PARTICIPANT HANDBOOK

Health Services
LOS ANGELES COUNTY

INTRODUCTION

This handbook has important information about the My Health LA (MHLA) program. Please read this guide before making your first appointment with your doctor. This handbook tells you:

- What the MHLA program is;
- How and where to get your health care in MHLA;
- What services are and are not covered;
- Where to go for emergency services;
- How to get your medicines.

MY HEALTH LA PROGRAM OVERVIEW

My Health LA is a free program that provides health care for individuals between 26 and 49 years old who are low income and live in Los Angeles County. The program is for individuals who do not have and cannot get health insurance, such as full-scope Medi-Cal or Medicare.

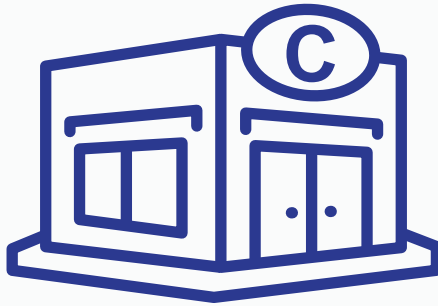

When you enroll, you will choose a Medical Home Clinic. That is where you will get your primary care and see your regular doctor. If you need more advanced medical care, you will get that at the Department of Health Services clinics or hospitals. You can also get emergency and inpatient care at the Health Services hospitals.

Please note that My Health LA (MHLA) is NOT health insurance. You are still uninsured. If you do have health insurance right now, do not drop it. You have more choices with health insurance. In MHLA, you can only get free care at the MHLA clinics or Health Services clinics or hospitals. If you have questions about MHLA, call Member Services at 1-844-744-6452.

WHO CAN BE IN MHLA?

You can be in MHLA if you are:

- Age 26 - 49 years.
- Live in Los Angeles County.
- Are low-income.
- Do not qualify for public insurance.

YOUR MEDICAL HOME CLINIC

WHAT IS IT?

Your Medical Home Clinic is where you will receive your primary care. The doctor and other providers will coordinate your medical care within the MHLA program.

FINDING A CLINIC:

The MHLA clinics are listed on the website at:

<https://dhs.lacounty.gov/my-health-la> under "How to Find a Clinic". You can also call 1-844-744-6452 to ask how to find a clinic or where your Medical Home Clinic is.

APPOINTMENTS:

Call your Medical Home Clinic for an appointment. The phone number is on your MHLA ID card. Your clinic must schedule you for an appointment if you request one. Your appointment must take place within 96 hours for urgent health care needs and within 21 days for non-urgent needs. At most clinics, you can see a doctor in person. You can tell your clinic which type of appointment you want.

CHANGING CLINICS:

You can change your clinic:

- Within your first 30 days of enrolling in the MHLA program for any reason;
- Once a year during your renewal;
- If you move to a new home or change jobs;
- If you have a major change in your life or health;
- Call 1-844-744-6452 if you need to change your clinic.

YOUR FIRST VISIT AT YOUR MEDICAL HOME

3 Steps to a Successful First Visit

CALL AND MAKE YOUR APPOINTMENT

Call your medical home to make an appointment. The phone number or your medical home is on your Member ID Card. Call right away if you need to cancel or reschedule.

BE ON TIME FOR YOUR APPOINTMENT

Give yourself plenty of time to get to your clinic. Call your medical home if you need directions. If you are late, you may have to be rescheduled.

WRITE DOWN YOUR QUESTIONS

The doctors and nurses expect you to have questions. By talking to your health care team, you will learn about your diagnosis and treatments, which can improve your health.

> MHLA CONFIDENTIALITY <

Your information is safe with us. MHLA understands the importance of your privacy. MHLA only uses your personal information to enroll you in the program and provide your health care. MHLA does not share information about patients to immigration or law enforcement officials.

MHLA SERVICES

PRIMARY & PREVENTIVE CARE

Basic health care services are provided at your Medical Home Clinic. You can see your doctor or other providers for check-ups or when you are not feeling well. Your doctors can help you manage your medical conditions and prescribe medicines if you need them.

SPECIALTY CARE

Sometimes you need care that your doctor cannot give you at your Medical Home Clinic. If this happens, you may need care from a specialist. Your doctor will share information with a specialist and they will decide the best way to care for you.

HOSPITAL SERVICES

Emergency care is for when you have a life-threatening accident or illness. Emergency services are available 24 hours a day, 7 days a week. If you need emergency care, call 911 or visit a Health Services hospital. You can only receive free emergency or inpatient care at Health Services hospitals.

See the end of this handbook for a list of Health Services hospitals. You may get a bill if you go to a different hospital.

If you receive care at a Health Services clinic or hospital, we will screen you for Medi-Cal and other health insurance programs. You also may be charged for care if you do not agree to be screened.

MHLA SERVICES

URGENT CARE

Urgent care centers treat serious injuries and health problems that are not emergencies or life threatening but still need care right away. **See the end of this handbook for a list of Health Services Urgent Care Centers.**

LABORATORY SERVICES

Laboratory services include blood work, urine tests, throat cultures, and other tests your doctor decides you need. Your doctor will tell you if you need laboratory services.

RADIOLOGY SERVICES

MHLA covers basic radiology services, such as mammograms, chest x-rays, and other tests your doctor decides you need. Your doctor will tell you if you need radiology services.

> PRIMARY CARE PROVIDER <

Your primary care provider may be a doctor, nurse practitioner or physician assistant. All can prescribe medication and are trained to take care of you.

DENTAL CARE SERVICES

Basic dental care services are offered in some MHLA clinics. If your Medical Home Clinic doesn't offer dental care services, you can go to any MHLA clinic that offers dental services. These clinics are listed on the MHLA website, <https://dhs.lacounty.gov/mhla> under "How to Find a Clinic". You can also call 1-844-744-6452 to ask where to find dental care.

MENTAL HEALTH PREVENTION SERVICES

Sometimes people feel sad or worried but don't get the help they need because they don't know where to start. Your clinic can connect you with someone to help you. You may learn how to manage your stress better or about different ways to deal with sadness. You also may learn new ways to talk about your feelings or new exercises to help you relax. Call your Medical Home Clinic and ask about mental health prevention services.

REFERRALS FOR MENTAL HEALTH TREATMENT

If you feel sad or anxious or you find it hard to deal with daily problems and activities, talk to your Medical Home Clinic. They will help you decide if mental health treatment is right for you. You may receive individual or group therapy, medications, case management or other services. You may get help at your clinic, or your clinic may refer you to the Los Angeles County Department of Mental Health (DMH). You also can call DMH directly at 1-800-854-7771 or visit the DMH website at <http://dmh.lacounty.gov>. They are open 24 hours a day, 7 days a week.

> MHLA COMMITMENT <

My Health LA is committed to anti-racism, and to serving all patients with dignity and respect.

REFERRALS FOR SUBSTANCE USE DISORDER (SUD) TREATMENT

If you want to stop using drugs or alcohol, talk to your Medical Home Clinic. You may get help at your clinic. Your clinic also may refer you to the Los Angeles County Department of Public Health Substance Abuse Prevention and Control (SAPC).

SAPC provides Substance Use Disorder (SUD) treatment services to MHLA participants for free. You may receive outpatient, residential, detox, case management or other services. You also may receive counseling or medication to help if you are addicted to opioids. You can also call DPH directly at 1-844-804-7500 or visit the website at <http://publichealth.lacounty.gov/sapc/>.

SMOKING CESSATION SERVICES MHLA CAN HELP YOU STOP SMOKING

If you want to stop smoking or vaping, talk to your Medical Home Clinic. Your clinic can help you get free services to help you stop smoking or vaping. They may help you at the clinic, or they may refer you to counseling or other services. You also may receive nicotine patches or medications. You can also call 1-800-NOBUTTS or visit the website at <http://www.nobutts.org>. You can also text 'QUIT NOW' or 'QUIT VAPING' to 66819.

MEDICINES & PHARMACY SERVICES

You can receive many medicines for free through the MHLA program. Some medicines require prescriptions, like insulin for diabetes. Others are over-the-counter like aspirin or vitamins.

MHLA covers many prescription and OTC medicines. Your doctor will decide what medications you need. If you have questions about your medicines, including possible side effects and drugs that should not be taken together, ask your doctor or the pharmacist.

> CARE OUTSIDE OF MHLA <

If you get care from any doctor or clinic that is outside of L.A. County or not in the MHLA network, you may have to pay for the services you receive.

WHERE DO I GET MEDICINES

At a Pharmacy:

There are more than 600 pharmacies in the community that provide medicines for MHLA participants. Find a pharmacy in the MHLA network online at <http://www.ventegra.com/mhla> or calling 1-855-444-7757. You have to go to specific pharmacies to get some medications. Your Medical Home Clinic will tell you if you have to go to a specific pharmacy.

At Your Clinic:

Some clinics have pharmacies or dispensaries inside their clinics. You may be able to get your medicines at your Medical Home Clinic.

Mailed to Your Home:

You may also be able to get your medicines mailed to your home. Ask your clinic for more information.

At Health Services Hospitals or Clinics:

If a Los Angeles County Health Service doctor prescribed you a medicine at a Health Services hospital or clinic, you must get your medicines there.

If you have questions about how to get your medicines, ask your Medical Home Clinic. If you go to a pharmacy that is not part of MHLA, you may have to pay for your medicines.

WHAT IS NOT INCLUDED IN MHLA

MHLA does not cover all services. The following is a partial list of services that are not included or covered in the MHLA program:

- Allergy testing
- Family planning and pregnancy
- Weight-loss surgeries
- Genetic testing and counseling
- Hearing services and hearing aids
- Long-term care
- Any service that is not medically necessary

GETTING CARE OUTSIDE OF MHLA

As a MHLA participant, you receive most of your health care services in L.A. County at your Medical Home Clinic or at a L.A. County Health Services clinic or hospital. You may also go to the L.A. County Department of Mental Health (DMH), L.A. County Department of Public Health (DPH), or to any of their clinics.

If you get care from any doctor or clinic that is outside of L.A. County or not in the MHLA network, you may have to pay for the services you receive.

> COMPLAINTS / CONCERNS <

If you are not happy with the care you received or have questions about the care given to you, let your Medical Home Clinic know.

If the problem is still not fixed, you can file a formal complaint by calling 1-844-744-6452 between Mondays and Fridays from 7:30 a.m. to 5:30 p.m. You can also write to:

**MHLA Complaint Unit
1000 South Fremont Ave,
Building A11, Ground Floor, Suite 11010
Alhambra, CA 91803**

You will not be dropped from the MHLA program for filing a complaint.

YOUR MHLA ID CARD

How do I use it?

Along with this handbook, you received a MHLA ID card. Your ID card lets your Medical Home Clinic, pharmacy, or Health Services hospital know you are in MHLA. If you did not get an ID card or need a new one, call 1-844-744-6452.

You must renew every year or you will be disenrolled. You will get postcards reminding you to renew. You also may get a text or a phone call. Your clinic will help you renew. Please renew on time.

Reenrollment:

You can sign up again any time for free. Your Medical Home Clinic can help you sign up again.

Disenrollment:
