The proceedings of EMS Quality Improvement (QI) Committee meetings shall be free from disclosure and discovery (California Evidence Code, Section 1157.7) and held as confidential peer review meetings with all communications deemed part of the peer review process. Remaining in these meetings mean that participants agree to protect these confidential materials from disclosure, and that participants will not divulge any specific data or information obtained from these committees unless authorized by appropriate agency/hospital. Confidentiality requires not allowing unacknowledged individuals to observe/attend these meetings.
