

EmergiPress Continuing Education – 1 Unit CE

April 2021

The EmergiPress Education Newsletter is divided into three sections each month. Completing all three sections should take approximately 1 hour. After completing the sections, the corresponding EmergiPress test can be completed and submitted for 1 unit CE through your provider agency continuing education coordinator. A passing score of 80% and completion of a course evaluation is required for CE credit. Students must also sign-in on an EMS CE Roster.

Objectives:

Upon completing this activity the participant will be able to:

Case of the Month – Leave Behind Naloxone, Opioid Overdose

- Describe the management of opioid overdose
- Describe the required PPE for unknown illicit substances
- Discuss the Leave-Behind Naloxone Program
- Discuss the acute management of apnea and the underlying causes

ECG of the Month – STEMI, complete heart block

- Describe common causes for 3rd degree heart block
- Identify 3rd Degree Heart Block in the setting of STEMI
- Describe atypical presentations for STEMI
- Describe the management of STEMI

Video Learning Module – MCI Management

- Define a Multiple Casualty Incident (MCI)
- Discuss resource management for MCIs
- Recognize resource limitations and processes for acquiring resources in an MCI
- Discuss the roles of the provider agency, base hospital, Los Angeles County Medical Alert Center (MAC) and receiving hospitals in a MCI.
