Cultural and Linguistic Competency

The planners and speakers of this CME activity have been encouraged to address cultural issues and create standards for implicit bias that reduce health disparities relevant to their topic area for the purpose of complying with California Assembly Bill 1195 and AB 241. Moreover, the MemorialCare YouLearn system contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws.

Accreditation

MemorialCare Long Beach Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

MemorialCare Long Beach Medical Center is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

MemorialCare Long Beach Medical Center designates this live activity for a maximum of 16.0 AMA PRA Category 1 Credit(s)™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

The California Board of Registered Nursing recognizes category 1 courses approved for credit by the California Medical Association toward meeting the continuing education requirements for license renewal.

Pre-hospital CE: This course is approved for 16 hours of instructor based CE by California EMS CE Provider #19-0032 for the target audiences of EMT, Paramedic, and MICN.

Day 1: 2 hours FCA and 6 hours of EMS Lecture
Day 2: 8 hours EMS Lecture

Location/Directions

This symposium will be held in Houssels Forum at Long Beach Memorial.

To arrive by car, exit 405 (San Diego) freeway at Atlantic Ave. Long Beach Memorial is located three blocks south of the freeway. Turn right at Memorial Medical Center Dr. into the visitor parking lot. Houssels Forum is located on the lower level of the medical center, below the main hospital entrance in the Center for Health Education.

EDAP Conference: A Comprehensive Look at Evidence Based Care for Children

This 2-day conference meets LA County requirements for Pediatric Emergency Course (PEC).

This two-day course, covers topics pre-approved by the EMS Agency, that provides knowledge about the acutely ill and injured child, and a minimum of 16 hours of CME, Board of Registered Nursing (BRN) & 16 EMS CE approved continuing education.

Course Objectives

- 1) Improve pediatric patient care by reviewing evidence-based practices.
- 2) Optimize pediatric patient care by problem solving to improve performance of pediatric care.
- 3) Optimize pediatric patient care by understanding the underlying pathophysiology.
- 4) To improve knowledge, attitudes, and skills that support interprofessional healthcare team and delivery of pediatric patient care.
- 5) To deliver pediatric presentations that are evidence based and free of commercial and implicit bias. (AB1195)

Mitigation of Financial Relationships Statement

Memorial Care CME adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including program chairs, program coordinators, speakers, reviewers, or others are required to disclose all relevant information about financial relationships with ineligible companies. All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

Disclosure Information: Dr. Rishi Bhargava, Program Chair for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose. All speakers, coordinators and reviewers had no relevant financial relationships with ineligible companies to disclosure.
