

FRC Training

2023 Family Reunification Center (FRC) Training and Exercise

REUNITING VICTIMS AND FAMILIES IN TIMES OF CRISIS

FAMILY REUNIFICATION CENTER

Facilitates information sharing with hospitals and emergency support teams to enable family reunification during disasters.

- Activate and manage a Family Assistance Center following a mass casualty incident.
- Register family of victims seeking support services or reunification services.
- Track unaccompanied minors.
- Report incident related missing persons.

The FRC Exercise, scheduled for July 27, 2023, is intended to promote end-user familiarity, test information sharing, and facilitate the development of processes to use the FRC application to support reunification efforts.

To prepare end-users for the FRC Exercise, ReddiNet has scheduled the following training sessions:

Date / Times: *(Only one session needed)*

Thursday, July 20, 2023 / 10am, 2pm, or 8pm

Where: Online Webinar

Target Audience: Hospital Emergency Managers, Hospital Preparedness Program Grant Managers, and other personnel tasked with FRC end-user responsibilities.
