**SUBJECT: ROLLOVER OF 2022 UNALLOCATED MEASURE B  
FUNDING TO 2023**

This is to inform you and your constituents that the Measure B Advisory Board (MBAB) will be rolling over any Measure B funds that remains unallocated at the end of Fiscal Year (FY) 2021-22 into 2023 for consideration by the MBAB. Therefore, project considerations for 2022 are suspended.

Although the final unallocated amount for 2022 has not been determined, it is estimated that funding may be up to a total of \$10 million worth of projects. Last year's project requests amounted to over \$34 million, and we were only able to fund \$13 million worth of projects.

Rolling over this year's allocation to 2023 will provide a larger sum of unallocated Measure B funding to consider a wider variety of projects in 2023. We think this would be more beneficial to the process so that the rankings will allow for a good mix of larger and smaller projects to move forward with funding recommendations.

If you have any questions, please contact Richard Tadeo at [rtadeo@dhs.lacounty.gov](mailto:rtadeo@dhs.lacounty.gov) or (562) 378-1610.
