## **NOTICE INVITING SUBMITTALS FOR HAZARDOUS WASTE REMOVAL SERVICES**

The Los Angeles County Department of Beaches and Harbors is seeking qualified firms for one or more contracts to provide as-needed hazardous waste removal services within Los Angeles County.

Vendors submitting a bid must be able to demonstrate a minimum of five years' continuous experience in removal of hazardous materials for public and/or private sector entities.

On August 8, 2023, the County will be conducting a virtual Mandatory Bidder's Teleconference via Microsoft Teams to discuss the IFB. Bidders must register at the following email: [Contracts@bh.lacounty.gov](mailto:Contracts@bh.lacounty.gov) by August 4, 2023 in order to participate in the Mandatory Bidders' Microsoft Teams Teleconference.

All potential bidders must have participated in the Mandatory Bidders' Microsoft Teams Teleconference call in order to submit a bid. Bids submitted by Bidders whom County records indicate were not a participant of the Mandatory Bidders' Microsoft Teams Teleconference will have their bids rejected as non-responsive without review and eliminated from further consideration.

The County may require additional minimum qualifications. The deadline for submitting bids will be 5:00 p.m., August 28, 2023.
