Subject: Pertis

Am a disabled low-income survivor of domestic violence and have participated in the Afirst time home buyer program and have been discriminated in the programs my right as a disabled home buyer has been violated and denied assistance I have been displaced and my right as a protected class not protected I and my children have lost are American Dream and have not recovered from the adverse actions ive suffered in the programs that recive federal funding i believe that the government agency's that have been created and placed to prevent such out comes have failed me I am asking the task force to investigate my complaints deep into the action of the lenders the failing to take the steps ti correct the violation that were made in the servicing of the loan purchaser sighner and first named insured sole remmitter of all monies restricted from the loan no effort taken to prectect and stated false information. To any agency both and none government that I sought assistance from to prevent any assistance that was needed to correct and prevent the out come that left me solvent and to provide me with the assistance that is need to recover from the loss of property and equity that has been taken from my children and my self
thank you very much **[redacted phone number]**
