

# Exercise Evaluation Conference

*The exercise evaluation conference (webinar) provides an opportunity for exercise participants to share strengths identified and opportunities discovered with others in the Health Care Coalition. The goal is to enhance resiliency and build capacity within our HCC.*

**Date:** Tuesday, December 12, 2023

**Where:** Virtual Event via TEAMS

## **Target Audience:**

*The Exercise Evaluation Conference is intended for those facilities that participated in the 2023 Medical Response and Surge Exercise - Pediatric Surge and Power Outage Exercise. HPP fund recipients are required to participate.*

## **Registration Information:**
