

Los Angeles County Innovation Exchange Agenda

Friday, August 11, 2023

Purpose: an Innovation Exchange where the **County of Los Angeles** will share their new direction for a “comprehensive community-based prevention services delivery system” and for the **County of San Diego** to provide an overview of our organizational structure, particularly for health and human services programming, and discuss use cases that demonstrate collaborative service delivery including shared programming, funding, data and outcomes across County departments in support of the regional *Live Well San Diego* vision.
