COUNTY EMPLOYEES SICK LEAVE PAY

FUND
General

FUNCTION
General

ACTIVITY
Other General

Under Section 209 of the Social Security Act, cash payments to employees who are absent because they are sick or injured may be exempt from Social Security taxation. In November 1979, Los Angeles County received confirmation that our sick leave plan qualified for tax exempt status beginning January 1, 1980. However, the law requires that a separate budget appropriation be established to provide for payment. This budget provides a central appropriation for salary payments to employees who are absent due to illness or injury and conforms to legal requirements necessary to realize a Social Security expenditure savings.

SEWER MAINTENANCE DISTRICTS

FUND
Various

Sewer Maintenance Districts are established pursuant to the Health and Safety Code for the administration, maintenance, operation and repair of sanitary sewers, appurtenances, pumping plants, sewer treatment plants and related services. In addition to the County unincorporated areas, services are rendered to various cities and governmental agencies on a contract basis. These Districts are financed through sewer service charges initially adopted by the Board of Supervisors in July 1978. Sewer Maintenance Districts are under the jurisdiction of the County Engineer.
