WHEREAS, Section 15.(a) of the Lease requires renegotiation of the rates for square foot rental, all categories of percentage rentals, and liability insurance requirements as of September 1, 1997, and as of September 1 every tenth (10th) year thereafter (each such date is hereafter referred to as a "Rental Adjustment Date"). The rates of square foot rental and percentage rentals shall be readjusted to Fair Market Rental Value in accordance with the standards established in Section 15.(i) of the Lease; and

WHEREAS, Section 15.(ii) of said Lease provides that the liability insurance limits shall be readjusted on each Rental Adjustment Date; and

WHEREAS, all capitalized terms used but not otherwise defined herein shall have the same meanings given such terms in the Lease; and

WHEREAS, disputes have arisen between County and Lessee, and County initiated the Arbitration Process by written notice dated as of August 14, 2018; and

WHEREAS, the parties hereto have terminated the Arbitration Process and have reached an agreement with respect to the required adjustments which are in effect for a ten (10) year period as of September 1, 2017, and wish to amend the Lease as set forth herein; and

NOW, THEREFORE, in consideration of the foregoing recitals, which are hereby deemed a contractual part hereof, and the mutual agreements, covenants and conditions contained herein, the parties agree as follows:

1. **Square Foot Rental.** Effective as of September 1, 2017, Section 12 of the Lease is deleted in its entirety and replaced with the following:

As of September 1, 2017, the annual square foot rental is \$510,814.92 payable in monthly installments of \$42,567.91 each, and continuing throughout the remainder of the Lease term.

Notwithstanding any contrary provision hereto, in no event shall the annual square foot rental be reduced to less than the annual square foot rental in effect immediately prior to the then-applicable Adjustment Date as a result of renegotiation or arbitration.

2. **Percentage Rent.** Effective as of September 1, 2017, the following subsections are substituted for the corresponding subsections in Section 13 of the Lease:

(b) (i) TWENTY percent (20%) of gross receipts from the rental or other fees charged for the use of dry storage facilities, landside gear lockers, landside storage space, motors, tackle, recreational equipment, tools, equipment, launch and retrieving of small boats (collectively, "Dry Storage").

and expert witness fees), arising from or connected with the Lessee's repair, maintenance and other acts and omissions arising from and/or relating to the Lessee's use of the Premises.

Section 26 PROPERTY INSURANCE

I. GENERAL INSURANCE PROVISIONS - LESSEE REQUIREMENTS

Without limiting the Lessee's indemnification of County and during the term of this Lease, and until all of its obligations pursuant to this Lease have been met, Lessee shall obtain and maintain at its own expense insurance coverage satisfying the requirements specified in this Lease. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Lessee pursuant to this Lease. The County in no way warrants that the Required Insurance is sufficient to protect the Lessee for liabilities which may arise from or relate to this Lease.

A. Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Lessee's General Liability policy, shall be delivered to County at the address shown below and provided prior to the start day of this Lease.
- Renewal Certificates shall be provided to County not less than 10 days prior to Lessee's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Lessee insurance policies at any time.
- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Lease by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Lessee identified in this Lease. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding twenty five thousand (\$25,000.00) dollars, and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Lessee, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements, and notices of cancellation shall be delivered to:

County of Los Angeles
Department of Beaches and Harbors
13837 Fiji Way, Marina del Rey, CA 90292
Attention: Asset Management

- Lessee also shall promptly notify County of any third party claim or suit filed against Lessee which arises from or relates to this Lease, and could result in the filing of a claim or lawsuit against Lessee and/or County.

B. Additional Insured Status and Scope of Coverage

The County, which is the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents), shall be provided additional insured status under Lessee's General Liability policy with respect to liability arising from or connected with the Lessee's acts, errors, and omissions arising from and/or relating to the Lessee's operations on and/or its use of the Premises. County's Additional Insured status shall apply with respect to liability and defense of suits arising out of the Lessee's acts or omissions, whether such liability is attributable to the Lessee or to the County. The full policy limits and scope of protection also shall apply to the County as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

C. Cancellation of or Changes in Insurance

Lessee shall provide the County with, or Lessee's insurance policies shall contain a provision that the County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Lease, in the sole discretion of the County, upon which the County may suspend or terminate this Lease.

D. Failure to Maintain Insurance

Lessee's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Lease, upon which County immediately may suspend or terminate this Lease. County, at its sole discretion, may obtain damages from Lessee resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Lessee, pursue Lessee reimbursement.

E. Insurer Financial Ratings. Insurance is to be provided by an insurance

company authorized to do business in California and acceptable to the County, with an A.M. Best rating of not less than A:VII, unless otherwise approved by the County.

F. Lessee's Insurance Shall Be Primary

Lessee's insurance policies, with respect to any claims related to this Lease, shall be primary with respect to all other sources of coverage available to County. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Lessee coverage.

G. Waiver of Subrogation

To the fullest extent permitted by law, the Lessee hereby waives its and its insurer(s) rights of recovery against County under all required insurance policies for any loss arising from or related to this Lease. The Lessee shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

H. Deductibles and Self-Insured Retentions (SIRs)

Lessee's policies shall not obligate the County to pay any portion of any Lessee deductible or SIR. The County retains the right to require Lessee to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Lessee's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

I. Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the start date of this Lease. Lessee understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Lease expiration, termination or cancellation.

J. Application of Excess Liability Coverage

Lessee may use a combination of primary and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

K. Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

L. County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.
