CASE SUMMARY

INFORMATION ON PROPOSED SETTLEMENT OF LITIGATION

CASE NAME	Cogen Landfill SWIS # 19-AA-0581
COUNTY DEPARTMENT	Chief Executive Office
PROPOSED SETTLEMENT AMOUNT	\$95,000
ATTORNEY FOR PLAINTIFF	Robert Ragland Principal Deputy County Counsel
COUNTY COUNSEL ATTORNEY	Casey Yourn Senior Deputy County Counsel
NATURE OF CASE	<p>The Cogen Landfill (formerly known as the "Cogen Dump") operated between 1951 and 1957, accepting general household, commercial, and industrial wastes.</p> <p>The Cogen Landfill is currently owned by several entities ("Landfill Property Owners"): the County of Los Angeles ("County") - 4.6 acres (12 percent of the total area); Crown Enterprises – 28.4 acres (71 percent); and Bar V. Bar – 7 acres (17 percent).</p> <p>On August 8, 2013, the Los Angeles County Department of Health Services, acting as the Local Enforcement Agency ("LEA"), ordered the Landfill Property Owners to monitor the levels of landfill gas emissions at the Cogen Landfill ("LFG") and install an LFG control system within 24 months ("2013 Order"). On February 22, 2018, the LEA modified the 2013 Order to set an August 31, 2018 compliance date ("2018 Modified Order") to, among other things, have each Landfill Property Owner install an LFG control system on its property.</p>

Despite good faith efforts by the County to comply with the LEA directives (as the LEA has acknowledged), the County has not yet installed an LFG control system on its parcel. Accordingly, the LEA alleges that, because full compliance with the 2018 Modified Order has not been achieved by the County, the County is subject to certain monetary penalties.

The County and the LEA have reached a conditional settlement of the LEA's claims, which is subject to Los Angeles County Claims Board approval. Under the settlement agreement, the County will pay the LEA \$95,000. In exchange, the LEA will extend the compliance completion date until August 31, 2021, and the LEA will waive and release the County from and against all past claims, including for past penalties.

It is recommended that the County accept the proposed settlement.
