**Aligning County Behavioral Health Services for Young People**

According to the LA County (County) Youth Commission’s [2025 Annual Report](#), mental health is the leading concern for young people across Los Angeles County. In the report, based on surveys of 881 young people from all five Supervisorial Districts, mental health ranked higher than education, employment, and even housing as the most important priority for young people. Of the youth surveyed, 551 or 63% identified as system-involved, defined as having had involvement with any County department including the Departments of Children and Family Services (DCFS), Mental Health (DMH), Public Social Services (DPSS), Public Health (DPH) among others, emphasizing the need for stronger coordination across County systems to support young people, particularly those in care.

This issue is not new. Over the last several years, this Board has elevated the needs of young people and encouraged County departments, including DCFS and DMH, to continue to work together to align and better support our young people. Mental

health is part of the behavioral health continuum, and the County must ensure alignment across this continuum to meet the full range of young people's needs. Behavioral health includes mental health as well as substance use prevention and treatment, crisis response, and community-based supports.

As part of the County's broader behavioral health continuum, DMH has the Child Welfare Division (CWD), as well as divisions serving transition-aged youth (TAY), and DPH has the Substance Use Prevention and Control (SAPC) Bureau. CWD is a crucial partner to DCFS in providing specialty mental health services to children in the child welfare system at different stages of their involvement with DCFS. DCFS provides funding for the cost of DMH staffing (including co-located DMH staff at DCFS offices) for these programs as well as services for those children/youth who are not Medi-Cal eligible. The Department of Youth Development (DYD) additionally funds community-based providers across the County who may also be providing mental health supports, including to young people served by DCFS and DMH. At the same time, it is currently unclear how DMH housing resources are allocated to foster and probation-involved youth, and how these resources align with the new Department of Homeless Services and Housing (HSH).

Despite these efforts and the resources available, young people, especially those in County systems, continue to face increasing mental health challenges. Given the ongoing budget crisis and cuts to our health safety net, the County must align services, leverage resources, and strengthen coordination to ensure that young people – both in and out of care – have access to the full range of behavioral health services they need. The County must reexamine our existing systems, referral pathways, and

available resources, not to place blame or make excuses, but to improve and enhance available supports. Young people are telling the County what they need, and it is time for the Board to listen and take action.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Office of Child, Youth, and Family Wellbeing (OCYFW), in partnership with the Departments of Mental Health (DMH), Public Health-Substance Abuse Prevention & Control Bureau (DPH-SAPC), Children and Family Services (DCFS), Homeless Services and Housing (HSH), Probation, and Youth Development (DYD), and in consultation with the Los Angeles County Office of Education (LACOE), to report to the Board in writing in 90 days on the behavioral health services provided to children, youth, and young adults up to age 26, including those currently or formerly involved in DCFS and Probation systems. The report should include, but not be limited to, the following:

- a. Behavioral health programs funded or administered by the departments listed above that serve children, youth, and young adults, including for each program: funding source, referral mechanisms, population served, eligibility criteria, service capacity and vacancies, total number of individuals served annually, and outcomes or performance metrics used to assess effectiveness.
- b. The most current data available, including identifiable trends, on how many young people are receiving services through Medi-Cal managed care plans and the specialty mental health and substance use disorder plans.
- c. Identifying which programs and funding are new investments through Behavioral Health Services Act (BHSA) or other funding sources, and which are specifically allocated to current and former foster youth, probation-involved youth, and

transition-aged youth.

- d. Identification of applicable unspent, underspent, or flexible funding within the departments listed above that can be repurposed or leveraged to expand or enhance mental health services.
- e. An analysis of gaps in services; duplication or overlap across programs and departments; and barriers to access, including eligibility restrictions, referral processes, and challenges in connecting young people to appropriate levels of care.
- f. A mapping of how children, youth, and young adults currently access behavioral health services, and specifically mental health services, across County systems, including key entry points (e.g. schools, DCFS, Probation, crisis response systems), transitions between departments, and identification of points at which young people are most likely to experience disruptions in care.
- g. Recommendations on how to improve alignment, coordination, and service delivery, including how to better leverage or expand resources and funding to provide behavioral health services to youth.

**MOTION BY SUPERVISOR JANICE HAHN**

**Advancing Behavioral Health Care at Rancho Los Amigos National Rehabilitation Center**

At a time when the United States is experiencing a severe youth mental health crisis, there is also a persistent shortage of behavioral health services for children and youth, both locally and nationwide. Access to behavioral health services for Medi-Cal enrolled or eligible children and youth is particularly limited, due in part to a lack of providers with expertise in children, confusion regarding the eligibility for mild/moderate versus specialty mental health services, the complex intersection between medical conditions and behavioral health conditions in children, and perceived stigma related to seeking mental health services. One model that is proven to effectively support children with behavioral health needs involves early intervention through a multi-disciplinary team with the cultural alignment and professional capacity to sort out the nuances of each child's needs. The Los Angeles (LA) County Department of Health Services (DHS) has implemented this multi-disciplinary model of care to serve some of its youngest and most vulnerable children.

Launched in 2020, the Strong, Healthy, And Resilient Kids (SHARK) Clinic provides

culturally informed care for children and youth ages 0 to 21 who have experienced pediatric adversity and/or behavioral, developmental, and complex medical needs that put them at high risk for poor mental and physical health outcomes. The program is housed at the DHS Rancho Los Amigos National Rehabilitation Center (RLA). Children are referred from every region in LA County to the SHARK program because their primary care providers have been unable to manage their mental and behavioral health needs through normal referral channels – these are kids who get stuck in the gray zone between mild/moderate and severe mental health needs. Children are evaluated and managed by SHARK's multi-disciplinary team and supported with bridge therapy and case management services. Since its launch in 2020, SHARK has processed more than 950 referrals, with an increase in referrals each month. The majority of referrals were for children with behavioral health needs, including psychiatry, school district assessments for services, and PTSD treatment. The majority of children referred to the SHARK Clinic fall into the 4–8-year-old age group, and greater than 75% of patients served are Black or Latinx.

The SHARK program is currently operating out of a temporary space on the RLA campus located in the Diagnostic Services Clinic in the Outpatient Building, but there is an opportunity to move the program to a larger, more appropriate clinical space on the RLA campus. On September 27, 2022, DHS was awarded funding from the Behavioral Health Continuum Infrastructure Program (BHCIP) Round 4 Launch Ready Grants, which will allow the relocation of the clinic to a permanent, family-centered, culturally responsive

clinical space on the first floor of Building 100 on the RLA campus, which has been vacant for three years. Using the BHCHIP dollars, the 4,500 square foot area would be remodeled to provide a dedicated reception area, staff offices, restrooms, and meeting rooms as well as patient consulting and exam rooms in a space that was formerly used as a primary care clinic for adults. This space would enable the multidisciplinary behavioral team to co-locate so they can better coordinate services for this vulnerable population. Additionally, the new space would expand program access, with an anticipated 1,600 additional pediatric patient visits to the SHARK clinic after relocation.

Design for the proposed project has been completed, and action from the Board of Supervisors is necessary to approve the project and establish the necessary fiscal actions to support the BHCIP grant process. The amount granted to DHS from the BHCIP grant for this proposed project was \$4,194,700. County grant applicants are also required to provide ten percent of the BHCIP grant award, excluding contingencies and other project costs, as matching funds for the project. DHS determined it would pledge cash as the match requirement. The proposed project would be carried out by Board-approved Job Order Contracts (JOCs), and the value of the demolition and construction phase will not exceed the maximum allowable JOC contract value of \$6,200,000. The remodeling work, which is scheduled to start in August 2026, will be closely coordinated with RLA operations to ensure patient care is not impacted. The proposed project is anticipated to be completed by June 30, 2027. The Board of Supervisors should take the necessary action to allow this project to move forward swiftly so more children in need can access

the SHARK program.

**I, THEREFORE, MOVE** that the Board of Supervisors:

1. Find that the proposed Strong, Healthy, And Resilient Kids (SHARK) Clinic Remodel Project is exempt from the California Environmental Quality Act (CEQA) because the project provides for repair, refurbishment, replacement and minor alterations of existing facilities involving negligible or no expansion of an existing use and where replacement features will have the same purpose and capacity. The clinic renovation project is within certain classes of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Sections 15301 (a), (d), and (l); and 15302 (c) of the CEQA Guidelines and Classes 1 (c), (d), (l), and 2 (e) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. Additionally, the proposed project will comply with all applicable regulations, is not located in a sensitive environment, there are no cumulative impacts, no unusual circumstances, no damage to scenic highways, not included on a listing of hazardous waste sites pursuant to Government Code Section 65962.5, and no indications that the project may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable based on the records of proposed projects. Upon the Board's approval of the projects and related actions, Public Works will file a Notice of Exemption for the project with the County Clerk and with the State Office of Land Use and Climate Innovation in accordance with Section 21152 of the Public Resources Code and will post the Notices to Public Works' website pursuant to Section 21092.2.
2. Establish and approve the Rancho Los Amigos (RLA) SHARK Clinic Remodel

Project, Capital Project No. 8A183, with a total project budget of \$4,548,000.

3. Approve the Fiscal Year 2025-26 appropriation adjustment (Enclosure B) in the amount of \$4,548,000 to fully fund the project. Funding sources consist of the Behavioral Health Continuum Infrastructure Program (BHCIP) grant in the amount of \$4,194,000, the use of obligated fund balance – Committed for Rancho Los Amigos National Rehabilitation Center, and the DHS match in the amount of \$354,000 from RLA's Enterprise Fund for the proposed SHARK Clinic Remodel Project, Capital Project No. 8A183.
4. Authorize DHS to set up an Individual Development Bank Account jointly with Advocates for Human Potential, Inc., BHCIP grant and fiscal administrator.
5. Authorize DHS to make the necessary accounting transactions to initially transfer \$354,000 cash from DHS Designation to the AHP designated Match Funds bank account to fulfill the ten percent grant requirement from the County.
6. Authorize DHS to designate three personnel to function as the Individual Development Bank Account Principals: authorize the first Individual Development Bank Account Principal to request funding from the Individual Development Bank Account, the second Individual Development Bank Account Principal to approve funding payments, and the third Individual Development Bank Account Principal to send the payments from the Individual Development Bank Account to Capital Project No. 8A183 for reimbursement.
7. Authorize DHS to execute periodic accounting transactions to draw down the grant funds and DHS match from the Individual Development Bank Account as actual expenditures are incurred by the capital projects and approved for reimbursement by Advocates for Human Potential.

8. Authorize the Director of Public Works or his designee to deliver the RLA SHARK Clinic Project using a Board-approved Job Order Contract.

**Promoting Innovative Strategies to Fund Public Health Services**

Public health programs and services across the nation are facing ongoing financial pressures and require innovative ways to maintain equitable services. In Los Angeles County (County), the Department of Public Health (DPH) has already lost nearly \$50 million due to federal, state, and local cuts. Millions more in public health funding have been threatened with cuts by the Federal Administration (Administration) through grant cancellations for funding already approved by Congress, as well as through proposals to significantly reduce funding in the federal budget process. The Administration recently released its federal budget blueprint, which begins the annual appropriations process and includes sweeping cuts and reorganization of the federal health infrastructure. These changes would result in the loss of hundreds of millions of dollars in annual grant funding for DPH and its community partners.

These cuts would be in addition to those resulting from the passage of H.R. 1, the One Big Beautiful Bill Act, passed by Congress last July. That bill modifies federal eligibility, enrollment, and work requirements needed to qualify for and maintain access to Medicaid (Medi-Cal in California) and the Supplemental Nutrition Assistance Program (SNAP, known as CalFresh in California). As a result, many County residents will lose their Medi-Cal benefits. The reduction in eligibility will also impact DPH’s network of substance abuse treatment services by decreasing the Medi-Cal revenue flowing into the

HAHN \_\_\_\_\_

BARGER \_\_\_\_\_

SOLIS \_\_\_\_\_

system. This revenue has supported increased utilization of substance abuse treatment services over the last few years through California's Drug Medi-Cal program. DPH's Substance Abuse Prevention and Control Bureau estimates a 15% reduction in service utilization in the County's Drug Medi-Cal Organized Delivery System (DMC-ODS), resulting in a \$147 million reduction in Medi-Cal revenue over three years for DPH administrative revenue and provider reimbursement due to H.R.1's impact on Medi-Cal eligibility.

DPH anticipates additional strain on clinical services for preventative care such as immunizations, sexual health, and tuberculosis treatment due to the decrease in health coverage resulting from H.R. 1. Any increase in uncompensated clinical care may reduce resources for other core DPH functions, including maternal health, infectious disease control, and chronic disease management. DPH's funding cuts have already resulted in reduced services and workforce reductions, including the closure of services at seven DPH health clinics and the termination of services and cuts to staffing for community partners.

New, innovative strategies for raising revenues are needed to ensure that DPH and its private and public community partners are able to maintain services and continue to focus on equity, ensuring that all residents have the resources and opportunities necessary for optimal health and wellbeing. Public safety must be preserved. That is why the Board of Supervisors approved a motion on February 10, 2026, to place the Essential Services Restoration Act for Los Angeles County General Sales Tax Measure on the June 2, 2026, Countywide ballot, to raise revenue to support safety net services threatened by H.R. 1. The County estimates that the tax, if the measure is passed, would generate approximately \$1 billion annually. The measure would also establish a nine-member advisory citizens' oversight committee to recommend and review expenditures from the sales tax and provide annual reporting to the public.

While the sales tax measure, if passed, would significantly strengthen the County's ability to maintain essential services, additional innovative strategies will still be needed to sustain public health services and avoid losing progress. Multiple County departments have successfully established foundations as a way to leverage philanthropic and other private funds that support County priorities. Examples include the Department of Animal

Care and Control, the Fire Department, the Library, and the Department of Parks and Recreation. Further, other County entities have also established foundations to support initiatives that benefit the public, including Rancho Los Amigos National Rehabilitation Center, Los Angeles General Hospital, and the Los Angeles County Museum of Art.

On April 2, 2026, a new independent nonprofit foundation, The Foundation to Advance Public Health Los Angeles (Foundation), was launched to support public health services in the County. The Foundation, incorporated on February 13, 2026, and currently seeking 501(c)(3) status, will work collaboratively with DPH to create partnerships that provide funding resources to the department and community organizations that aid, sponsor, promote, advance, and assist public health programs that further DPH's mission and values. The Foundation is not organized for the private gain of any person. Instead, it provides a means to support essential programs that measurably improve the quality of life for the people and communities of the County. The Foundation has already received funding commitments from philanthropic partners and will raise additional resources. These resources will support DPH initiatives and the equity efforts of community partners that no longer have support because of changes in federal or state policies resulting from H.R. 1 and other federal cuts.

With the diminished federal commitment to public health efforts and budget challenges at the state and local levels, the County's support for this new, innovative strategy will help ensure resources remain available for health and equity public strategies.

**I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

1. Approve the attached, or a substantially similar, affiliation agreement between the Department of Public Health (DPH) and the Fund for Advancing Public Health Los Angeles, and authorize the Chair of the Board to execute the agreement.
2. Find that the proposed actions are not a project under the California Environmental Quality Act for the reasons stated and the record.
3. Delegate authority to the Director of DPH, or her designee, to execute all future amendments, modifications, extensions, augmentations, and terminations relative to the affiliation agreement, as necessary, subject to County Counsel review.

**AGREEMENT BY AND BETWEEN  
COUNTY OF LOS ANGELES  
AND  
THE FUND FOR ADVANCING PUBLIC HEALTH LA**

This AGREEMENT is made and entered into this [nth] day of [month, year], by the **COUNTY OF LOS ANGELES**, a body corporate and politic referred to as "**COUNTY**", by and through the **DEPARTMENT OF PUBLIC HEALTH**, referred to as "**DEPARTMENT**" and the **FUND FOR ADVANCING PUBLIC HEALTH LA**, referred to as "**FOUNDATION**", a California nonprofit corporation.

WHEREAS, COUNTY and FOUNDATION enter into this Agreement pursuant to the County Fiscal Policy, Chapter 16, Departmental Foundations/Support Groups, in order to set forth their respective duties and obligations with respect to the continued relationship and activities of each, the receipt and use of donated funds and equipment, and the use of DEPARTMENT resources.

WHEREAS, FOUNDATION was incorporated February 13, 2026 to operate as a Nonprofit Public Benefit Corporation for charitable purposes (i.e. to distribute funds, property, and other resources for the aiding, sponsoring, promoting, advancing and assisting public health in Los Angeles County); and the FOUNDATION is not organized for the private gain of any person.

WHEREAS, FOUNDATION is a duly incorporated domestic non-profit corporation registered with the State of California and is authorized by law to provide the services contemplated by this Agreement;

WHEREAS, FOUNDATION is qualified by reason of experience and organization to provide the services contemplated by this Agreement.

NOW THEREFORE, in consideration of the foregoing conditions herein contained, COUNTY and FOUNDATION do hereby agree to the following:

THE REMAINDER OF THE PAGE INTENTIONALLY LEFT BLANK

1. TERM OF AGREEMENT

The term of this Agreement is open, remaining in effect unless and until terminated pursuant to the applicable terms hereof, during which time FOUNDATION may perform the services provided for herein.

2. FOUNDATION OBLIGATIONS

FOUNDATION agrees to provide the following services to the DEPARTMENT:

- a. FOUNDATION will provide funds, property, services and other resources to the DEPARTMENT for the aiding, sponsoring, promoting, improving and advancing of public health.
- b. FOUNDATION will make provision for the use of its programs and any technologies developed in collaboration with the DEPARTMENT.
- c. FOUNDATION may solicit donations, including but not limited to, equipment, monetary, advertising, and other related resources, from private entities and apply for grants to support the obligations within this foundation agreement.
- d. FOUNDATION will provide goodwill to the DEPARTMENT.
- e. FOUNDATION will not use County time, materials, or resources to engage in social media activities, unless otherwise authorized by the DEPARTMENT Director, or her designee.
- f. FOUNDATION shall satisfactorily provide the following information and/or reports to the DEPARTMENT:
  - i. Upon DEPARTMENT'S request, submit annually to DEPARTMENT the Annual Reporting Form for Foundation Activities.
  - ii. Upon written request not less than 30 days' notice, FOUNDATION will make available to DEPARTMENT and the

Los Angeles County Auditor-Controller their compiled financial statements.

- iii. FOUNDATION will provide an account of the tangible/intangible benefits provided to DEPARTMENT in a narrative form that describes the programs/services provided.
- iv. Upon written request no less than 30 days, the FOUNDATION will disclose to potential donors the types of items, activities, and programs for which contributions or donations will be used.
- v. FOUNDATION will maintain secure tax-exempt status and any required business license(s) if it solicits monetary donations from the public.

### 3. DEPARTMENT OBLIGATIONS

- a. DEPARTMENT will assist FOUNDATION in providing the aforementioned services by providing, as legally permissible, the following: technology support, personnel releases, administrative and program staff support, temporary and occasional use of space, utilities, supplies, travel/transportation or other resources on an as needed basis to the extent that these resources are available and are in the best interest of the DEPARTMENT and COUNTY.
- b. DEPARTMENT will account for all costs incurred to support and monitor the FOUNDATION and ensure such costs are accounted for or tracked separately from DEPARTMENT costs (i.e., costs attributable to salaries, employee benefits, office space, office supplies, utilities, etc.).
- c. DEPARTMENT costs incurred on behalf of the FOUNDATION should be commensurate with the volume and significance of the benefit received (i.e., FOUNDATION's benefit to DEPARTMENT should outweigh the costs incurred by the DEPARTMENT in maintaining the relationship). The DEPARTMENT will notify FOUNDATION concerning any cost-benefit concerns related to this Agreement.

- d. COUNTY shall have no duty of payment, obligation or liability to FOUNDATION, its employees, officers, agents, or vendors or subcontractors.
- e. All DEPARTMENT employees engaging in FOUNDATION activities will do so in an off-duty capacity, unless such activities are within the scope of this Agreement or are otherwise authorized by the DEPARTMENT Director, or her designee.

4. FOUNDATION EMPLOYEES AND EQUIPMENT

FOUNDATION agrees that FOUNDATION has secured or will secure at FOUNDATION's own expense all persons, employees and equipment required beyond the aforementioned DEPARTMENT services to perform the services required under this Agreement and that all such services will be performed under FOUNDATION supervision, by persons authorized by law to perform such services. This is not intended to limit "In-Kind Donations" from the DEPARTMENT.

5. CONFLICT OF INTEREST

- a. FOUNDATION and its subsidiaries and its agents and employees shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. FOUNDATION warrants that it is not now aware of any fact which creates a conflict of interest. If the FOUNDATION hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest it shall immediately make full written disclosure of such fact to DEPARTMENT. Full written disclosure shall include, with limitation, identification of all persons implicated, and a complete description of all relevant circumstances.
- b. The DIRECTOR of the DEPARTMENT, or her designee, may serve on the FOUNDATION's Board of Directors. Otherwise, County employees may not serve on the FOUNDATION's Board or in other key positions without prior approval of the Board of Supervisors. County employees shall not receive compensation from the FOUNDATION for their service on the FOUNDATION's Board or for service as a FOUNDATION officer. However, County Employees may fill non-leadership roles within the FOUNDATION and provide administrative and operational support consistent with the terms of this Agreement.

6. TERMINATION

COUNTY or FOUNDATION may terminate this Agreement without cause upon 30 days' written notice. All operations under this Agreement shall cease effective the 30th day after receipt of notice of termination and both Parties' obligations under this Agreement shall cease on that date.

7. USE OF SERVICES

This Agreement is founded on the premise that the program contemplated is for furthering the objectives recited herein and that the services provided under this Agreement are within the power of DEPARTMENT to provide. In the event that program monitoring discloses that said services are not being used for that purpose or that FOUNDATION has adopted or amended its Bylaws or amended its Articles of Incorporation with the result that, as determined by the DEPARTMENT Director or her designee, FOUNDATION policies or programs conflict with the purpose originally declared in FOUNDATION Articles of Incorporation or with the purpose of this Agreement, DEPARTMENT shall notify FOUNDATION immediately concerning any such conflict or potential conflict and shall provide FOUNDATION with 30 days to amend its Bylaws or Articles of Incorporation so as to resolve any such conflict or potential conflict. If, after 30 days' notice the conflict or potential conflict has not been resolved, the DEPARTMENT Director, or her designee, may terminate this Agreement forthwith, and FOUNDATION shall be entitled to no further services from the DEPARTMENT.

8. PROGRAM ADMINISTRATION

This Agreement will be administered by the DEPARTMENT.

9. CONFIDENTIALITY

FOUNDATION shall maintain the confidentiality of all records, including but not limited to COUNTY records, in accordance with all applicable federal, state, and local laws, regulations, ordinances, and directives as to confidentiality and privileges.

COUNTY shall maintain the confidentiality of all records, including but not limited to FOUNDATION records, in accordance with all applicable federal, state, and local laws, regulations, ordinances, and directives as to confidentiality and privileges.

10. INDEMNIFICATION

a. Except as otherwise provided in Section 10(b), FOUNDATION agrees to indemnify, defend and save harmless COUNTY, its agents, officers and

employees from and against any and all liability, expense, including reasonable defense costs and legal fees, claims for damages of any nature whatsoever, including but not limited to bodily injury, death, personal injury, or property damage arising from or connected with FOUNDATION operations, or its services hereunder including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnities. However, FOUNDATION shall not be liable to pay additional sums on account of judgments rendered against any director, for acts or omissions constituting bad faith, willful misfeasance or reckless disregard of duties.

- b. COUNTY agrees to indemnify, defend and save harmless any member of the Board of Directors of FOUNDATION from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever arising out of an action or omission to act provided such actions or omissions to act arose directly from the performance of duties within the scope of work to be performed under this Agreement. However, COUNTY shall not be liable to pay additional sums on account of judgments rendered against any director, for acts or omissions constituting bad faith, willful misfeasance or reckless disregard of duties.

#### 11. INDEPENDENT CONTRACTOR

Both parties hereto, in the performance of this Agreement, will be acting in an individual capacity and not as agent, employees, or agents of the other party. DEPARTMENT employees shall remain employees of DEPARTMENT notwithstanding the fact they are assisting the FOUNDATION.

#### 12. ASSIGNMENT

This Agreement, or any provision hereof or any right or obligation arising hereunder, is not assignable by either party in whole or in part, without the express written consent of the other party.

#### 13. BINDING EFFECT

All of the provisions of this Agreement and any amendment thereto shall extend to and be binding upon and inure to the benefits of the successors of the respective parties.

14. RETENTION OF RECORDS

FOUNDATION agrees that COUNTY or any duly authorized representative shall have access to and the right to examine, audit, copy, excerpt, or transcribe any transaction, activity, timecards, or other records relating to this Agreement. Such material shall be kept and maintained by FOUNDATION at a location in Los Angeles County for a period of four (4) years after completion of this relationship, unless the COUNTY provides written permission to dispose of such material prior to the end of such period.

15. COMPLIANCE WITH LAWS

- a. FOUNDATION shall comply in all respects with the anti-discrimination requirements of the Los Angeles County Code and all applicable federal, state, and local laws.
- b. The parties agree to comply with all applicable federal, state and local laws, rules, regulations, ordinances and directives insofar as they pertain to the performance of this Agreement.

16. NON-DISCRIMINATION AND CIVIL RIGHTS COMPLIANCE

- a. FOUNDATION hereby certifies and agrees that it will comply with Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title 1X of the Education Amendments of 1972, where applicable, and Title 43, part 17 of the Code of Federal Regulations Subparts A and B, to the end that no persons shall, on the grounds of race, creed, color, national origin, political affiliation, religion, marital status, sex, sexual orientation, age or handicap, be subjected to discrimination under the privileges and use granted by this Agreement or under any project, program or activity supported by this Agreement.
- b. FOUNDATION agrees and certifies that the regulation provided in 16(a) of this Agreement shall apply to social media activities and materials posted on social media sites, such as Instagram, Facebook, X (formerly Twitter) and the like. FOUNDATION agrees and certifies that it will regularly monitor its social media sites to ensure compliance with stated regulations.
- c. FOUNDATION certifies and agrees that all persons employed thereby, are and shall be treated equally without regard to or because of race, creed, color, national origin, political affiliation, religion, marital status, sex, sexual orientation, age or handicap and in compliance with all federal and state laws prohibiting discrimination in employment, including but not limited to, the Federal Civil Rights Act of 1964; the Unruh Civil Rights Act; and the State Fair Employment Practices Acts.

- d. FOUNDATION certifies and agrees that subcontractors, bidders and vendors thereof are and shall be selected without regard to or because of race, creed, color, national origin, political affiliation, religion, marital status, sex, sexual orientation, age or handicap.
- e. All employment records shall be open for inspection and re-inspection at any reasonable time during the term of this Agreement for the purpose of verifying the practice of non-discrimination by FOUNDATION in the areas heretofore described.
- f. If DEPARTMENT finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which DEPARTMENT may determine to cancel, terminate, or suspend this Agreement. While DEPARTMENT reserves the right to determine independently that the nondiscrimination provisions of this Agreement have been violated, in addition, a determination by California Fair Employment and Housing Commission and Equal Employment Opportunity Commission that FOUNDATION has violated state or federal non-discrimination laws or regulations shall constitute a finding by DEPARTMENT that FOUNDATION has violated the non-discrimination provisions of this Agreement.
