The MHLA Program Office moves to Alhambra!

Hello and Happy New Year from the MHLA Program Office. We hope everyone had a lovely holiday season. Here at MHLA, we are starting the year off with a big move. Effective Monday, January 22, 2018, the MHLA Program Office will be located at "The Alhambra" building in Alhambra, California. Many of you are familiar with "The Alhambra" from attending MHLA trainings and meetings,

For the past four years, the MHLA administrative home has been in Monterey Park. However, we are now moving to Alhambra to join the rest of our Managed Care Services colleagues. All MHLA units will be moving including MHLA Contract Administration/Provider Relations, MHLA Member Services, and the MHLA Eligibility Review Unit

Please make note of the following:

- ♦ **The MHLA mailing address is changing to: 1000 S. Fremont Avenue, Building A9-East, 6th Floor, Unit #92, Alhambra, CA 91803.**
- ♦ **The MHLA main line is changing to: 626-525-5789.** We will provide the new telephone numbers for MHLA staff as soon as we have them.
- ♦ **The SME line for the Eligibility Review Unit is changing to: 833-714-6500.**
- ♦ **The MHLA Member Services number for patients is not changing, and remains: 844-744-6452.**

Please watch for upcoming emails with more information.

Thank you!

The Fiscal Year 2016-17 MHLA Annual Report is Out!

On June 30, 2017, the MHLA Program completed its third fiscal year of operation. The MHLA annual report for the program is now finalized and on the MHLA website. The report provides a comprehensive summary and analysis of the MHLA program including enrollments, disenrollments, renewals, calls to member services, audits, service utilization and financials.

The annual report is designed to provide the public, policy makers, participants, clinics, researchers and other interested groups with detailed information about the ongoing performance of the MHLA program and clinics throughout FY 2016-17. Highlights include:

- A total of 189,410 participants were enrolled at some point during the fiscal year.
- 121,133 (64%) unique participants received a primary care visit at a CP medical home clinic and averaged 3.29 visits per year.
- 476,098 total primary care visits were provided at CP medical home clinics.
- 68% of participants renewed or re-enrolled in the program during the fiscal year.
- 29,032 unduplicated MHLA patients accessed 129,371 specialty care visits at DHS.
- 14,186 emergency department (ED) visits were provided for 5% of MHLA participants.

The Annual Report can be found on the MHLA website (dhs.lacounty.gov/mhla) under the “MHLA Reports and Resources” section. Enjoy.
