

Board of Supervisors Health and Mental Health Cluster Agenda Review Meeting

DATE: October 28, 2026

TIME: 11:30 a.m. – 1:30 p.m.

MEETING CHAIR: Jazmine Garcia-Delgadillo, 1ST Supervisorial District

CEO MEETING FACILITATOR: Kieu-Anh King/Gustavo Medrano

THIS MEETING IS HELD UNDER THE GUIDELINES OF BOARD POLICY 3.055

To participate in the meeting in-person, the meeting location is:

Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012
Room 140

To participate in the meeting virtually, please call teleconference number:

1 (323) 776-6996 and enter the following: 330 628 704# or click here on a smartphone:

[Tel:+13237766996,330628704#](tel:+13237766996,330628704#)

[Click here to join the meeting](#) on Microsoft Teams

For Spanish Interpretation, the Public should send emails within 48 hours in advance of the meeting to ClusterAccommodationRequest@bos.lacounty.gov

Para solicitar interpretación al español, por favor envíen un correo electrónico con al menos 48 horas de anticipación a la reunión a ClusterAccommodationRequest@bos.lacounty.gov

Members of the Public may address the Health and Mental Health Services Meeting on any agenda item. One (1) minute is allowed for each item.

THIS TELECONFERENCE WILL BE MUTED FOR ALL CALLERS. PLEASE DIAL *6 TO UNMUTE YOUR PHONE WHEN IT IS YOUR TIME TO SPEAK.

I. Call to order

II. **Presentation Items:**

- a. Public Works/LA Health Services:** Harbor-UCLA MC Replacement Program – use Job Order Contract to deliver the Inpatient Tower 8th- and 9th-Floor remodel.

Speakers: Gillian Tiede, Assistant Deputy Director; Slavko Vukic, Senior Capital Projects Manager, Department of Public Works; Stephen Scott, Admin, Contract PGMS & Special Services, LA Health Services

- b. Department of Public Health:** Approval of an Ordinance to Amend Los Angeles County Code, Title 8 – Consumer Protection, Business and Wage Regulations to Implement New and Revised Public Health Fees and Modifies or Establishes New Business Category Definitions (08937)

Speakers: Liza Frias, R.E.H.S., Director of Environmental Health Division; Azar Kattan, J.D., M.P.H., Health Protection Bureau Director; Anish Mahajan, M.D., M.S., M.P.H., Chief Deputy Director, Department of Public Health

- III. Items Continued from a Previous Meeting of the Board of Supervisors or from the Previous Agenda Review Meeting
- IV. Items not on the posted agenda for matters requiring immediate action because of an emergency situation, or where the need to take immediate action came to the attention of the Department subsequent to the posting of the agenda.
- V. Public Comment
- VI. Adjournment

IF YOU WOULD LIKE TO EMAIL A COMMENT ON AN ITEM ON THE HEALTH AND MENTAL HEALTH SERVICES CLUSTER AGENDA, PLEASE USE THE FOLLOWING EMAIL AND INCLUDE THE AGENDA NUMBER YOU ARE COMMENTING ON:

HEALTH_AND_MENTAL_HEALTH_SERVICES@CEO.LACOUNTY.GOV

DEADLINES/ TIME CONSTRAINTS	Design and procurement must proceed in fall 2026 to ensure the completion of the work prior to the Inpatient Tower opening in 2028.	
COST & FUNDING	Total cost: \$0	Funding source: Project is debt-financed through short-term Notes, long-term Bonds, or a combination of both types of financing mechanisms. There is no change to the \$1,806,000,000 Board-approved project budget.
	TERMS (if applicable): N/A	
	Explanation: N/A	
PURPOSE OF REQUEST	Public Works is seeking Board approval to deliver the Inpatient Tower 8th- and 9th-Floor remodel using Board-approved Job Order Contract.	
BACKGROUND (include internal/external issues that may exist including any related motions)	On February 8, 2022, the Board approved a total project budget of \$1,695,000,000 and a Design-Build Agreement with Hensel Phelps Construction Company. Since then, the Board approved a total of 23 construction change orders with a combined total not-to-exceed value of \$64,977,890 and funded within the Board-approved project budget. On June 25, 2024, and January 21, 2025, the Board approved the revised project budget of \$1,755,000,000 and \$1,806,000,000, respectively. Design and procurement proceeded in fall 2026 to ensure the completion of the work prior to the Inpatient Tower opening in 2028. The proposed scope is to remodel the Inpatient Tower's 8th and 9th Floor to house the executive suite, including the remodeling on the 8th Floor to provide private offices and support spaces and remodeling of the shelled space on the 9th Floor to house programs displaced by the work on the 8th Floor. The work will include room finishes, mechanical, electrical, and plumbing utilities. The total square footage of the remodeled areas is 3,900 square feet. Public Works is proposing to deliver the Inpatient Tower 8th- and 9th-Floor remodel work using Board-approved Job Order Contract. Construction is anticipated to be complete before the Inpatient Tower opening in 2028.	

EQUITY INDEX OR LENS WAS UTILIZED	☒ Yes ☒ No If Yes, please explain how: The project will ensure that medical and mental health services continue to be provided to a community that has been historically underserved.
SUPPORTS ONE OF THE NINE BOARD PRIORITIES	☒ Yes ☐ No If Yes, please state which one(s) and explain how: The project supports Board Priority No. 2, Health Integration/Alliance for Health Integration by consolidating all inpatient and outpatient clinical and mental health services on the Harbor-UCLA Medical Center.

FISCAL YEAR 2026-27
(SUPERVISORIAL DISTRICT 2)
(3-VOTES)**

SUBJECT

Public Works is seeking Board approval to deliver the Inpatient Tower 8th- and 9th-Floor remodel for the Harbor-UCLA Medical Center Replacement Program using Board-approved Job Order Contract.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the revised scope of work is within the scope of the environmental impacts analyzed in the previously certified Final Environmental Impact Report and subsequent Addenda Nos. 1, 2, and 3 for the Harbor-UCLA Medical Center Campus Master Plan.
2. Authorize the Director of Public Works or his designee to deliver the Inpatient Tower 8th- and 9th-Floor remodel for the Harbor-UCLA Medical Center Replacement Program using a Board-approved Job Order Contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to find that the scope of work in the proposed Inpatient Tower (IPT) 8th- and 9th-Floor remodel is within the scope of the impacts analyzed in the County's previously certified Final Environmental Impact Report (FEIR) and subsequent Addenda Nos. 1, 2, and 3; and authorize Public Works to deliver this scope of work using Board-approved Job Order Contract (JOC).

Background

Senate Bill 1953 mandates that all California General Acute-Care Hospitals meet structural and nonstructural seismic strengthening requirements by January 1, 2030. The previously approved Harbor-UCLA (H-UCLA) Medical Center Replacement Program will not only bring the hospital into compliance with the mandate, but also consolidate inpatient and outpatient services into new buildings that optimize operational effectiveness, reduce operation and maintenance costs, provide outpatient facilities that accommodate planned patient visits, implement sustainability, and create a campus designed for the wellbeing of patients and staff.

The H-UCLA Medical Center Replacement Program includes construction of an Outpatient/Support Building, which comprises of 233 exam rooms that are distributed across 3 floors of space. The clinics are arrayed throughout the floors to promote an integrated care model that meets patients' complex care needs. The H-UCLA Medical Center Replacement Program also consists of construction of an IPT Building with 347 inpatient beds, new psychiatric emergency department, and permanent rooftop helistop. The current hospital is licensed at 453 beds and runs an average daily census of 312 patients, which has increased steadily over the past 4 years. The industry standard is to estimate census at 85 percent of licensed bed capacity, using this calculation, the proposed licensed capacity of 347 beds is necessary to meet patient demand.

Additionally, the H-UCLA Medical Center Replacement Program includes construction of a 1,500-stall above-grade parking structure; a new Central Utility Plant (CUP) to serve new buildings under the jurisdiction of the California Department of Health Care Access and Information; a new Support Services Building for the campus Information Technology and Facilities staff; a new Regional Laboratory; and related make-ready work, such as several new surface parking lots, a 66-kilovolt electrical substation, a 12-kilovolt electrical building, and tenant improvements.

On February 8, 2022, the Board approved a total project budget of \$1,695,000,000 and a Design-Build contract with Hensel Phelps Construction Company to deliver 6 new buildings and associated site work. The Board also delegated authority to the Director of Public Works to use JOC to carry out the make-ready projects for the H-UCLA

Medical Center Replacement Program, which included demolition of existing structures within the footprint of the new buildings and various remodels to temporarily house tenant departments displaced by the demolition.

On June 25, 2024, the Board approved a revised budget of \$1,755,000,000, an increase of \$60,000,000, to address required design and jurisdictional changes, unforeseen conditions, and issues related to the Design Builder's criteria documents interpretation. On January 21, 2025, the Board approved the revised project budget of \$1,806,000,000, an increase of \$51,000,000, to address additional make-ready project cost and scope increases, soft costs, and future unforeseen conditions.

Also on January 21, 2025, Public Works informed the Board of the remaining make-ready work included a Tenant Improvement (TI) of the Parlow Library to permanently house tenant departments displaced by the H-UCLA Medical Center Replacement Program.

Construction is 81 percent complete. The Support Services Building, Parking Structure A, Outpatient/Support Building, and the Regional Laboratory are complete. Construction of the IPT and CUP began in June 2024 and November 2024, respectively, and are scheduled to be completed by August 2027.

Revised Scope of Work

Chilled and hot water for cooling and heating the Parlow Library is supplied by the existing CUP, which is considered for future demolition. Without the existing CUP, a new utility yard would be required to provide utility services to the Parlow Library at a cost of \$1,900,000, plus annual maintenance and operational costs.

To avoid these additional costs, the Department of Health Services proposes maximizing the use of its existing real estate assets throughout the campus as follows:

1. Remove the Parlow Library TI project from the scope and relocate the departments planned for Parlow to elsewhere on campus.
2. Relocate the H-UCLA executive offices that would be displaced by the tenant departments from the Outpatient/Support Building to IPT. Maintaining executive leadership at IPT will ensure strategic oversight, accessibility, and visibility of quality and patient safety, while also providing the office space needed in the Outpatient/Support Building.

The proposed scope of the 8th- and 9th-Floor remodel includes renovating the 8th Floor of the IPT to provide 6 private offices, workstations for the support staff, kitchenette, waiting areas, and restroom alterations. The work also includes remodeling the shelled

space on the 9th Floor of the IPT to house the wound care space displaced by the work on the 8th Floor. The work will include room finishes, and mechanical and electrical utilities. The total square footage of the remodeled area is 3,900 square feet. The design would be provided by the H-UCLA Medical Center Replacement Program architect/engineer and the remodel work would be delivered using Board-approved JOC. The construction would start immediately after the completion of IPT construction by the Design-Builder and is anticipated to be done in 2028.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 1, Make Investments that Transform Lives, Focus Area Goal A, Healthy Individuals and Families, Strategy ii, Improve Health Outcomes, by promoting comprehensive and inclusive care through investments in public healthcare infrastructure that enhances the quality and delivery of healthcare services to Los Angeles County residents; and North Star 3, Realize Tomorrow's Government Today, Focus Area Goal F, Flexible and Efficient Infrastructure, Strategy ii, Modernize Infrastructure, by evaluating our current capital projects and identifying the need to replace or modernize legacy/obsolete infrastructure.

FISCAL IMPACT/FINANCING

The estimated cost of the IPT 8th- and 9th-Floor remodel is \$3,700,000, including \$3,300,000 for construction, change order contingency, plans and specifications, permit fees, consultant services, inspection services, and County services. The budget for the Parlow Library TI to be removed from the H-UCLA Medical Center Replacement Program scope is \$9,152,115. The net [construction](#) cost reduction of \$5,~~448,852~~[157,115](#) will be reallocated to the H-UCLA Medical Center Replacement Program contingency. There is no change to the \$1,806,000,000 Board-approved project budget as a result of these actions. The Enclosure reflects the reallocation of funding for this work within the approved project budget, as well as adjustments [within the soft cost categories for contract amendments executed under delegated authority](#).

There is no net County cost impact associated with the recommended actions.

Operating Budget Impact

Following completion of the project, Health Services would request and fund annual ongoing maintenance and operational costs, as needed, with departmental resources in future budget phases.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In accordance with Board Policy 5.270, Countywide Local and Targeted Worker Hiring, the remodel work will require that at least 30 percent of the California construction labor hours be performed by qualified Local Residents and at least 10 percent be performed by Targeted Workers facing employment barriers. The project will also include a job coordinator who will facilitate the implementation of the targeted hiring requirement of the policy.

ENVIRONMENTAL DOCUMENTATION

The proposed revised scope of work is within the scope of the impacts analyzed in the FEIR, certified by the Board on December 16, 2016, and subsequent Addenda Nos. 1, 2, and 3 approved by the Board on November 10, 2020, and February 8, 2022, respectively, and there have been no changes to the project or to the circumstances under which it will be undertaken that require further review or findings under the California Environmental Quality Act. The proposed activity, which includes the design and construction of the IPT 8th- and 9th-Floors Remodel are within the scope of impacts analyzed in the FEIR and certified Addendum No. 3. The Mitigation Monitoring and Reporting Program, Environmental Findings of Fact, and Statement of Overriding Considerations adopted at the time of FEIR certification will continue to apply.

The location of the documents, including the previously certified FEIR, Addenda and related environmental documents, and other materials constituting the record of the proceedings upon which the Board's decision is based on this matter is with Public Works, Project Management Division I, 900 South Fremont Avenue, 5th Floor, Alhambra, CA 91803. The previously certified FEIR and Addenda are available at the location above and can also be viewed online at <https://pw.lacounty.gov/harbor-ucla-rp/>. The custodian of such documents and records is the H-UCLA Replacement Program Project Manager.

Upon the Board's approval of the recommended actions, Public Works will file a Notice of Determination with the Registrar-Recorder/County Clerk and the State Clearinghouse in the Office of Land Use and Climate Innovation in accordance with Section 21152 (a) of the California Public Resources Code and will post the notice to its website pursuant to Section 21092.2.

CONTRACTING PROCESS

Public Works will utilize an existing Board-approved architect/engineer to complete the design and is requesting Board authorization to carry out the construction using Board-approved JOC.

The Honorable Board of Supervisors
November 17, 2026
Page 6

The proposed scope includes remodeling work, and Public Works has made the determination that the use of JOC is an appropriate contracting method to deliver this scope.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended actions will not result in any additional impacts to the current services on the H-UCLA Medical Center campus.

CONCLUSION

Please return one adopted copy of this Board letter to Public Works, Project Management Division I.

Respectfully submitted,

MARK PESTRELLA, PE
Director of Public Works

	TERMS (if applicable):	
	Explanation:	
PURPOSE OF REQUEST	To implement new and revised public health fees and modify business category definitions	
BACKGROUND (include internal/external issues that may exist including any related motions)	The Department of Public Health's Environmental Health (EH) Division requires a fee adjustment to fully recover the rising costs of providing essential, mandated public health services and to reduce reliance on Net County Cost. On April 24, 2018, the Board approved an ordinance adjusting public health permits and service fees for Fiscal Year (FY) 2018–19. This adjustment was designed to allow the EH Division to recover the costs of its fee-supported programs. However, these FY 2018–19 changes represent the last time fees were adjusted. Since FY 2018-19, EH Division's total operating costs have increased, primarily due to cost-of-living adjustments (COLAs), rising employee benefits costs, inflation pressures, increased direct and indirect costs associated with services rendered and the implementation of new laws and regulatory mandates. Between FYs 2019-20 and 2025-26, the Consumer Price Index (CPI) increased by about 25% and COLAs approved for County workers totaled 20.5%. However, the revenues collected from	

	public health fees have remained unchanged during this period and current fees do not reflect increases in the overall costs of providing services. Since 2022, Public Health-EH's responsibility to protect public health and to provide mandated services has increased through consistent growth in programs, new laws and regulatory mandates, and the demand for more efficient plan reviews, consultation, and approval of services. Multiple local ordinances that have been adopted since 2020 include: 1) Rental Housing Habitability Program; 2) Microenterprise Home Kitchen Operation Program; 3) Compact Mobile Food Operations; 4) Roxie's Swim Safe Ordinance; 5) Elena Matyas Children's Camp Safety Ordinance; 6) Massage Establishments; and 7) Indoor Maximum Temperature Threshold Ordinance. Collectively, these programs require significant administrative and operational resources. The implementation of these ordinances and programs involved substantial programmatic development along with additional staffing. In addition to direct staffing needs, these initiatives demand expanded inspection capacity, compliance monitoring, information technology support, and customer service functions. Because current fees have not kept pace with these expanded duties, they are no longer adequate to cover operations. The proposed fee increases are strictly structured around cost recovery, not revenue generation. The updated fees will support the EH Division's capacity to perform inspections, execute plan check reviews, and fulfill requested services, ensuring the continuous protection of public health across the jurisdiction.

DRAFT

November 17, 2026

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AN ORDINANCE TO AMEND LOS ANGELES COUNTY CODE
TITLE 8 - CONSUMER PROTECTION, BUSINESS AND WAGE REGULATIONS,
TO IMPLEMENT NEW AND REVISED PUBLIC HEALTH FEES AND MODIFY
BUSINESS CATEGORY DEFINITIONS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Approval of an ordinance to amend Los Angeles County Code, Title 8 - Consumer Protection, Business and Wage Regulations, to implement new and revised public health fees, modifies and/or establishes new business category definitions and allows for an annual adjustment of fees.

IT IS RECOMMENDED THAT THE BOARD

Introduce, waive reading and adopt the attached ordinance (Exhibit A) that amends the Los Angeles County Code (LACC) Title 8 - Consumer Protection, Business and Wage Regulations, and establishes new and revises existing public health fees; modifies and clarifies definitions and general permitting requirements in Title 8, and authorizes annual adjustment of fees based on the Consumer Price Index and Cost of Living Adjustments, subject to review and approval by Auditor-Controller and County Counsel and notification to your Board and CEO. Annual fee adjustments are authorized for a period of five years, after which Public Health will return to the Board.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On April 24, 2018, your Board approved an ordinance adjusting existing public health permits, and service fees, effective fiscal year (FY) 2018-19. This adjustment was intended to allow the Department of Public Health's (Public Health) Environmental Health (EH) Division to recover the costs of fee-supported programs. At that time, a fee increase of 22% was needed to fully recover program costs, yet the final Board approved fee increase was set at 15%. The fee changes implemented in FY 2018-19 were the last adjustments made to public health permits and service fees, and the fees have remained the same during the subsequent seven fiscal years.

Since FY 2018-19, EH Division's total operating costs have increased, primarily due to cost-of-living adjustments (COLAs), rising employee benefits costs, inflation pressures, increased direct and indirect costs associated with services rendered and the implementation of new laws and regulatory mandates. Between FYs 2019-20 and 2025-26, the Consumer Price Index (CPI) increased by about 25% and COLAs approved for County workers totaled 20.5%. However, the revenues collected from public health fees have remained unchanged during this period and current fees do not reflect increases in the overall costs of providing services.

Since 2022, Public Health-EH's responsibility to protect public health and to provide mandated services has increased through consistent growth in programs, new laws and regulatory mandates, and the demand for more efficient plan reviews, consultation, and approval of services. Multiple local ordinances that have been adopted since 2020 include: 1) Rental Housing Habitability Program; 2) Microenterprise Home Kitchen Operation Program; 3) Compact Mobile Food Operations; 4) Roxie's Swim Safe Ordinance; 5) Elena Matyas Children's Camp Safety Ordinance; 6) Massage Establishments; and 7) Indoor Maximum Temperature Threshold Ordinance. Collectively, these programs require significant administrative and operational resources. The implementation of these ordinances and programs involved substantial programmatic development along with additional staffing. In addition to direct staffing needs, these initiatives demand expanded inspection capacity, compliance monitoring, information technology support, and customer service functions.

As a result, current fees no longer adequately cover the rising costs of services, even though under State law and County Code, fee revenue is expected to cover the operational costs associated with providing mandated EH services. The proposed fee increases will support EH's ability to provide services related to inspections, plan check reviews, and requested services.

The proposed public health fee increases were developed using a time study conducted over two fiscal years (FYs 2022-23 and 23-24). This analysis measured workload and resource needs, providing an objective foundation for planning, staffing, and operational decision-making. The time study is a transparent, data-driven approach for updating public health fees and ensures that the proposed amounts accurately reflect the true cost of delivering services. The time study was conducted in accordance with the Auditor-Controller's established methodology.

Aligning fees with documented workload helps maintain adequate staffing levels, meet mandated response timelines, and support consistent enforcement of public health standards. Collectively, these fee adjustments strengthen Public Health-EH's ability to protect community health outcomes in a cost-effective manner while sustaining service quality for regulated businesses and the public.

The proposed fees were also evaluated against current market conditions through a comparison with neighboring jurisdictions, including Orange County, City of Pasadena, City of Long Beach, Riverside County, San Diego County, San Bernardino County, and Ventura County. As the most populous county in the United States, Los Angeles County is responsible for serving a significantly larger and more complex environmental health division than neighboring jurisdictions. With a population of 9.69 million reported in the July 2025 U.S. Census Population Estimates, Public Health manages a higher volume of regulated facilities and conducts inspections across one of the most diverse and densely populated areas in the nation. In contrast, neighboring counties have substantially smaller populations and fewer permittees. San Diego County's population size is approximately 3.3 million, Orange County 3.1 million, Riverside County 2.4 million, San Bernardino County 2.1 million, and Ventura County 844,300. The City of Pasadena, which operates its own public health department, has a population of 138,700, further illustrating the scale differences among jurisdictions referenced.

This scale directly impacts staffing needs, inspection workload, customer service demands, data management, and operational capacity. In comparison to regional jurisdictions, Los Angeles County's size and density require a larger infrastructure to ensure regulatory compliance and maintain mandated response times. As such, operational demands in Los Angeles County exceed those of neighboring counties and cities in volume and complexity. Tables 1-4 provides some examples of how Public Health's proposed service fees compare with regional jurisdictions with similar services.

Table 1 - Retail Food Facility Permit Fee Comparison Across Regional Environmental Health Programs

RETAIL FOOD - PERMANENT FOOD FACILITIES							
PERMIT FEES	LOS ANGELES PROPOSED NEW FEE	PASADENA	LONG BEACH	ORANGE	VENTURA	SAN DIEGO	SAN BERNARDINO
RESTAURANT (0-30 SEATS) LOW RISK	\$480	\$799 - \$1,024	\$880 - \$1,136	\$473	\$764	\$842 - \$2,087	\$622
RESTAURANT (31-60 SEATS) MODERATE RISK	\$1,004	\$1,301	N/A	\$901	\$764 - \$1,127	\$842 - \$2,087	\$622 - \$731
RESTAURANT (61-150 SEATS) HIGH RISK	\$1,926	\$1,460 - \$1,850	\$1,862 - \$1,963	\$1,378 - \$1,516	\$1,127 - \$1,377	\$842 - \$2,087	\$731 - \$841
RESTAURANT (151+ SEATS) HIGH RISK	\$2,031	\$1,888 - \$2,131	\$1,995 - \$2,176	\$1,717 - \$1,804	\$1,377	\$842 - \$2,087	\$841

PUBLIC SWIMMING POOLS								
PERMIT FEES	LOS ANGELES PROPOSED NEW FEE	PASADENA	LONG BEACH	ORANGE	VENTURA	SAN DIEGO	RIVER-SIDE	SAN BERNARDINO
SWIMMING POOL LOW RISK 1	\$405	\$460	\$491	\$429	\$446-\$718	\$468	\$463	\$584

As the examples above demonstrate, the proposed fees, updated to include the impact of CPI and COLAs since FY 2018-19, are comparable to the fees currently assessed by surrounding jurisdictions.

Recommendation 1 will also implement approximately 48 new environmental health fees. These new fees include categories such as Cottage Food Operators Application Review, League and Booster Snack Bar, Community Event Organizer, Satellite Food Service, Centralized Warewashing Facility, and School Cafeterias (See Exhibit A for the full list of proposed increased fees and new public health fees). Additionally, service charges, which cover fees for services provided by Public Health-EH including inspections, evaluations, reports, or approvals

requested by other governmental jurisdictions or individuals, are also adjusted to recover the costs of providing these services.

Consumer Price Index and Cost of Living Adjustments

The ordinance authorizes the Director of Public Health to adjust public health fees each fiscal year based on Board approved cost-of living (COLA) adjustments to associated labor costs and Consumer Price Index (CPI) changes to account for inflation in service and supply costs. Beginning with FY 2027-28 billing, CPI adjustments would be based on the March-to-March percentage change in the CPI for all urban consumers in the Los Angeles-Long Beach-Anaheim area, as published by the United States Government Bureau of Labor Statistics. CPI adjustments would not decrease fees, and updated fees would be published on Public Health's website.

CPI-based fee adjustments are already used by other County departments, including the Department of Regional Planning (Planning Department) and Los Angeles County Fire Department, to update their service fees annually. Establishing a similar process for Public Health-EH would help fees keep up to date with service costs, and support required operations and mandated services. In addition, annual adjustment of fees based on CPI and COLAs will preclude the need in the future for a large one-time increase to make up for multiple years of cost inflation.

No fee shall exceed the reasonable cost of providing the service for which it is imposed. If the Director determines that the amount necessary to recover the cost of providing the service exceeds the adjustments authorized by the ordinance, the Director may submit a new fee proposal to the Board for consideration and approval.

The authority to make annual fee adjustments would be limited to five-year periods, with Board approval required to authorize adjustments for each subsequent five-year period. Before seeking approval, Public Health would conduct a review of its fees and associated costs to ensure that the fees accurately reflect the reasonable costs of providing services.

Annual CPI and COLA adjustments are subject to review and approval by the Auditor-Controller and County Counsel, with notification provided to your Board and the Chief Executive Office (CEO).

Stakeholder Engagement

Public Health-EH has completed outreach to stakeholders impacted by the proposed fee package and changes to the Title 8 Ordinance. Over 31,000 invitations were sent out via email to permittee contacts in the EH system for ten webinar sessions hosted in multiple languages, with 169 individuals participating in the webinars. Additionally, an in-person meeting was held with Retail Food Industry partners with 75 invited and 53 in attendance. All webinars are posted online along with the proposed fee changes.

To maintain complete transparency and provide an ongoing resource for those unable to attend the live sessions, full audio and visual recordings of these meetings were published and archived on the Public Health-EH website for public viewing. As of October 14, 2026, the Public Health webpage dedicated to the proposed fee adjustments has received a total of 3,481 views. This page serves as a central hub for all stakeholder resources, including detailed adjustments, fact sheets, webinar recordings, and the feedback survey. Additionally, Public Health's accompanying social media post has garnered 4,055 views.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan North Star 1 - Make Investments that Transform Lives, Focus Area A, Healthy Individuals and Families, and North Star 2 - Make Investments that Transform Lives, Focus Area A, Public Health.

FISCAL IMPACT/FINANCING

The last fee adjustment adopted by your Board was in FY 2018-19, at which time the Public Health-EH operating budget was approximately \$104.2 million. At that time, a 22% increase was needed to fully close the Division's funding gap; however, the Board approved a 15% increase, leaving a remaining 7% shortfall that carried forward into future years and continued to grow.

Since then, the operating budget has increased to \$131.2 million, a 26% rise, reflecting rising service delivery costs and the expansion of environmental health programs, including recreational waters, land use, solid waste management, specialized food services, lodging and institutions, outbreak investigations, and rental housing. Additional factors such as increasing COLAs, inflation pressures, rising employee benefits, and indirect costs have further contributed to the upward pressure on the budget. To cover the gap in fee revenue compared to cost growth, EH is steadily spending down a non-renewing operational reserve fund.

If the proposed fee adjustment package is not approved and fees were to stay at the FY2018-19 levels, the remaining available operational reserve will be fully expended during FY 2027-28, resulting in an operating deficit of \$256,000. The operating deficit will increase to \$42.2 million by the end of FY 2028-29, \$89.5M by end of FY29-30, and continue to grow further in the out years. The resulting operational deficits would require a hiring freeze, and, in the absence of an alternate source of funding, workforce reductions. This would significantly strain Public-Health EH's ability to comply with Section 114380 of the California Health and Safety Code, which mandates that food facility plan reviews must be approved or denied within 20 working days of receipt and submitted corrections within 10 days. In addition, current procedures that optimize public health protection by instituting both routine and complaints-based inspections may need to be curtailed to be solely a complaints-based system. Reduced staffing may lead to backlogs in plan reviews, inspections, complaint investigations and permitting activities. This will negatively impact processing timelines and reduce the overall productivity of the Division. The overall impact would be an increased risk of foodborne illness outbreaks, undetected violations, or other adverse public health outcomes.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under State law, Public Health-EH is authorized to collect fees to offset reasonable expenses that arise from inspection and enforcement activities for the expenses incurred from enforcing the California Health and Safety Code and Los Angeles County Code. Public Health-EH is required to provide services such as, but not limited to, inspections and investigations related to food, housing, drinking water, public swimming pools, body art facilities, cannabis facilities, and septic systems. Pursuant to State and local laws, Public Health-EH has authority to carry out regulatory activities to protect public health and safety. The regulatory activities are intended to be supported through the collection of permit fees and other service charges.

The public health fees comply with the constitutional definition of a regulatory fee under Proposition 26. The fees are based on a cost recovery methodology and are limited to the reasonable cost of providing specific services directly to the fee payer, such as inspections, plan review, permitting, and enforcement activities. The proposed adjustments do not exceed the actual cost of delivering these services and therefore qualify as regulatory fees rather than taxes.

The Auditor-Controller has reviewed and approved the proposed fees as to reasonableness. County Counsel has reviewed and approved Exhibit A as to form.

ENVIRONMENTAL DOCUMENTATION

The adoption of the revised ordinance is for the purpose of meeting operating expenses and is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Section 15273(a) of the California Environmental Quality Act Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

If adopted, the ordinance will update fees to allow Public Health-EH to recover operating costs, implement new fees, and modify plan check service fees to fully recover costs for services provided. Public Health will continue to look for efficiencies in its business practices, improve service quality and access, and advocate for health equity.

The Honorable Board of Supervisors

ANALYSIS

This Ordinance amends Title 8 – Consumer Protection, Business, and Wage Regulations of the Los Angeles County Code, to update definitions, permit and registration fees, and penalties. This ordinance:

- Clarifies the definitions of this Chapter;
- Updates the permit and registration fees for all businesses and facilities under the jurisdiction of Public Health;
- Increases the penalties for violations of this Chapter; and
- Provides for the increasing of fees pursuant to the Consumer Price Index and Cost of Living annual adjustments.

DAWYN R. HARRISON
County Counsel

Revised 10/13/26

ORDINANCE NO. _____

An Ordinance amending Title 8 – Consumer Protection, Business, and Wage Regulations of the Los Angeles County Code, to update definitions, permit and registration fees, and penalties.

The Board of Supervisors of the County of Los Angeles ordains as follows:

SECTION 1. Section 8.04.020 is hereby amended to read as follows:

8.04.020 Interpretation of Tense, Gender, and Number.

In this ~~Chapter~~, the present tense includes the past and future tenses and the future tense includes the present; ~~the masculine gender includes the feminine and neuter; the singular number includes the plural and the plural includes the singular~~ all gender-specific terms are intended to be inclusive of all genders. Words used in any gender include all other genders.

SECTION 2. Section 8.04.023 is hereby added to read as follows:

8.04.023 Alternate Water System.

"Alternate Water System" means a plumbing system designed to collect, convey, store, and distribute non-potable water, with or without treatment, for approved indoor and outdoor uses with a non-potable source of water used for a beneficial purpose. Sources of alternate water include, but are not limited to, treated and untreated graywater, treated and untreated rainwater, treated stormwater, and reclaimed (recycled) water.

A. "Graywater System" means a plumbing system designed to collect, convey, treat, store, and distribute graywater for approved indoor and outdoor non-

potable uses. A Graywater System includes all piping, diversion devices, treatment components, storage tanks (if provided), distribution methods, appurtenances, and controls necessary to safely reuse graywater in accordance with applicable regulations. Graywater Systems shall be designed, installed, operated, and maintained to prevent cross-connection with potable water systems and to protect public health. "Graywater" includes, but is not limited to, wastewater from bathtubs, showers, bathroom washbasins, and clothes washing machines, and laundry tubs, but does not include wastewater from toilets, kitchen sinks, or dishwashers.

B. "Rainwater System" means a plumbing system designed to collect, convey, store, treat, and distribute rainwater captured from roof surfaces or other approved collection areas for approved indoor and outdoor non-potable uses. A Rainwater System includes all piping, gutters, downspouts, conveyance piping, storage tanks or cisterns, treatment components, distribution piping, appurtenances, and controls necessary to safely reuse rainwater in accordance with the applicable regulations. Rainwater Systems shall be designed, installed, operated, and maintained to prevent cross-connection with potable water systems and to protect public health. "Rainwater" means precipitation from rain or snowmelt events that is collected directly from a roof surface not subject to public access on any public or private parcel that has not entered an off-site storm drain system or channel, a flood control channel, or any other stream channel, and has not previously been put to beneficial use.

C. "Recycled Water System" means a piping and distribution system designed to convey recycled water from an approved treatment facility to points of use

for approved indoor and outdoor non-potable applications. A Recycled Water System includes all piping, valves, meters, storage facilities (if provided), appurtenances, controls, and identification features necessary to safely distribute recycled water in accordance with Title 28 of the Los Angeles County Code, the California Plumbing Code, and applicable State Water Resources Control Board regulations. Recycled Water Systems shall be designed, installed, operated, and maintained to prevent cross-connection with potable water systems and to protect public health.

D. "Recycled Water" means recycled water as defined in California Water Code section 13050(n).

E. "Stormwater System" means precipitation runoff from rain or snow melt that flows over land and/or impervious surfaces, such as, but not limited to, streets and parking lots, and roofs with public access, a system of facilities designed to collect, convey, detain, treat, infiltrate, or discharge stormwater runoff generated from precipitation that has left a distinct parcel and entered a municipal stormwater system or conveyances owned by a State, city, county, or other public entity that collects rainwater that discharges to waters of the United States. A Stormwater System includes inlets, catch basins, gutters, swales, pipes, channels, detention or retention facilities, treatment devices, infiltration systems, and related appurtenances. Stormwater Systems are intended to manage runoff quantity and quality and are not designed for potable or non-potable water reuse unless specifically permitted and treated in accordance with the requirements of Title 28 of the Los Angeles County Code and other applicable regulatory requirements.

SECTION 3. Section 8.04.025 is hereby deleted in its entirety:

~~8.04.025~~ ~~Animal Food Market.~~

~~"Animal Food Market" means a retail facility selling pet food or livestock feed, either packaged or in bulk.~~

SECTION 4. Section 8.04.030 is hereby amended to read as follows:

8.04.030 Animal Keeper—Category I.

"Animal Keeper, Category I" means any person who is not an Animal Keeper, Category II, ~~and not~~ or an Animal Keeper, Category III, who does one or more of the following for commercial use:

A. Has, keeps, maintains, or raises 10 or more but not more than 49 animals of the same or different classifications of ~~the horse,~~ including pony, mule or donkey, cow, sheep, goat, or hog species;

B. Has, keeps, maintains, or raises 50 or more but not more than 499 rabbits or hares;

C. ~~Has, keeps, maintains, or raises five or more but not more than 49 horses, including ponies, mules, or donkeys.~~

SECTION 5. Section 8.04.052 is hereby added to read as follows:

8.04.052 Aquatic Safety Plan Inspection.

"Aquatic Safety Plan Inspection" means an inspection to ensure compliance with Section 11.32.050 of this Code.

SECTION 6. Section 8.04.055 is hereby amended to read as follows:

8.04.055 Backflow Prevention Device.

"Backflow Prevention Device" means a plumbing device that prevents a cross-connection, as defined in Section 11.38.030 of this Code. "Backflow Prevention Device" shall include, ~~but is not limited to,~~ devices as approved by the County Health Officer in accordance with California Health and Safety Code sections 116800-116810, California Plumbing Code section 603.2, and ~~the~~ Title 17 of the California Code of Regulations, ~~Title 17,~~ section 7583.

SECTION 7. Section 8.04.064 is hereby amended to read as follows:

8.04.064 Body Art Facility.

"Body Art Facility" means a ~~body art~~ facility as defined in the California Health and Safety Code section 119301(d).

A. "Body Art Facility, with Single-Use Instruments" means a Body Art Facility that only utilizes disposable single-use needles and needle bars as outlined in California Health and Safety Code section 119315.

B. "Body Art Facility, with Sterilizer" means a Body Art Facility that performs sterilization as outlined in California Health and Safety Code section 119315.

C. "Body Art Facility, Temporary" means a Body Art Facility which operates for up to seven (7) days in a ninety (90) day period at a body art event.

D. "Body Art Temporary Event, Sponsor" means the person who is responsible for the maintenance of all areas and facilities that are used by the public, or are shared by Temporary Body Art Facilities, at an event with one or more

Temporary Body Art Facilities, as specified in California Health and Safety Code sections 119301(y) and 119318.

E. "Body Art, Mobile Facility" means a vehicle that has been fitted or designed to perform body art as approved by the County Health Officer.

SECTION 8. Section 8.04.067 is hereby amended to read as follows:

8.04.067 ~~Body Art Facility, Temporary~~Building Core Plan.

~~"Body Art Facility, Temporary" means a Body Art Establishment as defined in Section 8.04.064 which operates for up to seven (7) days in a ninety (90) day period at a body art temporary event.~~"Building Core Plan" means construction diagrams that illustrate the basic design of a proposed building, including spaces for future food facilities, common restrooms, common janitorial spaces, exterior grease interceptors, and trash areas. Building Core Plans are submitted when the local building and safety jurisdiction requires Department of Public Health approved plans. A separate plan submission is required for each Food Facility tenant.

SECTION 9. Section 8.04.068 is hereby amended to read as follows:

8.04.068 ~~Body Art Temporary Event, Promoter~~Cannabis Facility.

~~"Body Art Temporary Event, Promoter" means the person who is responsible for the maintenance of all areas and facilities that are used by the public, or are shared by temporary Body Art Facilities, at an event with one or more temporary Body Art Facilities.~~

"Cannabis Facility" means a permanent structure in a fixed location where a cannabis retailer, distributor, manufacturer, cultivator, or microbusiness operates or conducts business.

A. "Cannabis Cultivation Facility" means any activity conducted indoor or outdoor, involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis.

B. "Cannabis Distribution Facility" means the procurement, sale, and transport of cannabis and cannabis products between permittees.

C. "Cannabis Manufacturing Facility" means all aspects of the extraction process, remediation, packaging, and labeling processes, including processing, preparing, holding, and storing of cannabis products, components, and ingredients.

D. "Cannabis Retail Facility" means a building, room, or other area that is open to the public and in which the cannabis goods are sold or displayed.

E. "Cannabis Shared-Use Complex" means a Cannabis Manufacturing Facility operated under a Type 7, Type 6, or Type N State license in which a Type S State licensee is authorized to conduct manufacturing operations.

F. "Cannabis Shared-Use Tenant" means a Person with a Type 7, Type 6, or Type N State license that has applied and been permitted to operate in a permitted Cannabis Shared Use Complex.

SECTION 10. Section 8.04.069 is hereby amended to read as follows:

8.04.069 ~~Caterer~~Catering Facility.

"~~Caterer~~Catering Facility" means a ~~f~~Food f~~Facility~~ at a fixed location where food is prepared for service on-site or at another location pursuant to a written contract or other arrangement and in compliance with the requirements of California Health and Safety Code section 113739.1.

SECTION 11. Section 8.04.070 is hereby amended to read as follows:

8.04.070 ~~Certified Backflow Prevention Device Tester~~Cathodic Protection Well.

~~"Certified Backflow Prevention Device Tester" means any person possessing a currently valid certificate of competence which certifies that he has successfully passed an examination conducted by the County Health Officer which has determined him to be competent to test and make reports on Backflow Prevention Devices.~~ "Cathodic Protection Well" means a cathodic protection well as defined in California Water Code section 13711.

SECTION 12. Section 8.04.071 is hereby amended to read as follows:

8.04.071 ~~Catering Operation.~~Central Warewashing Facility.

~~"Catering Operation" means a food service that is conducted by a permanent Food Facility approved for food preparation where food is served, or limited food preparation is conducted, at a location other than its permitted location, in either of the following circumstances:~~ "Central Warewashing Facility" means a location used for the washing and sanitizing of multi-use utensils, including but not limited to food service

trays, plates, and cutlery that may be shared by more than one Food Facility. A Central Warewashing Facility shall at no time be used for the storage of food.

- ~~1. As part of a contracted off-site food service event.~~
- ~~2. When operating in conjunction with a Host Facility with direct food sales.~~

SECTION 13. Section 8.04.072 is hereby deleted in its entirety:

~~8.04.072 Catering Operation Host Facility.~~

~~"Host Facility" means a facility located in a brewery, winery, commercial building, or another location as approved by the local enforcement agency, that meets applicable requirements to support a Catering Operation that provides food directly to individual consumers for a limited period of time, up to four hours, in any one 12-hour period and that maintains a host facility permit issued by the County Health Officer.~~

SECTION 14. Section 8.04.073 is hereby added to read as follows:

8.04.073 Certified Backflow Prevention Device Tester.

"Certified Backflow Prevention Device Tester" means any person possessing a valid certificate of competence which certifies that they have successfully passed an examination conducted by the County Health Officer which has determined competency to test and make reports on Backflow Prevention Devices.

SECTION 15. Section 8.04.075 is hereby amended to read as follows:

8.04.075 Certified Farmers' Market.

"Certified Farmers' Market" means ~~that portion of a Community Event or other a~~ location, approved by the Los Angeles County Agricultural Commissioner, where agriculture products are sold by producers or certified producers directly to consumers.

~~A Certified Farmers' Market may be operated by one (1) or more certified producers, by a nonprofit organization, or by a local government agency, as specified in California Health and Safety Code section 113742.~~

SECTION 16. Section 8.04.076 is hereby deleted in its entirety:

~~**8.04.076 Certified Farmers' Market Sponsor.**~~

~~"Certified Farmers' Market Sponsor" means a person or organization that operates a location within a Community Event or other location, which location is approved by the Los Angeles County Agricultural Commissioner, and from which agriculture products are sold by producers or certified producers directly to consumers.~~

SECTION 17. Section 8.04.080 is hereby amended to read as follows:

8.04.080 Children's Camp.

A. "Children's Camp" means a site with program(s) and facilities attended by five (5) or more children ages three (3) to seventeen (17) which is established for the primary purpose of providing a group experience with social, spiritual, educational, or recreational objectives, and operates for over three (3) hours per day for at least five (5) days during any twelve (12) -month period.

B. "Children's Camp" does not include the following:

1. Program(s) and facilities subject to licensure by the California Department of Social Services.
2. Any juvenile detention facility.
3. ~~Program(s) and facilities commonly referred to as "drop-in"~~
~~recreation programs in which attendees may participate without signup or registration by~~

~~attendees, or their parents or guardians~~ After school and summer programs provided through a local law enforcement agency and is staffed by the agency personnel.

4. ~~Outdoor education programs and classes offered to students by school districts, county boards of education, or private schools, which are operated pursuant to California Education Code requirements~~ Program(s) and facilities commonly referred to as "drop-in" recreation programs in which attendees may participate without signup or registration by attendees, or their parents or guardians.

5. ~~Organized camps subject to State law and regulation, unless otherwise specified in this division~~ Outdoor education programs and classes offered to students by school districts, county boards of education, or private schools, which are operated pursuant to California Education Code requirements.

6. Organized camps subject to State law and regulation, unless otherwise specified in this Division.

SECTION 18. Section 8.04.082 is hereby amended to read as follows:

8.04.082 Children's Overnight Camp.

A. "Children's Overnight Camp" means a Children's Camp as defined in Section 8.04.080 with two (2) to three (3) overnight stays per group of campers during a season (consecutive 90-day period).

B. A Children's Day Camp which provides only one (1) overnight stay per season (consecutive 90-day period) shall not be considered a Children's Overnight Camp.

SECTION 19. Section 8.04.088 is hereby amended to read as follows:

8.04.088 Community Event.

"Community Event" means an event ~~conducted for not more than twenty-five (25) consecutive or nonconsecutive days in a 90-day period, which is of a public, civic, political, or educational nature, including State and county fairs, city festivals, circuses, carnivals, Certified Farmers' Markets and other public gathering events approved by the County Health Officer~~ as specified in California Health and Safety Code section 113755.

A. "Community Event Organizer" means a person who is responsible for the maintenance of all areas and facilities that are shared by two (2) or more Food Facilities or are shared by three (3) or more Mobile Food Facilities, at a Community Event and Toilet Facilities used by the public.

~~B. "Community Event Organizer/Temporary Food Facility Permit" means written authorization to operate issued by the County Health Officer to a Community Event Organizer or Temporary Food Facility following approval of an application and non-refundable payment of the appropriate service fee.~~

SECTION 20. Section 8.04.090 is hereby amended to read as follows:

8.04.090 ~~Community Water System.~~Community Food Producer.

"Community Food Producer" shall have the same meaning as defined in California Health and Safety Code section 113752.

~~"Community Water System," as used in this Chapter, means a public water system as defined in section 64411, Title 22, California Code of Regulations, that serves at least fifteen (15) service connections used by yearlong residents.~~

SECTION 21. Section 8.04.093 is hereby deleted in its entirety:

~~8.04.093 Contract Water Use Survey.~~

~~"Contract Water Use Survey," as used in this Chapter, means an evaluation, performed pursuant to a written agreement between a water purveyor and the County Health Officer, to determine the need for a Backflow Prevention Device at one or more external service connections, in order to protect the water distribution system from backflow.~~

SECTION 22. Section 8.04.095 is hereby amended to read as follows:

8.04.095 Cottage Food Operation.

"Cottage Food Operation" means an enterprise within the registered or permitted area of a private home where the Cottage Food Operation operator resides and where cottage food products are prepared or packaged, as defined in California Health and Safety Code section 113758.

A. "Cottage Food Operation, Class A" means a Cottage Food Operation that may engage only in direct sales of cottage food products from the Cottage Food Operation or other direct sales, as defined by California Health and Safety Code section 113758(b)(4). The enterprise shall not have gross annual sales that exceed the amounts specified in California Health and Safety Code section 113758.

B. "Cottage Food Operation, Class B" means a Cottage Food Operation that may engage in both direct sales and indirect sales of cottage food products from the Cottage Food Operation, from direct sales venues as defined by California Health and Safety Code sections 113758 (b)(4) and (b)(5), or from a permitted Compact Mobile

Food Operation as defined by California Health and Safety Code section 113831. The enterprise shall not have gross annual sales that exceed the amounts specified in California Health and Safety Code section 113758.

~~C. "Cottage Food Operation, Class B with Compact Mobile Food Operation Storage" means a Cottage Food Operation as defined in Section 8.04.095 that is endorsed for the storage of up to two (2) Compact Mobile Food Operations.~~

SECTION 23. Section 8.04.115 is hereby added to read as follows:

8.04.115 Detention Facility Evaluation.

"Detention Facility Evaluation" means an annual evaluation of the health and sanitary conditions in every county jail, every other publicly operated detention facility in the county and all private work furlough facilities and programs established pursuant to section 1208 of the California Penal Code as specified in California Health and Safety Code section 101045.

SECTION 24. Section 8.04.125 is hereby added to read as follows:

8.04.125 Equipment Evaluation.

"Equipment Evaluation" means an evaluation requested by the operator of a Food Facility of food-related equipment in order to verify that the equipment meets the minimum health and safety requirements and/or sanitation standards, to ensure the equipment can support the menu and method of operation, and the installation does not require a permit from the local building department.

SECTION 25. Section 8.04.127 is hereby added to read as follows:

8.04.127 Exploratory Soil Boring.

"Exploratory Soil Boring" means an uncased, temporary excavation that is used to determine hydrologic conditions at a site.

SECTION 26. Section 8.04.130 is hereby amended to read as follows:

8.04.130 Fertilizer ManufacturerFood Demonstrator.

~~"Fertilizer Manufacturer" means any person engaged in the wholesale business of processing or sacking manure for fertilizer purposes~~"Food Demonstrator" means any person who engages in the business or practice of offering or serving, without charge to the consumer, unpackaged food to the public for the purpose of publicizing, advertising or promoting the sale of food, food products, or food equipment. Food Demonstrator shall not include any person operating a Mobile Food Facility that requires a Public Health Permit and for which a valid Public Health Permit has been obtained.

SECTION 27. Section 8.04.135 is hereby added to read as follows:

8.04.135 Food Equipment Rental Facility.

"Food Equipment Rental Facility" means a Food Facility that offers rental or temporary use of food equipment, including equipment used to prepare, store or serve food, such as reusable dining wear, including plates, utensils, glasses and napkins, to the public.

SECTION 28. Section 8.04.140 is hereby deleted in its entirety:

~~8.04.140~~ ~~Food Demonstrator.~~

~~"Food Demonstrator" means any person who engages in the business or practice of offering or serving, without charge to the consumer, unpackaged bulk food to the public for the purpose of publicizing, advertising or promoting the sale of food, food products or food equipment. "Food Demonstrator" shall not include any person operating a Mobile Food Facility that is otherwise under Public Health Permit and for which a valid Public Health Permit has been obtained.~~

SECTION 29. Section 8.04.142 is hereby amended to read as follows:

8.04.142 Food Facility.

"Food Facility" means a food facility as defined in the California Health and Safety Code section 113789. This includes the categories of Catering Facility, Licensed Health Care Facility, Mobile Food Facility, Restaurant, Retail Food Market, Restricted Food Service Facility, or other facility which provides food for human consumption at the retail level regardless of whether there is a charge for the food.

A. "Food Facility, High Risk" means a Food Facility which meets any of the following criteria:

1. Prepares potentially hazardous food, as defined in California Health and Safety Code section 113871, with extensive menu and handling of raw ingredients. Complex preparation, including cooking, cooling, and/or reheating for hot holding.
2. Prepares food in advance of service and/or for multi-day use.

3. Uses specialized processes (such as acidification, smoking, curing or drying, hazard analysis critical control point plan, reduced oxygen packaging, etc.).

B. "Food Facility, Low Risk" means a Food Facility that meets any of the following criteria:

1. Offers for sale or serves only prepackaged food items; and/or

2. Prepares or serves only non-potentially hazardous foods; and/or

3. Heats only commercially processed, potentially hazardous foods for hot holding; and/or

4. Trims produce for sale without further preparation.

C. "Food Facility, Moderate Risk" means a Food Facility that meets any of the following criteria:

1. Prepares or serves potentially hazardous food in quantities based on projected same day consumer demand and discards potentially hazardous prepared foods that are not sold or served the same day. No cooling or reheating of previously cooked products.

2. Conducts limited food preparation, as defined in California Health and Safety Code section 113818.

3. Cuts, trims or seasons meat, seafood, or poultry for further processing, such as cooking, by the customer.

4. Cuts and/or processes produce. Does not include trimming of produce as specified in California Health and Safety Code section 113791.

SECTION 30. Section 8.04.143 is hereby deleted in its entirety:

~~8.04.143 Food Facility, High Risk.~~

~~"Food Facility, High Risk" means a Food Facility, such as a restaurant, Retail Food Market, Interim Housing Facility, or licensed health care facility, which meets any of the following criteria:~~

~~A. Offers a menu that involves preparation of a variety of potentially hazardous foods as defined in the California Health and Safety Code, section 113871.~~

~~B. Prepares potentially hazardous food in advance of service using a food preparation method that involves two (2) or more steps which may include: combining potentially hazardous ingredients, cooking, cooling, reheating, hot or cold holding, freezing, or thawing.~~

~~C. Prepares foods for multi-day use by the restaurant, retail food market, interim housing facility, or licensed health care facility.~~

~~D. Prepares or processes raw food products such as sushi, meat, seafood, raw sprouts, or poultry.~~

~~E. Processes meat, seafood, or poultry by smoking, curing, or drying.~~

~~F. Uses reduced oxygen packaging methods.~~

~~G. Uses multi-use eating and drinking utensils.~~

SECTION 31. Section 8.04.144 is hereby deleted in its entirety:

~~8.04.144 Food Facility, Low Risk.~~

~~"Food Facility, Low Risk" means a Food Facility, such as any bar serving only alcoholic beverages, a restaurant, Retail Food Market, or licensed health care facility, which meets all of the following criteria:~~

~~A. Offers for sale or serves only Prepackaged Food items;~~

~~B. Prepares or serves only non-potentially hazardous foods or heats only commercially processed, potentially hazardous foods for hot holding; and~~

~~C. Offers only single-use eating and drinking utensils, if utensils are offered.~~

SECTION 32. Section 8.04.145 is hereby deleted in its entirety:

~~**8.04.145 Food Facility Remodel**~~

~~"Food Facility Remodel" means any construction or alteration to an existing Food Facility. Remodeling also includes the installation of equipment or repair to a Food Facility which alters the configuration or method of operation and requires a permit from the local building department. For purposes of this title, a remodel shall be limited to a maximum of 300 square feet of affected area. Facility remodeling areas over 300 square feet shall be assessed the Plan Check and Site Evaluation fee for a new facility of the same size as specified in Section 8.04.725 of this Title.~~

SECTION 33. Section 8.04.146 is hereby deleted in its entirety:

~~**8.04.146 Food Facility, Moderate Risk.**~~

~~"Food Facility, Moderate Risk" means a Food Facility, such as a restaurant, Retail Food Market, licensed health care facility with nonpackaged foods, or a private school cafeteria, except for preschools, which meet the following criteria:~~

~~A. Prepares or serves potentially hazardous food in quantities based on projected same day consumer demand, and discards prepared foods that are not sold or served the same day; and~~

~~B. Uses single use eating and drinking utensils; or~~

~~C. Cuts or trims produce for sale without further preparation.~~

SECTION 34. Section 8.04.147 is hereby added to read as follows:

8.04.147 Food Facility Public Notification Requirements.

A. "Letter Grade" means the alphabetical designation issued by the County Health Officer at the conclusion of the Routine Inspection of a Food Facility. The Letter Grade shall be based upon the Scoring Method set forth in this Section by means of the Official Inspection Report and shall reflect the Food Facility's degree of compliance with all applicable federal and State statutes, orders, quarantines, rules, regulations, or local ordinances and directives relating to the public health.

B. "Scoring Method" means a procedure used by the County Health Officer where a score is calculated by adding values predefined on the Food Official Inspection Report for violations that are observed during an inspection and subtracting that total from one hundred (100). The resulting numerical sum, stated as a percentage, constitutes the score for the inspection.

C. "Letter Grade Card" means a card that may be posted by the County Health Officer at a Food Facility upon completion of a Routine Inspection that indicates the Letter Grade of the Food Facility as determined by the County Health Officer using the Scoring Method set forth in this Section. For the purposes of this provision, a Food

Facility shall include a Food Facility operating in conjunction with a Food Processing Establishment.

D. "Inspection Score Card" means a card that may be posted by the County Health Officer at a Food Facility, upon completion of a Routine Inspection, that indicates the total numerical percentage score less than seventy (70) for the Food Facility as determined by the County Health Officer and as set forth in the Food Official Inspection Report. For the purposes of this Section, a Food Facility shall include a Food Facility operating in conjunction with a Food Processing Establishment.

E. "Change of Ownership Notification Card" means a card posted by the County Health Officer after completing a site evaluation indicating that the ownership of the Food Facility has changed, and an initial Routine Inspection has not been completed under the new ownership. A Change of Ownership Notification Card shall remain posted until the initial Routine Inspection has been completed and a Letter Grade determined based on the result of the Routine Inspection.

F. The County Health Officer, in the County Health Officer's discretion, may immediately close any Food Facility which, upon completion of the Routine Inspection, does not achieve at least a "C" Letter Grade, as defined herein. Nothing in this provision shall prohibit the County Health Officer from immediately closing any Food Facility if, in the County Health Officer's discretion, immediate closure is necessary to protect public health.

G. The Letter Grade for a Food Facility shall be based upon the final numerical percentage score set forth in the Food Official Inspection Report, as follows:

1. A Letter Grade of "A" shall indicate a final score of ninety (90) percent or higher as determined by the County Health Officer;
2. A Letter Grade of "B" shall indicate a final score of less than ninety (90) percent but not less than eighty (80) percent as determined by the County Health Officer; and
3. A Letter Grade of "C" shall indicate a final score less than eighty (80) percent but not less than seventy (70) percent as determined by the County Health Officer.

SECTION 35. Section 8.04.150 is hereby amended to read as follows:

8.04.150 Food Market, Retail.

"Food Market, Retail" means a Food Facility where ~~bakery products, meats, fish, shellfish, seafood, poultry, preserves, dairy products, eggs, ice, candy, fruits, vegetables, spices, herbs, vitamins, food supplements, or any other foods or food products, or beverages, whether in bulk, canned, wrapped, bottled, packaged, or in any other form, are sold or offered for sale at retail for consumption on premises other than where sold.~~ packaged food is sold for off-site preparation and consumption. "Food Market, Retail," however, shall not include any "Food Salvager" as defined in Section 8.04.180.

A. "Retail Food Market" includes, but is not limited to, any vitamin and supplement store, botanica, retail fruit and vegetable market, retail fish market, retail grocery market, convenience store, retail meat market, or combination of those listed.

B. Facilities utilizing an area of less than twenty-five (25) square feet for ~~Retail-Food Market~~ Retail operations, that do not sell or offer for sale foods other than prepackaged candy, prepackaged nuts, chewing gum, bottled soft drinks, or other prepackaged non-potentially hazardous food, shall be exempt from the requirement for a Public Health Permit under this Section.

SECTION 36. Section 8.04.155 is hereby amended to read as follows:

8.04.155 Food Market Complex, Wholesale.

"Food Market Complex, Wholesale" means any establishment, its contents, and the contiguous land or property that rents, leases or lends ~~facilities~~ space to three (3) or more Wholesale Food Markets within said establishment, for the purpose of conducting business as a ~~fFood mMarket, wWholesale. A Food Market Complex, Wholesale, that~~ rents, leases or lends space to no more than two (2) food market, wholesale, facilities, or dedicates a combined total of less than one thousand, five hundred (1,500) square feet for the purpose of operating a food market, wholesale, is exempt from this definition.

SECTION 37. Section 8.04.170 is hereby amended to read as follows:

8.04.170 Food Processing Establishment.

"Food Processing Establishment," ~~as used in this Chapter,~~ means any room, building or place, or portion thereof, maintained, used or operated for the purpose of commercially storing in conjunction with processing, packaging, repackaging, making, cooking, mixing, processing, bottling, packing, or otherwise preparing or handling, food, including ice, for human consumption; provided, however, ~~that for fee purposes the~~

term Food Processing Establishment shall not include a brewery, winery, or any other establishment manufacturing alcoholic beverages or spirits, nor establishments otherwise specifically mentioned in this Chapter.

SECTION 38. Section 8.04.180 is hereby amended to read as follows:

8.04.180 Food Salvager.

"Food Salvager" means any person who engages in the business of reconditioning, labeling, or relabeling repacking, recovering food, as required in California Health and Safety Code section 110340, the sorting, or cleaning, culling, or by other means salvaging, of damaged packaged food and who sells, offers for sale, or distributes for human or animal consumption any salvaged food, beverage (including beer, wine, and distilled spirits), vitamin, food supplement, dentifrice, drug, cosmetic, single-use food container or utensil, soda straws, paper napkins, or any other product of a similar nature ~~that has been damaged or contaminated by fire, water, smoke, chemicals, transit, insects, rodents, or by any other means.~~

SECTION 39. Section 8.04.210 is hereby amended to read as follows:

8.04.210 Food Warehouse.

"Food Warehouse" means any premises, establishment, building, room, area facility, or place used for food storage pending distribution to Retail Food Facilities or Food Establishments. No food is to be offered for direct sale at a Food Warehouse. Examples of a Food Warehouse include, but are not limited to:

1. Cold-storage warehouse ~~except bonded cold storage;~~
2. Fruit and vegetable warehouse;

3. Dry foods warehouse;
4. Ice-storage house;
5. Combination of the above; or
6. Any place, building, structure, room or portion thereof where fruit, vegetables, or any foods are commercially stored, kept or held at any temperature, or where ice is stored, other than any coin-operated ice-vending structure.

SECTION 40. Section 8.04.223 is hereby added to read as follows:

8.04.223 Gleaner.

"Gleaner" means a person as defined in California Health and Safety Code section 113796.

SECTION 41. Section 8.04.225 is hereby deleted in its entirety:

~~8.04.225 Grading, Scoring Method and Letter Grade Card.~~

~~A. "Grading" means the letter grade issued by the County Health Officer at the conclusion of the Routine Inspection of a Food Facility. The grade shall be based upon the scoring method set forth in this Section resulting from the Food Official Inspection Report and shall reflect the Food Facility's degree of compliance with all applicable federal, State and local statutes, orders, ordinances, quarantines, rules, regulations, or directives relating to the public health.~~

~~B. "Scoring Method" means a procedure used by the County Health Officer where a score is calculated by adding values predefined on the Food Official Inspection Report for violations that are observed during an inspection, and subtracting that total~~

~~from one hundred (100). The resulting numerical sum, stated as a percentage, constitutes the score for the inspection.~~

~~C. "Letter Grade Card" means a card that may be posted by the County Health Officer at a Food Facility upon completion of a Routine Inspection that indicates the letter grade of the facility as determined by the County Health Officer using the scoring method set forth in this Section. For the purposes of this provision, a Food Facility shall include a Food Facility operating in conjunction with a Food Processing Establishment.~~

~~D. The County Health Officer, in the County Health Officer's discretion, may immediately close any Food Facility which, upon completion of the Routine Inspection, does not achieve at least a "C" grade as defined herein. Nothing in this provision shall prohibit the County Health Officer from immediately closing any Food Facility if, in the County Health Officer's discretion, immediate closure is necessary to protect the public health.~~

~~E. The letter grade for a Food Facility shall be based upon the final numerical percentage score set forth in the Food Official Inspection Report, as follows:~~

~~1. A grade of "A" shall indicate a final score of ninety (90) percent or higher as determined by the County Health Officer;~~

~~2. A grade of "B" shall indicate a final score less than ninety (90) percent but not less than eighty (80) percent as determined by the County Health Officer;~~

3. ~~A grade of "C" shall indicate a final score less than eighty (80) percent but not less than seventy (70) percent as determined by the County Health Officer.~~

SECTION 42. Section 8.04.250 is hereby added to read as follows:

8.04.250 Host Facility.

"Host Facility" means a facility as defined in California Health and Safety Code section 113806.1.

SECTION 43. Section 8.04.260 is hereby amended to read as follows:

8.04.260 Hotel/Motel/Residential Hotel.

A. ~~"Hotel/Motel" means any structure or any portion of a structure, including any inn, dormitory, Turkish bath, bachelor hotel, studio hotel, public club, private club, fraternity house, sorority house, and any other place containing six or more guest rooms which is occupied or intended or designed for occupation by six or more persons, whether rent is paid in money, goods, labor, or otherwise, or where no rent whatsoever is paid~~ building containing six (6) or more guest rooms, intended or designed to be used, or which are used, rented or hired out, to be occupied, or which are occupied for sleeping purposes by guests. For purposes of this Chapter, every one hundred (100) square feet of floor area in a dormitory shall be deemed to be a room.

B. ~~"Residential Hotel/Single Room Occupancy" means a hotel which rents single rooms for more than thirty (30) days to be used by individuals as their primary residence and for sleeping purposes~~ any building containing six (6) or more guest rooms or efficiency units, intended or designed to be used, or which are used, rented, or

hired out, to be occupied, or which are occupied for sleeping purposes by guests, and which is also the primary residence of those guests, as specified in California Health and Safety Code section 50519. This does not include facilities where individuals are detained or are under legal restraint.

C. "Hotel/Motel/Residential Hotel" shall not include any hospital, asylum, special-care home, sanitarium, orphanage, children's home, home for the aged, jail, detention home, or any other building or structure in which human beings are housed and detained under legal restraint. ~~For purposes of this chapter, every 100 square feet of floor area in a dormitory shall be deemed to be a room.~~

SECTION 44. Section 8.04.270 is hereby deleted in its entirety:

~~8.04.270~~ ~~Ice Plant.~~

A. ~~"Ice Plant" means any place or structure, other than a private residence, where ice intended to be used with drinks or food for human consumption, for the preservation of food, or other similar use, is manufactured for use, sale or distribution.~~

B. ~~A restaurant, Motel, food market or other establishment having a valid Public Health Permit shall not be required to obtain a separate Public Health Permit for an Ice Plant where such Ice Plant is incidental to the operation of such establishment. Such Ice Plant shall be deemed, for the purposes of this Chapter, not to be an Ice Plant.~~

SECTION 45. Section 8.04.274 is hereby added to read as follows:

8.04.274 Indoor Maximum Temperature Enforcement Fee.

"Indoor Maximum Temperature Enforcement Fee" means the fee to be assessed pursuant to Section 8.04.950 of this Code for Rental Housing Units within incorporated cities that have adopted Section 11.20.475 of this Code.

SECTION 46. Section 8.04.275 is hereby deleted in its entirety:

~~8.04.275 Inspection Score Card.~~

~~A. "Inspection Score Card" means a card that may be posted by the County Health Officer at a Food Facility, upon completion of a Routine Inspection, that indicates the total numerical percentage score for the facility as determined by the County Health Officer and as set forth in the Food Official Inspection Report. For the purposes of this provision, a Food Facility shall include a Food Facility operating in conjunction with a Food Processing Establishment.~~

~~B. The County Health Officer, in his discretion, may immediately close any Food Facility which, upon completion of the Routine Inspection, achieves a total numerical percentage score less than seventy (70) percent as set forth in Section 8.04.225. Nothing in this provision shall prohibit the County Health Officer from immediately closing any Food Facility if, in the County Health Officer's discretion, immediate closure is necessary to protect the public health.~~

SECTION 47. Section 8.04.277 is hereby amended to read as follows:

8.04.277 Interim Housing Facility.

"Interim Housing Facility" means any premises, structures, or portion thereof ~~(except any hospital or other health facility as defined in California Health and Safety Code section 1250 and except any mental health or alcoholism and drug abuse rehabilitation or treatment facility licensed by the State of California)~~, used or intended to be used as a place where provisional sleeping or rooming accommodations are ~~furnished~~ offered on a temporary basis to persons who lack permanent housing, ~~are experiencing homelessness or are at imminent risk of becoming homeless, with or without compensation from the resident and with or without meal service, excluding hospitals or other health facilities as specified in California Health and Safety Code section 1250.~~ "Interim Housing Facility" includes, but is not limited to, bridge housing, crisis housing, ~~recuperative care housing, stabilization housing, recovery bridge housing, and shelters.~~

SECTION 48. Section 8.04.280 is hereby amended to read as follows:

8.04.280 Laundry.

A. "Laundry" means any building, room or place, or portion thereof, used for the washing, ironing or drying of clothing, linen, towels, uniforms, and other similar articles for money ~~or other consideration.~~

B. ~~Also, "Laundry" includes any establishment, except apartment houses, hotels, Tourist Courts, Motels, or mobilehome parks, in which six or more customer-operated laundry machines are installed and permitted to be used for a fee.~~ "Laundry,

Commercial" means a facility where the employee or agent washes, irons, or dries clothing, linen, towels, uniforms, and other similar articles for money. This includes a wiping rag business as defined in California Health and Safety Code section 118450.

C. "Laundry, Self-Service" means a coin laundry or coin wash, facility where clothes are washed and dried, except for those located at a multiple family dwelling, hotel, motel, or mobile home park.

SECTION 49. Section 8.04.281 is hereby added to read as follows:

8.04.281 League and Booster Snack Bar.

"League and Booster Snack Bar" means a Temporary Food Facility that operates as part of a little league, booster club or other organized sport activity at a site-specific location.

SECTION 50. Section 8.04.282 is hereby added to read as follows:

8.04.282 Licensed Health Care Food Facility.

"Licensed Health Care Food Facility" means a Food Facility that operates within a licensed health care facility that provides meals to patients and may also offer food to employees and/or the public. A Licensed Health Care Food Facility is any facility, place, or building that is organized, maintained, and operated for the diagnosis, care, prevention, and treatment of human illness and is licensed by the Department of Health and Human Services, Division of Health Service Regulation, except as provided in California Health and Safety Code section 113789(c)(11)-(12).

SECTION 51. Section 8.04.283 is hereby amended to read as follows:

8.04.283 Limited Service Charitable Feeding Operation.

"Limited Service Charitable Feeding Operation" means an operation ~~for food service to a consumer solely for providing charity, that is conducted by a nonprofit charitable organization operating with a registration from the County Health Officer, and whose food service is limited to the functions as specified by State law in California~~ Health and Safety Code section 113819.

SECTION 52. Section 8.04.285 is hereby deleted in its entirety:

~~8.04.285 Local Small Water Systems.~~

~~"Local Small Water Systems" means a water system for the provision of piped water to county-owned or county-operated facilities, such as a fire station, library, school, or other similar institutions, for human consumption which serves at least one (1), but not more than four (4), service connections. Shared well agreement parcels and single parcels of land with homes occupied by members of the same family shall not be included in this classification.~~

SECTION 53. Section 8.04.290 is hereby deleted in its entirety:

~~8.04.290 Meat.~~

~~"Meat" means any part, or the whole, of flesh, organs, bones or substance of any mammal.~~

SECTION 54. Section 8.04.300 is hereby amended to read as follows:

8.04.300 Milk Warehouse. Micro Market.

~~"Milk Warehouse" means any place, building, structure, room or portion thereof other than where milk is bottled or processed, where milk is commercially stored or held for transfer at a temperature of fifty (50) degrees Fahrenheit or below.~~

"Micro Market" means a Food Facility that is unattended and includes self-checkout kiosks inside an enclosed building.

SECTION 55. Section 8.04.305 is hereby deleted in its entirety:

~~**8.04.305 Mobile Body Art Facility.**~~

~~"Mobile Body Art Facility" means a vehicle, conveyance, or other mobile platform approved for use by the department as a Body Art Facility.~~

SECTION 56. Section 8.04.315 is hereby amended to read as follows:

8.04.315 Monitoring Well.

"Monitoring Well" means a monitoring well as defined in e-California Water Code section 13712.

SECTION 57. Section 8.04.316 is hereby amended to read as follows:

8.04.316 Motion Picture ~~Catering~~ Craft Food Service Operation.

~~"Motion Picture Catering~~Craft Food Service Operation" shall consist of a "Mobile Food Facility," no more than two (2) mobile storage vehicles and outdoor limited food preparation, and service areas, where the operator is under contract to operate at a licensed film studio or at a site with a permit for filming on location, which permit is issued by the appropriate city or the County.means a Mobile Food Facility or a Compact

Mobile Food Operation Moderate or High Risk operating in conjunction with a temporary, covered food service area where non-potentially hazardous, unpackaged food items and beverages, including coffee service, are offered to motion picture cast and crew, and shall operate only under contract at a licensed film studio or at a site with a permit for filming on location, issued by the appropriate city or the County. Potentially hazardous foods shall only be stored or displayed on the permitted Mobile Food Facility or Compact Mobile Food Operation.

SECTION 58. Section 8.04.317 is hereby added to read as follows:

8.04.317 Motion Picture Food Service Operation.

A "Motion Picture Food Service Operation" shall consist of a "Mobile Food Facility," no more than two (2) mobile storage vehicles and outdoor limited food preparation, and service areas, where the operator is under contract to operate at a licensed film studio or at a site with a permit for filming on location, which permit is issued by the appropriate city or the County.

SECTION 59. Section 8.04.320 is hereby amended to read as follows:

8.04.320 Multiple Family Dwelling Unit.

~~"Multiple Dwelling Unit" means:~~

A. "Multiple Family Dwelling" means ~~a~~Any structure, including an apartment house~~complex~~, condominium, or any portion of any structure, that contains five (5) or more separate Dwelling Units occupied, designed, ~~or built~~constructed, or rented for occupation~~as a home by five (5) or more families, each living in a separate unit and cooking within such structure;~~ on a single parcel.

B. ~~A group of five (5) or more Dwelling Units, including a condominium, other than a hotel, Motel or Tourist Court, as defined in this Chapter, located upon a single lot, adjoining lots or parcel of land and upon which the vacant or unoccupied portion thereof surrounding or abutting on said Dwelling Units is used or intended to be used in common by the inhabitants thereof. A "Condominium" is five (5) or more individual owned Dwelling Units inside a larger building or community where each owner holds the deed to their specific private unit while sharing joint ownership and upkeep of common areas, such as hallways, lobbies, and recreational amenities with other residents.~~

C. ~~A "Condominium" which consists of a parcel or area of land on which there exists a building or buildings, or portions thereof, occupied, designed or built, or rented for occupation as a home for five (5) or more families, each living in a separate Dwelling Unit and cooking within such structure, the vacant or unoccupied portion thereof surrounding or abutting said dwelling is used or intended to be used in common by the inhabitants thereof.~~

SECTION 60. Section 8.04.330 is hereby deleted in its entirety:

~~8.04.330 Non-community/State Small Water System.~~

~~"Non-community/State Small Water System," as used in this Chapter, means public water systems, as defined in Health and Safety Code section 116275(j) and (n) as either a non-community water system or a State small water system.~~

SECTION 61. Section 8.04.331 is hereby deleted in its entirety:

~~8.04.331 Non-community Water Systems Non-transient Population.~~

~~"Non-community Water Systems Non-transient Population" means a non-community water system as defined in California Health and Safety Code section 116275(j) which regularly serves twenty-five (25) or more of the same persons for more than six (6) months per year.~~

SECTION 62. Section 8.04.332 is hereby deleted in its entirety:

~~8.04.332 Non-community Water Systems Transient Population.~~

~~"Non-community Water Systems Transient Population" means a non-community water system as defined in California Health and Safety Code section 116275(j) which regularly serves fewer than twenty-five (25) of the same persons for more than six (6) months per year.~~

SECTION 63. Section 8.04.333 is hereby deleted in its entirety:

~~8.04.333 Non-conventional Onsite Wastewater Treatment System.~~

~~"Non-conventional Onsite Wastewater Treatment System" (NOWTS) means an Onsite Wastewater Treatment System that utilizes one or more supplemental treatment components to provide further treatment of the sewage effluent prior to discharging into the dispersal system. Supplemental treatment components include but are not limited to a three (3) compartment treatment tank, aerator, filter pods, pump, ultraviolet disinfection, clarifier, and effluent filtration.~~

SECTION 64. Section 8.04.335 is hereby amended to read as follows:

8.04.335 Notice of Closure.

"Notice of Closure" means a public notice that may be posted by the County Health Officer at any Food Facility upon suspension or revocation of the facility's Public Health Permit and that results in the immediate communicates to the operator and the public the closure of the facility and the discontinuance of all operations of the Food Facility, by order of the County Health Officer, because of violations of applicable federal, and State, ~~and local~~ statutes, orders, ~~ordinances~~, quarantines, rules, regulations or local ordinances ~~or and~~ directives relating to the public health.

SECTION 65. Section 8.04.336 is hereby amended to read as follows:

8.04.336 Onsite Wastewater Treatment System.

A. "Onsite Wastewater Treatment System" (OWTS) means a system ~~consisting of a septic tank with effluent discharging into a subsurface disposal field, into one (1) or more seepage pits, or into a combination of subsurface disposal field and seepage pits~~ as defined in Section 11.38.075 of this Code.

B. "Onsite Wastewater Treatment System, Non-Conventional" (NOWTS) means a system as defined in Section 11.38.055 of this Code.

C. "Onsite Wastewater Treatment System, Tank Replacement or NOWTS with records" means there are records of prior system approval.

D. "Onsite Wastewater Treatment System, Tank Replacement or NOWTS without records" means there are no known records of prior system approval.

SECTION 66. Section 8.04.337 is hereby amended to read as follows:

8.04.337 Onsite Wastewater Treatment System

EvaluationModification/Designation of Future Expansion Area—With No Verification of Prior System Approval.

"Onsite Wastewater Treatment System ~~Evaluation~~Modification/Designation of Future Expansion Area—With No Verification of Prior System Approval" means the review of construction plans to ~~repair an existing Onsite Wastewater Treatment System (OWTS) or "Non-Conventional Onsite Wastewater Treatment System" (NOWTS) in order to restore the system to its originally intended condition or to determine that the proposed addition to a structure neither increases~~does not increase the designed flow, ~~nor requires greater capacities,~~and to ensure adequate and suitable space is designated for a future expansion area for an existing OWTS/NOWTS when evidence of the original approval of the system is not available.

SECTION 67. Section 8.04.338 is hereby amended to read as follows:

8.04.338 Onsite Wastewater Treatment System

EvaluationModification/Designation of Future Expansion Area—With Verification of Prior System Approval.

"Onsite Wastewater Treatment System ~~Evaluation~~Modification/Designation of Future Expansion Area—With Verification of Prior System Approval" means the review of construction plans to ~~repair an existing Onsite Wastewater Treatment System (OWTS) or Non-Conventional Onsite Wastewater Treatment System (NOWTS) in order to restore the system to its originally intended condition or to determine that the~~

proposed addition to a structure ~~neither does not~~ increases the designed flow, ~~nor~~ requires greater capacities, and to ensure adequate and suitable space is designated for a future expansion area for an existing OWTS/NOWTS when evidence of the prior approval of the system is available.

SECTION 68. Section 8.04.347 is hereby amended to read as follows:

8.04.347 Plan Check Submission.

"Plan Check Submission" means the submission of construction plans and/or operational plans for business categories or activities subject to this ~~title~~ Chapter for review and approval to operate ~~under a Public Health Permit~~ to construct. The County Health Officer shall recover the reasonable expenses incurred in making the necessary plan reviews and site inspections in order to grant final approval to an applicant for such approval.

SECTION 69. Section 8.04.350 is hereby deleted in its entirety:

~~**8.04.350 Poultry.**~~

~~"Poultry" means chickens, ducks, geese, turkeys and all other similar domestic birds or fowl.~~

SECTION 70. Section 8.04.360 is hereby amended to read as follows:

8.04.360 Private Boarding School.

"Private Boarding School" means any institution providing housing accommodations ~~room and board~~ and giving a course of training similar to that given in any grade of public school or college, but shall not include any establishment maintained by a public school or college, nor shall it include Children's Camps as

defined in Section 8.04.080. ~~A "Private Boarding School" may prepare and serve food to its students and employees without being classed as a "Restaurant" as defined in Section 8.04.400.~~

SECTION 71. Section 8.04.372 is hereby deleted in its entirety:

~~8.04.372~~ ~~Public Health License.~~

~~"Public Health License" means a written authorization, issued by the County Health Officer, to conduct a particular business or a particular occupation, which is subject to regulation by the County and without which license said conduct would be unlawful.~~

SECTION 72. Section 8.04.373 is hereby amended to read as follows:

8.04.373 Public Health Permit.

"Public Health Permit" means a written and official authorization ~~to operate a Body Art Facility, Food Establishment or Food Facility, including but not limited to a Food Demonstrator, Retail Food Market, Independent Milk Delivery vehicle, Mobile Food Facility, or Vending Machine, issued by the County Health Officer, without which permit said operation would be unlawful~~ issued by the County Health Officer, allowing persons, businesses and facilities to operate in compliance with health and safety regulations, without which permit said business and facility operation would be unlawful.

SECTION 73. Section 8.04.374 is hereby added to read as follows:

8.04.734 Public Health Registration.

"Public Health Registration" means a written and official authorization to operate a business which falls under the categories subject to this Chapter, which is provided

upon the review and approval by the County Health Officer, without which registration said operation would be unlawful. Such registration shall be in addition to any other license or permit required by this County or by any other jurisdiction.

SECTION 74. Section 8.04.380 is hereby amended to read as follows:

8.04.380 Public Swimming Area.

"Public Swimming Area" means any portion of a body of water used for swimming and open to the public, operated, maintained or supervised by any person who receives from the public, for its use, any money or other form of compensation, goods, wares, merchandise, labor or otherwise, but does not mean a swimming pool, or the area used for swimming along the Pacific Oceanas defined in Section 11.32.020.K of this Code.

SECTION 75. Section 8.04.390 is hereby deleted in its entirety:

~~**8.04.390 Public Water System.**~~

~~"Public Water System" means any collection, treatment, storage or distribution facilities for the provision of piped water to the public, for domestic use, with at least five (5) service connections, or regularly serving an average of at least twenty-five (25) individuals daily at least sixty (60) days out of the year.~~

SECTION 76. Section 8.04.394 is hereby added to read as follows:

8.04.394 Rental Housing Habitability Program.

"Rental Housing Habitability Program" means the rental housing inspection program as defined in Chapter 8.53 of this Code.

SECTION 77. Section 8.04.395 is hereby deleted in its entirety:

~~8.04.395~~ ~~Hotel/Single Room Occupancy.~~

~~"Residential Hotel/Single Room Occupancy" means a hotel which rents single rooms for more than thirty (30) days to be used by individuals as their primary residence and for sleeping purposes.~~

SECTION 78. Section 8.04.400 is hereby amended to read as follows:

8.04.400 Restaurant.

"Restaurant" means a Food Facility in a ~~fixed~~ permanent location where food is stored, prepared, and offered for sale directly to the public for immediate consumption, either on or off the premises or indirectly through a delivery service, regardless of if there is a charge for the food.

"Restaurant" includes ~~any, but is not limited to,~~ bistro, brasserie, buffet, cafe, coffee shop, cafeteria, sandwich shop, tavern, cocktail lounge, pub, ~~theater snack bar,~~ juice bars, ~~bed and breakfast, private school cafeteria or eating establishment,~~ Microenterprise Home Kitchen Operation, and any other eating or drinking establishment, organization or club, including veterans' club, camp or boarding house ~~or guest house,~~ which gives, sells or offers for sale, food or drink to the public, guests, patrons or employees.

SECTION 79. Section 8.04.403 is hereby added to read as follows:

8.04.403 Restricted Food Service Facility.

"Restricted Food Service Facility" means a Food Facility as defined in California Health and Safety Code section 113893.

SECTION 80. Section 8.04.405 is hereby amended to read as follows:

8.04.405 Routine Inspection.

"Routine Inspection" means a periodic, ~~unannounced~~ inspection of any business, ~~facility~~ or occupation specified in Section 8.04.720 to determine compliance with all applicable federal, and State statutes, orders, ~~ordinances~~, quarantines, rules, regulations, or local ordinances and directives relating to ~~the~~ public health. A Routine Inspection shall not mean an inspection conducted by the County Health Officer to determine compliance with a previously issued Food-Official Inspection Report or any interim inspection conducted to determine compliance with specific regulations or legal requirements.

SECTION 81. Section 8.04.407 is hereby added to read as follows:

8.04.407 Satellite Food Operation.

"Satellite Food Service Operation" means a remotely located food operation that is conducted on the same property as, in reasonable proximity to, and in conjunction with a fully enclosed, permanent, and permitted Food Facility and a satellite food service as defined in California Health and Safety Code section 114067. The Satellite Food Service Operation is owned and operated by the owner of the permitted Food Facility.

A. "Satellite Food Service" means a food operation in which food service is restricted to limited food preparation.

B. "Satellite Food Storage" means a food operation in which food is stored in its original state. Food preparation is prohibited.

SECTION 82. Section 8.04.408 is hereby added to read as follows:

8.04.408 School Cafeteria.

"School Cafeteria" means a Food Facility as defined in California Health and Safety Code section 113789 operated at a public or private school that primarily serves food to students and faculty.

A. "School Cafeteria, High Risk" means any school cafeteria that handles and prepares food onsite and may also offer prepared food for service at other school cafeterias.

B. "School Cafeteria, Low Risk" means any school cafeteria in which all food service is provided and served by a Catering Facility. The school must have a contractual agreement with a permitted commercial food vendor where food is served by the food vendor.

C. "School Cafeteria, Moderate Risk" means any school in which food service is conducted by school personnel and is limited to washing produce, opening cans, opening packages of fruit or vegetables, pouring milk, reheating food, placing food on plates, or serving prepackaged food. The school may contract with a Food Facility with a valid Public Health permit to provide food, and the food service may be conducted by school personnel.

SECTION 83. Section 8.04.420 is hereby amended to read as follows:

8.04.420 Seepage/Sewage Pumping Vehicle.

"~~Seepage~~/Sewage Pumping Vehicle" means any vehicle used in whole or in part for the transportation of septic tank, cesspool, chemical toilet, or sewage seepage-pit cleanings, constructed and maintained as specified in Section 11.38.960 of this Code.

SECTION 84. Section 8.04.421 is hereby added to read as follows:

8.04.421 Sewage Pumping Vehicle Operator.

"Sewage Pumping Vehicle Operator" is as defined in Section 11.39.900 of this Code.

SECTION 85. Section 8.04.422 is hereby amended to read as follows:

8.04.422 Service Connection.

"Service Connection" means the point of connection ~~between a customer's piping or constructed conveyance, and a water system's meter, service pipe, or constructed conveyance~~ as defined in California Health and Safety Code section 116275(s).

SECTION 86. Section 8.04.425 is hereby amended to read as follows:

8.04.425 Shared Kitchen Complex.

"Shared Kitchen Complex" means ~~a Food Facility as defined under the California Retail Food Code or a Food pProcessing eEstablishment as defined under the California Wholesale Food Code, or both,~~ that is used as a place of business for the exclusive purpose of providing commercial space and equipment to multiple individuals or business entities which commercially prepare or handle food that will be offered for sale. ~~For purposes of this provision, "commercially prepare or handle" shall include, but~~

~~shall not be limited to, the making, cooking, baking, mixing, processing, packaging, bottling, canning, or storing of food, and other necessary or related activities thereto.~~

A. "Shared Kitchen Complex Tenant, Retail Food Operator" means an individual or business entity operating, either semi-annually or annually, within a Shared Kitchen Complex whose business is limited to the retail sale of food products. A Shared Kitchen Complex Tenant Retail Food Operator shall be permitted to prepare food for sale or service at a location other than the Shared Kitchen Complex, including but not limited to catered events, community events, and trade shows.

B. "Shared Kitchen Complex Tenant, Wholesale Food Processor" means an individual or business entity operating, either semi-annually or annually, within a Shared Kitchen Complex who is authorized by the County Health Officer to conduct one (1) of the following food processor businesses: (1) wholesale only, or (2) wholesale and retail (no more than twenty-five (25) percent gross sales).

SECTION 87. Section 8.04.428 is hereby deleted in its entirety:

~~8.04.428 Shared Kitchen Complex Tenant, Retail Food Operator.~~

~~"Shared Kitchen Complex Tenant, Retail Food Operator" means an individual or business entity operating within a Shared Kitchen Complex whose business is limited to the retail sale of food products. A Shared Kitchen Complex Tenant Retail Food Operator shall be permitted to prepare food for sale or service at a location other than the Shared Kitchen Complex, including but not limited to, catered events, Community Events and trade shows. A Shared Kitchen Complex Tenant Retail Food Operator shall comply with all equipment, food safety, and public health requirements set forth in applicable State~~

~~and local laws, regulations, and ordinances when conducting those activities set forth in Section 8.04.425 within a Shared Kitchen Complex.~~

SECTION 88. Section 8.04.430 is hereby deleted in its entirety:

~~8.04.430~~ ~~Shared Kitchen Complex Tenant, Wholesale Food Processor.~~

~~"Shared Kitchen Complex Tenant, Wholesale Food Processor" means an individual or business entity operating within a Shared Kitchen Complex who is authorized by the County Health Officer to conduct one of the following food processor businesses: (a) wholesale only, or (b) wholesale and retail. A Shared Kitchen Complex Tenant, Wholesale Food Processor may prepare food for sale or service at another location. A Shared Kitchen Complex Tenant Wholesale Food Processor shall be permitted to prepare food for sale or service at a location other than the Shared Kitchen Complex, including but not limited to catered events, Community Events, and trade shows. A Shared Kitchen Complex Tenant Wholesale Food Processor shall be permitted to prepare and package food for sale to third party distributors, wholesalers, and other permitted Food Facilities. The Shared Kitchen Complex Tenant Wholesale Food Processor shall comply with all equipment, food safety, and public health requirements set forth in applicable State and local laws, regulations, and ordinances when conducting those activities set forth in Section 8.04.425 within a Shared Kitchen Complex.~~

SECTION 89. Section 8.04.429 is hereby added to read as follows:

8.04.429 Shutdown Test

"Shutdown Test" means a planned and controlled procedure to verify that water does not flow between systems when isolation devices are engaged, ensuring there is no risk of backflow, contamination, or pressure equalization.

A. "Shutdown Test for Single Family Residence" means a field test at a residential property with one (1) to four (4) units, where potable and non-potable water lines are pressurized together and one at a time to ensure that there are no cross connections between the two plumbing systems.

B. "Shutdown Test for Commercial Property" means a field test at a property other than a residential property with one (1) to four (4) units, where potable and non-potable water lines are pressurized together and one at a time to ensure that there are no cross connections between the two plumbing systems.

SECTION 90. Section 8.04.431 is hereby amended to read as follows:

8.04.431 Site Evaluation.

"Site Evaluation" means an evaluation of a facility at the request of an operator to ensure it meets the minimum structural and operational requirements for the proposed operation prior to applying for a Public Health Permit ~~or License~~.

SECTION 91. Section 8.04.432 is hereby deleted in its entirety:

~~8.04.432 Soft Serve.~~

~~"Soft Serve" means the manufacturing of dairy and non-dairy products, as defined in the California Food and Agriculture Code, which include the following: ice~~

~~cream from ice cream mix, or frozen yogurt from frozen yogurt mix, or low-fat yogurt from low-fat yogurt mix, or low-fat frozen dairy dessert from low-fat frozen dairy dessert mix, or nonfat frozen dairy dessert from nonfat frozen dairy dessert mix, when such products are manufactured from a dispensing freezer unit and are dispensed directly in a semi-frozen state, to a retail customer at a Food Establishment or Food Facility which has been issued a valid Public Health Permit by the County Health Officer~~

SECTION 92. Section 8.04.433 is hereby deleted in its entirety:

~~8.04.433~~ ————— ~~Soft Serve Sampling.~~

~~"Soft Serve Sampling" means the securing of a sample of Soft Serve, by the County Health Officer, from a dispensing freezer unit of a Food Establishment or Food Facility, for laboratory testing to ensure that the sample does not exceed the maximum limits for bacteria, yeast or mold, as specified in the California Food and Agriculture Code.~~

SECTION 93. Section 8.04.434 is hereby deleted in its entirety:

~~8.04.434~~ ————— ~~Soft Serve Resampling.~~

~~"Soft Serve Resampling" means the third and all subsequent, additional, consecutive Soft Serve Sampling, from a dispensing freezer unit of a Food Establishment or Food Facility, where laboratory testing of the two (2) previous soft serve samplings demonstrated that the two (2) previous soft serve samplings exceeded the maximum limits for bacteria, yeast or mold, as specified in the California Food and Agriculture Code.~~

SECTION 94. Section 8.04.43 is hereby deleted in its entirety:

~~8.04.435~~ ~~Swap Meet Prepackaged Food Booth.~~

~~"Swap Meet Prepackaged Food Booth" means a Temporary Food Facility, as defined by California Health and Safety Code section 114335(a), operated at a swap meet, by a swap meet operator or its lessee, which offers for sale, or gives away, only non-potentially hazardous prepackaged foods, and whole, uncut produce. As used in this Section, "Swap Meet" and "Swap Meet Operator" shall have the meanings set forth in California Business and Professions Code section 21661.~~

SECTION 95. Section 8.04.436 is hereby amended to read as follows:

8.04.436 State Small Water Systems.

"State Small Water Systems" means a system ~~for the provision of piped water to the public for human consumption which serves at least five (5), but not more than fourteen (14), service connections~~ as defined in California Health and Safety Code section 116275(n).

SECTION 96. Section 8.04.440 is hereby amended to read as follows:

8.04.440 Swimming Pool, Public.

"Swimming Pool, Public" means a wholly artificial basin, chamber or tank, ~~constructed or prefabricated with impervious bottoms and sides, that is intended for recreational or therapeutic use. Swimming Pool includes spa pools, special purpose pools, and wading pools, but does not include baths where the main purpose is the cleansing of the body, nor individual therapeutic tubs that are drained and sanitized between each use. Swimming Pool does not include any pool that is intended for non-~~

~~commercial use as a pool by the occupants of not more than three (3) Dwelling Units~~
public swimming pool as defined in California Health and Safety Code sections 116025,
116064, and Title 22 of the California Code of Regulations, sections 65501(h) and
65503.

A. "Swimming Pool, Public High Risk," means a public swimming pool at one
of the following locations:

1. Waterpark;
2. Theme park with interactive water features; or
3. Splash pad.

B. "Swimming Pool, Public Low Risk," means a public Swimming Pool at one
of the following locations:

1. Multiple family dwellings or condominiums with four (4) or more
living units;

2. Homeowner's association pool;
3. Boarding Home; or
4. Recreational vehicle or mobile home park pool.

C. "Swimming Pool, Public Moderate Risk," means a public Swimming Pool
at one of the following locations:

1. Pools at hotels, resorts, and clubs;
2. Health or fitness club;
3. Bathhouse or spa;
4. Municipal pools;

5. Pools at public and private schools and camps; or

6. Any special purpose pools constructed exclusively for a specific purpose, such as instruction, diving or medical treatment.

D. "Swimming Pool, New Construction" means a pool as defined in California Building Code, Title 24, Part 2, section 3102B.

E. "Swimming Pool, New Spa Construction" means a public Swimming Pool that incorporates a water jet system, an aeration system or a combination of the two systems used in conjunction with heated water.

SECTION 97. Section 8.04.441 is hereby deleted in its entirety:

~~8.04.441 ——— Swimming Pool, High Risk.~~

~~"Swimming Pool, High Risk," means a swimming pool, as defined in Section 8.04.440, located at a health club or water theme park.~~

SECTION 98. Section 8.04.442 is hereby deleted in its entirety:

~~8.04.442 ——— Swimming Pool, Low Risk/Limited Use.~~

~~"Swimming Pool, Low Risk/Limited Use," means a Swimming Pool, as defined in Section 8.04.440, located at multiple family dwellings with four (4) or more living units, mobile home parks, community pools that serve a collection of single family dwellings, and pools operated for six (6) months or less during the year that are kept empty when not in operation.~~

SECTION 99. Section 8.04.443 is hereby deleted in its entirety:

~~8.04.443~~ ~~Swimming Pool, Moderate Risk.~~

~~"Swimming Pool, Moderate Risk," means a Swimming Pool, as defined in Section 8.04.440, located at a hotel, Motel, public, or private school, Children's Camp, swim school, country club, municipal facility, organization, or medical facility.~~

SECTION 100. Section 8.04.444 is hereby amended to read as follows:

8.04.444 Swimming Pool Renovation, Major.

"Swimming Pool Renovation, Major" means any one of the following: re-plumb of a pool ~~greater than one hundred thousand (100,000) gallons~~, installation of an ozone corona discharge system, a chlorine salt generator, a solar heating system, or the installation of all new equipment, ~~or any combination of standard or minor renovations, as those terms are defined in Section 8.04.446 and Section 8.04.445, respectively, estimated to require more than three (3) hours for review and approval by the County Health Officer.~~ "Swimming Pool Renovation, Major" includes any resurfacing when done in conjunction with the above ~~related to the work identified herein.~~

SECTION 101. Section 8.04.445 is hereby amended to read as follows:

8.04.445 Swimming Pool Renovation, Minor.

"Swimming Pool Renovation, Minor," means any one of the following: replacement of a piece of equipment or drain cover, deck replacement and/or coping, a fencing addition or change, filter change, restroom addition or change, racing lanes, lighting or other renovation ~~estimated to require one (1) hour or less for review and approval by the County Health Officer.~~

SECTION 102. Section 8.04.446 is hereby deleted in its entirety:

~~8.04.446~~ ~~Swimming Pool Renovation, Standard.~~

~~"Swimming Pool Renovation, Standard," means any one of the following: re-plumb of a pool less than one hundred thousand (100,000) gallons or any combination of standard or minor renovations, as those terms are defined in Section 8.04.446 and Section 8.04.445, respectively, estimated to require more than one (1) hour but less than three (3) hours for review and approval by County Health Officer. "Swimming Pool Renovation, Standard" includes any resurfacing related to the work identified herein.~~

SECTION 103. Section 8.04.446 is hereby amended to read as follows:

8.04.447 Swimming Pool, Resurface.

~~"Swimming Pool, Resurface" means any of the following: verification of rails, waterline and divider line tile, depth markers, covers, and coping. Resurface of pool or deck~~ the process of renewing a pool's interior surface by removing the old finish and applying a new approved finish with waterline and divider line tile, depth markers, and covers.

SECTION 104. Section 8.04.448 is hereby added to read as follows:

8.04.448 Swimming Pool Service Technician.

A. "Swimming Pool Service Technician" is as defined in Section 11.34.010.C of this Code.

B. "Swimming Pool Service Technician Apprentice" is as defined in Section 11.34.010.D of this Code.

SECTION 105. Section 8.04.450 is hereby amended to read as follows:

8.04.450 Tax Collector.

"Tax Collector" means the Treasurer and Tax Collector of the County of Los Angeles, or the Treasurer and Tax Collector's duly authorized representative, as defined in Section 7.02.315 of this Code.

SECTION 106. Section 8.04.452 is hereby amended to read as follows:

8.04.452 Temporary Food Facility.

"Temporary Food Facility" means a ~~temporary food~~ facility, as defined in the California Health and Safety Code section 113930, approved by the County Health Officer, which operates at as part of an approved Community Event for up to twenty-five (25) consecutive or non-consecutive days in a ninety (90) day period.

A. "Temporary Food Facility, Limited Beverage Service" means a Temporary Food Facility which serves beer, wine or other beverages that are not potentially hazardous food served from approved bulk dispensing units or directly from the container for immediate service. Does not allow for garnishing or other preparation activities.

B. "Temporary Food Facility, Prepackaged Food" means a Temporary Food Facility which offers only commercially prepackaged food.

C. "Temporary Food Facility, Unpackaged Food", means a Temporary Food Facility which offers unpackaged foods.

SECTION 107. Section 8.04.453 is hereby deleted in its entirety:

~~8.04.453~~ ~~Temporary Food Facility, Demonstrator.~~

~~"Temporary Food Facility, Demonstrator" means a Temporary Food Facility operated at a Community Event for the purpose of offering or serving packaged or non-packaged food, without charge, to the public for the purpose of publicizing, advertising, or promoting the sale of food products or food equipment, which operates by permit for up to twenty-five (25) consecutive or non-consecutive days in a ninety (90) day period.~~

SECTION 108. Section 8.04.454 is hereby deleted in its entirety:

~~8.04.454~~ ~~Temporary Food Facility, Prepackaged.~~

~~"Temporary Food Facility, Prepackaged" means a Temporary Food Facility operating at a Community Event which offers for sale only commercially Prepackaged Food with or without offering prepackaged samples, and which operates by permit for up to twenty-five (25) consecutive or non-consecutive days in a ninety (90) day period.~~

SECTION 109. Section 8.04.455 is hereby deleted in its entirety:

~~8.04.455~~ ~~Temporary Food Facility, Prepackaged With Food Sampling.~~

~~"Temporary Food Facility, Prepackaged With Food Sampling" means a Temporary Food Facility operating at a Community Event which offers for sale only commercially prepackaged food and offers or serves nonpackaged food to the public without charge for the purpose of promoting the sale of food, and which operates by permit for up to twenty-five (25) consecutive or non-consecutive days in a ninety (90) day period.~~

SECTION 110. Section 8.04.456 is hereby amended to read as follows:

8.04.456 Temporary Food Facility, ~~Food Preparation~~ Site-Specific

Location.

"Temporary Food Facility, ~~Food Preparation~~ Site-Specific Location" means a Temporary Food Facility ~~operating at a Community Event which offers for sale non-packaged food, and which operates by permit for up to twenty-five (25) consecutive or non-consecutive days in a ninety (90) day period~~ as defined in California Health and Safety Code section 113930, approved by the County Health Officer to operate annually at a site-specific location as part of an approved Community Event.

A. "Temporary Food Facility at a Single Location Annual, Limited Beverage Service" means a Temporary Food Facility as defined in Section 8.04.452.A of this Code, which operates at a single location.

B. "Temporary Food Facility at a Single Location Annual Prepackaged Food" means a Temporary Food Facility as defined in Section 8.04.452.B of this Code, which operates at a single location.

C. "Temporary Food Facility at a Single Location Annual, Unpackaged Food" means a Temporary Food Facility as defined in Section 8.04.452.C of this Code, which operates at a single location.

SECTION 111. Section 8.04.457 is hereby deleted in its entirety:

~~8.04.457~~ ~~Temporary Food Booth at Single Location Annual, Prepackaged.~~

~~"Temporary Food Booth at Single Location Annual, Prepackaged" means a prepackaged Temporary Food Facility, which operates as a food booth at a Community Event or multiple Community Events held at a single location for up to twelve (12) months per year.~~

SECTION 112. Section 8.04.458 is hereby deleted in its entirety:

~~8.04.458~~ ~~Temporary Food Booth at Single Location Annual, Prepackaged With Food Sampling.~~

~~"Temporary Food Booth at Single Location Annual, Prepackaged With Food Sampling" means a prepackaged Temporary Food Facility With Food Sampling as defined in Section 8.04.455, which operates as a food booth at a Community Event or multiple Community Events held at a single location for up to twelve (12) months per year.~~

SECTION 113. Section 8.04.459 is hereby deleted in its entirety:

~~8.04.459~~ ~~Temporary Food Booth at Single Location Annual Food Booth, Food Preparation.~~

~~"Temporary Food Booth at Single Location Annual Food Booth, Food Preparation" means a Temporary Food Facility, Food Preparation as defined in Section 8.04.456, which operates as a food booth at a Community Event or multiple Community Events held at a single location for up to twelve (12) months per year.~~

SECTION 114. Section 8.04.460 is hereby deleted in its entirety:

~~8.04.460 Theater.~~

~~A. "Theater" means any building, room or place where any play, motion picture, concert, opera, circus, trick or jugglery show, or gymnastic exhibition is held, given or shown, and where an admission fee is charged.~~

~~B. For fee purposes, "Theater" shall not include cafes, nightclubs, and similar establishments which have a valid restaurant Public Health Permit and where the seats for the audience are counted in computing the restaurant Public Health Permit fee.~~

~~C. A "Theater" may, however, have a snack bar or a refreshment stand without being classified as a restaurant, if no food items are prepared on the premises.~~

SECTION 115. Section 8.04.470 is hereby amended to read as follows:

8.04.470 Toilet Rental Agency.

"Toilet Rental Agency" means any person who supplies or maintains ~~toilet~~ structures to be used for temporary periods.

SECTION 116. Section 8.04.480 is hereby amended to read as follows:

8.04.480 Toilet Structure.

"Toilet Structure" means any room or compartment provided and maintained for a temporary period ~~of time~~ at a construction site or other similar temporary location, to be used for defecation or urination purposes. Said room or compartment may include but is not limited to a chemical toilet or a water-closet room satisfactory for the purposes for which it is intended to be used.

SECTION 117. Section 8.04.485 is hereby amended to read as follows:

8.04.485 Tobacco ~~Retailing~~Retailer.

"Tobacco ~~Retailer~~Retailing" means any business not exclusively selling, offering for sale or distribution, exchanging, or offering to exchange, for any form of consideration, tobacco, tobacco products, or tobacco paraphernalia, without regard to the quantity sold, distributed, exchanged, or offered for exchange.

SECTION 118. Section 8.04.486 is hereby added to read as follows:

8.04.486 Tobacco Shop.

"Tobacco Shop" has the same meaning as defined in Section 7.83.020.H of this Code.

SECTION 119. Section 8.04.490 is hereby deleted in its entirety:

~~8.04.490 Tourist Court or Motel.~~

~~"Tourist Court" or "Motel" means a group of attached or detached buildings containing six (6) or more individual sleeping or living units, designed for or used temporarily by automobile tourists or transients, with garage attached or parking space conveniently located to each unit, including auto courts, Motels or motor lodges.~~

SECTION 120. Section 8.04.500 is hereby amended to read as follows:

8.04.500 Vending Machine.

A. "Vending Machine" means any self-service device ~~offered for public use,~~ which upon the insertion of coins, or tokens, or by other means dispenses unit servings of food or drink, either in bulk, cups or in packages, without the necessity of replenishing

~~the device between each vending operation~~ as defined in California Health and Safety Code section 113938.

~~B. For purposes of this Chapter, however, Vending Machine shall not include vending machines that dispense, exclusively, bottled drinks, gum, candy or other not readily perishable food when it is determined by the County Health Officer that such vending machines do not require Routine Inspection for the protection of the public health.~~

SECTION 121. Section 8.04.510 is hereby deleted in its entirety:

~~**8.04.510 Vending Machine Business.**~~

~~"Vending Machine Business" means the business of selling food or drinks by means of vending machines by one person, regardless of the number of locations at which the vending machines are located.~~

SECTION 122. Section 8.04.522 is hereby amended to read as follows:

8.04.522 Well Construction.

"Well Construction" means to drill, dig, bore, or excavate any well ~~or to convert any industrial, or irrigation well for use as a domestic water well~~ as defined in Sections 11.38.230 and 11.38.250 of this Code, such as Production Well, Cathodic Protection Well, Monitoring Well, or Geothermal Heat Exchange Well.

SECTION 123. Section 8.04.523 is hereby amended to read as follows:

8.04.523 Well Destruction.

"Well Destruction" means to destroy a well ~~as defined in the Los Angeles County Code, Title 11, Section 11.38.330. (including Exploratory Soil Boring)~~ in accordance with the California Well Standards published by the Department of Water Resources.

SECTION 124. Section 8.04.524 is hereby amended to read as follows:

8.04.524 Well Renovation.

"Well Renovation" means ~~to deepen an existing well or make any modification of an existing well or well casing~~ to make any changes to an existing and approved well by modifying the well or well casing.

SECTION 125. Section 8.04.525 is hereby amended to read as follows:

8.04.525 Well Yield Test.

"Well Yield Test" means the established protocol acceptable to the ~~Director~~ County Health Officer by which an authorized tester as defined in Section 11.38.275 ~~investigates of this Code determines~~ the sustainability of a water source through pumping and recovery measurements.

SECTION 126. Section 8.04.530 is hereby deleted in its entirety:

~~**8.04.530 Wiping Rag Business.**~~

~~"Wiping Rag Business," as used in this Chapter, means the business of laundering, sanitizing, or selling of wiping rags for sale.~~

SECTION 127. Section 8.04.540 is hereby amended to read as follows:

Part 2 GENERAL LICENSING REQUIREMENTS

8.04.540 Purpose and Statutory Authority of Chapter Provisions.

The purpose of the ordinance codified in this Chapter is to establish a Public Health ~~License Permit, endorsement, and p~~Public Health ~~r~~Registration and an endorsement and fee system for activities subject to all applicable federal and State statutes, orders, quarantines, rules, ~~or~~ regulations or local ordinances and directives relating to public health, so that County expenses resulting from enforcement of such federal and State statutes, ~~rules, or regulations,~~ and local ordinances are offset by the fees collected. The authority for this Chapter is California Health and Safety Code section 101325 and California Food and Agricultural Code section 33252.

SECTION 128. Section 8.04.550 is hereby amended to read as follows:

8.04.550 Jurisdiction.

Public Health ~~Licenses and Permits~~ and Registrations required by this Chapter shall be required of any business or activity within the area in which the County Health Officer enforces any federal and State statutes, orders, quarantine, rules, ~~or~~ regulations or local ordinances and directives relating to public health, whether within or outside an incorporated city.

SECTION 129. Section 8.04.560 is hereby amended to read as follows:

8.04.560 Business in Fixed Location—Public Health License and Permit and Registration Requirements.

Any person conducting, at a fixed location, any business, occupation or other activity listed in Section 8.04.720 within the geographic area under the jurisdiction of the County Health Officer shall procure a County Public Health ~~License or~~ Permit or Registration from the County Health Officer. Such ~~license or permit~~ or registration shall be in addition to any other license, ~~or permit~~ or registration required by this County or by any other public jurisdiction.

SECTION 130. Section 8.04.570 is hereby amended to read as follows:

8.04.570 Business in Fixed Location—Receipted Tax Bill in Lieu When.

Notwithstanding Section 8.04.560, any person conducting at a fixed location any business, occupation, or other activity which is the subject of a direct assessment pursuant to Part 3 of this Chapter shall be permitted to use their receipted tax bill in lieu of a Public Health ~~License~~Permit.

SECTION 131. Section 8.04.580 is hereby amended to read as follows:

8.04.580 Itinerant Businesses—Public Health Permit or Registration Requirements.

Any person conducting a business, occupation, or other activity listed in Section 8.04.720 of this Chapter within the geographic area under the jurisdiction of the County Health Officer, but not at a fixed location, shall procure each year a County

Public Health Permit and/or Registration as required from the County Health Officer. Such permit and/or registration shall be in addition to any other license, ~~or permit, or~~ registration required by this County or by any other public jurisdiction.

SECTION 132. Section 8.04.590 is hereby amended to read as follows:

**8.04.590 ~~Separate Public Health Licenses and Permits~~ and
Registrations for Separate Activities.**

If a person engages in, conducts, manages, or carries on at the same time more than one of the activities for which a Public Health ~~License or Permit~~ or Registration is required by this Chapter, such person shall be deemed to be engaging in, conducting, managing, and carrying on each such activity separately and apart from the other such activity, and a separate ~~license or~~ County Public Health Permit and/or Registration as required from the County Health Officer shall be procured for each activity, ~~whether located on the same premises or not,~~ except in those cases specifically mentioned in this Chapter.

SECTION 133. Section 8.04.595 is hereby amended to read as follows:

8.04.595 Mobile Food Facility Certification.

The owner and/or operator of a Mobile Food Facility or Mobile Support Unit shall obtain certification from the County Health Officer prior to beginning operation. Failure to secure a certification sticker shall result in a suspension or revocation of the Public Health ~~License or Permit.~~

SECTION 134. Section 8.04.600 is hereby amended to read as follows:

**8.04.600 ~~Public Health License and Permit~~ and Registration—
Application Requirements.**

Every person desiring a Public Health ~~License or Permit~~ or Registration to conduct any business, occupation or other activity provided for in this Chapter shall file an application with the County Health Officer upon a form to be provided by the County Health Officer, and at such time pay the required non-refundable fee and penalty, if any.

SECTION 135. Section 8.04.610 is hereby amended to read as follows:

**8.04.610 ~~Public Health License and Permit~~ and Registration—
County Health Officer Action on Application.**

Upon receipt of an application with all pertinent data and payment of the Public Health ~~License or Permit~~ or Registration fee, and on condition that the applicant meets all criteria required by law, the County Health Officer, shall issue the ~~license or permit or registration~~ to the ~~licensee or permittee~~ or registrant.

SECTION 136. Section 8.04.615 is hereby added to read as follows:

**8.04.615 Fees for Document Review, Investigations, and
Enforcement Activities.**

The County Health Officer shall charge a fee at the standard billing hourly rate charged in accordance with the classification and salary structures approved by the Board of Supervisors for the personnel required to perform such services for a minimum of one (1) hour for an individual or business for the following:

A. Review of documents, including but not limited to, standard operating procedures, integrated pest management plans, additional label review of Cottage Food Operations products beyond the initial ten (10) labels allowed under an application, hazard analysis critical control point plans, and microbial challenge studies.

B. Investigations, including but not limited to, disease outbreak investigations, environmental hazard assessments, and/or surveys.

C. Enforcement activities, including but not limited to, compliance reviews, permit suspension and/or revocation hearings, and other activities necessary to achieve compliance with all applicable federal, State and local statutes and regulations.

SECTION 137. Section 8.04.635 is hereby amended to read as follows:

8.04.635 Plan Check Requirements ~~F~~for Certain Business or Facility Classifications.

A. Every person proposing to construct, remodel or change the Public Health ~~License or Permit~~ classification of any business or facility listed in Section 8.04.725 of this Code shall ~~make~~submit an application to the County Health Officer and submit the required ~~P~~plan C~~hecking F~~ees at the time of submission of plans to the County Health Officer.

B. Such ~~P~~plan C~~hecking F~~ees are in addition to any other Public Health ~~License or Permit or Registration~~ fees which may be required for the operation of these ~~establishments~~business or facility.

C. A separate fee to conduct a Site Evaluation may be charged when such an evaluation is deemed necessary by the County Health Officer.

SECTION 138. Section 8.04.640 is hereby amended to read as follows:

8.04.640 Public Health License and Permit and Registrations—

Period of Validity—Renewals—Fee Proration.

A. Except as provided in Subsection B of this Section, Public Health ~~Licenses~~ and Permits required by this Chapter shall be issued for a period of one (1) year, with the ~~license and~~ permit year beginning on July 1st, and extending through June 30th of the following year. Such ~~Licenses and P~~ermits shall be renewable from year to year upon payment, on or before the delinquency date of each such year, of the fee required by Sections 8.04.710 and 8.04.720 of this Code, or upon payment of such fee plus penalties.

B. Where an initial Public Health ~~License or~~ Permit is issued to a person for a business or activity commencing during a ~~license or~~ permit year, the ~~license or~~ permit fee shall be: prorated and payment of fee is to be made within thirty-two (32) days of approval to operate.

1. If the business commences during the months of July, ~~August or September,~~ through December the full annual fee;

2. If the business commences during the months of ~~October November or December,~~ three-quarters ($\frac{3}{4}$) of the annual fee January through June, one-half ($\frac{1}{2}$) of the annual fee;

3. ~~If the business commences during the months of January, February or March,~~ one-half ($\frac{1}{2}$) of the annual fee; If the business commencing operation is subject to only one (1) Routine Inspection per year, the fee required by Sections

8.04.710 and 8.04.720 of this Code are not subject to proration and must be paid in full within thirty-two (32) days of approval to operate.

~~4. If the business commences during the months of April, May or June, one quarter (1/4) of the annual fee.~~

C. ~~License~~ Public Health Permit and Registration fees placed on the secured tax roll pursuant to Part 3 of this Chapter shall not be prorated.

D. Public Health Registrations required by this Chapter shall be issued for a period of one (1) year, with the registration year beginning on July 1st, and extending through June 30th of the following year. Such registrations shall be renewable from year to year upon payment of the fee required by Sections 8.04.710 and 8.04.720, or upon payment of such fee plus penalties, and any required document submissions, on or before the delinquency date of each such year.

SECTION 139. Section 8.04.645 is hereby amended to read as follows:

8.04.645 Fees ~~F~~or Additional Reinspections of Food-Related Businesses.

In addition to the Public Health ~~License and Permit~~ and Registration fees provided by Section 8.04.640, all persons engaged in ~~the sale or processing of food operating a business, occupation, or other activity listed in Section 8.04.720 of this Chapter,~~ shall pay the appropriate reinspection fee listed in Section 8.04.7208.

A reinspection fee shall be due and payable ~~whenever~~ in the following instances:

A. The County Health Officer has ~~given~~ issued an ~~o~~Official insp~~e~~ction ~~r~~Report identifying a public health code violation(s) ~~or violations~~ to the person who owns or

operates such a business, ~~and the~~ which provides notice of ~~contains a~~
~~reinspection~~ compliance date by which the violation(s) ~~or violations~~ must be corrected;

B. The violation(s) ~~or violations~~ have not been corrected by the ~~reinspection~~
compliance date provided in the ~~Official Inspection Report~~;

C. An additional reinspection is necessary to determine whether or not ~~that~~
the violation(s) ~~or violations~~ have been corrected.

SECTION 140. Section 8.04.650 is hereby amended to read as follows:

8.04.650 Notice To Be Given.

A. All ~~Official Inspection Reports~~ issued to ~~food-related~~ businesses shall
contain a notice similar to the following:

"Failure to correct the above violations by the compliance date may result in
additional fees of (amount of fee) for each additional reinspection."

B. When an additional reinspection fee is due and payable pursuant to
Section 8.04.645 of this Chapter, the County Health Officer shall provide a written notice
of additional reinspection fee and the delinquency date for payment of the fee to the
person engaged in such business. The written notice shall provide a warning similar to
the following:

"Notice — Because of necessary additional reinspections of your business, you
must pay a fee of (amount of fee). The fee shall be collected by the County Health
Officer and must be received or postmarked on or before (date of delinquency).

Failure to pay ~~such~~ this fee by this date shall result in the assessment of a penalty of \$50.00, plus interest of one and one-half (1½) percent per month, in addition to the underlying fee."

SECTION 141. Section 8.04.655 is hereby amended to read as follows:

8.04.655 Collection of Reinspection Fee.

The reinspection fee, interest at the rate set forth in Section 8.04.840 and any penalty thereon shall be collected by the County Health Officer. The County Health Officer may add any unpaid balance for any reinspections conducted to the amount due for any subsequent Public Health ~~License or Permit~~ or Registration renewal ~~or license~~ or ~~permit~~ application by the person who owns or operates such ~~food-related business~~ or refer any delinquent fees to the Collection Units of the County Tax Collector for collection. ~~The total amount due shall be the license or permit or registration fee for such business.~~

SECTION 142. Section 8.04.660 is hereby amended to read as follows:

**8.04.660 Public Health ~~License or Permit~~ or Registration—
Fictitious Name Restrictions.**

A. A Public Health ~~License or Permit~~ or Registration may be issued pursuant to this Chapter to a corporation duly authorized to transact business in this State, or to a person operating under a fictitious name who has complied with all of the provisions of the California Business and Professions Code section 1790 et seq. or any statute superseding or taking the place of such code sections. Otherwise, all such ~~licenses or permits~~ or registrations shall be issued in the true name of the individual or individuals

applying therefor identified on the application. Except as above provided, no business ~~so~~
~~licensed or~~ issued a permit or registration may operate under any false or fictitious
name.

B. A Public Health ~~License or~~ Permit or Registration issued to a corporation
shall designate such corporation by the exact name which appears in the articles of
incorporation of such corporation.

SECTION 143. Section 8.04.670 is hereby amended to read as follows:

8.04.670 Fee Exemptions—Blind Persons.

A. The County Health Officer shall issue without fee a Public Health ~~License~~
~~or~~ Permit or Registration to any blind person who otherwise would be entitled to such
~~license or~~ permit or registration if such person files with the County Health Officer a
certificate by a licensed physician and surgeon or by the California Department of
Rehabilitation that such person is a blind person as those words are used in this
Section.

B. As used in this Section a "blind person" means a person having not more
than ten (10) percent visual acuity in the better eye with correction.

SECTION 144. Section 8.04.700 is hereby amended to read as follows:

8.04.700 Fee Exemptions—Conditions for Charitable Activities.

An activity for which a Public Health ~~License or~~ Permit or Registration is required
by this Chapter shall be deemed to qualify for a no-fee ~~license or~~ permit or registration
if:

- A. The entity providing the activity complies with United States Code, Title 26, Internal Revenue Code, section 501(c)(3); and
- B. The activity which is being ~~licensed or~~ permitted exclusively provides:
 - 1. Meals without charge to the recipient; or,
 - 2. Housing without charge to the recipient or at reduced rents through Permanent Supportive Housing as that term is defined in Section 8.04.345 of this Chapter; or,
 - 3. Therapeutic services without charge to the recipient. For purposes of this Section ~~8.04.700~~, "therapeutic services" shall mean activities intended to treat an illness or disability.

SECTION 145. Section 8.04.701 is hereby added to read as follows:

8.04.701 Fees for Complaint Investigations of Permitted or Registered Facilities or Establishments.

A. The County Health Officer shall recover the cost of enforcement activities conducted in response to more than one (1) complaint at a facility or establishment regulated by a Public Health Permit or Registration as listed in Section 8.04.720 of this Chapter, where one (1) or more violation(s) have been identified cited in an Official Inspection Report provided to the owner or operator and that requires corrective action.

The County Health Officer shall also recover any reasonable costs incurred in connection with the collection of such fees.

B. The fee shall be assessed in the following instances:

1. The County Health Officer has issued an Official Inspection Report or Notice of Violation requiring correction of a condition found to exist on the property owned, maintained or occupied by the person or persons liable for such condition, and

2. The County Health Officer has spent at least one (1) hour attempting to obtain correction of the violation.

3. The County Health Officer shall issue an invoice for all time spent obtaining compliance once the violations have been corrected. The fee shall be determined in accordance with the classification and salary structures approved by the Board of Supervisors for the personnel required to perform such services.

SECTION 146. Section 8.04.705 is hereby amended to read as follows:

8.04.705 Fees for ~~Unlicensed~~Unpermitted Activities.

A. The ~~County~~Director shall recover the cost of the County Health Officer's enforcement activities ~~when they are otherwise~~conducted against persons, businesses, or corporations that are engaged in activities that violate applicable federal and State statutes, orders, quarantines, rules, regulations or local ordinances and directives relating to public health or are engaged in activities not regulated by a Public Health License or Permit or Registration as listed in Section 8.04.720 of this Chapter and do not possess a valid Public Health Permit or Registration. The County Health Officer shall also recover any reasonable costs that it may incur in connection with the collection of such fees.

B. The fee shall be assessed when:

1. The County Health Officer has issued an ~~Official Inspection~~
~~Report~~ or notice of violation requiring correction of a condition found to exist on
~~property owned, maintained or occupied by the person or persons liable for such~~
~~condition~~ the premises; and

2. The County Health Officer has spent at least one (1) hour
attempting to obtain correction of the violation ~~condition~~.

C. The County Health Officer shall issue an invoice for all time spent
obtaining compliance once the violations have been corrected. The fee shall be
determined in accordance with the ~~Standard Hourly Billing Rate Schedule in Section~~
~~8.04.728, Subsection~~ classification and salary structures approved by the Board of
Supervisors for the personnel required to perform such services.

SECTION 147. Section 8.04.710 is hereby amended to read as follows:

8.04.710 Fee Requirements Generally.

Unless otherwise specified, the annual Public Health ~~License or Permit or~~
Registration fees required to be paid to perform or carry on, conduct or engage in any of
the businesses, occupations, institutions, or acts set forth in Section 8.04.720 within the
area under the jurisdiction of the County Health Officer, shall be as listed in
Section 8.04.720 of this Chapter.

SECTION 148. Section 8.04.712 is hereby added to read as follows:

8.04.712 Annual Review and Adjustment of Fees.

A. The Director may increase fees set forth in Section 8.04.720 of this Chapter annually. Each fee shall be adjusted and published on the Department of Public Health website by the Director that reflects the increase. Fees shall be adjusted to reflect both the Board of Supervisors' approved cost of living adjustment and the Consumer Price Index adjustment, as provided in Subsections A.1 and A.2, below, and are subject to review and approval of the Auditor-Controller.

1. Board Approved Cost of Living Adjustment. All associated labor costs shall be adjusted to reflect increases in County personnel costs resulting from a cost-of-living adjustment approved by the Board of Supervisors.

2. Annual Consumer Price Index Adjustment. All associated service and supply costs shall be adjusted based on the Consumer Price Index. Beginning with fiscal year 2027 billing, and thereafter on each succeeding fiscal year, the amount of each fee in this Chapter shall be adjusted as follows: Calculate the percentage movement between March of the previous year and March of the current year in the Consumer Price Index for all urban consumers in the Los Angeles – Long Beach – Anaheim, California areas, as published by the United States Government Bureau of Labor Statistics, and adjust each fee by said percentage amount; provided, however, that no adjustment shall decrease any fee and no fee shall exceed the reasonable cost of providing services pursuant to Subsection B.

B. Reasonable Costs. Notwithstanding the above, no fee shall exceed the reasonable cost of providing the service for which the fee is imposed. If the Director determines that the amount reasonably necessary to recover the cost of providing the service exceeds the adjustments authorized by this Section, the Director may present a fee proposal to the Board of Supervisors for approval.

C. Five-year Review and Board Approval. The annual fee adjustments authorized under Subsections A.1 and A.2 shall be limited to a period of five (5) years, after which any further adjustment shall require approval of the Board of Supervisors. Prior to seeking approval, the Director shall conduct a comprehensive review of the fees and associated costs to ensure that the fees accurately reflect the reasonable costs of providing services. Once approval by the Board of Supervisors is obtained, the Director is authorized to make annual fee adjustments for the subsequent five (5) year period.

SECTION 149. Section 8.04.715 is hereby amended to read as follows:

8.04.715 Duty to Obey County Health Officer.

In addition to paying the fees prescribed in Section 8.04.720, in order to perform or carry on, conduct or engage in any of the businesses, occupations, institutions, or acts set forth in Section 8.04.720 within the area under the jurisdiction of the County Health Officer, and as a condition of the continued validity of a Public Health ~~License or Permit or Registration~~, all persons shall comply with all applicable federal and State statutes, orders, quarantines, rules, regulations, or local ordinances and directives relating to the public health.

SECTION 150. Section 8.04.720 is hereby amended to read as follows:

SECTION 152. Section 8.04.728 is hereby amended to read as follows:

8.04.728 Service Charges—Basis—Payment.

A. Whenever another government jurisdiction requires a person to secure an inspection, evaluation, report, or approval by the County Health Officer, necessitating the County Health Officer to provide a service, such person shall pay a fee to offset the costs incurred by the County Health Officer as set forth in this Section.

B. Any person who voluntarily seeks to secure, from the County Health Officer, an inspection, evaluation, report, approval, or other service, not listed in

Section 8.04.720, shall pay a fee to offset the costs incurred by the County Health Officer as set forth in this ~~s~~Section.

C. Requests for special services described in Subsections A and B of this ~~s~~Section shall be made on forms provided for that person by the County Health Officer. Services provided by the County Health Officer that are not listed in Section 8.04.720 and that are not detailed in the Schedule of Service Charges in Subsection F, shall be charged in accordance with the following ~~Standard Billing Hourly Rate Schedule~~ classification and salary structures approved by the Board of Supervisors for the personnel required to perform such services. All applicable fees, as provided in this ~~c~~Chapter, shall be paid at the time of application or request.

~~Position Classification~~	~~Rate (\$/hr)~~
~~Chief Environmental Health Specialist~~	~~196.00~~
~~Clerical — Blended~~	~~87.00~~
~~Environmental Health Specialist II~~	~~148.00~~
~~Environmental Health Specialist III/IV~~ ~~Environmental Health Staff~~	~~167.00~~
~~Environmental Health Technician~~	~~99.00~~

Epidemiologist	189.00
Industrial Hygienist	180.00
Senior Radiation Protection Specialist	178.00
Community Worker	90.00

D. The County Health Officer, upon request and in ~~his or her~~ the County Health Officer's discretion, may provide to a party requesting plan review, ~~an~~ an ~~Expedited Construction Inspection~~. The ~~initial~~ Expedited Construction Inspection shall be completed within forty-eight (48) hours from receipt of payment of the fee. The fee charged shall be one-half (~~0.5~~ 1/2) of the appropriate plan check fee and shall cover the cost of the initial and, if the County Health Officer deems it necessary, a final construction inspection. If a final construction inspection is deemed necessary, the party shall submit a separate request for such final construction inspection which shall be completed within forty-eight (48) hours from the time said request is received. Any additional construction inspections will be charged according to the ~~Standard Billing Hourly Rate Schedule in Subsection C above~~ classification and salary structures approved by the Board of Supervisors for the personnel required to perform such services.

E. ~~The County Health Officer, upon request and in his or her~~ their discretion,
may provide to a party requesting an Expedited Plan Check Review Process.The
County Health Officer may provide an expedited plan check review process, upon
request and at their discretion. An expedited plan check review process shall consist of
the initial plan review to be completed within ten (10) working days from receipt of
payment of the fee and one (1) follow-up plan review, and upon separate request, an
initial and, if the County Health Officer deems it necessary, a final construction
inspection to be completed within forty-eight (48) hours from the time said request is
received. A fee shall be charged at the rate of one and a half (1.5) times the appropriate
plan check fee and shall cover the cost of the expedited initial and follow-up plan review
and the expedited initial and final construction inspections. Any additional reviews or
inspections will be charged according to the ~~Standard Billing Hourly Rate Schedule in~~
~~Subsection C above~~ classification and salary structures approved by the Board of
Supervisors for the personnel required to perform such services.

F. Following is the Schedule of Service Charges for services provided by the
County Health Officer. Failure to pay said fees constitutes a violation of this Section and
may be prosecuted as such.

SECTION 153. Section 8.04.730 is hereby amended to read as follows:

8.04.730 Public Health License and Permit and Registration—

Contents.

Each Public Health ~~License and Permit~~ and Registration shall state the person to whom it is issued, and the kind of business or businesses, the account identifier, and the location for which it is issued, and the date of issuance, the ~~license or permit~~ or registration period for which it is issued, and shall refer to this Chapter and be ~~signed~~ issued by the County Health Officer.

SECTION 154. Section 8.04.740 is hereby amended to read as follows:

8.04.740 Public Health License and Permit or Registration—

Exhibition on Request.

Every person having a Public Health ~~License or Permit~~ or Registration under the provisions of this Chapter shall produce and exhibit the same whenever requested to do so by any officer authorized to issue, inspect, review or collect ~~licenses and permits~~ or registrations.

SECTION 155. Section 8.04.750 is hereby amended to read as follows:

8.04.750 ~~Public Health License and Permit and Registration—~~

Posting at Fixed Place of Business.

Every person having a Public Health ~~License or Permit~~ or Registration under the provisions of this Chapter and conducting, managing or carrying on a business, or occupation at a fixed place of business, shall keep such ~~license or permit or registration~~ posted and ~~exhibited~~ displayed while in ~~force~~ use, in ~~some~~ a conspicuous part of said place of business.

SECTION 156. Section 8.04.752 is hereby amended to read as follows:

8.04.752 ~~Posting Requirements—Penalty for Noncompliance—~~

Documents Available for Public Review.

A. Upon issuance by the County Health Officer, the County Health Officer shall post at every Food Facility the Public Notification Card ~~Letter Grade Card or the Inspection Score Card as determined by the County Health Officer,~~ as required by Section 8.04.147 so as to be clearly visible to the general public and to patrons entering the facility. "Clearly visible to the general public and to patrons" means:

1. Posted in the front window of the Food Facility within five (5) feet of the front door or posted in a display case mounted on the outside front wall of the Food Facility within five (5) feet of the front door;
2. Posted adjacent to the pass-out window on a Mobile Food Facility, or on the customer service side of an unenclosed Mobile Food Facility; or

3. Posted in a location as directed and determined in the discretion of the County Health Officer to ensure proper notice to the general public and to patrons.

B. In the event that a Food Facility is operated in the same building or space as a separately licensed or permitted business, or in the event that a Food Facility shares a common patron entrance with ~~such a separately licensed or permitted~~ business, or in the event of both, the County Health Officer shall post the Letter Grade Card or the Inspection Score Card in the initial patron contact area, or in a location as determined in the discretion of the County Health Officer.

C. The Letter Grade Card and the Inspection Score Card shall not be defaced, ~~mark~~ed, reproduced, copied, camouflaged, hidden, or removed. It is unlawful to operate a Food Facility unless the Letter Grade Card or the Inspection Score Card as determined by the County Health Officer, is in place as set forth hereunder. Removal of the Letter Grade Card or the Inspection Score Card is a violation of this Chapter and may result in the suspension or revocation of the Public Health Permit and shall be punishable as specified in Section 8.04.930.

D. Every Food Facility shall post a legibly lettered sign which displays the following information so as to be clearly visible to the general public and to patrons entering the facility:

Any public health concerns regarding this facility should be directed to the County of Los Angeles, Environmental Health ~~office located at: _____ (local office address and telephone number to be provided by the County Health Officer)~~
Customer Call Center at (888) 700-9955.

E. The ~~Food~~ Official Inspection Report upon which the Letter Grade Card or the Inspection Score Card is based and all subsequent reports issued by the County Health Officer shall be maintained at the Food Facility and shall be available to the general public and to patrons for review upon request. The Food Facility shall keep the ~~Food~~ Official Inspection Report and all subsequent reports until such time as the County Health Officer completes the next ~~r~~Routine ~~i~~Inspection of the facility and issues a new ~~Food~~ Official Inspection Report.

SECTION 157. Section 8.04.755 is hereby amended to read as follows:

8.04.755 Letter Grade Card and Inspection Score Card—Period of Validity.

A. A Letter Grade Card or Inspection Score Card shall remain valid until the County Health Officer completes the next ~~r~~Routine ~~i~~Inspection of the Food Facility.

B. In instances where there is a change of ownership, a change of ownership placard shall be posted upon approval by the County Health Officer to operate pending completion of a routine inspection that results in the posting of a Letter Grade or Score Card.

SECTION 158. Section 8.04.760 is hereby amended to read as follows:

8.04.760 Public Health Permit and/or Registration—Carrying by Itinerants.

Every person having ~~such a~~ Public Health ~~p~~Permit and/or Registration and not having a fixed place of business shall carry such permit and/or registration with him

them at all times while carrying on the business or occupation for which ~~same was~~
~~granted~~ it was issued.

SECTION 159. Section 8.04.770 is hereby amended to read as follows:

8.04.770 Vehicle and Equipment Identification.

The County Health Officer may, when ~~he~~they deems necessary, issue in conjunction with any Public Health ~~License or Permit~~ or Registration required by this Chapter further identification in the form of a ~~license plate~~, decal or gummed sticker. Upon issuance of the decal or sticker, same, ~~he~~the County Health Officer shall, ~~in writing, advise the licensee or~~ notify -permittee or registrant in writing as to where this identification decal or sticker is to be affixed.

SECTION 160. Section 8.04.780 is hereby amended to read as follows:

8.04.780 Vending Machine Operator Requirements.

A. Each ~~food or drink~~ vending machine required to obtain a Public Health Permit shall have affixed thereon, ~~in an accessible place, an identification plate made of durable material, setting forth the model number or symbol of the machine and the serial number identifying each machine~~ a decal or gummed sticker issued by the County Health Officer upon payment.

B. ~~In addition, there shall be affixed to each food or drink Vending Machine a decal or other indication furnished by the County Health Officer that the required Public Health Permit fee has been paid for the current year~~ The County Health Officer shall notify the permittee or registrant in writing as to where this identification decal or sticker is to be affixed.

C. The operator of a ~~food or drink~~ Vending Machine Business shall maintain in its headquarters or principal place of business a current record by Public Health Permit number ~~or list by serial number~~ of every such machine and its location within the area under the jurisdiction of the County Health Officer.

SECTION 161. Section 8.04.785 is hereby amended to read as follows:

8.04.785 Additional Requirements for Mobile Food Facilities and Commissaries.

A. The owner/operator of a Mobile Food Facility or Mobile Support Unit shall complete a Mobile Food Facility Route Sheet, obtained from the County Health Officer, listing the complete address, telephone number, and arrival/departure times of each location where the retail food business is being conducted. The Mobile Facility Route Sheet shall be maintained on file at the Mobile Food Program. The owner/operator of a Mobile Food Facility or Mobile Support Unit shall notify the County Health Officer of any significant changes to the Mobile Food Facility Route Sheet within thirty (30) days. Failure to provide an accurate and current Mobile Food Facility Route Sheet may result in suspension or revocation of the Public Health ~~License or Permit~~.

B. The Commissary operator shall provide a current list of all Mobile Food Facilities that operate in conjunction with the Commissary to the County Health Officer every ninety (90) days.

SECTION 162. Section 8.04.790 is hereby amended to read as follows:

**8.04.790 Public Health License and Permit and Registration—
Transfer.**

A.——Any Public Health Permit or Registration, once issued, is non-transferable. A Public Health Permit or Registration shall be valid only for the person, location, and type of activity approved at the time of issuance and, unless suspended or revoked for cause, for the time period indicated.

~~B.——A Public Health License shall be valid only for the person and type of activity approved at the time of issuance. Any Public Health License required by this Chapter may be transferred by the licensee upon application to the County Health Officer and under the following conditions:~~

~~1.——Investigation by the County Health Officer determines the proposed facility and its method of operation will conform to all applicable laws and regulations;~~

~~2.——The proposed facility remains within the same type of activity and the same category of operation as the original facility, as specified in Section 8.04.720; and~~

~~3.——The transfer is not in conflict with any applicable law or regulation.~~

C.——The County may recover from the person transferring the Public Health License all reasonable costs that it incurs in connection with the transfer.

SECTION 163. Section 8.04.800 is hereby amended to read as follows:

8.04.800 Public Health License and Permit—Transfer

Fee Changes to Partnership.

If a Public Health License or Permit is issued to a partnership and the partnership is changed by the addition of new partners, the license or permit may be transferred to the new partnership if the new partnership makes application for such transfer in the same manner as for a new license or permit and pays a transfer fee of \$10.00 to the County Health Officer, updated to include or remove partners upon completion of applicable forms provided by the County Health Officer.

SECTION 164. Section 8.04.810 is hereby amended to read as follows:

8.04.810 ~~Lost~~ Public Health License and Permit and

Registration—Replacement.

~~Where, from such evidence as the County Health Officer sees fit to require,~~
When the County Health Officer finds that a Public Health License or Permit or Registration (whether in the form of a tag, plate, decal, paper, or card, sticker, or otherwise) has been lost, the County Health Officer shall issue a duplicate license or permit or registration to the owner thereof upon payment of twenty (\$20.00) dollars.

SECTION 165. Section 8.04.817 is hereby amended to read as follows:

**8.04.817 Public Health License and Permit and Registration—
Reporting Requirements.**

Every person having a Public Health ~~License or Permit~~ and/or Registration under the provisions of this Chapter shall report to the Department of Public Health the following changes of status to the business within fifteen (15) days of the change:

- A. Change of mailing address;
- B. Sale and/or transfer of ownership;
- C. Permanent closure or cessation of business.

SECTION 166. Section 8.04.820 is hereby deleted in its entirety:

**~~8.04.820 Procedures for Issuing Public Health Licenses and
Permits for Temporary Activities.~~**

~~A. Notwithstanding Section 8.04.640, if the applicant for a Public Health License or Permit under this Chapter shows to the satisfaction of the County Health Officer that because a business or occupation or other activity is of a seasonal nature, or because of statutory or ordinance regulations or restrictions, or because of acquisition by the public of the premises on which the occupation or business or other activity is situated, or because of similar reasons, such business, occupation or activity can only be carried on for a limited period of time, not more than three quarters ($\frac{3}{4}$) of a year, a license or permit may be issued for such period of time and the license or permit fee shall be the following fraction of the annual fee:~~

- ~~1. One quarter of a year or less, one fourth ($\frac{1}{4}$);~~

2. ~~More than one quarter but not more than one half ($\frac{1}{2}$) of a year, one half ($\frac{1}{2}$);~~

3. ~~More than one half ($\frac{1}{2}$) but not more than three quarters ($\frac{3}{4}$) of a year, three fourths ($\frac{3}{4}$).~~

B. ~~Such license or permit may be issued for the limited period without regard to fiscal years.~~

C. ~~Notwithstanding any other provision of this Section, a swimming pool shall not be considered a seasonal activity.~~

SECTION 167. Section 8.04.830 is hereby amended to read as follows:

**8.04.830 Public Health License and Permit and Registration—
Delinquency Date.**

A. "Delinquency Date" means:

1. In the case of a ~~license or permit~~ or registration renewal, the 32nd day of the applicable ~~license or permit~~ or registration year;

2. In the case of a newly established business or activity for which a ~~license or permit~~ is required, the ~~61st~~ 32nd-day after conditional approval to operate the ~~commencement of the business or activity~~ has been issued by the County Health Officer;

3. In the case of an additional reinspection fee for a ~~food-related~~ business, the 32nd day after notice of additional reinspection fee is mailed or personally delivered to the person engaged in the ~~food-related~~ business.

B. In the case of those businesses or activities which are the subject of a direct assessment pursuant to Part 3 of this Chapter, delinquency date for County taxes collected on the secured roll.

SECTION 168. Section 8.04.835 is hereby added to read as follows:

8.04.835 **Late Fee for Failure to Notify—Organized/Children's Camp Permit/Registration.**

A. A Children's Camp shall be subject to a penalty if notification to operate has not been provided to the County Health Officer at least sixty (60) days prior to the start of the camp session as required in Section 11.08.210 of this Code.

B. An Organized Camp shall be subject to a penalty if notification to operate has not been provided to the County Health Officer at least thirty (30) days prior to the start of the camp session as required in Title 17 of the California Code of Regulations section 30703.

C. Camp operators shall be subjected to a penalty fee equal to twenty-five (25) percent of the permit or registration fee.

SECTION 169. Section 8.04.840 is hereby amended to read as follows:

8.04.840 **Public Health License and Permit and Registration—Penalty for Late Fee Payment.**

If any fee required by Division 1 of this Title is not paid prior to the Delinquency Date, in addition to such fee, the ~~licensee or permittee~~ or registrant shall pay a penalty equal to twenty-five (25) percent of the fee or fifty \$(50.00) dollars, whichever is greater, plus an additional amount equal to one and one-half (1½) percent of the ~~license or~~

permit ~~fee or registration fee~~ owed for each month the fee ~~plus penalties~~ remains delinquent, commencing the first day of the first calendar month that begins at least ~~sixty (60) days after the Delinquency Date.~~

SECTION 170. Section 8.04.841 is hereby amended to read as follows:

8.04.841 Late Fee Payment—Community Event/Seasonal Organizer Temporary Food Facility Permit.

A Community Event Organizer application or a Temporary Food Facility application shall be considered late if submitted less than fourteen (14) calendar days prior to the start of the event for which the application is submitted.

A. Any application considered late submitted less than fourteen (14) days but more than seven (7) days shall be subjected to a penalty fee equal to twenty-five (25) percent of the permit fee or fifty \$(50).00 dollars, whichever is greater.

B. Any application submitted within seven (7) calendar days prior to the start of the event shall be subject to a penalty fee equal to fifty (50) percent of the permit fee or one hundred (100) dollars, whichever is greater.

SECTION 171. Section 8.04.842 is hereby amended to read as follows:

8.04.842 Late Fee Payment—Lien Against Licensee or Permittee or Registrant Authorized When.

If the fee and penalty as described in ~~Section 8.04.840~~ of this Chapter is not paid within ninety (90) days after the dDelinquency dDate, the account will be referred to the Collections Unit of the Tax Collector to begin the collections process. aA certificate of

lien may be recorded against the ~~licensee or permittee~~ responsible party as authorized by California Health and Safety Code section 101345.

SECTION 172. Section 8.04.844 is hereby amended to read as follows:

8.04.844 Late Fee Payment—Additional Penalty Following Lien.

Upon recordation of a certificate of lien, described in Section 8.04.842, an additional penalty fee of sixty \$15(60)-00 dollars shall be paid by the ~~licensee or permittee~~ or registrant.

SECTION 173. Section 8.04.850 is hereby amended to read as follows:

8.04.850 Public Health License~~Permit~~—Penalty for Late Direct Assessment Fees.

Notwithstanding the provisions of Section 8.04.840, any fee required by this Chapter which is not paid prior to the Delinquency Date and is included as a direct assessment pursuant to Part 3 of this Chapter, shall bear the same penalty as delinquent taxes on the secured tax roll.

SECTION 174. Section 8.04.860 is hereby amended to read as follows:

8.04.860 County Health Officer—Fee Collection and Other Duties.

The County Health Officer shall collect the ~~license and permit~~ and registration fees and penalties under this Chapter when the County Health Officer receives the application for a ~~license or permit~~ or registration, and performs such other duties as are prescribed by this Chapter.

SECTION 175. Section 8.04.870 is hereby amended to read as follows:

8.04.870 County Health Officer—Public Health License and Permit and Registration Issuance and Accounting Duties.

The County Health Officer shall maintain an accounting of all issued Public Health licenses and permits and Registrations for both tracking and audit purposes. The County Health Officer shall number ~~and sign all licenses and permits~~ and registrations.

SECTION 176. Section 8.04.880 is hereby amended to read as follows:

8.04.880 County Health Officer—Deposit of Funds.

The County Health Officer shall deposit ~~in the Environmental Health trust fund in the County treasury~~ all license and permit, registration and service fees and penalties collected into the Environmental Health trust fund within the County Treasury.

SECTION 177. Section 8.04.900 is hereby amended to read as follows:

8.04.900 Minor Errors in Payments.

In the event a discrepancy exists between the amount of the fee paid and the amount of the fee due, resulting in an underpayment or an overpayment of the fee in the amount of ten \$(10).00 dollars, or less, the County Health Officer may accept and record such underpayment or overpayment without other notification to the ~~licensee or permittee or the license or permit applicant~~ registrant.

SECTION 178. Section 8.04.910 is hereby amended to read as follows:

8.04.910 Refunds.

A. The County Health Officer may refund to the ~~licensee or permittee~~ or registrant all moneys collected because of excess, erroneous, or double payment, if the ~~licensee or permittee~~ or registrant files a proper claim.

B. Whenever Public Health ~~License or Permit~~ or Registration fees are reduced during the calendar year and made retroactive because the Board of Supervisors finds that the higher fee was not legally justified, and whenever the applicant has paid a higher fee than that required because the applicant has paid prior to the beginning of the ~~license or permit~~ or registration period and subsequent to such payment the fee has been reduced, the County Health Officer shall upon the presentation of a refund claim, make refunds as follows:

1. Apply the payment to the newly established fee; and
2. Remit the remainder to the ~~licensee or permittee~~ or registrant.

SECTION 179. Section 8.04.920 is hereby amended to read as follows:

8.04.920 Actions for Recovery of Delinquent ~~License or Permit~~ or Registration Fees.

The Tax Collector may, in the name of the County of Los Angeles, as plaintiff, bring suit for the recovery of any delinquent ~~license or permit~~ or registration fees imposed against any person required by this Chapter to procure a ~~license or permit~~ or registration to engage in any business as defined in this Chapter, who carries on or attempts to carry on such business without such ~~license or permit~~ or registration.

SECTION 180. Section 8.04.930 is hereby amended to read as follows:

8.04.930 Violation—Penalty—Continuing Violations.

A. Except as otherwise expressly provided by law or this Chapter, a
~~Violation of this Chapter is a misdemeanor punishable by a fine of not more than one~~
~~thousand (\$51,000.00) dollars or, by imprisonment in the County jail for not more than~~
~~six (6) months, or by both such fine and imprisonment.~~ Each day during any portion of
which any violation of any provision of this Chapter is committed, continued or
permitted, makes such violation a separate offense.

~~B. Any violation of Title 8 or of Division 104, Part 7, Chapter 11.7, by an~~
~~operator or employee of a Compact Mobile Food Operation shall be subject to the~~
~~administrative fines as indicated in California Health and Safety Code section~~
~~114368.8.~~ A violation of this Chapter by an operator of a business subject to this Chapter
shall, in addition to Subsection A, be subject to an administrative fine of five hundred
(500) dollars per violation for each day the violation exists. In instances where
uncorrected violations continue beyond seven (7) days, administrative fines may
increase to one thousand (1,000) dollars per violation per day for every day the
violations continue to exist.

C. Notwithstanding Subsections A and B of this Section, an operator or
employee of a Compact Mobile Food Operation who violates Title 8 or of Division 104,
Part 7, Chapter 11.7, of the California Health and Safety Code shall be subject only to
the administrative fines set forth in California Health and Safety Code section 114368.8.

SECTION 181. Section 8.04.932 is hereby amended to read as follows:

8.04.932 Business Operating Without a Public Health License or Permit Prohibited or Registration.

A. No person shall engage in, conduct, manage or carry on any business or other activity for which a ~~license or permit~~ or registration is required by this Chapter if: unless the required Public Health Permit or Registration is valid and all fees required for its issuance and renewal have been paid.

~~A.1. The person does so without having, pursuant to the provisions of this Chapter, procured a license or permit or registration to do so and paid the fee required;~~
~~or~~

~~B.2. If such license or permit or registration has expired, been suspended, revoked, or denied.~~

B. Any person who operates without the necessary Public Health Permit or Registration shall be subject to closure of the business and a penalty not to exceed three times the cost of the required Permit or Registration.

C. A violation of this Section may be prosecuted as a misdemeanor pursuant to Section 8.04.930.A.

D. In lieu of criminal prosecution, the County may recover a civil penalty in an amount not less than five hundred (500) dollars for the first violation and in an amount not less than one thousand (1,000) dollars for the second and any subsequent violation.

SECTION 182. Section 8.04.934 is hereby deleted in its entirety.

**~~8.04.934 Operating Without a Public Health License or Permit—
Deemed Misdemeanor—Penalty.~~**

~~A violation of Section 8.04.932 is a misdemeanor punishable by fine, or imprisonment in the County jail for a period not exceeding six (6) months, or both. Such fine shall not be more than \$500.00, and shall:~~

~~1. For the first violation, not be less than \$100.00;~~

~~2. For the second and any subsequent violation, be \$500.00.~~

~~B. This Section shall not apply to a Compact Mobile Food Operation as defined in California Health and Safety Code section 114368.~~

SECTION 183. Section 8.04.936 is hereby amended to read as follows:

**8.04.936 Operating Without a Public Health License or Permit or
Registration—Injunctive Relief.**

A. Any person violating Section 8.04.932 this Chapter may be enjoined from such violation by any court of competent jurisdiction. The remedy provided by this Section is cumulative to any other remedy provided by law.

B. Any person who violates any injunction issued pursuant to this Section shall be liable for a civil penalty collected by the County Health Officer not to exceed five hundred (500) dollars for each violation.

SECTION 184. Section 8.04.938 is hereby deleted in its entirety.

~~8.04.938~~ ————— ~~Violation of Injunction Civil Penalty.~~

~~Any person who intentionally violates any injunction issues pursuant to Section 8.04.936 shall be liable for a civil penalty collected by the County Health Officer not to exceed \$500.00 for each violation.~~

SECTION 185. Section 8.04.940 is hereby amended to read as follows:

8.04.940 Severability.

If any provision of this eChapter or the application thereof to any person or circumstance is held invalid, the remainder of the eChapter, and the application of such provision to other persons or circumstances, shall not be affected thereby.

SECTION 186. Section 8.04.942 is hereby deleted in its entirety:

**~~8.04.942~~ ————— ~~Operating Without a Public Health License or Permit~~ —
~~Civil Penalty.~~**

~~A. — Any person who violates Section 8.04.932 shall be liable for a civil penalty recoverable in a civil action by the County Health Officer:~~

~~1. — In an amount not less than \$100.00 for the first violation; and~~

~~2. — In an amount not less than \$500.00 for the second and any subsequent violation.~~

~~B. — The remedies provided in Section 8.04.934 and by this Section are mutually exclusive.~~

SECTION 187. Section 8.04.943 is hereby amended to read as follows:

8.04.943 Public Health Permit Suspension or Revocation—Notice of Closure.

A. Upon issuance of a written notice of suspension or revocation of the Public Health Permit or Registration by the County Health Officer, the County Health Officer shall post a Notice of Closure at the ~~Food Facility~~ or business ~~so as to be in a location~~ clearly visible to the general public and to patrons.

~~B. Upon issuance of the written notice of suspension or revocation of the Public Health Permit or Registration by the County Health Officer, t~~
~~The Food Facility or business shall immediately close to the general public and to patrons and shall~~
~~discontinue all operations until the Public Health Permit or Registration has been~~
~~reissued or reinstated by order of the County Health Officer or until the facility no longer~~
~~operates as a Food Facility.~~

C. The Notice of Closure shall remain posted until removed by the County Health Officer. Removal of the Notice of Closure by any person other than the County Health Officer ~~or the refusal of a Food Facility to close upon issuance of the written notice of suspension of the public Health Permit is a violation of this Chapter and may result in the suspnsion or revocation of the Food Facility's Public Health Permit and shall be punishable as specified in Section 8.04.930.~~ is a violation of this Chapter and may result in the suspension or revocation of the facility's Public Health Permit or Registration and shall be punishable as specified in Section 8.04.930.

D. The refusal of a facility or business to close upon issuance of the written notice of suspension of the Public Health Permit or Registration is a violation of this Chapter and may result in the suspension or revocation of the facility's Public Health Permit or Registration and shall be punishable as specified in Section 8.04.930 and may be subject to remedies set forth in Section 8.04.936.

SECTION 188. Section 8.04.945 is hereby deleted in its entirety:

~~8.04.945 Public Health Permit—Suspension or Revocation.~~

~~Any Public Health Permit issued pursuant to this Chapter may be suspended or revoked in accordance with the procedures set forth in California Health and Safety Code section 113950 et seq.~~

SECTION 189. Section 8.04.946 is hereby amended to read as follows:

**8.04.946 Public Health LicensePermit or Registration—
Suspension or Revocation.**

A. The County Health Officer may suspend or revoke~~Any a~~ Public Health License issued pursuant to this Chapter ~~may be suspended or revoked by the County Health Officer~~Permit or Registration for a violation of this Code or the California Health and Safety Code, or both. Any business or ~~occupation~~facility for which the Public Health LicensePermit or Registration has been suspended or revoked shall close and remain closed until the ~~license~~permit or registration has been reinstated or reissued.

B. Except when immediate suspension is authorized under Subsection E,
~~Whenever~~ the County Health Officer finds that a business or ~~occupation~~facility is not in compliance with ~~the requirements of this Code,~~ and/or the California Health and

~~Safety Code, or both, a written notice to comply shall be issued to the licensee permittee or registrant. If the licensee fails to comply, the County Health Officer shall issue to the licensee a notice setting forth the acts or omissions with which the licensee is charged and informing the licensee of a right to a hearing, if requested, to show cause why the licensee's Public Health License should not be suspended or revoked. A written request for a hearing shall be made by the licensee within fifteen (15) calendar days after service of the notice. A failure to request said hearing within fifteen (15) calendar days after service of the notice shall be deemed a waiver of the right to a hearing. When circumstances warrant, the hearing officer may order a hearing at a reasonable time within this 15-day period to expedite the Public Health License suspension or revocation process. The hearing shall be held within fifteen (15) calendar days of the receipt of a written request for a hearing. Upon written request of the licensee, the hearing officer may postpone any hearing date, if circumstances warrant such action.~~

C. ~~The hearing officer shall issue a written notice of decision to the licensee within five working days following the hearing. In the event of suspension or revocation, the notice shall specify the acts or omissions with which the licensee is charged and shall state the items and extent of the suspension or shall state that the licensee's Public Health License has been revoked. If the permittee or registrant fails to comply within the specified compliance period specified in the notice, the County Health Officer shall issue to the permittee or registrant a notice setting forth the acts or omissions with which the permittee or registrant is cited for, the proposed action, the effective date, the~~

manner of requesting a hearing and the consequence of failing to request a hearing. A permittee or registrant may request a hearing in writing within fifteen (15) calendar days after service of the notice. A failure to request said hearing within fifteen (15) calendar days after service of the notice shall be deemed a waiver of the right to a hearing. When circumstances warrant, the hearing officer may order a hearing at a reasonable time within this fifteen (15) day period to expedite the Public Health Permit or Registration suspension or revocation process. The hearing shall be held within fifteen (15) calendar days of the receipt of a written request for a hearing. Upon written request of the permittee or registrant, the hearing officer may postpone any hearing date, if circumstances warrant such action.

D. ~~Notwithstanding any other provision of this Chapter, if any immediate danger to the public health or safety is found or is reasonably suspected, unless the danger is immediately corrected, the County Health Officer may immediately suspend the licensee's Public Health License and order the business or occupation immediately closed, pending a determination of any request for hearing made by the licensee pursuant to Subsection D.2, below. Immediate danger to the public health or safety shall include any condition, based upon inspection findings or other evidence, that can cause, or is reasonably suspected of causing, infection or disease transmission, or any known or reasonably suspected hazardous condition.~~ The hearing officer shall issue a written notice of decision to the licenseepermittee or registrant within five (5) workingbusiness days following the hearing. In the event of suspension or revocation, the notice shall specify the acts or omissions with which the licensee is charged and shall state the

~~items and extent of the suspension or shall state that the licensee's Public Health License Permit or Registration has been revoked. The decision shall state the findings, identify the violations established and specify the effective date, scope, conditions, and duration of any suspension or revocation.~~

~~1.——Whenever a Public Health License Permit or Registration is suspended as the result of an immediate danger to the public health or safety, the County Health Officer shall issue to the licensee permittee or registrant a notice setting forth the acts or omissions with which the licensee permittee or registrant is charged, specifying the sections of this Code or California Health and Safety Code, or both, allegedly violated, and informing the licensee permittee or registrant of the right to a hearing.~~

~~2.——At any time within fifteen (15) calendar days of service of a notice pursuant to Subsection D, the licensee permittee or registrant may request, in writing, a hearing before a hearing officer to show cause why the Public Health License Permit or Registration suspension is not warranted. The hearing shall be held within fifteen (15) calendar days of receipt of a request for a hearing. A failure to request a hearing within fifteen (15) calendar days shall be deemed a waiver of the right to such hearing.~~

E. ~~The County Health Officer may, after providing opportunity for a hearing, modify, suspend, or revoke a Public Health License for serious or repeated violations of this Code or the California Health and Safety Code, or both, or for interference in the performance of the duty of the County Health Officer. Notwithstanding any other provision of this Chapter, if any immediate danger to the public health or safety is found or is reasonably suspected, unless the danger is immediately corrected, the County~~

Health Officer may immediately suspend the ~~licensee's~~permittee's or registrant's Public Health LicensePermit or Registration and order the business or ~~occupation~~facility to immediately ~~closed~~discontinue operation, pending a determination of any request for hearing made by the ~~licensee~~permittee or registrant pursuant to Subsection D-2, below. Immediate danger to the public health or safety shall include any condition, based upon inspection findings or other evidence, that can cause, or is reasonably suspected of causing, infection or disease transmission, or any known or reasonably suspected hazardous condition.

1. Whenever a Public Health Permit or Registration is suspended as the result of an immediate danger to the public health or safety, the County Health Officer shall issue to the permittee or registrant a notice setting forth the acts or omissions with which the permittee or registrant is charged, specifying the sections of this Code or the California Health and Safety Code, or both, allegedly violated, and informing the permittee or registrant of the right to a hearing.

2. At any time within fifteen (15) calendar days of service of a notice pursuant to Subsection D, the permittee or registrant may request, in writing, a hearing before a hearing officer to show cause why the Public Health Permit or Registration suspension is not warranted. The hearing shall be held within fifteen (15) calendar days of receipt of a request for a hearing. A failure to request a hearing within fifteen (15) calendar days shall be deemed a waiver of the right to such hearing.

F. ~~A Public Health License may be reinstated, or a new Public Health License issued, if the County Health Officer determines that conditions which prompted~~

~~the suspension or revocation no longer exist.~~ The County Health Officer may, after providing opportunity for a hearing, modify, suspend, or revoke a Public Health Permit or Registration for serious or repeated violations of this Code or the California Health and Safety Code, or both, or for interference in the performance of the duty of the County Health Officer.

G. A Public Health Permit or Registration may be reinstated, or a new Public Health Permit or Registration issued, if the County Health Officer determines that conditions that prompted the suspension or revocation no longer exist.

SECTION 190. Section 8.04.947 is hereby amended to read as follows:

8.04.947 Noncompliance With the County Health Officer—Deemed Misdemeanor—Penalty.

All persons shall obey all rules, regulations, orders, or directives of the County Health Officer. Any person who, after notice, violates, or who, upon demand of the County Health Officer, refuses or neglects to conform to any rule, regulation, order, or directive prescribed by the County Health Officer, is guilty of a misdemeanor, punishable by fine, or imprisonment in the County jail for a period not exceeding six months, or both. Such fine shall not be more than one thousand \$5(1,000)-00 dollars, and shall:

- A. For the first violation, not be less than one hundred \$(100)-00 dollars;
- B. For the second and any subsequent violation, be one thousand \$5(1,000)-00 dollars.

SECTION 191. Section 8.04.949 is hereby deleted in its entirety:

~~8.04.949 Implementation Dates.~~

~~A. Provisions of this chapter related to the application and procurement of children's camp registration and permits shall be effective January 1, 2023.~~

~~B. Enforcement for failure to comply with provisions of this chapter related to children's camp registration and permits shall commence on March 1, 2023.~~

SECTION 192. Section 8.04.950 is hereby amended to read as follows:

**8.04.950 Fees ~~p~~laced on ~~t~~ax ~~r~~oll for ~~d~~irect ~~a~~ssessment—
Conditions.**

Notwithstanding any other sections or parts of this ~~e~~Chapter, where real property is owned by the operator of ~~m~~Multiple Family dDwellings, ~~m~~Multiple Family dDwellings with pools, rental housing properties required to be registered in the County's ~~L~~rent registry system pursuant to Section 8.53.040, or any other business, and such property is subject to federal and sState statutes, orders, quarantines, rules, ~~or~~ regulations or local ordinances and directives relating to public health, the fees established by this ~~e~~Chapter shall be placed on the secured tax roll as a direct assessment as authorized by ~~Section 510 of the~~ California Health and Safety Code section 101325.

SECTION 193. Section 8.04.960 is hereby amended to read as follows:

8.04.960 List of ~~p~~roperties ~~s~~ubject to ~~f~~ees—Preparation.

On or before August 1st of each year, the ~~e~~County ~~h~~Health ~~e~~Officer shall prepare a list of parcels of real property which are subject to the fees described in

~~s~~Section 8.04.950 of this Code, and shall transmit such list to the ~~a~~Auditor-eController on or before the 10th day of August of each year.

SECTION 194. Section 8.04.970 is hereby amended to read as follows:

8.04.970 Assessments—Entered on ~~l~~list of ~~p~~properties.

The ~~a~~Auditor-eController shall enter the amounts of the respective assessments against the respective parcels of land as they appear on the current assessment roll.

SECTION 195. Section 8.04.980 is hereby amended to read as follows:

8.04.980 Assessments—Entered ~~on~~ on ~~b~~bills for ~~t~~taxes.

The ~~t~~Treasurer-tax eCollector shall include the amount of the assessment on the assessment roll on bills for taxes levied against the respective lots and parcels of land.

SECTION 196. Section 8.04.990 is hereby amended to read as follows:

8.04.990 Collection of ~~a~~assessments.

Such assessments shall be collected in the same manner and at the same time as ~~e~~eCounty taxes are collected.

SECTION 197. Section 8.04.995 is hereby amended to read as follows:

8.04.995 Recordation ~~of~~ of ~~l~~lien for ~~f~~fees ~~w~~When ~~d~~direct ~~a~~assessment-~~n~~not ~~p~~possible.

In those instances where direct assessment is not authorized by the California Health and Safety Code-Section 540, the Treasurer tax eCollector shall perform the duties required by California Health and Safety Code Ssection 540.7101345 in recording without fee a certificate specifying the amount, interest, penalty due, and the

name and last known address of the person liable therefor, ~~as authorized by Section 510.7 of the Health and Safety Code~~ at the time of the recording.

SECTION 198. Chapter 8.04. Part 4 is hereby repealed in its entirety:

SECTION 199. Chapter 8.04. Part 6 is hereby repealed in its entirety.

SECTION 200. Section 8.53.050 is hereby amended to read as follows:

8.53.050 Rental Housing Habitability Program Fees.

A. Program Fee. Each Landlord of a Rental Housing Property subject to this Chapter shall be required to pay an annual program fee ~~in the amount of eighty-six dollars (\$86.00)~~ as set forth in Section 8.04.720 of this Code for each Rental Housing Unit. This fee shall be known as the "Rental Housing Habitability Program Fee." This program fee covers the costs of the Rental Housing Habitability Program, including inspections and enforcement by the County Housing Program Chief and the administration of the County Rent Escrow Account Program under Chapter 8.55.

B. Tenant Pass Through. A Landlord may pass through up to fifty (50) percent of the Rental Housing Habitability Program Fee for a Rental Housing Unit to the Tenant.

C. Penalties. Should the Landlord fail to pay the required program fee, the County has the right to recover by utilizing any remedies provided by law, including nuisance abatement or lien procedures established by ordinance and/or State law. violation of this Chapter.

[CH804VMCC]

Ordinance to Amend Los Angeles County Code

Proposed Changes to Title 8 - Division 1 Public Health Licenses: Chapter 8.04 – Public Health Licenses

Environmental Health Division

Health Cluster– 10.28.26

Why are Public Health Fees Collected?

Program Costs:

- Fees are collected to administer environmental health programs and enforce state and county codes.

Examples of costs:

- Salaries & Employee Benefits
- Rents/Leases
- Equipment and supplies
- Training
- Information Technology
- County & Department Support for the Program

Under State and Local Laws, Environmental Health Permit fees are expected to fully cover the costs of operating the program.

Previous Changes to EH Fees

2011: New fee categories were implemented, and some fees increased, while some fees were decreased to adequately reflect the reasonable or actual costs of services.

2018: New fee categories were implemented, and fees were increased by 15% across the board.

A 22% increase was needed to fully recover Environmental Health program costs.

Why Are EH Fees Changing Now?

EH fees have not increased since Fiscal Year 2018-19

Operational costs have increased which includes Cost-of-Living Adjustment (COLA), employee benefits, services and supplies, along with indirect costs.

Year	19/20	20/21	21/22	22/23	23/24	24/25	25/26	Total Increase
COLA Increase	2.5%	2.75%	5.5%	3.25%	3.25%	3.25%	0	20.5%
CPI Rate* Average Increase	3.1%	1.6%	2.8%	7.4%	3.5%	3.2%	3.2%	24.8%

Under state and county law, fees are expected to cover the costs of all EH inspection programs.

**Consumer Price Index (CPI) measures the average change in consumer prices based on goods and services over time.*

The Los Angeles County fiscal year begins on July 1 and ends on June 30 of the following year.

BREAKDOWN OF ANNUAL PERMIT FEE FY 2025-26

- **Program Services:** Staff time include inspections and office staff (salaries), employee benefits, any labor tied directly to providing the service (the people doing the work).
- **Operating Expenses:** Supplies, Vehicles (cost, fuel, maintenance, depreciation), Mailing services, Workers' compensation claims (the tools and day-to-day expenses).
- **Support Services:** H.R. support, I.T. support and infrastructure, Finance/Accounting, Legal costs, and Insurance (behind-the-scene functions that keep the operation running).

How are EH Fees Determined & Approved?

- EH conducted a time study to analyze staffing & indirect cost.
- All proposed fees were reviewed and approved by the Los Angeles County Department of Auditor-Controller.
- The Board of Supervisors must approve fees outlined in Title 8 – Consumer Protection and Business Regulations.

New Fee Structure to Enable Balanced & Cost-Effective Operational Model

Comprehensive Best-Practice Operational Model - 'Cadillac'

Cost-prohibitive: would result in high fee increases.

Proposed Operational Model under New Fee Structure - 'Balanced'

Optimizes efficiency to reduce costs.

Current Operational Model – Underfunded

Insufficient fee revenue.

Unable to hire adequate staffing for current & new programs.

Non-renewing operational reserve nearing depletion.

Overview of the EH Fee Package

- What specific fees are changing
- Breakdown of Permit, Plan Check, and Service Fee Types
- Ordinance language changes
- Outreach Efforts and Feedback
- Next steps in the update process

What is being changed?

- Some fees are being split up into more categories to better reflect program operations.
 - Community Event Organizer
- Establishing new permit and service fee categories based on risk classifications.
 - Body Art Facility – single-use
 - Body Art Facility - sterilizer
- Creating new Plan Check Fees for some programs.
 - New Building Core Plan

Programs Impacted

- Retail Food Facilities & Plan Check
- Mobile Food Facilities (including food carts)
- Community Events & Certified Farmer's Markets
- School Cafeterias
- Homebased Food Operations
- Wholesale Food
- Rental Housing & Lodging
- Body Art
- Public Swimming Pools
- Camps
- Onsite Wastewater Treatment Systems
- Drinking Water (Wells, Cross Connections, State Small Water Systems)
- Alternate Water Systems Plan Check
- Garment, Laundry, and Wiping Rags
- Tobacco Control
- Animal Keeper
- Radiation Plan Check
- Cannabis
- Detention Facilities

Summary of Annual Health Permit Fees

Type of Fee	Annual Health Permit	Plan Check Fee	Service Fee
Total Number of Fees	152	89	46
# Fees increased	91	68	28

Proposed Ordinance Language Changes

Added language to allow for annual increase to fees based on Consumer Price Index (CPI).

Added language to increase fees based on Cost-of-Living Adjustments (COLAs) approved by the Board.

- Annual adjustments of fees based on CPI and COLAs will in the future prevent the need for large one-time increases to make up for multiple years of cost inflation.
- This will also enable permittees to better predict and budget for any fee changes.

Proposed Ordinance Language Changes

- The term "**License**" is being removed and replaced with the term "**Permit**".
- The term "**Registration**" is being added to align with local and state codes.

Proposed Ordinance Changes Related to Posting Requirements

- Allow for posting of "Notice of Closure" at any permitted facility by order of the health officer.
- Implementing a "Change of Ownership" placard for food facilities pending the routine inspection where a "grade/score" can be issued.

Proposed Changes Related to Billing

- Delinquency date of invoices is changing from 61 days to 32 days.
- Amended proration language from quarterly to semi-annually for those that are based on an inspection frequency of more than one per year.
- Amended language to require payment of administrative citation fees to annual renewal of health permit.

Proposed Changes Related to Service Charges

- Authority to bill at the standard hourly billing rate for document reviews, investigations and enforcement of non-permitted facilities.
- Authority to bill for a chargeable reinspection when compliance has not been obtained by the initial compliance date.
- Authority to charge for complaint investigations which result in violations that warrant corrective action.

Proposed Deletions of Permitting and Inspection

- Animal Food Markets
- Theaters (the food facilities within a theater will continue to be permitted and inspected)

These facilities are still subject to complaint investigations.

Proposed Deletions from Title 8

- Permit fees for soft serve sampling
 - Program is being returned to Food and Agriculture January 1, 2027.
- Permit fees for community water systems
 - Local Primacy Agency Program was returned to the State in 2024.
- Repealed Chapter 8.04, Part 4 – Fruit and Vegetable Condemnation Tickets.
- Repealed Chapter 8.04, Part 6 – Wiping Rag Business Establishments.

Outreach Approach

- Sent survey to industries for webinar time/day preference.
- Webinar Invitation sent to approximately 31,000 emails via GovDelivery:
 - Invitation included website for additional information and links to each industry fact sheet.
 - Reminders were sent out 1 week before webinar, 1 day before, and 1 hour before.
- Created a banner on the EH website outlining the fee proposal.
- Shared website link and webinar registration on social media.
- Shared survey link and QR code for feedback during each webinar and on factsheet.
- Posted recording of each webinar.
- Posted Questions & Answers received from webinars.

The Los Angeles County Department of Public Health, Environmental Health Division (EH) is conducting **stakeholder meetings** to share information on the proposed amendments to Title 8 - Consumer Protection, Business, and Wage Regulations of Los Angeles County Code, related to the updating of definitions, code sections, along with permit, plan check and service fees.

EH's operating fund is derived from permit, plan check, and service fees per State Health and Safety Code, and Los Angeles County Code. Public Health fee increases are based on changes in the Division's total operating costs. The Los Angeles County Board of Supervisor last approved changes to Public Health fees in 2018, as a result, the current fees are insufficient to recover the cost of the services being provided by EH.

The proposed amendments will be presented to the Board of Supervisors in November 2026 and will become effective 30 days after approval and ratification.

Why are the fees changing now?

Fees have not increased since 2018. While the fees have remained the same, costs for EH have increased annually, due to increases in negotiated employee salaries and benefits, and increases in operational costs due to inflation.

The Los Angeles County fiscal year begins on July 1 and ends on June 30 of the following year.

Year	19/20	20/21	21/22	22/23	23/24	24/25	25/26	Total Increase
CPI*	3.1%	1.6%	2.8%	7.4%	3.5%	3.2%	3.2%	24.8%
COLA Increase	2.5%	2.75%	5.5%	3.25%	3.25%	3.25%	0%	20.5%

*Consumer Price Index (CPI) measures the average change in consumer prices based on goods and services over time.

How does this impact billing and my current permit?

Billing for the 26/27 fiscal year has concluded.

If approved by the Board of Supervisors, the new fees will go into effect December 15, 2026. Existing permitted businesses will receive a supplemental invoice for any increases in annual health permit fees for Fiscal Year 26/27, and existing businesses where annual permit fee decreased will receive a credit during the FY27/28 annual health permit billing.

Example of Industry Fact Sheet

PROPOSED CHANGES TO PUBLIC HEALTH FEES

BODY ART PROGRAM

ENVIRONMENTAL HEALTH

The Los Angeles County Department of Public Health, Environmental Health Division (EH), is proposing changes to the Los Angeles County Code, Title 8 – Consumer Protection, Business, and Wage Regulations; Division 1 – Public Health Licenses. These changes impact permit, plan check, and service fees that are collected under the authority of State and County Codes to carry out duties that protect public health and safety.

Overview of Program

EH is responsible for enforcing the Safe Body Art Act, a California state law codified in California Health and Safety Code, starting at §119300. The primary purpose is to set minimum standards for the operation of body art practices and facilities, aiming to prevent infections and bloodborne disease transmission (like hepatitis or HIV) and to control cross-contamination during body art procedures.

This program is intended to protect both the practitioner and client from transmission of infectious diseases through the application of proper body art procedures and the control of cross-contamination of instruments and supplies.

Body Art includes the activities of tattooing, piercing, branding, and applying permanent makeup, such as microblading and micropigmentation. Each body art practitioner is required to register with EH.

Why are the fees changing now?

Fees were last increased in 2018. While fees have remained the same, operational costs have increased annually due to negotiated employee salaries and benefits, along with inflation. From FY 19/20 through FY 25/26, the Consumer Price Index (CPI) increased by about 25%, and cost-of-living increases approved for County workers totaled 20.5%. Yet fees have remained at 2018 levels despite these cost increases.

A comprehensive fee study was conducted along with an evaluation of current operational costs and the fee levels required to cover those costs. The study reviewed direct and indirect costs associated with program administration, inspection, oversight and enforcement. The fee analysis structure was validated by the LA County Auditor-Controller. The last comprehensive fee study for EH programs was conducted in 2011.

What are the fee changes?

A summary of the proposed fees is listed below. If approved by the Board of Supervisors, the new fees will go into effect December 15, 2026. Existing permitted businesses will receive a supplemental invoice for any increases in annual health permit fees for Fiscal Year 26/27, and existing businesses where annual permit fee decreased will receive a credit during the FY27/28 annual health permit billing.

To minimize the impact of future increases, starting in FY 27/28, fees will be adjusted annually based on the Consumer Price Index (CPI), with no fee exceeding the reasonable cost of providing services.

SUMMARY OF BODY ART PROGRAM FEES

PERMIT TYPES	Current Fee	Proposed New Fee
BODY ART FACILITY 1-3 WORK-STATIONS (SINGLE USE INSTRUMENTS): Permanent and Mobile operation that involves body piercing, tattooing, branding and application of permanent cosmetics	\$423	\$500
BODY ART FACILITY 4+ WORK-STATIONS (SINGLE USE INSTRUMENTS)	\$440	\$562
BODY ART FACILITY 1-3 WORK-STATIONS (STERILIZER): Permanent and Mobile Tattoo Shop with multi-use needles and equipment that must be sterilized	\$423	\$575
BODY ART FACILITY 4+ WORK-STATIONS (STERILIZER)	\$440	\$639

PLAN CHECK FEES	Current Fee	Proposed New Fee
BODY ART FACILITY - SINGLE USE ONLY: Facility that uses disposable needles and equipment	\$568	\$956
BODY ART FACILITY - WITH STERILIZER: Facility that sterilizes multi-use needles and equipment	\$568	\$1,057
BODY ART FACILITY – REMODEL	\$343	NO CHANGE

SERVICE FEES	Current Fee	Proposed New Fee
BODY ART PRACTITIONER - BODY ART REGISTRATION: Tattoo artists are required to be registered with Public Health	\$54	\$171
BODY ART FACILITY - BODY ART TEMPORARY EVENT, SPONSOR: An organizer of a tattoo event responsible for infrastructure	\$1,640	\$1,585
BODY ART FACILITY, TEMPORARY A temporary body art facility as part of approved event	\$150	\$277

*Spanish, Korean and Mandarin Simultaneous Interpretation

**Includes: Tobacco Retailer/Shops, Animal keepers, Massage Establishments, Laundry facilities, Backflow Prevention/Cross Connection, Wells, Pumper truck operator/Toilet rental agencies, Septic Systems, Body Art Facilities, Garment Manufacturer, Cannabis

Retail Food Industry

- **Regulatory Consistency Between Vendors -**
 - Fees are rising despite inconsistent enforcement compared to street vendors, who hurt restaurant revenue and put public health at risk by not adhering to same food safety requirements.
- **Restaurant Industry Financial Hardship -**
 - Restaurants face the same economic pressures as LADPH; fee hikes over 20% are too burdensome.
 - Strong preference for gradual, phased-in increases, especially for small and low-margin businesses.
 - Concern that risk-based inspection practices may lead to unnecessary re-inspections and higher fees for minor issues.
- **California Restaurant Association** shared concerns and is requesting a phased approach to increases; Concerned with:
 - Annual CPI and COLA increases
 - Moving delinquency from 61 days to 32 days

Unpermitted Food Vending

- Changes to State law decriminalized unpermitted sidewalk food vending
- Street-level enforcement did not address
- Focusing on unapproved commissaries/kitchens:
 - 17 unpermitted distribution commissaries investigated
 - 72,000 pounds of adulterated food disposed
- Exploring new sidewalk enforcement strategy in partnership with other County Departments

Unpermitted Food Vending

- MEHKO + CMFO programs created to support small community food vendors become permitted
 - Partnering with CBOs and other County Departments to conduct outreach/education
- Education First Approach:
 - Multi-lingual campaign:
 - [Look for the Letter](#)
 - [Know the Rules – Unpermitted Pop-up Food Operation](#)
 - [Know the Rules – Unpermitted Food Carts](#)
 - [Become a Permitted Sidewalk Food Business](#)
 - [How to Identify Permitted Food Vendors](#)

School Cafeterias

- **Fee and budget timing**
 - Need clear implementation date and phased rollout aligned with the school fiscal year
 - If new fees are approved, they should be implemented only after districts have time to budget for them.
 - Address the deficit through gradual, minimal fee adjustments
 - Consider only doing one inspection per year instead of two and provide letter for USDA funding
- **Fee increase and magnitude**
 - Proposed fee increases (22–500%) are not sustainable for school meal programs and may impact food service offered to students.
 - Large increases reduce funds for student meals and discourage fresh, scratch cooking.

Mobile Food Program

- Concerns shared related to unpermitted food vending
- Why Mobile Food Facility fees are higher than Microenterprise Home Kitchen Operation Fees.
- Implementing fees in the middle of the year when fees have already been paid for this fiscal year

Community Events/Certified Farmers Market

- **Vendor permit consolidation**
 - There should be a countywide permit for vendors who sell the same products at multiple farmer's markets. It reduces the cost of reviewing the application.

General Audience

- **Small Business Financial Impact** - The increase in fees will be a burden to some food facilities that do not have cash reserves when permit fees are due. This will hurt small business owners and farmers because there will not be enough profit to pay for labor and services. Increasing vendor prices will impact consumers because they will have to pay more for their product. Local Farmers' Markets are a main source of produce; increasing their fees will greatly hurt the local economy.
- **Product Label Approval Guidance/Fee Equity and Justification** - Clear written guidance can help applicants understand several things, the new Cottage Food Operation fee structure, reapplication deadlines, and fees for adding, removing, or rotating products. Also, previously approved products and labels should remain valid unless something about them changes, and the transition to the new system should avoid creating unnecessary costs for existing businesses.
- **Fee Increase Timing and Impact** - Offer a monthly or quarterly payment option so the fees are more manageable and spread out for those who cannot afford a lump sum payment.

Detention Facilities

- **Facility Fee Burden**

- The proposed \$3,413 annual fee will create an unbudgeted burden for Type I municipal detention facilities and is an unnecessary strain on essential public safety operations. Why is the fee needed, what services does it cover, and how was the fee calculated?

- **Fee and Budget Timing**

- The municipal detention facilities provide significant cost savings to the County by handling short-term detention locally, and this benefit should be considered before imposing a new annual fee. Also, consider an exemption, reduced rate, or at least delaying implementation so cities can budget for the expense. Budgets are already strained and the proposed fee would divert resources away from essential facility and program needs.

- **Fee structure**

- Fee Administration Transparency - Need to clarify on how the proposed ordinance will impact existing detention facility operations and whether it will create new administrative or financial burdens for LASD.

Chambers of Commerce

- **Health Department Accountability** - There should be clearer guidelines and faster processing of TFF applications. Businesses face penalties for late submissions while long review delays can lead to significant loss in business.
- **Street Vendor Health Standards** - There seems to be stricter standards for brick-and-mortar restaurants than for street vendors, creating a sense of unfairness within the restaurant community. Provide stronger support for brick-and-mortar restaurants and consistently enforce Health and safety rules for street vendors.

New Fee Structure to Enable Balanced & Cost-Effective Operational Model

Comprehensive Best-Practice Operational Model - 'Cadillac'

Cost-prohibitive: would result in high fee increases.

Proposed Operational Model under New Fee Structure - 'Balanced'

Optimizes efficiency to reduce costs.

Current Operational Model – Underfunded

Insufficient fee revenue.

Unable to hire adequate staffing for current & new programs.

Non-renewing operational reserve nearing depletion.

Proposed Staffing Levels with approved fees

FTEs Allocated Fee Funded Programs	Currently Filled (as of 6/26)	Hiring over the next 5 years	Unable to Fill due to revenue shortfall	Positions to be deleted
834	562	119	120	33

Staffing levels will be reduced to 681 with approved fee package

Hiring Plan with Approved Fee Package

Classification	Vacancies as of June 2026	Positions that will be filled over the next five fiscal years	Positions to be frozen/deleted
Administrative/Management (various classifications)	52	20	32
EHT	5	2	3
EHS I/II	120	67	53
EHS III	82	25	57
EHS IV	8	5	3
Chief EHS	5	0	5
Total Vacancies	272	119*	153

Impacts to Inspection Frequencies

PROGRAM	BEST PRACTICE INSPECTION GUIDELINE	ROUTINE INSPECTION FREQUENCY
Permanent Retail Food Facilities (e.g. restaurants, markets)	High Risk – 3x/year	2x/year
	Moderate Risk – 2x/year	2x/year
	Low Risk – 1x/year	1x/year
Mobile Food Facilities	High Risk – 2x/year	1x/year
	Moderate Risk – 2x/year	1x/year
	Low Risk – 1x/year	Once every other year
Apartment Inspections – incorporated cities <i>This does not include Rental Housing Habitability Program</i>	1x/year	Once every other year

Impact if Fees Not Approved

For past five years, EH has relied on a non-renewing operational reserve fund to pay a portion of the gap of the inspection operations.

If fees remain at current (2018) levels, reserve fund will be depleted in FY 2027-28 resulting in a deficit of \$256,000; the deficit will grow to \$42.2M in FY 2028-29, and to \$89.5M in FY 2029-30.

- The deficit will require a hiring freeze and workforce reductions.
- Would severely strain EH's ability to comply with CA law and reduce capacity to conduct permit application reviews and routine inspections.
- Would result in delays in complaint investigations and processing of new permits or changes of ownership.
- ***The impact would be an increase in food-borne illness outbreaks and undetected violations.***

Next Steps

Presentation Health Cluster
October 28, 2026

If approved by the Board, changes
will become effective
30 days after Board ratification.

Public Health will go to the Board of
Supervisors on November 17, 2026, for
consideration & approval.

Questions and Answers

Thank You!
