THE MOBILE APP

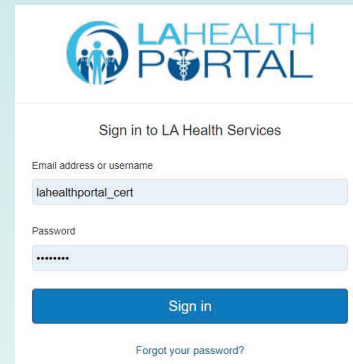

Health Services
LOS ANGELES COUNTY

MyWellness is now LA Health Portal

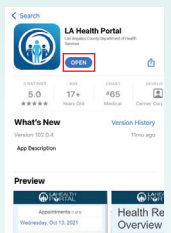

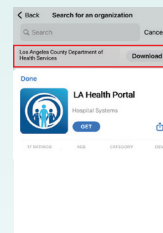

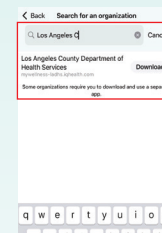

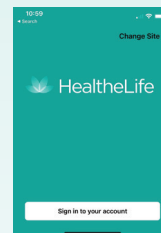

- 1 Download the LA Health Portal App (iOS and Google Play):

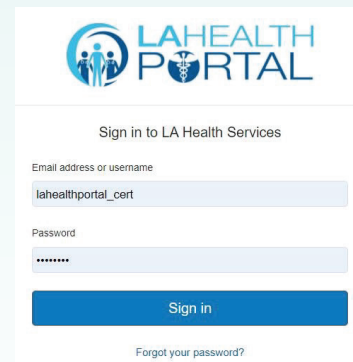

- 2 Login with existing patient portal username and password:

- 3 If one tries to log into the old HealtheLife App, the steps that one will be directed to follow...

- 4 Sign in with your MyWellness username and password - *note » you do not need to create a new account, your MyWellness account information will work:
 - o If you do not have a account, talk to your clinic team.
 - o If you do not know your password, please click on the 'Forget your Password' link.

- 5 Check out your new LA Health Portal App:
If you have questions or need help, call 866-889-9258 (available 24/7) or LA Health Services General Information at (844) 804-0055 (business hours).
