

Annual Medical and Health Exercise

Thursday, November 19, 2026

Description:

Please Save the Date - November 19, 2026.

*This year's exercise, "**Critical Infrastructure: Targeted Violence and Power Outage Exercise**" will focus on patient surge (MCI) and power outage preparedness. Power outage was identified as the 3rd most significant threat to our region.*

To support preparedness and planning efforts, a Participant Webinar is scheduled for September 8, 2026, via Teams. As a reminder, participation is a requirement for HPP recipients.

Additional details will be shared soon.

This award has been assigned the Federal Award identification Number (FAIN) U3REP240735.
