

Gynecology

The Women's Gynecology Clinic at Rancho Los Amigos National Rehabilitation Center specializes in serving women with disabilities, providing screenings for cervical cancer, screenings and treatment of sexually transmitted diseases, birth control management, and referrals for mammograms. Our staff is specially trained and experienced in treating women with disabilities, ensuring the highest quality care. We will assure your comfort in providing routine breast exams, pap and pelvic exams, IUD insertions, endometrial biopsies, and colposcopy exams. The gynecology program welcomes patient referrals for consultation and treatment.
