Open Microsoft Edge from the desktop to launch the LAC+USC Homepage

You may also find Microsoft Edge through the directory by clicking here and scrolling

Enterprise Help Desk for IT needs (Information Technology) you may want to make note of their phone number!

The screenshot shows the SharePoint homepage for the LAC+USC Medical Center. The top navigation bar includes links for LACUSC, DHS Menu, Departments, Attending Staff, Graduate Medical Education, Committees, Reference Materials, Accreditation and Continuous Compliance, and Enterprise Help Desk. The Enterprise Help Desk link is circled in yellow, and a blue arrow points to it from the right. Below the navigation bar is the LAC+USC Medical Center logo and a list of quick links: Home, Clinical Systems, Employee Services, Reports, Support, and Training and Guidelines. The main content area is divided into two columns of quick links. The left column, titled 'DHS Quick Links', includes Outlook, Timesheet, ORCHID, MAPLE, Enterprise Help Desk, ELM, Safety Intelligence, CEDAR, and My Persinda. The right column, titled 'LAC+USC Quick Links', includes Facility/Biomed Repair Request, Send Text Page, Clinical Care Library, LAC+USC Teams, Learning Net, GHX Procurement, DynaMed, ORCHID for LA, and Micromedex. A yellow callout box is overlaid on the right side of the page, containing the text 'Help Desk:' followed by a bulleted list of services: Passwords, Instructions for mobile Microsoft Outlook downloads, 24/7 Help including Live Chat, and Submit help ticket. To the right of the callout box is a vertical list of contact options: 'Call Us Anytime 24/7 (323) 409-8000', 'Email Us Helpdesk@dhs.lacounty.gov', 'Live Chat with an Agent Available Mon-Fri 7am-7pm', and 'Submit a Request'.

LAC+USC Medical Center, Medical Library

Welcome to the Medical Library Homepage!

MISSION STATEMENT

To provide accessible, current, comprehensive healthcare information and resources to medical staff, nurses, students and employees in the LAC+USC Medical Center.

ABOUT MEDICAL LIBRARY

Medical Library is open to County physicians, pharmacists, nurses, students and employees with LAC+USC Medical Center photo ID badges and employee numbers.

Currently, Library has a collection of over 3500 print titles (books + current journals), 10000 bound volumes, 2000+ electronic publications, multiple electronic databases (including ClinicalKey, Cochran, CINAHL, DynaMed Plus, OVID, Stat!Ref, Visual DX) and sixteen computer workstations.

LIBRARY SERVICES

- Access to databases, e-books and e-journal
- Assist in using print or electronic resources and in locating articles
- Online literature searches upon request and advise patrons on effective database searching
- Interlibrary loans - To obtain materials not in this library from other medical libraries
- Provide reference service in person, via telephone or email: iptmedicallibrary@dhs.lacounty.gov

LIBRARY HOURS

Monday - Friday: 8:30am to 6:00pm
Saturday - Sunday: Closed

CONTACT INFORMATION

Student Learning Outcomes

Students:

- Demonstrate knowledge of available learning resources both in print and electronic form and effectively access, retrieve and analyze information. They utilize these resources for personal and professional growth.
- Demonstrate knowledge of skills development resources by accessing the skills lab and use these resources to enhance learning.
- Demonstrate psychomotor skills, critical thinking and communication skills in the Skills Lab setting to be used in the provision of safe care in the clinical setting to diverse patient populations.

[Nursing Skills Lab](#)

Pathway to the Library is found under Student Support Services > Education Resource Center > College Library

In the library and computer labs

- **Always sign-in** on the clipboard
- No food or open drinks in the computer lab
- Please have phone conversations outside

- Include name, semester and reason for use. Please indicate which programs you use—such as “Word, CINAHL, Nursing Center Plus, etc.” *We use the statistics to evaluate usage*

Loan Policies

- Books: May be checked out for 2 weeks and renewed if not requested by another borrower.
- Please limit renewals to 2
- Journals: Do not circulate, but you can scan for free. E-journals available through CINAHL.

Loan Policies

- Modules: May be checked out for 3 weeks.
- Reserve Materials: Material placed on reserve by College faculty may be obtained at the circulation desk. Check out is limited and is based on faculty request.

Loan Policies

- Reference Books: Library use only

- Yearbooks and Historical Collection:
Library use only

Procedure for Checking Out Materials

- Each user will be assigned a barcode (placed on your ID badge)
- When ready to check out, bring materials to the circulation desk
- Your barcode will be scanned, and your materials will be checked out electronically
- Reminder notices, and library correspondence will be emailed to email address on record.

- Fines should be paid immediately.
- Fines of \$3.00 and over MUST be paid completely before the borrower will be allowed to check out any additional material
- Fine Rates
 - Books \$0.20 per book
 - Per business day
 - Reserve Material \$1.00 per item
 - Per business day
 - Videos/DVDs \$1.00 per item
 - Per business day

NO Checks, **cash only** accepted for fines/lost materials and deposits

Lost Materials

- Should be reported immediately to halt continued accrual of fines
- Fines stop as of the day material is reported lost and the borrower is given time to look for the material before payment is expected.

- Borrower is responsible for the replacement cost of the items.
- A \$5.00 processing fee will be applied to the replacement cost.

▶ College Library

Library Homepage

Welcome to the Library! Inside the library you will find over 4,000 titles to support your Nursing Education at CONAH. The library offers a vast selection of electronic Nursing books and journals accessible via any CONAH computer station or remotely through our secured webpage. The library also offers testing services for nurses completing the EDCOS program prerequisite. Come inside for a quiet space to study, make copies, or peruse our collection of historical titles and Nursing yearbooks that date back as early as 1925! A full-time librarian is also available to assist with research and Interlibrary loan requests.

Locations:	College Library – Educational Resources Building, Room 110
Hours of Operation:	Monday – Thursday from 0630 – 1700
	Friday 0730 – 1400 (closed 1200 – 1300)
	Hours May Be Subject To Change.
	Closed Weekends and Holidays.

CINAHL Complete

CINAHL@Complete is the world's most comprehensive source of full-text for nursing & allied health journals, providing full text for more than 1,300 journals indexed in *CINAHL*. This authoritative file contains full text for many of the most used journals in the *CINAHL* index, with no embargo. *CINAHL@Complete* is the definitive research tool for all areas of nursing & allied health literature.

[Title List](#) [More Information](#)

eBook Clinical Collection (EBSCOhost)

The *eBook Clinical Collection* subscription was built specifically to support clinical professionals, researchers and students of medical disciplines. Featured in the collection are over 2,000 recent titles covering general practice, various specialties, topics in nursing and allied health, and supporting sciences. Content is updated quarterly, and all titles are available with unlimited user access—particularly helpful in healthcare settings for users with time-sensitive research needs.

Refining Results

For best results always limit your search to Full Text to ensure our library has access to the material

The screenshot shows the EBSCO search interface. On the left, the 'Refine Results' sidebar includes sections for 'Current Search' (Boolean/Phrase: cancer), 'Expanders' (Apply equivalent subjects), 'Limiters' (Full Text, checked), 'Source Types' (eBooks, checked), and 'Limit To' (Full Text, checked). Below these are date filters (From: 2008, To: 2021) and 'Source Types' (All Results, eBooks (488), Academic Journals (69,750)). The main search results area shows 'Search Results: 1 - 10 of 488'. The first result is 'Berek and Hacker's Gynecologic Oncology' (eBook, 2021). The second result is 'Cancer: Principles and Practice of Oncology Primer of Molecular Biology in Cancer' (eBook, 2021). The third result is 'Handbook of Reconstructive Flaps' (eBook, 2021), which is expanded to show a table of contents with items like 'Cover', 'Handbook of Reconstructive Flaps', 'MedOne Information', 'Copyright', 'Dedication', 'Contents', 'Videos', 'Preface', 'Acknowledgments', 'Contributors', and 'Part 1 Head and Neck'. The fourth result is 'New Clinical Genetics, Fourth Edition : A Guide to Genomic Medicine'. A yellow box highlights the 'Full Text' filter in the sidebar. A blue box highlights the date range filter. A yellow box highlights the 'eBooks (488)' source type filter. A yellow box highlights the 'Full Text' filter in the 'Limit To' section. A yellow box highlights the 'Handbook of Reconstructive Flaps' result and its table of contents.

Drug Highlights

Antidepressants
These drugs can be part of a treatment plan for moderate or severe depression.

Antidiabetics
In combination with diet and exercise, antidiabetic agents can also help patients effectively manage their blood glucose level.

Beta Blockers
By blocking the sympathetic nervous system of the heart, beta blockers reduce stress on the heart and can be used to hypertension, myocardial infarction, and much more.

Drug Reference Books

Davis's Drug Guide for Nurses
This core reference includes coverage of over 5,000 trade and generic drugs; 50 comprehensive drug classes; IV therapy tips organized by direct IV, intermittent infusion, and continuous infusion; and comprehensive patient/family teaching and home care tips.

AHFS Drug Information Essentials
This comprehensive reference includes over 11,700 drugs plus manufacturers of drug products; separate drug monographs for systemic topical and EENT drug formulations; drug interactions, cautions and toxicity; and extensive dosage and methods of administration.

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, and professional use.

[View A Tutorial On This Topic »](#)

EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, [tutorials](#), user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

How to Use Help

- When the Help icon  appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon  to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

Note: The recommended screen resolution for EBSCOhost is 1024 x 768.

[« Back](#)

Most databases have "help" functions. Many include videos and tutorials that show you step by step how to use their products. Usually these "help" functions are found in the top right hand of the platform
