

2025 ANNUAL BENEFITS ENROLLMENT

YOUR 2025 BENEFITS: CHANGES AND REMINDERS

CHANGES

The benefit changes listed below will go into effect January 1, 2025.

New spending account administrator – HealthEquity will be the new spending account administrator in Plan Year 2025. More information will be included in your enrollment packet and in the Online Benefits Guide at mylacountybenefits.com.

Health Care Spending Account (HCSA) contribution increase – In 2025, you'll be able to contribute up to \$266¹ each month to your HCSA.

- If you're an active participant at the end of the year and there's money left in your account, up to \$640¹ will carry over to your 2026 HCSA; however, you'll lose any money over that amount

¹ Based on 2024 IRS limits.

GET READY TO ENROLL!

Before annual benefits enrollment begins on October 1, it's a good idea to make sure you can access the benefits website. Log in to mylacountybenefits.com with your username and password. If you've forgotten them, click the Forgot My Username or Forgot My Password link on the login page.

Scan the QR code to watch short videos about how to recover your username, change your password, the types of benefit changes you can make during annual benefits enrollment, and other important information about enrolling.

Annual benefits enrollment is important because it's usually the only time of year when you can add and change benefits, or waive coverage.

TAXABLE CASH LIMIT

The County gives you a monthly benefits allowance to spend on benefits. If the cost of your benefits is less than your allowance, up to \$244 of the unused amount — taxable cash — is added to your monthly paycheck.

STAY ON TRACK FOR 2025

LIFE EVENTS IN OCTOBER, NOVEMBER, OR DECEMBER

If you have a qualified life event, such as marriage, divorce, or birth/adoption, between October 1 and December 31, you need to complete two life event enrollments: One for 2024 benefits, and another for 2025.¹

If you have questions, call the Benefits Hotline, **213-388-9982**.

Example: Marcia has a baby on October 20, 2024. To add her baby to her County benefits, Marcia has 90 days to complete two life event enrollments and submit the required documentation:

1 Add new baby to 2024 benefits: Marcia must do this before she can add her baby to 2025 benefits.

- Marcia logs in to **mylacountybenefits.com**
- Clicks Life Events at the top of the homepage and follows instructions
- Confirms her elections by clicking the Submit button
- When she's done, she sees a message in the Action Required section of the confirmation screen

2 Add new baby to 2025 benefits: Marcia must do this because some of the changes she made to her 2024 benefits won't carry over to 2025.¹

- She clicks the link in Action Required to complete her 2025 life event enrollment and follows the same steps she did for the 2024 enrollment
- Confirms her elections by clicking the Submit button

3 Check confirmation statements

Marcia reviews both confirmation statements to make sure her baby was added to her benefits for both years.

4 Submit required documentation

Marcia submits copies of required documentation within 90 days of her baby's birth.

¹ **IMPORTANT!** If you add dependents in November and December through the marriage or birth/adoption life event, but don't complete the second life event enrollment, only the medical and dental coverage you elect for your newly added dependent automatically carries over to 2025. You must complete the second life event enrollment for all other 2025 benefit changes (life insurance, spending accounts, etc.).

ARE YOU COVERED BY ANOTHER PLAN?

If you're covered by another plan — your spouse's/domestic partner's employer-sponsored plan, another employer-sponsored plan, veteran's benefits, or Medicare (Parts A and B) — you can waive coverage and receive the \$228 monthly medical waiver allowance.² To waive coverage, you must complete your enrollment, select the waive option, and provide information about your other coverage.

² If you're enrolled in private insurance or have coverage through a marketplace such as Covered California, you can decline coverage. If you decline, you won't receive any monthly benefits allowance from the County. See the Options Summary Plan Description (SPD) for details.

GET READY

OCTOBER 1 – 31, 2024 MYLACOUNTYBENEFITS.COM

Annual benefits enrollment is your one time each year to:

Enroll in or change plans:

- ✓ Medical
- ✓ Dental
- ✓ Optional insurance: life, accidental death & dismemberment, and long-term disability health

Add or drop coverage for family members. You must remove ineligible family members from your coverage. See page 3.

Waive or decline medical coverage if you're covered by another plan. See the bottom of this page.

Enroll or re-enroll in Health Care and Dependent Care Spending Accounts.

DON'T MISS THE DEADLINE

After October 31, you won't be able to enroll or make changes until the next annual benefits enrollment unless you have a qualified life event.

If you don't enroll, your current benefit elections will continue (new 2025 premium rates will apply), **except** for spending accounts and waiving or declining medical coverage.

ELIGIBILITY REMINDERS

WHO YOU CAN ENROLL

Family members you may add to your *Options* medical and dental plans¹ include your:

- Spouse/domestic partner
- Children² who are:
 - Under age 26
 - Age 26 and older if your child became disabled before the limiting age and is approved by your health plan (check with your health plan to determine the limiting age), or
 - Under age 18 for legal guardianship

¹ The dependent term life, accidental death and dismemberment plans, and spending accounts have different dependent eligibility requirements. See your *Options SPD* on mylacountybenefits.com for details.

² Qualifying children are children born to you, legally adopted by you, or awaiting finalization of adoption by you; stepchildren; children for whom you are the legal guardian; children you support because of a valid court order; and children of your domestic partner.

LOSS OF ELIGIBILITY

You **MUST** remove an ex-spouse, ex-domestic partner, ex-stepchildren, and any other ineligible family members from your medical and dental coverage.

Even if your divorce decree requires you to maintain health care coverage for your ex-spouse or ex-stepchildren, you cannot keep them enrolled in your *Options* benefits.

DOCUMENTATION YOU'LL NEED IF YOU CHANGE PLANS OR ADD DEPENDENTS

If you enroll in or change medical plans, you must provide each enrolled family member's Social Security number (SSN).

An SSN and required documentation — birth, adoption, or marriage certificate, etc. — are required for each new dependent you add to your benefits.

If you don't provide this information within 10 calendar days of the date you enroll, your family member won't have coverage in 2025.
