## Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event: March 20, 2019	<p style="text-align: center;"><b><u>Estate of Christopher Nash v. County of Los Angeles</u></b> Summary Corrective Action Plan 2021</p> <p>Upon arriving at CRDF, Deputies One and Two reviewed the Arrestee Medical Screening form with the decedent. The decedent verbally answered no to all the medical screening questions. Deputy One did not observe any signs that would be consistent with someone being under the influence of a controlled substance. The decedent was escorted into the CRDF booking area and was placed inside booking cell #6.</p> <p>While inside of the detox cell, the decedent was provided food in the detox cell. The decedent could be seen drinking the milk that was provided, but did not appear to eat the food. Title 15 "Safety Checks" were conducted by custody personnel. Closed Circuit Television (CCTV) showed the decedent sitting upright in his cell, and later laid back down on the floor.</p> <p>Throughout the shift, Title 15 "Safety Checks" were completed by custody personnel.</p> <p>CCTV later showed the decedent lying on the ground and intermittently moving his body. As the evening progressed and Title 15 "Safety Checks" were completed, CCTV footage showed the decedent lying on the floor, but not moving.</p> <p>Deputy Seven entered the decedent's holding cell and approached the decedent who was lying on the floor. Deputy Seven stated the decedent appeared to be asleep. Deputy Seven checked for a pulse on the decedent's neck, and was able to feel a slight pulse. He attempted to wake the decedent for a second time, but the decedent was unresponsive. A nurse and gurney were requested for the decedent.</p> <p>As Deputy Seven waited for a nurse, he checked again to see if he could find a pulse on the decedent and was unable to locate a pulse. Deputies Four and Seven observed the decedent had stopped breathing. CPR was initiated. Two nurses then arrived at the decedent's cell. The decedent was hooked up to an Automated External Defibrillator (AED). The physician assistant then arrived and oversaw the medical team. Naloxone Nasal Spray (Narcan) was administered to the decedent. No shockable rhythm was recognized by the AED, and CPR was continued.</p> <p>The Los Angeles County Fire Department (LACFD) arrived at the decedent's cell and took over CPR. The decedent was still unresponsive. The paramedics on the scene administered another dose of Narcan to the decedent. Emergency lifesaving efforts were performed, but the decedent was still unresponsive. The decedent was pronounced deceased at 8:51 p.m. by the LACFD captain.</p>
---	--

1. Briefly describe the root cause(s) of the claim/lawsuit:

The complaint alleges the County and several of its employees were deliberately indifferent to the decedent's serious medical needs.
