CASE NUMBER	19STCV39236
COURT	Los Angeles Superior Court
DATE FILED	October 30, 2019
COUNTY DEPARTMENT	Department of Public Works
PROPOSED SETTLEMENT AMOUNT	\$ 750,000
ATTORNEY FOR PLAINTIFF	CHRISTOPHER B. DOLAN, ESQ. The Dolan Law Firm
COUNTY COUNSEL ATTORNEY	RICHARD K. KUDO Principal Deputy County Counsel
NATURE OF CASE	<p>On March 29, 2018, Jesus Camacho ("Decedent") was driving to work in his Toyota sedan eastbound on East Avenue J just east of 100th Street East, in an unincorporated area of the County near the City of Lancaster. The speed limit there is 55 mph. Decedent lost control of his car when his passenger-side tires drove off the roadway pavement into the dirt shoulder. When Decedent attempted to maneuver his car back onto the roadway pavement, he lost control of his car, it crossed over the center line, and his car collided head-on with a Freightliner tractor-trailer driven by third-party, Jimmie Lee Click. Decedent died later that day at Antelope Valley Medical Center. His mother, Magnelia Camacho ("Plaintiff") filed suit against the County and alleges a dangerous condition of public property caused her son's death. The County disputes the allegation. Plaintiff claims to have suffered damages as a result of Decedent's death.</p> <p>Due to the risks and uncertainties of litigation, a full and final settlement of the case is warranted.</p>

Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	March 29, 2018
Briefly provide a description of the incident/event:	<p>On March 29, 2018, Decedent was traveling eastbound on East Avenue J in the unincorporated Antelope Valley area, when the passenger side tires veered right from the asphalt onto the dirt shoulder while Decedent was on his cellphone and traveling at a speed between 68 and 70 mph in a stretch of the road with a posted speed limit of 55 mph. The decedent attempted to maneuver his vehicle back onto the roadway, crossed over the center line, and collided with a Freightliner tractor trailer.</p> <p>The Traffic Collision Report found the Decedent to be the cause of the collision in violation of CVC 22107 (unsafe turning movement).</p>

1. Briefly describe the root cause(s) of the claim/lawsuit:

The collision occurred due to the Decedent's negligence in the operation of his vehicle by making an unsafe turning movement in front of oncoming traffic.

It is alleged that the collision occurred due to the deteriorated condition of the roadway and an approximate 3-inch drop off on the outer edge of the roadway between the asphalt and dirt shoulder constituting a trap.

2. Briefly describe recommended corrective actions:

(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Continued adherence to existing departmental guidelines, policies, standards, and operating procedures such as inspection of unpaved shoulders during regular inspections of roadways; treat shoulders as soon as reasonable when maintenance is required or implement temporary protective measures; perform unpaved shoulder maintenance when needed to restore functionality that has been significantly diminished by erosion, debris accumulation.

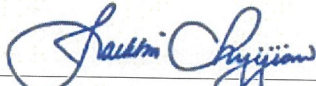

On August 28, 2017, removal of vegetation was performed at the incident location followed by shoulder grading on September 26, 2017. Avenue J, including the incident location, was inspected by the Road Superintendent on March 21, 2018, prior to the incident, and no issues with the roadway or the unpaved shoulder were identified.

3. Are the corrective actions addressing department-wide system issues?

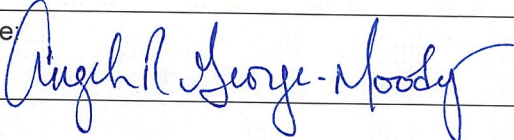

Yes - The corrective actions address department-wide system issues.

County of Los Angeles
Summary Corrective Action Plan

Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	January 19, 2020
Briefly provide a description of the incident/event:	On January 19, 2020, at 5:55 p.m., Plaintiff was riding his motorcycle westbound on Soledad Canyon Road when he was struck by a vehicle turning left from eastbound Soledad Canyon Road onto northbound SR-14 freeway on-ramp. The Plaintiff allegedly suffered traumatic brain injury and other injuries from the accident. The Plaintiff claimed the painted traffic markers on Soledad Canyon Road were faded and did not clearly extend to the intersection and as a result, vehicles making left-turn onto SR-14 on-ramp typically crossed into opposing traffic prior to the intersection.

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

Root Cause A – Unsafe Driving

The driver turning left did not adhere to safe driving standards. According to the Traffic Collision Report, the driver turning left failed to yield the right-of-way to the approaching vehicle (motorcycle) driven by the Plaintiff in accordance with California Vehicle Code section 21081 (a).

Root Cause B - Double Yellow Center Line

It was alleged the driver turning left cut through the center line early because the painted double yellow center line had faded. This may have been a contributing factor in the driver mishandling the turn as alleged.

Root Cause C - Traffic Asset Inventory

There was a lack of records in relations to 2018 Caltrans and LA County Maintenance Agreement for Public Works to maintain Soledad Canyon Road from SR-14 SB Ramps to NB Ramps which was where the double yellow center line in question is located at. The traffic assets, including the double yellow center line, were not inputted into the county inventory for routine inspection and maintenance.

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Root Cause A – Unsafe Driving

The traffic collision report stated that other driver was at fault. We cannot offer corrective action for drivers not adhering to safe driving standards.

Root Cause B - Double Yellow Center Line

The double yellow center line was re-painted on September 21, 2020. It was added to the maintenance runbook and has a routine maintenance schedule of 5 years for thermal plastic striping and 30 months for traffic paint striping.

Root Cause C - Traffic Asset Inventory

Operational Services Division completed the inventories of all traffic assets including all traffic signs and lane striping within the 2018 Caltrans and LA County Maintenance Agreement are inputted in county inventory (Maintenance Management System) and Routine Maintenance Runbook for inspection and maintenance.

3. Are the corrective actions addressing department-wide system issues?

- Yes - The corrective actions address department-wide system issues.
- No - The corrective actions are only applicable to the affected parties.

Date of incident/event:	January 17, 2023
Briefly provide a description of the incident/event:	<p style="text-align: center;">Summary Corrective Action Plan 2024-219</p> <p>Details provided in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident.</p> <p>Based on multiple investigative reports, on January 16, 2023, East Los Angeles Station Dispatch received a 9-1-1 call from the Plaintiff's sister who stated the Plaintiff and their mother were involved in an argument due to their mother would not give him her vehicle keys. The Plaintiff's sister also advised that the Plaintiff stole their mother's vehicle.</p> <p>Los Angeles County Deputies responded to the location and authored a criminal report regarding the stolen vehicle.</p> <p>On January 17, 2023, East Los Angeles Sheriff Station received a call from the Plaintiff's mother who stated her son who stolen her vehicle the night before had returned to the location.</p> <p>Deputies Three and Four contacted Plaintiff's mother who stated that the Plaintiff returned her vehicle and he was somewhere within the apartment complex. Upon locating the Plaintiff, the Plaintiff fled, ran through a parking garage and barricaded himself inside of the apartment complex office closet.</p> <p>Deputies gave verbal commands for the Plaintiff to exit the closet, but the Plaintiff refused to comply. While inside of the closet, the Plaintiff began to speak incoherently and threatened to use a broom he located inside of the closet to fight with the deputies. Sergeant One requested a Mental Evaluation Team (MET) to respond to the location for a psychological evaluation.</p>

	<p>MET arrived and attempted to build a report with the Plaintiff. MET spoke with the Plaintiff for approximately thirty minutes, to de-escalate the situation and convince the Plaintiff to exit the closet safely.</p> <p>After several failed attempts to gain compliance from the Plaintiff, Sergeant One ordered deputies to use force to remove the Plaintiff from the closet. Once the Plaintiff was removed from the closet, the deputies utilized two sets of handcuffs to handcuff the Plaintiff.</p> <p>The Plaintiff was searched and placed in a seated position. Deputy personnel requested LACoFD personnel to respond and provide medical treatment to the Plaintiff.</p> <p>The Plaintiff was transported via ambulance to the hospital for additional medical treatment.</p> <p>The incident was investigated by the East Los Angeles Detective Bureau. The results of the investigation were submitted to the Los Angeles County District Attorney's Office.</p> <p>On January 19, 2023, the Los Angeles County District Attorney's Office filed two counts of Penal Code Section 69, Obstructing/Resisting a Peace Officer; and one count of California Vehicle Code Section 10851(a), Taking a Vehicle without Owner's Consent.</p> <p>On August 8, 2023, the Plaintiff plead Nolo Contendere to Penal Code Section 69 PC.</p> <p>On August 8, 2024, he was sentenced to sixteen (16) days in jail and was placed on (12) months of summary probation.</p>
--	---

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

A **Department** root cause in this incident was the attempt by deputy personnel to detain the Plaintiff, who was the named suspect of a stolen vehicle investigation.

A **Department** root cause in this incident was the inability of deputy personnel and the Mental Evaluation Team (MET) to gain the Plaintiff's cooperation.

A **Department** root cause in this incident was deputy personnel were involved in a use-of-force incident when they took the Plaintiff into custody.

A **Department** root cause in this incident were the numerous punches to the Plaintiff's face by Deputy Five, which were found to be in violation of policy.

A **non-associated Department** root cause in this incident was Deputy Five not being placed in the Department's Performance Mentoring Program as recommended by the Executive Force Review Committee.

A **non-Department** root cause in this incident was the Plaintiff's failure to comply with lawful orders by deputy sheriff personnel.

A **non-Department** root cause in this incident was the Plaintiff's mental health condition.

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Administrative Investigation

The incident was investigated by representatives of the Sheriff's Department Internal Affairs Bureau to determine if any administrative misconduct occurred before, during, or after the incident. The results of the investigation were presented to the Executive Force Review Committee (EFRC) for adjudication. Appropriate administrative action was taken.

Employee Training

Deputy Sheriff personnel involved in this incident received additional training pertaining to the circumstance surrounding this incident.

Station Tactical Debriefing

In the days following the incident, East Los Angeles Station supervisors briefed the incident to station personnel, regarding calls for service involving mentally ill persons, and use of force incidents. Additional focus was placed on officer safety, tactical preparedness, and situations involving the response of the Mental Evaluation Team. Briefings have continued on an on-going basis by station field sergeants and watch commanders to reiterate the Department's expectations and policies.

Briefly provide a description of the incident/event:	<p style="text-align: center;">Summary Corrective Action Plan 2024-188</p> <p>Details in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident.</p> <p>Multiple investigative reports indicate prior to September of 2020, Norwalk Operations Safe Streets (OSS) Bureau received information that the Decedent was involved in the sales of methamphetamine and being in possession of weapons. A Norwalk OSS Detective One began investigating the information he was provided.</p> <p>During the course of the investigation, it was learned the Decedent was an active member of the "Compton Vario Tokers" criminal street gang; the Decedent was selling narcotics inside a detached garage in the city Compton. The Decedent's criminal history revealed he had two prior convictions selling narcotics. It was also learned the Decedent concealed a black handgun on his person when he sold narcotics at the location.</p> <p>Detective One surveilled the residence and gathered information regarding both the residence and its occupants to obtain a search warrant. A search warrant for the Decedent's residence and garage was requested by Detective One and granted by the judge.</p> <p>On September 10, 2020, at approximately 5:00 a.m., Norwalk OSS team, including the Detective and the Norwalk Enforcement Team (NET) met at a location near the Decedent's residence to brief the search warrant operation. They developed a tactical plan to approach the residence.</p> <p>At approximately 5:30 a.m., the search team went to the Decedent's residence to execute the warrant which authorized them to search the residence, including the garage, for the Decedent, firearms, narcotics, and any evidence of criminal street gang membership.</p> <p>Upon arrival at the front door of the residence, Detective One and additional OSS detectives announced themselves and their</p>

	<p>purpose pursuant to Penal Code Section 844. Forced entry was used to make entry into the home. Upon entering the residence, they contacted the Decedent's mother and two of his brothers and removed them from the home.</p> <p>As detectives entered the residence, NET deputies walked to the rear of the location along the driveway. The driveway and backyard were riddled with debris.</p> <p>As the deputies in the backyard rounded the northwest corner of the garage, they saw the Decedent. They gave him commands, in an attempt to detain him, as he ran into the garage holding a dark object in his hand.</p> <p>Simultaneously, deputies spotted one of the Decedent's brothers walking from the rear of the garage towards them. He was detained without incident and told the deputies that no one else was in the rear of the garage. The Decedent's girlfriend appeared from the rear of the residence; she was detained and escorted to the front of location.</p> <p>Lieutenant One positioned himself at the rear of the exterior of the garage and noticed there were two doors at the rear of the garage. He believed those doors were connected to the main garage compartment, where the Decedent had barricaded himself. He took cover in a detached bathroom in the corner of the backyard.</p> <p>The team outside continued to give the Decedent commands to exit the garage. The Decedent refused to comply. The deputies could hear items being stacked against the door and the sound of "metal on metal." The deputies believed the Decedent was "racking" a gun. Deputy One heard the Decedent say, "I'm not coming out, I'm going to shoot it out."</p> <p>The deputies heard a loud pop sound that they believed was a gunshot or fireworks. The Decedent's nephew and nephew's girlfriend, who were asleep in the northeast room of the garage, woke to this sound. Less than 20 seconds later, there was another loud pop. The deputies believed the Decedent was shooting through the walls of the structure in their direction.</p> <p>Although the deputies had not fired their weapons, a deputy involved shooting was broadcast over Norwalk Station's dispatch channel; numerous assisting units responded to the location.</p> <p>Lieutenant One heard the gunshots but did not know where they were coming from. He observed one of the two rear pedestrian doors of the garage open and saw the barrel of a gun sticking out. He believed the Decedent was the person who opened the door and was trying to shoot him. Lieutenant One fired his firearm in the direction of the barrel of the gun. Approximately 45 seconds</p>
--	---

	<p>later, he saw the other rear door to the garage open. Lieutenant One did not see a person or any part of a gun; however, he believed the Decedent was the only person in the garage and was opening the door to shoot him. Lieutenant One fired additional rounds at the door where he believed the Decedent was positioned.</p> <p>As this occurred Deputy One heard the initial two gunshots from inside the garage and believed the Decedent was firing at him and his partners. From his position, he could see someone pushing against the main roll-up garage door as if trying to open it. He heard what sounded like someone “racking” a gun.</p> <p>Deputy One observed video surveillance cameras around the garage and believed the Decedent was actively monitoring their movement. Deputy One believed the Decedent was trying to open the door to shoot at him. He fired towards the area of the garage door where he could see the pushing, simultaneous to Lieutenant One’s first volley of rounds fired. Deputy Six broadcast an assistance request over his hand-held radio.</p> <p>Lieutenant One moved from the rear of the detached bathroom back towards the residence and regrouped with additional personnel. The deputies heard two male voices inside the garage. Another one of the Decedent’s brothers crawled out of the garage with his hands up and was taken into custody without incident. Deputies realized he was not the Decedent and continued to give the Decedent commands to exit the garage. Minutes later, the Decedent’s nephew exited the garage and was taken into custody without incident.</p> <p>The deputies noticed smoke from the garage and believed the Decedent set fire to the garage. The Decedent’s nephew told the deputies that his girlfriend and her child were still inside the garage. Deputies began calling her by name to exit the garage and started making a plan to enter the garage to rescue her. Prior to a rescue attempt, she and her minor daughter exited the garage and were taken into custody without incident.</p> <p>Assisting units from Compton Station and Norwalk Station arrived on scene. The responding deputies were quickly briefed, positioned in different locations, and assigned different tasks.</p> <p>Several deputies proceeded to the rear of the neighboring property towards the Decedent’s garage and positioned themselves behind a gate separating the driveway from a pool.</p> <p>The fire in the garage grew and deputies heard a loud banging sound near the garage wall that separated the Decedent’s and the neighbor’s property. The deputies on the neighboring property saw the Decedent pound a hole through the wall.</p>
--	---

	<p>The Decedent crawled through the hole, headfirst, and stood up. Smoke billowed out of the hole behind him. After the Decedent stood up, his body was partially blocked by shrubbery and clothes on a clothesline. The Decedent looked around, as if for an escape route.</p> <p>For approximately one minute, deputies gave the Decedent commands to show his hands and he did not comply. The Decedent paced back and forth, then turned to the left and made a sudden movement, as if to shoot at the deputies. Another deputy involved shooting occurred and was broadcast over the radio.</p> <p>After hearing the gunshots, additional deputy personnel ran to the backyard of the neighboring property. They saw the Decedent lying face down on the ground being held at gunpoint.</p> <p>The deputies gave the Decedent commands to show his hands and he did not comply. Deputies saw the Decedent reach for his waistband and continue to move. Deputies observed the magazine of a firearm in the Decedent's hands, heard "metal clicking" and believed the Decedent was armed with a firearm. The Decedent "punch out his arms" as if in a pistol grip position. Believing the Decedent was going to shoot at them, there was another volley of gunfire. Another deputy involved shooting was broadcast over the radio.</p> <p>By this time, the garage was fully engulfed in fire. Lieutenant One formulated a tactical plan to approach the Decedent. The deputies safely approached the Decedent. An AR-15 magazine and .45 Glock handgun magazine were found directly next to him. Deputies carried him to the driveway of the neighboring property so paramedics could render medical aid. The Decedent was pronounced deceased at the scene at 6:29 a.m. by a Compton Fire Station Paramedic.</p> <p>The Compton Fire Department entered the scene to extinguish the fully engulfed garage fire.</p> <p>Two expended .22 caliber casings were found west of the garage that matched the caliber of a gun that was in the garage where the Decedent had been; however, due to the damage caused by the fire, there was insufficient evidence to establish they were fired by the Decedent during the incident.</p>

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

A **Department** root cause in this incident was the Deputies' use of deadly force against the Decedent.

A **Department** root cause in this incident was the use of force and tactical actions employed by some deputies were inconsistent with established policy, practice and training. Contributing factors included deficiencies in coordination, use of cover, communication, and target acquisition.

A **non-contributing Department** root cause in this incident was the Deputies had not yet been issued Body Worn Cameras.

A **non-Department** root cause in this incident was the Decedent's failure to comply with the Deputies' lawful orders.

A **non-Department** root cause in this incident was the Decedent's actions which led the Deputies to believe he was firing a weapon at deputy personnel.

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Criminal Investigation

This incident was thoroughly investigated by the Sheriff's Department's Homicide Bureau. The results of the investigation were submitted to the Los Angeles County District Attorney's Office, Justice System Integrity Division (JSID).

The JSID issued their findings on August 9, 2022, concluding that "There is insufficient evidence to prove beyond a reasonable doubt that these deputies did not act in lawful self-defense at the time they fired their weapons."

Administrative Investigation

The Department's Internal Affairs Bureau conducted a thorough investigation to determine if any administrative misconduct occurred before, during, or after this incident. The results of the investigation were presented to the Executive Force Review Committee (EFRC) for adjudication.

The EFRC Panel found the use of force and tactics for some of the involved personnel were out of policy. Appropriate administrative action was taken. Additionally, involved personnel attended training as a result of this incident.

Issuance of Body Worn Cameras

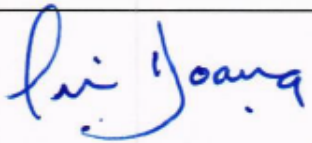

As of October 31, 2021, all sworn personnel assigned to Norwalk Station and OSS were issued a Body Worn Camera to ensure all public contacts are transparent.

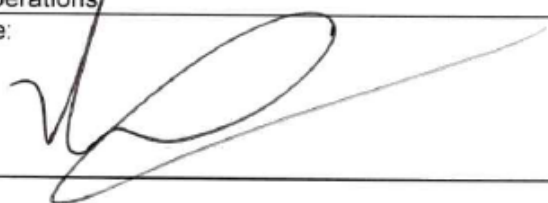

The use of BWCs ensures reliable recording of contact enforcement and investigative contacts with the public.

3. Are the corrective actions addressing Department-wide system issues?

- Yes – The corrective actions address Department-wide system issues.
 No – The corrective actions are only applicable to the affected parties.
