OUTPATIENT MENTAL HEALTH SERVICES AT LAC+USC MEDICAL CENTER
FROM THE DEPARTMENT OF HEALTH SERVICES
TO THE DEPARTMENT OF MENTAL HEALTH**

AND

**REQUEST FOR APPROVAL OF A SOLE SOURCE PROFESSIONAL SERVICES
AGREEMENT WITH USC CARE MEDICAL GROUP, INC. OF THE
UNIVERSITY OF SOUTHERN CALIFORNIA
FISCAL YEARS 2008-09, 2009-10, 2010-11
(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

Request approval to transfer administration of outpatient mental health services at LAC+USC Medical Center from the Department of Health Services to the Department of Mental Health. These actions will also authorize interim ordinance authority for additional Department of Mental Health staff positions, and approve a new sole source professional services agreement for specialized psychiatric and education services (Proposition A) with USC Care Medical Group, Inc. of the University of Southern California for physician services for the outpatient services, and for on-call psychiatric coverage at Augustus F. Hawkins Urgent Care Center.

"To Enrich Lives Through Effective And Caring Service"

**Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the transfer of responsibility for the management and operation of outpatient mental health services at LAC+USC Medical Center (LAC+USC) from the Department of Health Services (DHS) to the Department of Mental Health (DMH). DMH to provide a new family-focused outpatient service known as the LAC+USC Family-Focused Treatment Services (FFTS), effective August 1, 2008, or two weeks after DHS and DMH execute a Memorandum of Understanding on the transfer and operation of LAC+USC mental health outpatient services, whichever is later.
2. Approve interim ordinance authority for 17.0 additional positions identified in Attachment I, of which 11.0 positions will be filled with existing DHS employees, pursuant to Section 6.06.020 of the County Code, subject to allocation by the Chief Executive Office (CEO).
3. Make a finding, as required by Los Angeles County Code Section 2.121.420, that certain specialty psychiatric services as described in the fourth recommendation below can be performed more feasibly by contracting with the private sector, and that it is not feasible to conduct a formal bidding or competitive negotiation process for these critically needed services.
4. Authorize the Director of Mental Health, or his designee, to prepare, sign, and execute a new sole source DMH professional services agreement for specialized psychiatric and education services substantially similar to Attachment II, effective upon transfer of DHS Outpatient Clinic to DMH, with USC Care Medical Group, Inc. (USC Care) for psychiatric and psychiatry training services for the LAC+USC FFTS outpatient services and for weekend and holiday on-call psychiatric coverage at Augustus F. Hawkins (AFH) Urgent Care Center (UCC), funded by Mental Health Services Act (MHSA) funds in the amount of \$892,500 for Fiscal Year (FY) 2008-09.

5. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to the USC Care professional services agreement, provided that: 1) the County's total payments to the USC Care under the agreement for each fiscal year will not exceed an increase of 20 percent from the applicable Board-approved total compensation amount; 2) any such increase will be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the CEO, or their designee, is obtained prior to any such amendment; 5) the County and USC Care may, by written amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health will notify the Board of Supervisors of agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval of the recommended actions will enable DHS to realize operational savings as a result of transferring the outpatient mental health services, while allowing DMH to provide FFTS at LAC+USC for clients of all ages in accordance with their family and social support systems. The transfer will promote DMH's overall transformation of service delivery from traditional individual-oriented clinical services to a recovery model of client- and family-driven, recovery-oriented services and supports, in accordance with the DMH's MHSA Community Services and Supports (CSS) Plan. The transfer is intended to enhance DMH's ability to meet the needs of unserved/underserved populations in Service Area (SA) 4 and ensure that individuals have access to appropriate resources in the network of care.

In addition, the LAC+USC FFTS will provide a model center for the education and training of a variety of much needed mental health specialists, beginning initially with psychiatry residents, and including psychologists, social workers, and other disciplines in the future. The educational program is intended to address DMH's on-going difficulty in recruiting physicians and to develop a workforce with new skills and perspectives necessary to support a recovery-oriented, family-focused approach to care, as outlined in the CSS Plan.

USC Care, on behalf of the University of Southern California's Department of Psychiatry, currently provides the psychiatry/psychology training program in the LAC+USC Medical Center's emergency, urgent care, inpatient and outpatient services, as well as, the physician services for the inpatient psychiatric units at AFH. Contracting with USC Care for physician services/psychiatry training program for the LAC+USC FFTS and the weekend and holiday on-call psychiatric coverage at AFH UCC will promote continuity of care.

Due to DMH's on-going difficulty in recruiting physicians, a situation exacerbated by the drain of the available physician applicant pool to the State correctional and hospital systems, where salaries exceed those offered by the County, the provision of contracted physician services is integral to the success of this transfer. DMH is proposing to enter into a sole source professional services agreement for specialized psychiatric and education services (Proposition A) with USC Care to provide psychiatrists and the psychiatry training program for the LAC+USC FFTS, and also for weekend and holiday on-call psychiatric coverage at AFH UCC.

On November 12, 2006, your Board approved an amendment to the Proposition A ordinance that permits contracting for "physician services" upon a determination that the use of independent contractors is more feasible than County employees. Due to the persistent shortage of physicians throughout the DMH's outpatient services and inability to compete with the salaries offered by the State correctional and hospital systems, it is not feasible for the Department to directly provide physician services.

The transfer and restructuring of LAC+USC outpatient program supports DMH's initiative to bring all outpatient mental health resources within the local community into a geographically responsive system that reflects and effectively addresses the needs of the community served. Additionally, the recommended actions are consistent with DHS' five-year strategic plan that includes the transfer of DHS' outpatient mental health programs to DMH.

Implementation of Strategic Plan Goals

The recommended Board actions support Goal 7, Health and Mental Health, of the County Strategic Plan by improving mental health outcomes and implementing a client-centered service delivery system.

FISCAL IMPACT/FINANCING

The proposed transfer to DMH and transformation of services is estimated to result in savings to DHS of \$1,332,241.

The estimated cost to DMH for implementing the LAC+USC FFTS is \$6,261,000 for FY 2008-09. This amount includes \$1,331,000 for the cost of 17.0 full-time equivalents (FTE) positions and \$4,930,000 in associated LAC+USC FFTS program costs, including \$747,000 to fund up to 15.0 FTE psychiatry residents to receive training and clinical experience as part of the mental health program provided at the LAC+USC FFTS, as well as, \$481,025 in occupancy costs paid through a Departmental Service Order to DHS.

In addition, DMH will establish a new professional services agreement with USC Care for a sum of \$892,500 that includes \$856,136 for the LAC+USC FFTS and \$36,364 annually for the provision of weekend and holiday on-call physician coverage at the AFH UCC. USC Care provided some services at AFH UCC in the past fiscal year through a purchase order. The costs for physician services are funded by MHSA.

The requested actions will be funded by \$3,024,000 in MHSA funding, \$1,528,000 in estimated federal funding, \$396,000 in estimated State funding, and \$1,313,000 of County general funds, which had previously been paid by DMH through an Interagency Agreement with DHS for the LAC+USC outpatient clinic.

Funding has been included in DMH's FY 2008-09 Adopted Budget. Additional funding and any adjustments required between Salaries and Employee Benefits and Services and Supplies allocations will be included in the FY 2008-09 Supplemental Budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Upon Board approval, the restructured mental health program at LAC+USC will provide outpatient mental health services to approximately 2,200 adults and children, utilizing a treatment model that is family-focused and promotes wellness, recovery, and resilience critical to service delivery, and the training of future mental health providers.

FFTS teams will provide crisis and brief family-focused treatment and wellness services that include therapeutic and peer support activities provided to individuals and families. Services will include assessment of individuals' and families' needs and desired services; development of services and supports plans and service provision, including medication support; individual, group and family therapy; linkage to housing, Full Service Partnerships, primary health care services, peer and family support activities, and other services available under MHSA. Co-occurring substance dependency and abuse issues will be addressed at all levels of service delivery.

The family-focused model is well suited to the underserved ethnic populations represented in the communities served by LAC+USC Medical Center. Outreach, engagement, and culturally competent service delivery for these focal populations will be critical components of this model.

The LAC+USC FFTS educational program will be integrated with the urgent care, emergency, and inpatient components at LAC+USC Medical Center, as well as with the SA 4 network of care providers. The new Agreement with USC Care will include payment for psychiatry residents training, physician services and start-up costs. It will also include payment on behalf of USC Care of "tithes" to the University of Southern California which provides support and benefit to the physicians related to their clinical and academic responsibilities.

DHS will continue to provide emergency and inpatient psychiatric services at LAC+USC Medical Center.

The proposed actions have been reviewed and approved by County Counsel, the CEO, and DMH and DHS' Directors and Program, Fiscal, and Human Resources staff.

CONTRACTING PROCESS

DMH is proposing to execute a sole source contract for psychiatric and psychiatry training with USC Care. USC Care is uniquely qualified to provide physician services for the LAC+USC FFTS and on-call coverage at AFH UCC in that it currently provides psychiatric services and a psychiatric training program for the emergency, outpatient and inpatient services at LAC+USC and psychiatric inpatient services at AFH. The design of the new LAC+USC FFTS program relies on USC physicians to ensure an integrated continuum of psychiatric care intended to reduce the demand on the emergency and inpatient services. DMH has met the County's requirement for advance notification of intent to negotiate a sole source services contract in its notification letter to your Board dated April 23, 2008 (Attachment III).

Following Board approval of the transfer, DMH and DHS will formalize a Memorandum of Understanding to govern the transfer of responsibility for the management and operation of mental health services at LAC+USC.

IMPACT ON CURRENT SERVICES

The LAC+USC FFTS program model, through the utilization of integrated teams of educators, clinicians and trainees responsible for treating individuals in their family context, will provide an innovative and effective approach to service provision and workforce development. The LAC+USC FFTS will also enhance linkage and collaboration with the SA 4 network of care providers, including the full range of recovery-oriented services available through the MHSA.

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT for Specialized Psychiatric and Education Services (hereafter "Agreement") is made and entered into this _____ day of __, 2008, by and between USC Care Medical Group, Inc. _____ (hereafter "CONTRACTOR") and the County of Los Angeles, on behalf of its Department of Mental Health (hereafter "COUNTY").

RECITALS

WHEREAS, the COUNTY Department of Health Services is transferring responsibility for management and operation of the outpatient mental health services at Los Angeles County + University of Southern California (LAC+USC) Medical Center to COUNTY Department of Mental Health (DMH); and

WHEREAS, COUNTY, as a result of this transfer, is transforming the existing outpatient mental health services at LAC+USC to a Family-Focused Treatment Services (FFTS) program funded, in part, by the Mental Health Services Act (MHSA) and which will serve clients of all ages in the context of their family and social supports systems to promote wellness, recovery, and resilience in their clients and physician services are critical to this service delivery and the training of future mental health providers; and

WHEREAS, COUNTY has a need to contract with CONTRACTOR for the provision of psychiatric and educational services at LAC+USC FFTS and it is not feasible for COUNTY to directly provide these services due to a current shortage of physicians; and

WHEREAS, COUNTY, as a result of the shortage of physicians and infeasibility of COUNTY to provide psychiatric on-call services, also has a need to contract with CONTRACTOR to provide weekend and holiday on-call psychiatric coverage at Augustus F. Hawkins Urgent Care Center (AFH UCC); and

WHEREAS, CONTRACTOR is specifically trained and possesses the skills, experience, education and competency necessary for the provision of (1) physician services, including but not limited to psychiatric evaluation diagnosis, and medication prescription services and the provision of specialized treatment services for individuals with co-occurring mental illness and substance abuse issues utilizing state of the art knowledge of co-occurring disorders, psychopharmacology, and novel approaches to interventions and

rehabilitation (collectively referred to as "physician services") and (2) enhanced training opportunities for USC clinical interns and psychiatry residents within the field of community mental health and non-university public sector settings, including providing training and supervision of interns, residents, and other staff (referred to as "education services"; and

WHEREAS, the COUNTY desires to engage CONTRACTOR for such special services upon the terms provided in this Agreement; and

WHEREAS, the County is authorized by Government Code Section 31000 to contract for such special services, including those contemplated herein.

NOW, THEREFORE, in consideration of the mutual covenants, conditions, representations and warranties contained herein, it is agreed by and between COUNTY and CONTRACTOR as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human service that support achievement of the County's vision, goals, values and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals; 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being;

6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated comprehensive information, services and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.

- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well being, safety and survival, emotional and social well-being, and education and workforce readiness. The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and

collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

- ✓ The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting

partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

County's failure to exercise this right of immediate suspension shall not constitute a waiver of such rights, and the same may be exercised upon the foregoing conditions at any subsequent time. Immediate suspension hereunder shall be effected by delivery to Contractor of a written "Notice of Immediate Suspension" which shall be effective upon receipt of such "Notice of Immediate Suspension."

D. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 57 (NOTICES).

E. Suspension of Payments: Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

5. COMPENSATION:

A. In consideration of the performance by Contractor in a manner satisfactory to County of the services described in Exhibit A, Contractor shall be paid in accordance with the Fee Schedule established in Exhibit B.

B. Total compensation for all services furnished hereunder shall not exceed the sum of EIGHT HUNDRED NINETY-TWO THOUSAND FIVE HUNDRED DOLLARS (\$892,500) for Fiscal Year 2008-09; EIGHT HUNDRED NINETY-TWO THOUSAND FIVE HUNDRED DOLLARS (\$892,500) for Fiscal Year 2009-10; AND EIGHT HUNDRED NINETY-TWO THOUSAND FIVE HUNDRED DOLLARS (\$892,500) for Fiscal Year 2010-11.

C. In no event shall County pay Contractor more than this Total Compensation Amount ("TCA") for Contractor's performance hereunder. Payment to Contractor shall be only upon written approval of the service report or invoice by County's Program Manager or his/her designated representative.

D. DELEGATED AUTHORITY: Notwithstanding any other provision of this Agreement, County's Department of Mental Health Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Agreement during the remaining term of this Agreement, under the following conditions:

(1) County's total payments to Contractor under this Agreement, for each Fiscal Year of the term of this Agreement, shall not exceed an increase of 20 percent from the Board-approved TCA; and

(2) Any such amendment increase shall only be used to provide additional services or to reflect program and/or policy changes that affect this Agreement; and

(3) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Agreement; and

(4) Approval of County Counsel and the Chief Executive Officer (CEO) or, their designee, is obtained prior to any such amendment to this Agreement; and

(5) County may, by written amendment, reduce programs or services and revise the applicable TCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH's stakeholders' process and will reflect DMH's Adopted Budget approved by the Board; and

(6) The Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after the end of the month in which each Amendment was executed.

E. Payment to the Contractor shall be made on a monthly basis on the 15th of each month based on the following:

(1) For services rendered in support of the LAC+USC FFTS: Payment shall be based on the Units of Service entered into the County DMH IS system for services provided for the preceding month. . Contractor shall submit invoices to:

County of Los Angeles

Attn: Edward Vidaurri

F. County acknowledges that input of the Units of Service into the IS system will be done by County employees and the County will make a good faith effort to enter claims into the system in a timely manner and generally within 14 days from the date the complete service logs were provided to the County by the Contractor. Contractor shall immediately notify the County's Program Manager if it feels that entry of its Units of Service are being delayed by the County.

G. Contractor shall inform County when up to 75 percent (75%) of the Total Compensation Amount has been incurred. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 57 (NOTICES).

H. No Payment for Services Provided Following Expiration/Termination of Contract:
Contractor shall have no claim against County for payment of any money or reimbursement of any money, or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or earlier termination of this Agreement. Should Contractor receive any such payment, it shall immediately

notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

I. Budget Reductions: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement to the extent that funding for such services remains part of the Agreement. Any reductions under this Section shall effect only payments for services provided five (5) business days or more after Contractor's receipt of County's notice and shall not effect payments for services already furnished or furnished within the five (5) business days following such receipt.

6. RECORDS AND AUDITS

A. Records of Services Rendered: Contractor shall prepare and maintain accurate and complete financial records of its activities and operations as they relate to services provided under this Agreement in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete personnel time records and other records of all services provided hereunder by Contractor's psychiatrists. All such records shall include supporting documentation and other information sufficient to fully and accurately reflect Contractor's provision of services hereunder, and all charges billed to County. All such records shall be retained by Contractor for a minimum period of five (5) years following the expiration or earlier termination of this Agreement. During such five (5) years, as well as during the term

of this Agreement, all such records shall be made available by Contractor at a location in Los Angeles County and shall be made available during County's normal business hours to representatives of County's Auditor-Controller and the Department of Mental Health Services for purposes of inspection and audit.

B. Federal Access to Records: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. Section 1395(v)(1)(I)] is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States, or to any of their duly authorized representatives, the contract, books, documents, and records of Contractor which are necessary to verify the nature and extent of the cost of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through a subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve-month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents, and records of the subcontractor.

C. Audit Reports: In the event that an audit is conducted of Contractor by a Federal or State auditor, Contractor shall file a copy of each such audit report(s) with County's Auditor-Controller Department within thirty (30) days of receipt thereof unless otherwise provided for under this Agreement, or under applicable State or Federal regulations. To the extent permitted by law, County shall maintain the confidentiality of all such audit report(s).

D. Audit/Compliance Review: In the event County representatives conduct an audit/compliance review of Contractor, Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all records of services rendered, including personnel time records, and all financial records and reports pertaining to, and required, under this Agreement and shall allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County shall reimburse Contractor its customary charge for record copying services, if requested. Director shall provide Contractor with at least ten (10) working days prior written notice of any audit/compliance review.

County may conduct a statistical audit/compliance review of all claims paid by County during a specified period. The sample shall be determined in accordance with generally accepted auditing standards. An exit conference shall be held following the performance of any such audit/compliance review at which time the results shall be discussed with Contractor. Contractor shall be provided with a copy of any written evaluation report(s).

Contractor shall have the opportunity to review County's findings for Contractor, and Contractor shall have thirty (30) days after receipt of County's audit/compliance review results to provide documentation to the County representatives to resolve audit exceptions. If, at the end of the thirty (30) day period there remain audit exceptions which have not been resolved to the satisfaction of County's representatives, then the exception rate found in the audit or sample results shall be applied to the total County payments made to Contractor for all claims paid during the audit/compliance review period to determine Contractor's liability to County.

E. County Audit Settlements: If, at any time during the term of this Agreement or at any time within five (5) years after the expiration or earlier termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the services provided to County hereunder, and if such audit finds that County's dollar liability for such services is less than payments made by County to Contractor then Contractor agrees that the difference shall be either: (1) repaid forthwith by Contractor to County by cash payment, or (2) at Director's option, deducted from any further amount due to Contractor from County. If such audit finds that County's dollar liability for services provided hereunder is more than payments made by County to Contractor, then the difference shall be paid forthwith by County to Contractor by cash payment, provided however that such payment does not exceed the Maximum Contract Amount.

F. Failure to Comply: Failure of Contractor to comply with the requirements of this Paragraph shall constitute a material breach of this Agreement upon which County shall give Contractor a written "Notice of Material Breach". If such breach has not been cured within ten (10) business days following the

giving of such Notice, then County may, at County's sole discretion, immediately terminate this Agreement pursuant to the provision of Paragraph 13, TERMINATION OF AGREEMENT, in the body of this Agreement. County's failure to exercise this right of termination shall not constitute waiver of such right, and the same may be exercised at any subsequent time.

7. REPORTING RESPONSIBILITY AND USE OF COUNTY RESOURCES:

A. County's Program Manager:

(1) Contractor shall report to County's Program Manager who shall be responsible for coordination of all administrative and contractual matters relating to this Agreement, the approval of all invoices submitted hereunder by Contractor, and final acceptance of all documentation and work. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

4) Notification of Incidents, Claims or Suits: Contractor shall report to County:

Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allow ability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all Subcontractor personnel providing services under such subcontract. Contractor shall assure that any Subcontractor personnel not approved by County shall be immediately removed from the provision of any services under the particular subcontract or that other action is taken as requested by County. E. Contractor shall inform all of its physicians who may provide services under this Agreement in writing of the provisions of this Paragraph. A copy of such written notice shall be retained by Contractor for purposes of inspection and audit and made available to County upon request.

23. COUNTY LOBBYIST: Contractor, and each County lobbyist or County lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, shall fully comply with County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may immediately terminate or suspend this Agreement.

24. ANTI-DISCRIMINATION: Contractor certifies and agrees that all persons employed by Contractor, its affiliates, subsidiaries or holding companies, are and will be treated equally by Contractor without regard to or because of race, religion, ancestry, national origin or sex, and in compliance with all anti-discrimination laws of California and the United States. Contractor certifies and agrees that it will deal with its Subcontractors, bidders or vendors without regard to or because of race, religion, ancestry, national origin or sex. Contractor shall allow County access to its employment records during regular business hours to verify compliance with these provisions when so requested by County. If County finds that any of these provisions

have been violated, such violation shall constitute a material breach of contract upon which County may determine to cancel, terminate, or suspend this Agreement. In addition to an independent finding by County of such violation, a finding by the State of California or by the United States of violation shall constitute a finding by County of such violation.

Contractor and County agree that in the event of a violation by Contractor of the anti-discrimination provisions of this Agreement, County shall, at its option, be entitled to the sum of Two Thousand Dollars (\$2,000.00) pursuant to California Civil Code Section 1671 as damages in lieu of canceling, terminating, or suspending this Agreement.

25. PROJECT PERSONNEL ARE AGENTS OF CONTRACTOR: Contractor represents and warrants that all individuals performing work under this Agreement including, but not limited to, the individuals listed in Exhibit D hereto, and their agents and Subcontractors, are fully authorized agents of Contractor for all purposes of this Agreement, and have actual and full authority to perform all activity and work related to this Agreement on behalf of Contractor.

26. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determination with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, and service,

the provision of travel or entertainment, or tangible gifts.

27. TERMINATION FOR DEFAULT:

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

If County has reasonable justification to believe that Contractor, or any of its physicians, may be engaging in a course of conduct which poses an unreasonable danger to the life or health of any County patient or County patients, County's failure to exercise this right of immediate termination shall not constitute a waiver of such right, and the same may be exercised upon the foregoing conditions at any subsequent time.

B. In the event that County terminates this Agreement as provided in Paragraph 27, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph 27 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

28. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF OR FORMER COUNTY EMPLOYEES ON A REEMPLOYMENT LIST: Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County

employees who are targeted for layoff or qualified former County employees who are on a reemployment list during the term of this Agreement.

29. CONSIDERATION OF GAIN PROGRAM PARTICIPANTS FOR EMPLOYMENT: Should Contractor require additional or replacement personnel after the effective date of this Agreement, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program who meet Contractor's minimum qualifications for the open position. The County will refer GAIN participants by job category to the Contractor.

30. CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor's Warranty of Adherence to County's Child Support Compliance Program: Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholdings Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

B. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set forth pursuant to Paragraph 30 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default under this Agreement. Without limiting the rights and remedies available to County under

any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 27 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

31. AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement on its behalf is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

32. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

33. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

34. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that

the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for

which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to Subcontractors of County Contractors.

35. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its Subcontractors, at any tier, or any owner,

officer, partner, director or other principal of any Subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its Subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

36. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal Government, directly or indirectly, in whole or in part, and that Contractor will notify Director within (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal Government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8)

charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit E as part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

37. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a "*Covered Entity*" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County desires to clarify County's information system terminology under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the DMH Provider Manual and which are incorporated herein by reference as though fully set forth.

(a) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the DMH Provider Manual an Electronic Data Interchange Fact Sheet which includes information about the applicable HIPAA transactions that can be processed in the County's claims processing information system. Effective January 2009 Electronic Data Interchange (EDI) will be the only acceptable method by which Contractor or its Subcontractor(s) may submit HIPAA-compliant transactions.

(c) County has added to the DMH Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website <http://dmh.lacounty.info/hipaa/index.html> related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other

information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

38. COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-

standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for the County under the Agreement, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

39. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit F of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

40. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY

SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

41. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records and information, including, but not limited to, claims, billings, County records, and patient records, in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality, including, but not limited to, Welfare and Institutions Code (WIC) Sections 5328 through 5330, inclusive. Contractor shall inform all its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Agreement. Contractor shall indemnify and hold harmless County, its officers, employees and agents, from and against any and all loss, damages, liability and expense arising out of any disclosures of such records and/or information by Contractor, its officers, employees, or agents.

42. PATIENTS'/CLIENTS' RIGHTS: Contractor shall comply with all applicable patients'/clients' rights provisions, including, but not limited to, WIC Section 5325 et seq., California Code of Regulations (CCR) Title 9, Section 850 et seq., and CCR Title 22. Further, Contractor shall comply with all patients'/clients' rights policies provided by County. County Patients' Rights Advocates shall be given access by Contractor to all patients'/clients, patients'/clients' records, and Contractor's personnel in order to monitor Contractor's compliance with all applicable statutes, regulations, manuals and policies.

43. LICENSES, PERMITS, REGISTRATIONS AND CERTIFICATES: Contractor shall obtain and maintain in effect during the term of this Agreement all appropriate licenses, permits, registrations and/or certificates required by law for the operation of its business and for the provision of services under this Agreement. Copies of all such applicable licenses, permits, registrations and/or certificates shall be delivered to County's Program Manager, prior to commencing services under this Agreement.

Contractor shall further ensure that all its personnel, including all its physicians, who perform services hereunder obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations and certificates required by law which are applicable to their performance hereunder. Copies of such licenses shall be made available to County upon request.

44. RULES AND REGULATIONS: During the time Contractor and/or Contractor's personnel are at the LAC+USC FFTS, such persons shall be subject to the rules and regulations of the LAC+USC FFTS. It is the responsibility of Contractor to acquaint itself and such persons who may provide services hereunder with such rules and regulations. Contractor shall immediately and permanently withdraw any of its personnel from the provision of services hereunder upon receipt of oral or written notice from County Program Manager that (i) such person has violated such rules or regulations, or (ii) such person's actions, while on County premises, may harm County patients. County Program Manager shall provide Contractor with a written statement of the facts supporting any such violation or action.

45. STAFF PERFORMANCE WHILE UNDER THE INFLUENCE: Contractor shall not knowingly permit any person to perform services hereunder while under the influence of any alcoholic beverage, medication, narcotic or other substance that might impair his/her physical or mental performance.

46. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

47. WARRANTY AGAINST CONTINGENT FEES: Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for any commission, percentage, brokerage, or contingent fee, excepting bona fide

employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business. For Contractor's breach or violation of this warranty, County may, in its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

48. NONDISCRIMINATION IN SERVICES:

A. Contractor shall not discriminate in the provision of services hereunder because of race, religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap or medical conditions, in accordance with requirements of Federal and State law. For the purpose of this Paragraph 48, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is different, or is provided in a different manner or at a different time, from that provided to others; subjecting any person to segregation or separate treatment in any matter related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirement or condition which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Agreement are provided services without regard to ability to pay or source of payment, race, religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap, or medical conditions.

B. Contractor shall establish and maintain written complaint procedures under which any person applying for or receiving any services under this Agreement may seek resolution from Contractor of a complaint with respect to any alleged discrimination in the rendering of services by Contractor's personnel. Such procedures shall also include a provision whereby any such person, who is dissatisfied with Contractor's resolution of the matter, shall be referred by Contractor to Director for the purpose of presenting his complaint of the alleged discrimination. Such complaint procedures shall also indicate that if such person is not satisfied with County's resolution or decision with respect to the complaint of alleged

discrimination, such person may appeal the matter to the State, if appropriate.

C. If direct services (i.e., 24-hour services, day services, targeted case management, mental health services, medication support, and crisis intervention) are provided hereunder, Contractor shall have admission policies which are in accordance with CCR Title 9, Sections 526 and 527, and which shall be in writing and available to the public. Contractor shall not employ discriminatory practices in the admission of any person, assignment of accommodations, or otherwise. Any time any person applies for services under this Agreement, such person shall be advised by Contractor of the complaint procedures described in the above paragraph. A copy of such complaint procedures shall be posted by Contractor in a conspicuous place, available and open to the public, in each of Contractor's facilities where services are provided under this Agreement.

49. REPORTING OF PATIENT/CLIENT ABUSE AND RELATED PERSONNEL REQUIREMENTS:

A. Elders and Dependent Adults Abuse: Contractor, and all persons employed or subcontracted by Contractor, shall comply with WIC Section 15600 et seq. and shall report all known or suspected instances of physical abuse of elders and dependent adults under the care of Contractor either to an appropriate County adult protective services agency or to a local law enforcement agency, as mandated by WIC Sections 15630, and permitted by 15631 and 15632. Contractor and all persons employed or subcontracted by Contractor, shall make the report on such abuse, and shall submit all required information, in accordance with WIC Sections 15630, 15633 and 15633.5.

B. Minor Children Abuse: Contractor and all persons employed or subcontracted by Contractor, shall comply with California Penal Code (hereafter "PC") Section 11164 et seq. and shall report all known or suspected instances of child abuse to an appropriate child protective agency, as mandated by California Penal Code 11164, 11165.8 and 11166. Contractor and all persons employed or subcontracted by Contractor, shall make the report on such abuse, and shall submit all required information, in accordance with PC Sections 11166 and 11167.

C. Contractor Staff:

(1) Contractor shall assure that any person who enters into employment as a care

custodian of elders, dependent adults or minor children, or who enters into employment as a health or other practitioner, prior to commencing employment, and as a prerequisite to that employment, shall sign a statement on a form provided by Contractor in accordance with the above code sections to the effect that such person has knowledge of, and will comply with, these code sections.

(2) Contractor shall assure that clerical and other non-treatment staff who are not legally required to directly report suspected cases of abuse, consult with mandated reporters upon suspecting any abuse.

(3) For the safety and welfare of elders, dependent adults, and minor children, Contractor shall, to the maximum extent permitted by law, ascertain arrest and conviction records for all current and prospective employees and shall not employ or continue to employ any person convicted of any crime involving any harm to elders, dependent adults, or minor children.

(4) Contractor shall not employ or continue to employ, or shall take other appropriate action to fully protect all persons receiving services under this Agreement concerning, any person whom Contractor knows, or reasonably suspects, has committed any acts which are inimical to the health, morals, welfare, or safety of elders, dependent adults or minor children, or which otherwise make it inappropriate for such person to be employed by Contractor.

50. FAIR LABOR STANDARDS: Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for services performed by Contractor's employees for which County may be found jointly or solely liable.

51. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractor to complete the certification in Exhibit G, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California

law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

52. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal a cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga 14 días (72 horas) de vida o menos y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

SUBJECT: ADVANCE NOTIFICATION OF INTENT TO ENTER INTO SOLE
SOURCE CONTRACT NEGOTIATIONS WITH THE UNIVERSITY OF
SOUTHERN CALIFORNIA CARE MEDICAL GROUP, INC.

This memo is to comply with the Chief Administrative Officer, David E. Janssen's September 1999 letter regarding contracting policy requirements for sole source contracts. It is the Los Angeles County Department of Mental Health's (DMH) intent to enter into sole source contract negotiations with the University of Southern California Care Medical Group, Inc. (USC) located at 1510 San Pablo St., 6th floor, Los Angeles, CA 90033-4613.

Over the past year the recruitment of physicians has continued to be a significant problem, a situation exacerbated by the drain of the available physician applicant pool to the State Correctional and Hospital system, where salaries far exceed those offered by the County. Due to a shortage of physicians and the transfer of the Los Angeles County + University of Southern California (LAC+USC) Medical Center outpatient services from the Department of Health Services (DHS) on July 1, 2008, DMH proposes to enter into a new Consultant Services Agreement with USC to provide physician services for new outpatient Family-Focused Treatment Services (FFTS) at LAC+USC.

DMH plans to transition DHS' traditional psychiatric outpatient program into a new, family-focused outpatient service that promotes DMH's system-wide transformation of service delivery from traditional services to a Recovery Model of service delivery in accordance with the Department's Mental Health Services Act (MHSA) Community Services and Supports (CSS) Plan. The unit will be known as LAC+USC FFTS. The FFTS will provide a model center for the education and training of a variety of mental health specialists, beginning with psychiatry residents and expanding to include psychologists, social workers and other disciplines.

In addition, the new Agreement will provide on-call psychiatric coverage at the Augustus F. Hawkins (AFH) Urgent Care Center (UCC) between the hours of 10:00 p.m. and midnight on weekdays and for up to eight hours per day on weekends and holidays (specific hours to be based upon the needs of the UCC). DMH currently has a Purchase of Services Order with the USC physicians to provide coverage for the AFH UCC through June 30, 2008. Upon Board approval, this proposed Agreement would be effective July 1, 2008.

USC is uniquely qualified to provide physician services for the LAC+USC FFTS and on-call coverage at AFH UCC in that it currently provides psychiatric services for Psychiatric Emergency Services (PES), outpatient, and inpatient programs at LAC+USC and AFH under the Medical School Operating Agreement with DHS. In addition, USC operates the DMH-contracted UCC at LAC+USC that works collaboratively with the DHS PES, inpatient, and outpatient programs to ensure an integrated continuum of psychiatric care intended to reduce the demand on the PES and inpatient services and promote recovery-oriented, community-based mental health care.

The total annual amount for the requested services, beginning with Fiscal Year 2008-2009, is \$892,500: \$852,000 for the FFTS and \$40,000 for after-hours coverage at AFH UCC, funded by MHSA funding. The new Agreement with USC will include psychiatry residents training with service delivery and overhead, including tithes, related to the cost of providing such supervision, teaching, and academic services by the University of Southern California.

Unless otherwise instructed by a Board office, DMH will proceed with negotiating the sole source contract within two weeks. DMH will work closely with both the Office of the County Counsel and the Chief Executive Office in preparing a new Consultant Services Agreement with the University of Southern California Care Medical Group, Inc.

SOLE SOURCE CHECK LIST

Check (√)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS <i>Identify applicable justification and provide documentation for each checked item.</i>
✓	➤ Only one bona fide source for the services exists; performance and price competition are not available,
✓	➤ Quick action is required (emergency situation
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract
✓	➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
	➤ Other reason. Please explain:

Each County department head is also required to report to the Chief Executive Officer by June 30 of each year those sole source contracts under \$250,000 executed by/for their department for the fiscal year ending June 30. The Chief Executive Officer will compile the list and submit it to the Board of Supervisors.
