

Los Angeles County Emergency Medical Services Agency
COVID-19 HOSPITAL ASSESSMENT REPORT

REVISED: 1/26/21

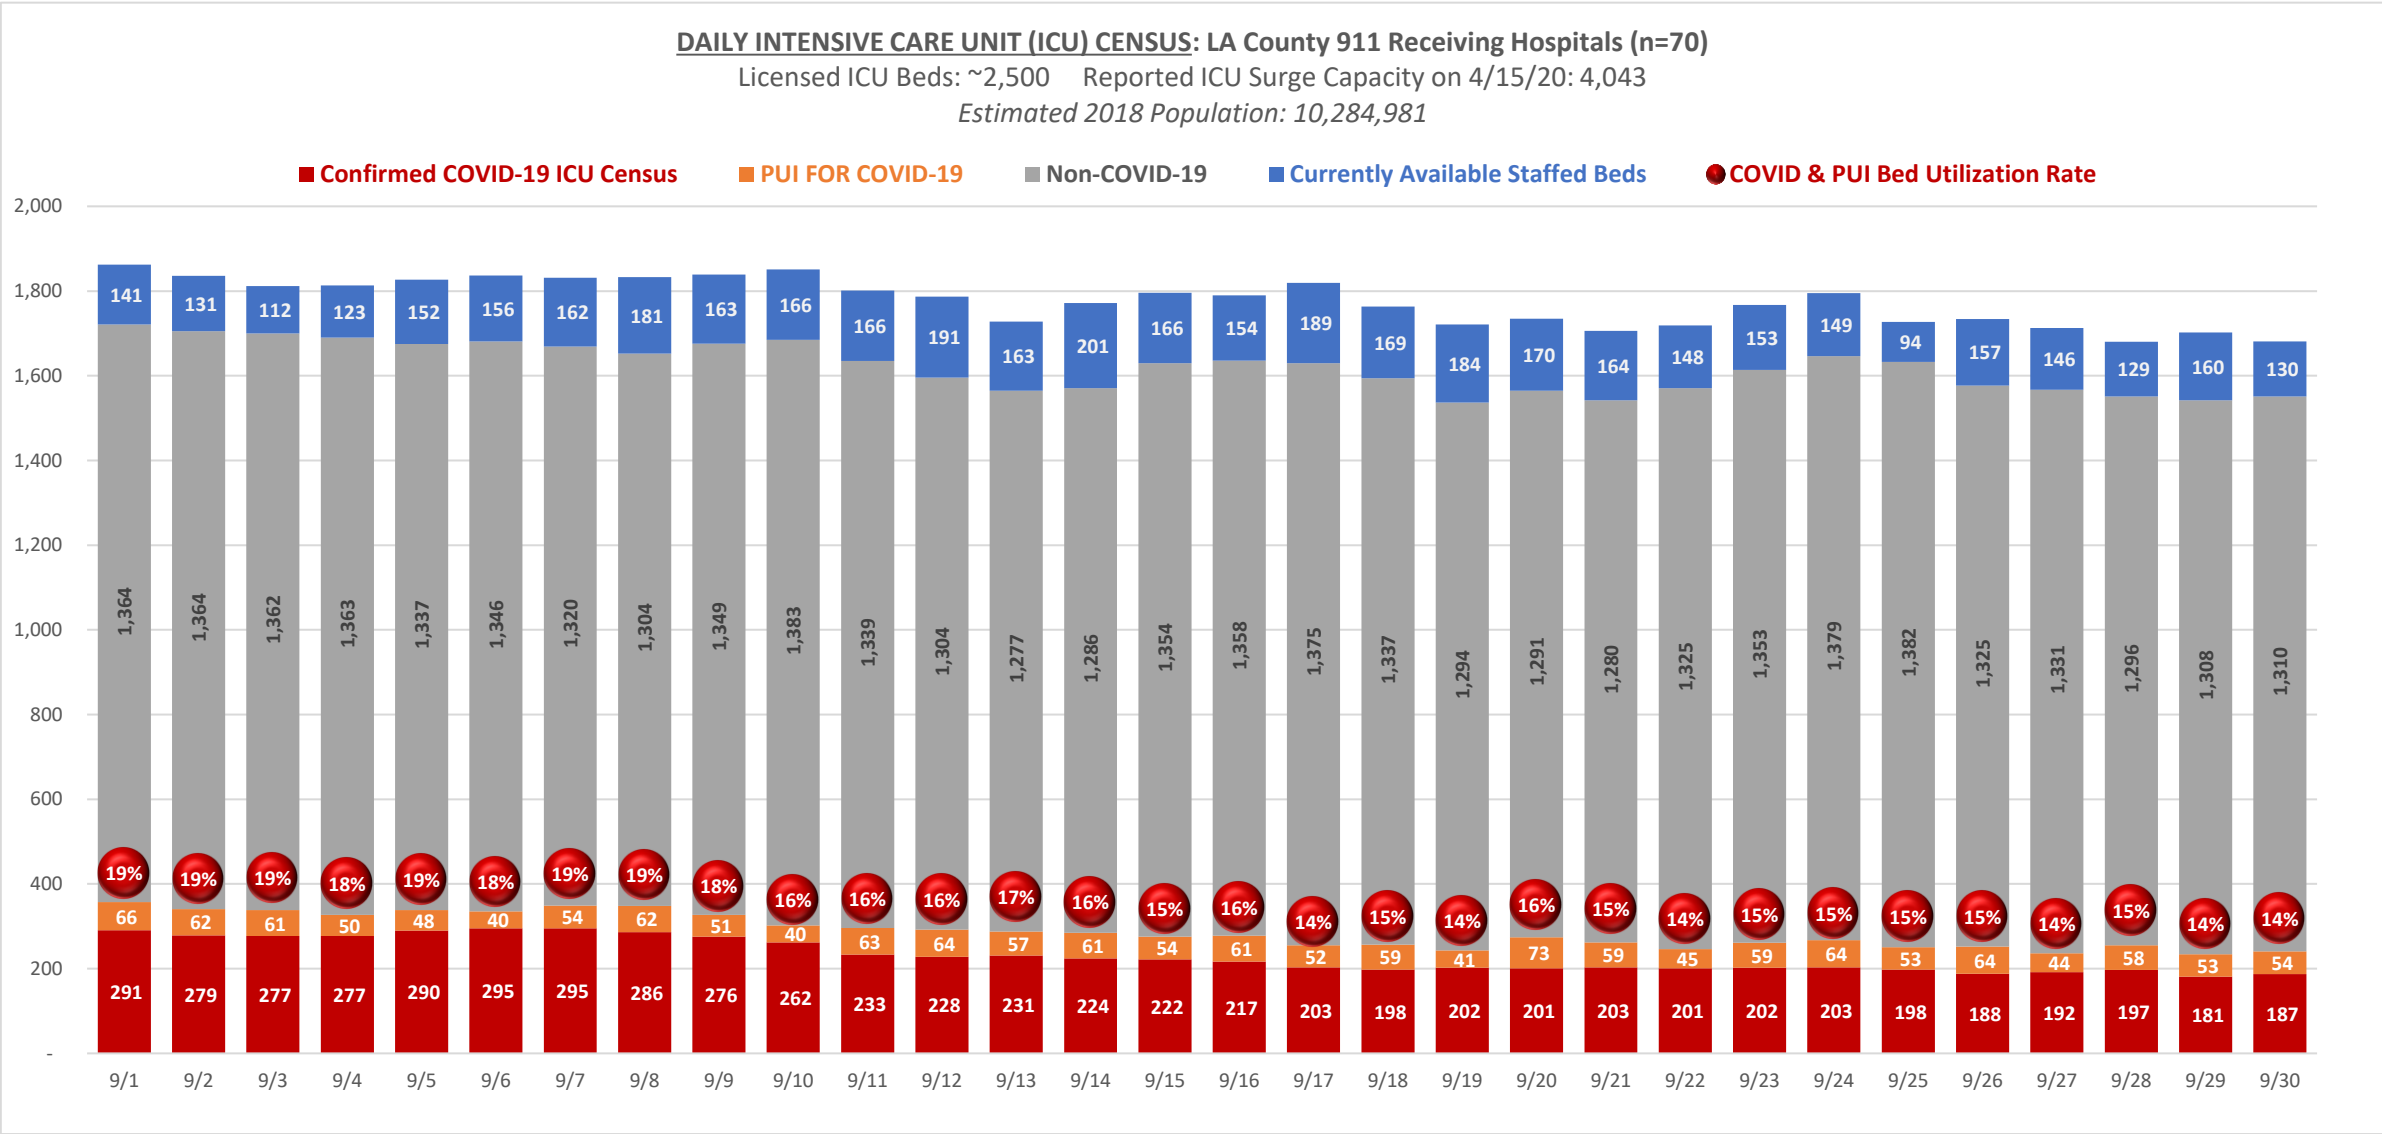

Data Source: ReddiNet Daily Hospital COVID Assessment Poll, and Snowflake CHA/CDPH
This is self reported data subject to error, represents 70 designated 9-1-1 receiving hospitals.
Surge Capacity - hospitals can flex additional beds to serve ICU/Isolation patients as needed.
Several large hospitals that do not routinely receive 9-1-1 transports also have additional beds that would increase bed capacity in the system.

CHART 1A-LA
