Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

#25 JUNE 7, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**APPROVAL TO RENEW SIX AND SUPERSEDE THIRTY-NINE COMMUNITY CARE
RESIDENTIAL FACILITY AGREEMENTS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew 6 and supersede 39 Community Care Residential Facility agreements for basic board and care services to clients in 24-hour residential facilities.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute the renewal of six Community Care Residential Facility (CCRF) agreements as listed in Attachment I for Fiscal Years (FYs) 2011-12, 2012-13, and 2013-14, using a substantially similar Agreement format to Attachment II. The estimated annual cost of the six CCRF agreements is \$250,000 for an estimated total of \$750,000, over the three-year term, fully funded by Mental Health Services Act (MHSA) Community Services and Supports (CSS) Plan revenues.
2. Approve and authorize the Director or his designee to prepare, sign, execute, and supersede 39 CCRF agreements as listed on Attachment III, using an Agreement format substantially similar to Attachment II for FYs 2011-12 and 2012-13.
3. Delegate authority to the Director, or his designee, to prepare, sign, and execute future new agreements with other qualified and licensed CCRF providers and execute future amendments to Agreements, provided that: 1) any revision will reflect programmatic and/or policy and new agreement changes; 2) your Board has appropriated sufficient funds for all changes; 3) approval of

County Counsel, or designee, is obtained prior to any such new agreements or amendments; and 4) the Director will notify your Board and the Chief Executive Officer (CEO) of new agreements or changes in writing within 30 days after execution of each new agreement or amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is required to renew the existing six CCRF agreements which will expire on June 30, 2011. Renewal of these agreements is required to continue the provision of basic board and care services without interruption, which include personal care, protection, supervision, assistance, guidance, and training in a 24-hour residential facility.

Board approval is also required to supersede 39 CCRF agreements to ensure all recently Board-mandated added and revised contract provisions are included.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The estimated cost of the six CCRF agreements for FY 2011-12 is \$250,000, funded by MHSA CSS Plan revenues included in the Department's FY 2011-12 Recommended Budget. The CCRF services are purchased on an "as needed" basis, at rates established by the State. The agreements do not contain maximum contract amounts.

The CCRF agreements will allow the Department of Mental Health (DMH) to reimburse facility operators at the board and care rate established by the California Department of Social Services for basic board and care services, which include personal care, protection, supervision, assistance, guidance, and training in a 24-hour residential facility. If a client's eligibility for Supplemental Security Income (SSI) is established, DMH is retroactively reimbursed for the payments made to the facility operator on behalf of the SSI client.

Funding for future fiscal years will be requested through DMH's annual budget process.

For the 39 superseded agreements, funding was previously approved at the time of renewal.

There is no net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The renewal of these six CCRF agreements for FYs 2011-12, 2012-13, and 2013-14 will allow contractors to provide basic board and care services, which include personal care, supervision, assistance, guidance, and training of clients in a 24-hour operated CCRF. As part of the client's total care, arrangements are made for clients to be charged personal and incidental expenses and receive mental health services, which may be rendered at other facilities by other providers.

The attached Agreement format for the renewal and supersession has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. The Agreement format includes revised or mandated provisions for: Force Majeure; Consideration of Greater Avenues for Independence (GAIN) or General Relief Opportunities for Work (GROW) Participants for Employment; Local Small Business Enterprise Preference Program; Safely Surrendered Baby Law Fact Sheet; Indemnification and Insurance Coverage; Contractor's Obligation as a Business Associate Under the Health Insurance Portability and Accountability Act of 1996 and the Health Information Technology for Economic and Clinical Health Act (Business Associate Agreement); Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program; Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program; revised provisions on Termination without Cause; Immediate Termination by County; and Description of Services, Quality Management Program, and Contractor's Exclusion from Participation in a Federally Funded Program.

Clinical and administrative staff of DMH will continue to administer and monitor contractors' adherence to the agreements and evaluate programs to ensure that quality services are provided to clients. As mandated by your Board, performance of all contractors is evaluated by DMH on an annual basis to ensure that contractors are in compliance with all contract terms and performance standards.

CONTRACTING PROCESS

All of the six CCRF contractors have existing agreements with DMH, which will expire on June 30, 2011, and are being renewed due to the continuing need for their specialized services for Los Angeles County residents. Any licensed board and care provider can request to enter into a CCRF contract with DMH. DMH awards the contracts to all providers who are in good standing with Community Care Licensing and who are qualified to provide CCRF services. Therefore, there is no competitive solicitation process for these contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the proposed actions will allow existing contractors to provide uninterrupted and accessible mental health services to clients residing in Los Angeles County.

Once a client's SSI application has been approved, retroactive SSI payments are used to reimburse this fund.

NOW, THEREFORE, the parties hereto agree as follows:

PREAMBLE

For over a decade, the COUNTY has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the COUNTY's contracting partners share the COUNTY and community's commitment to provide health and human services that support achievement of the COUNTY's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the COUNTY by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the COUNTY Mission to enrich lives through effective and caring service and the COUNTY Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across

functional and jurisdictional boundaries, by and between COUNTY departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the COUNTY's outcomes of well-being for children and families, consensus has emerged among COUNTY and community leaders that making substantial improvements in integrating the COUNTY's health and human services system is necessary to significantly move toward achieving these outcomes. The COUNTY has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The COUNTY service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The COUNTY service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.

- ✓ In supporting families and communities, COUNTY agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ COUNTY agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ COUNTY agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ COUNTY agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ COUNTY agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The COUNTY human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the COUNTY human services system for children and families should ultimately be judged by whether it helps achieve the COUNTY's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The COUNTY, its clients, contracting partners, and the community will continue to work together to develop ways to make COUNTY services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. COUNTY departments are also working to provide the

Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The COUNTY of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all COUNTY health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The COUNTY and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. **TERM OF CONTRACT:**

A. Initial Period: The Initial Period of this Agreement shall commence on July 1, 2011 and shall continue in full force and effect through June 30, 2012.

B. Automatic Renewal Period(s): After the Initial Period, this Agreement shall be automatically renewed without further action by the parties hereto unless either party desires to terminate this Agreement at the end of the Initial Period and gives written notice to the other party not less than thirty days prior to the end of the Initial Period.

(1) First Automatic Renewal Period: If this Agreement is automatically renewed, the First Automatic Renewal Period shall commence on July 1, 2012 and shall continue in full force and effect through June 30, 2013.

(2) Second Automatic Renewal Period: If this Agreement is automatically renewed, the Second Automatic Renewal Period shall commence on July 1, 2013 and shall continue in full force and effect through June 30, 2014.

C. Termination:

(1) Notwithstanding any other provision of this Paragraph, the failure of Contractor or its officers, agents, or employees to comply with the terms of this Agreement or any directions by or on behalf of County issued pursuant thereto shall constitute a material breach hereof and the Agreement may be terminated immediately.

(2) Failure to provide or bill for services to DMH clients for a period of twelve consecutive months will result in the automatic termination of this Agreement, which shall be effective upon written notice to Contractor by DMH. County's failure to exercise this right of termination shall not constitute waiver of such right, which may be exercised at any subsequent time.

(3) In the event of termination of the Interim Funding portion of this Agreement and upon receipt by Contractor of notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all clients treated under this Agreement to other agencies for continuing care in accordance with the clients' needs. Such plans shall be approved by the Director or his authorized designee, except in such instances, as determined by Contractor, where an immediate client transfer or

referral is indicated. In such instances, Contractor may make an immediate transfer or referral.

D. **Suspension of Payments:** Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

2. **TERMINATION WITHOUT CAUSE:** This Agreement may be terminated by either party at any time without cause by giving at least 30 calendar days prior written notice to the other party.

3. **IMMEDIATE TERMINATION BY COUNTY:**

A. In addition to any other provisions for termination provided in this Agreement, this Agreement may be terminated by County immediately if County determines that:

(1) Contractor has failed to initiate delivery of services within 30 calendar days of the commencement date of this Agreement; or

(2) Contractor has failed to comply with any of the provisions of Paragraphs 12 (INDEMNIFICATION AND INSURANCE), 13 (NONDISCRIMINATION IN SERVICES), 14 (NONDISCRIMINATION IN EMPLOYMENT), 24 (CERTIFICATION OF DRUG-FREE WORK PLACE), 30 (DELEGATION AND ASSIGNMENT), 33 (CONFLICT OF INTEREST), 41 (SUBCONTRACTING), 44 (CHILD SUPPORT COMPLIANCE PROGRAM), 51 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM), 52 (WARRANTY AGAINST CONTINGENT FEES) and/or 65 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM); or

(3) In accordance with Paragraphs 35 (TERMINATION FOR DEFAULT), 36 (TERMINATION FOR IMPROPER CONSIDERATION), 37 (TERMINATION FOR INSOLVENCY), 56 (COUNTY LOBBYISTS), and/or 66 (TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM).

(4) Any termination of this Agreement by County shall be approved by County's

Board of Supervisors.

B. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 67 (NOTICES).

4. DESCRIPTION OF SERVICES: Contractor agrees to provide services as described in Exhibit H, inclusive, attached hereto and incorporated herein by reference. Services provided pursuant to Exhibit H shall be the same regardless of source of payment.

5. PAYMENT:

A. Contractor shall bill County in arrears on billing forms provided by County. All billings shall clearly reflect all required information as specified on billing forms provided by County regarding services for which claims are to be made.

Billings shall be made and forwarded to County at least monthly. Within 30 calendar days following receipt of a complete and correct billing form, County shall make payment in accordance with the approved rate of reimbursement for the period services are provided.

B. In the event Contractor provides Interim Funding Services as defined in Exhibit H, County shall reimburse Contractor at the currently approved Community Residential Care Rate. Payment shall be based on facility size and the level(s) of care for which Contractor is authorized to provide, and for which client is assessed by the Department of Mental Health's (DMH) case managers and/or staff.

Notwithstanding the foregoing, Contractor agrees that Interim Funding Services are not an entitlement program, and further agrees that only services provided for clients approved by Director or his authorized designee shall be reimbursed.

C. No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such

payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

D. Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by contractor pursuant to this Agreement.

6. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS:

(1) This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

(2) This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

(3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in this Paragraph 6 the Contractor shall continue to provide all of the services set forth in this Agreement.

(4) Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.

/

7. **ADMINISTRATION:** The Director of Mental Health (Director) shall have the authority to administer this Agreement on behalf of the County. All references to the actions or decisions to be made by the County in this Agreement shall be made by the Director unless otherwise expressly provided.

A. The Director may designate one of more persons to act as his/her designee for the purposes of administering this Agreement. Therefore "Director" shall mean "Director and/or his/her designee."

B. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

8. **PRIOR AGREEMENT(S) SUPERSEDED:** Reference is made to that (those) certain document(s) entitled:

<u>TITLE</u>	<u>COUNTY AGREEMENT NUMBER</u>	<u>DATE OF EXECUTION</u>
<u>N/A</u>	<u>N/A</u>	<u>N/A</u>
<u> </u>	<u> </u>	<u> </u>

The parties agree that the provisions of such prior Agreement(s) and all Amendments thereto, shall be entirely superseded, as of date of execution by County's Board of Supervisors, by the provisions of this Agreement.

9. **SEVERABILITY:** If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

10. **WAIVER:** No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 10 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

11. **PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor shall comply with all applicable federal, State, and County policies and procedures relating to performance standards

and outcome measures, including but not limited to those performance standards and outcome measures required by specific federal or State rules for entities receiving their funding. .

Performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by Contractor.

12. INDEMNIFICATION AND INSURANCE:

A. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Agreement.

(d) Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

Ten (10) days prior notice may be given to County in event of cancellation for non-payment of premium.

4) Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach.

5) Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

Contractor shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the County and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Subcontractor request for modification of the Required Insurance.

9) Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

10) Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

11) Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

12) Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by

the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

13) Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. 1.12 "Security Rule" means the Security Standards for the Protection of Electronic Health Information also referred to as the Security Regulations at 45 Code of Federal Regulations (C.F.R.) Part 160 and 164.

1.13 "Services" has the same meaning as in the body of this Agreement.

1.14 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.

1.15 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

This prohibition shall not effect payment by Covered Entity to Business Associate. Covered Entity shall not provide such written consent except upon express approval of the departmental privacy officer and only to the extent permitted by law, including HIPAA and the HITECH Act.

2.3 Adequate Safeguards for Protected Health Information. Business Associate:

(a) shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Business Associate Agreement. (b) as to Electronic Protected Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information; effective February 17, 2010, said safeguards shall be in accordance with 45 C.F.R. Sections 164.308, 164.310, and 164.312, and shall comply with the Security Rule's policies and procedure and documentation requirements.

(c) shall notify Covered Entity of each Breach by Business Associate, its employees,

representatives, agents or subcontractors of Unsecured Protected Health Information that is known to Business Associate or, by exercising reasonable diligence, would have been known to Business Associate. 2.4.3 Request for Delay by Law Enforcement. Business Associate may delay the notification required by section 2.4 if a law enforcement official states to Business Associate that notification would impede a criminal investigation or cause damage to national security. If the law enforcement official's statement is in writing and specifies the time for which a delay is required, Business Associate shall delay notification, notice, or posting for the time period specified by the official; if the statement is made orally, Business Associate shall document the statement, including the identity of the official making the statement, and delay the notification, notice, or posting temporarily and no longer than 30 days from the date of the oral statement, unless a written statement as described in paragraph (a) of this section is submitted during that time.

2.5 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected

Health Information by Business Associate in violation of the requirements of this Business Associate Agreement.

2.6 Breach Notification. Business Associate shall, to the extent Covered Entity determines that there has been a Breach of Unsecured Protected Health Information, provide Breach notification for each and every Breach of Unsecured Protected Health Information by Business Associate, its employees, representatives, agents or subcontractors, in a manner that permits Covered Entity to comply with its obligations under Subpart D, Notification in the Case of Breach of Unsecured PHI, of the Privacy and Security Regulations, including:

(a) Notifying each Individual whose Unsecured Protected Health Information has been, or is reasonably believed to have been, accessed, acquired, Used, or Disclosed as a result of such Breach;

(b) The notification required by paragraph (a) of this Section 2.6 shall include, to the extent possible:

(i) A brief description of what happened, including the date of the Breach and the date of the discovery of the Breach, if known;

(iv) A brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to individuals, and to protect against any further Breaches; and

(v) Contact procedures for Individual(s) to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, Web site, or postal address.

(vi) The notification required by paragraph (a) of this section shall be written in plain language.

Covered Entity, in its sole discretion, may elect to provide the notification required by this Section 2.6, and Business Associate shall reimburse Covered Entity any and all costs incurred by Covered Entity, including costs of notification, internet posting, or media publication, as a result of Business Associate's Breach of Unsecured Protected Health Information.

2.7 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.8 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity. If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

2.9 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.10 Accounting of Disclosures. Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or subcontractors, in order to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528 and/or the HITECH Act which requires an Accounting of Disclosures of Protected Health Information maintained in an Electronic Health Record for treatment, payment, and health care operations.

However, Business Associate is not required to provide an Accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Business Associate under this Section 2.10 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.10, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.10 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528. If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

2.11 Indemnification. Business Associate shall indemnify, defend, and hold harmless Covered Entity, including its elected and appointed officers, employees, and agents, from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, penalties and fines (including regulatory penalties and/or fines), and expenses (including attorney and expert witness fees), arising from or connected with Business Associate's acts and/or omissions arising from and/or relating to this

Business Associate Agreement; Business Associate's obligations under this provision extend to compliance and/or enforcement actions and/or activities, whether formal or informal, of Secretary of the federal Department of Health and Human Services and/or Office for Civil Rights.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Business Associate Agreement shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.4, 2.5, 2.6, 2.7, 2.8, 2.9, 2.10, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon either party's knowledge of a material breach by the other party, the party with knowledge of the other party's breach shall:

(a) Provide an opportunity for the breaching party to cure the breach or end the violation and terminate this Agreement if the breaching party does not cure the breach or end the violation within the time specified by the non-breaching party;

(b) Immediately terminate this Agreement if a party has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure is feasible, report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of

subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Business Associate Agreement.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Business Associate Agreement is contrary to another provision of this Agreement, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy or Security Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.

5.6 Amendment. The parties agree to take such action as is necessary to amend this

Business Associate Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations and other privacy laws governing Protected Health Information.

59. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract

Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

60. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit D of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

61. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor

with the poster to be used.

62. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit G, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

63. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Office of Affirmative Action Compliance of this information prior to responding to a solicitation or accepting a contract award.

64. FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those describe above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default be a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either or them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this sub-paragraph, the term "subcontractor" and subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

/

65. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

66. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 65 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

* Service Exhibit 1011 is Mental Health 24-Hour Services Interim Placement Funding for Basic Care Services.

** Funding for clients in these residential placements has been included in DMH's 2010-11CEO Proposed Budget. DMH funds the Interim Funding (IF) Program through a revolving fund, which reimburses operators for a client's room and board and personal and incidental expenses, at the rate established by the California State Department of Social Services for board and care facilities, prior to the establishment of Supplemental Security Income (SSI) eligibility. Once a client's SSI application has been approved, retroactive SSI payments are used to reimburse this fund.
