SACHI A. HAMAI
EXECUTIVE OFFICER

**APPROVAL TO RENEW TWO SPECIALIZED INDIGENT ACUTE
PSYCHIATRIC INPATIENT HOSPITAL SERVICES AGREEMENTS
FOR FISCAL YEARS 2013-14 THROUGH 2015-16
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew two specialized indigent acute psychiatric inpatient hospital services agreements to provide mental health services for uninsured individuals in need of hospitalization.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director) or his designee, to prepare, sign and execute an Indigent Acute Psychiatric Intensive Inpatient Hospital Services Agreement (Agreement), substantially similar to Attachment A, with College Hospital-Cerritos and Aurora Charter Oaks Hospital, LLC, effective July 1, 2013 through June 30, 2014, with provisions for two automatic one-year extension periods. The Maximum Contract Amount (MCA) of the Agreement is \$1,794,800 for Aurora Charter Oak, LLC, and \$1,421,814 for College Hospital-Cerritos, for an annual total of \$3,216,614, as listed in Attachment B.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute amendments to the Agreement and establish as a new MCA, the aggregate of the original Agreement and all amendments provided that: 1) the County's total payments to a contract provider for each fiscal year do not exceed an increase of 10 percent from the Board-approved MCA; 2) any such increase is used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval of County Counsel, or designee, is obtained

prior to any such amendments; 5) the County and Contractor may, by written amendment, reduce programs or services without reference to the 10 percent limitation and revise the applicable MCA; and 6) the Director, or his designee, notifies your Board and the Chief Executive Officer (CEO) of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is required to renew two existing agreements that expire on June 30, 2013, in order to ensure uninterrupted, medically necessary acute psychiatric inpatient hospital services for uninsured individuals requiring hospitalization in Lanterman-Petris-Short (LPS) designated hospitals under California Welfare and Institutions Code Section 5150. These agreements are critical components of the Psychiatric Emergency Services (PES) Relief Plan jointly developed by the Department of Mental Health (DMH) and the Department of Health Services (DHS) to relieve overcrowding in County hospital emergency rooms and inpatient units.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The total cost of these two agreements for FY 2013-14 is \$3,216,614 annually, funded by \$2,807,614 of Sales Tax Realignment revenue and \$409,000 net County cost. The Maximum Contract Amount is \$1,794,800 for Aurora Charter Oak, LLC, and \$1,421,814 for College Hospital-Cerritos. Funding is included in the Department's FY 2013-14 Proposed Budget, and funding for future fiscal years will be requested through DMH's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The agreement format includes three (3) recent countywide contracting updates and required provisions as follows: Contractor Alert Reporting Database (CARD), Indemnification, Insurance Coverage-Cancellation of Insurance and Failure to Maintain Insurance.

The attached agreement format has been approved as to form by County Counsel. DMH clinical and administrative staff will continue to administer and monitor contractors' adherence to the agreements and evaluate programs to ensure that quality services are provided to clients.

CONTRACTING PROCESS

As part of the strategic plan to address overcrowding in the psychiatric emergency rooms at County hospitals, which was approved by your Board in 2005, DMH, in cooperation with DHS, identified strategic areas of the County where there was a critical need for additional acute care psychiatric inpatient beds for indigent patients and sought acute inpatient facilities willing to contract for such beds. Two hospitals – Aurora Charter Oak, LLC, and College Hospital-Cerritos – responded at the time. These hospitals, which are authorized to involuntarily hold, evaluate, and treat patients under Section 5150 of the Welfare and Institutions Code who are referred by law enforcement agencies or

DMH staff, have successfully provided these acute inpatient facilities. There is a continuing need for these services to prevent patients from remaining in the psychiatric emergency departments pending availability of a County hospital inpatient bed.

Although a solicitation process was considered, DMH considered that since these two hospitals have existing agreements with the County for these critical and unique services, extension of these contracts, that will expire on June 30, 2013, is the most cost-effective and efficient method to provide the continuing need for involuntary acute inpatient services for uninsured citizens of Los Angeles County. The agreements will have a maximum, three-year term with an initial period of July 1, 2013 through June 30, 2014, and two automatic one-year extension periods through June 30, 2016.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will continue to alleviate the overcrowding in the County's hospitals' emergency rooms and inpatient units and allow existing contractors to provide uninterrupted and accessible mental health services to uninsured persons in need of hospitalization residing in Los Angeles County.

Respectfully submitted,

MARVIN J. SOUTHARD, D.S.W.

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional

boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible; able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-

focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly

- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

(1) First Automatic Renewal Period: If this Agreement is automatically renewed, the First Automatic Renewal Period shall commence on July 1, 2014 and shall continue in full force and effect through June 30, 2015.

3. **IMMEDIATE TERMINATION BY COUNTY**:

A. In addition to any other provisions for termination provided in this Agreement, this Agreement may be terminated by County immediately if County determines that:

(1) Contractor has failed to initiate delivery of services within 30 calendar days of the commencement date of this Agreement; or

(2) Contractor has failed to comply with any of the provisions of Paragraphs 18 (NONDISCRIMINATION IN SERVICES), 19 (NONDISCRIMINATION IN EMPLOYMENT), 21 (INDEMNIFICATION AND INSURANCE), 22 (WARRANTY AGAINST CONTINGENT FEES), 23 (CONFLICT OF INTEREST), 28 (DELEGATION AND ASSIGNMENT), 29 (SUBCONTRACTING), 34 (CHILD SUPPORT COMPLIANCE PROGRAM), 48 (CERTIFICATION OF DRUG-FREE WORK PLACE), 54 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM) and/or 64 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM); or

B. In the event that this Agreement is terminated, then:

(1) On or after the date of the written notice of termination, County, in its sole discretion, may stop all payments to Contractor hereunder until preliminary settlement based on the Annual Cost Report. Contractor shall prepare an Annual Cost Report in accordance with the terms of Paragraph 6 (FINANCIAL PROVISIONS).

(2) Upon issuance of any notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all patients/clients receiving services under this Agreement to other agencies for continuing services in accordance with the

patient's/client's needs. Such plans shall be subject to prior written approval of Director or his designee, except that in specific cases, as determined by Contractor, where an immediate patient/client transfer or referral is indicated, Contractor may make an immediate transfer or referral. If Contractor terminates this Agreement, all costs related to all such transfers or referrals as well as all costs related to all continuing services shall not be a charge to this Agreement nor reimbursable in any way under this Agreement; and

(3) If Contractor is in possession of any equipment, furniture, removable fixtures, materials, or supplies owned by County as provided in Paragraph 45 (PURCHASES), the same shall be immediately returned to County.

(4) Any termination of this Agreement by County shall be approved by County's Board of Supervisors.

C. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 66 (NOTICES).

4. ADMINISTRATION: The Director of Mental Health (Director) shall have the authority to administer this Agreement on behalf of the County. All references to the actions or decisions to be made by the County in this Agreement shall be made by the Director unless otherwise expressly provided.

A. The Director may designate one or more persons to act as his/her designee for the purposes of administering this Agreement. Therefore "Director" shall mean "Director and/or his/her designee."

B. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

5. DESCRIPTION OF SERVICES/ACTIVITIES: Contractor shall provide those mental health services identified on the Financial Summary and Service Exhibit(s) of this Agreement and as described in the Contractor's Negotiation Package for this Agreement, as approved in writing by Director. The quality of services provided by Contractor shall be the same regardless of the patient's/client's ability to pay or source of payment.

Contractor shall be responsible for delivering services to new clients to the extent that funding is provided by County. Where Contractor determines that services to new clients can no longer be delivered, Contractor shall provide 30 calendar days prior notice to County. Contractor shall also thereafter make referrals of new clients to County or other appropriate agencies.

Contractor shall not be required to provide the notice in the preceding paragraph when County reduces funding to Contractor, either at the beginning or during the fiscal year. In addition, when County reduces the funding for a particular program provided by Contractor, Contractor shall not be responsible for continuing services for those clients linked to that funding. Contractor shall also thereafter make referrals of those clients to County or other appropriate agencies.

Contractor shall be responsible for delivering medically necessary mental health services to clients that are enrolled in the Healthy Way LA Health Care Initiative (HWLA) Program, and Contractor shall serve such HWLA clients within the mandated time frame established by the Low Income Health Plan guidelines. Clients that are enrolled in the HWLA Program shall be given priority over other indigent/uninsured clients.

Contractors shall not be eligible to provide mental health services claimable under the Mental Health Services Act (MHSA) unless Contractor has been found to be eligible to provide mental health services as follows: (1) Contractor has submitted to the County a Statement of Qualifications (SOQ) in response to County's Request For Statement of Qualifications (RFSQ) for the provision of such services; Contractor has met the minimum qualifications listed in the RFSQ and has been selected for recommendation for placement on a MHSA Master Agreement eligibility list; and Contractor has demonstrated experience and training in its specialized field and has been selected to provide MHSA services pursuant to a solicitation process approved by County, or (2) Contractor intends to transform a portion of its services to MHSA services, Contractor has submitted a mid-year change to the Negotiation Package outlining the planned transformation and County has approved Contractor to provide MHSA services through the transformation process. Placement on the Master Agreement eligibility list does not guarantee that Contractor will be selected to provide mental health services claimable as MHSA services. In order to provide mental health services claimable as MHSA services, a provider must have been selected to provide MHSA services pursuant to a solicitation process approved by County, or be approved by County to provide MHSA service through the transformation process.

6. FINANCIAL PROVISIONS: In consideration of services and/or activities provided by Contractor, County shall reimburse Contractor in the amount and manner described in PARAGRAPH 6 (FINANCIAL PROVISIONS).

A. General: This is a Contract Rate Agreement. County agrees to reimburse Contractor during the term of this Agreement for providing mental health services hereunder in accordance with WIC Sections 5704, 5705, 5707, 5709, 5710, 5714, 5717, 14705, 14705.5,

14705.5, 14708, 14709, 14710, 5723, and 14132.44; CCR Titles 9 and 22; SDMH and/or SDHCS Policy Letters; DMH policies and procedures; and all other applicable Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, and directives. Reimbursement shall be at the Contract Rate(s) as mutually agreed upon between County and Contractor and as outlined in DMH Policy, Provisional Rate Setting, up to the amounts identified for each Funded Program as shown in Attachment II (Financial Summary), attached hereto and by this reference incorporated herein, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, to Contractor, as described in this Paragraph (FINANCIAL PROVISIONS), Subparagraph H (Payment).

(1) For the purposes of this Agreement, a "Funded Program" is a set of services paid through a particular funding source for the benefit of a specific beneficiary (e.g., Non-Medi-Cal/Non-Healthy Families) as identified on a row on the Financial Summary.

(2) For the purposes of this Agreement, the "Funded Program Amount" is the amount identified in the last column of the Financial Summary for each Funded Program.

B. Reimbursement For Initial Period: The Maximum Contract Amount for the Initial Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____ DOLLARS (\$ _____) and shall consist of County and State funds as shown on the applicable Financial Summary(ies). C. Reimbursement If Agreement Is Automatically Renewed:

(1) Reimbursement For First Automatic Renewal Period: The Maximum Contract Amount for the First Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____ DOLLARS (\$ _____) and shall consist of County and State funds as shown on the applicable Financial Summary(ies). Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder during the First Automatic Renewal Period.

(2) Reimbursement For Second Automatic Renewal Period: The Maximum Contract Amount for the Second Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____ DOLLARS (\$ _____) and shall consist of County and State funds as shown on the applicable Financial Summary(ies). D. Limitation of Payments based on Funding and Budgetary Restrictions:

(1) This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State, including, but not limited to, those contained in State's Budget Act, which may in any way affect the provisions or funding of this Agreement.

(2) This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

(3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

(4) Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.

E. County's Right to Re-allocate Underutilized Funds:

(1) County and Contractor may by written amendment reduce programs or services and revise the applicable Maximum Contract Amount and/or Funded Program Amount. The Director shall provide 15 business days prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County, to Contractor, DMH Contracts Development and Administration Division, and to County's Chief Executive Officer. Any such change in any applicable Maximum Contract Amount and/or Funded Program Amount shall be effected by an administrative amendment to this Agreement by Director; and

(2) Notwithstanding Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph E (1), if the County in its sole discretion determines from a review of Contractor's service and billing records that a significant portion of the funds provided for services under this Agreement will be underutilized in any period of the Agreement term, then the Director shall provide 15 business days prior written notification to Contractor of County's intent to reallocate such funds into another DMH Agreement with another contract provider and/or directly operated clinic that readily provides for the efficient use of such funds before the expiration of the same period in this. This written notification is to include an explanation of how the County reached the conclusion that Contractor is underutilizing funds; copies of relevant data, such as but not limited to County information system reports that County used in making this decision; the nature and amount of funding changes to Contractor; and any changes in the amount of services to be received by County.

In the event Contractor believes that an adjustment authorized under this provision is unjustified, Contractor may, within the 15 business day notice period, so notify the Director in writing, and request a meeting with County to review County's documentation that Contractor will be underutilizing a significant portion of its Maximum Contract Amount and/or Funded Program Amount. Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its Maximum Contract Amount and/or Funded Program Amount.

If, thereafter, it is still determined that a significant portion of the Maximum Contract Amount and/or Funded Program Amount will be underutilized the County shall reallocate such funds, as provided above. Director shall provide final prior written notice of such funding changes, including any changes in the amount of services to be received by County, to Contractor, DMH Contracts Development and Administration Division, and County's Chief Executive Office, and the determination of the Director will be final. Any such change in any applicable Maximum Contract Amount and/or Funded Program Amount shall be effected by an administrative amendment to this Agreement by Director. Changes that are based on one-time circumstances will be applicable to the current contract year only and shall not result in reductions (or increases) of Maximum Contract Amounts and/or Funded Program Amount in subsequent years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of Maximum Contract Amounts and/or Funded Program Amount in subsequent years.

The determination by the Director shall be effective upon the receipt of such final prior written notice by Contractor and the changes to funding and services shall be incorporated into this Agreement as of the date of receipt. Contractor understands and agrees that its Maximum Contract Amount and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the Maximum Contract Amount and/or Funded Program Amount for this Agreement. By executing this Agreement, Contractor specifically consents to the prospective adjustments set forth in this provision.

(3) Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the total contract authorization under this contract. Upon occurrence of this event, Contractor shall send written notification to County at the address herein provided in Paragraph 66 (NOTICES).

F. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

(3) Contractor may retain any interest and/or return funds paid by County to Contractor, provided that which may be received, earned or collected from any Contractor shall utilize all such interest and return only for the delivery of mental health services specified in this Agreement.

(4) Failure of Contractor to report in all its claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all unanticipated revenue, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such non-reported revenue.

(b) Any appropriate financial adjustment to Contractor's reimbursement.

G. Billing Procedures As Conditions Precedent To Contractor's Eligibility For Reimbursement:

(1) As an express condition precedent to Contractor's eligibility for reimbursement under this Agreement, Contractor shall determine: (1) whether clients are indigent and (2) whether the Psychiatric Inpatient Hospital Services for which claim is made are covered, in whole or in part, under any other State or Federal medical care program or under any other contractual or legal entitlement, including, but not limited to, any private group indemnification or insurance program or workers' compensation. Notwithstanding any other provision of this Agreement, to the extent that any such third party coverage is available, Contractor's reimbursement shall be reduced.

(2) As a further express condition precedent to Contractor's eligibility for reimbursement under this Agreement, Contractor shall submit to County a monthly billing for claims on an invoice with the appropriate allowable psychiatric accommodation codes to DMH Countywide Resource Management (CRM) for reimbursement for all Psychiatric Inpatient Hospital Services rendered to Clients, either directly or through subcontractors as permitted under this Agreement, in accordance with all applicable requirements. Each claim shall be submitted within 30 days of the Client's discharge date. Said invoice shall be itemized by Client and DMH CRM authorization.

(3) Contractor shall claim a day of service of Acute Psychiatric Inpatient Hospital Services for each Client who occupies an inpatient psychiatric bed at 12:00 midnight in Contractor's facility(ies), based on the particular services provided at that time. Contractor shall claim a day of service for the Client for the day of admission and not the day of discharge; however, a day of service may be claimed if the Client is admitted and discharged during the same day, provided that such admission and discharge is not within twenty-four hours of a prior discharge.

(4) Notwithstanding any other provision of this Agreement, Contractor shall be entitled to reimbursement for Psychiatric Inpatient Hospital Services: (1) if there is Admission and Discharge Authorization issued by DMH CRM for the particular Acute Psychiatric Inpatient Hospital Services or Administrative Day Services which has been submitted by Contractor to County as required by this Agreement and which has been approved by County; and (2) if the particular Acute Psychiatric Inpatient Hospital Services or Administrative Day Services provided are consistent with the County-approved CRM Admission and Discharge Authorization

process..

H. Payment:

(1) County agrees to reimburse Contractor for services rendered under Funded Programs during the term of this Agreement based on the contract rate(s) agreed to by the County for the Initial Period, First Automatic Renewal Period, and Second Automatic Renewal Period respectively, subject to all of the rules, regulations and policies established by the County, State and/or federal governments regarding payment and reimbursement of services, and in accordance with the terms of this Agreement.

(2) On the basis of the claims and after Director's review and approval of the monthly invoice, Contractor shall receive from County payment less all revenues equal to the claims submitted and approved for that month in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment may be withheld by County.

I. Billing and Payment Limitations:

(1) Contract Rate: County payments to Contractor for performance of eligible services hereunder are based on Contract Rate which is the gross rate of reimbursement, negotiated between Contractor and County for Contractor's delivery of a day service of Acute Psychiatric Inpatient Hospital Services. The Contract Rate is an all inclusive rate that includes, but is not limited to, the cost of all physician services, psychologist services, and psychiatric treatment rendered to Clients and the cost of transportation services for providing Acute Psychiatric Inpatient Hospital Services. County payments to Contractor subject to future County, State and/or federal adjustments. County adjustments to monthly claim reimbursements to Contractor will be based on the amount specified in the Financial Summary, contractual limitations of this Agreement, annual cost report, application of various County, State and/or federal reimbursement limitations, application of any County, State and/or federal policies, procedures and regulations, and/or County, State or federal audits, all of which take precedence over monthly claim reimbursements. County and Contractor acknowledge that the references in this paragraph represent examples only and are not intended, nor shall be construed, to represent all of the circumstances or conditions that may result in adjustments to monthly claim reimbursements.

(2) Adjustment of Claims Based on Other Data and Information: The County shall have the right to adjust claims based upon data and information that may include, but is not limited to, County's IS reports, remittance advices, and Contractor's annual Cost Report, all of which shall supersede and take precedence over claims.

(3) Adjustment of Claims for Agreement Compliance: Director, in his sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor shall not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of this Agreement. Such actions may include, but are not limited to, reimbursing claims submitted through the invoice at an amount less than that amount that would be calculated using Contractor's contract rate(s), denying claims for payment, and/or withholding payment of certain claims.

(a) Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action. Thereafter, Contractor may, within 10 calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.

(d) In the event of failure of Contractor to timely notify County of its intended disposition of questioned claims, County reserves the right to take such action as is necessary as to preserve possible reimbursement of said claims from a funding source. Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.

(4) County Withhold of Payment for Contractor Lapse in Providing Service Data: If Contractor fails to submit service data as required by County, then the County may, in its discretion, withhold all or a portion of its payment until County is in receipt of complete and correct service data and such service data has been reviewed and approved by Director.

(a) Prior to withholding payment, Director shall provide Contractor with at least 30 calendar days written notice of the County's decision to withhold payment,

including the reason(s) for intended action and the identification of the incomplete or incorrect service data. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose a date for submitting the complete and correct data.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision. The decision of the Director will be final.

(d) Upon receipt from the Contractor of revised service data, Director shall review such revised service data within 60 calendar days of receipt. Upon determination that such submitted service data is complete and correct, County shall release withheld payments within 30 days of such determination.

(5) County Denial of Payments for Lack of Documentation: Director may deny payment for services when documentation of clinical work does not meet minimum State and County written standards.

(a) Prior to denying payment, Director shall provide Contractor with at least 30 calendar days' written notice of the County's decision to deny payment, including the reason(s) for the intended actions. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.

(6) County Suspension of Payment for Default: Director may suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default under any of the provisions of this Agreement.

(a) Except in cases of alleged fraud or similar intentional wrongdoing or a reasonable good faith determination of impending insolvency, Director shall provide Contractor with at least 30 calendar days' notice of such suspension, including a statement of

the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.

(7) No Payment for Services Rendered Following Expiration/Termination of Agreement: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement or any part thereof. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

(8) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

J. Annual Cost Reports:

(1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide County with two copies of an accurate and complete annual cost report, along with a statement of expenses and revenue, and a Cost Report Certification. Should the due date fall on a weekend, such report will be due on the following business day.

(a) Failure by Contractor to submit an Annual Cost Report within 30 calendar days after the due date specified in this Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph J (4) above, shall constitute a breach of this Agreement.

i. In addition to, and without limiting, any other remedy available to the County for such breach, County may undertake any or all of the following to remedy such breach:

(A) In such instance that Contractor does not submit an annual cost report(s) by such 30 calendar days after the applicable due date specified in Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph J (4), then all amounts covered by the outstanding annual cost report(s) and paid by County to Contractor for the Fiscal Year for which the annual cost report(s) is (are) outstanding shall be due by Contractor to County. Such payments shall be submitted to the persons and at the address identified in this Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph O.

Thereafter, Contractor shall have 15 business days either to correct the deficiency, or to request reconsideration of the decision to suspend payments. Payments to Contractor shall not be suspended during said 15 business days provided to correct the deficiency or, if reconsideration is requested, pending the results of the reconsideration process.

(b) Failure by the Contractor to submit an Annual Cost Report(s) by the due date specified in this Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph J (4) will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost Report(s) to the County under this Paragraph. The

County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per day for each day that the Contractor fails to submit to the County by the due date.

i. Liquidated damages shall be assessed separately on each outstanding Annual Cost Report.

County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to attend the Cost Report Training. The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per occurrence. Therefore, County may, in its sole discretion, assess

liquidated damages in the amount of \$100 for Contractor's non-attendance at the Cost Report Training. Said Payment shall be submitted to the persons and at the address identified in this Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph O.

(6) Upon written notification from the Director that its Annual Cost Report contains errors or inaccuracies, Contractor shall, within 30 calendar days, correct such errors and inaccuracies and resubmit its Annual Cost Report.

(a) If Contractor fails to correct inaccuracies in annual cost report within 30 calendar days after receipt of written notification from the Director and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of lost reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.

i. Upon written notice from the County, Contractor shall have 30 calendar days to make payment to the County in the amount specified by the County. Said payment shall be submitted to the persons and at the address identified in Paragraph 6 (FINANCIAL PROVISIONS), Subparagraph O.

The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

27. CONSIDERATION OF GREATER AVENUES FOR INDEPENDENCE (GAIN) OR GENERAL RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR EMPLOYMENT:

A. Should Contractor require additional or replacement personnel after the effective date of this agreement, contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' GAIN Program or GROW Program who meet Contractor's minimum qualifications for the open position. If Contractor decides to pursue consideration of GAIN/GROW participants for hiring, Contractor shall provide information regarding job openings and job requirements to Department of Public Social Services' GAIN/GROW staff at GAINGROW@dps.lacounty.gov. County will refer GAIN/GROW participants, by job category, to Contractor.

B. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

28. DELEGATION AND ASSIGNMENT BY CONTRACTOR:

A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have in Contractor. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or entity other than the majority controlling interest therein at the time

of execution of this Agreement, such disposition shall be deemed an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

29. SUBCONTRACTING:

A. No performance of this Agreement, or any portion thereof, shall be subcontracted by Contractor without the prior written consent of County as provided in this Paragraph 29. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under this Agreement, without the prior written consent of County, shall be null and void and shall constitute a material breach of this Agreement. Notwithstanding any other provision of this Agreement, in the event of any such breach by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

B. If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under this Agreement, Contractor shall make a written request to County for written approval to enter into the particular subcontract. Contractor's request to County shall include:

Further, the Contractor will also be subject to the examination and audit of the State Auditor, pursuant to the Government Code, Section 8546.7, for a period of three (3) years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, which ever occurs later.

(7) Any other information and/or certifications requested by County.

C. County shall review Contractor's request to subcontract and shall determine, in its sole discretion, whether or not to consent to such request on a case-by-case basis.

D. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and legal fees, arising from or related to Contractor's use of any subcontractor, including any officers, employees, or agents of any subcontractor, in the same manner as required for Contractor, its officers, employees, and agents, under this Agreement.

E. Notwithstanding any County consent to any subcontracting, Contractor shall remain fully liable and responsible for any and all performance required of it under this Agreement, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County, nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all subcontractor personnel providing services under such subcontract. Contractor shall assure that any subcontractor personnel not approved by County shall be immediately removed from the provision of any services under the particular subcontract or that other action is taken as requested by County. County shall not be liable or responsible in any way to Contractor, to any

subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related to County's exercise of such right.

G. In the event that County consents to any subcontracting, such consent shall be subject to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to Contractor when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor, for any liability, damages, costs, or expenses arising from or related to County's exercise of such right.

H. In the event that County consents to any subcontracting, each and all of the provisions of this Agreement and any amendment thereto shall extend to, be binding upon, and inure to the benefit of, the successors or administrators of the respective parties.

I. In the event that County consents to any subcontracting, such consent shall apply to each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 29 or a blanket consent to any further subcontracting.

J. In the event that County consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments and/or other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment and/or other compensation for any subcontractors or their officers, employees, and agents.

K. Contractor shall deliver to the Chief of DMH's Contracts Development and Administration Division a fully executed copy of each subcontract entered into by Contractor pursuant to this Paragraph 29, on or immediately after the effective date of the subcontract but in no event later than the date any services are performed under the subcontract.

Such Acknowledgments shall be obtained and maintained on file and made available upon request on or immediately after the commencement date of the particular subcontract but in no event later than the date such employee first performs any services under the subcontract.

M. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractor or its officers, employees, and agents.

N. Director or his designee is hereby authorized to act for and on behalf of County pursuant to this Paragraph 29, including, but not limited to, consenting to any subcontracting.

30. GOVERNING LAW, JURISDICTION AND VENUE: This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. Further, this Agreement shall be governed by, and construed in accordance with, all laws, regulations, and contractual obligations of County under its agreement with the State.

Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Contractor shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Contractor agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Contractor, whether civil or criminal initiated against Contractor, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

B. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set forth in Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 36 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

47. **RESTRICTIONS ON LOBBYING:** If any federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

48. **CERTIFICATION OF DRUG-FREE WORK PLACE:** Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five (5) days thereafter, shall notify Director in writing.

49. **COUNTY LOBBYISTS:** Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

50. **MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES:** Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 50.

51. **NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT:** Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal

income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

52. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

53. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the

Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to subcontractors of County Contractors.

54. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED

PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who

knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Attachment VII (Attestation Regarding Federally Funded Program) as part of its obligation under this Paragraph 54.

Contractor shall also comply with DMH Policy "Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts" which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three (3) business days should DMH or its representatives request it related to sanction list screening compliance.

Failure by Contractor to meet the requirements of this Paragraph 54 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

55. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996, its implementing regulations (HIPAA), and subtitle D, Privacy, of the Health Information Technology for Economic and Clinical Health Act (HITECH). Contractor understands and agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA and HITECH, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA and HITECH in all these areas and that

County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA or HITECH, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA and HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA or HITECH.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County has a Guide to Procedure Codes available at <http://lacdmh.lacounty.gov/hipaa/index.html> which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(2) County has an Electronic Data Interchange (EDI) Agreement form available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html which includes information about the applicable HIPAA transactions that can be processed in the County's claims processing information system.

(3) Contractor acknowledges that County is transitioning from the Integrated System (IS) to the Integrated Behavioral Health Information System (IBHIS) in which clinical, demographic, administrative, financial, claims, outcomes, and other information will be exchanged between DMH and contract providers exclusively through the use of EDI transactions.

(4) As County defines standard formats for each EDI transaction and determines the method by which each transaction is to be exchanged between Contractor and County, County shall notify Contractor of the effective date(s) by which Contractor shall be required to implement each newly defined EDI transaction through County's release of revised Companion Guides no less than 180 days prior to the effective date(s) upon which each newly defined EDI transaction is required, unless earlier effective date(s) are imposed by law or regulation.

(5) Contractor acknowledges that County may modify EDI transactions as needed. County shall notify Contractor of the effective date(s) by which Contractor shall be required to comply with each modified EDI transaction in accordance with County's revised EDI transaction requirements through County's release of revised Companion Guides no less than 90 days prior to the effective date(s) of each modified EDI transaction.

(6) Contractor agrees to comply with the exchange of all EDI transactions specified by County and the method by which these transactions are to be exchanged between Contractor and County as of the effective date(s) specified by County.

(7) County has a Trading Partner Agent Authorization Agreement available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website <http://dmh.lacounty.gov/wps/portal/dmh> related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

56. TECHNOLOGY REQUIREMENTS:

A. Contractor shall acquire, manage, and maintain Contractor's own information technology and systems and/or services in order to meet all functional and EDI transaction requirements as specified by County.

B. Contractor shall ensure that all individuals using electronic methods to sign electronic health records in the performance of work specified under this Agreement complete an Electronic Signature Agreement annually.

(1) Contractor shall maintain a copy of each Electronic Signature Agreement and make them available for inspection by County upon request.

(2) Contractor shall submit to County a Legal Entity Electronic Signature Certification to certify compliance with this provision of this Agreement. Contractors who implement electronic methods to sign electronic health records subsequent to the execution of this Agreement shall submit to County a Legal Entity Electronic Signature Certification immediately upon implementation.

(3) County has a Legal Entity Electronic Signature Certification and a sample Electronic Signature Agreement available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html

57. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

58. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VIII of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

59. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

60. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART

76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally

funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

61. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment IX, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

62. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld

information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

63. FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

64. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

65. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 64 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

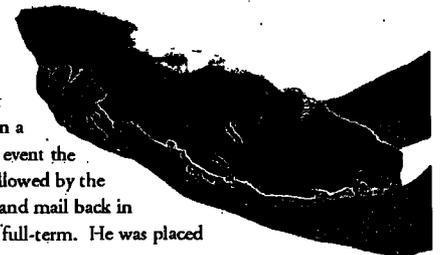

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

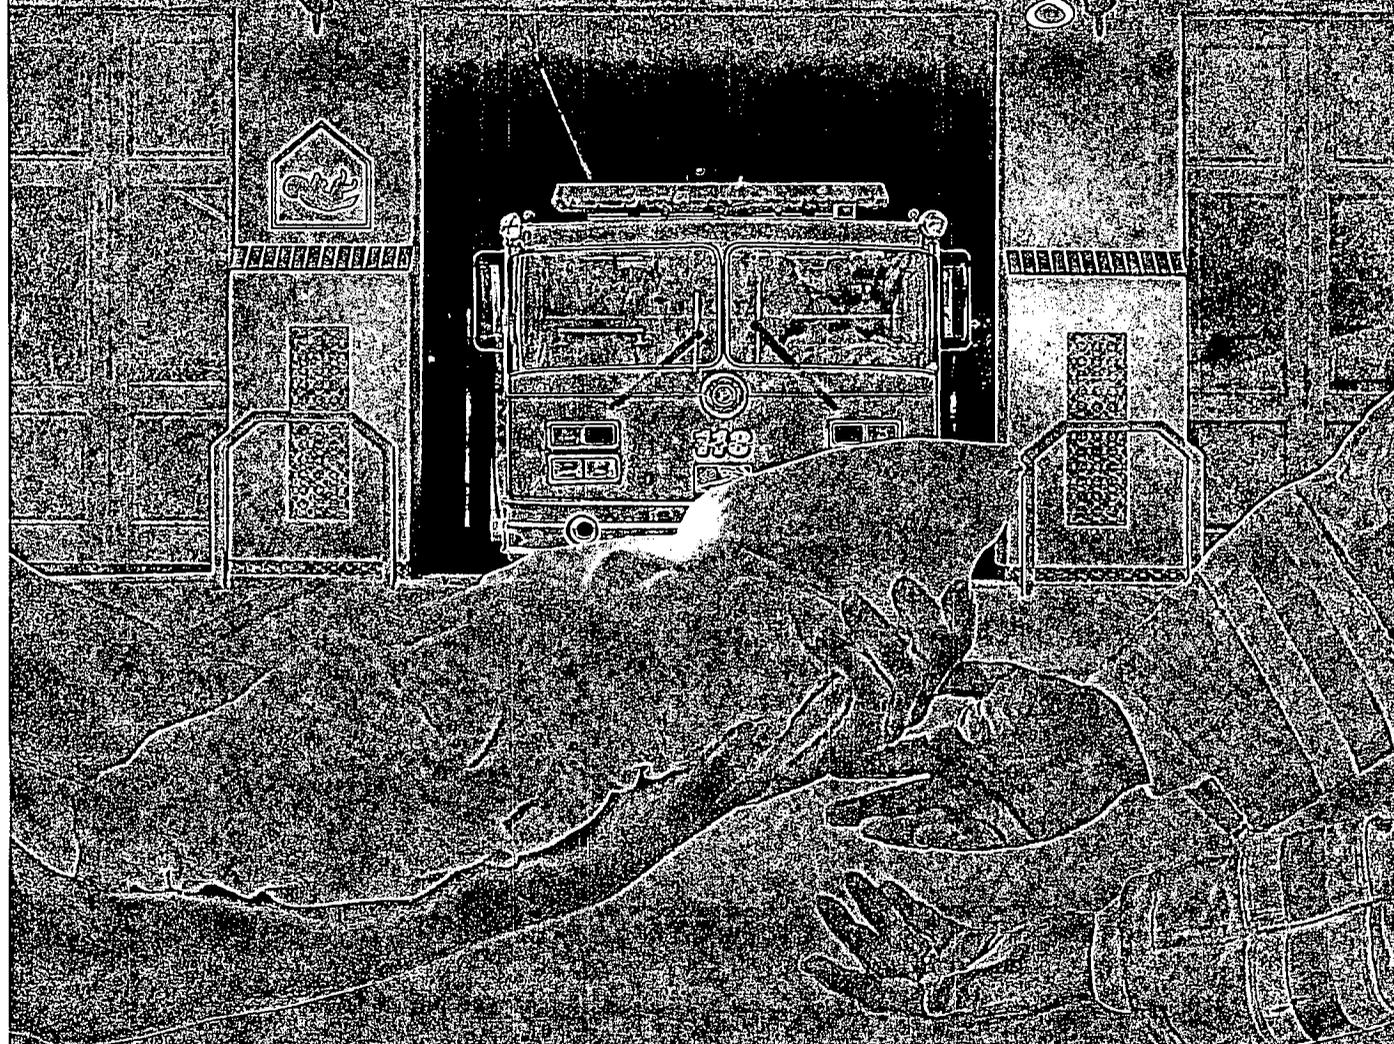

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
