost. Funding for the extension is included in the Department's Fiscal Year (FY) 2025-2026 Adopted Budget and will be included in subsequent budget requests.
2. Delegate authority to the Director of DCFS, or designee, to extend the contracts by amendment or written notice to exercise the optional six-month contract term provided

"To Enrich Lives Through Effective and Caring Service"

that: a) sufficient funding is available, b) County Counsel approval is obtained, and c) DCFS notifies the Board and Chief Executive Office (CEO), in writing, within 10 business days after the execution of such amendments.

3. Delegate authority to the Director of DCFS, or designee, to negotiate and execute amendments to the P&A contracts to add funds up to 50 percent of the Maximum Annual Contract amount, in the event that: additional distribution of funds is needed to bridge the Supplemental Nutrition Assistance Program benefits, also known as CalFresh, provided that: (a) funding is available; (b) County Counsel approval is obtained prior to execution of such amendments; and (c) DCFS notifies the Board and the CEO, in writing, within 10 business days after execution.
4. Delegate authority to the Director of DCFS, or designee, to terminate P&A contracts for convenience or contractor default, provided that: a) County Counsel approval is obtained and b) DCFS notifies the Board and CEO, in writing, within 10 business days after the termination of the contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current P&A contracts will expire on December 31, 2025, if not extended. This Board letter requests approval to extend the term for an additional 18-month period and an optional automatic month-to-month six-month period, effective January 1, 2026, through December 31, 2027. This extension will allow DCFS to release a RFP on or about January 2026 and conduct the solicitation process.

On June 4, 2025, the California Department of Social Services approved DCFS' request to extend the current P&A contracts for an additional 18-month period from January 1, 2026, through June 30, 2027, please see Attachment C. The extension will allow DCFS enough time to release the solicitation, conduct the Proposers' Conference, receive the proposals, conduct responsiveness reviews, recruit and train evaluators, conduct informed averaging meetings, hold debriefing meetings, provide an opportunity for the non-selected proposers to submit their protests (which includes a Proposed Contractor Selection Review and a County Independent Review), and ultimately, recommend tentative selected proposers to the Board for final approval to award new contracts effective July 1, 2027.

P&A is designed to prevent child abuse and neglect by engaging a greater number of families in supports available in their communities without having to bring these families into the child welfare system. P&A builds on three key themes: decreasing social isolation, enhancing economic well-being and self-sufficiency, and increasing access to existing supports and activities.

Implementation of Los Angeles County's Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan, North Star 1: Make Investments That Transform Lives; Focus Area Goal D: Support Vulnerable Populations; Strategy I – Prevention: Provide child welfare prevention supports (a continuum of primary, secondary, and tertiary) and youth development related programming and services, for at-risk, justice-involved, and transitional aged children, youth, families, and communities at all stages of the sequential intercept model and child welfare continuum of care model; Strategy II – Child Safety and Family Well-Being: Invest in efforts and supports that promote child safety, protection, and family well-being using the child welfare continuum of care model, while building out the County's Systems of Care.

FISCAL IMPACT/FINANCING

The contract amount for the 18-month extension is \$18,198,027.00, financed using 16 percent Federal funds, 41 percent State funds, and 43 percent net County cost. Funding for the extension is included in the Department's FY 2025-2026 Adopted Budget and will be included in subsequent budget requests. Funding is contingent upon availability, please refer to Attachment B for detailed contract funding allocations.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 16, 2021 and March 16, 2021, on behalf of the Board of Supervisors, the CEO approved the 10 current P&A contracts, with an effective start date of March 1, 2021 and April 1, 2021, through June 30, 2022. The contracts were approved with the option to extend for three additional one-year periods and one six-month period, from July 1, 2022, through December 31, 2025. These contracts were procured through an RFP solicitation process and are currently utilizing their last six-month extension, set to expire on December 31, 2025.

On November 6, 2024, the Board of Supervisors authorized the Director of DCFS to use delegated authority to increase the Maximum Annual Contract amount for P&A contracts up to 50 percent in the event that additional funding is provided by Family First Prevention Services (FFPS) Program State Block Grant (SBG). This extension includes a funding increase of less than 10 percent of the Maximum Annual Contract amount to the P&A contract in Service Planning Area 2. The funding increase uses FFPS Program SBG funds, to continue providing Enhanced Family Navigation services for both DCFS and community referrals. The increase is effective January 1, 2026, through June 30, 2026.

On April 15, 2025, the Board of Supervisors approved a Board Motion to use Measure A funding to continue the P&A Emergency Basic Support Services to assist families experiencing housing instability. Measure A funding will replace the Measure H funds previously added to all P&A contracts and will be used to increase the Maximum Annual

Contract amount under 10 percent effective January 1, 2026, through June 30, 2026. Funding details are included in Attachment B.

In compliance with Board Policy 5.100, *Sole Source Contracts and Amendments*, DCFS notified the Board on November 14, 2025, of its intent to execute sole source amendments to extend the 10 current P&A contracts beyond the original term. Attachment D, Sole Source Checklist, has been approved by the CEO.

County Counsel and the CEO have reviewed this Board letter. County Counsel has approved the amendments (Attachment A) as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The approval of the recommended actions will allow the County to continue to provide P&A services without lapse or disruption during the time required to complete the solicitation process.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Officer/Clerk of the Board send an adopted stamped copy of the Board letter and attachments to DCFS.

Respectfully submitted,

SUBJECT: CDSS APPROVAL TO EXTEND PREVENTION AND AFTERCARE SERVICES CONTRACTS FOR 18 MONTHS AND APPROVE A FIVE-YEAR TERM FOR THE SUBSEQUENT, REPLACEMENT CONTRACTS

Dear Leticia Torres-Ibarra:

In its May 15, 2025, letter to the California Department of Social Services (CDSS) (Letter), the Los Angeles County Department of Children and Family Services (DCFS) requests the following: 1) to extend its existing Prevention and Aftercare Services (P&A) contracts for 18 months from January 1, 2026, through June 30, 2027, and 2) to use five-year terms for the subsequent, replacement P&A contracts beginning on July 1, 2027. CDSS approves.

P&A relates to the Promoting Safe and Stable Families federal program, also referred to as Family Support. P&A aims to prevent child abuse and neglect by increasing the number of families gaining necessary community support outside of the child welfare system. P&A strives to mitigate social isolation, augment economic well-being and self-sufficiency, and broaden access to existing supportive networks and activities.

P&A contracts generally cover eight service planning areas and serve Asian Pacific Islander, American Indian, and Native Alaskan communities within Los Angeles County. The current contracts are the result of a competitive, Request for Proposal (RFP) solicitation, and DCFS likewise intends to use a competitive RFP solicitation for the subsequent, replacement P&A contracts commencing on July 1, 2027.

Extending Current Contracts for 18 Months

In accordance with Management and Office Procedures Purchase of Service (MPP) section 23-650.1.18, contracts may be negotiated, in this instance, the negotiation leading to an extension of the term, under unique circumstances as approved by CDSS. CDSS finds the facts here meet the unique circumstances criteria.

Given the (a) distinct services and particular communities targeted by the P&A contracts and the (b) unusual, current funding circumstances set forth in DCFS Letter, contract extension should give DCFS the time it needs to adequately accomplish a competitive solicitation. This should lead to more optimal funding and services for the Asian Pacific Islander, American Indian, and Native Alaskan communities in Los Angeles County. CDSS also finds that granting the extension would reduce the risk of a rare disruption of services that would likely transpire on January 1, 2026, if the contract extension were not to happen.

Five-Year Term for Subsequent, Replacement P&A Contracts.

Under MPP section 23-621.11, contracts which are procured by RFP generally have three-year terms. However, in accordance with MPP section 23-621.15.151, CDSS may approve longer terms. For example, CDSS may approve the request in DCFS Letter for a one-year term with four one-year extension periods at the County's option, if, as is the case here, the request is made before the RFP, is in writing, explains the benefits, and details the level of competition.

Based on the DCFS Letter, CDSS finds the subsequent, replacement P&A contracts would benefit from a five-year contract. A five-year contract term with consistent, uninterrupted services should allow DCFS to more accurately evaluate P&A services over a longer time horizon to the benefit of the Asian Pacific Islander, American Indian, and Native Alaskan communities in Los Angeles. In addition, a longer term will allow for cost savings as ramping up and down costs will be less frequent, and the costs associated with a competitive solicitation will likely occur only once in five years as opposed to once every three years. Finally, while the contract term is being extended, the competitive means of procurement, an RFP solicitation, remains constant.

Accordingly, CDSS grants the request for extending the term of the current P&A contract and establishing a five-year term for the subsequent, replacement P&A contracts.

	➤ Maintenance and support services are needed for an existing solution/system during the time to complete a solicitation for a new replacement solution/system; provided the services are needed for no more than 24 months from the expiration of an existing maintenance and support contract which has no available option periods.
	➤ Maintenance service agreements exist on equipment which must be serviced by the original equipment manufacturer or an authorized service representative.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best economic interest of the County (e.g., significant costs and time to replace an existing system or infrastructure, administrative cost and time savings and excessive learning curve for a new service provider, etc.). In such cases, departments must demonstrate due diligence in qualifying the cost-savings or cost-avoidance associated with the best economic interest of the County.

Prevention & Aftercare

Term: January 1, 2026 through June 30, 2027

1. What is being requested?

The Department of Children and Family Services (DCFS) requests the Board's approval to extend the term of the current Prevention & Aftercare (P&A) contracts beyond the original term effective January 1, 2026 through June 30, 2027, in order to complete the upcoming Request for Proposals (RFP) expected to be released in January 2026.

Total Cost: The total cost for the 18-month extension is \$18,198,027, funded utilizing 16 percent Federal funds, 41 percent State funds, and 43 percent County funds.

2. Why is the product needed – how will it be used?

To provide services during the processing of the upcoming solicitation. The extension of the current contracts is needed to avoid a lapse in services during the processing of the upcoming solicitation, which requires DCFS to release the RFP, conduct the Proposers' Conference, receive the proposals, conduct responsiveness reviews, recruit and train evaluators, conduct informed averaging meetings, hold debriefing meetings, provide an opportunity for the non-selected proposers to submit their protests (which includes a Proposed Contractor Selection Review and a County Independent Review), and ultimately, recommend tentative selected proposers to the Board of Supervisors for final approval.

3. Is this brand of product the only one that meets the user's requirements?

No, these contractors are not the only ones that are able to provide the services. As such, DCFS will be releasing a solicitation in order to procure new contractors. The current P&A contracts were procured in 2021 through a competitive RFP process, which resulted in the awarding of 10 contracts to provide P&A services throughout Los Angeles County. The initial term of the P&A contracts started March 1, 2021 and April 1, 2021 through June 30, 2022, with three optional one-year periods from July 1, 2022 through June 30, 2025, and an optional six-month period through December 31, 2025. DCFS will release an RFP in January 2025, in order to procure new contracts effective July 1, 2027.

4. Have other products or vendor been considered?

The current P&A contracts were procured in 2021 through a competitive RFP process. DCFS needs the 18-month extension to complete an RFP for new contracts.

5. Will purchase of this product avoid other costs?

N/A

6. Is this product proprietary or available from other dealers?

Please see response to Question #3

7. Reasonableness of price. Does County obtain a percentage discount or special discount not available to the private sector.

N/A

8. What is the dollar value of the existing equipment?

N/A

**NOTIFICATION OF INTENT TO EXTEND BEYOND THE ORIGINAL CONTRACT
TERM FOR TEN PREVENTION AND AFTERCARE SERVICES CONTRACTS**

This is to notify the Board that the Department of Children and Family Services (DCFS) intends to request the Board's approval to extend 10 current Prevention and Aftercare (P&A) services contracts beyond the original term effective January 1, 2026, through June 30, 2027, with an optional automatic month-to-month six-month term through December 31, 2027. This notice is issued in compliance with Board Policy 5.100, Sole Source Contracts and Amendments, which require departments to provide advanced written notice and justification to the Board of Supervisors when extending the term of the current contracts beyond the original term pending solicitation of services.

The current P&A contracts will expire on December 31, 2025. The additional 18-month period effective January 1, 2026, through June 30, 2027, will allow DCFS the time necessary to release a Request for Proposals solicitation and recommend new contracts without a lapse or disruption in service. On June 4, 2025, the California Department of Social Services approved DCFS' request to extend the current P&A contracts for an additional 18-month period.

The contract amount for the 18-month extension is \$18,198,027.00, financed using 16 percent Federal funds, 41 percent State funds, and 43 percent net County cost. Funding for the extension is included in the Department's Fiscal Year (FY) 2025-2026 Adopted Budget and will be included in subsequent budget requests. Funding is contingent upon availability. Please refer to Attachment A for detailed contract funding allocations.

P&A is designed to prevent child abuse and neglect by engaging a greater number of families with supports available in their communities without having to bring these families into the child welfare system. P&A builds on three key themes: decreasing social isolation, enhancing economic well-being and self-sufficiency, and increasing access to existing supports and activities.
