Dear Supervisors:

**DEPARTMENT OF MENTAL HEALTH: APPROVAL OF NEW
DEPARTMENT OF MENTAL HEALTH LEGAL ENTITY AGREEMENT
WITH TRI-CITY MENTAL HEALTH CENTER
FOR FISCAL YEARS 2007-08, 2008-09 AND 2009-10
(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

Authorize the Department of Mental Health to enter into a new Legal Entity Agreement with Tri-City Mental Health Center for services to Medi-Cal beneficiaries. The new Legal Entity contract will enable Tri-City Mental Health Center to claim Federal Financial Participation Medi-Cal and State General Funds through Department of Mental Health, establish a mechanism to receive timely payment for Medi-Cal services and may generate funds which will permit Tri-City Mental Health Center to repay a portion of the unsecured claims from their bankruptcy filing.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Department of Mental Health (DMH) or his designee to prepare, sign, and execute a new DMH Legal Entity (LE) Agreement (substantially similar to Attachment 1) with Tri-City Mental Health Center (Tri-City MHC) for the provision of outpatient mental health services to Medi-Cal eligible adults and children residing in Pomona, Claremont and La Verne, effective July 1, 2007 for Fiscal Years (FY) 2007-08, 2008-09 and 2009-10. The annualized Maximum Contract Amount (MCA) will be \$2,091,722, retroactive to July 1, 2007. The annualized MCA for FY 2008-09

will be \$3,958,236 and it will be \$3,974,272 for FY 2009-10. Contract payments will be funded with Federal Financial Participation (FFP) Medi-Cal and State General Funds (SGF) money. Tri-City MHC will be providing the local match for Medi-Cal services through Realignment funds it receives directly from the State.

2. Delegate authority to the Director of DMH, or his designee, to prepare, sign, and execute future amendments to this LE Agreement, provided that: 1) the County's total payments to contractor under this Agreement for the applicable fiscal year shall not exceed a change of 20 percent from the applicable revised MCA; 2) any such increase shall be used to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Executive Officer (CEO), or their designee, is obtained prior to any such amendment; 5) County and contractor may, by written amendment, reduce programs or services without reference to the 20 percent limitation and revise the applicable MCA; and 6) the Director of DMH shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval of the recommended actions will enable Tri-City MHC to enhance its services to residents of the Tri-City area. Since May, 2004, Tri-City MHC has not had a contract with DMH, and as a result has not had access to SGF for the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) services it provides to Medicaid eligible children. Moreover, the State has more recently refused to receive claims directly from Tri-City MHC, as it had previously been doing, and has not been claiming FFP for the expenditures Tri-City MHC has made. As a result, Sales Tax Realignment has been Tri-City MHC's only source of revenue since approximately January, 2006. However, the State has indicated that it will claim federal reimbursement and provide SGF as appropriate, for services provided by Tri-City MHC pursuant to a contract with the County. Thus, the recommended action to enter into a new LE Agreement, retroactive to July 1, 2007, will enable Tri-City MHC to claim FFP and SGF through DMH, and will establish a mechanism for it to receive timely payment for Medi-Cal services. This, in turn, will allow Tri-City MHC to increase the number of clients it sees, and decrease the County's expenses for treating residents of the Tri-City area. Moreover, these additional financial resources may allow Tri-City to repay a portion of unsecured claims from their bankruptcy filing.

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the principles of the Countywide Strategic Plan Programmatic Goal No. 5, "Children and Families' Well Being," and Goal No. 7, "Health and Mental Health." Board approval will enhance the mental health services delivery system in Mental Health Service Area 3 for the provision of outpatient mental health services to adults with serious mental illness, as well as children and adolescents who have serious emotional disturbances and their families.

FISCAL IMPACT/FINANCING

For FY 2007-08, the MCA in the amount of \$2,091,722 is fully funded by EPSDT-FFP, EPSDT-SGF, and in non-EPSDT-FFP. Similarly, for FY 2008-09, the MCA in the amount of \$3,958,236 is fully funded by those sources as is the \$3,974,272 MCA for FY 2009-10. Tri-City MHC will be providing the local match for EPSDT and non-EPSDT Medi-Cal through Sales Tax Realignment funds which it receives directly from the State.

The Agreement is limited to Short-Doyle/Medi-Cal services, and provides only for the County to pass-through state and federal money for Medi-Cal services when received. The Agreement does not provide for the typical annual cash flow advance, or payments on approvals.

Moreover, to assure that the County has funds to repay any audit or claims disallowances which may occur, the Agreement allows DMH to hold a percentage of all state and federal payments it receives in an escrow account, until it becomes reasonably certain that such funds will not have to be repaid. The level of the withhold can be adjusted during the term of the contract to the extent empirical data supports an increase or decrease in the percentage.

The Agreement requires Tri-City MHC over the next fiscal year either to treat or to take financial responsibility for non-emergency outpatient mental health services to virtually all residents of the Tri-City area which are presently being provided in DMH directly operated or contracted clinics. This should result in a reduction in DMH expenditures over time.

The execution of the Agreement also makes operative provisions in the Plan of Reorganization approved in the bankruptcy which are designed to increase the amount of repayment the County should receive in connection with the bankruptcy. More particularly, if no Agreement exists, Tri-City MHC will simply distribute its present cash on hand to its creditors on a pro-rata basis. If the Agreement is executed, then the bankruptcy plan contemplates that Tri-City would be able to repay creditors in full over the next three years. Because of additional expenses related to treating a higher

number of clients than was originally anticipated under the Plan, the repayment to the County may actually be significantly less than the total debt, although still higher than the pro-rata distribution if there was no contract.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Tri-City is a Municipal Special District organized in 1961, as a joint powers authority by the cities of Pomona, Claremont and La Verne to provide mental health services to these communities. Tri-City directly receives Sales Tax Realignment revenues from the State of California and is a certified Medi-Cal provider. Prior to the bankruptcy, Tri-City MHC billed and received FFP for Medi-Cal services directly from the State. SGF payments were passed to Tri-City MHC through the County.

In February, 2004, Tri-City MHC filed for Chapter 9 bankruptcy protection. Shortly thereafter, Tri-City MHC terminated its contract with DMH. Tri-City MHC continued to provide services to mental health consumers (1,000 adults and 400 children). Services provided included medication support, mental health services, targeted case management services, crisis intervention and assessments. However, it ceased receiving SGF for EPSDT services provided to Medi-Cal eligible children.

In 2006, an issue arose regarding Tri-City MHC's ability to make Medicaid certifiable public expenditures. It appears that, at least for the present time, this issue has been resolved and Tri-City MHC will be deemed to be capable of making such expenditures, although the certification procedure remains unclear. Additionally, questions arose regarding the appropriateness of the Medi-Cal billing and payment mechanism which had previously been used. This Agreement addresses those questions and assures that compliant billing and payment mechanisms are used. It also has a provision to stay payment and renegotiate the arrangement if Tri-City MHC's ability to incur a certifiable public expenditure changes.

Tri-City MHC has made personnel and organizational changes which have allowed it to emerge from bankruptcy, and its plans suggest that it can operate in a way which will maintain its current solvency.

CONTRACTING PROCESS

Tri-City receives realignment directly from the State of California and is the authority responsible for providing mental health services to the communities of Pomona, Claremont and La Verne. Upon Board approval, the contract with DMH will enable Tri-City to maximize services to its residents and decrease expenses currently incurred by the County for such services.

IMPACT ON CURRENT SERVICES

The requested actions will establish a new Mental Health LE contract with Tri-City MHC which has provided the residents of Pomona, Claremont and La Verne with basic outpatient mental health services since 1961. It is the mission and goal of Tri-City MHC to understand the needs of consumers and their families and to provide high quality, culturally competent mental health services, prevention and education to the low income, mentally ill residents of this area. The Agreement calls for an expansion of Tri-City MHC's service capacity, and a reduction of the number of clients from the Tri-City area who are treated in DMH directly operated or contracted facilities is expected. Moreover, it is anticipated that service quality will be enhanced.

CONCLUSION

The Department of Mental Health will need one copy of the adopted Board actions. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

WILLIAM T FUJIOKA

13 NOW, THEREFORE, Contractor and County agree as follows:

14 **PREAMBLE**

15 For over a decade, the County has collaborated with its community partners to
16 enhance the capacity of the health and human services system to improve the lives of
17 children and families. These efforts require, as a fundamental expectation, that the
18 County's contracting partners share the County and community's commitment to provide
19 health and human services that support achievement of the County's vision, goals, values,
20 and adopted outcomes. Key to these efforts is the integration of service delivery systems
21 and the adoption of the Customer Service and Satisfaction Standards.

22 The County of Los Angeles' Vision is to improve the quality of life in the County by
23 providing responsive, efficient, and high quality public services that promote the self-
24 sufficiency, well-being and prosperity of individuals, families, businesses and communities.
25 This philosophy of teamwork and collaboration is anchored in the shared values of:

- 26
- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |
- 27

28 These shared values are encompassed in the County Mission to enrich lives

1 through effective and caring service and the County Strategic Plan's eight goals: 1)
2 Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal
3 Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health
4 and Mental Health; and 8) Public Safety. Improving the well-being of children and families
5 requires coordination, collaboration, and integration of services across functional and
6 jurisdictional boundaries, by and between County departments/agencies, and community
7 and contracting partners.

8 The basic conditions that represent the well-being we seek for all children and
9 families in Los Angeles County are delineated in the following five outcomes, adopted by
10 the Board of Supervisors in January 1993.

- 11 • Good Health;
- 12 • Economic Well-Being;
- 13 • Safety and Survival;
- 14 • Emotional and Social Well-Being; and
- 15 • Education and Workforce Readiness.

16 Recognizing no single strategy - in isolation - can achieve the County's outcomes of
17 well-being for children and families, consensus has emerged among County and
18 community leaders that making substantial improvements in integrating the County's
19 health and human services system is necessary to significantly move toward achieving
20 these outcomes. The County has also established the following values and goals for
21 guiding this effort to integrate the health and human services delivery system:

- 22 ✓ Families are treated with respect in every encounter they have with the health,
23 educational, and social services systems.
- 24 ✓ Families can easily access a broad range of services to address their needs,
25 build on their strengths, and achieve their goals.
- 26 ✓ There is no "wrong door": wherever a family enters the system is the right
27 place.
- 28 ✓ Families receive services tailored to their unique situations and needs.
- 29 ✓ Service providers and advocates involve families in the process of determining
30 service plans, and proactively provide families with coordinated and
31 comprehensive information, services, and resources.
- 32 ✓ The County service system is flexible, able to respond to service demands for

1 both the Countywide population and specific population groups.

- 2 ✓ The County service system acts to strengthen communities, recognizing that
3 just as individuals live in families, families live in communities.
- 4 ✓ In supporting families and communities, County agencies work seamlessly with
5 public and private service providers, community-based organizations, and
6 other community partners.
- 7 ✓ County agencies and their partners work together seamlessly to demonstrate
8 substantial progress towards making the system more strength-based, family-
9 focused, culturally-competent, accessible, user-friendly, responsive, cohesive,
10 efficient, professional, and accountable.
- 11 ✓ County agencies and their partners focus on administrative and operational
12 enhancements to optimize the sharing of information, resources, and best
13 practices while also protecting the privacy rights of families.
- 14 ✓ County agencies and their partners pursue multi-disciplinary service delivery, a
15 single service plan, staff development opportunities, infrastructure
16 enhancements, customer service and satisfaction evaluation, and revenue
17 maximization.
- 18 ✓ County agencies and their partners create incentives to reinforce the direction
19 toward service integration and a seamless service delivery system.
- 20 ✓ The County human service system embraces a commitment to the disciplined
21 pursuit of results accountability across systems. Specifically, any strategy
22 designed to improve the County human services system for children and
23 families should ultimately be judged by whether it helps achieve the County's
24 five outcomes for children and families: good health, economic well-being,
25 safety and survival, emotional and social well-being, and education and
26 workforce readiness.

27 The County, its clients, contracting partners, and the community will continue to
28 work together to develop ways to make County services more accessible, customer
29 friendly, better integrated, and outcome-focused. Several departments have identified
30 shared themes in their strategic plans for achieving these goals including: making an effort

1 to become more consumer/client-focused; valuing community partnerships and
2 collaborations; emphasizing values and integrity; and using a strengths-based and multi-
3 disciplinary team approach. County departments are also working to provide the Board of
4 Supervisors and the community with a better understanding of how resources are being
5 utilized, how well services are being provided, and what are the results of the services: is
6 anyone better off?

7 The County of Los Angeles health and human service departments and their
8 partners are working together to achieve the following ***Customer Service And***
9 ***Satisfaction Standards*** in support of improving outcomes for children and families.

10 *Personal Service Delivery*

11 The service delivery team – staff and volunteers – will treat customers and each
12 other with courtesy, dignity, and respect.

34 The basis for all County health and human services contracts is the provision of the
35 highest level of quality services that support improved outcomes for children and families.

1 The County and its contracting partners must work together and share a commitment to
2 achieve a common vision, goals, outcomes, and standards for providing services.

23 under this Agreement to other agencies for continuing services in accordance with the
24 patient's/client's needs. Such plans shall be subject to prior written approval of Director or
25 his designee, except that in specific cases, as determined by Contractor, where an
26 immediate patient/client transfer or referral is indicated, Contractor may make an
27 immediate transfer or referral. The County shall cooperate with such transfer activities and
28 to the extent appropriately assist with such transfers. Until the date of the termination,
29 Contractor's reasonable and necessary expenses related to the transfer or referral of
30 clients shall be considered an allowable cost under this Agreement, where Contractor

1 has requested the termination. All costs incurred after the termination date which relate
2 to such transfers or referrals, as well as all costs related to all continuing services by
3 Contractor shall not be a charge to this Agreement nor reimbursable in any way under
4 this Agreement to Contractor.

5 (c) If Contractor is in possession of any equipment, furniture,
6 removable fixtures, materials, or supplies owned by County as provided in Paragraph 44
7 (PURCHASES), the same shall be immediately returned to County.

8 (5) Any termination of this Agreement by County shall be approved by
9 County's Board of Supervisors.

10 D. Suspension of Payments: Payments to Contractor under this Agreement
11 shall be suspended if Director, for good cause, determines that Contractor is in default
12 under any of the provisions of this Agreement. Except in cases of alleged fraud or similar
13 intentional wrongdoing, at least 30 calendar days notice of such suspension shall be
14 provided to Contractor, including a statement of the reason(s) for such suspension.
15 Thereafter, Contractor may, within 15 calendar days, request reconsideration of the
16 Director's decision. Payments shall not be withheld pending the results of the
17 reconsideration process.

18 E. Six Months Notification of Agreement Expiration: Contractor shall notify
19 County when this Agreement is within six (6) months of expiration. Contractor shall send
20 such notice to those persons and addresses which are set forth in Paragraph 61
21 (NOTICES).

22 2. ADMINISTRATION: Director or his designee shall have the authority to administer
23 this Agreement on behalf of County. Contractor shall designate in writing a Contract
24 Manager who shall function as liaison with County regarding Contractor's performance
25 hereunder.

26 3. DESCRIPTION OF SERVICES: Contractor shall provide mental health services in
27 the form as identified on the Financial Summary(ies) and Service Exhibit(s) and in the
28 Program Description of Contractor's Negotiation Package for this Agreement as approved
29 in writing by Director or his designee, including any addenda thereto as approved in writing
30 by Director or his designee. Services provided by Contractor shall be of the same quality

1 regardless of the patient's/client's ability to pay or source of payment.

2 Besides any other obligations imposed by law to provide services to residents of the
3 Tri-City area, Contractor shall be responsible for delivering services covered by this
4 Agreement to clients who are residents of the Tri-City area who are eligible for Medi-Cal
5 specialty mental health services. The parties acknowledge that a substantial number of
6 clients who are residents of the Tri-City area are presently receiving specialty mental
7 health services from agencies operating in or around the La Verne, Pomona or Claremont
8 areas other than Contractor, including but not limited to the County's directly-operated
9 mental health clinics, and that the County has been bearing some or all of the cost of
10 caring for such individuals. Contractor commits to accepting the transfer or referral of up
11 to 1,200 clients who are residents of the Tri-City area, throughout the First Automatic
12 Renewal Period of this Agreement at a rate of 25% per quarter of those clients who are
13 receiving treatment from a County operated or contracted facility or provider as of June 30,
14 2008, however, the number of clients referred or transferred shall not exceed 300 clients
15 per quarter. Such restriction shall not limit Contractor's obligation to provide care to
16 additional residents of the Tri-City area who seek to initiate or restart specialty mental
17 health treatment, and are not being seen at a County operated or contracted facility as of
18 June 30, 2008. The County and Contractor will cooperate to arrange the schedule of
19 transfers/referrals for each quarter. The County will provide to Contractor a list of clients
20 identified to be transferred/referred in each quarter. Contractor and the County will
21 establish a protocol for the provision of appropriate clinical and financial documentation on
22 such clients. In the event that, by the end of each quarter, Contractor is unable to accept
23 some or all of the clients identified in the list and such individuals receive services from a
24 County operated or contracted facility or provider after the end of such quarter, then
25 Contractor shall reimburse the County for its costs of providing or arranging for the
26 provision of such services. For purposes of this paragraph, Contractor shall be deemed to
27 be unable to provide services if it cannot initiate screening, evaluation, or treatment within
28 two weeks of the date of a request by the client or the transferring provider. The amount
29 to be reimbursed shall be determined by the actual local match portion of Short-
30 Doyle/Medi-Cal provisional rate associated with such services to the untransferred clients.

1 The County shall invoice Contractor for such amounts and the invoice shall include,
2 among other things, the names of the clients involved, the dates of service, and the
3 amount due. County shall offset the amount of such invoice against any amounts
4 otherwise due to Contractor unless Contractor remits payment to County within 30 days of
5 receipt of the invoice. The parties agree to work together informally to resolve any
6 disputes over amounts due under this Paragraph 3.

7 Where Contractor determines that services to new clients can no longer be
8 delivered, Contractor shall provide 30 calendar days prior notice to County. The parties
9 will immediately begin negotiations on the disposition of new clients seeking services;
10 however, until such time as an alternative disposition of such clients can be agreed to,
11 Contractor remains financially responsible for their care.

12 Contractor may provide mental health services claimable as Early and Periodic
13 Screening, Diagnosis, and Treatment (EPSDT) services, so long as the baseline level of
14 services has already been provided.

15 If, during Contractor's provision of services under this Agreement, there is any need
16 for substantial deviation from the services as described in Contractor's Negotiation
17 Package for this Agreement, as approved in writing by Director or his designee, including
18 any addenda thereto as approved in writing by Director or his designee, then Contractor
19 shall submit a written request to Director or his designee for written approval before any
20 such substantial deviation may occur. A 30% variance of actual services from those
21 projected and shown by Contractor in the Negotiation Package will be considered a
22 substantial deviation in service delivery.

23 4. FINANCIAL PROVISIONS: In consideration of services and/or activities provided
24 by Contractor, County shall reimburse Contractor in the amount and manner described in
25 Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS) attached thereto and by this
26 reference incorporated herein.

27 5. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:
28 Notwithstanding any other provision of this Agreement, this Agreement shall not be
29 effective and binding upon the parties unless and until County's Board of Supervisors
30 appropriates funds for purposes hereof in County's Budget for County's current Fiscal

1 Year. Further, County shall not be obligated for Contractor's performance hereunder or by
2 any provision of this Agreement during any of County's future Fiscal Years unless and until
3 County's Board of Supervisors appropriates funds for purposes hereof in County's Budget
4 for each such future Fiscal Year. In the event that funds are not appropriated for this
5 Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for
6 which funds were appropriated.

7 **6. THIS PARAGRAPH HAS BEEN INTENTIONALLY LEFT BLANK.**

8
9 **7. STAFFING:** Contractor shall operate throughout the term of this Agreement with
10 staff, including, but not limited to, professional staff, that approximates the type and
11 number as indicated in Contractor's Negotiation Package for this Agreement, as approved
12 in writing by Director or his designee, including any addenda thereto as approved in writing
13 by Director or his designee and as required by WIC and CCR. Such staff shall be qualified
14 and shall possess all appropriate licenses in accordance with WIC Section 5603 and all
15 other applicable requirements of the California Business and Professions Code, WIC,
16 CCR, CR/DC Manual, Los Angeles County DMH Organizational Provider's Manual for
17 Specialty Mental Health Services under the Rehabilitation Option and Targeted Case
18 Management Services, SDMH Policy Letters, and function within the scope of practice as
19 dictated by licensing boards/bodies. If vacancies occur in any of Contractor's staff that
20 would reduce Contractor's ability to perform any services under the Agreement, Contractor
21 shall promptly notify Director or his designee of such vacancies. During the term of this
22 Agreement, Contractor shall have available and shall provide upon request to authorized
23 representatives of County, a list of all persons by name, title, professional degree, and
24 experience, who are providing any services under this Agreement.

25 **8. STAFF TRAINING AND SUPERVISION:** Contractor shall institute and maintain an
26 in-service training program of treatment review and case conferences in which all its
27 professional, para-professional, intern, student and clinical volunteer personnel shall
28 participate. Contractor shall institute and maintain appropriate supervision of all persons
29 providing services under this Agreement with particular emphasis on the supervision of

1 para-professionals, interns, students, and clinical volunteers in accordance with
2 Departmental clinical supervision policy and applicable state law. Contractor shall be
3 responsible for the provision of federal mandatory training for all staff at the time of
4 employment and for subsequent updates as required by Federal and State law including
5 but not limited to HIPAA and Sexual Harassment and for the training of all appropriate
6 staff on the Los Angeles County DMH Organizational Provider's Manual for Specialty
7 Mental Health Services under the Rehabilitation Option and Targeted Case Management
8 Services, CR/DC Manual (as applicable), and other State and County policies and
9 procedures as well as on any other matters that County may reasonably require.

10 Contractor shall document and make available upon request by the Federal, State
11 and/or County, the type and number of hours of training provided to Contractor's officers,
12 employees, agents, and subcontractors as required by State or Federal law or this
13 Agreement.

14 9. PROGRAM SUPERVISION, MONITORING AND REVIEW:

15 A. Pursuant to WIC Section 5608 and CCR Title 9, Section 521, all services
16 hereunder shall be provided by Contractor under the general supervision of Director or his
17 designee. Director or his designee shall have the right to monitor and specify the kind,
18 quality, appropriateness, timeliness, amount of services, and the criteria for determining
19 the persons to be served. Upon receipt of any contract monitoring report pertaining to
20 services under this Agreement which references deficiencies, Contractor shall respond in
21 writing to the particular DMH Contract Monitor within the time specified in the contract
22 monitoring report either acknowledging the reported deficiencies and submitting a plan for
23 immediate correction of all uncontested deficiencies or presenting contrary evidence
24 demonstrating that no deficiency exists. In the event of a State audit of this Agreement, if
25 State auditors disagree with County's written instructions to Contractor in its performance
26 of this Agreement, and if such disagreement results in a State disallowance of any of
27 Contractor's costs hereunder, then County shall be liable for Contractor's disallowed costs
28 as determined by State.

29 B. To assure compliance with this Agreement and for any other reasonable
30 purpose relating to performance of this Agreement, and subject to the provisions of

1 State and Federal law, authorized County, State, and/or Federal representatives and
2 designees shall have the right to enter Contractor's premises (including all other places
3 where duties under this Agreement are being performed), with or without notice, to:
4 inspect, monitor and/or audit Contractor's facilities, programs and procedures, or to
5 otherwise evaluate the work performed or being performed; review and copy any records
6 and supporting documentation pertaining to the performance of this Agreement; and
7 elicit information regarding the performance of this Agreement or any related work. The
8 representatives and designees of such agencies may examine, audit and copy such
9 records at the site at which they are located. Contractor shall provide access to facilities
10 and shall cooperate and assist County, State, and/or Federal representatives and
11 designees in the performance of their duties. Unless otherwise agreed upon in writing,
12 Contractor must provide specified data upon request by County, State, and/or Federal
13 representatives and designees within ten (10) State business days for monitoring
14 purposes.

15 10. PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor
16 shall comply with all applicable Federal, State, and County policies and procedures
17 relating to performance standards and outcome measures. This is applicable whenever
18 specific Federal or State funding, which has policies or procedures for performance
19 standards and/or outcome measures has been included as part of the Contractor's
20 contract and shall apply for all County policies, procedures, or departmental bulletins
21 approved by the Director or his designee for performance standards and/or outcome
22 measures. County will notify Contractor whenever County policies or procedures are to
23 apply to this contract provision at least, where feasible, 30 calendar days prior to
24 implementation.

25 These Federal, State or County performance standards and/or outcome
26 measures identified in Attachment X "Performance Standards and Outcome Measures"
27 will be used as part of the determination of the effectiveness of the services delivered by
28 the Contractor.

29 11. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate
30 Contractor's performance under this Agreement on not less than an annual basis. Such

1 evaluation will include assessing Contractor's compliance with all contract terms and
2 performance standards. Contractor deficiencies which County determines are severe or
3 continuing and that may place performance of the Agreement in jeopardy if not corrected
4 will be reported to the Board of Supervisors. The report will include
5 improvement/corrective action measures taken by the County and Contractor. If
6 improvement does not occur consistent with the corrective action measures, County may
7 terminate this Agreement or impose other financial deductions as specified in this
8 Agreement.

9 12. RECORDS AND AUDITS:

10 A. Records:

11 (1) Direct Service Records: Contractor shall maintain a record of all
12 direct services and indirect services rendered by all the various professional,
13 para-professional, intern, student, volunteer and other personnel to fully document all
14 services provided under this Agreement and in sufficient detail to permit an evaluation and
15 audit of such services. All such records shall be retained, maintained, and made
16 immediately available for inspection, program review, and/or audit by authorized
17 representatives and designees of County, State, and/or Federal governments during the
18 term of this Agreement and during the applicable period of records retention. Such access
19 shall include regular and special reports from Contractor. In the event any records are
20 located outside Los Angeles County, Contractor shall pay County for all travel, per diem,

4 location in Los Angeles County for a minimum period of seven (7) years following
5 discharge of the patient/client or termination of services (except that the records of
6 unemancipated minors shall be kept at least one year after such minor has reached the
7 age of 18 years and in any case not less than seven (7) years), or until County, State
8 and/or Federal audit findings applicable to services provided by Contractor under this
9 Agreement are fully resolved, whichever is later. During such retention period, all such
10 records shall be immediately available and open during County's normal business hours to

15 determines that the results of any such reviews indicate the need for corrective action,
16 Contractor shall within 30 calendar days after receiving the findings of the fiscal and/or
17 program review, either (a) submit a corrective plan of action to DMH, or (b) request a
18 review by the Director. If Contractor requests a review by the Director within the 30
19 calendar days, and if a corrective plan of action is then required, Contractor shall have 30
20 calendar days to submit its corrective plan of action.

23 matter, shall be referred by Contractor to Director for the purpose of presenting his
24 complaint of the alleged discrimination. Such complaint procedures shall also indicate that
25 if such person is not satisfied with County's resolution or decision with respect to the
26 complaint of alleged discrimination, such person may appeal the matter to the State, if
27 appropriate.

28 C. If direct services (i.e., 24-hour services, day services, targeted case

14 terminate or suspend this Agreement. While County reserves the right to determine
15 independently that the anti-discrimination provisions of this Agreement have been violated,
16 in addition, a determination by the California Fair Employment Practices Commission or
17 the Federal Equal Employment Opportunity Commission that Contractor has violated State
18 or Federal anti-discrimination laws or regulations shall constitute a finding by County that
19 Contractor has violated the anti-discrimination provisions of this Agreement.

20 F. In the event that Contractor violates any of the anti-discrimination provisions
21 of this Paragraph 18, County shall be entitled, at its option, to the sum of FIVE HUNDRED

12 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the
13 extent applicable State and/or Federal laws are inconsistent with the terms of the
14 Ordinance.

15 A. A responsible Contractor is a Contractor who has demonstrated the attribute
16 of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily
17 perform the contract. It is the County's policy to conduct business only with responsible
18 contractors.

19 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of
20 the County Code, if the County acquires information concerning the performance of the
21 Contractor on this or other Agreements which indicates that the Contractor is not
22 responsible, the County may, in addition to other remedies provided in the Agreement,
23 debar the Contractor from bidding or proposing on, or being awarded, and/or performing
24 work on County Agreements for a specified period of time, which generally will not exceed
25 five years but may exceed five years or be permanent if warranted by the circumstances,
26 and terminate any or all existing Agreements the Contractor may have with the County.

28 discretion, that the Contractor has done any of the following: (1) violated a term of an
29 Agreement with the County or a nonprofit corporation created by the County; (2)
30 committed an act or omission which negatively reflects on the Contractor's quality, fitness

2 corporation created by the County, or engaged in a pattern or practice which negatively
3 reflects on same; (3) committed an act or offense which indicates a lack of business
4 integrity or business honesty, or (4) made or submitted a false claim against the County or
5 any other public entity.

6 D. If there is evidence that the Contractor may be subject to debarment, the
7 Department will notify the Contractor in writing of the evidence which is the basis for the
8 proposed debarment and will advise the Contractor of the scheduled date for a debarment
9 hearing before the Contractor Hearing Board.

10 E. The Contractor Hearing Board will conduct a hearing where evidence on the
11 proposed debarment is presented. The Contractor and/or the Contractor's representative
12 shall be given an opportunity to submit evidence at that hearing. After the hearing, the
13 Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain
14 a recommendation regarding whether the contractor should be debarred, and, if so, the
15 appropriate length of time of the debarment. The Contractor and the Department shall be
16 provided an opportunity to object to the tentative proposed decision prior to its
17 presentation to the Board of Supervisors.

18 F. After consideration of any objections, or if no objections are submitted, a

20 Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of
21 Supervisors shall have the right to modify, deny or adopt the proposed decision and
22 recommendation of the Hearing Board.

23 G If a Contractor has been debarred for a period longer than five (5) years, that
24 Contractor may, after the debarment has been in effect for at least five (5) years, submit a
25 written request for review of the debarment determination to reduce the period of
26 debarment or terminate the debarment. The County may, in its discretion, reduce the
27 period of debarment or terminate the debarment if it finds that the Contractor has
28 adequately demonstrated one or more of the following: (1) elimination of the grounds for
29 which the debarment was imposed; (2) a bona fide change in ownership or management;
30 (3) material evidence discovered after debarment was imposed; or (4) any other reason

1 that is in the best interests of the County.

2 H. The Contractor Hearing Board will consider a request for review of a
3 debarment determination only where (1) the Contractor has been debarred for a period
4 longer than five (5) years; (2) the debarment has been in effect for at least five (5) years;
5 and (3) the request is in writing, states one or more of the grounds for reduction of the
6 debarment period or termination of the debarment, and includes supporting
7 documentation. Upon receiving an appropriate request, the Contractor Hearing Board will
8 provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board
9 shall conduct a hearing where evidence on the proposed reduction of debarment period or
10 termination of debarment is presented. This hearing shall be conducted and the request
11 for review decided by the Contractor Hearing Board pursuant to the same procedures as
12 for a debarment hearing.

13 The Contractor Hearing Board's proposed decision shall contain a
14 recommendation on the request to reduce the period of debarment or terminate the
15 debarment. The Contractor Hearing Board shall present its proposed decision and
16 recommendation to the Board of Supervisors. The Board of Supervisors shall have the
17 right to modify, deny, or adopt the proposed decision and recommendation of the
18 Contractor Hearing Board.

19 I. These terms shall also apply to subcontractors of County Contractors.

20 53. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY
21 FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff
22 members is restricted or excluded from providing services under any health care program
23 funded by the Federal government, directly or indirectly, in whole or in part, and that
24 Contractor will notify Director within 30 calendar days in writing of: (1) any event that would
25 require Contractor or a staff member's mandatory exclusion from participation in a
26 Federally funded health care program; and (2) any exclusionary action taken by any
27 agency of the Federal government against Contractor or one or more staff members
28 barring it or the staff members from participation in a Federally funded health care
29 program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

30 There are a variety of different reasons why an individual or entity may be excluded

1 from participating in a Federally funded health care program. Sometimes, the exclusion is
2 mandatory and in other cases the Office of Inspector General (OIG) has the discretion not
3 to exclude.

4 The mandatory bases for exclusion include: (1) felony convictions for program
5 related crimes, including fraud or false claims, or for offenses related to the dispensing or
6 use of controlled substances, or (2) convictions related to patient abuse.

7 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to
8 fraud or financial misconduct involving a government program; (2) obstructing an
9 investigation; (3) failing to provide access to documents or premises as required by federal
10 health care program officials; (4) conviction of a misdemeanor related to controlled
11 substances; (5) failing to disclose information about the entity itself, its subcontractors or
12 its significant business transactions; (6) loss of a state license to practice a health care
13 profession; (7) default on a student loan given in connection with education in a health
14 profession; (8) charging excessive amounts to a Federally funded health care program or
15 furnishing services of poor quality or which are substantially in excess of the needs of the
16 patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons
17 controlling or managing excluded entities who knew of the conduct leading to the exclusion
18 can themselves be excluded, and entities which are owned and controlled by excluded
19 individuals can also be excluded.

20 Contractor shall indemnify and hold County harmless against any and all loss or
21 damage County may suffer arising from any Federal exclusion of Contractor or its staff
22 members from such participation in a Federally funded health care program. Contractor
23 shall provide the certification set forth in Attachment VI as part of its obligation under this
24 Paragraph 53.

25 Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute
26 a material breach of Agreement upon which County may immediately terminate or
27 suspend this Agreement.

30 and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor

1 understands and agrees that it is a "*Covered Entity*" under HIPAA and, as such, has
2 obligations with respect to the confidentiality, privacy, and security of patients' medical
3 information, and must take certain steps to preserve the confidentiality of this information,
4 both internally and externally, including the training of staff and the establishment of proper

11 undertaken any responsibility for compliance on Contractor's behalf. Contractor has not
12 relied, and will not in any way rely, on County for legal advice or other representations with
13 respect to Contractor's obligations under HIPAA, but will independently seek its own
14 counsel and take the necessary measures to comply with the law and its implementing
15 regulations.

16 C. Contractor and County understand and agree that each is independently
17 responsible for HIPAA compliance and agree to take all necessary and reasonable actions
18 to comply with the requirements of HIPAA law and implementing regulations related to
19 Transactions and Code Sets, Privacy, and Security. Each party further agrees to
20 indemnify and hold harmless the other party (including their officers, employees and
21 agents) for its failure to comply with HIPAA.

22 D. Contractor and County understand and agree that HIPAA has imposed
23 additional requirements in regards to changes in DMH's County's information system.

24 (1) County desires to clarify County's information system terminology
25 under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment
26 VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to
27 be used with this Agreement.

28 (2) County desires to clarify other HIPAA-related changes set forth in the
29 DMH Provider Manual and which are incorporated herein by reference as though fully set
30 forth.

1 (a) County has added to the DMH Provider Manual a Guide to
2 Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current
3 Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS)
4 codes.

5 (b) County has added to the DMH Provider Manual an Electronic
6 Data Interchange Fact Sheet which includes information about the applicable HIPAA
7 transactions that can be processed in the County's claims processing information system.
8 Effective January 2009 Electronic Data Interchange (EDI) will be the only acceptable
9 method by which Contractor or its Subcontractor(s) may submit HIPAA-compliant
10 transactions.

11 (c) County has added to the DMH Provider Manual a Trading
12 Partner Agent Authorization Agreement which includes the Contractor's authorization to its
13 Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

14 E. Contractor understands that County operates an informational website
15 <http://dmh.lacounty.info/hipaa/index.html> related to the services under this Agreement
16 and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize
17 said website to obtain updates, other information, and forms to assist Contractor in its
18 performance.

19 F. Contractor understands and agrees that if it uses the services of an Agent in
20 any capacity in order to receive, transmit, store or otherwise process Data or Data
21 Transmissions or perform related activities, the Contractor shall be fully liable to DMH or
22 for any acts, failures or omissions of the Agent in providing said services as though they
23 were the Contractor's own acts, failures, or omissions.

24 G. Contractor further understands and agrees that the terms and conditions of
25 the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall
26 apply to this Agreement and that said Terms and Conditions are incorporated by reference
27 as though fully set forth herein.

28 55. COMPLIANCE WITH JURY SERVICE PROGRAM:

29 A. Jury Service Program: This Agreement is subject to the provisions of the
30 County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as

1 codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

2 B. Written Employee Jury Service Policy:

3 (1) Unless Contractor has demonstrated to the County's satisfaction
4 either that Contractor is not a "Contractor" as defined under the Jury Service Program
5 (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the
6 Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and
7 adhere to a written policy that provides that its Employees shall receive from the
8 Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury
9 service. The policy may provide that Employees deposit any fees received for such jury
10 service with the Contractor or that the Contractor deduct from the Employee's regular pay
11 the fees received for jury service.

12 (2) For purposes of this Section, "Contractor" means a person,
13 partnership, corporation or other entity which has an Agreement with the County or a
14 subcontract with a County Contractor and has received or will receive an aggregate sum of
15 \$50,000 or more in any 12-month period under one or more County Agreements or
16 subcontracts. "Employee" means any California resident who is a full-time employee of
17 Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of
18 hours if: 1) the lesser number is a recognized industry standard as determined by the
19 County, or 2) Contractor has a long-standing practice that defines the lesser number of
20 hours as full-time. Full-time employees providing short-term, temporary services of 90
21 days or less within a 12-month period are not considered full-time for purposes of the Jury
22 Service Program. If Contractor uses any subcontractor to perform services for the County
23 under the Agreement, the subcontractor shall also be subject to the provisions of this
24 Section. The provisions of this Section shall be inserted into any such subcontract
25 Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

26 (3) If Contractor is not required to comply with the Jury Service Program when
27 the Agreement commences, Contractor shall have a continuing obligation to review the
28 applicability of its "exception status" from the Jury Service Program, and Contractor shall
29 immediately notify County if Contractor at any time either comes within the Jury Service
30 Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to

1 the Program. In either event, Contractor shall immediately implement a written policy
2 consistent with the Jury Service Program. The County may also require, at any time
3 during the Agreement and at its sole discretion, that Contractor demonstrate to the
4 County's satisfaction that Contractor either continues to remain outside of the Jury Service
5 Program's definition of "Contractor" and/or that Contractor continues to qualify for an
6 exception to the Program.

7 (4) Contractor's violation of this section of the Agreement may constitute a
8 material breach of the Agreement. In the event of such material breach, County may, in its
9 sole discretion, terminate the Agreement and/or bar Contractor from the award of future
10 County Agreements for a period of time consistent with the seriousness of the breach.

11 56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY
12 LAW: The Contractor shall notify and provide to its employees, and shall require each
13 subcontractor to notify and provide to its employees, a fact sheet regarding the Safely
14 Surrendered Baby Law, its implementation in Los Angeles County, and where and how to
15 safely surrender a baby.

16 The fact sheet is set forth in Attachment VII of this Agreement and is also available on the
17 Internet at **www.babysafela.org** for printing purposes.

18 57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO
19 THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the
20 County places a high priority on the implementation of the Safely Surrendered Baby Law.
21 The Contractor understands that it is the County's policy to encourage all County
22 Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a
23 prominent position at the Contractor's place of business. The Contractor will also
24 encourage its subcontractors, if any, to post this poster in a prominent position in the
25 subcontractor's place of business. The County's Department of Children and Family
26 Services will supply the Contractor with the poster to be used.

27 58. **THIS PARAGRAPH HAS BEEN INTENTIONALLY LEFT BLANK.**

28 59. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
29 AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45
30 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from

1 contracting with and making sub-awards to parties that are suspended, debarred,
2 ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded
3 from securing federally funded contracts. By executing this Agreement, Contractor
4 certifies that neither it nor any of its owners, officers, partners, directors or other principals
5 is currently suspended, debarred, ineligible, or excluded from securing federally funded
6 contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge,
7 none of its subcontractors, at any tier, or any owner, officer, partner, director or other
8 principal of any subcontractor is currently suspended, debarred, ineligible, or excluded
9 from securing federally funded contracts. Contractor shall immediately notify County in
10 writing, during the term of this Agreement, should it or any of its subcontractors or any
11 principals of either be suspended, debarred, ineligible, or excluded from securing federally
12 funded contracts. Failure of Contractor to comply with this provision shall constitute a
13 material breach of this Agreement upon which the County may immediately terminate or
14 suspend this Agreement.

15 60. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

16 The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates
17 entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004"
18 (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring
19 Contractors to complete the certification in Attachment IX, the County seeks to ensure that
20 all County contractors which receive or raise charitable contributions comply with California
21 law in order to protect the County and its taxpayers. A Contractor which receives or raises
22 charitable contributions without complying with its obligations under California law commits
23 a material breach subjecting it to either contract termination or debarment proceedings or
24 both. (County Code Chapter 2.202)

25 61. NOTICES: All notices or demands required or permitted to be given under this
26 Agreement shall be in writing and shall be delivered with signed receipt or mailed by first
27 class, registered or certified mail, postage pre-paid, addressed to the parties at the
28 following addresses and to the attention of the persons named. Director shall have the
29 authority to execute all notices or demands which are required or permitted by County
30 under this Agreement. Addresses and persons to be notified may be changed by either

1 party by giving ten (10) days prior written notice thereof to the other party.

5 FINANCIAL PROVISIONS: REIMBURSEMENT BUSINESS RULES, METHODOLOGIES
6 AND LIMITATIONS

7 **A. GENERAL:** This Agreement provides that County shall pay Contractor as
8 provided for in this Financial Exhibit A (FINANCIAL PROVISIONS) (Attachment II to the
9 Department of Mental Health (DMH) Legal Entity Agreement) and as shown in the
10 Financial Summary(ies) (Attachment III to the DMH Legal Entity Agreement) as
11 compensation for the services provided pursuant to the Agreement.

12 (1) This Agreement shall only cover Short-Doyle/Medi-Cal services.

13 (2) Contractor shall comply with requirements necessary for
14 reimbursement as established by Federal, State and local statutes, laws, ordinances,
15 rules, regulations, manuals, policies, guidelines and directives.

16 (3) The State Schedule of Maximum Allowances (SMAs) in effect during
17 the Initial Period, the First Automatic Renewal Period, or the Second Automatic Renewal
18 Period, shall be applicable to this Agreement when adopted by the State.

19 (4) Contractor shall inform County when 75 percent (75%) of the
20 Maximum Contract Amount has been incurred based upon Contractor's own billing
21 records. Contractor shall send such notice to those persons and addresses which are set
22 forth in the Agreement, Paragraph 61 (NOTICES).

23 (5) The maximum reimbursement under this Agreement will, in no event,
24 be more than the Maximum Contract Amount, including any Agreement amendments with
25 a Maximum Contract Amount increase for the applicable fiscal year, specified for each
26 State and/or Federal payer/fund source shown in the Financial Summary(ies) (Attachment
27 III) during the Initial Period, First Automatic Renewal Period and the Second Automatic
28 Renewal Period respectively of this Agreement.

29 (6) Under no circumstances can the total Maximum Contract Amount for
30 any of the periods specified in this Financial Exhibit A (FINANCIAL PROVISIONS),
31 Paragraphs B (Reimbursement for Initial Period) and C (Reimbursement if Agreement is
32 Automatically Renewed) of this Agreement be increased or decreased without a properly

1 executed amendment..

2 **B. REIMBURSEMENT FOR INITIAL PERIOD:** The Maximum Contract
3 Amount for the Initial Period of this Agreement as described in Paragraph 1 (TERM) shall
4 not exceed TWO MILLION NINETY-ONE THOUSAND SEVEN HUNDRED TWENTY-
5 TWO DOLLARS (\$2,091,722) and shall consist of State, and/or Federal funds as shown
6 on the Financial Summary.

7 **C. REIMBURSEMENT IF AGREEMENT IS AUTOMATICALLY RENEWED:**

8 (1) Reimbursement For First Automatic Renewal Period: The Maximum
9 Contract Amount for the First Automatic Renewal Period of this Agreement as described in
10 Paragraph 1 (TERM) shall not exceed THREE MILLION NINE HUNDRED FIFTY-EIGHT
11 THOUSAND TWO HUNDRED THIRTY-SIX DOLLARS (\$3,958,236) and shall consist of
12 State, and/or Federal funds as shown on the Financial Summary.

13 (2) Reimbursement For Second Automatic Renewal Period: The
14 Maximum Contract Amount for the Second Automatic Renewal Period of this Agreement
15 as described in Paragraph 1 (TERM) shall not exceed THREE MILLION NINE HUNDRED
16 SEVENTY-FOUR THOUSAND TWO HUNDRED SEVENTY-TWO DOLLARS
17 (\$3,974,272) and shall consist of State, and/or Federal funds as shown on the Financial
18 Summary.

19 **D. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS:**

20 (1) County payments for Contractor's performance hereunder are:

21 (a) Provisional until the completion of the audit settlement as
22 specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L (Audits,
23 Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement) because such
24 payments are subject to future County, State and/or Federal adjustments. State and/or
25 County adjustments to provisional payments to Contractor may result based upon
26 County's claim processing information system data, State adjudicated Medi-Cal
27 Explanation of Benefits (EOB) claims files, contractual limitations of this Agreement,
28 annual cost report, application of various State and/or Federal reimbursement limitations,
29 and/or County, State or Federal audits, all of which take precedence over monthly
30 reimbursements.

31 (b) To be made by County using the business rules as shown in

1 this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment
2 Procedures and Limitations); and in the Financial Summary(ies) – The Rate Summary
3 (Attachment III) for each of the respective State and/or Federal funding sources(s).

4 (c) Restricted to the services identified in the Financial
5 Summary(ies) – The Rate Summary (Attachment III).

6 (d) Applied at the Legal Entity level.

7 (2) Submission of Bills: In general, unless otherwise agreed to by County
8 and with the exception of this Paragraph D (Billing and Payment Procedures and
9 Limitations), Subparagraph (5) (Claims Submission Timeline Requirements), claims for
10 Short-Doyle/Medi-Cal (SD/MC) are to be entered into the County's claims processing
11 information system within 30 calendar days of the end of the month in which mental health
12 services are delivered, although late claims may be submitted as needed in accordance
13 with State and federal regulations. The parties acknowledge that it will not be possible
14 for Contractor to meet this deadline for services provided between the effective date of the
15 Agreement and the date the Contractor is approved to enter billing data into the County's
16 system. Accordingly, they agree that such claims will be considered timely so long as they
17 are submitted within 60 days of the date Contractor is permitted to enter billing data, or the
18 Medi-Cal claims filing deadline, whichever is later.

19 (a) Contractor shall notify County of any delay in meeting the 30
20 calendar day submission period in the event Contractor is not able to make timely data
21 entry into the County's claims processing information system due to no fault on the part of
22 Contractor. Such Contractor notification must include a description of the problem that the
23 Contractor is having with the County claims processing information system. Notification
24 shall be pursuant to the Legal Entity Agreement, Paragraph 61 (NOTICES), and such
25 notification shall also be made by Contractor to the DMH Chief Information Office Bureau's
26 Help Desk.

27 (b) The County will notify Contractor in writing within 30 calendar
28 days of any County issue(s) which will prevent the entry by Contractor of claiming
29 information into the County claims processing information system, and County will waive
30 the requirement of this Paragraph D (Billing and Payment Procedures and Limitations),
31 Subparagraph (2) (Submission of Bills) in the event of any such County issue(s). Once

1 County has resolved its issue(s), Contractor shall enter billing information into the County's
2 claims processing information system within 30 calendar days of County's resolution date
3 unless otherwise agreed to by County and Contractor.

4 (3) After the State's approval of the monthly claim(s), and County's
5 receipt of revenue for such claims, Contractor shall receive from County provisional
6 payment of Contractor's claimed amount subjected to this Paragraph D (Billing and
7 Payment Procedures and Limitations), and further subject to the escrow provisions in
8 Paragraph G (Escrow of Funds) below.

9 (4) Reimbursement Methodologies: County agrees that aggregate final
10 reimbursement paid through to Contractor under this Agreement, including the Contractor-
11 provided local match, will be based on the following, less all fees paid by or on behalf of
12 patients/clients receiving services hereunder and all other revenue, interest and return
13 resulting from services, and/or funds advanced by County to Contractor hereunder, unless
14 otherwise specified in this Agreement.

15 (a) Cost Reimbursement (CR): Final reimbursement shall be
16 based upon the Contractor's allowable actual costs incurred in providing the mental health
17 services reflected in State approved Medi-Cal Explanation of Benefits (EOB) claims file(s),
18 and County's analysis of the claim's reasonableness subject to the limitations specified in
19 this Financial Exhibit A (FINANCIAL PROVISIONS).

20 i. Reasonable, necessary and proper actual costs will be
21 considered allowable, subject to the limitations specified in this Agreement. The Centers
22 for Medicare and Medicaid Services' Publications #15-1 and #15-2, "The Provider
23 Reimbursement Manual Parts 1 and 2" is to be used to determine allowable costs for
24 federal funds reimbursements. For non-federal funds, allowable costs shall be governed
25 by State law, regulations and/or policy.

26 ii. Additionally, reimbursement for Medi-Cal funded cost
27 reimbursed services is limited to the lowest of:

28 1. The Contractor's published charge(s) to the
29 general public; unless the Contractor is a Nominal Charge Provider. This federal
30 published charges rule is applicable only for outpatient, rehabilitative, case management
31 and 24-hour services.

1 2. The Contractor's actual reasonable and
2 necessary costs. To the extent required by the State of California, reasonable and
3 necessary administrative expenses will be limited to fifteen (15) percent of direct service
4 costs.

5 3. The State's Schedule of Maximum Allowances
6 (SMA).

7 4. The Maximum Contract Amount (MCA) of this
8 Agreement.

9 (b) All monthly claims shall be subject to adjustment based upon
10 the County's claims processing information system reports, remittance advices and
11 Explanation of Benefits (EOB) data, and/or Contractor's annual Cost Report which shall
12 supersede and take precedence over all claims.

13 (c) In addition to the amounts withheld pursuant to Paragraph G
14 (Escrow of Funds) below, Director or his designee may, at any time, make adjustments to
15 any of Contractor's monthly claims where information suggests that such adjustments
16 would be necessary to ensure that Contractor is not paid by County a sum in excess of the
17 amount due to Contractor under the terms and conditions of this Agreement. Director or
18 his designee shall provide Contractor with at least 30 calendar days prior written notice of
19 his intention to make such payment adjustments, including the reason(s) and documentary
20 support for his intended action. Thereafter, Contractor may, within 15 calendar days,
21 request reconsideration of the County's decision. Contractor may request in writing, and
22 shall receive if requested, County's computations for determining any adjustment (s),
23 including any amount(s) withheld, to Contractor's monthly claim pursuant to this
24 paragraph.

25 (d) Director or his designee shall have the option to deny payment
26 for services when documentation of clinical work does not meet minimum State and
27 County written standards. Director or his designee shall provide Contractor with at least
28 30 calendar days written notice of his intention to deny payment, including the reason(s)
29 for his intended actions. Thereafter, Contractor may, within 15 calendar days, request
30 reconsideration of the County's decision. Except as provided in Paragraph G (Escrow of
31 Funds), payment to Contractor shall not be withheld pending the results of the

1 reconsideration process.

2 (5) Claims Submission Timeline Requirements:

3 (a) Six-Month Billing Limit: Unless otherwise determined by State
4 or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for services
5 to eligible individual persons under this Agreement must be received by County within six
6 (6) months from the date of service to avoid possible payment reduction or denial for late
7 billing. Original (or initial) claims received after this six month billing limit without an
8 acceptable good cause reason code may be subject to reduction and/or denial by either
9 the State or County in its capacity as the Mental Health Plan. Exceptions to the six month
10 billing limit can be made for months seven through twelve following the month in which the
11 services were rendered if the reason for the late billing is allowed by the California Welfare
12 and Institutions Code (WIC) Section 14115 and the California Code of Regulation Title 22,
13 section 51008.5.

14 (b) One-Year Billing Limitation: Original (or initial) claims received
15 by the County after the twelfth (12th) month following the date of service will be denied,
16 unless otherwise authorized by State Welfare and Institutions Code (WIC) Section 14115
17 and federal regulations.

18 (6) Claims Certification and Program Integrity: Contractor certifies that all
19 units of service entered by Contractor into the County's claims processing system covered
20 by this Agreement are true and accurate to the best of Contractor's knowledge. In
21 addition, Contractor's Executive Director (or equivalent position) shall certify, using the
22 form at Exhibit A-1 to this Attachment II, for each batch of claims submitted to the County,
23 that all such claims have been individually reviewed for completeness and accuracy, and
24 that to best of his knowledge and belief, medical necessity exists for the services claimed,
25 that a timely service plan which includes the specific service claimed has been prepared
26 for the beneficiary and that an adequate progress note reflecting the service claimed as
27 well as all other necessary information exists, and that the services meet the federal, state
28 and County requirements for coverage and reimbursement under the Short-Doyle/Medi-
29 Cal program. ,Further, Contractor shall annually provide the additional certification set forth
30 in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal Reimbursements"
31 (Exhibit A-2 to this Attachment II) that is related to the Contractor's compliance with

1 specific State and federal statutory and regulatory requirements which are conditions for
2 the reimbursement of Title XIX Short-Doyle/Medi-Cal claims. Contractor understands and
3 acknowledges that the County will be relying on the accuracy of the representations in
4 submitting claims to the State, which will make claims to the federal government, and that
5 intentional or reckless mis-certification could create false claims liability for Contractor.

6 (7) Suspension of Payment:

7 (a) Payments to Contractor may be suspended if Director, for good
8 cause, determines that Contractor is in default under any of the provisions of this
9 Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30
10 calendar days notice of such suspension shall be provided to Contractor, including a
11 statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15
12 calendar days, request reconsideration of Director's decision to suspend payment.
13 Suspension of payment to Contractor shall not take effect pending the results of such
14 reconsideration process.

15 (b) Because payments to Contractor will be suspended if State or
16 federal funds are unavailable for payment of such claims, Director shall immediately notify
17 Contractor upon receiving notification of unavailability of funds from the State for payment
18 on such claims.

19 (8) Contractor agrees to hold harmless both the State and beneficiary in
20 the event County cannot or will not pay for services performed by Contractor pursuant to
21 this Agreement.

22 (9) No Payment for Services Provided Following Expiration/Termination
23 of Contract: Contractor shall have no claim against County for payment of any money or
24 reimbursement, of any kind whatsoever, for any service provided by Contractor after the
25 expiration or other termination of this Agreement. Should Contractor receive any such
26 payment, it shall immediately notify County and shall immediately repay all such funds to
27 County. Payment by County for services rendered after expiration/termination of this
28 Contract shall not constitute a waiver of County's right to recover such payment from
29 Contractor. This provision shall survive the expiration or other termination of this Contract.

30 (10) County shall make payment to Contractor of any federal financial
31 participation funds ("FFP") and/or State General Funds for Early and Periodic Screening

1 Diagnosis and Treatment ("EPSDT-SGF") for State approved claims for services under
2 this Agreement within 30 calendar days of receiving from the State the FFP and/or
3 EPSDT-SGF respectively for such Medi-Cal claim subject to the contractual limitations of
4 this Agreement.

5 **E. ESTABLISHING PROVISIONAL PAYMENT AMOUNTS:**

6 In order to provide cash flow to Contractor, County shall make provisional
7 payments, until such time as final reimbursement for the fiscal period is determined
8 pursuant to the provisions of this Financial Exhibit, including Paragraph D (Billing And
9 Payment Procedures And Limitations) subparagraph 4 (Reimbursement Methodologies).
10 Except as provided in Paragraph S (Public Entity Status) below, the provisional payments
11 for services provided by Contractor pursuant to this Agreement shall be equal to the
12 amount of FFP and EPSDT-SGF (if any) paid by the State, less the amount temporarily
13 withheld pursuant to Paragraph G (Escrow of Funds) below.

14 It is the parties' understanding that State payment for each unit of service
15 shall be based on 100% of the provisional rate for such service designated by the County
16 to the State, or the schedule of maximum allowances, whichever is less. The parties shall
17 agree in advance to the provisional rates which the County designates. The initial
18 provisional rate is specified in the Financial Summary(ies) of this Agreement. To avoid
19 overpayments, the parties agree that the provisional rate shall be based on the
20 Contractor's negotiation package and the filed FYE 6/30/07 cost report and shall include a
21 factor for potential cost increases.

22 Contractor may request revision to one or more of the the provisional rates,
23 and will supply sufficient documentation to the County to demonstrate the need for such
24 revision. Based on the documentation supplied by the Contractor, or such other factors as
25 may reasonably be considered, the County will grant or deny such request or, after
26 discussion with Contractor, modify it.

27 The Contractor shall have, for each service it provides, a published charge,
28 which it will set at its own discretion, and with the understanding that such published
29 charge may act as a limitation on its allowable payment under this Agreement as specified
30 in Paragraph D (Billing And Payment Procedures And Limitations) subparagraph 4(a)(ii).

1 **F. GENERAL ADMINISTRATION REQUIREMENTS FOR TITLE XIX SHORT-**
2 **DOYLE/MEDI-CAL:**

3 (1) Short-Doyle/Medi-Cal (SD/MC) is California's mental health
4 designation for federal Title XIX Medicaid. FFP funds are available for mental health
5 expenditures incurred by a public entity when providing eligible services to Medi-Cal
6 beneficiaries and when local match funds are also expended in rendering those Medi-Cal
7 services. State General Fund (SGF) assistance is also available as local match for Medi-
8 Cal eligible beneficiaries participating in the Early and Periodic Screening, Diagnostic, and
9 Treatment (EPSDT) service. EPSDT is Medicaid's (hence Medi-Cal's) comprehensive
10 and preventive child health program for individuals under the age of 21. Medi-Cal
11 beneficiaries that are eligible for the EPSDT service are assigned specific Medi-Cal aid
12 codes which distinguish their EPSDT eligibility status.

13 (2) County pays any SD/MC FFP and Medi-Cal EPSDT-SGF funds to
14 Contractor in County's capacity as the State designated Mental Health Plan.

15 (3) SD/MC FFP funds and EPSDT-SGF funds shall be paid by County to
16 Contractor only:

17 (a) For State FFP and EPSDT-SGF payments received for State
18 adjudicated approved SD/MC claims less any of such State approved claims that have
19 been voided by Contractor from County's claims processing information system.

20 (b) During the time the Contractor is certified as a Title XIX SD/MC
21 provider.

22 (c) To the extent that this Agreement's applicable Maximum
23 Contract Amount (MCA) includes State EPSDT – SGF, and/or Contractor provides and
24 certifies sufficient local funds which qualify pursuant to the Code of Federal Regulations as
25 the match funds for the SD/MC expenditures, thusly permitting the FFP reimbursement.

26 (d) Upon receipt of the FFP and EPSDT-SGF payments from the
27 State, County will proceed to remit to Contractor pursuant to the terms of Paragraph D
28 (Billing and Payment Procedures and Limitations) subsection (10) such FFP and EPSDT-
29 SGF funds to Contractor as follows:

30 (i) In an amount equal to that of the State paid FFP and
31 EPSDT-SGF for the adjudicated approved SD/MC claim lines totals less the FFP and

1 EPSTD-T-SGF for any of such State approved claims that have been voided by Contractor
2 from the County's claims processing information system and less the amount withheld
3 pursuant to Paragraph G (Escrow of Funds) below.

4 (ii) Such provisional payment shall not exceed the FFP and
5 EPSTD-T-SGF portions limitation for total SD/MC claims specified in this Paragraph F(3) (d).

6 (e) Notwithstanding the requirements above, the Director at his
7 exclusive discretion may advance funds to Contractor where, through no fault of
8 Contractor, receipt of payment of FFP and/or EPSTD-T-SGF funds have been delayed.

9 (4) The Maximum Contract Amount (MCA) of this Agreement shall
10 include FFP and/or EPSTD-T-SGF solely to assist the County in expeditiously processing
11 and initially paying Contractor (because of the internal accounting necessity for
12 appropriation authority) for such claims. This will establish legal authorization by the Board
13 of Supervisors to make payment for the services identified on The Rate Summary
14 (Attachment III, Financial Summary(ies), and Service Exhibit(s)) of this Agreement upon
15 reimbursement by the State. Each Fiscal Year of the term of this Agreement, County shall
16 pay to Contractor for State adjudicated approved claims for Title XIX Short-Doyle/Medi-Cal
17 services only to the extent required by federal laws, regulations, manuals, guidelines, and
18 directives and only after receiving payment from the State for such FFP and EPSTD-T-SGF.
19 To the extent Contractor exceeds the FFP and/or EPSTD-T-SGF amount(s) included in this
20 Agreement, such excess will be paid by County to Contractor only upon Contract
21 Amendment approved by the Board of Supervisors and only to the extent that sufficient
22 local match for the FFP is provided by the Contractor and/or the State; otherwise, such
23 FFP and EPSTD-T-SGF funds will be remitted by County back to the State.

24 (5) Contractor understands and agrees that County's actions in
25 providing assistance in processing claims as the Mental Health Plan for the State and
26 Federal governments is subject to reimbursement from the State and does not render
27 County in any way responsible for the substantive obligation to be ultimately fiscally
28 responsible for payment for Contractor's claims for payment for these Title XIX Short-
29 Doyle/Medi-Cal services. Contractor's ability to retain the Title XIX Short-Doyle/Medi-Cal
30 payment for such State approved claimed services is entirely dependent upon
31 compliance with the law and regulations related to same.

1 (6) Each Fiscal Year of the term of this Agreement, the federal and local
2 match reimbursement for Title XIX Short-Doyle/Medi-Cal services shall be made on the
3 basis of the State's notification to County of the applicable respective federally published
4 Federal Medical Allowance Percentages (FMAPs) and the EPSDT-SGF participation
5 percentage at the time of the date of the service.

6 (a) The FFP and eligible EPSDT-SGF local match funds are part
7 of the applicable Maximum Contract Amount of this Agreement.

8 (b) EPSDT-SGF Local Match and FFP: The EPSDT-SGF funds
9 that qualify under Federal requirements as the local share of eligible Title XIX Short-
10 Doyle/Medi-Cal medical assistance expenditures are identified on the Financial Summary.
11 and are based on the FMAP percentage and the EPSDT baseline and growth, as adjusted
12 by the State. The Contractor is responsible for providing the eligible local matching
13 funds for the EPSDT baseline and the 10 percent local match on the growth in the total
14 State local match above the Contractor's FY 2001-02 level. Additionally, the Contractor
15 shall expend and certify the expenditure of the non-State EPSDT-SGF local share for the
16 Title XIX Short-Doyle/Medi-Cal services provided to beneficiaries receiving EPSDT
17 services from funds eligible for federal matching in Contractor's possession. Further,
18 Contractor shall expend and certify the expenditure of funds that are eligible for federal
19 matching in an amount equal to its EPSDT cost settled baseline as adjusted by the
20 State DMH plus any growth required by the State to be covered with local funds. The
21 parties agree that the Contractor's provisional EPSDT Medi-Cal payments will be based
22 upon the greater of a \$545,664 baseline subject to State adjustments or the countywide
23 interim percentages developed by County for the FFP, EPSDT-SGF and non-SGF local
24 match shares. County shall provide written notification of (a) the applicable percentages
25 and (b) any State adjustment to the \$545,664 baseline to Contractor for each fiscal year
26 of this Agreement. EPSDT-SGF payments will be finalized as a part of the State's cost
27 report settlement process for each fiscal year subject to further adjustment by the
28 State's audit process.

29 (7) Contractor authorizes County to serve as the Mental Health Plan for
30 State claiming and reimbursement for Short-Doyle/Medi-Cal services provided pursuant to
31 this Agreement and to act on Contractor's behalf with SDMH and/or SDHCS in regard to

1 claiming. Contractor shall certify annually in writing that all necessary documentation
2 exists at the time any such claims for Title XIX Short-Doyle/Medi-Cal services are
3 submitted by Contractor to County.

4 (8) Contractor shall be solely responsible for all service data and
5 information submitted by Contractor and shall be liable except to the extent that its data
6 complies with express County rules. County shall submit as the Mental Health Plan to
7 SDMH and/or SDHCS Title XIX Short-Doyle/Medi-Cal services claims and shall timely
8 make available to Contractor any subsequent State approvals or denials of such claims.
9 Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal claims or other State
10 required claims data within the time frame(s) prescribed in Paragraph D (Billing and
11 Payment Procedures and Limitations) subparagraph (5) above. County shall have no
12 liability for Contractor's failure to comply with these time frames.

13 (9) Notwithstanding any other provision of this Agreement, Contractor
14 shall hold County harmless from and against any loss to Contractor resulting from any of
15 the following caused by Contractor: State denials, unresolved EOB claims, and/or any
16 Federal and/or State audit disallowances for such Title XIX Short-Doyle/Medi-Cal services.

17 (10) As the State designated Title XIX Short-Doyle/Medi-Cal Mental Health
18 Plan, County shall submit reimbursement claims to the State in a timely manner only for
19 those services identified and entered by Contractor into the County claim processing
20 information system as appropriate claims compliant with State and federal requirements.
21 Contractor shall comply with all written instructions provided by County and/or State to
22 Contractor regarding Title XIX Short-Doyle/Medi-Cal claiming and documentation.

23 (11) Contractor shall maintain an audit file documenting all Title XIX
24 Short-Doyle/Medi-Cal services, as instructed by County for a period of seven (7) years
25 from the end of the Fiscal Year in which such services were provided or until final
26 resolution of any audits or appeals of those audits, whichever occurs later.

27 (12) County may modify the claiming systems for Title XIX
28 Short-Doyle/Medi-Cal services at any time in order to comply with changes in, or
29 interpretations of, State or Federal laws, rules, regulations, manuals, guidelines, and
30 directives. County shall notify Contractor in writing of any such modification and the
31 reason, if known, for the modification and the planned implementation date of the

1 modification within five (5) business days of County's knowledge of such change.

2 (13) Title XIX Short-Doyle/Medi-Cal Reconciliation Report: Contractor
3 shall complete and certify, in accordance with State and County instructions, and provide
4 DMH with two (2) copies of an accurate and complete Title XIX Short-Doyle/Medi-Cal
5 Reconciliation Report at the legal entity level. If Contractor does not so provide County
6 with the Title XIX Short-Doyle/Medi-Cal Reconciliation Report by the due date, then
7 Director or his designee, in his sole discretion, shall determine which State approved
8 Short-Doyle/Medi-Cal services shall be used by County for completion of the Title XIX
9 Short-Doyle/Medi-Cal Reconciliation Report. The due date is set by the State and is
10 approximately 16 months after the close of the fiscal year.

11 (14) Title XIX Short-Doyle/Medi-Cal Overpayment Recovery Procedures:
12 In the event that County paid Contractor for State approved Title XIX Short-Doyle/Medi-Cal
13 services which are subsequently disallowed by the County, State, and/or Federal
14 governments, County may remove the amount of such payments from the Escrow
15 Account established pursuant to Paragraph G (Escrow of Funds) below, unless the
16 disallowance was based on Contractor's compliance with written County guidelines. If
17 such escrow account does not contain sufficient funds to repay the entire amount of the
18 payments for the disallowed claims, then Contractor shall make payment to County of
19 such any unrepaid amounts. In no event shall County be liable or responsible to
20 Contractor for any State approved Title XIX Short-Doyle/Medi-Cal services that are
21 subsequently disallowed by County, State, and/or Federal governments unless the
22 disallowance was based on Contractor's compliance with written County guidelines.

23 **G. ESCROW OF FUNDS**: Upon County's receipt of payment from the State of
24 FFP or EPSDT-SGF funds for Short-Doyle/Medi-Cal services provided by Contractor
25 under this Agreement, County shall deduct 33% of the amount received and place it in an
26 account to be created with the County Auditor-Controller for this purpose (Escrow
27 Account). Of these amounts, 3% shall relate to potential cost report disallowances, and
28 30% shall relate to claims level disallowances. The funds placed in this account shall
29 accrue interest until such funds are released as provided in this Agreement and the
30 accrued interest shall be treated in the same manner as any other money placed into this
31 fund.

1 Tri-City may request once per year that either or both components of the
2 withhold percentages be reduced and will supply support for such request. County will
3 consider such request and grant it unless, in its good faith judgment, available information,
4 including data it generates, fails to demonstrate that the current percentages are
5 overstated. Additionally, to the extent that new information provided by State at any time
6 indicates that the withhold percentage is either too high or too low, the County may adjust
7 such percentage, after consultation with Tri-City. Moreover, the County will, in the summer
8 of 2008 perform an additional review of the claims withhold percentage and will reduce
9 such percentage if the data supports such a reduction. If Tri-City disagrees with any such
10 adjustment, it may request review by the Chief Deputy Director. Any adjustments made
11 pursuant to this paragraph do not require formal amendment of this Agreement.

12 (1) Release of Funds after Pre-audit Settlement: If the pre-audit
13 settlement provided for in Paragraph K below, determines that funds are owed to
14 Contractor, then County shall release, and within 30 days pay to Contractor, that portion of
15 the Escrow Account which relates to the claims disallowance percentage for the subject
16 fiscal year, up to the amount owed. If the pre-audit settlement determines that Contractor
17 has been overpaid, then County shall remove an amount equal to the overpayment from
18 the Escrow Account. If the amount of the overpayment is less than the amount into the
19 Escrow Account for the subject fiscal year for claims disallowances, County shall pay
20 Contractor the remaining amount in the Escrow Account which relates to the claims
21 disallowance percentage for the subject fiscal year. Notwithstanding the forgoing, if the
22 State has informed County or Contractor that it intends to audit individual claims for the
23 subject fiscal year, County shall have no obligation to release funds to Contractor until
24 such audit has been completed, and a settlement amount determined.

25 (2) Release of Funds after Final Settlement: If the final settlement for the
26 subject fiscal year after State audit reflects that money is due to Contractor, then County
27 shall release from funds in the Escrow Account relating to that fiscal year, plus the related
28 accrued interest, and within 30 days pay to Contractor the amount owed unless there is
29 pending a claims specific audit related to the subject fiscal year. If there remain funds in
30 the Escrow Account related to this fiscal year, such funds shall be returned to the State. If
31 the amount in the Escrow Account is not sufficient to pay Contractor the amounts due

1 under this Agreement, then County shall pay such remaining balance to Contractor within
2 30 days of receiving the additional funds from the State.

3 (3) Release of Funds After Claims Audit: If either the State or County
4 performs a review of individual claims for services rendered by Contractor and determines
5 for any reason that such claims either should not have been paid, or should have been
6 paid at a lesser rate, an overpayment amount will be calculated. County may remove from
7 the Escrow Account sufficient funds to repay State the amount of such overpayment.
8 Such funds may be removed, and repaid to the State notwithstanding Contractor's
9 disagreement with the State or County audit findings, and irrespective of the existence of
10 any appeal.

11 H. GOVERNMENT FUNDING RESTRICTIONS: This Agreement shall be
12 subject to any restrictions, limitations, or conditions imposed by State, including, but not
13 limited to, those contained in State's Budget Act, which may in any way affect the
14 provisions or funding of this Agreement. This Agreement shall also be subject to any
15 additional restrictions, limitations, or conditions imposed by the Federal government which
16 may in any way affect the provisions or funding of this Agreement. In the event that,
17 based on any revision to State or Federal law, Contractor is no longer considered a public
18 entity which is capable of certifying a public expenditure, or making an intergovernmental
19 transfer under federal Medicaid rules, provisions of Paragraph S (Public Entity Status)
20 shall control.

21 I. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY
22 REVENUES, AND INTEREST:

23 (1) Contractor shall comply with all County, State, and Federal
24 requirements and procedures relating to:

25 (a) The determination and collection of patient/client fees for
26 services hereunder based on UMDAP.

27 (b) The eligibility of patients/clients for Short-Doyle/Medi-Cal,
28 Medicare, private insurance, or other third party revenue, and the collection, reporting and
29 deduction of all patient/client and other revenue for patients/clients receiving services
30 hereunder. Contractor shall pursue and report collection of all patient/client and other
31 revenue.

1 (2) All fees paid by patients/clients receiving services under this
2 Agreement and all fees paid on behalf of patients/clients receiving services hereunder
3 shall be utilized by Contractor only for the delivery of mental health service units specified
4 in this Agreement.

5 (3) Contractor shall not retain any fees paid by any resources for or on
6 behalf of Medi-Cal beneficiaries without having those fees deducted from the cost of
7 providing the mental health services from which the fees were derived.

8 (4) Contractor may retain any interest and/or return which may be
9 received, earned or collected from any funds paid by County to Contractor, provided that
10 Contractor shall utilize all such interest and return only for the delivery of mental health
11 services.

12 (5) Failure of Contractor to report in all its monthly claims and in its
13 Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees
14 paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties
15 on behalf of Medi-Cal beneficiaries receiving services hereunder, and all interest and
16 return on funds paid by County to Contractor, shall result in:

17 (a) Contractor's submission of a revised claim statement showing
18 all such nonreported revenue.

19 (b) A report by County to SDMH of all such nonreported revenue
20 including any such unreported revenue paid by any resources for or on behalf of Medi-Cal
21 beneficiaries.

22 (c) Any appropriate financial adjustment to Contractor's
23 reimbursement.

24 **J. ANNUAL COST REPORTS:**

25 (1) For each Fiscal Year or portion thereof that this Agreement is in
26 effect, Contractor shall provide County with two copies of an accurate and complete
27 annual cost report with a statement of expenses and revenue.

28 (2) An accurate and complete annual cost report (annual cost report)
29 shall be defined as a cost report which is completed to the best of the ability of Contractor
30 and is based on the best available data.

31 (3) The annual cost report will be comprised of a separate set of forms

1 for the County and State for the Financial Summary within each legal entity.

2 (4) The annual cost report will be due on December 15th for the fiscal
3 year ending on the previous June 30th or 75 days following the expiration or termination
4 date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend,
5 such report will be due on the following business day.

6 (a) Failure to submit an annual cost report by 30 calendar days
7 after the applicable due date specified in this Paragraph J (Annual Cost Reports),
8 Subparagraph (4) shall constitute a breach of contract. In such instance that Contractor
9 does not submit an annual cost report(s) by such 30 calendar days after the applicable
10 due date specified in Paragraph J (Annual Cost Reports), Subparagraph (4), then all
11 amounts covered by the outstanding annual cost report(s) and paid by County to
12 Contractor in the Fiscal Year for which the annual cost report(s) is (are) outstanding shall
13 be due by Contractor to County. Contractor shall pay County according to the method
14 described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of
15 Payments for Amounts Due to County).

16 (b) If Contractor fails to submit an annual cost report(s) by the due
17 date specified in this Subparagraph (4), and if this Agreement is automatically renewed as
18 provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to
19 not make any further payments to Contractor under this Agreement until the annual cost
20 report(s) is (are) submitted. County shall give Contractor at least 15 business days written
21 notice of its intention to withhold payments hereunder, including the reason(s) for its
22 intended action. Thereafter, Contractor shall have 15 business days either to correct any
23 deficiencies, or to request reconsideration of the decision to withhold payment. Payment
24 to Contractor shall not be withheld if reconsideration is requested, pending the results of
25 the reconsideration process.

26 (c) It is mutually understood and agreed that failure of Contractor
27 to submit an annual cost report(s) by the due date specified in this Subparagraph (4) will
28 result in damages being sustained by County; that the nature and amount of such
29 damages will be extremely difficult and impractical to fix; that the liquidated damages set
30 forth herein are the nearest and most exact measure of damages for such breach that can
31 be fixed at this time; and that the liquidated damages are not intended as a penalty or

1 forfeiture for Contractor's breach. Therefore, in the event of Contractor's failure to submit
2 an annual cost report(s) by the due date specified in this Subparagraph (4), County may,
3 in its sole discretion, assess liquidated damages in the amount of ONE HUNDRED
4 DOLLARS (\$100) for each day that the annual cost report(s) is (are) not submitted.
5 Contractor may request that liquidated damages not be assessed by sending a request to
6 the attention of Director or his designee no later than thirty (30) days prior to the County's
7 Cost Report filing due date specified in this Subparagraph (4) to allow ample time to
8 process. Liquidated damages shall be assessed separately on each outstanding annual
9 cost report. Liquidated damages shall be assessed commencing beginning December
10 16th or on the seventy-sixth day following the expiration or termination date of this
11 Agreement and shall continue until the outstanding annual cost report(s) is(are) received.

12 (5) Each such annual cost report shall be prepared by Contractor in
13 accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and
14 #15-2, "The Provider Reimbursement Manual Parts 1 and 2", the State's Cost
15 Reporting/Data Collections (CR/DC) Manual, and any other written guidelines which shall
16 be provided to Contractor at the Cost Report training, requiring mandatory attendance by
17 Contractor, to be conducted by County by June 30 of the Fiscal Year for which the Annual
18 Cost Report is to be prepared. County may, in its sole discretion, assess liquidated
19 damages in the amount of ONE HUNDRED DOLLARS (\$100) for Contractor's non-
20 attendance at the Cost Report training.

21 (6) If Contractor fails to correct inaccuracies in annual cost report within
22 thirty (30) calendar days after receipt of written notification from the Director or his
23 designee and said inaccuracies result in the loss of reimbursement to the County for
24 claimable amounts that were paid to Contractor, Contractor must return to the County the
25 amount of the loss of reimbursement that the County could have claimed if the inaccuracy
26 was corrected by Contractor.

27 (7) Contractor shall be solely responsible, and shall indemnify County for
28 any loss incurred by County due to Contractor's failure to comply with County and State
29 cost report requirements.

30 K. **PRE-AUDIT FINAL COST REPORT SETTLEMENT:** Based on the Annual
31 Cost Report(s) submitted pursuant to this Financial Exhibit A (FINANCIAL PROVISIONS)

1 Paragraph J (Annual Cost Reports), at the end of each Fiscal Year or portion thereof that
2 this Agreement is in effect and Paragraph F (General Administration Requirements for
3 Title XIX Short-Doyle/Medi-Cal), Subparagraph (13) (Title XIX Short-Doyle/Medi-Cal
4 Reconciliation Report), the State and County will perform a pre-audit final cost report
5 settlement. Such settlement will be subjected to the terms and conditions of this
6 Agreement and any other applicable State and/or federal statutes, regulations, policies
7 and procedural requirements pertaining to cost reporting and settlements for Title XIX
8 Short-Doyle/Medi-Cal.

9 (1) Reimbursement to Contractor shall not exceed the Maximum
10 Contract Amount shown in the Financial Summary(ies) (Attachment III). For purposes of
11 this part, Federal Financial Participation (FFP) for Title XIX Short-Doyle/Medi-Cal services,
12 as well as EPSDT-SGF will be considered by County in the Legal Entity's aggregate total
13 when applying the Maximum Contract Amount limitation by payer. However, the FFP
14 reimbursement by County to Contractor for Title XIX Short-Doyle/Medi-Cal services shall
15 be limited to the maximum FFP for which there is sufficient eligible Contractor/State local
16 match funds, as required by federal statute and regulation. State FFP reimbursement to
17 County for Contractor's State approved Title XIX Short-Doyle/Medi-Cal services that is in
18 excess of the FFP amount for which there is sufficient Contractor/State local match funds
19 will be handled as specified in this Financial Exhibit A (FINANCIAL PROVISIONS),
20 Paragraph F (General Administrative Requirements for Title XIX Short-Doyle/Medi-Cal),
21 Subparagraph (4).

22 (2) County's issuance of its pre-audit cost report settlement findings shall
23 take place no later than 120 calendar days after the receipt by County from the State of
24 the State's Final Cost Report Settlement package for a particular fiscal year.

25 (3) In the event that County's pre-audit cost report settlement findings,
26 including any reconciliation to Contractor's Maximum Contract Amount indicate an amount
27 due the County, Contractor shall pay County according to the method described in this
28 Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of Payments for
29 Amounts Due to County). Contractor shall have a right to dispute a finding that money is
30 due the County using the reconsideration process set forth in the letter notifying Contractor
31 of the amount due, and County shall not recover any disputed amounts until that

1 reconsideration process is complete.

2 L. **AUDITS, AUDIT APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL**
3 **FINAL SETTLEMENT:**

4 (1) At any time during the term of this Agreement or after the expiration
5 or termination of this Agreement, in accordance with State and federal law including but
6 not limited to the California Welfare and Institutions Code (WIC) Sections 14170 and
7 following, authorized representatives from the County, State or Federal governments may
8 conduct an audit of Contractor regarding the Title XIX Short-Doyle/Medi-Cal mental health
9 services provided hereunder.

10 (2) Settlement based on the audit findings will be conducted according to
11 the auditing party's procedures in place. In the case of a State Short-Doyle/Medi-Cal
12 audit, the State and County will perform a post-audit Short-Doyle/Medi-Cal settlement that
13 is based on State audit findings. Such settlement will take place when the State initiates
14 its settlement action which customarily is after the issuance of the audit report by the State
15 and before the State's audit appeal process. However, if the responsible auditing party
16 stays its collection of any amounts due or payable because of the audit findings, County
17 will also stay its settlement of the same amounts due or payable until the responsible
18 auditing party initiates its settlement action with County.

19 (a) County recovery from Contractor of any Federal overpayment
20 shall be made in accordance with all applicable Federal laws, regulations, manuals,
21 guidelines, and directives.

22 (b) County shall issue an invoice to Contractor for any amount due
23 County no later than forty (40) calendar days after the State issues an audit report. The
24 amount on the County invoice is due by Contractor to County thirty (30) calendar days
25 from the date of the invoice, and shall be repaid in accordance with method described in
26 this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of Payments
27 for Amounts Due to County).

28 (3) Contractor may appeal any such audit findings in accordance with the
29 audit appeal process established by the party performing the audit.

30 (a) For Federal audit exceptions, Federal audit appeal process
31 shall be followed.

1 (b) Contractor may appeal the State audit findings related to the
2 cost report in conformance with provisions of Sections 51016 and following Title 22, of the
3 California Code of Regulations. Such appeals must be filed through County. County shall
4 notify Contractor of State appeal time deadlines upon County's receipt from State of the
5 audit report. The first level of appeal is the Informal Conference. The second appeal level
6 is the Formal Hearing, if Contractor appeals the Informal Conference appeal finding(s).
7 The Formal Hearing audit appeal concludes with a Report of Findings which is the final
8 administrative decision

9 (c) In accordance with the Formal Hearing Report of Findings the
10 State will proceed to recompute the final settlement of the Short-Doyle/Medi-Cal cost
11 report for a particular year and settle with the County. The County will perform a post-
12 audit Short-Doyle/Medi-Cal recomputed final settlement based upon the State's final
13 settlement with the County.

14 (d) Contractor may request the County to appeal State findings
15 related to the audit of specific types of claims or services, such as EPSDT, in conformance
16 with the provisions of Section 1810.380 of Title 9 of the California Code of Regulations or
17 such other form of appeal specified by the State in its report of audit findings or settlement.
18 Such appeals must be filed through the County and the time period to do so is extremely
19 short. The County shall notify Contractor of State appeal time deadlines upon County's
20 receipt from State of the audit report, and Contractor shall make its appeal request in
21 writing and provide the documents necessary to submit the appeal at least 10 business
22 days prior to the last date the County's appeal can be filled. Contractor shall assist County
23 in whatever way is necessary in the prosecution of such appeal, including presentation of
24 Contractor's position at hearing if so requested by County, and shall be informed of the
25 results of any such appeal. Nothing in the paragraph shall act as a waiver of Contractor's
26 right to challenge the form of appeal specified by State, including but not limited to, the
27 State's reliance on Section 1810.380 of Title 9 of the California Code of Regulations.

28 (4) Notwithstanding any other provisions of this Agreement, if Contractor
29 appeals any audit report, the appeal shall not prevent the County from recovering from
30 Contractor any amount owed by Contractor that the State has recovered from County.

31 (5) Should the auditing party be the County, Contractor will have thirty

1 (30) calendar days from the date of the audit report within which to file an appeal with
2 County. County will issue an invoice for any amount due County fifteen calendar days (15)
3 after County has notified Contractor of the County's audit appeal findings. The amount on
4 the County invoice is due thirty (30) calendar days from the date of the invoice.

5 (6) Contractor shall pay County according to Paragraph M (Method of
6 Payments for Amounts Due to County).

7 (7) If the post-contract audit and/or post-audit appeal Formal Hearing
8 process conducted by County, State, and/or Federal personnel determines that the
9 County payments to Contractor hereunder are less than the amounts reimbursable
10 pursuant to this Agreement, then that portion of the difference which is funded with FFP or
11 EPSDT-SGF shall be paid by County to Contractor, provided that in no event shall
12 County's Maximum Contract Amount for the applicable Fiscal Year, as shown in this
13 Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs B (Reimbursement for the
14 Initial Period) and C (Reimbursement if Agreement is Automatically Renewed), be
15 exceeded. If such Maximum Contract Amount is exceeded, County will remit payment to
16 Contractor within thirty (30) calendar days of receiving Board authorization to make the
17 payment. County will seek such Board authorization within 30 calendar days after
18 completion of the post-audit and recomputed final settlement Short-Doyle/Medi-Cal
19 processes described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L
20 (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement).

21 **M. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY:** If, at the
22 time an amount payable to the County is determined, there are funds related to the fiscal
23 year to which the debt relates in the Escrow Account created pursuant to Paragraph G
24 (Escrow of Funds) above, County shall withdraw the amount to which it is due from such
25 account, in accordance with the terms of Paragraph G (Escrow of Funds) and will provide
26 notice to Contractor of such withdrawal. If there are no funds remaining in the Escrow
27 Account related to the fiscal year to which the debt relates, or if such funds are not
28 adequate to liquidate the entire amount of the debt, Contractor will within ten (10) business
29 days after written notification by County of the amount due by Contractor to County, notify
30 County as to which of the following five payment options Contractor requests be used as
31 the method by which such amount shall be recovered by County. Any such amount shall

1 be: (1) paid in one cash payment by Contractor to County, (2) deducted from future claims
2 over a period not to exceed three months, (3) deducted from any amounts due from
3 County to Contractor whether under this Agreement or otherwise, (4) paid by cash
4 payment(s) by Contractor to County over a period not to exceed three months, or (5) a
5 combination of any or all of the above. If Contractor does not so notify County within such
6 ten days, or if Contractor fails to make payment of any such amount to County as required,
7 then Director, in his sole discretion, shall determine which of the above payment options
8 shall be used by County for recovery of such amount from Contractor.

9 **N. INTEREST CHARGES ON DELINQUENT PAYMENTS:** If Contractor,
10 without good cause as determined in the sole judgment of Director, fails to pay County any
11 amount due to County under this Agreement within 60 calendar days after the due date,
12 as determined by Director, then Director, in his sole discretion and after written notice to
13 Contractor, may assess interest charges at a rate equal to County's Pool Rate, as
14 determined by County's Auditor-Controller, per day on the delinquent amount due
15 commencing on the sixty-first calendar day after the due date. Contractor shall have an
16 opportunity to present, to Director, information bearing on the issue of whether there is a
17 good cause justification for Contractor's failure to pay County within 60 calendar days after
18 the due date. The interest charges shall be: (1) paid by Contractor to County by cash
19 payment upon demand and/or (2) at the sole discretion of Director or his designee,
20 deducted from any amounts due from County to Contractor whether under this Agreement
21 or otherwise.

22 **O. FINANCIAL SOLVENCY:** Contractor shall maintain adequate provisions
23 against the risk of insolvency. Such provisions shall minimally meet the solvency/working
24 capital criteria specified in the DMH's financial responsibility requirements policy. The fact
25 that some of Contractors revenues are being held in the Escrow Account pursuant to
26 Paragraph G above shall not be basis for finding that Contractor does not meet such
27 financial responsibility requirements.

28 **P. LIMITATION OF COUNTY'S OBLIGATION DUE TO**
29 **NONAPPROPRIATION OF FUNDS:** Notwithstanding any other provision of this
30 Agreement, County shall not be obligated for Contractor's performance hereunder or by
31 any provision of this Agreement during this or any of County's future fiscal years unless

1 and until County's Board of Supervisors appropriates funds for this Agreement in County's
2 Budget for each such fiscal year. So long as Contractor has adequate amounts to qualify
3 as the local match for non-ESPD services, or for ESPD services within the baselines
4 and any associated growth amount, or the State pays sufficient SGF to act as local match,
5 County agrees that the Board of Supervisors will appropriate sufficient amounts to allow
6 Contractor to receive the FFP and EPSDT-SGF for services it provided.

7 **Q. CONTRACTOR REQUESTED CHANGES:**

8 (1) If Contractor desires any change in the terms and conditions of this
9 Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal
10 Year, for which the change would be applicable, unless otherwise agreed to by County
11 and Contractor, and all changes shall be made by an amendment pursuant to DMH Legal
12 Entity Agreement Paragraph 39 (ALTERATION OF TERMS).

13 (2) If Contractor requests to increase or decrease any Maximum Contract
14 Amount, such request and all reports, data, and other information requested by DMH's
15 Contracts Development and Administration Division, shall be received by DMH's Contracts
16 Development and Administration Division for review prior to April 1 of the Fiscal Year in
17 which the increase or decrease has been requested by Contractor.

18 **R. DELEGATED AUTHORITY:** Notwithstanding any other provision of this
19 Agreement, County's Department of Mental Health Director may, without further action by
20 County's Board of Supervisors, prepare and sign amendments to this Agreement during
21 the remaining term of this Agreement, under the following conditions.

22 (1) County's total payments to Contractor under this Agreement, for each
23 Fiscal Year of the term of this Agreement, shall not exceed an increase of more than the
24 Board-approved percentage of the applicable Maximum Contract Amount; and

25 (2) Any such Maximum Contract Amount amendment increase or
26 amendment change shall only be used for additional services or to reflect program and/or
27 policy changes that affect this Agreement; and

28 (3) County's Board of Supervisors has appropriated sufficient funds for
29 all changes described in each such amendment to this Agreement; and

30 (4) Approval of County Counsel and the Chief Executive Officer or their
31 designee is obtained prior to any such amendment to this Agreement; and

1 (5) County and Contractor may by written amendment reduce programs
2 or services and revise the applicable Maximum Contract Amount. The Director or his
3 designee shall provide 15 business days prior written notice of such funding changes to
4 Contractor, including any changes in the amount of services to be received by County, to
5 Contractor, DMH Contracts Development and Administration Division, and to County's
6 Chief Administrative Officer. Any such change in any applicable Maximum Contract
7 Amount shall be effected by an administrative amendment to this Agreement by Director
8 or his designee; and

9 (6) Director shall notify County's Board of Supervisors of all Agreement
10 changes in writing within 30 calendar days following execution of any such amendment(s).

11 **S. PUBLIC ENTITY STATUS:** The provisions of this Financial Exhibit A
12 assume that Contractor is considered a public entity under federal Medicaid rules, and is
13 capable of certifying a public expenditure, with or without additional certification by the
14 State Controller. If County, in good faith, determines that Contractor no longer qualifies as
15 a public entity under federal Medicaid rules, then all payments under this Agreement for
16 services rendered on or after the date Contractor ceased being a public entity shall stop.
17 Prior to making such determination, County shall consult with Contractor, so long as
18 Contractor makes itself available for such discussion within five (5) business days of a
19 request for such conference by County. Contractor and County, working with the State,
20 shall make good faith efforts to enter into a new arrangement which will permit realignment
21 funds assigned by statute to Contractor to act as the local match for Medicaid/Medi-Cal
22 mental health services to the residents of La Verne, Claremont and Pomona provided by
23 Contractor. Contractor acknowledges and agrees that County has no obligation to pay for
24 services provided by Contractor after it ceases to be a public entity under federal Medicaid
25 rules unless a new arrangement, memorialized in a formally approved amendment or new
26 agreement between the parties exists, and that, if Contractor continues to provide services
27 to Medi-Cal beneficiaries, it does so at its own risk. Notwithstanding the above, Contractor
28 may continue to submit claims, and County may continue to make payments to Contractor
29 for services which do not rely on Contractor's expenditure as the basis for the claim for
30 FFP, if and only if County, in its sole discretion, notifies Contractor that it will accept such
31 claims and make such payment.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1-877-BABY SAFE 1-877-222-9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Angeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
