Date of incident/event:	May 20, 2020, at approximately 3:30 p.m.
Briefly provide a description of the incident/event:	<p>Summary Corrective Action Plan 2023-112</p> <p>Details provided in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident.</p> <p>Various investigative reports indicated, on May 20, 2020, at approximately 3:30 p.m., an on-duty Los Angeles County Sheriff's Department Sergeant, assigned to Industry Station, was driving Code-3 in a marked Sheriff's patrol vehicle south on Hacienda Boulevard. As he approached the four-way intersection of Colima Road in Hacienda Heights, he was involved in a traffic collision.</p> <p>Sergeant One was driving southbound on Hacienda Boulevard with his vehicle's lights and sirens on, as he responded to an assistance call for service. As he approached the intersection, there was a vehicle stopped at the intersection, he sounded his [airhorn] and the vehicle turned right onto westbound Colima Road. The Sergeant cleared lane-by-lane and began and proceeded to drive through the intersection from the right turn lane.</p> <p>The Plaintiff was the passenger in her daughter's (Driver Two) vehicle, who was driving eastbound on Colima Road, in the number one lane.</p> <p>The Plaintiff's daughter's vehicle struck the passenger side of the Sergeant's marked patrol vehicle, causing his vehicle to spin and collide with another vehicle (Driver Three), which was waiting in the northbound turn lane on Hacienda Boulevard (Driver Three is not part of this lawsuit).</p> <p>The Los Angeles County Fire Department responded to the collision. The Plaintiff was treated for her injuries sustained in the traffic collision and subsequently transported to the hospital for additional treatment.</p> <p>At the time of the collision, the Sergeant was wearing his seatbelt and complained of pain to his right side, elbow, and left hand as a result of the collision.</p> <p>The patrol vehicle and the Plaintiff's daughter's vehicle sustained major damage; both vehicles were towed from the scene.</p> <p>A Los Angeles County Sheriff's Department sergeant from Industry Station was notified of the traffic collision and responded to the location.</p> <p>The Sergeant authored a Supervisor's Report of Incident and Damage to County Vehicle investigation.</p>

	<p>California Highway Patrol Officers responded and completed a traffic collision investigation. Their investigation concluded the involved Sergeant was the primary cause of the collision by failing to yield the right-of-way to approaching traffic.</p> <p>The involved Sergeant's statement is based on the Supervisor's Report of Incident or Damage to County Vehicle:</p> <p>The Sergeant stated he was driving Code-3 (lights and sirens) on Hacienda Boulevard when he entered the intersection at Colima Road. The Sergeant stated he cleared both the left turning lane and the number one lane. As the Sergeant [attempted] to clear the number two lane, Driver Two collided with his patrol vehicle. Traffic Collision Assessment and Review

As a result of this collision, an assessment of employees involved traffic collisions from January 1, 2017, to December 31, 2021, was conducted a traffic collision audit. The audit revealed the following:

Calendar Year	Preventable Collisions	Non-Preventable Collisions
2017	23	10
2018	22	13
2019	24	13
2020	19	7
2021	10	10

98 preventable collisions occurred during the past five years.

27% of preventable collisions involved fixed objects or parked vehicles during low-speed parking or starting maneuvers.

The most common causal factor was unsafe starting or backing.

Based on the results of the audit, a comprehensive Traffic Collision Reduction Plan was developed and implemented at Norwalk Station in early 2016. Since the implementation of the Traffic Collision Reduction Plan there has been a noticeable reduction of on-duty preventable traffic collisions each year.

To improve employee safety and reduce the Department's liability exposure, Norwalk Station continually schedules personnel to attend the Department's Sheriff Traffic Accident Reduction (STAR) driving program. This program focuses on low-speed parking and starting maneuvers, hosted at the Los Angeles County Sheriff's Department's Emergency Vehicle Operations Center. Since this incident, several station employees have successfully completed the STAR driving program.
