Make your voice heard.

To facilitate greater community engagement and strengthen the community's voice, the Civilian Oversight Commission is accepting proposals for Community Group presentations. The Commission welcomes community input to compliment their ongoing analysis of the L.A. County Sheriff's Department policies, practices and procedures.

If your organization would like to submit a proposal to present to the Commission, please email cocnotify@coc.lacounty.gov with the following information:

- Organization name
- Presenters name and contact information (1-2 persons)
- Topic summary with proposed call to action
- Draft PowerPoint presentation, talking points, and/or handouts

To provide diverse input, the Commission reserves the right to select presentations for items in the subject matter jurisdiction of the Commission and schedule them accordingly. Presentations will be limited to 10 minutes, with a maximum of two presenters. For each organization, only one submission per topic will be reviewed. Not all submissions will be accepted.
