BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

45 JUNE 9, 2009

SACHIA HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO RENEW 71 LEGAL ENTITY AGREEMENTS
FOR FISCAL YEARS 2009-10, 2010-11, AND 2011-12
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew 71 Legal Entity Agreements for contract service providers whose agreements will expire on June 30, 2009.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute 71 Department of Mental Health (DMH) Legal Entity (LE) Agreements, in the estimated Maximum Contract Amounts (MCAs) as listed in Attachment I and in a form substantially similar to the agreement format in Attachment II, provided that the Director of Mental Health, or his designee, may adjust the final MCAs to reflect: 1) changes resulting from the Final Budget adopted by your Board; 2) changes resulting from further State or federal actions; and/or 3) modifications required to accommodate the change in the Financial Summary from individual funding sources to gross program dollars. The current agreements with these 71 contract providers will expire on June 30, 2009. The term of the 71 LE Agreements will be effective July 1, 2009, through June 30, 2010, with a provision for two subsequent one-year renewal periods.

"To Enrich Lives Through Effective And Caring Service"

2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to these LE Agreements, provided that: 1) the County's total payments to a contractor under each agreement do not exceed a 20 percent increase from the applicable Board-approved annual MCA and the Institutions for Mental Disease per diem rate increases do not exceed the rates per the State directive; 2) any such increase is used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval by County Counsel and the Chief Executive Officer (CEO), or designees, is obtained prior to any such amendment; 5) County and contractor may, by written amendments, reduce programs or services and revise the applicable MCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH stakeholders' process; and 6) the Director of Mental Health shall notify the Board of Supervisors of agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval will allow DMH to enter into new LE Agreements with 71 contract agencies whose current LE Agreements are due to expire on June 30, 2009. Continuation of services with these contractors is necessary to provide continuous, uninterrupted mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed (SED) children, adolescents, and their families throughout the County of Los Angeles.

The new LE Agreements reflect changes to the financial provisions of the Agreement to facilitate State requirements for DMH to make its Certified Public Expenditure (CPE) attestation when claims are submitted, thus allowing DMH to draw down federal funds in a more timely manner. These changes include:

- A revision in payment procedures to pay Medi-Cal claims based on submitted units of service instead of State adjudicated claims; payments for claims that are ultimately denied by the State will be deducted from future payments until and unless the contractor resubmits those claims as Medi-Cal claims (e.g., when the claim was rejected because of an error) or resubmits the claims to the appropriate program authorized in the contract (e.g., non Medi-Cal services);

- A revision to the Shift of County General Funds (CGF) language which will allow contractor to shift up to 15 percent of CGF with prior DMH approval and through an administrative amendment;
- Changes the Financial Summary to eliminate the individual funding sources and to provide gross program dollars for the various funded programs;
- The Cash Flow Advance (CFA) recovery period will be extended up to nine months following the close of the fiscal year. The previous language required CFA recovery by the end of the third month following the close of the fiscal year; and
- The Rate Setting process and Rate Page will now be part of DMH's "Provisional Rate Setting" policy instead of the LE Agreement. Reference is made to this policy in the financial provisions.

These changes will allow DMH to return to a single certification on Medi-Cal claims that includes both the statement of eligibility/necessity and the statement that the County has incurred the CPE, thereby eliminating the current two-step process that has been in effect since the Centers for Medicaid and Medicare Services informed the State in February 2008 that the previous certification was insufficient. It will also eliminate impediments to DMH making its CPE that have been created as a result of the contractor's ability to shift funds without prior approval and as a result of unknown changes in beneficiary status at the time of service.

DMH is requesting Board authority to modify the MCA prior to finalizing the LE Agreements to allow for adjustments that may be required as a result of changes from the Proposed Budget due to the adoption of the Final Budget; changes that may be necessary as a result of further State or federal actions and modifications to accommodate the revision in the Financial Summary from individual funding sources to gross programmatic dollars. Upon execution of the LE Agreements, DMH will report to your Board the final MCA for each LE Agreement.

Implementation of Strategic Plan Goals

The recommended actions are consistent with County Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The FY 2009-10 annual MCA for each LE Agreement, as shown in Attachment I, is estimated based on the amounts contained in the Proposed Budget and funded from the following sources:

1) State Revenues (including Mental Health Services Act)	\$ 141,500,833
2) Federal Revenues	221,369,617
3) Intrafund Transfers	15,100,741
4) NCC/Sales Tax Realignment	<u>55,779,865</u>
Total	<u>\$ 433,751,056</u>

The final FY 2009-10 MCAs may be adjusted prior to execution of the LE Agreements by the Director or his designee based on budgetary factors including the Final Budget adopted by your Board and further State and federal budgetary actions, as well as modifications that may be required to accommodate the changes in the Financial Summary. The Department will report to your Board the final MCAs upon adoption of the Final Budget.

Funding for FYs 2010-11 and 2011-12, as shown in Attachment I, is subject to appropriation of funding by the Board in the budget process for those fiscal years. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These LE Agreements with mental health services contractors provide for a broad range of mental health services to severely and persistently mentally ill adults, SED children, adolescents, and their families, pursuant to the California Welfare and Institutions Code (WIC), Division 5, Part 2, Chapter 1, Section 5602. These mental health services include, but are not limited to, diagnosis, evaluation, treatment, day care, respite care, living arrangements, community skill training, referrals, consultation, and community services.

The attached Agreement format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. The Agreement format includes a new provision on Force Majeure and revised mandated provisions on Consideration of Greater Avenues for Independence (GAIN) or General Relief Opportunities for Work (GROW) Participants for Employment and Indemnification and Insurance.

Clinical and administrative staff of DMH will continue to administer and monitor contractors' adherence to the Agreements, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

Attachment I lists the 71 LE Agreements specifying the contractors, Supervisorial Districts, Agreement terms, and estimated MCA per fiscal year for each Agreement.

Attachment II is the newly revised LE Agreement format.

Attachment III details the Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form – Contract Listing with Minority/Women-Owned Firms.

CONTRACTING PROCESS

All of the 71 contractors have existing agreements with DMH that will expire on June 30, 2009 and are being renewed because of the continuing need for their services. As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors' compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES

The execution of new agreements with these 71 contractors will allow for continued and uninterrupted mental health services to existing mental health clients throughout Los Angeles County.

24 NOW, THEREFORE, Contractor and County agree as follows:

25 **PREAMBLE**

26 For over a decade, the County has collaborated with its community partners to
27 enhance the capacity of the health and human services system to improve the lives of
28 children and families. These efforts require, as a fundamental expectation, that the
29 County's contracting partners share the County and community's commitment to provide
30 health and human services that support achievement of the County's vision, goals, values,

1 and adopted outcomes. Key to these efforts is the integration of service delivery systems
2 and the adoption of the Customer Service and Satisfaction Standards.

3 The County of Los Angeles' Vision is to improve the quality of life in the County by
4 providing responsive, efficient, and high quality public services that promote the self-
5 sufficiency, well-being and prosperity of individuals, families, businesses and communities.
6 This philosophy of teamwork and collaboration is anchored in the shared values of:

- 7
- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |
- 8

9 These shared values are encompassed in the County Mission to enrich lives
10 through effective and caring service and the County Strategic Plan's eight goals:
11 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal
12 Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health
13 and Mental Health; and 8) Public Safety. Improving the well-being of children and families
14 requires coordination, collaboration, and integration of services across functional and
15 jurisdictional boundaries, by and between County departments/agencies, and community
16 and contracting partners.

17 The basic conditions that represent the well-being we seek for all children and
18 families in Los Angeles County are delineated in the following five outcomes, adopted by
19 the Board of Supervisors in January 1993.

- 20
- 21 • Good Health;
 - 22 • Economic Well-Being;
 - 23 • Safety and Survival;
 - 24 • Emotional and Social Well-Being; and
 - Education and Workforce Readiness.

25 Recognizing no single strategy - in isolation - can achieve the County's outcomes of
26 well-being for children and families, consensus has emerged among County and
27 community leaders that making substantial improvements in integrating the County's
28 health and human services system is necessary to significantly move toward achieving
29 these outcomes. The County has also established the following values and goals for

1 guiding this effort to integrate the health and human services delivery system:

- 2 ✓ Families are treated with respect in every encounter they have with the health,
3 educational, and social services systems.
- 4 ✓ Families can easily access a broad range of services to address their needs,
5 build on their strengths, and achieve their goals.
- 6 ✓ There is no "wrong door": wherever a family enters the system is the right
7 place.
- 8 ✓ Families receive services tailored to their unique situations and needs.
- 9 ✓ Service providers and advocates involve families in the process of determining
10 service plans, and proactively provide families with coordinated and
11 comprehensive information, services, and resources.
- 12 ✓ The County service system is flexible, able to respond to service demands for
13 both the Countywide population and specific population groups.
- 14 ✓ The County service system acts to strengthen communities, recognizing that
15 just as individuals live in families, families live in communities.
- 16 ✓ In supporting families and communities, County agencies work seamlessly with
17 public and private service providers, community-based organizations, and
18 other community partners.
- 19 ✓ County agencies and their partners work together seamlessly to demonstrate
20 substantial progress towards making the system more strength-based, family-
21 focused, culturally-competent, accessible, user-friendly, responsive, cohesive,
22 efficient, professional, and accountable.
- 23 ✓ County agencies and their partners focus on administrative and operational
24 enhancements to optimize the sharing of information, resources, and best
25 practices while also protecting the privacy rights of families.
- 26 ✓ County agencies and their partners pursue multi-disciplinary service delivery, a
27 single service plan, staff development opportunities, infrastructure
28 enhancements, customer service and satisfaction evaluation, and revenue
29 maximization.
- 30 ✓ County agencies and their partners create incentives to reinforce the direction

1 toward service integration and a seamless service delivery system.

- 2 ✓ The County human service system embraces a commitment to the disciplined
3 pursuit of results accountability across systems. Specifically, any strategy
4 designed to improve the County human services system for children and
5 families should ultimately be judged by whether it helps achieve the County's
6 five outcomes for children and families: good health, economic well-being,
7 safety and survival, emotional and social well-being, and education and
8 workforce readiness.

9 The County, its clients, contracting partners, and the community will continue to
10 work together to develop ways to make County services more accessible, customer
11 friendly, better integrated, and outcome-focused. Several departments have identified
12 shared themes in their strategic plans for achieving these goals including: making an effort
13 to become more consumer/client-focused; valuing community partnerships and
14 collaborations; emphasizing values and integrity; and using a strengths-based and multi-
15 disciplinary team approach. County departments are also working to provide the Board of
16 Supervisors and the community with a better understanding of how resources are being
17 utilized, how well services are being provided, and what are the results of the services: is
18 anyone better off?

19 The County of Los Angeles health and human service departments and their
20 partners are working together to achieve the following **Customer Service And**
21 **Satisfaction Standards** in support of improving outcomes for children and families.

22 Personal Service Delivery

23 The service delivery team – staff and volunteers – will treat customers and each
24 other with courtesy, dignity, and respect.

- 25 • Introduce themselves by name
26 • Listen carefully and patiently to customers
27 • Be responsive to cultural and linguistic needs
28 • Explain procedures clearly
29 • Build on the strengths of families and communities

30 Service Access

31 Service providers will work proactively to facilitate customer access to services.

- 32 • Provide services as promptly as possible

- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

27 immediate and appropriate plans to transfer or refer all patients/clients receiving services
28 under this Agreement to other agencies for continuing services in accordance with the
29 patient's/client's needs. Such plans shall be subject to prior written approval of Director or
30 his designee, except that in specific cases, as determined by Contractor, where an

1 immediate patient/client transfer or referral is indicated, Contractor may make an
2 immediate transfer or referral. If Contractor terminates this Agreement, all costs related to
3 all such transfers or referrals as well as all costs related to all continuing services shall not
4 be a charge to this Agreement nor reimbursable in any way under this Agreement; and

5 (3) If Contractor is in possession of any equipment, furniture, removable
6 fixtures, materials, or supplies owned by County as provided in Paragraph 45
7 (PURCHASES), the same shall be immediately returned to County.

8 (4) Any termination of this Agreement by County shall be approved by

19 for the purposes of administering this Agreement. Therefore "Director" shall mean

27 the same regardless of the patient's/client's ability to pay or source of payment.

28 Contractor shall be responsible for delivering services to new clients to the extent
29 that funding is provided by County. Where Contractor determines that services to new
30 clients can no longer be delivered, Contractor shall provide 30 calendar days prior notice

1 to County. Contractor shall also thereafter make referrals of new clients to County or other
2 appropriate agencies.

3 Contractor shall not be required to provide the notice in the preceding paragraph

19 submit a written request to Director for written approval before any such substantial
20 deviation may occur. A 30% variance of actual services from those projected and shown
21 by Contractor in the Negotiation Package will be considered a substantial deviation in
22 service delivery.

23 6. FINANCIAL PROVISIONS: In consideration of services and/or activities provided

19 others in determining admission, enrollment, eligibility, membership, or any other
20 requirement or condition which persons must meet in order to be provided any service or

12 complaint procedures described in the above paragraph. A copy of such complaint
13 procedures shall be posted by Contractor in each of Contractor's facilities where services
14 are provided under this Agreement in a conspicuous place, available and open to the

16 19. NONDISCRIMINATION IN EMPLOYMENT:

23 Paragraph 19 to labor organizations with which it has a collective bargaining or other
24 agreement.

25 D. Contractor shall allow County representatives access to its employment
26 records during regular business hours to verify compliance with the provisions of this
27 Paragraph 19 when so requested by Director.

28 E. If County finds that any of the above provisions has been violated, the same
29 shall constitute a material breach of this Agreement upon which County may immediately
30 terminate or suspend this Agreement. While County reserves the right to determine

1 independently that the anti-discrimination provisions of this Agreement have been violated.
2 In addition, a determination by the California Fair Employment Practices Commission or
3 the Federal Equal Employment Opportunity Commission that Contractor has violated State
4 or Federal anti-discrimination laws or regulations shall constitute a finding by County that
5 Contractor has violated the anti-discrimination provisions of this Agreement.

6 F. In the event that Contractor violates any of the anti-discrimination provisions
7 of this Paragraph 19, County shall be entitled, at its option, to the sum of FIVE HUNDRED

12 County, its officers, employees, and agents, from any and all liability, including, but not
13 limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys'
14 fees arising under any wage and hour law, including, but not limited to, the Federal Fair
15 Labor Standards Act, for services performed by Contractor's employees for which County
16 may be found jointly or solely liable.

17 21. INDEMNIFICATION AND INSURANCE:

18 A. Indemnification: Contractor shall indemnify, defend and hold harmless the
19 County, its Special Districts, elected and appointed officers, employees, and agents from

21 costs, and expenses (including attorney and expert witness fees), arising from or
22 connected with the Contractor's acts and/or omissions arising from and/or relating to this
23 Agreement.

24 B. General Provisions for all Insurance Coverage: Without limiting Contractor's
25 indemnification of County, and in the performance of this Agreement and until all of its
26 obligations pursuant to this Agreement have been met, Contractor shall provide and
27 maintain at its own expense insurance coverage satisfying the requirements specified in
28 Subparagraphs B. and C. of this Paragraph 21. These minimum insurance coverage
29 terms, types and limits (the "Required Insurance") also are in addition to and separate
30 from any other contractual obligation imposed upon Contractor pursuant to this

1 Agreement. The County in no way warrants that the Required Insurance is sufficient to
2 protect the Contractor for liabilities which may arise from or relate to this Agreement.

3 1) Evidence of Coverage and Notice to County

4 (a) Certificate(s) of insurance coverage (Certificate) satisfactory to
5 County, and a copy of an Additional Insured endorsement confirming County and its

The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be solely liable and responsible for furnishing any and all workers' compensation benefits to any person as a result of any injuries arising from or connected with any services performed by or on behalf of Contractor pursuant to this Agreement.

1 D. Contractor shall obtain and maintain on file an executed Contractor

21 position. If contractor decides to pursue consideration of GAIN/GROW participants for
22 hiring, Contractor shall provide information regarding job openings and job requirements to
23 Department of Public Social Services' GAIN/GROW staff at
24 GAINGROW@dpss.lacounty.gov. County will refer GAIN/GROW participants, by job
25 category, to contractor.

26 Note: In the event that both laid-off County employees and GAIN/GROW participants are
27 available for hiring, County employees shall be given first priority.

28 28. DELEGATION AND ASSIGNMENT BY CONTRACTOR:

29 A. Contractor shall not assign its rights or delegate its duties under this
30 Agreement, or both, whether in whole or in part, without the prior written consent of

1 County, in its discretion, and any attempted assignment or delegation without such
2 consent shall be null and void. For purposes of this paragraph, County consent shall
3 require a written amendment to this Agreement, which is formally approved and executed
4 by the parties. Any payments by County to any approved delegate or assignee on any
5 claim under this Agreement shall be deductible, at County's sole discretion, against the
6 claims which Contractor may have against County.

7 B. Shareholders, partners, members, or other equity holders of Contractor may
8 transfer, sell, exchange, assign, or divest themselves of any interest they may have in
9 Contractor. However, in the event any such sale, transfer, exchange, assignment, or
10 divestment is effected in such a way as to give majority control of Contractor to any
11 person(s), corporation, partnership, or entity other than the majority controlling interest
12 therein at the time of execution of this Agreement, such disposition shall be deemed an
13 assignment requiring the prior written consent of County in accordance with applicable
14 provisions of this Agreement.

15 C. Any assumption, assignment, delegation, or takeover of any of the
16 Contractor's duties, responsibilities, obligations, or performance of same by any entity
17 other than the Contractor, whether through assignment, subcontract, delegation, merger,
18 buyout, or any other mechanism, with or without consideration for any reason whatsoever
19 without County's express prior written approval, shall be a material breach of this
20 Agreement which may result in the termination of this Agreement. In the event of such
21 termination, County shall be entitled to pursue the same remedies against Contractor as it
22 could pursue in the event of default by Contractor.

23 29. SUBCONTRACTING:

24 A. No performance of this Agreement, or any portion thereof, shall be
25 subcontracted by Contractor without the prior written consent of County as provided in this
26 Paragraph 29. Any attempt by Contractor to subcontract any performance, obligation, or
27 responsibility under this Agreement, without the prior written consent of County, shall be
28 null and void and shall constitute a material breach of this Agreement. Notwithstanding
29 any other provision of this Agreement, in the event of any such breach by Contractor, this
30 Agreement may be terminated forthwith by County. Notwithstanding any other provision of

1 this Agreement, the parties do not in any way intend that any person or entity shall acquire
2 any rights as a third party beneficiary of this Agreement.

3 B. If Contractor desires to subcontract any portion of its performance,
4 obligations, or responsibilities under this Agreement, Contractor shall make a written
5 request to County for written approval to enter into the particular subcontract. Contractor's

19 prime contract."

20 (6) A copy of the proposed subcontract, if in excess of \$10,000 and
21 utilizes public funds, shall also contain the following provision:

22 "The contracting parties shall be subject to the examination and audit of the
23 State Auditor, pursuant to the California Government Code, Section
24 8546.7, for a period of seven (7) years from the end of the Fiscal Year in
25 which such services were provided or until final resolution of any audits,
26 whichever occurs later."

27 Further, the Contractor will also be subject to the examination and
28 audit of the State Auditor, pursuant to the Government Code, Section 8546.7, for a period
29 of seven (7) years from the end of the Fiscal Year in which such services were provided or
30 until final resolution of any audits, which ever occurs later.

1 (7) Any other information and/or certifications requested by County.

2 C. County shall review Contractor's request to subcontract and shall determine,
3 in its sole discretion, whether or not to consent to such request on a case-by-case basis.

4 D. Contractor shall indemnify and hold harmless County, its officers,
5 employees, and agents, from and against any and all liability, damages, costs, and
6 expenses, including, but not limited to, defense costs and legal fees, arising from or
7 related to Contractor's use of any subcontractor, including any officers, employees, or
8 agents of any subcontractor, in the same manner as required for Contractor, its officers,
9 employees, and agents, under this Agreement.

10 E. Notwithstanding any County consent to any subcontracting, Contractor shall
11 remain fully liable and responsible for any and all performance required of it under this
12 Agreement, and no subcontract shall bind or purport to bind County. Further, County
13 approval of any subcontract shall not be construed to limit in any way Contractor's
14 performance, obligations, or responsibilities, to County, nor shall such approval limit in any
15 way any of County's rights or remedies contained in this Agreement. Additionally, County
16 approval of any subcontract shall not be construed in any way to constitute the
17 determination of the allowability or appropriateness of any cost or payment under this
18 Agreement.

19 F. In the event that County consents to any subcontracting, such consent shall
20 be subject to County's right to give prior and continuing approval of any and all
21 subcontractor personnel providing services under such subcontract. Contractor shall
22 assure that any subcontractor personnel not approved by County shall be immediately
23 removed from the provision of any services under the particular subcontract or that other
24 action is taken as requested by County. County shall not be liable or responsible in any
25 way to Contractor, to any subcontractor, or to any officers, employees, or agents of
26 Contractor or any subcontractor, for any liability, damages, costs or expenses arising from
27 or related to County's exercise of such right.

28 G. In the event that County consents to any subcontracting, such consent shall
29 be subject to County's right to terminate, in whole or in part, any subcontract at any time
30 upon written notice to Contractor when such action is deemed by County to be in its best

1 interest. County shall not be liable or responsible in any way to Contractor, to any
2 subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor,
3 for any liability, damages, costs, or expenses arising from or related to County's exercise
4 of such right.

5 H. In the event that County consents to any subcontracting, each and all of the
6 provisions of this Agreement and any amendment thereto shall extend to, be binding
7 upon, and inure to the benefit of, the successors or administrators of the respective
8 parties.

9 I. In the event that County consents to any subcontracting, such consent shall
10 apply to each particular subcontract only and shall not be, or be construed to be, a waiver
11 of this Paragraph 29 or a blanket consent to any further subcontracting.

12 J. In the event that County consents to any subcontracting, Contractor shall be
13 solely liable and responsible for any and all payments and/or other compensation to all
14 subcontractors and their officers, employees, and agents. County shall have no liability or
15 responsibility whatsoever for any payment and/or other compensation for any
16 subcontractors or their officers, employees, and agents.

17 K. Contractor shall deliver to the Chief of DMH's Contracts Development and
18 Administration Division a fully executed copy of each subcontract entered into by
19 Contractor pursuant to this Paragraph 29, on or immediately after the effective date of the
20 subcontract but in no event later than the date any services are performed under the
21 subcontract.

22 L. In the event that County consents to any subcontracting, Contractor shall
23 obtain and maintain on file an executed Subcontractor Employee Acknowledgment of
24 Employer, in the form as contained in Contractor's Negotiation Package for the
25 Agreement, for each of the subcontractor's employees performing services under the
26 subcontract. Such Acknowledgments shall be obtained and maintained on file and made
27 available upon request on or immediately after the commencement date of the particular
28 subcontract but in no event later than the date such employee first performs any services
29 under the subcontract.

30 M. County shall have no liability or responsibility whatsoever for any payment or

1 other compensation for any subcontractor or its officers, employees, and agents.

2 N. Director or his designee is hereby authorized to act for and on behalf of
3 County pursuant to this Paragraph 29, including, but not limited to, consenting to any
4 subcontracting.

5 30. GOVERNING LAW, JURISDICTION AND VENUE: This Agreement shall be
6 governed by, and construed in accordance with, the laws of the State of California.
7 Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of

1 organization's stewardship, financial position and/or ability to perform and deliver services
2 under this contract.

3 32. THIRD PARTY BENEFICIARIES: Notwithstanding any other provision of this
4 Agreement, the parties do not in any way intend that any person or entity shall acquire any
5 rights as a third party beneficiary of this Agreement.

28 Program: Contractor acknowledges that County has established a goal of ensuring that all
29 individuals who benefit financially from County through contract are in compliance with
30 their court-ordered child, family, and spousal support obligations in order to mitigate the

2 As required by County's Child Support Compliance Program (County Code

10 (1) If, as determined in the sole judgment of County, Contractor fails to
11 perform any services within the times specified in this Agreement or any extension thereof
12 as County may authorize in writing; or

13 (2) If, as determined in the sole judgment of County, Contractor fails to
14 perform and/or comply with any of the other provisions of this Agreement or so fails to
15 make progress as to endanger performance of this Agreement in accordance with its
16 terms, and in either of these two circumstances, does not cure such failure within a period

1 the intent of securing the Agreement or securing favorable treatment with respect to the
2 award, amendment or extension of the Agreement or the making of any determinations
3 with respect to the Contractor's performance pursuant to the Agreement. In the event of
4 such termination, County shall be entitled to pursue the same remedies against Contractor
5 as it could pursue in the event of default by the Contractor.

6 Contractor shall immediately report any attempt by a County officer or employee to
7 solicit such improper consideration. The report shall be made either to the County
8 manager charged with the supervision of the employee or to the County Auditor-

22 effective unless made in the form of a written amendment to this Agreement which is

2 supersedes all previous agreements, written or oral, and all other communications
3 between the parties relating to the subject matter of this Agreement. In the event of any
4 conflict or inconsistency in the definition or interpretation of any word, responsibility, or
5 schedule, or the contents or description of any service or other work, or otherwise,
6 between the body of this Agreement and the other referenced documents, or between

9 documents according to the following priority:

- 10 A. Financial Exhibit A (Financial Provisions)
- 11 B. Financial Summary(ies)
- 12 C. Service Delivery Site Exhibit
- 13 D. Service Exhibit(s)

15 42. WAIVER: No waiver by County of any breach of any provision of this Agreement

18 make a written report thereof, including a report of the results of any investigation which
19 may be made. In the event of any damage or loss of any item of furniture, fixtures,

22 criminal drug statute violation occurring at any such facility or work site, then Contractor,
23 within five (5) days thereafter, shall notify Director in writing.

24 49. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying
25 firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor,
26 shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter
27 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm
28 retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a
29 material breach of this Agreement upon which County may immediately terminate or
30 suspend this Agreement.

1 50. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor
2 shall assure that all locations where services are provided under this Agreement are
3 operated at all times in accordance with all County community standards with regard to
4 property maintenance and repair, graffiti abatement, refuse removal, fire safety,

13 52. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board
14 of Supervisors' policy to reduce the amount of solid waste deposited at the County
15 landfills, the Contractor agrees to use recycled-content paper to the maximum extent
16 possible on the Project.

17 53. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following
18 requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title
19 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the
20 extent applicable State and/or Federal laws are inconsistent with the terms of the
21 Ordinance.

22 A. A responsible Contractor is a Contractor who has demonstrated the attribute
23 of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily
24 perform the contract. It is the County's policy to conduct business only with responsible
25 contractors.

26 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of
27 the County Code, if the County acquires information concerning the performance of the
28 Contractor on this or other Agreements which indicates that the Contractor is not
29 responsible, the County may, in addition to other remedies provided in the Agreement,
30 debar the Contractor from bidding or proposing on, or being awarded, and/or performing

1 work on County Agreements for a specified period of time, which generally will not exceed
2 five years but may exceed five years or be permanent if warranted by the circumstances,
3 and terminate any or all existing Agreements the Contractor may have with the County.

4 C. The County may debar a Contractor if the Board of Supervisors finds, in its
5 discretion, that the Contractor has done any of the following: (1) violated a term of an
6 Agreement with the County or a nonprofit corporation created by the County;
7 (2) committed an act or omission which negatively reflects on the Contractor's quality,
8 fitness or capacity to perform a contract with the County, any other public entity, or a
9 nonprofit corporation created by the County, or engaged in a pattern or practice which
10 negatively reflects on same; (3) committed an act or offense which indicates a lack of
11 business integrity or business honesty, or (4) made or submitted a false claim against the
12 County or any other public entity.

13 D. If there is evidence that the Contractor may be subject to debarment, the
14 Department will notify the Contractor in writing of the evidence which is the basis for the
15 proposed debarment and will advise the Contractor of the scheduled date for a debarment
16 hearing before the Contractor Hearing Board.

17 E. The Contractor Hearing Board will conduct a hearing where evidence on the
18 proposed debarment is presented. The Contractor and/or the Contractor's representative
19 shall be given an opportunity to submit evidence at that hearing. After the hearing, the
20 Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain
21 a recommendation regarding whether the contractor should be debarred, and, if so, the
22 appropriate length of time of the debarment. The Contractor and the Department shall be
23 provided an opportunity to object to the tentative proposed decision prior to its
24 presentation to the Board of Supervisors.

25 F. After consideration of any objections, or if no objections are submitted, a
26 record of the hearing, the proposed decision and any other recommendation of the
27 Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of
28 Supervisors shall have the right to modify, deny or adopt the proposed decision and
29 recommendation of the Hearing Board.

30 G If a Contractor has been debarred for a period longer than five (5) years, that

1 Contractor may, after the debarment has been in effect for at least five (5) years, submit a
2 written request for review of the debarment determination to reduce the period of
3 debarment or terminate the debarment. The County may, in its discretion, reduce the
4 period of debarment or terminate the debarment if it finds that the Contractor has
5 adequately demonstrated one or more of the following: (1) elimination of the grounds for
6 which the debarment was imposed; (2) a bona fide change in ownership or management;
7 (3) material evidence discovered after debarment was imposed; or (4) any other reason
8 that is in the best interests of the County.

9 H. The Contractor Hearing Board will consider a request for review of a
10 debarment determination only where (1) the Contractor has been debarred for a period
11 longer than five (5) years; (2) the debarment has been in effect for at least five (5) years;
12 and (3) the request is in writing, states one or more of the grounds for reduction of the
13 debarment period or termination of the debarment, and includes supporting
14 documentation. Upon receiving an appropriate request, the Contractor Hearing Board will
15 provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board
16 shall conduct a hearing where evidence on the proposed reduction of debarment period or
17 termination of debarment is presented. This hearing shall be conducted and the request
18 for review decided by the Contractor Hearing Board pursuant to the same procedures as
19 for a debarment hearing.

20 The Contractor Hearing Board's proposed decision shall contain a
21 recommendation on the request to reduce the period of debarment or terminate the
22 debarment. The Contractor Hearing Board shall present its proposed decision and
23 recommendation to the Board of Supervisors. The Board of Supervisors shall have the
24 right to modify, deny, or adopt the proposed decision and recommendation of the
25 Contractor Hearing Board.

26 I. These terms shall also apply to subcontractors of County Contractors.

27 54. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY
28 FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff
29 members is restricted or excluded from providing services under any health care program
30 funded by the Federal government, directly or indirectly, in whole or in part, and that

1 Contractor will notify Director within 30 calendar days in writing of: (1) any event that would
2 require Contractor or a staff member's mandatory exclusion from participation in a
3 Federally funded health care program; and (2) any exclusionary action taken by any
4 agency of the Federal government against Contractor or one or more staff members
5 barring it or the staff members from participation in a Federally funded health care
6 program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

7 There are a variety of different reasons why an individual or entity may be excluded
8 from participating in a Federally funded health care program. Sometimes, the exclusion is
9 mandatory and in other cases the Office of Inspector General (OIG) has the discretion not
10 to exclude.

11 The mandatory bases for exclusion include: (1) felony convictions for program
12 related crimes, including fraud or false claims, or for offenses related to the dispensing or
13 use of controlled substances, or (2) convictions related to patient abuse.

14 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to
15 fraud or financial misconduct involving a government program; (2) obstructing an
16 investigation; (3) failing to provide access to documents or premises as required by federal
17 health care program officials; (4) conviction of a misdemeanor related to controlled
18 substances; (5) failing to disclose information about the entity itself, its subcontractors or
19 its significant business transactions; (6) loss of a state license to practice a health care
20 profession; (7) default on a student loan given in connection with education in a health
21 profession; (8) charging excessive amounts to a Federally funded health care program or
22 furnishing services of poor quality or which are substantially in excess of the needs of the
23 patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons
24 controlling or managing excluded entities who knew of the conduct leading to the exclusion
25 can themselves be excluded, and entities which are owned and controlled by excluded
26 individuals can also be excluded.

27 Contractor shall indemnify and hold County harmless against any and all loss or
28 damage County may suffer arising from any Federal exclusion of Contractor or its staff
29 members from such participation in a Federally funded health care program. Contractor
30 shall provide the certification set forth in Attachment VI as part of its obligation under this

1 Paragraph 54.

2 Failure by Contractor to meet the requirements of this Paragraph 54 shall constitute
3 a material breach of Agreement upon which County may immediately terminate or
4 suspend this Agreement.

5 55. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

6 A. The parties acknowledge the existence of the Health Insurance Portability
7 and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor
8 understands and agrees that it is a "*Covered Entity*" under HIPAA and, as such, has
9 obligations with respect to the confidentiality, privacy, and security of patients' medical
10 information, and must take certain steps to preserve the confidentiality of this information,
11 both internally and externally, including the training of staff and the establishment of proper
12 procedures for the release of such information, including the use of appropriate consents
13 and authorizations specified under HIPAA.

14 B. The parties acknowledge their separate and independent obligations with
15 respect to HIPAA, and that such obligations relate to *transactions and code sets, privacy,*
16 *and security.* Contractor understands and agrees that it is separately and independently
17 responsible for compliance with HIPAA in all these areas and that County has not
18 undertaken any responsibility for compliance on Contractor's behalf. Contractor has not
19 relied, and will not in any way rely, on County for legal advice or other representations with
20 respect to Contractor's obligations under HIPAA, but will independently seek its own
21 counsel and take the necessary measures to comply with the law and its implementing
22 regulations.

23 C. Contractor and County understand and agree that each is independently
24 responsible for HIPAA compliance and agree to take all necessary and reasonable actions
25 to comply with the requirements of HIPAA law and implementing regulations related to
26 Transactions and Code Sets, Privacy, and Security. Each party further agrees to
27 indemnify and hold harmless the other party (including their officers, employees and
28 agents) for its failure to comply with HIPAA.

29 D. Contractor and County understand and agree that HIPAA has imposed
30 additional requirements in regards to changes in DMH's County's information system.

1 (1) County desires to clarify County's information system terminology
2 under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment
3 VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to
4 be used with this Agreement.

5 (2) County desires to clarify other HIPAA-related changes set forth in the
6 DMH Provider Manual and which are incorporated herein by reference as though fully set
7 forth.

8 (a) County has added to the DMH Provider Manual a Guide to
9 Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current
10 Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS)
11 codes.

12 (b) County has added to the DMH Provider Manual an Electronic
13 Data Interchange Fact Sheet which includes information about the applicable HIPAA
14 transactions that can be processed in the County's claims processing information system.
15 Effective January 2009 Electronic Data Interchange (EDI) will be the only acceptable
16 method by which Contractor or its Subcontractor(s) may submit HIPAA-compliant
17 transactions.

18 (c) County has added to the DMH Provider Manual a Trading
19 Partner Agent Authorization Agreement which includes the Contractor's authorization to its
20 Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

21 E. Contractor understands that County operates an informational website
22 <http://dmh.lacounty.info/hipaa/index.html> related to the services under this Agreement
23 and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize
24 said website to obtain updates, other information, and forms to assist Contractor in its
25 performance.

26 F. Contractor understands and agrees that if it uses the services of an Agent in
27 any capacity in order to receive, transmit, store or otherwise process Data or Data
28 Transmissions or perform related activities, the Contractor shall be fully liable to DMH or
29 for any acts, failures or omissions of the Agent in providing said services as though they
30 were the Contractor's own acts, failures, or omissions.

1 G. Contractor further understands and agrees that the terms and conditions of
2 the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall
3 apply to this Agreement and that said Terms and Conditions are incorporated by reference
4 as though fully set forth herein.

5 56. COMPLIANCE WITH JURY SERVICE PROGRAM:

6 A. Jury Service Program: This Agreement is subject to the provisions of the
7 County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as
8 codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

9 B. Written Employee Jury Service Policy:

10 (1) Unless Contractor has demonstrated to the County's satisfaction
11 either that Contractor is not a "Contractor" as defined under the Jury Service Program
12 (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the
13 Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and
14 adhere to a written policy that provides that its Employees shall receive from the
15 Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury
16 service. The policy may provide that Employees deposit any fees received for such jury
17 service with the Contractor or that the Contractor deduct from the Employee's regular pay
18 the fees received for jury service.

19 (2) For purposes of this Section, "Contractor" means a person,
20 partnership, corporation or other entity which has an Agreement with the County or a
21 subcontract with a County Contractor and has received or will receive an aggregate sum of
22 \$50,000 or more in any 12-month period under one or more County Agreements or
23 subcontracts. "Employee" means any California resident who is a full-time employee of
24 Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of
25 hours if: 1) the lesser number is a recognized industry standard as determined by the
26 County, or 2) Contractor has a long-standing practice that defines the lesser number of
27 hours as full-time. Full-time employees providing short-term, temporary services of 90
28 days or less within a 12-month period are not considered full-time for purposes of the Jury
29 Service Program. If Contractor uses any subcontractor to perform services for the County
30 under the Agreement, the subcontractor shall also be subject to the provisions of this

1 Section. The provisions of this Section shall be inserted into any such subcontract
2 Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

3 (3) If Contractor is not required to comply with the Jury Service Program when
4 the Agreement commences, Contractor shall have a continuing obligation to review the
5 applicability of its "exception status" from the Jury Service Program, and Contractor shall
6 immediately notify County if Contractor at any time either comes within the Jury Service
7 Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to
8 the Program. In either event, Contractor shall immediately implement a written policy
9 consistent with the Jury Service Program. The County may also require, at any time
10 during the Agreement and at its sole discretion, that Contractor demonstrate to the
11 County's satisfaction that Contractor either continues to remain outside of the Jury Service
12 Program's definition of "Contractor" and/or that Contractor continues to qualify for an
13 exception to the Program.

14 (4) Contractor's violation of this section of the Agreement may constitute a
15 material breach of the Agreement. In the event of such material breach, County may, in its
16 sole discretion, terminate the Agreement and/or bar Contractor from the award of future
17 County Agreements for a period of time consistent with the seriousness of the breach.

18 57. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY
19 LAW: The Contractor shall notify and provide to its employees, and shall require each
20 subcontractor to notify and provide to its employees, a fact sheet regarding the Safely
21 Surrendered Baby Law, its implementation in Los Angeles County, and where and how to
22 safely surrender a baby.

23 The fact sheet is set forth in Attachment VII of this Agreement and is also available on the
24 Internet at www.babysafela.org for printing purposes.

25 58. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO
26 THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the
27 County places a high priority on the implementation of the Safely Surrendered Baby Law.
28 The Contractor understands that it is the County's policy to encourage all County
29 Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a
30 prominent position at the Contractor's place of business. The Contractor will also

1 encourage its subcontractors, if any, to post this poster in a prominent position in the
2 subcontractor's place of business. The County's Department of Children and Family
3 Services will supply the Contractor with the poster to be used.

4 59. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
5 AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45

6 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from
7 contracting with and making sub-awards to parties that are suspended, debarred,
8 ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded
9 from securing federally funded contracts. By executing this Agreement, Contractor
10 certifies that neither it nor any of its owners, officers, partners, directors or other principals
11 is currently suspended, debarred, ineligible, or excluded from securing federally funded
12 contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge,
13 none of its subcontractors, at any tier, or any owner, officer, partner, director or other
14 principal of any subcontractor is currently suspended, debarred, ineligible, or excluded
15 from securing federally funded contracts. Contractor shall immediately notify County in
16 writing, during the term of this Agreement, should it or any of its subcontractors or any
17 principals of either be suspended, debarred, ineligible, or excluded from securing federally
18 funded contracts. Failure of Contractor to comply with this provision shall constitute a
19 material breach of this Agreement upon which the County may immediately terminate or
20 suspend this Agreement.

21 60. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

22 The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates
23 entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004"
24 (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring
25 Contractors to complete the certification in Attachment IX, the County seeks to ensure that
26 all County contractors which receive or raise charitable contributions comply with California
27 law in order to protect the County and its taxpayers. A Contractor which receives or raises
28 charitable contributions without complying with its obligations under California law commits
29 a material breach subjecting it to either contract termination or debarment proceedings or
30 both. (County Code Chapter 2.202)

1 61. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This
2 Contract is subject to all provisions of the County's ordinance entitled Local Business
3 Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County
4 Code. Specifically, Contractor shall pay particular attention to the following provisions in
5 Chapter 2.204:

6 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain,
7 retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or
8 attempting to obtain or retain certification as a Local Small Business Enterprise.

9 Contractor shall not willfully and knowingly make a false statement with the intent to
10 defraud, whether by affidavit, report, or other representation, to a County official or
11 employee for the purpose of influencing the certification or denial of certification of any
12 entity as a Local Small Business Enterprise.

13 If Contractor has obtained certification as a Local Small Business Enterprise by
14 reason of having furnished incorrect supporting information or by reason of having
15 withheld information, and which knew, or should have known, the information furnished
16 was incorrect or the information withheld was relevant to its request for certification, and
17 which by reason of such certification has been awarded this contract to which it would not
18 otherwise have been entitled, shall:

19 1. Pay to the County any difference between the Contract amount and what the
20 County's costs would have been if the contract had been properly awarded;

21 2. In addition to the amount described in subdivision (1), be assessed a penalty
22 in an amount of not more than 10 percent (10%) of the amount of the contract; and

23 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County
24 Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

25 The above penalties shall also apply to any Contractor that has previously obtained proper
26 certification, however, as a result of a change in their status would no longer be eligible for
27 certification, and fails to notify the State and the Office of Affirmative Action Compliance of
28 this information prior to responding to a solicitation or accepting a contract award.

29 62. FORCE MAJEURE:

30 A. Neither party shall be liable for such party's failure to perform its obligations

1 under and in accordance with this Contract, if such failure arises out of fires, floods,
2 epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than
3 a lockout by such party or any of such party's subcontractors), freight embargoes, or other
4 similar events to those described above, but in every such case the failure to perform must
5 be totally beyond the control and without any fault or negligence of such party (such
6 events are referred to in this sub-paragraph as "force majeure events").

7 B. Notwithstanding the foregoing, a default by a subcontractor of Contractor
8 shall not constitute a force majeure event, unless such default arises out of causes
9 beyond the control of both Contractor and such subcontractor, and without any fault or
10 negligence of either of them. In such case, Contractor shall not be liable for failure to
11 perform, unless the goods or services to be furnished by the subcontractor were
12 obtainable from other sources in sufficient time to permit Contractor to meet its obligations
13 under this agreement. As used in this sub-paragraph, the term "subcontractor" and
14 "subcontractors" mean subcontractors at any tier.

15 C. In the event Contractor's failure to perform arises out of a force majeure
16 event, Contractor agrees to use commercially reasonable best efforts to obtain goods or
17 services from other sources, if applicable, and to otherwise mitigate the damages and
18 reduce the delay caused by such force majeure event.

1 FINANCIAL EXHIBIT A

4 **A. GENERAL**

5 (1) The County shall pay Contractor in arrears for eligible services provided
6 under this Department of Mental Health (DMH Legal Entity Agreement) and in accordance with
7 the terms of this Financial Exhibit A (FINANCIAL PROVISIONS) (Attachment II to the DMH
8 Legal Entity Agreement) up to the amounts identified for each Funded Program as shown in the
9 Financial Summary (Attachment III to the DMH Legal Entity Agreement) and as otherwise may
10 be limited under this DMH Legal Entity Agreement and the attachments thereto, including but not
11 limited to this Financial Exhibit A and the Financial Summary, collectively known as "the
12 Agreement".

13 (a) For the purposes of the Agreement, a "Funded Program" is a set of
14 services paid through a particular funding source identified as a line on the Financial Summary.

15 (b) For the purposes of the Agreement, the "Program Amount" is the
16 amount shown in each column in the Financial Summary that identifies the beneficiary status of
17 the client (e.g., Medi-Cal/Healthy Families or Non-Medi-Cal/Indigent) for each Funded Program.

18 (c) For the purposes of this Agreement, "Non-Medi-Cal/Indigent"
19 includes all of the following: Persons with no known outside payer source, persons for whom
20 eligibility for benefits under the State's Medi-Cal or Healthy Families programs is being
21 determined or established, and persons whose eligibility for the Medi-Cal or Healthy Families
22 programs was unknown at the time that services were rendered.

23 (2) The Contractor shall comply with all requirements necessary for
24 reimbursement as established by Federal, State and local statutes, laws, ordinances, rules,
25 regulations, manuals, policies, guidelines and directives.

26 (3) In order to reduce County costs, the Contractor shall comply with all
27 applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of
28 Regulations related to reimbursement by non-County and non-State sources, including, but not
29 limited to, collecting reimbursement for services from clients (which shall be the same as
30 patient fees established pursuant to WIC Section 5710) and from private or public third-party

1 payers. In addition, Contractor shall ensure that, to the extent a recipient of services under
2 this Agreement is eligible for coverage under Medicaid or Medicare or any other federal or
3 State funded program (an eligible beneficiary), services provided to eligible beneficiaries are
4 properly identified and claimed to the Funded Program responsible for such services to said
5 eligible beneficiaries.

6 (a) Contractor shall be responsible for delivering services to the extent
7 that funding is provided by County. To the extent that Contractor does not have funds
8 allocated in this Agreement for a Funded Program that pays for services to a particular eligible
9 beneficiary, Contractor shall, at the first opportunity, refer said eligible beneficiary to another
10 Contractor or County facility, within the same geographic area to the extent feasible, that has
11 available funds allocated for that Funded Program.

12 (b) To the extent that the County determines Contractor has
13 improperly claimed services to a particular Program Amount, County may disallow payment of
14 said services and require Contractor to resubmit said services for payment from the correct
15 Program Amount, or may make corrective accounting transactions to transfer the payment of
16 the services to the appropriate Program Amount.

17 (4) The State Schedule of Maximum Allowances (SMA) in effect during the
18 Initial Period, the First Automatic Renewal Period, or the Second Automatic Renewal Period, or
19 any part thereof, shall be applicable to this Agreement as of the date adopted by the State.

20 **B. LIMITATIONS ON MAXIMUM REIMBURSEMENT**

21 (1) The total maximum reimbursement that will be paid by County to Contractor
22 under this Agreement shall be, in no event, more than the Maximum Contract Amount for the
23 Initial Period, First Automatic Renewal Period and the Second Automatic Renewal Period
24 respectively of this Agreement.

25 (a) In addition to the general limitation of Paragraph B (1) of this
26 Financial Exhibit A, in no event shall the maximum reimbursement that will be paid by County to
27 Contractor under this Agreement for any Program Amount be more than the amount identified
28 for each Program Amount for each Funded Program, as identified on the Financial Summary
29 (Attachment III) for the Initial Period, First Automatic Renewal Period and the Second Automatic
30 Renewal Period respectively of this Agreement. Said amounts shall be referred to as the
31 "Maximum Program Amount."

1 (2) Contractor shall immediately provide written notice to the County when,
2 based on the Contractor's own internal records, it has billed for services/activities under this
3 Agreement in an amount equal to 75 percent (75%) of the total Maximum Contract Amount or 75
4 percent (75%) of the Maximum Program Amount(s) during the Initial Period, First Automatic
5 Renewal Period or the Second Automatic Renewal Period of this Agreement.

6 (a) Contractor shall send such notice to those persons and addresses
7 which are set forth in the DMH Legal Entity Agreement, Paragraph 63 (NOTICES).

8 (b) Failure of Contractor to comply with this Paragraph B (2) will be
9 considered a breach of this Agreement.

10 (3) Except as otherwise provided in this Agreement, the total Maximum
11 Contract Amount and/or the Maximum Program Amount(s) for any of the periods specified in this
12 Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs C (Reimbursement for Initial
13 Period) and D (Reimbursement if Agreement is Automatically Renewed) may not be increased
14 or decreased without a properly executed amendment to this Agreement. The Parties
15 acknowledge that the actual number of individuals seeking care from Contractor who have
16 coverage under a particular Funded Program may differ from the estimate number upon which
17 the Maximum Program Amounts were based and that it may be appropriate to increase
18 Contractor's responsibility to provide services to some eligible individuals while decreasing its
19 responsibilities to provide services to other types of eligible individuals. Any such modification in
20 Contractor's responsibilities, along with commensurate changes in the appropriate Funded
21 Programs and Maximum Program Amounts, may be accomplished through a formal amendment
22 completed in advance of the provision of services, except as provided in Subparagraph (4) of
23 this Paragraph B (Limitations on Maximum Reimbursement).

24 (4) Notwithstanding the requirement in Subparagraph (3) above that changes
25 in Contractor's responsibilities or Funded Programs or Maximum Program Amounts must be
26 accomplished through formal amendment and the requirements of Paragraph V (Contractor
27 Requested Changes), Contractor may request, and County shall grant, a reallocation of up to
28 fifteen percent (15%) of the aggregate County General Funds (CGF) included in the Financial
29 Summary between Funded Programs or Maximum Program Amounts, and a commensurate
30 change in Contractor's responsibilities, so long as the following conditions are met:

1 (a) Contractor's request is made in writing, and indicates the existing
2 Funded Programs or Maximum Program Amounts which will be affected, and the new Funded
3 Programs and Maximum Program Amounts to which the reallocation is to be made.

4 (b) The reallocation may only be made to the extent that all of the
5 following conditions are satisfied:

6 i. The reallocation will not cause Contractor to exceed its
7 Maximum Contract Amount;

8 ii. The reallocation will not increase County General Funds
9 required under this Agreement;

10 iii. The reallocation does not result in the Contractor allocating
11 funds to a Funded Program for which no dollars are originally allocated in the Agreement;

12 iv. Categorical funds (e.g. CalWORKs) are only used for the
13 purpose for which they have been designated, and the reallocation is consistent with local,
14 State and federal law; and

15 v. County General Funds are reallocated only within or
16 between Funded Programs in which County General Funds are utilized to provide services
17 (i.e., Juvenile Justice Program (STOP); Inpatient/Residential Services; Other Mental Health
18 Services for Clients under the age of 21; Other Mental Health Services for clients 21 of age or
19 older; and certain Unique Programs).

20 (c) The reallocation shall only be effective for services provided on or
21 after the effective date of an administrative amendment memorializing the revisions to the
22 Funded Programs and Maximum Program Amounts. Such administrative amendment may be
23 executed by Director under delegated authority from the Board of Supervisors without prior
24 approval of County Counsel or the Chief Executive Office. By making the written request,
25 Contractor consents to such administrative amendment, and Contractor's signature is not
26 required to make the amendment effective.

27 (5) The Maximum Contract Amount for each period of this Agreement includes
28 Cash Flow Advance which is an advance of funds to be repaid by Contractor through direct
29 payment of cash and/or through the provision of appropriate services/activities under this
30 Agreement for the applicable period.

19 Funded Programs as shown on the Financial Summary.

20 **E. REIMBURSEMENT BASIS**

21 (1) Reimbursement Rates for Mental Health Services: For mental health
22 services claimed and billed through the County's claims processing information system, and
23 except as further limited elsewhere in this Agreement, Contractor may elect to request
24 provisional rates based on either 1) a Cost Reimbursement Methodology or 2) a Negotiated
25 Rate Methodology. Contractor is prohibited from requesting or utilizing both Cost
26 Reimbursement and Negotiated Rates under this Agreement, except as may be provided under
27 Paragraph E (6) of this Financial Exhibit A.

28 (a) Contractor shall calculate its requested rates in accordance with the
29 terms and limitations set forth in County Department of Mental Health Policy "Provisional Rate
30 Setting."

1 (b) Requested rates for services provided under this Agreement shall be
2 uniform and will apply to all similar services regardless of Funded Program.

3 (c) Notwithstanding any other provision of this Agreement, in no event
4 may Contractor request a rate that exceeds the State's Schedule of Maximum Allowances or
5 request a rate that exceeds Contractor's published charge(s) to the general public except if the
6 Contractor is a Nominal Charge Provider.

7 (d) All rates are subject to prior review and approval of the County
8 consistent with the Department of Mental Health Policy "Provisional Rate Setting."

9 (e) Negotiated rates are subject to prior review and approval by the State
10 pursuant to the Department of Mental Health Policy "Provisional Rate Setting." County shall,
11 within 20 business days of receiving State approval of a requested negotiated rate(s), notify
12 Contractor of such approval and update the County's claims processing information system's
13 rate table with the approved rate(s).

14 (2) Reimbursement Rates for Institutions for Mental Diseases: Pursuant to
15 Section 5902(e) of the Welfare and Institutions Code (WIC), Institutions for Mental Diseases
16 (IMD), which are licensed as level two nursing facilities (SNF) by the State Department of Health
17 Care Services (SDHCS), are reimbursed for basic services at the rate(s) established by SDHCS
18 for Medi-Cal services provided by level B nursing facilities, in addition to the Medi-Cal rate
19 established by SDHCS for a Special Treatment Plan (STP). Accordingly, the IMD
20 reimbursement rate will consist of a basic SNF rate and a STP rate, or a Mental Health
21 Rehabilitation Center (MHRC) rate established by the County for specialized programming
22 and/or provision of more intensive mental health services provided to clients at County's request.

23 (3) Reimbursement for Medi-Cal Administrative Activities (MAA):
24 Reimbursement for MAA shall be based on the direct and indirect costs of actual time spent in
25 performing MAA services.

26 (4) Reimbursement Rates for Organizational Providers for Medi-Cal Specialty
27 Mental Health Services: Reimbursement shall be based upon rate(s) shown in the Provisional
28 Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles
29 County DMH Medi-Cal Specialty Mental Health Services Provider Manual.

30 (5) Reimbursement of Other Costs and Direct Charges: Certain Funded
31 Programs may provide for and allow Contractor to submit requests for reimbursement to the

County for specific expenses that cannot be claimed through the County's claims processing information system. These expenses shall be referred to as a "Direct Charge." Such reimbursement shall be based on actual costs plus an administrative fee, expressed as a percentage of actual costs, which shall be reviewed and approved in advance by the County.

(6) Unique Funded Program: To the extent that Contractor's Agreement includes a Funded Program which has billing and payment requirements that are not consistent with the provisions of this Paragraph E (Reimbursement Basis) of Financial Exhibit A, the special billing and payment requirements shall be set forth in an addendum to this Financial Exhibit A and signed by Contractor and Director.

F. BILLING PROCEDURES

(1) If Title XIX Short-Doyle/Medi-Cal services, and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services are provided under this Agreement, Contractor authorizes County to serve as the Mental Health Plan for State claiming and reimbursement and to act on Contractor's behalf with the State Department of Mental Health and the State Department of Health Care Services in regard to claiming.

(2) Claims Certification and Program Integrity

a) Contractor hereby certifies that all units of service entered by Contractor into the County's claims processing information system and/or the Medi-Cal Administrative Activities (MAA) data base system and/or claims for actual costs submitted as Direct Charges to County for any Funded Program covered by this Agreement are true and accurate to the best of Contractor's knowledge.

(b) Contractor shall annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal and Title XXI Healthy Families Reimbursements" (Exhibit A-1 to this Attachment II) related to the Contractor's compliance with specific State and Federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities and/or Title XXI Healthy Families claims.

(3) **Mental Health Services**: Claims for all mental health services, including services funded by Title XIX Short-Doyle/Medi-Cal and Title XXI Health Families, shall be entered into the County's claims processing information system within 30 calendar days of the end of the month in which services are delivered, except as otherwise provided in this Paragraph

1 F.

2 (a) The County shall extend the period of time specified above as
3 appropriate, where the delay in the submission of the claims is reasonably justified.

4 (b) The County may, in the exercise of its sole reasonable discretion,
5 extend the time to submit an initial or original claim to within four (4) months after the end of the
6 month in which the services were rendered, to the extent doing so would not preclude
7 reimbursement from a funding source.

8 (c) The County may, using reasonable discretion, extend the time to
9 submit claims for services under Title XIX Short-Doyle/Medi-Cal or under Title XXI Health
10 Families to within ten (10) months after the end of the month in which the services were
11 rendered where good cause for the delayed submission would be recognized under California
12 Code of Regulations, Title 22 Section 51008.5.

13 (d) Contractor shall, as soon as practicable, notify County of any delay
14 in meeting the timeframe for submitting claims specified in this Paragraph F (3) in the event
15 Contractor is not able to make timely data entry into the County's claims processing information
16 system due to no fault on the part of Contractor. Such Contractor notification should be
17 immediate upon Contractor's recognition of the delay and must include a specific description of
18 the problem that the Contractor is having with the County's claims processing information
19 system. Notification shall be pursuant to the DMH Legal Entity Agreement, Paragraph 63
20 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief
21 Information Office Bureau's Help Desk.

22 (e) The County will notify Contractor in writing as soon as practicable of
23 any County issue(s) which will prevent the entry by Contractor of claiming information into the
24 County's claims processing information system, and County will waive the requirement of this
25 Paragraph F (3) in the event of any such County issue(s). Once County has notified Contractor
26 that its issues are resolved, Contractor shall enter billing information into the County's claims
27 processing information system within 30 calendar days of County's notice unless otherwise
28 agreed to by County and Contractor.

29 i. To the extent that issues identified pursuant to this Paragraph
30 F 3 (e) requires that Contractor modify its procedures for entering claims into the County's claims
31 processing information system, Contractor shall consult with County regarding a reasonable time

1 required to implement such modifications and, upon approval by County, the 30 calendar days
2 required by this Paragraph F (3) (e) shall be extended by the amount of time required to
3 implement such modifications.

4 (f) County may modify the County's claims processing information
5 system at any time in order to comply with changes in, or interpretations of, State or Federal
6 laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in
7 writing of any such modification and the reason, if known, for the modification and the planned
8 implementation date of the modification. To the extent that such modifications create a delay in
9 Contractor submitting claims into the County's claims processing information system for a period
10 of time, the timelines under this Paragraph F shall be extended by the number of calendar days
11 that Contractor was unable to submit claims into the County's claims processing information
12 system.

13 (g) In the event the State or federal government denies any or all claims
14 submitted by County on behalf of Contractor, County will not be responsible for any payment
15 obligation and, accordingly, Contractor shall not seek payment from County and shall indemnify
16 and hold harmless County from any and all liabilities for payment of any or all of those specified
17 denied claims, except for any claims which are denied due to the fault of the County. Any
18 controversy or dispute arising from such State or federal denied claims shall be handled by
19 Contractor in accordance with the applicable State and/or federal administrative appeal process.

20 (4) Institutions for Mental Diseases: If Contractor is an Institution for Mental
21 Diseases, Contractor shall, no later than the 15th of each month, submit an invoice to the County
22 for patient days approved in writing by the County for the previous month. Said invoice shall be
23 in a form as specified by the County, and will include an itemized accounting of all charges for
24 each patient day. Invoices shall be submitted to the persons and at the address identified in
25 Paragraph X (Payment and Invoice Notifications) of this Financial Exhibit A.

26 (5) Medi-Cal Administrative Activities (MAA): To the extent that MAA is
27 identified as a Unique Funded Program in the Financial Summary, Contractor shall submit
28 claims for reimbursement for MAA by entering the eligible MAA services provided and the actual
29 time incurred rendering the MAA services into the County's MAA data base system within 30
30 days of rendering the MAA services.

1 (a) County may modify the County's MAA data base system, at any time
2 in order to comply with changes in, or interpretations of, State or Federal laws, rules, regulations,
3 manuals, guidelines, and directives. County shall notify Contractor in writing prior to
4 implementing any such modification and the reason, if known, for the modification and the
5 planned implementation date of the modification.

6 (6) Direct Charges: Contractor shall submit invoices for Direct Charges within
7 30 calendar days of the end of the month in which the eligible expense was incurred. Such
8 invoice shall be in the form and include the content specified by County for each Funded
9 Program. Invoices shall be submitted to the persons and at the address identified in Paragraph
10 X (Payment and Invoice Notifications) of this Financial Exhibit A.

11 **G. COUNTY PAYMENT FOR SERVICES RENDERED**

12 (1) General: County agrees to reimburse Contractor for services rendered
13 under Funded Programs during the term of this Agreement based on the provisional rates
14 agreed to by the County for the Initial Period, First Automatic Renewal Period and Second
15 Automatic Renewal Period, respectively, subject to all of the rules, regulations and policies
16 established by the County, State and/or Federal governments regarding payment and
17 reimbursement of services, and in accordance with the terms of this Agreement.

18 (2) County Payments: After Director's review and approval of the billing or
19 invoice, County shall provisionally pay Contractor in accordance with the following:

20 (a) County shall make good faith efforts to make payments for services
21 billed through the County's claims processing information system as soon as possible after
22 submission and approval, subject to the limitations and conditions specified in this Agreement,
23 but no later than eight (8) weeks after submission and approval. County shall make available a
24 schedule of anticipated payment dates for claims submitted by Contractor into the County's
25 claims processing information system prior to July 1 of each year.

26 (b) Payments for services or Direct Charges billed through invoices shall
27 be paid no more than 30 days after receipt of a complete and accurate invoice, subject to the
28 limitations and conditions specified in this Agreement.

29 (c) Payments for MAA will be made on a quarterly basis and will be
30 based upon actual State approval and State payment to the County of MAA claims. Only
31 Contractors who have been approved by the State to participate in and to claim reimbursement

1 for MAA and who have MAA authorized as a Unique Funded Program in their Contract are
2 permitted to claim MAA.

3 **H. BILLING AND PAYMENT LIMITATIONS**

4 (1) Provisional Payments: County payments to Contractor for performance of
5 eligible services hereunder are provisional until the completion of all settlement activities and
6 audits, as such payments are subject to future County, State and/or Federal adjustments.
7 County adjustments to provisional payments to Contractor may be based upon County's claims
8 processing information system data, Medi-Cal Administrative Activities (MAA) data base
9 information, State adjudication of Medi-Cal and Healthy Families claims files, contractual
10 limitations of this Agreement, annual cost report, application of various County, State and/or
11 Federal reimbursement limitations, application of any County, State and/or Federal policies,
12 procedures and regulations, and/or County, State or Federal audits, all of which take
13 precedence over monthly claim reimbursements. County and Contractor acknowledge that the
14 references in this paragraph represent examples only and are not intended, nor shall be
15 construed, to represent all of the circumstances or conditions that may result in adjustments to
16 provisional payments.

17 (2) Limitations on Payments to Organizational Providers: In addition all other
18 limitations provided in this Paragraph H (Billing and Payment Limitations), reimbursement to
19 Organizational Providers also shall be limited by the maximum number of allowable visits
20 stipulated in the Organizational Provider's Manual for Specialty Mental Health Services under the
21 Rehabilitation Option and Targeted Case Management Services

22 (3) Other Limitations for Certain Funded Programs: In addition to all other
23 limitations provided in this Paragraph H (Billing and Payment Limitations), reimbursement for
24 services rendered under certain Funded Programs may be further limited by rules, regulations
25 and procedures applicable only to that Funded Program. Contractor shall be familiar with said
26 rules, regulations and procedures and submit all claims in accordance therewith.

27 (4) Adjustment of Claims Based on Other Data and Information: The County
28 shall have the right to adjust claims based upon data and information that may include, but is not
29 limited to, County's claims processing information system reports, remittance advices, State
30 adjudication of Medi-Cal claims, 835 data, and Contractor's annual Cost Report, all of which
31 shall supersede and take precedence over claims.

1 (5) Adjustment of Claims for Agreement Compliance: Director, in his sole
2 discretion and at any time and without prior written notice to Contractor, may take any necessary
3 actions required to ensure that Contractor shall not be paid a sum in excess of the amount due
4 to the Contractor under the terms and conditions of this Agreement. Such actions may include,
5 but are not limited to, reimbursing claims submitted through the claims processing information
6 system at an amount less than that amount that would be calculated using Contractor's
7 requested rates, denying claims for payment; holding claims for Medi-Cal services from being
8 forwarded for adjudication by the State; and/or withholding payment of certain claims.

9 (a) Concurrent with any such action, Director shall provide Contractor
10 with written notice of the County's decision to take such action(s), including the reason(s) for the
11 action. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the
12 County's decision. Contractor may request in writing, and shall receive if requested, County's
13 computations for making a determination that such action was necessary, including any
14 amount(s) held, denied or reduced.

15 (b) Upon receiving a request for reconsideration from Contractor,
16 County shall, within 15 calendar days, schedule a meeting with Contractor to consider
17 Contractor's request to reconsider its action. At said meeting, Contractor may present to the
18 County information or documentation relevant to the circumstances that led the County to take
19 such actions and may propose alternative actions.

20 (c) Within 15 calendar days of said meeting, County shall, in writing,
21 notify Contractor, of its final decision. The decision of the Director will be final.

22 (6) County Withhold of Payment for Contractor Lapse in Providing Service
23 Data: If Contractor fails to submit service data as required by County, then the County may, in
24 its discretion, withhold all or a portion of its payment until County is in receipt of complete and
25 correct service data and such service data has been reviewed and approved by Director.

26 (a) Prior to withholding payment, Director shall provide Contractor with
27 at least 30 calendar days written notice of the County's decision to withhold payment, including
28 the reason(s) for intended action and the identification of the incomplete or incorrect service
29 data. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the
30 County's decision.

1 (b) Upon receiving a request for reconsideration from Contractor,
2 County shall, within 15 calendar days, schedule a meeting with Contractor to consider
3 Contractor's request to reconsider its action. At said meeting, Contractor may present to the
4 County information or documentation relevant to the circumstances that led the County to take
5 such actions and may propose a date for submitting the complete and correct data.

6 (c) Within 15 calendar days of said meeting, County shall, in writing,
7 notify Contractor, of its final decision. The decision of the Director will be final.

8 (d) Upon receipt from the Contractor of revised service data, Director
9 shall review such revised service data within 60 calendar days of receipt. Upon determination
10 that such submitted service data is complete and correct, County shall release withheld
11 payments within 30 days of such determination.

12 (7) County Denial of Payments for Lack of Documentation: Director may deny
13 payment for services when documentation of clinical work does not meet minimum State and
14 County written standards.

15 (a) Prior to denying payment, Director shall provide Contractor with at
16 least 30 calendar days' written notice of the County's decision to deny payment, including the
17 reason(s) for the intended actions. Thereafter, Contractor may, within 15 calendar days, request
18 reconsideration of the County's decision.

19 (b) Upon receiving a request for reconsideration from Contractor,
20 County shall, within 15 calendar days, schedule a meeting with Contractor to consider
21 Contractor's request to reconsider its action. At said meeting, Contractor may present to the
22 County information or documentation relevant to the circumstances that led the County to take
23 such actions and may propose alternative actions.

24 (c) Within 15 calendar days of said meeting, County shall, in writing,
25 notify Contractor of its final decision. The decision of the Director will be final.

26 (8) County Suspension of Payment for Default: Director may suspend
27 payments to Contractor, for good cause, if the Director determines that Contractor is in default
28 under any of the provisions of this Agreement.

29 (a) Except in cases of alleged fraud or similar intentional wrongdoing or
30 a reasonable good faith determination of impending insolvency, Director shall provide Contractor
31 with at least 30 calendar days' notice of such suspension, including a statement of the reason(s)

1 for such suspension. Thereafter, Contractor may, within 15 calendar days, request
2 reconsideration of Director's decision to suspend payment. Suspension of payment to
3 Contractor shall not take effect pending the results of such reconsideration process.

4 (b) Upon receiving a request for reconsideration from Contractor,
5 County shall, within 15 calendar days, schedule a meeting with Contractor to consider
6 Contractor's request to reconsider its action. At said meeting, Contractor may present to the
7 County information or documentation relevant to the circumstances that led the County to take
8 such actions and may propose alternative actions.

9 (c) Within 15 calendar days of said meeting, County shall, in writing,
10 notify Contractor of its final decision. The decision of the Director will be final.

11 (9) No Payment for Services Rendered Following Expiration/Termination of
12 Agreement: Contractor shall have no claim against County for payment of any money, or
13 reimbursement of any kind whatsoever, for any service provided by Contractor after the
14 expiration or other termination of this Agreement or any part thereof. Should Contractor receive
15 any such payment, it shall immediately notify County and shall immediately repay all such funds
16 to County. Payment by County for services rendered after expiration/termination of this
17 Agreement shall not constitute a waiver of County's right to recover such payment from
18 Contractor. This provision shall survive the expiration or other termination of this Agreement.

19 (10) Contractor agrees to hold harmless both the State and beneficiary in the
20 event County cannot or will not pay for services performed by Contractor pursuant to this
21 Agreement.

22 **I. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY**
23 **RESTRICTIONS**

24 (1) This Agreement shall be subject to any restrictions, limitations, or conditions
25 imposed by State which may in any way affect the provisions or funding of this Agreement,
26 including, but not limited to, those contained in State's Budget Act.

27 (2) This Agreement shall also be subject to any additional restrictions,
28 limitations, or conditions imposed by the Federal government which may in any way affect the
29 provisions or funding of this Agreement.

30 (3) In the event that the County's Board of Supervisors adopts, in any fiscal
31 year, a County Budget which provides for reductions in County contracts, the County reserves

1 the right to unilaterally reduce its payment obligation under this Agreement to implement such
2 Board reductions for that fiscal year and any subsequent fiscal year during the term of this
3 Agreement, and the services to be provided by the Contractor under this Agreement shall also
4 be reduced correspondingly. The County's notice to the Contractor regarding said reduction in
5 payment obligation shall be provided within thirty (30) calendar days of the Board's approval of
6 such action. Except as set forth above in this Paragraph I (3) and Paragraph J (5), the
7 Contractor shall continue to provide all of the services set forth in this Agreement.

8 (4) Notwithstanding any other provision of this Agreement, County shall not be
9 obligated for Contractor's performance hereunder or by any provision of this Agreement during
10 this or any of County's future fiscal years unless and until County's Board of Supervisors
11 appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event
12 funds are not appropriated for this Agreement, then this Agreement shall terminate as of June
13 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any
14 such non-appropriation of funds at the earliest possible date.

15 **J. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS**

16 (1) Funds under this Agreement are provided for the delivery of mental health
17 services to eligible beneficiaries under each of the Funded Programs identified in the Financial
18 Summary (Attachment III). Each Funded Program has been established in accordance with the
19 requirements and restrictions imposed by each respective County, State and/or Federal payer
20 source contributing to the Funded Program.

21 (2) Contractor may not redirect funds from one Funded Program to another
22 Funded Program, nor redirect funds from one Program Amount to another Program Amount
23 within a Funded Program, except through a duly executed amendment to this Agreement or as
24 provided in Paragraph B (4) of the Financial Exhibit A with regard to shift of funds.

25 (3) Contractor may not charge services delivered to an eligible beneficiary
26 under one Funded Program to another Funded Program unless the recipient is also an eligible
27 beneficiary under the second Funded Program. When a recipient of services is an eligible
28 beneficiary under more than one Funded Program, Contractor shall charge the services to the
29 Funded Program under which the County shall receive maximum reimbursement from non-
30 County sources, provided that Contractor has available funds under the appropriate Funded
31 Program.

1 (4) Contractor also shall not charge services delivered to an eligible beneficiary
2 for Medi-Cal/Healthy Families to the Non-Medi-Cal/Indigent Program Amount except in such
3 cases where a client's eligibility for benefits is being established or determined. Upon confirming
4 that said client is approved for Medi-Cal/Healthy Families benefits, or in such case that the
5 County may determine that a service paid originally through the Non-Medi-Cal/Indigent Program
6 Amount was to a client eligible for Medi-Cal/Healthy Families, Contractor shall void the original
7 claim(s) for services provided on or after the effective date that Medi-Cal/Healthy Family services
8 became eligible for reimbursement and resubmit said claims for Medi-Cal/Healthy Families
9 under the correct Funded Program.

10 (5) Contractor shall be responsible for delivering services to clients to the
11 extent that funding is provided by the County. Where Contractor determines that services to
12 clients can no longer be delivered, Contractor shall provide 30 days prior written notice to
13 County. Contractor shall thereafter refer clients to County or to another appropriate Contractor.

14 (a) Contractor shall not be required to provide the notice required under
15 this Paragraph J (5) if the County reduces funding to the Contractor under Paragraph I
16 (Limitation of Payments Based on Funding and Budgetary Restrictions) whether such reductions
17 occur at the beginning or during a fiscal year. In addition, if County reduces or eliminates
18 funding for a specific Funded Program, or portion thereof, Contractor shall not be responsible for
19 continuing services for those clients served by the Funded Program, or portion thereof.

20 **K. COUNTY'S RIGHT TO RE-ALLOCATE UNDERUTILIZED FUNDS**

21 (1) County and Contractor may by written amendment reduce programs or
22 services and revise the applicable Maximum Contract Amount. The Director shall provide 15
23 business days prior written notice of such funding changes to Contractor, including any changes
24 in the amount of services to be received by County, to Contractor, DMH Contracts Development
25 and Administration Division, and to County's Chief Executive Officer. Any such change in any
26 applicable Maximum Contract Amount shall be effected by an administrative amendment to this
27 Agreement by Director; and

28 (2) Notwithstanding Paragraph K (1), if the County in its sole discretion
29 determines from a review of Contractor's service and billing records that a significant portion of
30 the funds provided for services under this Agreement will be underutilized in any period of the
31 Agreement term, then the Director shall provide 15 business days prior written notification to

1 Contractor of County's intent to reallocate underutilized funds by the moving of such funds into
2 another program budget category for the same period on the Financial Summary (Attachment III)
3 within this Agreement, and/or reallocate such funds into another DMH Legal Entity Agreement
4 with another contract provider that readily provides for the efficient use of such funds before the
5 expiration of the same period in this Agreement. This written notification is to include an
6 explanation of how the County reached the conclusion that Contractor is underutilizing funds;
7 copies of relevant data, such as but not limited to County information system reports that County
8 used in making this decision; the nature and amount of funding changes to Contractor; and any
9 changes in the amount of services to be received by County.

10 In the event Contractor believes that an adjustment authorized under this
11 provision is unjustified, Contractor may, within the 15 business day notice period, so notify the
12 Director in writing, and request a meeting with County to review County's documentation that
13 Contractor will be underutilizing a significant portion of its Maximum Contract Amount. Any such
14 meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails
15 to meet with County in this period of time, Contractor is deemed to have waived its opportunity to
16 meet with County and accepts County recommended changes to its Maximum Contract Amount.

17 If, thereafter, it is still determined that a significant portion of the Maximum
18 Contract Amount will be underutilized the County shall reallocate such funds, as provided above.
19 Director shall provide final prior written notice of such funding changes to Contractor, including
20 any changes in the amount of services to be received by County, to Contractor, DMH Contracts
21 Development and Administration Division, and to County's Chief Executive Office and the
22 determination of the Director will be final. Any such change in any applicable Maximum Contract
23 Amount shall be effected by an administrative amendment to this Agreement by Director.
24 Changes that are based on one-time circumstances will be applicable to the current contract
25 year only and shall not result in reductions (or increases) of Maximum Contract Amounts in
26 subsequent years, while changes that are based on clearly documented ongoing historical
27 trends may result in ongoing reductions (or increases) of Maximum Contract Amounts in
28 subsequent years.

29 The determination by the Director shall be effective upon the receipt of such
30 final prior written notice by Contractor and the changes to funding and services shall be
31 incorporated into this Agreement as of the date of receipt. Contractor understands and agrees

1 that its Maximum Contract Amount may be reduced as a result of the adjustments authorized by
2 this provision, and further acknowledges that County has relied upon this flexibility in establishing
3 the Maximum Contract Amount for this Agreement. By executing this Agreement, Contractor
4 specifically consents to the prospective adjustments set forth in this provision.

5 **L. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF**
6 **SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL**
7 **ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI HEALTHY FAMILIES**

8 (1) If, under this Agreement, Contractor has Funded Programs that include
9 Title XIX Short-Doyle/Medi-Cal services, Medi-Cal Administrative Activities, and/or Title XXI
10 Healthy Families services, Contractor shall certify annually, no later than July 10 of each year, in
11 writing that all necessary documentation will exist at the time any claims for Title XIX Short-
12 Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy
13 Families are submitted by Contractor to County.

14 Contractor shall be solely liable and responsible for all service data and
15 information submitted by Contractor.

16 (2) Contractor acknowledges and agrees that the County, in undertaking the
17 processing of claims and payment for services rendered under this Agreement for these
18 Funded Programs, does so as the Mental Health Plan for the State and federal governments.

19 (3) Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal and/or
20 Medi-Cal Administrative Activities, and/or Title XXI Healthy Families claims or other State
21 required claims data within the time frame(s) prescribed by this Agreement to allow the County
22 to meet the timeframes prescribed by the State and Federal governments. County shall have no
23 liability for Contractor's failure to comply with the time frames established under this Agreement
24 and/or State and Federal time frames, except to the extent that such failure was through no fault
25 of Contractor.

26 (4) County, as the Mental Health Plan, shall submit to the State in a timely
27 manner claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative
28 Activities, and/or Title XXI Healthy Families services only for those services/activities identified
29 and entered into the County's claims processing information system and/or into the Medi-Cal
30 Administrative Activities data base system, as appropriate, which are compliant with State and

1 federal requirements. County shall make available to Contractor any subsequent State
2 approvals or denials of such claims within 30 days of receipt thereof.

3 (5) Contractor acknowledges and agrees that County's final payment for
4 services and activities claimed by Contractor for Title XIX Short-Doyle/Medi-Cal services and/or
5 Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services is contingent upon
6 reimbursement from the State and federal governments and that County's provisional payment
7 for said services does not render County in any way responsible for payment of, or liable for,
8 Contractor's claims for payment for these services.

9 (6) Contractor's ability to retain payment for such services and/or activities is
10 entirely dependent upon Contractor's compliance with all laws and regulations related to
11 same.

12 (7) Notwithstanding any other provision of this Agreement, Contractor shall
13 hold County harmless from and against any loss to Contractor resulting from the denial or
14 disallowance of claims for or any audit disallowances related to said services by the County,
15 State or federal governments, or other applicable payer source, unless the denial or
16 disallowance was due to the fault of the County.

17 (8) Contractor shall repay to County the amount paid by County to Contractor
18 for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI
19 Healthy Families services/activities which are subsequently denied or disallowed by the County,
20 State, and/or Federal governments. In no event shall County be liable or responsible to
21 Contractor for any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal
22 Administrative Activities, and/or Title XXI Healthy Families services/activities that are
23 subsequently denied or disallowed by County, State, and/or Federal governments unless the
24 denial or disallowance was due to the fault of the County.

25 (9) Notwithstanding any other provision of this Agreement, Contractor agrees
26 that the County may offset future payments to the Contractor and/or demand repayment from
27 Contractor when amounts are owed to the County pursuant to Subparagraphs (7) and (8) above.
28 Such demand for repayment and Contractor's repayment shall be in accordance with Paragraph
29 S (Method of Payments for Amounts Due to County) of this Agreement.

30 (10) Contractor shall comply with all written instructions provided to Contractor
31 by Director, State or other applicable payer source regarding claiming and documentation.

1 (11) Nothing in this Paragraph L shall be construed to limit Contractor's rights to
2 appeal State and Federal settlement and/or audit findings in accordance with the applicable
3 State and Federal regulations.

4 **M. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES,**
5 **AND INTEREST**

6 (1) Contractor shall comply with all County, State, and Federal requirements
7 and procedures relating to:

8 (a) The determination and collection of patient/client fees for services
9 hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with
10 the State Department of Mental Health guidelines and Welfare and Institutions Code Sections
11 5709 and 5710.

12 (b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare,
13 private insurance, or other third party revenue, and the collection, reporting and deduction of all
14 patient/client and other revenue for patients/clients receiving services hereunder. Contractor
15 shall pursue and report collection of all patient/client and other revenue.

16 (2) All fees paid by patients/clients receiving services under this Agreement
17 and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by
18 Contractor only for the delivery of mental health service/activities specified in this Agreement.

19 (3) Contractor may retain unanticipated revenue, which is not shown in
20 Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year,
21 provided that the unanticipated revenue is utilized for the delivery of mental health
22 services/activities specified in this Agreement. Contractor shall report the expenditures for the
23 mental health services/activities funded by this unanticipated revenue in the Annual Cost Report
24 submitted by Contractor to County.

25 (4) Contractor shall not retain any fees paid by any sources for, or on behalf of,
26 Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental
27 health services for which fees were paid.

28 (5) Contractor may retain any interest and/or return which may be received,
29 earned or collected from any funds paid by County to Contractor, provided that Contractor shall
30 utilize all such interest and return only for the delivery of mental health services/activities
31 specified in this Agreement.

(6) Failure of Contractor to report in all its claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such non-reported revenue.

(b) A report by County to SDMH of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries.

(c) Any appropriate financial adjustment to Contractor's reimbursement.

N. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

(1) The Maximum Contract Amount for each period of this Agreement includes Cash Flow Advance (CFA) which is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under this Agreement during the applicable period.

(2) For each month of each period of this Agreement, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes. However, for each month of the first three (3) or five (5) months, of the Initial Term, the First Automatic Renewal Period, or the Second Automatic Renewal Period, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

(3) Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount for the particular fiscal year in which the related services are to be rendered and upon which the request(s) is (are) based.

(4) Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in DMH Legal Entity Agreement Paragraph 3 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly Cash Flow Advance only for

1 such services/activities and only to the extent that there is no reimbursement from any public
2 or private sources for such services/activities.

3 (5) No Cash Flow Advance will be given if a Contractor has not been certified
4 as an eligible Medi-Cal service provider unless otherwise agreed to by County.

5 (6) Cash Flow Advance Request Letter: For each month for which Contractor
6 is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting
7 a CFA and the amount of CFA Contractor is requesting.

8 (a) In order to be eligible to receive a CFA, the letter requesting a CFA
9 must be received by County on or before the 15th of that month (i.e., for the month of July 2009,
10 the request must be received by July 15, 2009).

11 i. If the letter requesting CFA is received by the County from the
12 Contractor after the 15th of the month, Contractor will not be eligible to receive a CFA for that
13 month.

14 (b) The signed letter requesting a CFA must be sent via mail, fax or
15 email (PDF file) to the Department of Mental Health Financial Services Bureau – Accounting
16 Division, Provider Reimbursement Unit (PRU).

17 i. PRU staff will determine whether Contractor is eligible to have
18 its request considered based on the date the request letter is received by PRU and not the date
19 on the request letter.

20 (c) Upon receipt of a request, Director, in his sole discretion, shall
21 determine whether to approve the CFA and, if approved, whether the request is approved in
22 whole or in part.

23 i. If a CFA is not approved, Director will notify Contractor within
24 10 business days of the decision, including the reason(s) for non-approval. Thereafter,
25 Contractor may, within 15 calendar days, request reconsideration of the decision.

26 (7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims:
27 The Cash Flow Advance amount available to Contractor for any particular month will be reduced
28 by County payments of claims received from Contractor. The County's claims payment process
29 is initiated immediately upon County receipt from Contractor of a reimbursement claim.

30 (8) Business Rules for the Determination of the Maximum Amount of the
31 Cash Flow Advance Request:

1 (a) For each of the first three months of each period that this
2 Agreement is in effect, Contractor may request in writing from County a monthly County General
3 Fund CFA for any funds which may be part of the Maximum Contract Amount for such period as
4 identified in the Financial Summary. Contractor shall specify in its request the amount of the
5 monthly CFA it is requesting, not to exceed \$_____per month. The total CFA for the three
6 (3) months shall not exceed \$_____. In no event shall the monthly CFA requested
7 by Contractor exceed 1/12th of Maximum Contract Amount as identified on the Financial
8 Summary, or 1/12th of the annualized Maximum Contract Amount if period includes only a partial
9 fiscal year.

10 (b) In addition to the amounts in Paragraph N (8) (a) above, if Contractor
11 provides EPSDT Short-Doyle/Medi-Cal services as part of this Agreement, Contractor may
12 request in writing from County a monthly County General Fund CFA for any EPSDT Title XIX
13 Medi-Cal funds that may be part of the Maximum Contract Amount for such fiscal year for two
14 additional months. Contractor shall specify in its request the amount of the monthly CFA it is
15 requesting, not to exceed \$_____per month for each of the two (2) additional
16 consecutive months. The total CFA for the two (2) additional consecutive months shall not
17 exceed \$_____.

18 (9) Recovery of Cash Flow Advances: If Contractor has received any CFA
19 pursuant to this Paragraph N (Cash Flow Advance In Expectation of Services/Activities To Be
20 Rendered), then recovery from Contractor's monthly claims shall be made through cash
21 payment made by Contractor to County and/or County offsets to County payment(s) of
22 Contractor's approved claim(s) as follows:

23 (a) Generally, when Contractor rendering services at a level that would
24 indicate it will utilize all or a substantial portion of its Maximum Contract Amount, County initiates
25 recovery of the CFA balance, if any, for a particular Fiscal Year in July following the close of
26 such Fiscal Year or at such time as payments to Contractor, including the CFA, reach the
27 Maximum Contract Amount. Such recovery is initiated through the Contractor's rendering and
28 submitting of appropriate services and activities into the County's claims processing information
29 system and/or the submission of invoices for direct charges. The determination to begin
30 recovery of CFA balance in July of the following fiscal year, or at such time as payments to
31 Contractor, including the CFA, reach the Maximum Contract Amount, is based on the

1 presumption that when a contractor is meeting its contractual levels, then the Contractor will
2 have rendered sufficient services/activities and entered such services/activities into the County's
3 claims processing information system by September 30 following the end of the fiscal year.
4 September 30 is the date by which all or a substantial portion of the Contractor's prior Fiscal
5 Year's claims should have been received from Contractor and processed by County.

6 (b) If at any time during the Fiscal Year, County determines that
7 Contractor does not appear to be rendering services at a level that would utilize all or a
8 substantial portion of its Maximum Contract Amount, County may initiate recovery of the CFA as
9 specified in Section (a) above prior to July 1. If County intends to initiate recovery of the CFA
10 prior to July 1, County will give Contractor 30 calendar days prior written notice, including the
11 reason(s) for the intended actions, to ensure Contractor renders and submits sufficient
12 services/activities to have repaid all, or a substantial portion of the CFA, by September 30
13 following the Fiscal Year close. Contractor may, within 15 calendar days of the receipt of
14 County's written notice, request reconsideration of the County's decision.

15 (c) Should a Contractor have any remaining CFA balance for a
16 particular Fiscal Year on September 30 following the close of such Fiscal Year, Contractor
17 repayment of the remaining CFA balance shall be conducted as specified in this Financial
18 Exhibit A (FINANCIAL PROVISIONS), Paragraph S (Method of Payments for Amounts Due to
19 County) unless otherwise agreed to by County. County will recover all CFA balances, if any, for
20 a particular Fiscal Year no later than March 31 following the close of such Fiscal Year.

21 (10) When Contractor's Cash Flow Advance balance is zero in any fiscal year of
22 the Term of this Agreement, any County and/or State and/or Federal government(s) approved
23 Contractor reimbursement claims for eligible services/activities will be disbursed in accordance
24 with the terms and conditions of this Agreement.

25 (11) Should Contractor request and receive CFA, Contractor shall exercise cash
26 management of such CFA in a prudent manner.

27 (12) CFA for IMD, PHF and Mental Health Rehabilitation Center Contractors
28 Only: The amount of a Cash Flow Advance payment shall be based on the average daily
29 census for the last two available months of the preceding fiscal year.

1 **O. ANNUAL COST REPORTS**

2 (1) For each Fiscal Year or portion thereof that this Agreement is in effect,
3 Contractor shall provide County with two copies of an accurate and complete annual cost report,
4 with a statement of expenses and revenue, by the due date specified in Paragraph O (4) of this
5 Financial Exhibit A.

6 (2) An accurate and complete annual cost report (Annual Cost Report) shall be
7 defined as a cost report which is completed to the best of the ability of Contractor on such forms
8 or in such formats as specified by the County and consistent with such instructions as the
9 County may issue and is based on the best available data.

10 (3) The Annual Cost Report will be comprised of a separate set of forms for the
11 County and State based on the Financial Summary applicable to the Fiscal Year.

12 (4) The Annual Cost Report will be due on September 15th for the fiscal year
13 ending on the previous June 30th or 75 days following the expiration or termination date of this
14 Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be
15 due on the following business day.

16 (a) Failure by Contractor to submit an Annual Cost Report within 30
17 calendar days after the due date specified in this Paragraph O (Annual Cost Reports),
18 Subparagraph (4) above, shall constitute a breach of this Agreement.

19 i. In addition to, and without limiting, any other remedy available
20 to the County for such breach, County may undertake any or all of the following to remedy such
21 breach:

22 A) In such instance that Contractor does not submit an
23 annual cost report(s) by such 30 calendar days after the applicable due date specified in
24 Paragraph O (Annual Cost Reports), Subparagraph (4), then all amounts covered by the
25 outstanding annual cost report(s) and paid by County to Contractor for the Fiscal Year for which
26 the annual cost report(s) is (are) outstanding shall be due by Contractor to County. Contractor
27 shall pay County according to the method described in this Financial Exhibit A (FINANCIAL
28 PROVISIONS), Paragraph S (Method of Payments for Amounts Due to County). Such payments
29 shall be submitted to the persons and at the address identified in Paragraph X (Payment and
30 Invoice Notifications) of this Financial Exhibit A. (B) If this Agreement is automatically
31 renewed as provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may

1 opt to suspend payments to Contractor under this Agreement until the Annual Cost Report(s) is
2 (are) submitted. County shall give Contractor at least 15 business days written notice of its
3 intention to suspend payments hereunder, including the reason(s) for its intended action.
4 Thereafter, Contractor shall have 15 business days either to correct the deficiency, or to request
5 reconsideration of the decision to suspend payments. Payments to Contractor shall not be
6 suspended during said 15 business days provided to correct the deficiency or, if reconsideration
7 is requested, pending the results of the reconsideration process.

8 (b) Failure by the Contractor to submit an Annual Cost Report(s) by the
9 due date specified in this Subparagraph (4) will result in damages being sustained by the
10 County. County and Contractor agree that it will be impracticable or extremely difficult to fix the
11 extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost
12 Report(s) to the County under this Paragraph. The County and Contractor hereby agree that a
13 reasonable estimate of said damages is \$100 per day for each day that the Contractor fails to
14 submit to the County by the due date.

15 i. Liquidated damages shall be assessed separately on each
16 outstanding Annual Cost Report.

17 ii. Liquidated damages shall be assessed commencing on
18 September 16th or on the seventy-sixth day following the expiration or earlier termination of this
19 Agreement and shall continue until the outstanding Annual Cost Report(s) is (are) received.

20 iii. Upon written request from the County, Contractor shall, within
21 30 days, submit to the County payment for said damages. Said Payment shall be submitted to
22 the persons and at the address identified in Paragraph X (Payment and Invoice Notifications) of
23 this Financial Exhibit A.

24 iv. Contractor may ask that liquidated damages not be assessed
25 by sending a written request for an extension to submit the Annual Cost Report to the Director
26 no later than thirty (30) days prior to the due date specified in this Subparagraph (4). The
27 decision to grant an extension without assessing liquidated damages in accordance with this
28 Paragraph O (4) (b) shall be at the sole discretion of the Director.

29 (5) Each Annual Cost Report shall be prepared by Contractor in accordance
30 with the Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2; "The
31 Provider Reimbursement Manual Parts 1 and 2;" the State's Cost Reporting/Data Collections

1 (CR/DC) Manual; and for organizational providers in the Mental Health Specialty Services Mental
2 Health Plan' service provider network, the "Los Angeles County DMH Organizational Provider's
3 Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case
4 Management;" and any other written guidelines that shall be provided to Contractor at the Cost
5 Report training, to be conducted by County on or before June 30 of the Fiscal Year for which the
6 Annual Cost Report is to be prepared.

7 (a) Attendance by Contractor at the County's Cost Report Training is
8 mandatory.

9 (b) Failure by the Contractor to attend the Cost Report Training shall be
10 considered a breach of this Agreement that will result in damages being sustained by the
11 County. County and Contractor agree that it will be impracticable or extremely difficult to fix the
12 extent of actual damages resulting from the failure of the Contractor to attend the Cost Report
13 Training. The County and Contractor hereby agree that a reasonable estimate of said damages
14 is \$100 per occurrence. Therefore, County may, in its sole discretion, assess liquidated
15 damages in the amount of \$100 for Contractor's non-attendance at the Cost Report Training.
16 Said Payment shall be submitted to the persons and at the address identified in Paragraph X
17 (Payment and Invoice Notifications) of this Financial Exhibit A.

18 (6) Upon written notification from the Director that its Annual Cost Report
19 contains errors or inaccuracies, Contractor shall, within 30 calendar days, correct such errors
20 and inaccuracies and resubmit its Annual Cost Report.

21 (a) If Contractor fails to correct inaccuracies in annual cost report within
22 thirty (30) calendar days after receipt of written notification from the Director and said
23 inaccuracies result in the loss of reimbursement to the County for claimable amounts that were
24 paid to Contractor, Contractor must return back to the County the amount of lost reimbursement
25 that the County could have claimed if the inaccuracy was corrected by Contractor.

26 i. Upon written notice from the County, Contractor shall have
27 thirty (30) calendar days to make payment to the County in the amount specified by the County.
28 Said payment shall be submitted to the persons and at the address identified in Paragraph X
29 (Payment and Invoice Notifications) of this Financial Exhibit A.

30 (7) Contractor shall be solely responsible for any loss incurred by County due
31 to Contractor's failure to comply with County and State cost report requirements.

1 **P. OTHER REQUIREMENTS FOR CONTRACTORS PROVIDING TITLE XIX**
2 **SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR**
3 **TITLE XXI HEALTHY FAMILIES SERVICES**

4 (1) Contractor shall maintain records documenting all Title XIX
5 Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy
6 Families services for a period of seven (7) years from the end of the Fiscal Year in which such
7 services were provided or until three years after final resolution of any audits or appeals,
8 whichever occurs later.

9 (2) Contractor shall complete and certify, in accordance with State and County
10 instructions, and provide DMH with two (2) copies of an accurate and complete Title XIX
11 Short-Doyle/Medi-Cal Reconciliation Report at the legal entity level by the due date set by the
12 State for the applicable fiscal year. The due date is approximately 16 months after the close of
13 the fiscal year.

14 (a) Should Contractor fail to provide County with the Title XIX Short-
15 Doyle/Medi-Cal Reconciliation Report by the due date, then Director, in his sole discretion, shall
16 determine which State approved Short-Doyle/Medi-Cal services shall be used by County for
17 completion of the Title XIX Short-Doyle/Medi-Cal Reconciliation Report.

18 (b) Contractor shall hold County harmless from and against any loss to
19 Contractor resulting from the Contractor's failure to provide County with the Title XIX Short-
20 Doyle/Medi-Cal Reconciliation Report and County's subsequent determination of which State-
21 approved Short Doyle/Medi-Cal services to use for completion of the Title XIX Short-Doyle/Medi-
22 Cal Reconciliation Report for the Contractor.

23 **Q. PRE-AUDIT FINAL COST REPORT SETTLEMENT**

24 (1) Based on the Annual Cost Report(s) submitted pursuant to this Financial
25 Exhibit A (FINANCIAL PROVISIONS) Paragraph O (Annual Cost Reports), at the end of each
26 Fiscal Year or portion thereof that this Agreement is in effect, the State and County will perform a
27 pre-audit final cost report settlement.

28 (2) Such settlement will be subject to the terms and conditions of this
29 Agreement and any other applicable State and/or federal statutes, regulations, policies,
30 procedures and/or other requirements pertaining to cost reporting and settlements for Title XIX

1 Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families, and
2 other applicable federal and/or State programs.

3 (a) Contractors who select the Negotiated Rate Methodology for
4 reimbursement are subject to a partial recovery of Federal Financial Participation (FFP) and
5 State General Fund local match for EPSDT Medi-Cal services if actual costs are less than the
6 reimbursement under negotiated rates. Additionally, negotiated rate reimbursements are subject
7 to a partial recovery by County for County General Fund local match used to draw down the
8 FFP, if any, recovered by the State. This partial recovery is a retrospective cost settlement
9 which shares equally with the Federal, State and County governments the portion of the
10 negotiated rate reimbursement that exceeds actual cost in the aggregate by legal entity.

11 (3) County shall issue its pre-audit cost report settlement findings no later than
12 120 calendar days after the receipt by County from the State of the State's Final Cost Report
13 Settlement package for a particular fiscal year.

14 (a) As part of its pre-audit cost report settlement findings, County shall
15 identify any amounts due to Contractor by the County or due from the Contractor to the County.

16 (b) Upon issuance of the County's pre-audit cost report settlement
17 findings, Contractor may, within 30 calendar days, submit a written request to the County for
18 review of the pre-audit cost report settlement findings.

19 i. Upon receipt by County of the Contractor's written request,
20 the County shall, within 30 calendar days, meet with the Contractor to review the pre-audit cost
21 report settlement and to consider any documentation or information presented by the Contractor.
22 Contractor may waive such meeting and elect to proceed based on written submission at its
23 sole discretion.

24 ii. Within 30 calendar days of the meeting specified in (i) above,
25 or if no meeting is requested, within 30 calendar days of the issuance of the County's pre-audit
26 cost report settlement findings, County shall issue a final pre-audit cost report settlement finding
27 to the Contractor including confirming or adjusting any amounts due to Contractor by the County
28 or due from Contractor to the County.

29 (4) In the event that the pre-audit cost report settlement finding indicates that
30 the Contractor is due payment from the County, County shall make payment to Contractor within
31 30 calendar days following the expiration of the date to request a review as specified in

1 Subparagraph (3) (b) above or issuance of the final pre-audit cost report settlement finding as
2 specified in Subparagraph (3) (b) ii. above, whichever is later.

3 (5) In the event that the pre-audit cost report settlement finding indicates that
4 the Contractor owes payments to the County, Contractor shall make payment to the County in
5 accordance with the terms of Paragraph S (Method of Payments for Amounts Due to County) of
6 this Financial Exhibit A (Financial Provisions). Said payment shall be submitted to the persons
7 and at the address identified in Paragraph X (Payment and Invoice Notifications) of this Financial
8 Exhibit A.

9 (6) Regardless of any other provision of this Paragraph Q, reimbursement to
10 Contractor shall not exceed the Maximum Contract Amount and shall not exceed the Maximum
11 Program Amount for each Funded Program, as identified on the Financial Summary (Attachment
12 III).

13 **R. AUDITS, AUDIT APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL**
14 **FINAL SETTLEMENT**

15 (1) At any time during the term of this Agreement or after the expiration or
16 termination of this Agreement, in accordance with State and federal law including but not limited
17 to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized
18 representatives from the County, State or federal governments may conduct an audit of
19 Contractor regarding the services/activities provided under this Agreement.

20 (2) Settlement of audit findings will be conducted according to the auditing
21 party's procedures in place at the time of the audit.

22 (3) In the case of a State Short-Doyle/Medi-Cal (SD/MC) audit, the State and
23 County will perform a post-audit Short-Doyle/Medi-Cal settlement based on State audit findings.
24 Such settlement will take place when the State initiates its settlement action, which customarily is
25 after the issuance of the audit report by the State and before the State's audit appeal process.

26 (a) If the auditing party stays its collection of any amounts due or
27 payable because of the audit findings, County will also stay its settlement of the same amounts
28 due or payable until the responsible auditing party initiates its settlement action with County.

29 (b) County shall follow all applicable Federal laws, regulations manuals,
30 guidelines and directives in recovering from Contractor any federal over-payment.

1 (c) County shall issue an invoice to Contractor for any amount due
2 County no later than ninety (90) calendar days after the State issues its settlement letter to the
3 County. Contractor shall make payment to the County in accordance with the terms of
4 Paragraph S (Method of Payments for Amounts Due to County) of this Financial Exhibit A
5 (Financial Provisions). Said payment shall be submitted to the persons and at the address
6 identified in Paragraph X (Payment and Invoice Notifications) of this Financial Exhibit A.

7 (4) Contractor may appeal any such audit findings in accordance with the audit
8 appeal process established by the party performing the audit.

9 (a) For Federal audit exceptions, Federal audit appeal processes shall
10 be followed.

11 (b) Contractor may appeal the State audit findings in conformance with
12 provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such
13 appeals must be filed through County. County shall notify Contractor of State appeal deadlines
14 after County's receipt from State of the audit report.

15 (c) If at any time the Appeal process results in a revision to the audit
16 findings, and the State recalculates the final settlement of the Short-Doyle/Medi-Cal cost report
17 for a particular year and settles with County, County will perform a post-audit Short-Doyle/Medi-
18 Cal re-computed final settlement after the State's issues its revised settlement with the County,
19 based on such recomputed final settlement.

20 i. If the re-computed final settlement results in amounts due to
21 Contractor by the County, County shall make such payments to Contractor within 30 calendar
22 days of issuing the revised settlement amount to the Contractor.

23 ii. If the re-computed final settlement results in amounts due
24 from Contractor to the County, Contractor shall make payment to the County in accordance with
25 the terms of Paragraph S (Method of Payments for Amounts Due to County) of this Financial
26 Exhibit A (Financial Provisions). Said payment shall be submitted to the persons and at the
27 address identified in Paragraph X (Payment and Invoice Notifications) of this Financial Exhibit A.

28 (5) Notwithstanding any other provisions of this Agreement, if Contractor
29 appeals any audit report, the appeal shall not prevent the County from recovering from
30 Contractor any amount owed by Contractor that the State has recovered from County.

5 argument provided by Contractor with its appeal, and will issue its decision on the appeal after

7 County fifteen calendar days (15) after County has notified Contractor of the County's audit
8 appeal findings. Contractor shall make payment to the County in accordance with the terms of
9 Section S (Payment of Amounts Due to County) of this Financial Exhibit A (Financial Provisions).
10 Said payment shall be submitted to the persons and at the address identified in Paragraph X
11 (Payment and Invoice Notifications) of this Financial Exhibit A.

12 **S. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY**

13 (1) Within ten (10) business days after written notification by County to
14 Contractor of any amount due by Contractor to County, Contractor shall notify County as to
15 which of the following five payment options Contractor requests be used as the method by which
16 such amount shall be recovered by County. Any such amount shall be:

17 (a) paid in one cash payment by Contractor to County;

21 under this Agreement or otherwise;

22 (d) paid by cash payment(s) by Contractor to County over a period not
23 to exceed three months; or

24 (e) a combination of any or all of the above.

25 (2) If Contractor does not so notify County within such ten days, or if Contractor
26 fails to make payment of any such amount to County as required, then Director, in his sole
27 discretion, shall determine which of the above five payment options shall be used by County for
28 recovery of such amount from Contractor.

29 **T. INTEREST CHARGES ON DELINQUENT PAYMENTS**

30 (1) If Contractor, without good cause as determined in the sole judgment of
31 Director, fails to pay County any amount due to County under this Agreement within 60 calendar

2 charges on such late payment.

3 (a) The amount of said interest charge shall be calculated at a rate
4 equal to County's Treasury Pool Rate, as determined by County's Auditor-Controller, on the
5 delinquent amount due commencing on the sixty-first calendar day after the due date.

6 (2) Contractor shall have an opportunity to present to the Director information
7 bearing on the issue of whether there is a good cause justification for Contractor's failure to pay
8 County within 60 calendar days after the due date.

9 (3) The interest charges shall be: (1) paid by Contractor to County by cash
10 payment upon demand and/or (2) at the sole discretion of Director, deducted from any amounts
11 due to Contractor by County whether under this Agreement or otherwise.

14 at all times.

19 Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal Year for
20 which the change would be applicable, unless otherwise agreed to by County.

21 (a) All changes requested by Contractor shall be made by an
22 amendment pursuant to DMH Legal Entity Agreement Paragraph 40 (ALTERATION OF
23 TERMS).

24 (2) If Contractor requests an increase or decrease in the Maximum Contract
25 Amount, or in the Maximum Program Amount, Contractor shall provide all reports, data, and
26 other information requested by the County, within 15 calendar days of County's request.

27 (a) Contractor's request for consideration of an increase in the Maximum
28 Contract Amount, or in the Maximum Program Amount, must be made and approved prior to
29 Contractor rendering services that exceed the Maximum Contract Amount or the Maximum
30 Program Amount. To the extent that County agrees to increase the Maximum Contract Amount,
31 or a Maximum Program Amount, such approval shall be in the form of an executed amendment

1 to this Agreement. Director will make best efforts to expedite the amendments provided under
2 this Subparagraph (2) (a).

3 (b) Requests received after the Contractor has rendered services in
4 excess of the Maximum Contract Amount, or the Maximum Program Amount, will only be
5 considered on a prospective basis for payment of services rendered after the effective date of
6 any executed amendment. The County shall not be responsible for payment, nor otherwise be
7 liable for, services/activities that Contractor provided in excess of the Maximum Contract Amount
8 or the Maximum Program Amount during any part of the Initial Period, First Automatic Renewal
9 Period or Second Automatic Renewal Period, respectively.

10 **W. DELEGATED AUTHORITY**

11 (1) Notwithstanding any other provision of this Agreement, the Director may,
12 without further action by County's Board of Supervisors, prepare and sign amendments to this
13 Agreement under the following conditions.

14 (a) County's total payments to Contractor under this Agreement, for
15 each Fiscal Year of the term of this Agreement, does not exceed an increase of more than the
16 Board-approved percentage of the current applicable Maximum Contract Amount; and

17 (b) Any such Maximum Contract Amount amendment increase or
18 amendment change shall only be used for additional services or to reflect program and/or policy
19 changes that affect this Agreement; and

20 (c) County's Board of Supervisors has appropriated sufficient funds for
21 all changes described in each such amendment to this Agreement; and

22 (d) Approval of County Counsel and the Chief Executive Officer or their
23 designees is obtained prior to any such amendment to this Agreement.

24 (e) Director shall notify County's Board of Supervisors of all Agreement
25 changes in writing within 30 calendar days following execution of any such amendment(s).

SAFELY SURRENDERED BABY LAW

Posters and Fact Sheets are available in English and Spanish for printing purposes at the following website:

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

In Los Angeles County: 1-877-BABY SAFE 1-877-222-9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
