CME/CE INFORMATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the California Medical Association (CMA) through the joint providership of UCLA Integrated Substance Abuse Programs (ISAP) and Friends Research Institute. The UCLA Integrated Substance Abuse Programs (ISAP) is accredited by the CMA to provide continuing medical education for physicians.

UCLA Integrated Substance Abuse Programs (ISAP) designates this live virtual training course for a maximum of five and one-half (5.5) *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for *AMA PRA Category 1 Credits™* (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

The training course meets the qualifications for the provision of five and one-half (5.5) continuing education credits/contact hours (CEs/CEHs). UCLA Integrated Substance Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists. UCLA ISAP maintains responsibility for this program and its content.

UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for five and one-half (5.5) hours of continuing education credit for LMFTs, LCSWs, LPCCs, and LEPs as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445-1123), CATCs (ACCBC/CAADE, #CP40 872 C 0825), and CAODCs (CADTP, #151).

Continuing medical education will be awarded within 6-8 weeks following completion of the training.
