County of Los Angeles  
Summary Corrective Action Plan

## Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	March 12, 2018
Briefly provide a description of the incident/event:	<p>Plaintiff alleges various injuries, including traumatic brain injuries, arising out of a traffic collision involving an on-duty Deputy Sheriff.</p> <p>On March 12, 2018, the involved Deputy Sheriff was driving in a marked Ford Crown Victoria patrol vehicle. The Deputy Sheriff was attempting to make a left turn from a private driveway on the eastside of Atlantic Boulevard in the city of Alhambra across the northbound lanes of Atlantic Boulevard and onto the southbound lanes.</p> <p><b>NOTE:</b> Northbound Atlantic Boulevard has two travel lanes, with a right and left turn lane just past the driveway the Deputy Sheriff was attempting to pull out of. There is no central turning lane at the driveway and the street is divided by a solid double yellow line.</p> <p>Prior to the collision, vehicles in the marked lanes of traffic on northbound Atlantic Boulevard stopped short of the driveway the Deputy Sheriff was waiting in. Plaintiff was, simultaneously, driving in the center lane northbound on Atlantic Boulevard, prior to the center turn lane's transition into a left turn lane. Plaintiff's estimated speed was 20-30 miles per hour.</p> <p>The Deputy Sheriff proceeded out of the driveway toward the westside of Atlantic Boulevard. Plaintiff, driving in the center lane, struck the patrol vehicle.</p>

**Case Name:**Miao Chang Zheng v. County of Los Angeles, et al.

County of Los Angeles

Summary Corrective Action Plan

**1. Briefly describe the root cause(s) of the claim/lawsuit:**

A Departmental root cause in this incident was the involved employee driving in a manner that violated the California Vehicle Code.

A non-Departmental root cause in this incident was the Plaintiff's use of the center turning lane.

A non-Departmental root cause in this incident was the untimely passing of the involved employee, preventing the County from being able to use his testimony to defend this lawsuit.

**Case Name:**

Miao Chang Zheng v. County of Los Angeles, et al.

County of Los Angeles  
Summary Corrective Action Plan

**2. Briefly describe recommended corrective actions:**

(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

- **Traffic Collision Investigation** – The incident was thoroughly investigated by the City of Alhambra Police Department (APD). APD determined the involved employee was primarily responsible for the accident.
- **Supervisor's Report of Incident or Damage to County Vehicle** – A thorough administrative investigation was conducted of the incident. Appropriate administrative action was taken.
- **Employee Risk Assessment** – A comprehensive review of the involved deputy sheriff's work history was conducted after this incident. This review included uses of force, civil claims, and complaints, as well as traffic collisions.
- **Training** – The involved employee's unit commander recommended an 8-hour driving course as a result of this incident.

## Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	1982 - 2019
Briefly provide a description of the incident/event:	<p>Plaintiff, Samuel Bonner, sues the County of Los Angeles, the City of Long Beach, and former Long Beach Police Department detectives in connection with his prosecution and resultant convictions of murder and robbery in 1983. Mr. Bonner's convictions were overturned during a 2019 re-sentencing hearing and his subsequent motion for factual innocence was granted in 2020. In all, Mr. Bonner was incarcerated nearly 37 years.</p> <p>Plaintiff claims that the County is liable due to the misconduct of a deputy district attorney in pursuing conflicting legal theories in his trial and that of his co-defendant. Additionally, Plaintiff claims that the Office did not comply with its post-conviction Brady obligations by not turning over information regarding the lack of credibility of a jailhouse informant that was used to secure the conviction against Plaintiff.</p>

1. Briefly describe the root cause(s) of the claim/lawsuit:

- 1) DDA Seifert pursued two separate legal theories against two defendants in separate trials.
- 2) The continued pursuit by the Office to oppose Plaintiff's various post-conviction motions from 1983 to 2021, when some potential Brady material was discovered post-conviction in the 1990s

2. Briefly describe recommended corrective actions:

(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

No corrective action plan is needed as to root cause 1. DDA Seifert operated outside of policy and committed misconduct. DDA Seifert retired from the Department in 2000. As to the second cause, since 1983, the Office has established robust training, dedicated personnel, and several systems to ensure Brady compliance and to review cases post-conviction for issues of misconduct and factual innocence.

3. Are the corrective actions addressing department-wide system issues?

☐ Yes – The corrective actions address department-wide system issues.

X No – The corrective actions are only applicable to the affected parties.
