

QUICK START SUMMARY

2025 ANNUAL BENEFITS ENROLLMENT

Annual benefits enrollment is October 1 – 31. This is your one opportunity to enroll in or change benefits for 2025. Benefits go into effect January 1, 2025.

GET READY TO ENROLL

It's a good idea to make sure you can access the benefits website if you haven't done that this year. Log in to mylacountybenefits.com with your username and password.

If you've forgotten them, click the Forgot My Username or Forgot My Password link on the login page.

WHAT IF I MISS THE ENROLLMENT DEADLINE?

Your current benefits will continue at the new premium rates **except** Health Care and Dependent Care Spending Accounts.

If you currently waive or decline medical coverage and miss the enrollment deadline, you'll be enrolled in the lowest-cost medical plan you're eligible for in 2025; you won't be able to waive or decline again until 2026.

After October 31, 2024, you may not change your benefits until the next annual benefits enrollment period unless you experience a qualified life event.

WHAT IF I HAVE A LIFE EVENT BEFORE 2025?

A life event is a change in your situation, such as marriage, divorce, or birth, that affects your eligibility and allows you to make changes to your benefits outside the annual benefits enrollment period.

If you experience a life event between October 1 and December 31, you must complete two life event enrollments: One for 2024 and another for 2025.

If you add dependents to your 2024 benefits through the marriage or birth/adoption life event in November and December but don't complete a 2025 life event enrollment, only their medical and dental coverage will carry over to 2025.
