ADDENDUM ONE

The information hereunder, specific to the sections discussed below, supersedes any information previously provided as to those sections.

QUESTIONS AND ANSWERS

1. Can I quote the service/pumping part only?

Answer 1: Vendors may pre-qualify under any of the following categories of septic system services (Maintenance, Sampling & Reporting, Pump Outs, Repairs, and Ozone), provided the minimum qualifications are met. Vendors should specify under which category/categories they intend to qualify under Exhibit 6 (Minimum Mandatory Requirements and Category Submittal), Appendix B, Required Forms.

2. Is there any pricing, or are these just qualifications for when we submit this bid on the 23rd of December?

Answer 2: The objective of this RFSQ process is to secure one or more qualified Vendors to provide as-needed septic tank maintenance services. Specific tasks, deliverables, etc., will be determined at the time the Department requests Work Order bids under RFSQ, 2.4 – Master Agreement Process.
