LA County Health Services is proud to share Community Connects, a newsletter to share helpful information to our valued partners in the community. As you work to protect our diverse and most highly impacted communities from COVID-19, we will regularly provide you with updates, information and resources.

We appreciate your continued partnership and efforts!

WORLD AIDS DAY: DECEMBER 1st

In commemoration of World AIDS Day 2021 we are highlighting the efforts of The Wall Las Memorias, one of our COVID-19 Community Equity Fund Partners with LA County Health Services.

It was a beautiful night on December 1st - World AIDS Day - at the Rededication Celebration and unveiling of the newly renovated The Wall Las Memorias AIDS Monument at Lincoln Park in commemoration of our loved ones who passed away from AIDS. READY TO USE: COVID-19 IN OUR COMMUNITIES POWERPOINT PRESENTATION

Vaccines AND testing are both necessary!

- Everyone should get the vaccine. Vaccines can save your life and the lives of your loved ones.
- As more people get vaccines, there will be smaller and smaller pockets where COVID-19 can spread. If we are both vaccinated, we also limit the virus's opportunities to develop new variants.
- Testing will help people find out early if they have COVID-19 and stop it from spreading.
- Encourage friends and family get tested if they have symptoms.

LA County is now offering free booster doses.

LA County is offering booster doses of all COVID-19 vaccines. These booster and primary doses. People can receive a booster vaccine that is different than their original vaccine. Currently eligible include:

- 65 years or older.
- Residents of long-term care facilities.
- 16 to 64 years old with certain medical conditions.
- 16 to 64 years of higher risk based on where they work. This includes health care workers, food processors, teachers and day care staff, grocery workers, and

LA County Health Services has created "COVID-19 In Our Communities PowerPoint Presentation" to help organizations with sharing evergreen updated information about COVID-19 in their communities and with members.

The presentation can be adapted for use in meetings, townhalls, and community events.
