

COUNTY OF LOS ANGELES DEPARTMENT OF HEALTH SERVICES
LOS ANGELES GENERAL MEDICAL CENTER

Contract and Physician Postgraduate Conditions of Appointment

The above named Hospital, owned by the County of Los Angeles, hereby offers a temporary appointment in conjunction with a Physician Postgraduate Training Program. A temporary appointment in the classified service of the County of Los Angeles is subject to all applicable provisions of the Charter of the County of Los Angeles, County Ordinance, County Civil Service Rules, County Department of Health Services Rules and Practices, and Hospital Policies. Salary and other benefits shall be provided as periodically established by the Los Angeles County Board of Supervisors by way of County ordinance and/or the applicable Memorandum of Understanding. Appointment is on a temporary basis, unless otherwise specified by the Los Angeles County Board of Supervisors by way of ordinance or approved Memorandum of Understanding (MOU).

Dates of Appointment:

Trainees, postgraduate year 1, 2, or 3; appointment is contingent upon the following:

A Postgraduate Training License (PTL) must be obtained from the Medical Board of California (Board) within 180 days after enrollment in an Accreditation Council for Graduate Medical Education (ACGME) accredited postgraduate training program in California. If the PTL is not issued within 180 days of commencing ACGME accredited training in California, all clinical activities must cease until the license is issued. Training beyond the 180 days is considered unlicensed practice of medicine and you can be subject to disciplinary action. The PTL will be valid until 90 days after a resident has received 12 months credit of Board-approved postgraduate training for graduates of medical schools in the United States and Canada or 24 months of Board-approved postgraduate training for graduates of international medical schools approved under Business and Professions Code (BPC) section 2084, after which a full and unrestricted Physician's and Surgeon's License must be obtained in order to continue practicing medicine in California.

Trainees, postgraduate year 4, 5, 6, and 7, appointment is contingent upon the following:

Possession of a current and valid Physician and Surgeons License (P&S) to practice medicine in the State of California unless otherwise provided by law. Residents are authorized to obtain a P&S license after receiving credit for either 12 months (for graduates of U.S. or Canadian medical schools) or 24 months (for graduates of international medical schools) of board-approved postgraduate training (PGT). Training must be accredited by the Accreditation Council for Graduate Medical Education (ACGME), Royal College of Physicians and Surgeons of Canada (RCPSC), or the College of Family Physicians of Canada (CFPC).

If you have received credit for 12/24 months of Board-approved postgraduate training in another state or in Canada and are accepted into a California ACGME-accredited postgraduate training program, you shall obtain your P&S License within 90 days after beginning your postgraduate training program. If you do not obtain your P&S License, you must cease all clinical service at the end of the 90 days. All clinical service thereafter shall constitute unlicensed practice and you will be subject to disciplinary action. (BPC section 2065(g))

Licensed residents are required to obtain and use their assigned DEA registration number. A copy of this DEA license must be on file and in the Office of Graduate Medical Education and the appropriate departmental office.

This appointment for all trainees in postgraduate years 1 through 7 is contingent upon maintenance of satisfactory academic standing as determined by the trainee's program director. Failure to maintain satisfactory academic standing in said program shall result in disciplinary action including, but not limited to, termination of appointment pursuant to this agreement.
