Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	January 4, 2016
Briefly provide a description of the incident/event:	On January 4, 2016, 19-year-old Elena Kramer, was driving southbound on Bouquet Canyon Road when she lost control of her vehicle while negotiating a curve, 2.3 miles south of Spunky Canyon Road (205 feet south of mile marker 8.84), crossed over the roadway centerline into the opposing lane of traffic and over a dirt shoulder and collided into a County-maintained tree located on the opposite side of the roadway. As a result, Ms. Kramer sustained fatal injuries.

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

The collision occurred due to Elena Kramer's negligence in the operation of her vehicle by driving without due care and at an unsafe speed, crossing over the roadway centerline and colliding into a tree.

According to the Traffic Collision Report, Elena Kramer caused the collision by driving her vehicle in violation of VC 22350; which states: "No person shall drive a vehicle upon a highway at a speed greater than is reasonable or prudent having due regard for weather, visibility, the traffic on, and the surface and width of, the highway, and in no event at a speed which endangers the safety of person or property."

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Guardrail was installed and the speed limit reduced for a portion of the roadway.

3. Are the corrective actions addressing department-wide system issues?

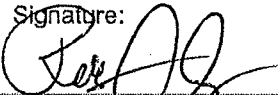

- Yes - The corrective actions address department-wide system issues.
- No - The corrective actions are only applicable to the affected parties.
